About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using Pivot, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master’s - Opportunities for graduate students pursuing a master’s degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree
Harry S. Truman Library Research Grant  
April 1, 2019  
Research Grants of up to $2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum. Funds lodging and meals, airfare, and photocopying.

Neotropical Grassland Conservancy (NGC) Student Grant Program  
April 1, 2019  
Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central/South America. Open to Latin American students in MS or PhD programs in U.S. or South American universities.

American Musicological Society  
April 2, 2019  
Virginia and George Bozarth Travel Fund  
Intended to encourage and assist PhD candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund  
Funds honor the memory of Jan LaRue (1918–2004), distinguished scholar and AMS member known for pioneering work on style analysis, eighteenth-century symphony, and early computer usage in musicology.

Harold Powers World Travel Fund  
The fund is intended to encourage and assist PhD candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund  
Intended to encourage and assist PhD candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on topics in European music.

Mid Atlantic Arts Foundation USArtists International Grants  
April 3, 2019  
Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

Confucius China Studies Program Research PhD Fellowship  
April 8, 2019 (anticipated)  
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

Smithsonian Institution—STRI Short-Term Fellowship Program  
April 15, 2019  
Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

Caucus for Women in Statistics Travel Award  
April 15, 2019  
The Caucus for Women in Statistics (CWS) travel awards partially support the attendance of a professional meeting, such as the Joint Statistical Meeting (JSM). The CWS anticipates offering at least two awards in the amount of $300 each. The selection will be based on both merit and financial need.

American Jewish Historical Society  
April 20, 2019  
Sid and Ruth Lapidus Fellowship  
Supports one or more researcher(s) wishing to use the collections of the American Jewish Historical Society. Preference is given to researchers interested in 17th and 18th century American Jewish history. At the discretion of the awards committee, the fellowship funds may also be applied to subsidizing publication of a first book in the field of American Jewish history, again with preference given to works in early American Jewish history. The available amount for the award(s) is $6,000 annually.

Ruth B. Fein Prize  
A travel stipend established in honor of a past president of the Society. Up to $1,000 is awarded to a graduate student to help fund research undertaken at the American Jewish Historical Society.

Congressional Papers Section (CPS) Pre-Conference Scholarship  
May 1, 2019  
Financial assistance to attend the CPR pre-conference at the Society of American Archivists Annual Meeting.

German Academic Exchange Service (DAAD)  
May 1, 2019  
Short Term Research Grants  
Awards for ABD doctoral candidates with well-defined research projects that make a stay in Germany essential. Preference will be given to applicants who have been invited by a faculty member at a German university to study or do research in a particular university or department.

German Studies Research Grant  
Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

Travel (Continued)

**Scientific and Technological Research Council of Turkey**
May 1, 2019 (anticipated)
Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

**The Wenner-Gren Foundation Dissertation Fieldwork Grants**
May 1, 2019
Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

**Society for Male Reproduction and Urology Traveling Scholars Award Program**
May 2, 2019
The objective of this award is to provide an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).

**DOE Office of Science Graduate Student Research (SCGSR) Program**
May 9, 2019
The U.S. Department of Energy's SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

**The Gilder Lehrman Institute of American History Fellowship**
May 13, 2019
The Institute provides annual short-term research fellowships in the amount of $3,000 each to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history. Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.

**National Museum of the American Indian Internship Program**
June 1
Fall internships for students interested in the museum profession and related fields.

**Society for the History of Technology Travel Grant**
June 15, 2019 (anticipated)
Designed to defray some costs associated with attending the SHOT conference. This grant is open to individuals giving a paper at the annual meeting. The reviewing committee prioritizes scholars whose presentations address women, gender, race, ethnicity, and/or difference in the history of technology. Women, minorities, international scholars, and those who are new to SHOT are particularly encouraged to apply.

**Golden Key International Honour Society**
June 17, 2019
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

**Golden Key Research Grant**
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

**Wolf Trap Internships**
July 1, 2019
Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

**AIIS Junior Research Fellowships**
July 1, 2019
Specifically designed fellowships to enable doctoral candidates to pursue dissertation research in India.

