

Fellowships and Awards for International Students

Office of Graduate Fellowships and Awards at Florida State University

Getting Started

Things to consider...

- ◇ Identify funding opportunities based on “Fit”
(Discipline, Demographics, Travel, etc.)
- ◇ Organize funding search results
- ◇ Dedicate time and attention to prepare and/or request application components
- ◇ Commit to the Writing and Revision Process
(Draft, Review, Revise, Repeat, Repeat, Repeat, Repeat)
- ◇ **DEADLINES** - Know the application cycle for each award
- ◇ **NOTE:** Awards are typically disbursed about 6-12 months after the application submission window closes. This means that you are applying a year in advance for most awards.

Application Components

Award applications have a lot of moving parts. To develop a strong and compelling fellowship application, determine:

1. Is the funding opportunity a good fit for you, your research, ambitions, study and/or personal interests?
2. Are you a good fit for the funding opportunity?
3. **KNOW YOUR AUDIENCE** - Who are the reviewers? What are they looking for (mission of the funding opportunity, criteria for review)?
4. Typical application components
 - ◇ Personal Statement
 - ◇ Research Proposal
 - ◇ Curriculum Vitae (CV) or Resume
 - ◇ Letters of Recommendation
 - ◇ Timeline and Budget Justification

Not all components listed are applicable for every application

Scholarships, Fellowships, and Awards that Accept Applications from Non-US Citizens

APS/IBM Research Internship for Undergraduate Women

Internships are salaried positions typically 10 weeks long at one of three IBM research locations (San Jose, CA, Austin, TX, or Yorktown Heights, NY), and give the opportunity to work closely with an IBM mentor. The Watson lab has a full range of research, as does the Almaden lab, and the Austin lab focuses on software and systems. Research areas of the internship are individually chosen to optimize the match between the skills and interests of the student, and the ongoing research programs of the laboratory.

No citizenship restriction. Deadline: February 15

To be eligible, applicants must be:

- Must be female with sophomore or junior standing at a U.S. college or university at the time of application
- Must be majoring in chemistry, physics, materials science or engineering, computer science or engineering, chemical, electrical, mechanical engineering, or biology, if it has an emphasis on one of the other areas listed
- Must have a minimum 3.0 GPA

Academic Council on the United Nations System (ACUNS) - Dissertation Writing Awards Program

The award recognizes students who are writing graduate-level dissertations on topics related to the United Nations system. ACUNS is a global professional association of educational and research institutions, individual scholars, and practitioners active in more than 50 countries in the work and study of multilateral relations, global governance and international cooperation. Deadline: April 15

Acumen Fund Fellowship

The Global Fellows Program is a 12-month fellowship for individuals dedicated to serving the poor and who have the business and operational expertise, and moral imagination needed to effect long-term social change. The fellowship begins with an eight-week training program in the Acumen New York office, where Fellows learn about business models for the poor, hone their leadership skills, and learn more about Acumen. After training, each Fellow works for the CEO or senior management of an Acumen investee on a critical business issue facing the organization. Deadline: August 11

American Center of Oriental Research Scholarships and Fellowships

The foundation offers a series of monetary grants and fellowships based on research

within the Asian continent, and is open to various nationalities. This is available to pre-doctoral and post-doctoral students. Deadline: February 1

Allen Lee Hughes Fellowship and Internship Program

Individuals interested in artistic and technical production, arts administration and community engagement. Fellowships are designed for recent graduates (undergraduate or graduate) and career changers interested in pursuing a career in the professional theater. Fellowship provides a modest stipend and is intended to increase participation of people of color in the arts. Deadline: Currently closed. See website for additional details.

Amelia Earhart Fellowships (Zonta International Foundation)

Women of any nationality pursuing a Ph.D./doctoral degree who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering are eligible. Applicants must be registered in a full-time Ph.D./doctoral program when funds are received in September and will not graduate in the following semester. Please note that post-doctoral research programs are not eligible for the Fellowship. Members and employees of Zonta International or the Zonta International Foundation are also not eligible to apply for the Fellowship. Current fellows may apply to renew the Fellowship for a second year and will undergo the same application and evaluation procedures as first-time applicants. Deadline: November 15

American Architectural Foundation and Sir John Soane's Museum Foundation Traveling Fellowship

