

# Fellowships, Scholarships, and Awards for Graduate School

Created by the Office of Graduate Fellowships and Awards at Florida State University

# Getting Started

## Things to consider...

- ◇ Identify funding opportunities based on “Fit”  
(Discipline, Demographics, Travel, etc.)
- ◇ Organize funding search results
- ◇ Dedicate time and attention to prepare and/or request application components
- ◇ Commit to the Writing and Revision Process  
(Draft, Review, Revise, Repeat, Repeat, Repeat, Repeat)
- ◇ **DEADLINES** - Know the application cycle for each award
- ◇ **NOTE:** Awards are typically disbursed about 6-12 months after the application submission window closes. This means that you are applying a year in advance for most awards.

# Application Components

Fellowship and award applications have a lot of moving parts. To develop a strong and compelling fellowship application, determine:

1. Is the funding opportunity a good fit for you, your research, ambitions, study and/or personal interests?
2. Are you a good fit for the funding opportunity?
3. **KNOW YOUR AUDIENCE** - Who are the reviewers? What are they looking for (mission of the funding opportunity, criteria for review)?
4. Typical application components
  - ◇ Personal Statement
  - ◇ Research Proposal
  - ◇ Curriculum Vitae (CV) or Resume
  - ◇ Letters of Recommendation
  - ◇ Timeline and Budget Justification

\*Not all components listed are applicable for every application\*
