Upcoming Fellowship Deadlines

February - May

The Office of Graduate Fellowships & Awards
Florida State University

The Office of Graduate Fellowships & Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit ogfa.fsu.edu to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Click below to schedule an initial meeting

GET STARTED

About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using [Pivot](#), or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's - Opportunities for graduate students pursuing a master's degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel

Americans for the Arts—Internship Opportunities

See website for deadlines

The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation's leading nonprofit for advancing the arts in America. Fall, Winter/Spring, and Summer Internships are available.

North American Conference on British Studies Dissertation Fellowship

Various awards - See website for deadlines

Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish, and Imperial) history or British Studies. Applicants' dissertation research must require travel to the British Isles.

Mellon Fellowships in Urban Landscape Studies

January 4, 2019

Allows scholars and designers to pursue research on the history and current conditions of urban landscapes.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity

January 6, 2019

Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

Chateaubriand Fellowship

January 8, 2019

Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Center for Jewish History Graduate Research Fellowship

January 15, 2019

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

American School of Classical Studies at Athens Fellowships and Grants

January 15, 2019; February 15, 2019 (see website for further deadlines)

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

The Multi-Country Research Fellowship

January 24, 2019

The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center. Approx. eight awards of \$10,500 each will be given.

Boren Fellowship

January 30, 2019 - Application Deadline (**Contact ogfa-info@fsu.edu for internal guidelines**)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2019

Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Wolf Trap Internships

February 1, 2019

Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2019

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

National Museum of the American Indian Internship Program

February 6, 2019

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C., or New York for a duration of 10 weeks.

Arena Stage Fellowship and Internship Program

February 8, 2019

Program is designed to cultivate the next generation of theater professionals by providing the highest standard of training through immersion in the art and business of producing theater.

Smithsonian Institution—STRI Short-Term Fellowship Program

February 15, 2019; April 15, 2019; July 15, 2019

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

Travel (Continued)

Fermilab LPC Guests and Visitors Program

February 20, 2019

Funding to engage in research at the LHC Physics Center for up to one year.

University Research Association Visiting Scholars Program

February 25, 2019

The URA Scholars Program was established to support the work of faculty and students from URA Institutions to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the lab.

Eisenhower Foundation Travel Grant

February 28, 2019

Assists scholars' research in primary sources in the Eisenhower Presidential Library in fields such as history, government, economics, communications, and international affairs. Grants awarded on a competitive basis to cover a portion of expenses while in Kansas using the Eisenhower Presidential Library's extensive resources.

Mathematica Center for Studying Disability Policy

February 16, 2019

Summer Fellowship in Disability Policy Research

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2019 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Fulbright—Hays Doctoral Dissertation Research Abroad Program

March (anticipated)

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Sigma Delta Pi Graduate Research Grant

March 1, 2019

Research grants for active members of Sigma Delta Pi to travel to Spain and Spanish America for research related to Hispanic Studies.

Women Chemists Committee/Eli Lilly Travel Awards

March 1, 2019

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Sir John Soane's Museum Foundation Traveling Fellowship Program

March 1, 2019

\$5,000 fellowships support travel to London to pursue research projects related to the Sir John Soane's Museum or its collections. For students in art history, architecture, interior design, and the decorative arts.

American Philosophical Society Library Resident Fellowships

March 1, 2019

Residential fellowships supports PhD students to conduct research in the American Philosophical Society Library in Philadelphia, PA. Short-Term Resident Research Fellowships, for which applications are due March 1, provide one- to two-month support for PhD Candidates. Long-Term Predoctoral Fellowships, for which applications are due February 1, provide year-long support to PhD Students working on topics related to early American history (to 1840) and the history of science, technology, and medicine.

Program in Early Early American Economy & Society Fellowships

March 1, 2019

One dissertation research fellowship and four, one-month fellowships for research on the American economy and society, from its colonial beginnings to the 1850s. Possible topics include global trade, internal development, politics, the relationship between race/gender and economic forces, and capitalism. Awards provide support research in residence at The Library Company of Philadelphia. One-month fellowships also available.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

March 1, 2019

Grants support members to undertake research on every phase of economic history, broadly defined.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program

March 4, 2019

The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

NASW Foundation Social Work HEALS Policy Fellowship

March 5, 2019

One-year fellowship for social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work-specific opportunity to put their social work knowledge and research experience to work in Washington, DC on critical issues of health policy facing our nation.