**American Society for Theater Research**
July 16, 2019 (early submissions encouraged)

**Thomas Marshall Graduate Student Award**
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

**Helen Krich Chinoy Dissertation Fellowship**
The total award amount of $3000 is typically divided into three equal awards. It is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.

**Americans for the Arts—Internship Opportunities**
July 17, 2019 (anticipated)
The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation's leading nonprofit for advancing the arts in America. Fall, Winter/Spring, and Summer Internships are available.

**Luso-American USA@PT Grants**
Deadline: Last day of each month
Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awarded with the required means to develop their work and provides for their travel and accommodation expenses.

**Institute for Humane Studies Conference and Research Grant**
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

**U.S. Department of Energy Carlsbad Field Office Fellowship Program**
Deadline: See website for openings
The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

**Joan Nelson Study Abroad Scholarship**
Assists members who are going to participate in a study abroad program.

**Golden Key Research Grant**
Supports members’ research and/or presentation of research at conferences.

**Luso-American USA@PT Grants**
Deadline: Last day of each month
Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awarded with the required means to develop their work and provides for their travel and accommodation expenses.

**Institute for Humane Studies Conference and Research Grant**
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

**U.S. Department of Energy Carlsbad Field Office Fellowship Program**
Deadline: See website for openings
The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.
Travel (Continued)

**KOSMOS Summer University Fellowship**

See website for openings

The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

**International Ocean Discovery Program Expedition**

See website for openings

The IODP is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediment and rock beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.
Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019
The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

Davis-Putter Scholarship
April 1, 2019
Need-based funding for graduate students who are actively working for peace and justice.

Wilson Center Internships with the Middle East Program
April 1, 2019; July 15, 2019
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, and the role and future prospects of the region’s energy resources.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing, PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

Florida-China Linkage Institute Tuition Exemption Program
April 1, 2019
This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public universities or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

Florida Space Grant Consortium Masters Fellowship Program
April 1, 2019 (Notice of intent to apply due March 15)
The FSGC Masters Fellowship Program provides a prestigious instrument to reward and attract the best and the brightest U.S. citizens to space-related careers. The program is also designed to enhance cooperation among FSGC-affiliated university faculty and peers in industry, government, and private laboratories. Accordingly, each Fellow will receive an Academic Year 2019-2020 fellowship stipend of $10,000 for full-time masters students.

American Institute for Economic Research Harwood Visiting Research Fellowships
April 1, 2019
Fellowships for visiting scholars including PhD students and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship periods. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).

Sociologists for Women in Society Cheryl Allyn Miller Award
April 1, 2019
Award recognizes a sociology graduate student or recent doctorate whose research or activism constitutes an outstanding contribution to the field of women and work.

Student Leadership Awards
April 3, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic descent.

ORISE Evaluation Fellowship Opportunity at the CDC
April 8, 2019
Fellows work under the leadership of the CDC’s Chief Evaluation Officer and are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure that the activities build the knowledge base of the program and enhance the professional development of the Fellow.

High Energy Laser and High Power Microwave Technologies Scholarships
April 12, 2019
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

National Military Intelligence Foundation (NMIF) Scholarship
April 12, 2019
The National Military Intelligence Foundation (NMIF) awards scholarships to students pursuing degrees in intelligence studies and related fields. Awards include tuition grants and invitations to attend the NMIF Awards Banquet held in McLean, VA. Current and prior members of the military or intelligence community may apply if they are not receiving tuition assistance from the government for their tuition.

Delta Sigma Theta Mary Murphy Graduate Scholarship
April 13, 2019
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.
Master’s (Continued)

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
April 8, 2019
The DDETPF program provides funding for the pursuit of Masters or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

Academy of Nutrition and Dietetics Foundation Scholarships
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation
April 17, 2019
Irene Winifred Eno Grant
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into graduate-level interior design programs at accredited universities.

Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

Scholarships in Waste Management Research and Education
April 19, 2019
Recognize graduate students pursuing excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019
IFER’s Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their careers to integrate innovation and discovery with ethics and respect for animals.

