About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using Pivot, or meet with OGFA to discuss opportunities that you are interested in.

Note: Current month deadlines are reminders.

*Titles of fellowships are hyperlinks*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master’s - Opportunities for graduate students pursuing a master’s degree (also includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree
Wolf Trap Internships
November 1, 2016
Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, D.C.

Dumbarton Oaks Fellowships
November 1, 2016
- **Junior Fellowship**: Fellowships for students who have fulfilled all preliminary requirements for the PhD or appropriate final degree and will be working on a dissertation or final project at Dumbarton Oaks under the direction of a faculty member at their own university.
- **Summer Fellowship**: Fellowships for Byzantine, Pre-Columbian, or Garden & Landscape scholars on any level of advancement beyond the first year of graduate study.
- **Mellon Fellowships in Urban Landscape Studies**: Fellowships intended for scholars and designers to pursue research on the history and current conditions of urban landscapes.

The Wenner-Gren Foundation Dissertation Fieldwork Grants
November 1, 2016
Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

DAAD Graduate Student Scholarships and Grants
*See website for more opportunities.*

- **German Studies Research Grant**
  November 1, 2016
  Specialized DAAD program designed to encourage research and promote the study of cultural, political, historical, economic and social aspects of modern and contemporary German affairs from an inter- and multidisciplinary perspective. Must be nominated by department/program chair. Grant may be used for short-term research (one to two months) in Germany.

DAAD Graduate Research Grants
November 4, 2016
For those who have completed a Master's degree and wish to conduct research in Germany, including those who wish to earn a doctoral degree in Germany.

University Summer Course Grant
December 1, 2016
Scholarships for Master's students to attend a broad range of three- to four-week summer courses at German universities which focus mainly on German language and literary, cultural, political and economic aspects of modern and contemporary Germany.

Intensive Language Courses in Germany
December 1, 2016
Grants for students who wish to attend 80-week intensive language courses at leading institutes in Germany.

Henry Luce Foundation/ACLS Program in China Studies Travel Grants
November 9, 2016
Predissertation summer travel grants, postdoctoral fellowships as well as collaborative reading-workshop grants available for travel to China.

Leifur Eiríksson Foundation Scholarship Program
November 15, 2016
For graduate research or study at universities in Iceland. Up to $25,000 in project costs, including travel to and from the research or study site will be paid on the scholar's behalf.

Critical Language Scholarship Program
November 16, 2016
U.S. government effort to expand dramatically the number of Americans studying and mastering critical foreign languages (Azerbaijani, Bangla/Bengali, Hindi, Indonesian, Korean, Punjabi, Swahili, Turkish, Urdu, Arabic, Persian, Chinese, Japanese, and Russian).

National Museum of the American Indian Internship Program
November 20, 2016
Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C. or New York for a duration of 10 weeks.

DOE Office of Science Graduate Student Research (SCGSR) Program
November 21, 2016
Prepares graduate students for STEM careers critically important to the DOE Office of Science mission, by providing graduate thesis research opportunities at DOE laboratories.

Naval Research Enterprise Internship Program
November 30, 2016
Summer internships for STEM students to participate in research at a Department of Navy lab.

Mid Atlantic Arts Foundation USArtists International Grants
December 1, 2016
Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.
Travel (Continued)

John Carter Brown Library Research Fellowships
December 1, 2016
Supports research at the John Carter Brown Library at Brown University on the colonial history of the Americas, including all aspects of the European, African, and Native American involvement.

Carnegie Saharan Crossroads Fellowship Program
December 15, 2016 (anticipated)
Sponsored by the American Institute for Maghrebi Studies (AIMS) and West African Research Association (WARA), Saharan Crossroads seeks to counter the conceptual divide separating North and sub-Saharan Africa and the tendency to view the Sahara Desert as an impenetrable barrier dividing the continent into the northern “white” and sub-Saharan “black” Africa.

Qasid Annual Scholarship Program
December 15, 2016
Scholarship to study Arabic at the Qasid Arabic Institute.