Graduate Fellowships provide a \$6000 award for students in graduate degree programs in art history, architecture, interior design, and decorative arts. The fellowship funds a research residency at the Soane Museum oriented towards academic research related to any aspect of the work of Sir John Soane or Sir John Soane's Museum. **Deadline: Currently closed, please check back for updates**

American Nuclear Society (ANS) Graduate Scholarship

A series of scholarships (ranging from \$1,000- \$5000) for either undergraduates or graduates in nuclear science and technology. U.S. and non-U.S. applicants must be ANS student members enrolled in and attending an accredited institution in the United States. Deadline: February 1

American Association for University Women - International Fellowships

International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. Applicants must have earned the equivalent of a U.S. bachelor's degree by September 30, 2014, and must have

applied to their proposed institutions of study by the time of the application. Up to five International Master's/First Professional Degree Fellowships are renewable for a second year. Deadline: November 15

American Foreign Service Association's Advocacy and Government Affairs Internship

Advocacy and Government Affairs Internships for graduate students interested in international affairs, advocacy/grassroots mobilization, communications, stakeholder engagement, and the U.S. Foreign Service. Fall (September-December) and spring (January-May) interns are expected to work at least two full days a week (equivalent of 16 hours), for which they receive a \$450 stipend. Summer (June-August) interns, who must be available full-time, receive \$550. Note that all interns are responsible for arranging their own housing and covering their own expenses. Deadline: July 15

Belgian American Education Fund, Inc.

The foundation offers fellowships for study or/and research in the United States. In addition to the amounts indicated, BAEF also pays for health insurance at the US institution. Fellows are Belgian citizens, who are expected to stay in the USA for a full academic year at a US institution or for a full year to do research institution. Deadline: October 31

Cambridge Overseas Trust

Established by the University of Cambridge, UK in order to support international students. Offers full and part scholarships at all levels applications are made to the University, not the trust. Some scholarships require additional application to a funding partner. Deadline: October 15

Center for Strategic and International Studies (CSIS) internships

CSIS offers full and part-time internships in the fall, spring and summer for undergraduates, advanced students, and recent graduates who are interested in gaining practical experience in public policy. Applicants must be eligible to work in the U.S, and at least a college junior in good standing, an advanced student or a recent graduate. Deadlines: early August (Fall), late November (Spring), mid-March (Summer).

Charles G. Koch Summer Fellow Program

The Charles G. Koch Summer Fellow Program offers internships in public policy located in Washington, DC, and at state-based policy organizations across the country featuring a \$4,800 stipend. Applicants must be eligible to work in the U.S. Deadline: Admissions into the program is competitive and done on a rolling basis.

Charlotte W. Newcombe Doctoral Dissertation Fellowship

Designed to encourage original and significant study of ethical or religious values in all fields of the humanities and social sciences, and particularly to help Ph.D. candidates in these fields complete their dissertation work in a timely manner. In addition to topics in religious studies or in ethics (philosophical or religious), dissertations appropriate to the Newcombe Fellowship competition might explore the ethical implications of foreign policy, the values influencing political decisions, the moral codes of other cultures, and religious or ethical issues reflected in history or literature. Applicants must be candidates for Ph.D. or Th.D. degrees in an American doctoral program at a graduate school located in the United States, and in the writing stage of his or her dissertation. Candidates working on D. Min., law, Psy.D. Ed.D. and other professional degrees are not eligible. **Deadline:** November 15

Dumbarton Oaks Fellowships

Dumbarton Oaks offers residential fellowships in three areas of study: Byzantine Studies (including related aspects of late Roman, early Christian, Western medieval, Slavic, and Near Eastern studies), Pre-Columbian Studies (of Mexico, Central America, and Andean South America), and Garden and Landscape Studies. Fellowships are open to graduate students and doctoral candidates. Deadlines vary. Non-US citizen applicants should check their visa status before applying. Deadline: November 1

Davis-Putter Scholarships

Need-based grants (up to \$6,000) to undergraduate or graduate students who are able to do academic work at the college level, and are actively working for peace and justice. Grantees must receive college credits for the time period covered by their grant. Open to non-US citizens who are attending an accredited university. Deadline: April 1

Echoing Green Foundation Fellowships

Provides seed funding and support to more than 450 social entrepreneurs with bold ideas for social change in order to launch groundbreaking organizations around the world. A stipend of \$60,000 for individuals (\$90,000 for 2- person partnerships) paid in four equal installments over two years. Must demonstrate sufficient English fluency to participate in interviews and Echoing Green events. The fellowship includes the Global Fellowship, the Black Male Achievement Fellowship, and the Climate Fellowship. Deadline: October 16

Elizabeth Greenshields Foundation Grant for Artists

Awards five grants in the amount of \$15,000 (Canadian) and subsequent grants \$18,000 each. No age limit but applicants must be at least 18 years of age at the time of submitting the application. Not for those pursuing abstract or nonrepresentational art.

