GET STARTED

About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using [Pivot](#), or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's - Opportunities for graduate students pursuing a master's degree (also includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel

John Carter Brown Library Research Fellowships

December 1, 2018

Supports research for two to four months at the John Carter Brown Library on the colonial history of the Americas (North and South), including all aspects of the European, African, and Native American involvement.

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2018; April 1, 2019; August 1, 2019

Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. For Latin American students enrolled in MS or PhD program at a U.S. or South American university.

RAND Graduate Student Summer Associate Program

December 4, 2018

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy. For full-time students having completed at least two years of graduate work toward a doctorate/professional degree (law, medicine, engineering).

Women Techmakers Scholars Program

December 6, 2018

Awards for female graduate students in computer science, computer engineering, or a closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

KRESS Fellowships for Language Study

December 15, 2018

Fellowships for art history and art conservation graduate students to attend the Middlebury Summer Language Schools in French, German, Italian, Portuguese, Russian, or Spanish.

Qasid Annual Scholarship Program

December 31, 2018

Scholarship to study Arabic at the Qasid Arabic Institute. Either one quarter (Summer or Fall) or five quarters.

American Institute for Economic Research Harwood Graduate Colloquiums

December 31, 2018

These four-day events combine discussions and provocative lectures based on pre-assigned readings. Upon successful completion, students receive an honorarium and travel stipend. Meals and accommodations are provided.

Mellon Fellowships in Urban Landscape Studies

January 4, 2019

Allows scholars and designers to pursue research on the history and current conditions of urban landscapes.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity

January 6, 2019

Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

Chateaubriand Fellowship

January 8, 2019

Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

American School of Classical Studies at Athens Fellowships and Grants

January 15, 2019; February 15, 2019 (see website for further deadlines)

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

Center for Jewish History Graduate Research Fellowship

January 15, 2019

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

The Multi-Country Research Fellowship

January 24, 2019

The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center. Approx. eight awards of \$10,500 each will be given.

Boren Fellowship

(Internal Deadline - December 7) - January 30, 2019

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2019

Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Travel (Continued)

48th St. Gallen Symposium

February 1, 2019

Essay competition to participate in the 48th St. Gallen Symposium. The top 100 qualify as Leaders of Tomorrow and are invited to participate in the world's premier opportunity for intergenerational debates.

Wolf Trap Internships

February 1, 2019

Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2019

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

National Museum of the American Indian Internship Program

February 6, 2019

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C. or New York for a duration of 10 weeks.

LPC Guests and Visitors Program

February 13, 2019 (anticipated)

Funding to research at the LHC Physics Center for up to one year

Smithsonian Institution—STRI Short-Term Fellowship Program

February 15, 2019

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

University Research Association Visiting Scholars Program

February 26, 2019 (anticipated)

Funding for visits to work at Fermilab for up to one year.

Eisenhower Foundation Travel Grant

February 28, 2019

The Eisenhower Foundation Abilene Travel Grants Program assists scholars' research of primary sources in the Eisenhower Presidential Library in such fields as history, government, economics, communications, and international affairs. Grants are awarded to individual researchers on a competitive basis to cover a portion of expenses while in Abilene, Kansas, using the Eisenhower Presidential Library's extensive resources.

The Mariam K. Chamberlain Fellowship in Women and Public Policy

February 28, 2019 (anticipated)

\$27,000, nine-month fellowships assist in the professional development of students and graduates interested in economic and educational support for women.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research

February 9, 2019 (anticipated)

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

February 23, 2019 (anticipated)

Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program

March 1, 2019 (anticipated)

The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

Sigma Delta Pi Graduate Research Grant

March 1, 2019

Research grants for active members of Sigma Delta Pi to travel to Spain and Spanish America for research related to Hispanic Studies.

American Philosophical Society Library Resident Fellowships

March 1, 2019

Residential fellowships supports PhD students to conduct research in the American Philosophical Society Library in Philadelphia, PA. Short-Term Resident Research Fellowships, for which applications are due March 1, provide one- to two-month support for PhD Candidates. Long-Term Predoctoral Fellowships, for which applications are due February 1, provide year-long support to PhD Students working on topics related to early American history (to 1840) and the history of science, technology, and medicine.

