About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using [Pivot](#), or meet with OGFA to discuss opportunities that you are interested in.

Note: Current month deadlines are reminders.

Titles of fellowships are hyperlinks

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's - Opportunities for graduate students pursuing a master's degree (also includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel

Mid Atlantic Arts Foundation US Artists International Grants

December 1, 2016

Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

John Carter Brown Library Research Fellowships

December 1, 2016

Supports research at the John Carter Brown Library at Brown University on the colonial history of the Americas, including all aspects of the European, African, and Native American involvement.

DAAD Graduate Scholarships and Grants

December 1, 2016

*See website for additional funding opportunities.

University Summer Course Grant: Scholarships for Master's students to attend a broad range of three- to four-week summer courses at German universities which focus mainly on German language and literary, cultural, political and economic aspects of modern and contemporary Germany.

Intensive Language Courses in Germany: Grants for students who wish to attend 80week intensive language courses at leading institutes in Germany.

Carnegie Saharan Crossroads Fellowship Program

December 15, 2016 (anticipated)

Sponsored by the American Institute for Maghrebi Studies (AIMS) and West African Research Association (WARA), Saharan Crossroads seeks to counter the conceptual divide separating North and sub-Saharan Africa and the tendency to view the Sahara Desert as an impenetrable barrier dividing the continent into the northern "white" and sub-Saharan "black" Africa.

KRESS Fellowships for Language Study

December 15, 2016

Fellowships for art history and art conservation graduate students to attend the Middlebury Summer Language Schools in French, German, Italian, Portuguese, Russian, or Spanish.

Qasid Annual Scholarship Program

December 15, 2016

Scholarship to study Arabic at the Qasid Arabic Institute.

Department of Homeland Security HS-STEM Summer Internship Program

December 7, 2016

10-week summer internship in a broad spectrum of research areas for students majoring in homeland security disciplines related to STEM. Provides students with quality research experiences at federal research facilities across the country. Areas of research include engineering, computer science, mathematics, physics, chemistry, biological/life sciences, environmental science, emergency and incident management, social sciences, and more.

RAND Graduate Student Summer Associate Program

January 5, 2017

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering) to work with Rand in Santa Monica, Washington DC, Pittsburgh, or Boston.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program

January 9, 2017

The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

American School of Classical Studies at Athens Fellowships and Grants

January 15, 2017; February 15, 2017

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens

Chateaubriand Fellowship

January 27, 2017

Grant offered by the Embassy of France in the United States allowing doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

Andrew W. Mellon Mediterranean Regional Research Fellowship

January 30, 2017

The Council of American Overseas Research Centers is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue.

The Multi-Country Research Fellowship

January 30, 2017

This Council of American Overseas Research Centers fellowship program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Travel (Continued)

Boren Fellowship

January 31, 2017

Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded. Boren Fellows represent a vital pool of highly motivated individuals who wish to work in the federal national security arena. In exchange for funding, Boren Fellows commit to working in the federal government for at least one year after graduation.

Villers Fellowship for Health Care Justice

January 2017 (anticipated)

Year-long fellowship as a policy analyst for Families USA in Washington D.C. Commitment to social health care justice advocacy is expected.

Wolf Trap Internships

February 1, 2017

Spring, Summer, and Fall internships available at Wolf Trap National Park for the Performing Arts in Washington, D.C. to foster the next generation of arts leaders. 12-week program with flexible start & end dates.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2017 (anticipated)

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

47th St. Gallen Symposium

February 1, 2017

Essay competition to participate in the 47th St. Gallen Symposium in Switzerland. The top 100 qualify as Leaders of Tomorrow and are invited to participate in the world's premier opportunity for intergenerational debates.

Center for Jewish History Graduate Research Fellowship

February 2, 2017

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution

National Museum of the American Indian Internship Program

February 6, 2017

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington, D.C. or New York for a duration of 10 weeks.

Women Chemists Committee/Eli Lilly Travel Awards

February 15, 2017

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Confucius China Studies Program Research Fellowships

February 15, 2017 (anticipated)

For qualified students who wish to pursue doctoral research in China. Funding awards range from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

The Mariam K. Chamberlain Fellowship in Women and Public Policy

February 26, 2017 (anticipated)

\$31,000, nine-month fellowships at the Institute for Women's Policy Research assist in the professional development of students and graduates interested in economic and educational support for women.