Rolling deadline.

Environmental Research and Education Foundation

Scholarships are awarded by EREF to recognize excellence in master's, doctoral or post-doctoral waste management research and education. Applicants will be this year or are now a full-time master's student, doctoral student or a post-doctoral researcher.

Deadlines: December 1 and May 1

Future Leaders Forum Student Scholarship Program

The Association for International Agriculture and Rural Development (AIARD) administers a competitive scholarship program to nurture and to provide partial financial support to students attending the AIARD Annual Conference and the annual Future Leaders Forum in Washington, D.C. Scholarships are awarded on a competitive basis to students who have a sincere interest in international agriculture and rural development issues and their solutions. Undergraduate or graduate students, foreign and American are encouraged to apply. Deadline: March 29

Finlandia Foundation National Trust Scholarship

The Foundation invites high-quality projects on a competitive basis that relate to past, present or future of Finnish and Finnish-American culture and are characterized by MANY of the following: receives favorable attention and has a high profile and visibility; appeals to all Americans, not only ethnic Finns; involves worthy activity for children and young adults to assure an interest in Finnish and Finnish-American culture by future generations; can be replicated or become a permanent addition to the cultural life of a community; has a detailed budget, income and expenses; and adds to the body of research about Finnish and Finnish-American culture. Deadline: January 17

Gates Cambridge Scholarships

Gates Cambridge Scholarships are prestigious, highly competitive full-cost scholarships. They are awarded to outstanding applicants from countries outside the UK to pursue a full-time postgraduate degree in any subject available at the University of Cambridge. One to three years of study in any discipline at Cambridge University. Candidates apply directly through Cambridge. Deadlines: October 13

Hellenic Times Scholarship Fund

For undergraduate and graduate students of Greek descent, undergraduate or graduate, and between the ages of 17 and 25. Applicants must be enrolled in an accredited College or University in the United States for the academic year 2014-15. Applicants may be graduate or undergraduate students. Scholarships will be awarded on the basis of necessity and merit. Deadline: Please check back for dates

Herbert Scoville Jr. Peace Fellowships

For college graduates to serve 6 – 9 months with a participating organization of their choice in Washington DC while receiving a stipend. Prospective Fellows are expected to demonstrate excellent academic accomplishments and a strong interest in issues of peace and security.

Graduate study, a college major, course work, or substantial independent reading that reflects the substantive focus of the fellowship is also a plus. Prior experience with public-interest activism or advocacy is highly desirable. U.S. citizens and applicants with a visa are able to apply. Deadline: October 7 (Spring), January 6 (Fall)

Humane Studies Fellowships

For current or prospective full-time graduate students (including law students) interested in the classical liberal/libertarian tradition of individual rights and market economies. More than 100 fellowships from \$2,000 to \$15,000 are awarded annually.

Deadline: August, December, April 1

Inter American Press Association (IAPA) Scholarship

The Inter American Press Association was established in 1942 to defend and promote the right of the peoples of the Americas to be freely informed through an independent press, essential for which is a journalism that is responsible, objective and open to all currents, so as thus to contribute to a better understanding among the peoples of the Western Hemisphere. Applicants must be natives of countries in the Western Hemisphere, journalists or students in the final year of their journalism course, be between 21 and 35 years old, and be fluent in the language of the country where they will go to study.

Journalism students will have to complete their university studies before the start of the scholarship year. Applicants from the United States and Canada should have documentation from a recognized authority confirming fluency in Spanish, or Portuguese for those going to Brazil. Latin American applicants will have to undergo a TOEFL test (Test of English as a Foreign Language). Deadline: January 31

International Dissertation Research Fellowship (IDRF)

The Mellon International Dissertation Research Fellowship (IDRF) offers nine to twelve months of support to graduate students (of any citizenship) in the humanities and humanistic social sciences who are enrolled in PhD programs in the United States and conducting dissertation research on non-US topics. Fellowship amounts vary depending on the research plan, with a per-fellowship average of \$20,000. The fellowship includes participation in an SSRC-funded interdisciplinary workshop upon the completion of