Department of Homeland Security HS-STEM Summer Internship Program
December (anticipated)
10-week summer internship in a broad spectrum of research areas for students majoring in homeland security disciplines related to science, technology, engineering, and mathematics. Provides students with quality research experiences at federal research facilities across the country. Areas of research include engineering, computer science, mathematics, physics, chemistry, biological/life sciences, environmental science, emergency and incident management, social sciences, and more.

RAND Graduate Student Summer Associate Program
January 5, 2017
Locations: Santa Monica, Washington DC, Pittsburgh, or Boston
Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program
January 9, 2017
The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

American School of Classical Studies at Athens Fellowships and Grants
January 15, 2017
One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens

Chateaubriand Fellowship
January 20, 2017 (anticipated)
Grant offered by the Embassy of France in the United States allowing doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

Boren Fellowship
January 31, 2017
Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Villers Fellowship for Health Care Justice
January 17 (anticipated)
Year-long fellowship as a policy analyst for Families USA in Washington D.C. Commitment to social health care justice advocacy is expected.

Andrew W. Mellon Mediterranean Regional Research Fellowship
January 30, 2017
The Council of American Overseas Research Centers is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue.

The Multi-Country Research Fellowship
January 30, 2017
This Council of American Overseas Research Centers fellowship program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Society for Industrial and Applied Mathematics (SIAM) Student Travel Awards
Deadline: Seven months before the first day of the conference for which support is requested. Travel awards to help students attend and present at SIAM conferences.

Institute for Humane Studies Conference and Research Grant
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students advancing the principles of freedom through their present to academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, and participate in career-development seminars.

The Center for Jewish History Steinberg Fund for Emerging Jewish Filmmakers
Deadline: Rolling
Funding to for projects whose subject matter is in line with the collections housed at the Center for Jewish History and who plan to do research at the Center's archives in New York. The goal of this fellowship is to provide small stipends to emerging filmmakers working on topics related to modern Jewish history, and is not limited to film students.
Diane Woodend Jones Leadership Legacy Scholarship
Scholarship for an outstanding young woman pursuing graduate studies working toward a career in transportation or a related field, and who demonstrates a specific interest in advancing transportation innovation in the international arena.

Woodrow Wilson International Center for Scholars Middle East Program Internships
November 15, 2016
The Program concentrates on long-term developments and how they impact stability and growth in the region and its relations with the U.S. The Program’s meetings, conferences and reports assess the policy implications of regional developments, the region’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Society for Historians of American Foreign Relations Foreign Language Fellowship
November 15, 2016
The SHAFR Michael J. Hogan Fellowship promotes research in foreign language resources by graduate students researching some aspect of U.S. foreign relations history.

GEM MS Engineering Fellowship Program
November 15, 2016
Promotes the benefits of a master’s degree within industry. Fellows are provided practical engineering summer work experiences through an employer sponsor & an academic year fellowship of tuition, fees, and a stipend.

Tallahassee Mayoral Fellowship Program
Late November
Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall. Open to those in public administration, urban and regional planning, social sciences, and related fields.

Knowles Science Teaching Foundation Fellowship
November 27, 2016
Teaching fellowships for those who commit to teaching mathematics or science as their primary career, providing new math and science teachers (1st and 2nd year of teaching) with professional development, resources, and support to improve STEM education in our schools.

Garden Club of America Catherine H. Beattie Fellowship in Conservation Horticulture
November 30, 2016
Annual research grant for graduate students in biology, horticulture, or a related field.

SMART Fellowship through the Department of Defense (DoD)
December 1, 2016
Aims to increase the number of civilian scientists and engineers working at DoD laboratories by supporting undergraduate and graduate students pursuing STEM degrees.

Kate Neal Kinley Memorial Fellowship
December 1, 2016
Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

American Psychological Foundation Roy Scrivner Memorial Research Grant
November 1, 2016
Grant for empirical and applied research focused on lesbian, gay, and bisexual family psychology and lesbian, gay and bisexual family therapy for those working in STEM, behavioral sciences, social sciences, and related fields.