Dissertation Fellowships in Early American Economy & Society

March 1, 2019 (anticipated)

One dissertation research fellowship and four, one-month fellowships for research on the American economy and society, from its colonial beginnings to the 1850s. Possible topics include global trade, internal development, politics, the relationship between race/gender and economic forces, and capitalism. Awards provide support research in residence at The Library Company of Philadelphia. One-month fellowships also available.

Sir John Soane's Museum Foundation Traveling Fellowship Program

March 1, 2019

\$5,000 fellowships support travel to London to pursue research projects related to the Sir John Soane's Museum or its collections. For students in art history, architecture, interior design, and the decorative arts.

Women Chemists Committee/Eli Lilly Travel Awards

March 1, 2019

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Travel (Continued)

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

March 1, 2019

Grants support members to undertake research on every phase of economic history, broadly defined.

NASW Foundation Social Work HEALS Policy Fellowship

March 8, 2019 (anticipated)

One-year fellowship to social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work-specific opportunity to put their social work knowledge and research experience to work in Washington, DC on critical issues of health policy facing our nation.

Fulbright—Hays Doctoral Dissertation Research Abroad Program

March 14, 2019 (anticipated)

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Gerald R. Ford Presidential Foundation Research Travel Grants

March 15, 2019

Grants up to \$2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

Arena Stage Fellowship and Internship Program

March 16, 2019 (anticipated)

Program is designed to cultivate the next generation of theater professionals by providing the highest standard of training through immersion in the art and business of producing theater.

Universität Kassel International Summer University Scholarships

March 18, 2019

Scholarships available for Summer University at Kassel in engineering, culture, nano science, and sport science.

Americans for the Arts—Internship Opportunities

March 25, 2019 (anticipated)

The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation's leading nonprofit for advancing the arts in America. Fall, Winter/Spring, and Summer Internships are available.

Scientific and Technological Research Council of Turkey

Deadline: See website for openings

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

Institute for Humane Studies Conference and Research Grant

Deadline: Rolling, at least four weeks before activity for which you are seeking funding

Grants awarded to graduate students advancing the principles of freedom through their career to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, and participate in career-development seminars.

U.S. Department of Energy Carlsbad Field Office Fellowship Program

Deadline: See website for openings

The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

International Ocean Discovery Program Expedition

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediments and rocks beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

KOSMOS Summer University Fellowship

See website for openings

The KOSMOS Summer University provides Humboldt-University's scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

Master's

American Association of University Women Selected Professions Fellowships

December 1, 2019

The AAUW awards these fellowships to women intending to pursue full-time study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. For master's programs, the eligible programs are Architecture, Computer/Information Science, Engineering, and Mathematics/Statistics. Women of color may also apply in fields related the MBA, JD, or MD.

U.S. Department of Defense (DoD)

SMART Fellowship

December 1, 2018

Supports undergraduates and graduates pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program increases the civilian scientists and engineers at DoD laboratories.

National Defense Science and Engineering Graduate Fellowship (NDSEG)

December 7, 2018

Designed to increase the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance.

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2018; April 1, 2019; August 1, 2019

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

WTS Northeast Florida Chapter Helene M. Overly Memorial Graduate Scholarship

December 3, 2018

The NE Florida Chapter of the Women's Transportation Seminar (WTS) offers one \$1,000 scholarship to a female graduate student with a permanent address in Baker County, Clay County, Columbia County, Duval County, Nassau County, or St. Johns County. The applicant will also be submitted potentially to win a \$10,000 Helene M. Overly Memorial Scholarship, and may be nominated for a \$5,000 WTS International fellowship.

Golden Key Graduate Scholar Award

December 15, 2018

Scholarship for members of proven academic excellence combined with a solid range of extracurricular activities.

P.E.O. International Peace Scholarship

December 15, 2018 - Deadline for Eligibility Form (Application Due March 1, 2019)

Provides scholarships for selected international women for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

PADI Foundation Grant

January 6, 2019

Grants to support underwater science, environmental projects, and education

American Water Works Association

January 8, 2019

Bryant L. Bench Scholarship

\$10,000 scholarship to support a master's student engaging in developing innovative solutions to the world's water challenges.

Hazen and Sawyer Scholarship

\$5,000 scholarship to support a student seeking a master's degree in the water science field.