Spencer Educational Foundation RIMS Part-time Master's Scholarship
May 1, 2019
The Spencer Educational Foundation awards Part-time Master's Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to $10,000 to cover tuition and fees.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Psychological Foundation (APF)

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

Lieutenant Colonel Lily H. Gridley Memorial Master's Thesis Fellowship
May 1, 2019
This $3,500 thesis fellowship funds those writing on topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps.

American Nurses Foundation Research Grants
May 1, 2019
Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women’s health, child health, community and family intervention, and leadership.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for first year, full-time graduate student for work in electrical engineering.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institutions but receive training and support from Mozilla to hone their skills around open source and data sharing.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master’s programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.
American Speech-Language-Hearing Foundation Graduate Student Scholarship  
May 15, 2019  
Scholarships for full-time students who will be or who are currently enrolled in graduate programs in communication science and disorders.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues  
May 15, 2019  
Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Florida Outdoor Writers Association Scholarship  
May 18, 2019 (anticipated)  
FOWA Scholarships are competitive and open to students at Florida colleges and universities or any student endorsed by a FOWA member or faculty advisor. Up to three $1,000 scholarships are awarded to students aspiring to cultivate public appreciation for hunting, fishing, and other aspects of the outdoor experience.

Thermo Fisher Scientific Antibody Scholarship Program  
May 20, 2019  
This scholarship is offered to graduate students in biology, chemistry, biochemistry, or a related life science field.

Association for Consumer Research Transformative Consumer Research Grant  
May 30, 2019 (anticipated)  
Grants for consumer research projects that are focused on matters of well-being.

Tampa Bay Seminole Club Graduate Student Scholarship  
May 31, 2019 (anticipated)  
It is the goal of the Tampa Bay Seminole club to continue its commitment towards further building a pipeline between Hillsborough and Pasco county high schools and Florida State University. Candidates must be graduates of a Hillsborough or Pasco county high school and have proof of acceptance into a graduate program at FSU or have some graduate coursework already completed.

American Association of Colleges of Nursing Minority Nurse Faculty Scholarship  
May 31, 2019 (anticipated)  
Supports graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

Florida House of Representatives Legislative Intern Program  
May 31, 2019  
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

American Planning Association Judith McManus Price Scholarship  
June 1, 2019 (anticipated)  
Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

### Segal AmeriCorps Education Award
Deadlines vary
The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.
must return to their home countries for a length of time equal to their exemption periods.

Florida Statute 288.8175, authorizing this exemption program, provides that students awarded tuition exemptions studying at Florida public universities or community colleges and intend to return to China after their studies. This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at Florida public universities or community colleges and intend to return to China after their studies. Florida Statute 288.8175, authorizing this exemption program, provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

Fahs-Beck Doctoral Dissertation Grant Program
April 1, 2019
Grants up to $5000 to help support dissertation expenses of doctoral students whose studies have the potential to add significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Student Leadership Awards
April 1, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

History of Science Society Fellowships in Aerospace History
April 1, 2019
The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholarly research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing, PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

Florida Space Grant Dissertation and Thesis Improvement Fellowship
April 1, 2019 (Notice of intent to apply due March 15)
Up to $5,000 in supplemental funds for items not normally available from the student’s university or other sources. Can be used to support a master’s thesis or a doctoral dissertation.

American Institute for Economic Research Harwood Visiting Research Fellowships
April 1, 2019
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowships. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 if outside US/Canada).

North American Conference on British Studies Dissertation Fellowship
April 1, 2019
Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. An applicant’s dissertation research must necessitate travel to the British Isles.

Sociologists for Women in Society
April 1, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

History of Science Society Fellowships in Aerospace History
April 1, 2019

April 1, 2019
Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. An applicant’s dissertation research must necessitate travel to the British Isles.
Doctoral (Continued)

Beth B. Hess Memorial Scholarship
Scholarship is awarded to a dissertation-writing PhD student who has studied for at least one full academic year at a two-year college in the U.S. before transferring to complete a BA.

Esther Ngan-Ling Chow and Mareyjoyce Green Scholarship
Scholarship offers support to women scholars who are from underrepresented groups and are studying concerns that women of color face domestically and/or internationally.

Cheryl Allyn Miller Award
Award recognizes a sociology graduate student, or a recent doctorate, whose research or activism constitutes an outstanding contribution to the field of women and work.