IDRF-funded research. Deadline: November 2

Jack Kent Cooke Undergraduate Transfer Scholarships

Community college students who are sophomores or recent alumni. Open to all fields of study at any accredited university in the US. Meant to enable community college students to transfer to a 4-year institution in order to complete a bachelor's degree. Award is up to \$30,000 per year for an average of 2.5 years. Deadline: January 10

Japan-IMF Scholarship Program for Advanced Studies

A two-year program intended to help Japanese nationals obtaining Ph.D. degrees in macroeconomics and preparing them to work as economists at the International Monetary Fund (IMF). JISP covers all reasonable expenses for two years of graduate study. Deadline: November 30

Josephine de Karman Scholarships

Approximately 8 fellowships, \$22,000 for graduate students and \$14,000 for undergraduate students, will be awarded for the regular academic year (fall and spring semesters or the equivalent where the quarterly system prevails), paid through the fellowship office of the university in which the recipient is enrolled for study in the US. DeKarman fellowships are open to students in any discipline, including international students, who are currently enrolled in a university or college located within the United States.

Only candidates for the PhD who will defend their dissertation in or about June 2016 and undergraduates entering their senior year (will receive bachelor's degree in June 2016) are eligible for consideration. Postdoctoral and master's degree students are not eligible for consideration. Special consideration will be given to applicants in the Humanities. Deadline: January 31

Leader of the Pack Scholarships

Provides funding for students who completed two semesters at NCSU and intend to remain there. Applicants must also be recognized by their community as leaders. Deadline: September 30

MacDowell Colony Residencies

250 fellowships to artists in seven disciplines (architecture, music composition, film and video, interdisciplinary art, theatre, visual art, and literature). Applicants who are in a degree program as of the date of application are ineligible for a residency and therefore cannot apply. Residents receive room, board, and exclusive use of one of the 32 studios on the property. Deadlines: Summer: January 15, Fall: April 15, Winter/Spring: September 15

Mayo Summer Undergraduate Research Fellowship (SURF) Program

\$5000 research fellowships for undergraduate students dedicated to scientific research alongside professional biomedical scientists. International students at US universities are able to apply. Deadline: February 1

Microsoft Scholarships

Various scholarships for undergraduate students interested in computer science and related technical disciplines. One-year award for students attending institutions in the United States, Canada, and Mexico, required that the student complete a salaried summer internship. Deadline: Check website for dates

National Association of Black Journalists (NABJ) Scholarships

NABJ awards scholarships annually to deserving students interested in pursuing careers in journalism. Scholarships are worth up to \$2,500. All applications must be submitted online by the specified deadline. Student members of NABJ, foreign or American born, currently attending or entering an accredited four-year college/university in the U.S. or those who are candidates for graduate school are eligible for up to \$2,500 per year. Deadline: Check website for dates

Newman Civic Fellows Award

The Newman Civic Fellows Award honors inspiring college student leaders who have demonstrated an investment in finding solutions for challenges facing communities throughout the country. Through service, research, and advocacy, Newman Civic Fellows are making the most of their college experiences to better understand themselves, the root causes of social issues, and effective mechanisms for creating lasting change. These students represent the next generation of public problem solvers and civic leaders. Deadline: October 31

Nicholl Fellowships in Screenwriting

The Norway-America Association (NORAM) is a non-profit organization that since 1919 has helped Norwegian students to study in North-America, and American students to study in Norway. NORAM awards approximately five scholarships for Americans students who will attend graduate school or do PhD research here. Applicants must be members of the Norway-America Association (NAA) and must have completed a minimum of a Bachelor's degree. Award amounts range from \$ 2,000 to \$20,000. **Deadline: April 1**

Paul and Daisy Soros Foundation Fellowship for New Americans

For seniors or recent graduates to pursue up to two years of graduate study in any field and in any advanced degree- granting program in the United States. Each award is up to \$25,000 in maintenance grants and up to \$20,000 in tuition support for each year of

graduate study supported, a total of as much as \$90,000.