University Research Association Visiting Scholars Program

February 27, 2017

Funding for visits to work at Fermilab as a visiting scholar for up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the Lab.

Society for Industrial and Applied Mathematics (SIAM) Student Travel Awards

Deadline: Seven months before the first day of the conference for which support is requested.

Travel awards to help students attend and present at SIAM conferences.

Institute for Humane Studies Conference and Research Grant

Deadline: Rolling, at least four weeks before activity for which you are seeking funding

Grants awarded to graduate students advancing the principles of freedom through their career to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, and participate in career-development seminars.

The Center for Jewish History Steinberg Fund for Emerging Jewish Filmmakers

Deadline: Rolling

Funding to for projects whose subject matter is in line with the collections housed at the Center for Jewish History and who plan to do research at the Center's archives in New York. The goal of this fellowship is to provide small stipends to emerging filmmakers working on topics related to modern Jewish history, and is not limited to film students.

Master's

SMART Fellowship through the Department of Defense (DoD)

December 1, 2016

Aims to increase the number of civilian scientists and engineers working at DoD laboratories by supporting undergraduate and graduate students pursuing STEM degrees.

Kate Neal Kinley Memorial Fellowship

December 1, 2016

Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

American Society for Nutrition Predoctoral Fellowships

December 1, 2016

Fellowship for students engaged in nutrition research who are members of ASN and enrolled in a U.S. graduate program in nutrition.

Google Scholarships

Women Techmakers Scholars Program

December 1, 2016

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Scholars' Retreat.

Generation Google Scholarship

December 1, 2016

Established to help aspiring computer scientists excel in technology and become leaders in the field.

Google Lime Scholarship

December 4, 2016

Scholarship program to help university students with disabilities work toward their academic goals in the field of computer science.

American Association of University Women Fellowships and Grants

International Fellowships

December 1, 2016

Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

Career Development Grants

December 15, 2016

Funding to women who hold a bachelor's degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

Golden Key Scholarships

December 15, 2016

Numerous scholars, awards, and grants for Golden Key members.

WIIT Scholarship Program

December 15, 2016

Program is designed to provide financial assistance to further educational objectives of women who are interested in international development, international relations, international trade, international economics, or international business.

Philanthropic Education Organization (P.E.O.) International Peace Scholarship

Eligibility form must be completed by December 15; Application due March 1, 2017

The International Peace Scholarship Fund provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

Association for Education Finance and Policy Grants and Awards

December 31, 2016

Roe L. Johns Travel Grants: Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

New Scholars Award: Supports significant research by master's and doctoral students whose research addresses education finance and policy.

Guy Harvey Scholarship Award

January 5, 2017 by 4 PM

Supports full time graduate students at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

American Association of Family & Consumer Sciences National Graduate Fellowship

January 9, 2017

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

Master's (Continued)

American Water Works Association Scholarships

January 10, 2017

Numerous scholarships for students in the field of water works, including water science, water supply and treatment, aquatic chemistry, and environmental chemistry.

American Association of University Women (AAUW) Selected Professions Fellowships

January 10, 2017

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in architecture, computer/information sciences, engineering, and mathematics/statistics programs where women's participation traditionally has been low.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity

January 13, 2017 (anticipated)

Fellows travel to Washington, DC, Berlin, and Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

International Literacy Association Awards and Grants

January 15, 2017

Elva Knight Research Grant: Grant for research in reading and literacy

Jeanne S. Chall Research Fellowship: Grant to support reading research by promising scholars

Steven A. Stahl Research Grant: Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2017

Scholarships for students pursuing professional nursing degrees.

McKnight Doctoral Fellowship

January 15, 2017

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees. Currently enrolled Ph.D students are not eligible.

U.S. Department of Education EdSim Challenge

January 17, 2017

The U.S. Department of Education calls for concepts for immersive simulations that transfer academic, technical, and employability skills. Successful simulations will pair the engagement of commercial games with rigorous education content to prepare students for the 21st century workforce.

AAMFT Now Is The Time Minority Fellowship Program

January 20, 2017 (anticipated)

American Association of Marriage and Family Therapy Fellowship for master's students enrolled in a Marriage and Family Therapy master's program interested in service provision to the nation's youth.