Society for the History of Technology

The SHOT-NASA Fellowship in the History of Space Technology
April 1, 2019
This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project in an area related to the history of space technology, including cultural and intellectual history, institutional history, economic history, history of law and public policy, and history of engineering and management.

Melvin Kranzberg Dissertation Fellowship
April 15, 2019
Supports a doctoral student engaged in the preparation of a dissertation on the history of technology, broadly defined.

American Musicoletic Society
April 2, 2019

Virginia and George Bozarth Travel Fund
Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund
The fund is intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

H. Robert Cohen Fund
Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

Eugene K. Wolf Travel Fund
Intended to encourage and assist Ph.D candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on a topic in European music.

William Holmes / Frank D’Accone Endowment
The Holmes / D’Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Ora Frishberg Saloman Fund
Supports musicological research oriented to music criticism and reception history.

Dissertation Grant in Cold War History
April 5, 2019
$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
April 8, 2019
Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

NIH Ruth L. Kirschstein National Research Service Award (F31)
April 8, 2019
The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant’s dissertation research project and is expected to enhance the individual’s potential to develop into a productive, independent researcher scientist.

ORISE Evaluation Fellowship Opportunity at the CDC
April 8, 2019
Fellows work under the leadership of the CDC’s Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected to ensure that activities build the program’s knowledge base and enhance the fellow’s professional development.

Confucius China Studies Program Research PhD Fellowship
April 8, 2019 (anticipated)
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

High Energy Laser and High Power Microwave Technologies Scholarships
April 12, 2019
Scholarships support the study of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).
Doctoral (Continued)

National Military Intelligence Foundation (NMIF) Scholarship
April 12, 2019
The National Military Intelligence Foundation (NMIF) awards scholarships to students pursuing degrees in intelligence studies and related fields. Awards include tuition grants and invitations to attend the NMIF Awards Banquet held in McLean, VA. Current and prior members of the military or intelligence community may apply if they are not receiving tuition assistance from the government for their tuition.

Delta Sigma Theta Mary Murphy Graduate Scholarship
April 13, 2019
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.

American Geophysical Union Horton Research Grant in Hydrological Sciences
April 15, 2019
Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

Association for the Study of the Middle East and Africa Research Grants Program
April 15, 2019
Grants up to $2,500 support research on the Middle East and Africa. Applicants must be ASMEA members in PhD programs. Recipients must present their research at the annual ASMEA conference in Washington, D.C.

IMA Doctoral Summer Research Scholarship Program
April 15, 2019 (early applications preferred)
Program to help alleviate the need for doctoral students in business, accounting, finance, management, and related areas to assume teaching responsibilities during the summer.

Caucus for Women in Statistics Travel Award
April 15, 2019
The Caucus for Women in Statistics (CWS) travel awards partially support the attendance of a professional meeting, such as the Joint Statistical Meeting (JSM). The CWS anticipates offering at least two awards in the amount of $500 each. The selection will be based on both merit and financial need.

Academy of Nutrition and Dietetics Foundation Scholarships
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation
April 17, 2019
Irene Winifred Eno Grant
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into graduate-level interior design programs at accredited universities.

Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

American Institute of Afghanistan Studies John F. Richards Fellowship Program
April 22, 2019
Fellowships support short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

Autism Speaks Pre-Doctoral Fellowship Program
April 24, 2019 (letter of intent due February 27)
Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019
IFER’s Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their careers to integrate innovation and discovery with ethics and respect for animals.

Scientific and Technological Research Council of Turkey
May 1, 2019 (anticipated)
Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey’s scientific and technological collaboration with the home countries of the prospective researchers.