The program is intended to support individuals who will continue to regard the U.S. as their principal residence and focus of national identity. This fellowship is eligible to people who fall into one of the following categories: naturalized US citizen; will have a valid green card by the application deadline; US citizen by birth but neither of your parents were US citizens at the times of their births; born outside of the US and adopted by American parents or awarded US citizenship as a result of your adoption; you have granted deferred action under the government's Deferred Action for Childhood Arrivals (DACA) program. Deadline: October 28

P.E.O. International Peace Scholarship Fund

The International Peace Scholarship Fund is a program, which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding. The maximum amount awarded to a student is \$10,000. Lesser amounts may be awarded according to individual needs. Deadline: December 15

Jennings Randolph Peace Scholar Dissertation Fellowship Program

The Jennings Randolph Program for International Peace awards Peace Scholar Dissertation Fellowships to students enrolled in U.S. universities who are researching and writing doctoral dissertations on topics related to international conflict management and peacebuilding. Proposals from all disciplines are welcome. Deadline: September 24

Rhodes Scholarships for Non-U.S. Citizens

1-3 years of study at Oxford University for citizens of Australia, Bangladesh, Bermuda, Canada, Commonwealth Caribbean and Jamaica, Germany, Hong Kong, India Kenya, Malaysia, New Zealand, Pakistan, Singapore, South Africa, Uganda, Zambia, and Zimbabwe. Deadline: First Wednesday of October

Rotary Peace Scholarships

Rotary Peace Fellows are leaders promoting national and international cooperation, peace, and the successful resolution of conflict throughout their lives, in their careers, and through service activities. Fellows can earn either a master's degree in international relations, public administration, sustainable development, peace studies, conflict resolution, or a related field, or a professional development certificate in peace and conflict resolution. Proficiency in English is required, and proficiency in a second language is recommended. Deadline: May 31

Student Action with Farmworkers: Sowing Seeds for Change Fellowship

The Sowing Seeds for Change Fellowship is a 6-month leadership development program for college students and recent graduates to improve farmworkers' access to healthcare as well as advocate for improved living and working conditions. No mention of U.S. citizenship, however applicants must be college students or recent graduates from U.S. universities. Deadline: August 27

Samuel Huntington Public Service Fellowship Award

Stipend of \$15,000 for a graduating college senior to pursue public one year of service anywhere in the world. The award allows recipients to engage in a meaningful public service activity for one year before proceeding on to graduate school or a career. Deadline: January 15

South Pacific and East Timor Scholarship Programs

The United States–South Pacific Scholarship Program, authorized by the U.S. Congress and funded by the Bureau of Educational and Cultural Affairs of the U.S. Department of State, is a competitive, merit-based scholarship program that provides opportunities for Master's degree study at the University of Hawai'i at Mānoa in fields that are directly relevant to the development needs of Pacific island countries. Professional degrees (law, architecture, medicine) are not funded. Individuals who have dual citizenship, one being that of the United States, are not eligible. U.S. non-citizens and U.S. permanent residents are also not eligible. All scholarship recipients must be able to meet the requirements of the Exchange Visitor (J-1 visa) program. Deadline: February 1

Student Academy Awards

The Student Academy Awards is a national student film competition conducted by the Academy and the Academy Foundation. Each year 500-college and university film students from all over the United States compete for awards and cash grants, with films being judged in four categories: Animation, Documentary, Narrative, and Alternative. Film students outside the United States are honored as well. Deadline: June 1

Thermo Scientific Pierce Scholarship Program

Thermo Fisher Scientific is offering our future science scholars an opportunity to win \$10,000 in scholarship funding for the Fall 2015 semester. This scholarship was created to help provide educational opportunities for the future generation of scientists. Graduate students or undergraduate students must be enrolled in an accredited college for the Fall 2015 semester to qualify for this scholarship, and majoring in biology, chemistry, biochemistry, or a related life-science field.

A pre-selected committee will award two \$10,000 scholarships and four \$5,000 scholarships among the candidates. To qualify for the scholarship, students must have a GPA of 3.0 (on a 4.0 scale) and be enrolled in an accredited college for university for the Fall 2014 semester. In addition to these qualifications, students must also be legal United States residents, meaning that students possessing appropriate Visa status in order to study in the United States are also eligible. Deadline: May 5

AT&T Researchers Fellowship — Inventing the Science Behind the Service

Scholarships for students in Masters of Library Science graduate program. This fellowship offers three-year fellowships to outstanding underrepresented minority and women students pursuing PhD studies in computing and communications fields. US Citizenship or residence is NOT a requirement, but students must have a US social security number.