The Mariam K. Chamberlain Fellowship in Women and Public Policy

March 6, 2019

\$27,000, nine-month fellowships assist in the professional development of students and graduates interested in economic and educational support for women.

Gerald R. Ford Presidential Foundation Research Travel Grants

March 15, 2019

Grants up to \$2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

Universität Kassel International Summer University Scholarships

March 18, 2019

Scholarships available for Summer University at Kassel in engineering, culture, nano science, and sport science.

Travel (Continued)

Harry S. Truman Library Research Grant

April 1, 2019

Research Grants of up to \$2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum. Funds lodging and meals, airfare, and photocopying.

Neotropical Grassland Conservancy (NGC) Student Grant Program

April 1, 2019; August 1, 2019

Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central/South America. Open to Latin American students in a MS or PhD programs in a U.S. or South American university.

American Musicological Society

April 2, 2019

Virginia and George Bozarth Travel Fund

Intended to encourage and assist PhD candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund

The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund

The fund is intended to encourage and assist PhD candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund

Intended to encourage and assist PhD candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on topics in European music.

Mid Atlantic Arts Foundation USArtists International Grants

April 3, 2019

Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

Confucius China Studies Program Research PhD Fellowship

April 8, 2019 (anticipated)

For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

Smithsonian Institution—STRI Short-Term Fellowship Program

April 15, 2019; July 15, 2019

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

American Jewish Historical Society

April 20, 2019 (anticipated)

Sid and Ruth Lapidus Fellowship

Supports one or more researcher(s) wishing to use the collections of the American Jewish Historical Society. Preference is given to researchers interested in 17th and 18th century American Jewish history. At the discretion of the awards committee, the fellowship funds may also be applied to subsidizing publication of a first book in the field of American Jewish history, again with preference given to works in early American Jewish history. The available amount for the award(s) is \$6,000 annually.

Ruth B. Fein Prize

A travel stipend established in honor of a past president of the Society, to a graduate student to help undertake research at the American Jewish Historical Society. The award is up to \$1,000.

German Academic Exchange Service (DAAD)

May 1, 2019

Short Term Research Grants

Awards for ABD doctoral candidates with well-defined research projects that make a stay in Germany essential. Preference will be given to applicants who have been invited by a faculty member at a German university to study or do research in a particular university or department.

German Studies Research Grant

Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

Congressional Papers Section (CPS) Pre-Conference Scholarship

May 1, 2019 (anticipated)

Financial assistance to attend the CPR pre-conference at the Society of American Archivists Annual Meeting.

Scientific and Technological Research Council of Turkey

May 1, 2019 (anticipated)

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

The Wenner-Gren Foundation Dissertation Fieldwork Grants

May 1, 2019

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

Society for Male Reproduction and Urology Traveling Scholars Award Program

May 2, 2019 (anticipated)

The objective of this award is to provide an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).

Travel (Continued)

Notes:

The Gilder Lehrman Institute of American History Fellowship

May 13, 2019

The Institute provides annual short-term research fellowships in the amount of \$3000 each to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history.

Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.

Luso-American Development Foundation (FLAD) Grant

May 15, 2019 (anticipated)

Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awardees with the required means to develop their work and provides for their travel and accommodation expenses.

DOE Office of Science Graduate Student Research (SCGSR) Program

May 15, 2019 (anticipated)

Prepares PhD candidates for science, technology, engineering, or mathematics (STEM) careers important to the DOE Office of Science mission by providing graduate thesis research opportunities at DOE laboratories.

Scientific and Technological Research Council of Turkey

Deadline: See website for openings

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

Institute for Humane Studies Conference and Research Grant

Deadline: Rolling, at least four weeks before activity for which you are seeking funding

Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

U.S. Department of Energy Carlsbad Field Office Fellowship Program

Deadline: See website for openings

The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

International Ocean Discovery Program Expedition

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediment and rock beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

KOSMOS Summer University Fellowship

See website for openings

The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

Master's

Intercollegiate Studies Institute Graduate Fellowships

February 1, 2019

Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

NASA Earth and Space Science and Technology (FINESST) Fellowship

February 1, 2019

A program that supports graduate students in basic and applied research in Earth science and space science. Awards of \$45,000 per year are made for up to three years.