The Wenner-Gren Foundation Dissertation Fieldwork Grants
May 1, 2019
Awards to aid doctoral or thesis research. The program contributes to the Foundation’s overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity’s cultural and biological origins, development, and variation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologists or graduate student for research or projects in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.
Doctoral (Continued)

American Nurses Foundation Research Grants
May 1, 2019
The purpose of these Nursing Research Grants is to encourage the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship is available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

General Lemuel C. Shepherd, Jr., Memorial Dissertation Fellowship
May 1, 2019
A $10,000 dissertation fellowship. Topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps, will be considered.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

Scholarships in Waste Management Research and Education
May 4, 2019
Recognize graduate student excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Nurses Association Minority Fellowship Program (MFP)
May 6, 2019
Through the MFP, the Substance Abuse and Mental Health Services Administration (SAMHSA) provides federal funds to increase the number of PhD prepared nurses, psychiatrists, psychologists, social workers, and marriage and family therapists from underrepresented ethnic minority groups.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for a first year, full-time graduate student for work in electrical engineering.

DOE Office of Science Graduate Student Research (SCGSR) Program
May 9, 2019
The U.S. Department of Energy’s SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Researchers work to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues
May 15, 2019
Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Laurels Fund
May 15, 2019
This fund provides one year scholarships, ranging from $1,000 to $5,000 each, for women who are pursuing Ph.D. degrees in Accounting.

AICPA Fellowship for Minority Doctoral Students
May 15, 2019
Fellowships for full-time minority accounting scholars who demonstrate significant potential to become accounting educators.

American Speech-Language-Hearing Foundation Graduate Student Scholarship
May 15, 2019 (see website for other scholarships)
Scholarships for full-time students who will be or who are currently enrolled in a graduate program in communication science and disorders.

Florida Outdoor Writers Association Scholarship
May 18, 2019 (anticipated)
FOWA Scholarships are competitive and open to students at Florida colleges and universities, or to any student whose application is endorsed by a FOWA member or a faculty advisor. Up to three scholarships of $1,000 each are awarded. These scholarships are intended for college-aged students whose career goals are to communicate to the public appreciation for hunting, fishing and other aspects of the outdoor experience.

Thermo Fisher Scientific Antibody Scholarship Program
May 20, 2019
The scholarship is offered to graduate students in biology, chemistry, biochemistry or a related life science field.

Mariam K. Chamberlain Dissertation Award
May 27, 2019 (anticipated)
Award is granted to a first-generation college graduate to continue working on a dissertation under the close supervision of a senior dissertation advisor over a one-year period. Dissertation must be related to ICRW’s mission to end gender inequity.
**Doctoral (Continued)**

**Association for Consumer Research Transformative Consumer Research Grant**  
May 30, 2019 (anticipated)  
Grants for consumer research projects that are focused on matters of well-being.

**Tampa Bay Seminole Club Graduate Student Scholarship**  
May 31, 2019 (anticipated)  
It is the goal of the Tampa Bay Seminole club to continue its commitment towards further building a pipeline between Hillsborough and Pasco county high schools and Florida State University. Candidates must be graduates of a Hillsborough or Pasco county high school and have proof of acceptance into a graduate program at FSU or have some graduate coursework already completed.

**American Association of Colleges of Nursing Minority Nurse Faculty Scholarship**  
May 31, 2019 (anticipated)  
Support to graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

**Florida House of Representatives Legislative Intern Program**  
May 31, 2019  
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

**American Planning Association Judith McManus Price Scholarship**  
June 1, 2019 (anticipated)  
Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

**Florida Nurses Association Foundation Grants**  
June 1, 2019  
The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Each year, funds are provided to registered nurses and students for scholarships and research grants. Multiple scholarships and research grants available for nursing students.

**Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award**  
June 1, 2019  
The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

**Network of Schools of Public Policy, Affairs, and Administration (NASPAA)**

**NASPAA Staats Emerging Scholars Award**  
June 1, 2019 (anticipated)  
Recognizes up to three PhD candidates who will be job-seeking for an academic position in the coming academic year. Candidates will be selected to present a paper at the annual conference in front of national and international public service education leaders who make hiring decisions.

**NASPAA Dissertation Award**  
June 2, 2019 (anticipated)  
Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.

**Council of Writing Program Administrators Research Grant**  
June 3, 2019  
The Council of Writing Program Administrators funds research projects investigating issues and practice in writing program administration. Awards are offered in both a general research category and a targeted research category.

**Florida-Mexico Institute Out-of-State Tuition Waiver**  
June 3, 2019  
The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. FMI provides out-of-state tuition waivers to eligible students by waiving the out-of-state tuition.