HDR/Henry "Bud" Benjes Scholarship

\$5,000 scholarship to support a master's student seeking a degree in the water industry.

Larson Aquatic Research Support (LARS) Scholarship

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry. Awards are \$5,000 for master's students, \$7,000 for doctoral students.

Thomas R. Camp Scholarship

\$5,000 scholarship to support graduate students doing applied research in the drinking water field.

Holly A. Cornell Scholarship

\$7,500 scholarship to support outstanding female and/or minority master's students in pursuit of advanced training in the field of water supply and treatment.

ARCADIS Scholarship

\$5,000 scholarship to support a master's or doctoral candidate seeking a degree in the water industry.

Dave Caldwell Scholarship

\$5,000 scholarship to benefit female and minority students pursuing an engineering degree in the drinking water field.

Woodard and Curran Scholarship

\$5,000 scholarship to support outstanding female and/or minority master's students in pursuit of training in the field of water treatment.

Master's (Continued)

American Water Scholarship

\$5,000 scholarship supports development of professionals interested in service to the water industry.

Guy Harvey Scholarship Award

January 10, 2019

Supports graduate students enrolled full-time at Florida institutions of higher education conducting research related to the biology, ecology, habitat or management of fish in Florida's waters. Scholarships are \$5,000 each.

Graduate Women in Science National Fellowships Program

January 11, 2019

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly from bequests, provide the annual income that supports scientific research done by SDE/GWIS award winners.

American Association of Family & Consumer Sciences National Graduate Fellowship

January 14, 2019

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespans.

McKnight Doctoral Fellowship

January 15, 2019

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph. D. degrees. The McKnight Doctoral Fellowship provides up to five years of support, with a stipend of \$12,000 plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website are eligible to apply. Contact Charles Jackson, McKnight Doctoral Program Manager, at 813-272-2772 for more information.

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2019

Scholarships of \$2,500 are awarded twice annually to students pursuing professional nursing degrees.

Smithsonian/Archives of American Art Fellowships and Internships

January 15, 2019 (see website for other deadlines)

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program

January 15, 2019

Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Applied Research Grant

January 20, 2019

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

Drs. Raymond and Rosalee Weiss Research Endowment

January 18, 2019

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Government Finance Officers Association

January 18, 2019

Goldberg-Miller Public Finance Scholarship

\$15,000 award for full-time graduate students anticipating a career in state/local government finance.

Government Finance Professional Development Scholarship

Four \$10,000 awards to be given to part-time graduate students working in public administration, (governmental) accounting, finance, economics, or business administration (government focus).

Arizona State University Critical Languages Institute Awards

January 25, 2019

The Critical Languages Institute (CLI) at Arizona State University's Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Lillian E. Smith Writer-In-Service Award

January 25, 2019

The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a \$500 honorarium, and a \$500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

Point Foundation Scholarship

January 28, 2019

Scholarships empower promising LGBTQ students to achieve their full academic and leadership potential to make a significant impact on society.

Boren Fellowship

January 30, 2019 - Application Deadline (Internal FSU Deadline - December 7)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Master's (Continued)

Florida Gubernatorial Fellows Program

January 30, 2019

Non-partisan program immerses students from public and private universities in key areas of state government.

Now Is the Time: Minority Fellowship Program - Youth

January 31, 2019

Fellowship for master's students enrolled in a Marriage and Family Therapy master's program interested in service provision to the nation's youth. See fellowship website for free application webinars.

Spencer Educational Foundation Graduate Scholarships

January 31, 2019

Scholarships with particular eligibility criteria for master's and pre-dissertation PhD students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2019

Annual research grant for graduate students in biology, or horticulture to study at a botanical garden.

American Society for Nutrition Predoctoral Fellowship

February 1, 2019 (anticipated)

Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

Intercollegiate Studies Institute Graduate Fellowships

February 1, 2019

Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

NASA Earth and Space Science Fellowship

February 1, 2019 (anticipated)

A program that supports graduate students in basic and applied research in Earth science and space science.

Awards of \$45,000 per year are made for up to three years.

Freedom Summer Collegiate Fellowship

February 1, 2019

Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship

February 1, 2019

Scholarships designed to encourage students to choose a manufacturing focused education.