Society for Human Resource Management Student Scholarship Program
November 1, 2016
Scholarships may be used for master’s degree programs with an emphasis area in HR or an HR-related program (such as business, psychology, or labor relations).

Florida Library Association Scholarships
November 2, 2016
Scholarships for students in Master’s of Library Science graduate program.

Google SVA Scholarship
November 4, 2016
In partnership with Student Veterans of America, the Google SVA scholarship provides assistance to student veterans who are pursuing university degrees in the field of computer science in the U.S.

National Science Foundation East Asia and Pacific Summer Institutes
November 10, 2016
Award provides first-hand research experiences in Australia, China, Japan, Korea, New Zealand, Singapore, or Taiwan; an introduction to the science, science policy, and scientific infrastructure of the respective location; and an orientation to the society, culture, and language.

WTS International Scholarships
November 14, 2016
*Contact OGFA if interested in applying*

Helene M. Overly Memorial Graduate Scholarship
Scholarship for women enrolled in a transportation-related degree program such as transportation engineering, urban and regional planning, finance, or logistics. Must apply through a local chapter. Local chapter scholarship winners are eligible for the national WTS scholarship.

Society for Historians of American Foreign Relations Foreign Language Fellowship
November 15, 2016
The SHAFR Michael J. Hogan Fellowship promotes research in foreign language resources by graduate students researching some aspect of U.S. foreign relations history.

GEM MS Engineering Fellowship Program
November 15, 2016
Promotes the benefits of a master’s degree within industry. Fellows are provided practical engineering summer work experiences through an employer sponsor & an academic year fellowship of tuition, fees, and a stipend.

Tallahassee Mayoral Fellowship Program
Late November
Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall. Open to those in public administration, urban and regional planning, social sciences, and related fields.

Knowles Science Teaching Foundation Fellowship
November 27, 2016
Teaching fellowships for those who commit to teaching mathematics or science as their primary career, providing new math and science teachers (1st and 2nd year of teaching) with professional development, resources, and support to improve STEM education in our schools.

Garden Club of America Catherine H. Beattie Fellowship in Conservation Horticulture
November 30, 2016
Annual research grant for graduate students in biology, horticulture, or a related field.

SMART Fellowship through the Department of Defense (DoD)
December 1, 2016
Aims to increase the number of civilian scientists and engineers working at DoD laboratories by supporting undergraduate and graduate students pursuing STEM degrees.

Kate Neal Kinley Memorial Fellowship
December 1, 2016
Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.
American Society for Nutrition Predoctoral Fellowships
December 1, 2016
Fellowship for students in nutrition research.

Google Scholarships

Women Techmakers Scholars Program
December 1, 2016
Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Scholars’ Retreat.

Generation Google Scholarship
December 1, 2016
Established to help aspiring computer scientists excel in technology and become leaders in the field.

Google Lime Scholarship
December 4, 2016
Scholarship program to help university students with disabilities work toward their academic goals in the field of computer science.

American Association of University Women Fellowships and Grants

International Fellowships
December 1, 2016
Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

Career Development Grants
December 15, 2016
Funding to women who hold a bachelor’s degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

Golden Key Scholarships
December 15, 2016
Numerous scholars, awards, and grants for Golden Key members.

Philanthropic Education Organization (P.E.O.) International Peace Scholarship
Eligibility form must be completed by December 15
The International Peace Scholarship Fund provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

American Association for Education Finance and Policy Grants and Awards
December 31, 2016

Roe L. Johns Travel Grants: Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFP Annual Conference.

New Scholars Award: Supports significant research by master’s and doctoral students whose research addresses education finance and policy.

Guy Harvey Scholarship Award
January 5, 2017 by 4 PM
Supports full time graduate students at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida’s marine environment.

American Water Works Association Scholarships
January 10, 2017
Numerous scholarships for students in the field of water works.