American College of Sports Medicine Dr. Raymond A. Weiss Research Endowment

January 20, 2017

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Pittsburgh Foundation - Walter Reed Hovey Memorial Fund

January 21, 2017

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Intercollegiate Studies Institute Graduate Fellowships

January 23, 2017

Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Mister Rogers Memorial Scholarship

January 31, 2017 (anticipated)

\$10,000 scholarships to support and encourage graduate students to pursue a career in children's media and further the values and principles of Fred Rogers' work.

Point Foundation Scholarship

January 30, 2017

Scholarships for LGBTQ students who are "out" to help cover expenses not covered by other funding sources.

Spencer Educational Foundation Graduate Scholarships

January 31, 2017

Scholarships for master's and pre-dissertation Ph.D. students studying education.

PADI Foundation Grant

February 1, 2017

Grants to support underwater science, environmental projects, and education.

American Cancer Society Graduate Scholarships in Cancer Nursing

February 1, 2017

Supports graduate students pursuing a master's degree in cancer nursing or doctorate of nursing practice (DNP). Awards may be for two years with stipend of \$10,000 per year.

Government Finance Officers Association Scholarships

February 10, 2017

Daniel B. Goldberg Scholarship: A non-renewable \$14,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship: Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field

Minorities in Government Finance Scholarship: Scholarship for minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Frank L. Greathouse Government Accounting Scholarship: For graduate students preparing for a career in state and local government finance in the United States or Canada.

Daughters of the American Revolution Scholarships

February 10, 2017

Scholarships supporting Political Science, History, Government & Economics, Medical School and Nursing, Law School, Business Administration, Music or Voice, STEM, and Education. See website for detailed information.

Florida Sea Grant John A. Knauss Marine Policy Fellowship

February 10, 2017 by 5 PM

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

The Great Lakes Commission-Sea Grant Fellowship

February 17, 2017 by 6 PM

Opportunity for graduate students to work with members of the Great Lakes science, policy & education communities to advance the environmental quality & sustainable economic goals of the Great Lakes states.

NASA Education Aeronautics Scholarship and Advanced STEM Training Research (AS&ASTAR) Fellowship

February 24, 2017

Graduate Research Fellowships provide financial support to graduate students pursuing a Master's or Doctoral degree in STEM while partaking in unique research projects under the guidance of an institutional Principal Investigator in collaboration with NASA Technical Advisers.

Archives of American Art Fellowships and Internships

February 25, 2017

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

LAGRANT Graduate Scholarships

February 28, 2017 by 5pm

Awards for minority students pursuing a graduate degree in advertising, marketing or public relations. Scholarship winners will receive a trip to Detroit in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

Philanthropic Educational Organization (P.E.O.) Program for Continuing Education

Deadline: 3-4 months prior to the start of the term for which the grant is requested

One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Giva, Inc. Semi-Annual Student Scholarship and Worldwide Community Ambassador Award

December 1, 2016

Scholarship aimed at assisting students further their education as well as their social responsibility and community service footprint in the world. The scholarship covers tuition costs.

D. Kim Foundation Grants for Historical Research of Science, Technology in East Asia

December 1, 2016

The Foundation provides fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in modern East Asia. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome.

American Association of University Women (AAUW) International Fellowships

December 1, 2016

International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. The overwhelming majority of fellows return to their home countries to become leaders.

Romance Writers of America Academic Research Grant

December 1, 2016

Up to \$5,000 to develop and support academic research devoted to genre romance novels, writers, and readers. The ultimate goal of the proposals should be significant publication in major journals or as a monograph from an academic press. RWA does not fund creative work (such as novels or films). Grant is open to dissertation candidates who have completed all course work and qualifying exams.

SMART Fellowship through the Department of Defense (DoD)

December 1, 2016

Supports students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

Doris Duke Fellowships for the Promotion of Child Well-Being

December 1, 2016

Fellowship to support research that will help prevent child abuse and neglect.

Doctoral (Continued)

UNCF-Merck Graduate Science Research Dissertation Fellowships

December (anticipated)

Open to African American students who are engaged in and within 1-3 years of completing their dissertation research and enrolled full-time in a Ph.D. or equivalent doctoral degree program.