Mathematica Center Summer Fellowship in Disability Policy Research

February 9, 2019 (anticipated)

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Daughters of the American Revolution Scholarships

February 15, 2019

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a US citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2019 (anticipated)

Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

Master's (Continued)

Kappa Omicron Nu Research Fellowship

February 15, 2019

The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

The Great Lakes Commission-Sea Grant Fellowship

February 16, 2019 (anticipated)

Provides an opportunity for graduate students to work with members of the Great Lakes science, policy and information/education communities to advance the environmental quality and sustainable economic goals of the Great Lakes states.

John A. Knauss Marine Policy Fellowship

February 23, 2019 (anticipated)

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

LAGRANT Graduate Scholarships

February 28, 2019

\$3,750 awards for minority students pursuing graduate degrees in advertising, marketing or public relations. Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

Space Medicine Association Jeffrey R. Davis Scholarship

March 1, 2019

The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Library Association

American Library Association Kino Lorber EDU/Video Round Table Scholarship

March 1, 2019 (anticipated)

Provides financial assistance, encouragement, and a fuller understanding of the distribution industry to future media librarians.

American Library Association Spectrum Scholarship

March 1, 2019

Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship

March 7, 2019

Annual scholarship for an ALA or library support staffer who is a U.S./Canadian citizen or permanent resident and is pursuing a Master's of Library Science degree at an ALA-accredited program.

Mineralogical Society of America Grant for Research in Crystallography

March 1, 2019

Awards of up to \$5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

James Madison Graduate Fellowships

March 6, 2019

Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

National Association of Social Workers Foundation Scholarships

March 8, 2019 (anticipated)

Consuelo W. Gosnell Memorial Scholarship

Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship

Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/mental health practice and who demonstrate commitment to working in African American communities.

Education for Sustainable Energy Development Scholarship

March 9, 2019

Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

National Wildlife Federation EcoLeaders Program

March 15, 2019 (anticipated)

National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

Frédéric Bastiat Fellowship

March 15, 2019

This one-year, competitive fellowship is awarded to graduate students attending master's, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Master's (Continued)

National Academy of Sciences Sigma Xi Grants-in-Aid of Research

March 15, 2019

The program awards grants of up to \$1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

American Physical Society Bridge Fellowship

March 16, 2019 (anticipated)

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Communicative Disorders Scholarship

March 29, 2019

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

Pittsburgh Foundation - Walter Read Hovey Memorial Fund

March 31, 2019

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award

March 31, 2019 (anticipated)

The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of \$1,000, and his or her manuscript published by Elixir Press. All entries are considered for publication.

International Furnishing and Design Association Educational Foundation

March 31, 2019

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Richard A. Horovitz Fund for Professional Development

To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist in a program at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

P.E.O. Program for Continuing Education

Deadline: Apply 8 weeks prior to the start of the term for which the grant is requested

One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Segal AmeriCorps Education Award

Deadlines vary

The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.

Doctoral

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2018; April 1, 2019; August 1, 2019

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

Doris Duke Fellowship for the Promotion of Child Well-Being

December 1, 2018

The Fellowships are designed to identify and develop a new generation of leaders interested in and capable of creating practice and policy initiatives that will enhance child development and improve the nation's ability to prevent all forms of child maltreatment.

D. Kim Foundation Dissertation Fellowship

December 1, 2018

One or two fellowships (up to \$25,000 each) will be awarded annually to Ph.D. candidates who are writing their dissertations on the history of science and technology in modern East Asia, regardless of their nationality, origins, or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome.

U.S. Department of Defense (DoD)

SMART Fellowship

December 1, 2018

Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

National Defense Science and Engineering Graduate Fellowship (NDSEG)

December 7, 2018

Fellowship designed to increase the number of U.S. citizens & nationals trained in science & engineering disciplines of military importance. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

WTS Northeast Florida Chapter Helene M. Overly Memorial Graduate Scholarship

December 3, 2018

The NE Florida Chapter of the Women's Transportation Seminar (WTS) offers one \$1,000 scholarship to a female graduate student with a permanent address in Baker County, Clay County, Columbia County, Duval County, Nassau County, or St. Johns County. The applicant will also be submitted potentially to win a \$10,000 Helene M. Overly Memorial Scholarship, and may be nominated for a \$5,000 WTS International fellowship.