American Association of Family & Consumer Sciences National Graduate Fellowship
January 9, 2017
Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

American Association of University Women (AAUW) Selected Professions Fellowships
January 10, 2017
Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women’s participation traditionally has been low.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity
January 13, 2017 (anticipated)
Description: Fellows travel to Washington, DC, Berlin, and Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

Golden Key Scholarships
December 15, 2016
Numerous scholars, awards, and grants for Golden Key members.

Philanthropic Education Organization (P.E.O.) International Peace Scholarship
Eligibility form must be completed by December 15
The International Peace Scholarship Fund provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

Elva Knight Research Grant: Grant for research in reading and literacy

Jeanne S. Chall Research Fellowship: Grant to support reading research by promising scholars.

Steven A. Stahl Research Grant: Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Hurst Review/American Association of Colleges of Nursing Scholarship
January 15, 2017
Scholarships for students pursuing professional nursing degrees.
McKnight Doctoral Fellowship  
January 15, 2017  
Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Currently enrolled Ph.D students are not eligible.

AAMFT Now Is The Time Minority Fellowship Program  
January 20, 2017 (anticipated)  
American Association of Marriage and Family Therapy Fellowship for master's students enrolled in a Marriage and Family Therapy master's program interested in service provision to the nation's youth.

American College of Sports Medicine Dr. Raymond A. Weiss Research Endowment  
January 20, 2017  
Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Pittsburgh Foundation - Walter Reed Hovey Memorial Fund  
January 21, 2017  
The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Intercollegiate Studies Institute Graduate Fellowships  
January 23, 2017  
Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Mister Rogers Memorial Scholarship  
January 31, 2017 (anticipated)  
$10,000 scholarships to support and encourage graduate students to pursue a career in children's media and further the values and principles of Fred Rogers' work.

Spencer Educational Foundation Graduate Scholarships  
January 31, 2017  
Scholarships for master's and pre-dissertation Ph.D. students studying education.

Philanthropic Educational Organization (P.E.O.) Program for Continuing Education  
Deadline: 3-4 months prior to the start of the term for which the grant is requested  
One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

American Psychological Foundation Roy Scrivner Memorial Research Grant  
November 1, 2016  
Grant for empirical and applied research focused on lesbian, gay, & bisexual family psychology & lesbian, gay & bisexual family therapy for students in STEM, behavioral sciences, social sciences, & related fields.

Paul and Daisy Soros Fellowship for New Americans  
November 1, 2016  
Every year, The Paul & Daisy Soros Fellowships for New Americans supports thirty New Americans, immigrants or the children of immigrants, who are pursuing graduate school in the United States. Selection criteria emphasize creativity, originality, initiative, and sustained accomplishment. The program values a commitment to the Constitution and the Bill of Rights.

Wenner-Gren Foundation Dissertation Fieldwork Grants  
November 1, 2016  
The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to be a source of vibrant and significant work.

AERA Minority Dissertation Fellowship Program in Education Research  
November 1, 2016  
American Educational Research Association Fellowships support doctoral dissertation research and to advance education research by outstanding minority graduate students.

Google SVA Scholarship  
November 4, 2016  
Google established the Google SVA Scholarship in partnership with Student Veterans of America. The scholarship provides assistance to student veterans who are pursuing university degrees in the field of computer science in the U.S.

Autism Speaks Dennis Weatherstone Pre-doctoral Fellowship Program  
November 5, 2016 (anticipated)  
Two-year fellowship for students interested in pursuing careers in autism research. Funding supports the entire research continuum - from discovery to development to dissemination - for innovative projects that hold considerable promise for significantly improving the lives of those affected by autism.
Doctoral (Continued)

Ford Foundation Fellowship Program—Pre-doctoral and Dissertation Fellowships
November 10, 2016 (dissertation); November 17, 2016 (pre-doctoral)
The Foundation seeks to increase the diversity of the nation’s college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

WTS International Scholarships
November 14, 2016
*Contact OGFA if interested in applying*

Helene M. Overly Memorial Graduate Scholarship
Scholarship for women enrolled in a transportation-related degree program such as transportation engineering, urban and regional planning, finance, or logistics. Must apply through a local chapter. Local chapter scholarship winners are eligible for the national WTS scholarship.