Freedom Summer Collegiate Fellowship

February 1, 2019

Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship

February 1, 2019

Scholarships designed to encourage students to choose a manufacturing-focused education.

Mathematica Center Summer Fellowship in Disability Policy Research

February 16, 2019

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2019 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Daughters of the American Revolution Scholarships

February 15, 2019

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a U.S. citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2019 (anticipated)

Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

Kappa Omicron Nu Research Fellowship

February 15, 2019

The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

John A. Knauss Marine Policy Fellowship

February 22, 2019

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

Master's (Continued)

LAGRANT Graduate Scholarships

February 28, 2019

\$3,750 awards for minority students pursuing graduate degrees in advertising, marketing or public relations. Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

Space Medicine Association Jeffrey R. Davis Scholarship

March 1, 2019

The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowships for Nutrition Research

March 1, 2019

Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

American Library Association

American Library Association Kino Lorber EDU/Video Round Table Scholarship

March 1, 2019 (anticipated)

Provides financial assistance, encouragement, and a fuller understanding of the distribution industry to future media librarians.

American Library Association Spectrum Scholarship

March 1, 2019

Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship

March 7, 2019

Annual scholarship for an ALA or library support staffer who is a U.S./Canadian citizen or permanent resident and is pursuing a Master's of Library Science degree at an ALA-accredited program.

Mineralogical Society of America Grant for Research in Crystallography

March 1, 2019

Awards of up to \$5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

National Association of Social Workers Foundation Scholarships

March 5, 2019

Consuelo W. Gosnell Memorial Scholarship

Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship

Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/ mental health practice and who demonstrate commitment to working in African American communities.

James Madison Graduate Fellowships

March 6, 2019

Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

Education for Sustainable Energy Development Scholarship

March 8, 2019

Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

National Wildlife Federation EcoLeaders Program

March 15, 2019 (anticipated)

National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

Frédéric Bastiat Fellowship

March 15, 2019

This one-year, competitive fellowship is awarded to graduate students attending master's, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Sigma Xi Grants-in-Aid of Research

March 15, 2019

The program awards grants of up to \$1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

American Physical Society Bridge Fellowship

March 15, 2019

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Master's (Continued)

Sertoma Communicative Disorders Scholarship

March 29, 2019

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund

March 31, 2019

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award

March 31, 2019 (anticipated)

The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of \$1,000, and his or her manuscript published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation

March 31, 2019

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program

April 1, 2019; August 1, 2019

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Davis-Putter Scholarship

April 1, 2019

Need-based funding for graduate students who are actively working for peace and justice.

Wilson Center Internships with the Middle East Program

April 1, 2019; July 15, 2019

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

Pediatric Endocrinology Nursing Society Academic Education Scholarship

April 1, 2019

Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

Sociologists for Women in Society Cheryl Allyn Miller Award

April 1, 2019

Award recognizes a sociology graduate student or a recent doctorate whose research or activism constitutes an outstanding contribution to the field of women and work.

Florida-China Linkage Institute Tuition Exemption Program

April 1, 2019

This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public university or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

American Institute for Economic Research Harwood Visiting Research Fellowships

April 1, 2019

Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a \$250/week living stipend and lunch during most work days. A travel stipend of \$750 is also provided for fellowships lasting 10 weeks or more (\$1500 for those outside of the US & Canada).

Student Leadership Awards

April 3, 2019

Sponsored by HENAAC, \$1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

High Energy Laser and High Power Microwave Technologies Scholarships

April 12, 2019

One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Delta Sigma Theta Mary Murphy Graduate Scholarship

April 13, 2019

Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship

April 14, 2019 (anticipated)

Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

Master's (Continued)

ORISE Evaluation Fellowship Opportunity at the CDC

April 14, 2019 (anticipated)

Fellows work under the leadership of the CDC's Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure the activities build the knowledge base of the program and enhance the professional development of the Fellow.