RAND Graduate Student Summer Associate Program

December 4, 2018

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

Ford Foundation Fellowship Program—Predoctoral and Dissertation Fellowships

December 6, 2018 (Dissertation); December 13, 2018 (Predoctoral)

Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

Women Techmakers Scholars Program

December 6, 2018

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

Jennings Randolph Peace Scholarship Dissertation Program

December 8, 2018

Fellowships to advance research that contributes to a wider understanding of how to manage conflict and build sustainable peace effectively.

NIH Ruth L. Kirschstein National Research Service Award (F31)

December 8, 2018

The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers.

Golden Key Graduate Scholar Award

December 15, 2018

Scholarship for members of proven academic excellence combined with a solid range of extracurricular activities.

P.E.O. International Peace Scholarship

December 15, 2018 (Deadline for Eligibility Form)

Provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

Doctoral (Continued)

American Musicological Society

December 17, 2018

Alvin H. Johnson AMS 50 Dissertation-year Fellowships

Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

The Howard Mayer Brown Fellowship

For increasing presence of minority scholars/teachers of musicology. The fellowship supports one year of graduate work for an underrepresented student in musicology at a North American University.

ACS Division of Analytical Chemistry Graduate Student Fellowship Program

December 21, 2018

Both nine-month (\$21,000) and summer (\$7,000) fellowships for PhD students researching analytical chemistry.

Wilson Center Internships with the Middle East Program

December 31, 2018

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

Association for Education Finance and Policy

December 31, 2018

Roe L. Johns Travel Grants

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

New Scholars Grant Program

Supports significant research by master's and doctoral students whose research addresses education finance and policy.

Jean Flanigan Outstanding Dissertation Award

Award in recognition of exemplary dissertation research in the area of education finance and policy.

Harriet Evelyn Wallace Doctoral Student Scholarships for Women

January 4, 2019

Scholarships support female geoscientists pursuing a graduate degree. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

PADI Foundation Grant

January 6, 2019

Grants to support underwater science, environmental projects, and education

American Association of Family & Consumer Sciences National Graduate Fellowship

January 8, 2019 (anticipated)

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

American Water Works Association

January 8, 2019

Bryant L. Bench Scholarship

\$10,000 scholarship to support a master's student engaging in developing innovative solutions to the world's water challenges.

Hazen and Sawyer Scholarship

\$5,000 scholarship to support a student seeking a master's degree in the water science field.

HDR/Henry "Bud" Benjes Scholarship

\$5,000 scholarship to support a master's student seeking a degree in the water industry.

Larson Aquatic Research Support (LARS) Scholarship

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry. Awards are \$5,000 for master's students, \$7,000 for doctoral students.

Thomas R. Camp Scholarship

\$5,000 scholarship to support graduate students doing applied research in the drinking water field.

Holly A. Cornell Scholarship

\$7,500 scholarship to support outstanding female and/or minority master's students in pursuit of advanced training in the field of water supply and treatment.

ARCADIS Scholarship

\$5,000 scholarship to support a master's or doctoral candidate seeking a degree in the water industry.

Dave Caldwell Scholarship

\$5,000 scholarship to benefit female and minority students pursuing an engineering degree in the drinking water field.

Woodard and Curran Scholarship

\$5,000 scholarship to support outstanding female and/or minority master's students in pursuit of training in the field of water treatment.

Doctoral (Continued)

American Water Scholarship

\$5,000 scholarship to support the development of professionals interested in service to the water industry.

Chateaubriand Fellowship

January 8, 2019

Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Department of Energy Computational Science Graduate Fellowship

January 9, 2019

Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can apply high performance computing to their disciplinary areas.

Guy Harvey Scholarship Award

January 10, 2019

Supports graduate students enrolled full-time at Florida institutions of higher education conducting research related to the biology, ecology, habitat or management of fish in Florida's waters. Scholarships are \$5,000 each.

Leakey Foundation Research Grants

January 10, 2019

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

Graduate Women in Science National Fellowships Program

January 11, 2019

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income supporting research done by SDE/GWIS award winners.