Each summer, research interns from universities all over the US come to AT&T Labs Research for 10 weeks to work with AT&T Researchers on exciting, real-world research projects. Candidates are typically graduate students but advanced undergraduates will also be considered in exceptional cases. Deadline: January 15

UNESCO/Japan Young Researchers' Fellowship Programme Fellowships

Young researchers with advanced degrees (M.A., M.Sc. or equivalent) from developing countries majoring in one of our areas: environment, intercultural dialogue, information and communication technologies, and peaceful conflict solution. Deadline: Check website for more information

Woodrow Wilson Dissertation Fellowships in Women's Studies

The Woodrow Wilson Women's Studies program, the only national fellowship for doctoral work on issues of women and gender, supports dissertation writing for Ph.D. candidates in the humanities and social sciences doing interdisciplinary and original work on these issues. Applicants must be enrolled in a Ph.D. program in the United States. Deadline: October 15

Youth Activity Fund Grant

The Youth Activity Fund Grant supports high school students and college undergraduates. Its goal is to foster a new generation of explorers dedicated to the advancement of the scientific knowledge of our world. Awards range from \$500 to \$5,000. We recommend keeping your budget realistic. The average award is approximately \$1,500. Only a few grants may be awarded at the \$5,000 level. Grants are normally given to the following disciplines or topics in the biological sciences. There is no explicit mentions of citizenship or eligibility requirements. Deadline: November 5

Academic Council on the United Nations System (ACUNS) - Dissertation Writing Awards Program

The award recognizes students who are writing graduate-level dissertations on topics related to the United Nations system. ACUNS is a global professional association of educational and research institutions, individual scholars, and practitioners active in more than 50 countries in the work and study of multilateral relations, global governance and international cooperation. Deadline: Anticipated: April 15

Academy of Natural Sciences of Philadelphia - Jessup & McHenry Short-Term Research Awards

Grants support research under the supervision or sponsorship of a member of the curatorial staff of the Academy. The award duration is 2-16 weeks.

Jessup Fund support research in any specialty in curators at the Academy have expertise. Henry Fund is restricted to botanists. Deadlines: Anticipated March & October

ACM SIGHPC/Intel - Graduate Fellowship for Women and Minorities in Computational & Data Science

Fellowships support women and underrepresented students pursue graduate degrees in computational and data science. Computational science encompasses any program of study where computational modeling and simulation serve as the primary methods for conducting research, typically in a field other than computer science (e.g., computational chemistry, wildfire modeling, computational hydrodynamics). Data science relies on computational analysis of large-scale data as the basis for research (e.g., ecological informatics, financial analytics). Funding is provided by Intel and administered by the Association of Computing Machinery's Special Interest Group on High Performance Computing. The fellowship offers support for up to five years.

Deadline: Anticipated: April 30

Acoustical Society of America - Graduate Scholarship in Phonetics and Speech Science

The fellowship supports graduate study and research in scientific areas related to the field of phonetics and speech production. The fellowship is for one year. Research areas supported, in preferential order: **Motor speech production:** Motor coordination of speech organs; Kinematics of speech articulation; Aerodynamics of speech production; Combined acoustic/kinematic modeling of speech. **Phonetics:** Linguistic issues related to speech production; Articulatory phonology, experimental phonology. **Bio-developmental factors in speech:** Neural function for speech communication; Infant/child development for speech communication.

Deadline: October 1

Adobe Research - Ph.D. Fellowship

Fellowships support graduate student research in the areas of computer graphics, computer vision, human-computer interaction, machine learning, visualization, audio, natural language processing, and programming languages. Fellows are mentored by Adobe researchers. The fellowship offers support for one year. Recipients are selected based on their research (creative, impactful, important, and realistic in scope), how their work would contribute to Adobe, their technical skills (ability to build complex computer programs), and their personal skills (problem-solving ability, communication, leadership, organizational skills, ability to work in teams).

Deadline: Anticipated: September 15

Advancing Research Impact in Society (ARIS) Center - Fellowship Program

ARIS Center fellowships support professionals, researchers, faculty, educators, graduate students, and others working to advance the practice and improve the outcomes of research impacts. The fellowships provide support to two types of projects: 1) projects that synthesize existing scholarly work into easily applied and digestible tools and 2) small-scale innovative projects that advance knowledge about research impacts. Both types of projects require recipients to create products such as guidance documents, white papers, scholarly articles, decision support tools, multimedia supports, instructive videos, or other creative or scholarly outputs. Fellowships provide support for one year.