Academy of Nutrition and Dietetics Foundation Scholarships

April 17, 2019

Scholarships ranging from \$500 to \$10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation

April 17, 2019

Irene Winifred Eno Grant

Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students

This \$4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award

Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science

April 30, 2019

The purpose of IFER's Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

American Nurses Foundation Research Grants

May 1, 2019

The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

Foundation for Community Association Research Byron Hanke Fellowship

May 1, 2019

Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

NCAA Graduate Student Research Grant

May 1, 2019 (anticipated)

Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant

May 1, 2019

\$5,000 to support an early career psychologists or graduate student for research or projects in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship

May 15, 2019

The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

Lieutenant Colonel Lily H. Gridley Memorial Master's Thesis Fellowship

May 1, 2019

This \$3,500 thesis fellowship funds those writing on topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps.

Spencer Educational Foundation RIMS Part-time Master's Scholarship

May 1, 2019

The Spencer Educational Foundation awards Part-time Master's Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to \$10,000 to cover tuition and fees.

Academy of Motion Pictures Arts and Sciences Nicholl Fellowships in Screenwriting

May 1, 2019 (anticipated)

Up to five fellowships for promising new writers. Fellows are expected to complete a feature-length screenplay during the fellowship year.

Scholarships in Waste Management Research and Education

May 4, 2019 (anticipated)

Waste Management Research and Education Scholarships recognize graduate students pursuing excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering

May 6, 2019

Award for first year, full-time graduate student for work in electrical engineering.

Master's (Continued)

Mozilla Fellowships for Science

May 14, 2019 (anticipated)

Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing.

NSF Improving Graduate Student Preparedness for the Chemistry Workforce Supplement

May 15, 2019 (anticipated)

This opportunity is open to M.S. and Ph.D. students currently supported on NSF CHE individual investigator or small group research grants. Graduate student applicants must have completed at least one academic year as full time students and be in good academic standing within their Departments.

Clara Mayo Grants

May 15, 2019

This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

American Speech-Language-Hearing Foundation Graduate Student Scholarship

May 15, 2019

Scholarships for full-time students who will be or who are currently enrolled in a graduate program in communication science and disorders.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues

May 15, 2019 (anticipated)

Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Florida Outdoor Writers Association Scholarship

May 18, 2019 (anticipated)

FOWA Scholarships are competitive and open to students at Florida colleges and universities, or to any student whose application is endorsed by a FOWA member or a faculty advisor. Up to three scholarships of \$1,000 each are awarded. These scholarships are intended for college-aged students whose career goals are to communicate to the public appreciation for hunting, fishing, and other aspects of the outdoor experience.

Thermo Fisher Scientific Antibody Scholarship Program

May 20, 2019

This scholarship is offered to graduate students in biology, chemistry, biochemistry, or a related life science field.

Association for Consumer Research Transformative Consumer Research Grant

May 30, 2019 (anticipated)

Grants for consumer research projects that are focused on matters of well-being.

Florida Space Grant Consortium Masters Fellowship Program

May 30, 2019

The FSGC Masters Fellowship Program provides a prestigious instrument to reward and attract the best and the brightest US citizens to space-related careers. The program is also designed to enhance cooperation among FSGC-affiliated university faculty and peers in industry, government and private laboratories. Accordingly, each Fellow will receive an Academic Year 2017-2018 fellowship stipend of \$10,000 for full-time masters students. Notice of intent to apply is due April 20.

Tampa Bay Seminole Club Graduate Student Scholarship

May 31, 2019 (anticipated)

It is the goal of the Tampa Bay Seminole club to continue its commitment towards further building a pipeline between Hillsborough and Pasco county high schools and Florida State University. Candidates must be graduates of a Hillsborough or Pasco county high school and have proof of acceptance into a graduate program at FSU or have some graduate coursework already completed.

American Association of Colleges of Nursing Minority Nurse Faculty Scholarship

May 31, 2019 (anticipated)

Support to graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

Florida House of Representatives Legislative Intern Program

May 31, 2019 (anticipated)

Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

Richard A. Horovitz Fund for Professional Development

Rolling deadline

To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

P.E.O. Program for Continuing Education

Deadline: Apply 8 weeks prior to the start of the term for which the grant is requested

One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Segal AmeriCorps Education Award

Deadlines vary

The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.