Language Learning Journal Dissertation Grant

Applications received between January 4 and 11, 2019

The *Language Learning* Dissertation Grant Program is aimed at facilitating the research work of doctoral candidates in the language sciences. The journal's Board of Directors awards up to 20 dissertation grants per year, beginning in January and continuing until this number is allocated for the calendar year. These grants are designed to cover actual expenses—up to \$2,000 per grant, connected with the research component of the dissertation (e.g., travel for data collection, essential equipment, compensation for participants, materials).

International Literacy Association

January 15, 2019

Elva Knight Research Grant

Grant for research in reading and literacy.

Jeanne S. Chall Research Fellowship

Grant to support reading research by promising scholars.

Steven A. Stahl Research Grant

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Helen M. Robinson Grant

Grants for doctoral students to assist at the early stages of dissertation research in the areas of reading and literacy

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2019

Scholarships for students pursuing professional nursing degrees.

Link Foundation Modeling, Simulation & Training Fellowships

January 15, 2019

Program fosters advanced research in modeling, simulation, and training, enabling Ph.D. students to research full-time and disseminate the results of that research through conferences, journals, and other publications.

American Antiquarian Society Short-Term Visiting Academic Research Fellowships

January 15, 2019

Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Predocutorial Fellowship in Mental Health and Substance Abuse Services

January 15, 2019

Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students whose training prepares them for careers in behavioral health services. Minorities are especially encouraged to apply.

U.S. Army Center of Military History Dissertation Fellowships

January 15, 2019

Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

NSF Cultural Anthropology—Doctoral Dissertation Research Improvement Grants

January 15, 2019; August 15, 2019

The NSF CA-DDRIG supports basic scientific research on the causes, consequences, and complexities of human social and cultural variability. Provides support to enhance and improve the conduct of doctoral dissertation projects carried out by doctoral students enrolled in U.S. universities.

Smithsonian/Archives of American Art Fellowships and Internships

January 15, 2019 (see website for other deadlines)

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Doctoral (Continued)

Mary Isabel Sibley Fellowship

January 15, 2019

Awarded alternately in the fields of Greek and French. The 2019 cycle is accepting application for Greek Studies. Open to unmarried women 25-35 years of age and finished with all doctoral requirements except the dissertation.

Joan and Stanford Alexander Award

January 15, 2019

Two grants of \$5,000 each for doctoral candidates working on dissertations that concentrate on photography.

National Science Foundation Mathematical Sciences Graduate Fellowship

January 15, 2019

The National Science Foundation (NSF) Division of Mathematical Sciences (DMS) aims to provide opportunities to enrich the training of graduate students in the Mathematical Sciences through the provision of an NSF Mathematical Sciences Graduate Internship Program. Provides opportunity for mathematical sciences doctoral students to participate in internships at federal national laboratories, industry and other approved facilities.

Center for Jewish History Graduate Research Fellowship

January 15, 2019

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

Florida Education Fund

January 15, 2019

McKnight Doctoral Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph. D. degrees. The McKnight Doctoral Fellowship provides up to five years of support, with a stipend of \$12,000 plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website are eligible to apply. Contact Charles Jackson, McKnight Doctoral Program Manager, at 813-272-2772 for more information.

McKnight Dissertation Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program

January 15, 2019

Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Applied Research Grant

January 20, 2019

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

Government Finance Officers Association

January 18, 2019

Daniel B. Goldberg Scholarship

A non-renewable \$12,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship

Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field.

Minorities in Government Finance Scholarship

Minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Frank L. Greathouse Government Accounting Scholarship

For graduate students preparing for careers in state/local government finance in the U.S. or Canada.

Dennis Weatherstone Pre-Doctoral Fellowship Program

January 18, 2019 (anticipated)

Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

American College of Sports Medicine

January 18, 2019 (anticipated)

Dr. Raymond A. Weiss Research Endowment

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the endowment's benefactors.

ACSM Foundation Doctoral Student Research Grant

Research grants for doctoral students up to \$5,000 for a one-year period. The awards are to be used for experimental subjects, supplies, and small equipment needs.

Carl V. Gisolfi Memorial Fund

Grant designated to encourage research in thermoregulation, exercise, and hydration. In support of the mission to increase diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

Doctoral (Continued)

NASA Space Physiology Research Grant

Funds doctoral students researching in the area of exercise, weightlessness, and musculoskeletal physiology.