Deadline: September 30

Air & Waste Management Association (A&WMA) - Graduate Scholarships

A&WMA offers scholarships to graduate students who are pursuing courses of study and research leading to careers in air quality, waste management, environmental management/policy/law, and sustainability. The scholarships offer support for one year. Additional scholarships awarded annually in the following areas: air quality research and study, waste management research and study, environmental management or policy research and study, sustainability research and study.

Deadline: Check website for updates

Airport Cooperative Research Program (ACRP) - Graduate Research Award on Public Sector Aviation Issues

Fellowships support graduate applied research on airport and related aviation system issues by individuals who may become the future airport managers, operators, designers and policy makers in aviation. It supports applied research to help the public sector continue to improve the quality, reliability, safety and security of the U.S. civil aviation system well into the foreseeable future.

Research topics include but are not limited to: Airport capacity and long-term planning; Airport finance and development; Airport safety; Airport and system wide planning; Alternative revenue sources for different types of airports; Cargo capacity and integration into airport operations and intermodal planning; Economic impacts of airport expansion; Environmental issues, including sustainability of the aviation system; Human resources, including all participants in the aviation system; Multi-modal transportation linkages; Security and operations; Technology and its effect on airport operations.

Deadline: Anticipated: May 15

Alberta Learning Information Service (ALIS) - Sir James Lougheed Graduate Scholarships

Scholarships support masters and doctoral student from Alberta with the opportunity for advanced study at educational institutions outside of Alberta. The scholarship offers support for one year and may be renewed for a second year.

Deadline: Anticipated: January 15

Alexander Graham Bell Association for the Deaf and Hard of Hearing - George H. Nofer Scholarship for Law and Public Policy

Scholarships support full-time graduate students with pre-lingual bilateral hearing loss who are attending an accredited mainstream law school or a master's or doctoral program in public policy or public administration. The scholarship offers one year of support.

Deadline: Anticipated: April

Alexander Graham Bell Association for the Deaf and Hard of Hearing - Scholarship Program

AG Bell offers scholarships for full-time students who have a pre-lingual bilateral hearing loss in the moderately-severe to profound range, use listening and spoken language, and who are pursuing a bachelor's, master's or doctorate (not law or public policy) degree at an accredited mainstream college or university. Scholarships are for one year.

Deadline: Anticipated: March

American Academy in Rome - Rome Prize

The prize is awarded to emerging artists and scholars in the arts and humanities for independent study at the **American Academy in Rome** where they may expand their own professional, artistic, or scholarly pursuits. One prize is sponsored by the **National Endowment for the Humanities** (NEH). The duration of the residency is generally for 11 months. Some residencies are offered for 6 months or 2 years.

Deadline: Anticipated November

American Academy of Underwater Sciences (AAUS) - Graduate Research Scholarships

Scholarships facilitate the development of safe and productive scientific divers through education, research and the advancement of standards for scientific diving practices, certifications and operations. Deadline: Anticipated: June 30

American Antiquarian Society (AAS) - Short-Term Visiting Research Fellowships

Fellowships support doctoral students and postdoctoral researchers conducting research on pre-20th century United States history and culture using the Society's collections. Research must be carried out at the Society in Worcester, MA. The fellowships are for 1-2 months. Deadline: Anticipated January 15

American Association for Geodetic Surveying (AAGS)/National Society of Professional Surveyors (NSPS) - Graduate Fellowship

The AAGS, through the National Society of Professional Surveyors Foundation (NSPS), awards fellowships to graduate students enrolled in geo-spatial sciences and related programs, including surveying, mapping, geographic information systems, and geodetic science. The fellowship is for one year. Deadline: Anticipated June 30

American Association of Cereal Chemists International (AACCI) - Charles Becker Graduate Fellowship

Scholarships support graduate research in grain-based food science and technology. The scholarship offers support for one year. Deadline: Anticipated May 29

American Association of Equine Practitioners - Graduate Student Research Grant

The grant supports Post-DVM research on topics related to equine musculoskeletal, gastrointestinal, and metabolic disease, as well as laminitis and new technology development. Deadline: Anticipated June 30

American Association of Petroleum Geologists (AAPG) - Graduate Student Grants

Grants support master's and doctoral students conducting research in the geosciences whose thesis research has application to the search for and development of petroleum and energy-mineral resources, and/or to related environmental geology issues. See website or full list of **current grants**. Grants are for one year. Deadline: Anticipated December 3