Doctoral

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2019

Students participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Intercollegiate Studies Institute Graduate Fellowships

February 1, 2019

Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Harry Frank Guggenheim Dissertation Fellowships

February 1, 2019

Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Harry S. Truman Library Dissertation Year Fellowship

February 1, 2019

Dissertation Year Fellowships that are intended to encourage historical scholarship of the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship

February 1, 2019

Funds scholars completing dissertations that shed light on American politics, public policy, foreign relations, global impacts on the US media and politics, and the role of the presidency in shaping American political development.

PhRMA Pre Doctoral Fellowships

February 1, 2019 (Health Outcomes); September 1, 2019 (Informatics, Pharmaceuticals, Pharmacology)

Fellowships for students who expect to complete their Ph.D. in two years or less from the time the fellowship begins. Offered in five areas: Health Outcomes, Informatics, Pharmaceuticals, Pharmacology/Toxicology.

Freedom Summer Collegiate Fellowship

February 1, 2019

Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship

February 1, 2019

Scholarships designed to encourage students to choose a manufacturing focused education.

American Meteorological Society Scholarships

February 8, 2019

American Meteorological Society Fellowship in the History of Science

For PhD students writing dissertations. Carries a \$15,000 stipend to support one year of research.

American Meteorological Society Minority Scholarships

Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

Mathematica Center for Studying Disability Policy

February 16, 2019

Summer Fellowship in Disability Policy Research

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Institute for Humane Studies Fellowship

February 10, 2019

Fellowships for promising doctoral students dedicated to developing, teaching, and applying the principles of a free society.

Organization for Autism Research Graduate Research Grant

February 11, 2019

Our Graduate Research Grant Competition offers grant awards of \$1,000 for students conducting autism research as a requirement in pursuit of a master's degree and \$2,000 for students who are doctoral candidates or post-doctoral students.

Kappa Omicron Nu Research Fellowship

February 15, 2019

The Kappa Omicron Nu Research/Project Grant Program supports the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

Doctoral (Continued)

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2019 (anticipated)

Fellowships for prospective and current science graduate students interested in researching yogurt and probiotics.

Daughters of the American Revolution Scholarships

February 15, 2019

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a US citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

American Jewish Archives Fellowship

February 19, 2019

The Marcus Center's Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program scholars travel to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion. The program provides fellows with an opportunity not only to pursue their own research, but also to interact and exchange ideas with research peers as well as with the faculty and students of HUC-JIR.

John A. Knauss Marine Policy Fellowship

February 22, 2019

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

Egg Nutrition Studies and Research Grants

February 28, 2019 (anticipated)

The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

NSF Sociology Program Doctoral Dissertation Research Improvement Awards

February 28, 2019

NSF Soc-DDRI grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

Rocky Mountain Mineral Law Foundation Scholarship

February 28, 2019

Scholarship opportunities for law students who demonstrate a commitment to the study of natural resources law.

Space Medicine Association Jeffrey R. Davis Scholarship

March 1, 2019

The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowship

March 1, 2019

Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

Mellon Scholars Program in African American History

March 1, 2019

Dissertation fellowship designed to increase the participation of scholars from underrepresented backgrounds and others in the field of African American history prior to 1900.

American Psychological Foundation Esther Katz Rosen Fund Grants

March 1, 2019

Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from \$1,000 to \$50,000.

Doctoral (Continued)

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

March 1, 2019

Grants support members to undertake research on every phase of economic history, broadly defined.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity

March 1, 2019

With this fellowship, the American Society of Criminology encourages students of color, especially those from racial and ethnic groups underrepresented in the field, to enter the field of criminology and criminal justice, and facilitates the completion of their degrees.

Mineralogical Society of America Grant for Research in Crystallography

March 1, 2019

Awards of up to \$5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

American Library Association Spectrum Scholarship

March 1, 2019

Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

Botstiber Institute for Austrian-American Studies Fellowships & Grants

March 1, 2019

The fellowship will be awarded to a scholar or professional who seeks funds for a project that promotes an understanding of the historic relationship between Austria and the United States. A grant of up to \$30,000 will be considered to support salary, travel, or other necessary expenses.

Mercatus Center

Mercatus Center Adam Smith Fellowship

March 1, 2019

The Adam Smith Fellowship is a co-sponsored program of the Mercatus Center and Liberty Fund, Inc. Adam Smith Fellowships are awarded to graduate students attending PhD programs in a variety of fields including economics, philosophy, political science, and sociology.