NSF Biological Anthropology Program - Doctoral Dissertation Research Improvement Grant

January 22, 2019

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

The Multi-Country Research Fellowship

January 24, 2019

The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center. Approx. eight awards of \$10,500 each will be given.

National Institute of Justice Research Assistantship Program

January 25, 2019

The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.

Arizona State University Critical Languages Institute Awards

January 25, 2019

The Critical Languages Institute (CLI) at Arizona State University's Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Lillian E. Smith Writer-In-Service Award

January 25, 2019

The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a \$500 honorarium, and a \$500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

NMFS-Sea Grant Joint Fellowship Program

January 30, 2019

Joint NOAA Fisheries/Sea Grant graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for PhD students to provide real-world experience to graduate students and accelerate their career development.

Boren Fellowship

(Internal Deadline - December 7) - January 30, 2019

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Point Foundation Scholarship

January 28, 2019

Scholarships empower promising LGBTQ students to achieve their full academic and leadership potential to make a significant impact on society.

Florida Gubernatorial Fellows Program

January 30, 2019

Non-partisan program immerses students from public and private universities in key areas of state government.

Spencer Educational Foundation Graduate Scholarships

January 31, 2019

Scholarships with particular eligibility criteria for master's and pre-dissertation PhD students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2019

Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Josephine de Karman Fellowship

January 31, 2019

\$24,000 grant awarded to doctoral candidates whose scholastic achievements reflect Professor von Karman's high standards. DeKarman fellowships are open to students in any discipline, and fund the writing of the dissertation.

Center for Retirement Research at Boston College Dissertation Fellowship Program

January 31, 2019

Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

American Sociological Association Minority Fellowship Program

January 31, 2019

Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

American Association of Marriage and Family Therapy

January 31, 2019

Doctoral Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation's youth.

Doctoral (Continued)

Dissertation Completion Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

American Society for Nutrition Predoctoral Fellowship

February 1, 2019 (anticipated)
Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2019
Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Intercollegiate Studies Institute Graduate Fellowships

February 1, 2019
Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Harry Frank Guggenheim Dissertation Fellowships

February 1, 2019
Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Harry S. Truman Library Dissertation Year Fellowship

February 1, 2019
Dissertation Year Fellowships that are intended to encourage historical scholarship of the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship

February 1, 2019 (anticipated)
Funds scholars completing dissertations that shed light on American politics, public policy, foreign relations, global impacts on the US media and politics, and the role of the presidency in shaping American political development.

PhRMA Pre Doctoral Fellowships

February 1, 2019 (Health Outcomes); September 1, 2019 (Informatics, Pharmaceuticals, Pharmacology)
Fellowships for students who expect to complete their Ph.D. in two years or less from the time the fellowship begins. Offered in five areas: Health Outcomes, Informatics, Pharmaceuticals, Pharmacology/Toxicology.

Freedom Summer Collegiate Fellowship

February 1, 2019
Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship

February 1, 2019
Scholarships designed to encourage students to choose a manufacturing focused education.

American Meteorological Society Scholarships

February 8, 2019

American Meteorological Society Fellowship in the History of Science

For PhD students writing dissertations. Carries a \$15,000 stipend to support one year of research.

American Meteorological Society Minority Scholarships

Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research

February 9, 2019 (anticipated)
Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

February 23, 2019 (anticipated)
Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Institute for Humane Studies Fellowship

February 10, 2019
Fellowships for promising doctoral students dedicated to developing, teaching, and applying the principles of a free society.

Organization for Autism Research Graduate Research Grant

February 11, 2019
Our Graduate Research Grant Competition offers grant awards of \$1,000 for students conducting autism research as a requirement in pursuit of a master's degree and \$2,000 for students who are doctoral candidates or post-doctoral students.

Kappa Omicron Nu Research Fellowship

February 15, 2019
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

Doctoral (Continued)

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2019 (anticipated)

Fellowships for prospective and current science graduate students interested in researching yogurt and probiotics.

Daughters of the American Revolution Scholarships

February 15, 2019

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a US citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

The Great Lakes Commission-Sea Grant Fellowship

February 16, 2019 (anticipated)

Provides an opportunity for graduate students to work with members of the Great Lakes science, policy and information/education communities to advance the environmental quality and sustainable economic goals of the Great Lakes states.