Google Scholarships

Women Techmakers Scholars Program

December 1, 2016

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Scholars' Retreat.

Generation Google Scholarship

December 1, 2016

Established to help aspiring computer scientists excel in technology and become leaders in the field.

Google Lime Scholarship

December 4, 2016

Scholarship program to help university students with disabilities work toward their academic goals in the field of computer science.

NIH Ruth Kirschstein NRSA Predoctoral Fellowship (F31)

December 8, 2016

To enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers.

National Defense Science and Engineering Graduate Fellowship

December 9, 2016

As a means of increasing the number of U.S. citizens & nationals trained in science and engineering disciplines of military importance, the Department of Defense (DoD) plans to award approximately 200 new three-year graduate fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science & engineering.

NIH Ruth L. Kirschstein NRSA Individual Predoctoral Fellowship to Promote Diversity in Health-Related Research (F31)

December 13, 2016

To enhance the diversity of the health-related research workforce by supporting the training of predoctoral students from population groups that have been shown to be underrepresented in the biomedical, behavioral, or clinical research workforce. Provides individualized, mentored research training from outstanding faculty sponsors while conducting well-defined research projects in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers.

American Musicological Society Fellowships

December 15, 2016

Alvin H. Johnson AMS 50 Dissertation-year Fellowships: Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

The Howard Mayer Brown Fellowship: Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

WIIT Scholarship Program

December 15, 2016

Program is designed to provide financial assistance to further educational objectives of women who are interested in international development, international relations, international trade, international economics, or international business.

Philanthropic Education Organization (P.E.O.) International Peace Scholarship

Eligibility form must be completed by December 15

The International Peace Scholarship Fund provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

American Chemical Society Division of Analytical Chemistry Graduate Fellowship

December 16, 2016

Both nine-month (\$21,000) and summer (\$7,000) fellowships for PhD students researching analytical chemistry.

Association for Education Finance and Policy Grants and Awards

December 31, 2016

See website for more funding opportunities.

Roe L. Johns Travel Grants: Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

Jean Flanigan Outstanding Dissertation Award: Award in recognition of exemplary dissertation research in the area of education finance and policy.

New Scholars Award: Supports significant research by master's and doctoral students whose research addresses education finance and policy.

IMA Research Foundation Incubator Grant Program

December 31, 2016

Grants for small Proof of Concept projects that will lead to more in-depth research and further the knowledge and scope of accounting and financial management.

Egg Nutrition Center Grant/Fellowship Program

January 1, 2017 (anticipated)

Program for those studying the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

Doctoral (Continued)

American Geosciences Institute Harriet Evelyn Wallace Doctoral Student Scholarships for Women

January 4, 2017

Two-year scholarships that support female geoscientists pursuing a doctoral degree.

Guy Harvey Scholarship Award

January 5, 2017 by 4 PM

Supports full time graduate students at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

American Medical Association Seed Grant Research Program

January 6, 2017

Grants to support medical students, physician residents, and fellows in conducting small research projects. In 2017, the AMA Foundation will be awarding grants of up to \$2,500 in the areas of cardiovascular pulmonary diseases, HIV/AIDS, and pancreatic cancer and up to \$5,000 in the area of neoplastic diseases.

American Association of Family & Consumer Sciences National Graduate Fellowship

January 9, 2017

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

American Association of University Women (AAUW) Selected Professions Fellowships

January 10, 2017

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions in one of the designated degree programs where women's participation traditionally has been low.

Leaky Foundation Research Grants

January 10, 2017

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

Doris Duke International Clinical Research Fellowship

January 10, 2017

Provides an opportunity for US medical students with at least two years of medical school training to complete a yearlong international clinical research project in one of four locations: India, Kenya, Peru, or Tanzania.

Inter-American Foundation Ph.D. Grassroots Development Fellowship

January 11, 2017

Fellowships for currently registered students who have advanced to candidacy for the Ph.D. in social sciences, physical sciences, technical fields, and the professions related to grassroots development issues. Fellowships provide support for field research in independent countries in Latin America or the Caribbean, except for Cuba.