Diane Woodend Jones Leadership Legacy Scholarship
Scholarship for an outstanding young woman pursuing graduate studies working toward a career in transportation or a related field, and who demonstrates a specific interest in advancing transportation innovation in the international arena.

American Psychological Association Elisabeth Munsterberg Koppitz Child Psychology Graduate Fellowship
November 15, 2016
The fellowship promotes the advancement of knowledge and learning in the field of child psychology in order to nurture excellent young scholars for careers in areas of psychology, such as child-clinical, pediatrics, school, educational and developmental psychopathology and to support scholarly work contributing to the advancement of knowledge in these areas.

Amelia Earhart Fellowships from Zonta International Foundation
November 15, 2016
Established in 1938 in honor of Amelia Earhart, famed pilot and Zonta club member. The $10,000 Fellowships are granted annually to women pursuing PhD degrees in aerospace-related sciences or aerospace-related engineering. Women of any nationality pursuing a Ph.D./doctoral degree, who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering, are eligible and encouraged to apply.

American Association of University Women (AAUW) American Dissertation Fellowship
November 15, 2016
Fellowships for women preparing research for publication. Female candidates are evaluated on the basis of scholarly excellence, quality and originality of project design, and active commitment to helping women and girls through service in their communities, professions, or fields of research.

GEM Fellowship Program
November 15, 2016

PhD Engineering Program: The objective of this program is to offer doctoral fellowships to underrepresented minority students who have either completed, are currently enrolled in a master’s in engineering program, or received admittance into a PhD program directly from a bachelor’s degree program. Fellowships may be used at any participating GEM Member University where the GEM Fellow is admitted.

PhD Science Fellowship: The goal of this program is to increase the number of minority students who pursue doctoral degrees in the natural science disciplines — chemistry, physics, earth sciences, mathematics, biological sciences, and computer science. Applicants to this program are accepted as early as their senior undergraduate year, as well as candidates currently enrolled in a Master’s of Engineering program and working professionals.

Charlotte W. Newcombe Doctoral Dissertation Fellowships
November 15, 2016
Dissertation stage support for doctoral students whose work offers significant potential for advancing academic scholarship related to ethics and/or religion.

Society for Historians of American Foreign Relations Michael J. Hogan Foreign Language Fellowship
November 15, 2016
Fellowship to promote research in foreign language resources by graduate students researching some aspect of U.S. foreign relations history.

ACLS/Robert H. N. No Family Foundation Dissertation Fellowship in Buddhist Studies
November 15, 2016
The American Council of Learned Societies (ACLS) announces the third year of an initiative supporting research and teaching in Buddhist studies, funded by a three-year grant of $6.7 million from The Robert H. N. Ho Family Foundation. Working with the Foundation, ACLS offers an articulated set of fellowship and grant competitions that will expand the understanding and interpretation of Buddhist thought in scholarship and society, strengthen international networks of Buddhist studies, and increase the visibility of innovative currents in those studies.

Tallahassee Mayoral Fellowship Program
Mid-November
Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall. Open to students in public administration, urban and regional planning, social sciences, and related fields.

National Institute of Justice (NIJ) Graduate Research Fellowship Program
November 21, 2016
Supports doctoral students engaged in research that advances NIJ’s mission.

Social and Behavioral Sciences Track: Supports research in all social and behavioral science disciplines including but not limited to criminology, psychology and sociology.

STEM Track: Supports research in the life sciences, physical sciences, engineering, computer and information sciences, and the mathematical sciences.

The Office of Graduate Fellowships and Awards | Florida State University

Jennings Randolph Peace Scholarship Dissertation Program
November 22, 2016
The United States Institute of Peace sponsors Fellowships to advance research that contributes to a wider understanding of how to manage conflict and build sustainable peace effectively.