American Jewish Archives Fellowship

February 19, 2019

The Marcus Center's Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program scholars travel to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion. The program provides fellows with an opportunity not only to pursue their own research, but also to interact and exchange ideas with research peers as well as with the faculty and students of HUC-JIR.

John A. Knauss Marine Policy Fellowship

February 23, 2019 (anticipated)

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

Egg Nutrition Studies and Research Grants

February 28, 2019 (anticipated)

The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

National Science Foundation Sociology Program Doctoral Dissertation Research Improvement Awards

February 28, 2019

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

Rocky Mountain Mineral Law Foundation Scholarship

February 28, 2019

Scholarship opportunities for law students who demonstrate a commitment to the study of natural resources law.

Space Medicine Association Jeffrey R. Davis Scholarship

March 1, 2019

The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

Mellon Scholars Program in African American History

March 1, 2019

Dissertation fellowship designed to increase the participation of scholars from underrepresented backgrounds and others in the field of African American history prior to 1900.

Doctoral (Continued)

American Psychological Foundation Esther Katz Rosen Fund Grants

March 1, 2019

Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from \$1,000 to \$50,000.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity

March 1, 2019

With this fellowship, the American Society of Criminology encourages students of color, especially those from racial and ethnic groups underrepresented in the field, to enter the field of criminology and criminal justice, and facilitates the completion of their degrees.

Mineralogical Society of America Grant for Research in Crystallography

March 1, 2019

Awards of up to \$5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

American Library Association Spectrum Scholarship

March 1, 2019

Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

Botstiber Institute for Austrian-American Studies Fellowships & Grants

March 1, 2019

The fellowship will be awarded to a scholar or professional who seeks funds for a project that promotes an understanding of the historic relationship between Austria and the United States. A grant of up to \$30,000 will be considered to support salary, travel, or other necessary expenses.

Mercatus Center

Mercatus Center Adam Smith Fellowship

March 1, 2019

The Adam Smith Fellowship is a co-sponsored program of the Mercatus Center and Liberty Fund, Inc. Adam Smith Fellowships are awarded to graduate students attending PhD programs in a variety of fields including economics, philosophy, political science, and sociology.

Frédéric Bastiat Fellowship

March 15, 2019

The Frédéric Bastiat Fellowship is a one-year, competitive fellowship program awarded to graduate students attending master's, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

March 1, 2019

Grants support members to undertake research on every phase of economic history, broadly defined.

Dissertation Grant in Cold War History

March 2, 2019 (anticipated)

\$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

National Association of Social Workers Foundation Scholarships

March 8, 2019 (anticipated)

Consuelo W. Gosnell Memorial Scholarship

Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship

Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/mental health practice and who demonstrate commitment to working in African American communities.

Israel Institute Doctoral Fellowship

March 13, 2019 (anticipated)

Two-year fellowships open to both doctoral students who are working on Israel as a primary topic of research and to candidates whose focus is broader but whose work incorporates an Israeli dimension.

Fulbright—Hays Doctoral Dissertation Research Abroad Program

March 14, 2019 (anticipated)

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

National Wildlife Federation EcoLeaders Program

March 15, 2019 (anticipated)

National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

Association for the Study of the Middle East and Africa Research Grants Program

March 15, 2019 (anticipated)

Grants up to \$2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

Doctoral (Continued)

Notes:

National Academy of Sciences Sigma Xi Grants-in-Aid of Research

March 15, 2019

The program grants of up to \$1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

American Physical Society Bridge Fellowship

March 16, 2019 (anticipated)

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Feinstein Center Summer Fellowship

March 18, 2019

Summer fellowships up to \$4,000 to support research on the American Jewish experience. This award is open to doctoral and postdoctoral scholars.

Communicative Disorders Scholarship

March 29, 2019

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

Pittsburgh Foundation - Walter Read Hovey Memorial Fund

March 31, 2019

The fund is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award

March 31, 2019 (anticipated)

The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of \$1,000, and their manuscript published by Elixir Press. All entries are considered for publication.

International Furnishing and Design Association Educational Foundation

March 31, 2019

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.