Frédéric Bastiat Fellowship

March 15, 2019

The Frédéric Bastiat Fellowship is a one-year, competitive fellowship program awarded to graduate students attending master's, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

National Association of Social Workers Foundation Scholarships

March 5, 2019

Consuelo W. Gosnell Memorial Scholarship

Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship

Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/mental health practice and who are committed to working in African American communities.

Israel Institute Doctoral Fellowship

March 13, 2019 (anticipated)

Two-year fellowships open to both doctoral students who are working on Israel as a primary topic of research and to candidates whose focus is broader but whose work incorporates an Israeli dimension.

Fulbright—Hays Doctoral Dissertation Research Abroad Program

March 14, 2019 (anticipated)

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Association for the Study of the Middle East and Africa Research Grants Program

March 15, 2019 (anticipated)

Grants up to \$2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

Sigma Xi Grants-in-Aid of Research

March 15, 2019

The program grants of up to \$1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

National Wildlife Federation EcoLeaders Program

March 15, 2019 (anticipated)

National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

American Physical Society Bridge Fellowship

March 15, 2019

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Doctoral (Continued)

Feinstein Center Summer Fellowship

March 18, 2019

Summer fellowships up to \$4,000 to support research on the American Jewish experience. This award is open to doctoral and postdoctoral scholars.

Sertoma Communicative Disorders Scholarship

March 29, 2019

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund

March 31, 2019

The fund is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award

March 31, 2019 (anticipated)

The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of \$1,000, and their manuscript published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation

March 31, 2019

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program

April 1, 2019; August 1, 2019

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Wilson Center Internships with the Middle East Program

April 1, 2019; July 15, 2019

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

Davis-Putter Scholarship

April 1, 2019

Need-based funding for graduate students who are actively working for peace and justice.

SHAFR Marilyn Blatt Young Dissertation Completion Fellowship

April 1, 2019

SHAFR will make one, year-long awards of \$25,000 to support the writing and completion of a dissertation on a topic in the field of U.S. foreign relations history or international history. Applicants must be members of SHAFR.

American Institute of Afghanistan Studies John F. Richards Fellowship Program

April 15, 2019 (anticipated)

Invites applications for support of short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

High Energy Laser and High Power Microwave Technologies Scholarships

April 12, 2019

One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Fahs-Beck Doctoral Dissertation Grant Program

April 1, 2019

Grants up to \$5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Student Leadership Awards

April 1, 2019

Sponsored by HENAAC, \$1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

Florida-China Linkage Institute Tuition Exemption Program

April 1, 2019

This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public university or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption period.

History of Science Society Fellowships in Aerospace History

April 1, 2019

The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholarly research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management.

Doctoral (Continued)

North American Conference on British Studies Dissertation Fellowship

April 1, 2019 (anticipated)

Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. An applicant's dissertation research must necessitate travel to the British Isles.

Pediatric Endocrinology Nursing Society Academic Education Scholarship

April 1, 2019

Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Harwood Visiting Research Fellowships

April 1, 2019

Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a \$250/week living stipend and lunch during most work days. A travel stipend of \$750 is also provided for fellowships lasting 10 weeks or more (\$1500 for those outside of the US & Canada).

Society for the History of Technology

The SHOT-NASA Fellowship in the History of Space Technology

April 1, 2019

This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project related to the history of space technology including cultural and intellectual history, institutional history, economic history, history of law and public policy, and history of engineering and management.

Melvin Kranzberg Dissertation Fellowship

April 15, 2019 (anticipated)

Supports a doctoral student engaged in the preparation of a dissertation on the history of technology, broadly defined.

Sociologists for Women in Society

April 1, 2019

Barbara Rosenblum Dissertation Scholarship for the Study of Women and Cancer

Scholarship is designed to encourage doctoral research on women's experience of breast cancer and other reproductive cancers, as well as the prevention of these cancers. The scholarship also supports efforts to make sociological research on these topics available to the public.

Beth B. Hess Memorial Scholarship

Scholarship is awarded to a dissertation writing PhD student who has studied for at least one full academic year at a two-year college in the U.S., before transferring to complete a BA.