**APS Award for Outstanding Doctoral Thesis Research in Biological Physics**  
June 3, 2019  
The American Physical Society (APS) with this award recognizes doctoral thesis research of outstanding quality and achievement in any area of experimental, computational, engineering, or theoretical Biological Physics, broadly construed, and encourages written and oral presentation of research results at the March APS meeting.

**American Translators Association Student Translation Award**  
June 7, 2019  
Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATAs Annual Conference.

**American Society of Legal History Cromwell Dissertation Prize**  
June 7, 2019  
Promotes and encourages scholarship in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs.

**Golden Key International Honor Society**  
June 17, 2019  
Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.

**American Society of Legal History Cromwell Dissertation Prize**  
June 7, 2019  
Promotes and encourages scholarship in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs.

**Golden Key International Honor Society**  
June 17, 2019  
Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.
Florida Association of School Psychologists Graduate Studies Award  
June 30, 2019 (anticipated)  
Awards to support students working in the area of school psychology.

USF Sunshine Education & Research Center / NIOSH Grant  
June 30, 2019  
The Sunshine ERC Pilot Research Project Grant program is designed to promote partnerships with other institutions and groups in Florida and the region and to encourage research in occupational safety and health areas that are important to the region. The Pilot Research Project Grant program is intended to act as seed money for preliminary studies in support of larger research grant applications. Grants are intended for doctoral level graduate students, junior faculty, and senior faculty who are performing research in a new area. Each grant is a one-time award.

Phi Kappa Phi Love of Learning Research Grant  
June 30, 2019  
Love of Learning Awards help fund post-baccalaureate professional development for active Phi Kappa Phi members to include (but not be limited to): Graduate or professional studies, doctoral dissertations, continuing education, career development, travel related to teaching/research/learning, etc.

AIIS Junior Research Fellowships  
July 1, 2019  
Specifically designed to enable doctoral candidates to pursue dissertation research in India.

Meredith P. Crawford Fellowship  
July 1, 2019  
Fellowship provides a one-time stipend to a doctoral candidate in Industrial-Organizational Psychology.

American Heart Association Predoctoral Fellowship  
July 11, 2019 (anticipated)  
For research broadly related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship  
July 15, 2019  
Scholarships and grants for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Leakey Foundation Research Grants  
July 15, 2019  
Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between $3,000 and $15,000.

NSF Linguistics Doctoral Dissertation Research Improvement Awards (Ling-DDRI)  
July 15, 2019  
The National Science Foundation uses these grants to fund promising dissertation research supporting basic science in the domain of human language, encompassing investigations of the grammatical properties of individual human languages, and of natural language in general. Research areas may include syntax, linguistic semantics and pragmatics, morphology, phonetics, and phonology. Awards are not given for clinical research projects nor to support work in developing or assessing pedagogical methods or tools for language instruction.

Hurst Review/American Association of Colleges of Nursing Scholarship  
July 15, 2019  
Scholarships for students pursuing professional nursing degrees.

Military Suicide Research Consortium Dissertation Completion Award  
July 15, 2019  
Dissertation completion award for doctoral students whose dissertation director is a current member of the MSRC. The awards are intended to provide necessary support for completion of a doctoral dissertation on a topic of relevance to the Consortium.

Hospitality Industry Network  
July 15, 2019 (anticipated)  

NEWH ICON of Industry Scholarship  
A $7,500 scholarship awarded to students pursuing careers in a field similar to that of a given year’s selected NEWH ICON (changes annually).

NEWH Fabric Innovations Legacy Scholarship  
This $10,000 scholarship is open to hospitality management or interior design students in NY or FL.

American Society for Theater Research  
July 16, 2019 (early submissions encouraged)  

Thomas Marshall Graduate Student Award  
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

Helen Krich Chinoy Dissertation Fellowship  
The total award amount of $3000 is typically divided into three equal awards. It is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.

NSF Biological Anthropology Doctoral Dissertation Research Improvement Grant  
July 22, 2019  
The Biological Anthropology Doctoral Dissertation Research Improvement Grant program (BA-DDRIG) supports PhD projects to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers.