Knowles Science Teaching Foundation Fellowship
November 27, 2016
Teaching fellowships for those who commit to teaching mathematics or science as their primary career.

Garden Club of America Catherine H. Beattie Fellowship in Conservation Horticulture
November 30, 2016
Annual research grant for graduate students in biology, horticulture, or a related field.

Giva, Inc. Semi-Annual Student Scholarship and Worldwide Community Ambassador Award
December 1, 2016
Scholarship toward tuition for any graduate student designed to assist students further their education as well as their social responsibility and community service footprint in the world.

D. Kim Foundation Grants for Historical Research of Science, Technology in East Asia
December 1, 2016
The Foundation provides fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in modern East Asia, regardless of their nationality, origins, or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome. English is the official language of the Foundation. All application materials (including sample chapters, papers, and essays) should be written in English.

American Association of University Women (AAUW) International Fellowships
December 1, 2016
International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. The overwhelming majority of fellows return to their home countries to become leaders.

Romance Writers of America Academic Research Grant
December 1, 2016
Up to $5,000 to develop and support academic research devoted to genre romance novels, writers, and readers. The ultimate goal of the proposals should be significant publication in major journals or as a monograph from an academic press. RWA does not fund creative work (such as novels or films). Grant is open to dissertation candidates who have completed all course work and qualifying exams.

Doris Duke Fellowships for the Promotion of Child Well-Being
December 1, 2016
Fellowship to support research that will help prevent child abuse and neglect.

SMART Fellowship through the Department of Defense (DoD)
December 1, 2016
Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

Google Scholarships

Women Techmakers Scholars Program
December 1, 2016
Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Scholars’ Retreat.

Generation Google Scholarship
December 1, 2016
Established to help aspiring computer scientists excel in technology and become leaders in the field.

Google Lime Scholarship
December 4, 2016
Scholarship program to help university students with disabilities work toward their academic goals in the field of computer science.

NIH Ruth Kirschstein NRSA Predoctoral Fellowship (F31)
December 8, 2016
To enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers.

IMA Research Foundation Grants

Applied Research
November 9, 2016
Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

IMA Incubator Grant Program
December 31, 2016
Grants for smaller innovative projects.

National Defense Science and Engineering Graduate Fellowship
December 9, 2016
As a means of increasing the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance, the Department of Defense (DoD) plans to award approximately 200 new three-year graduate fellowships in April 2016, subject to the availability of funds. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

American Chemical Society Division of Analytical Chemistry Graduate Fellowship
December 11, 2016 (anticipated)
Both nine-month ($21,000) and summer ($7,000) fellowships for PhD students researching analytical chemistry.
Doctoral (Continued)

NIH Ruth L. Kirschstein NRSA Individual Predoctoral Fellowship to Promote Diversity in Health-Related Research (F31)
December 13, 2016
To enhance the diversity of the health-related research workforce by supporting the training of predoctoral students from population groups that have been shown to be underrepresented in the biomedical, behavioral, or clinical research workforce. Provides individualized, mentored research training from outstanding faculty sponsors while conducting well-defined research projects in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers.

UNCF-Merck Graduate Science Research Dissertation Fellowships
December (anticipated)
Open to African American students who are engaged in and within 1-3 years of completing their dissertation research and enrolled full-time in a Ph.D. or equivalent doctoral degree program.

American Musicological Society Fellowships
December 15, 2016
Alvin H. Johnson AMS 50 Dissertation-year Fellowships: Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow’s dissertation will be completed within the fellowship year.
The Howard Mayer Brown Fellowship: Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

Philanthropic Education Organization (P.E.O.) International Peace Scholarship
Eligibility form must be completed by December 15. The International Peace Scholarship Fund provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

Association for Education Finance and Policy Grants and Awards
December 31, 2016
See website for more funding opportunities.

Roe L. Johns Travel Grants: Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFP Annual Conference.