Esther Ngan-Ling Chow and Mareyjoyce Green Scholarship

Scholarship offers support to women scholars who are from underrepresented groups and are studying concerns that women of color face domestically and/or internationally.

Cheryl Allyn Miller Award

Award recognizes a sociology graduate student, or a recent doctorate, whose research or activism constitutes an outstanding contribution to the field of women and work.

American Musicological Society

April 2, 2019

Virginia and George Bozarth Travel Fund

Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund

The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund

The fund is intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund

Intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on a topic in European music.

H. Robert Cohen Fund

Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

William Holmes / Frank D'Accone Endowment

The Holmes / D'Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Ora Frishberg Saloman Fund

Supports musicological research oriented to music criticism and reception history.

Dissertation Grant in Cold War History

April 5, 2019

\$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

Doctoral (Continued)

Confucius China Studies Program Research PhD Fellowship

April 8, 2019 (anticipated)

For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

NIH Ruth L. Kirschstein National Research Service Award (F31)

April 8, 2019

The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to enhance the individual's potential to develop into a productive, independent research scientist.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship

April 14, 2019 (anticipated)

Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

ORISE Evaluation Fellowship Opportunity at the CDC

April 14, 2019 (anticipated)

Fellows work under the leadership of the CDC's Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected to ensure that activities build the program's knowledge base and enhance the fellow's professional development.

Delta Sigma Theta Mary Murphy Graduate Scholarship

April 13, 2019

Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

American Geophysical Union Horton Research Grant in Hydrological Sciences

April 15, 2019 (anticipated)

Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

IMA Doctoral Summer Research Scholarship Program

April 15, 2019 (early applications preferred)

Program to help alleviate the need for doctoral students in business, accounting, finance, management, and related areas to assume teaching responsibilities during the summer.

Academy of Nutrition and Dietetics Foundation Scholarships

April 17, 2019

Scholarships ranging from \$500 to \$10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation

April 17, 2019

Irene Winifred Eno Grant

Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students

This \$4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award

Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

Autism Speaks Pre-Doctoral Fellowship Program

April 24, 2019 (letter of intent due February 27)

Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science

April 30, 2019 (anticipated)

IFER's Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

Scientific and Technological Research Council of Turkey

May 1, 2019 (anticipated)

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

The Wenner-Gren Foundation Dissertation Fieldwork Grants

May 1, 2019

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant

May 1, 2019

\$5,000 to support an early career psychologists or graduate student for research or projects in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship

May 15, 2019

The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

Doctoral (Continued)

Foundation for Community Association Research Byron Hanke Fellowship

May 1, 2019

Fellowship is available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Nurses Foundation Research Grants

May 1, 2019

The purpose of American Nurses Foundation Nursing Research Grants is to encourage the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

Academy of Motion Pictures Arts and Sciences Nicholl Fellowships in Screenwriting

May 1, 2019 (anticipated)

Up to five fellowships for promising new writers. Fellows are expected to complete a feature-length screenplay during the fellowship year.

NCAA Graduate Student Research Grant

May 1, 2019 (anticipated)

Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

General Lemuel C. Shepherd, Jr., Memorial Dissertation Fellowship

May 1, 2019

A \$10,000 dissertation fellowship. Topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps, will be considered.

Scholarships in Waste Management Research and Education

May 4, 2019 (anticipated)

Waste Management Research and Education Scholarships recognize graduate students pursuing excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Nurses Association Minority Fellowship Program

May 6, 2019

Through the MFP, the Substance Abuse and Mental Health Services Administration (SAMHSA) provides federal grants to increase the number of PhD-prepared nurses, psychiatrists, psychologists, social workers, and marriage and family therapists from underrepresented ethnic minority groups.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering

May 6, 2019

Award for first year, full-time graduate student for work in electrical engineering.

Mozilla Fellowships for Science

May 14, 2019 (anticipated)

Researchers work to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing.

Clara Mayo Grants

May 15, 2019

This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in a terminal master's program. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues

May 15, 2019 (anticipated)

Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Laurels Fund

May 15, 2019

This fund provides one year scholarships, ranging from \$1,000 to \$5,000 each, for women who are pursuing a Ph.D. degree in Accounting.