Graduate Women in Science (GWIS) National Fellowships Program

January 13, 2017

The GWIS National Fellowships Program is proud to offer fellowships to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income that supports scientific research done by award winners.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

January 15, 2017

Grants support graduate and postdoctoral research on every phase of economic history, broadly defined.

International Literacy Association Awards and Grants

January 15, 2017

Elva Knight Research Grant: Grant for research in reading and literacy

Jeanne S. Chall Research Fellowship: Grant to support reading research by promising scholars.

Helen M. Robinson Grant: Grants for doctoral students to assist at the early stages of dissertation research in the areas of reading and literacy

Steven A. Stahl Research Grant: Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

U.S. Army Center of Military History (CMH) - Dissertation Fellowships

January 15, 2017

Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

Link Foundation Modeling, Simulation & Training Fellowships

January 15, 2017

To foster advanced level research in modeling, simulation, and training; to enable Ph.D. students the freedom to work on their research full time; and to disseminate research through conferences, journals, & other publications.

Predocorial Fellowship in Mental Health and Substance Abuse Services

January 15, 2017

Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students whose training prepares them for careers in behavioral health services. Minorities are especially encouraged to apply.

American Antiquarian Society Short-Term Visiting Academic Research Fellowships

January 15, 2017

Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Mary Isabel Sibley Fellowship

January 15, 2017

Awarded alternately in the fields of Greek and French. Must be unmarried woman 25-35 years of age who has completed all doctoral requirements except the dissertation.

Doctoral (Continued)

McKnight Doctoral Fellowship

January 15, 2017

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees. Currently enrolled Ph.D students are not eligible.

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2017

Scholarships for students pursuing professional nursing degrees.

U.S. Department of Education EdSim Challenge

January 17, 2017

The U.S. Department of Education calls for concepts for immersive simulations that transfer academic, technical, and employability skills. Successful simulations will pair the engagement of commercial games with rigorous education content to prepare students for the 21st century workforce.

Department of Energy Computational Science Graduate Fellowship

January 18, 2017

First year of graduate students in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can lead the application of high performance computing to problems in their disciplinary areas.

Dennis Weatherstone Pre-doctoral Fellowship Program

January 18, 2017 by 8 PM

Two-year fellowship for students interested in pursuing careers in autism research.

AAMFT Minority Fellowship Program

January 20, 2017 (anticipated)

Doctoral Fellowship: Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation's youth.

Dissertation Completion Fellowship: Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

American College of Sports Medicine Research Grants and Awards

January 20, 2017

Dr. Raymond A. Weiss Research Endowment: Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports.

ACSM Foundation Doctoral Student Research Grant: Grants for doctoral students up to \$5,000. The awards are to be used for experimental subjects, supplies, and small equipment needs.

Carl V. Gisolfi Memorial Fund: Grant designated to encourage research in thermoregulation, exercise, and hydration. In support of the mission to increase diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

NASA Space Physiology Research Grant: Grant for doctoral students researching in the area of exercise, weightlessness, and musculoskeletal physiology.

Parkinson's Disease Foundation Summer Student Fellowship

January 23, 2017

Fellows work under the close supervision of a sponsor who is an expert in the Parkinson's community and oversees the project.

Intercollegiate Studies Institute Graduate Fellowships

January 23, 2017

Supports students who intend to teach or pursue graduate work related to the American founding.

NOAA Fisheries/Sea Grant Graduate Fellowship

January 27, 2017

Graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for PhD students to provide real-world experience to graduate students and accelerate their career development.

Point Foundation Scholarship

January 30, 2017

Scholarships for LGBTQ students who are "out" to help cover expenses not covered by other funding sources.

Josephine de Karman Fellowship

January 31, 2017

Recognize and assist students whose scholastic achievements reflect Professor von Karman's high standards.

Spencer Educational Foundation Graduate Scholarships

January 31, 2017

Scholarships for master's and pre-dissertation Ph.D. students studying education.

Center for Retirement Research at Boston College Dissertation Fellowship Program

January 31, 2017

The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement income issues.

Harry Frank Guggenheim Dissertation Fellowships

February 1, 2017

Fellowships intended to support doctoral students in completing the writing of a dissertation. Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

PADI Foundation Grant

February 1, 2017

Grants to support underwater science, environmental projects, and education.

Doctoral (Continued)