American Cancer Society - Doctoral Training Grants in Oncology Social Work

Grants are for research relevant to oncology social work. The fellowship offers support for two years, with the possibility of an additional two-year renewal. Deadline: See website for deadlines

American Association of Family and Consumer Services (AAFCS) - Graduate Fellowships

Fellowships support graduate students studying family and consumer sciences. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan. FCS is rooted in the arts, social and natural sciences, and humanities. In order to address challenges related to the health of individuals, families and communities FCS uses integrative, interdisciplinary approaches that consider individuals and families in the context of their environments. Fellowships offer support for one year. Deadline: Please visit website for updates

American Association of University Women (AAUW) - International Fellowships

AAUW International Fellowships support for women pursuing full-time graduate or postdoctoral study in the United States who are not U.S. citizens or permanent residents. The overwhelming majority return to their home countries to become leaders in government, academia, community activism and the arts and science. Fellowships are for one year; some are renewable for an additional year. Deadline: November 15

American Brahms Society - Karl Geiringer Dissertation Completion Scholarship in Brahms Studies

Scholarships support advanced graduate research in historical musicology, analysis, performance practice, cultural history, and related fields. Work relating to Brahms should form a significant component of the dissertation, but it need not be the exclusive or primary focus. Deadline: Please check website for updates

American Center of Oriental Research (ACOR) in Amman, Jordan - Pre-doctoral and Postdoctoral Fellowships

Fellowships promote an increased knowledge of ancient and Middle Eastern studies with Jordan as a focus. Fellowships offer support for 2-6 months. Deadline: Anticipated February 1

American College of Sports Medicine (ACSM) - Graduate Research Awards

Awards support graduate student research in sports medicine and exercise science. Deadline: Anticipated January 21

American Concrete Institute (ACI) - Graduate Scholarships and Fellowships

Fellowships and scholarships (see website for **full list**) support graduate student members whose studies relate to concrete. Deadline: November 2

American Council of Learned Societies (ACLS)/Robert H. N. Ho Family Foundation - Dissertation Fellowship in Buddhist Studies

Fellowships support research that will offer a contribution to Buddhist studies. The fellowship period may be used for fieldwork, archival research, analysis of findings, or for writing after research is complete. There are no restrictions as to the location of research. The fellowship offers support for 10 consecutive months. Deadline: November 15

American Council of Learned Societies/Andrew W. Mellon Foundation (ACLS/Mellon) - Fellowship for Dissertation Completion

Fellowships support advanced graduate students in the humanities and related social sciences in the last year of Ph.D. dissertation writing. Applicants must be prepared to complete their dissertations during the fellowship year. The fellowship may be carried out in residence at the fellow's home institution, abroad, or at another appropriate site for the research. The fellowship offers one year of support. Deadline: October 27

American Council of the Blind (ACB) - Scholarships for Blind and Visually Impaired Students

The ACB Scholarships provide support for blind and visually impaired students, who may apply the award toward tuition, computer equipment, or to lessen the need to work during a year of study. The scholarships are provided solely on the basis of merit/academic achievement, and provide support for one year. Deadline: Anticipated February 14

American Foundation for the Blind (AFB) - Scholarships for Blind Students

AFB offers numerous scholarships for students who are blind or visually impaired. Applicants must provide proof of legal blindness. Deadline: Anticipated February 15

American Geographical Society (AGS) - Council Graduate Fellowship

The fellowship supports graduate student scholarship in pursuit of geographical knowledge in any sub-field of geography. AGS encourages, but does not require, a fieldwork component. The fellowship offers support for one year. Deadline: Anticipated November 1

American Educational Research Association (AERA)/NSF- Dissertation Grant

AERA supports doctoral students writing dissertations focusing on U.S. education issues using quantitative data from the large-scale, national and international data sets supported by the National Center for Education Statistics (NCES), National Science Foundation (NSF), and other federal agencies, and have U.S. education policy relevance. Applications are encouraged from a variety of disciplines such as, but not limited to, education, sociology, economics, psychology, demography, statistics, and psychometrics. Deadline: October 5

American Council of Learned Societies/Henry Luce Foundation (ACLS/Luce) - Predissertation Summer Travel Grants in China Studies

Grants provide funding for doctoral candidates to conduct preliminary research in China prior to beginning basic research for the dissertation. They are intended to allow recipients to investigate the research currently underway in Chinese archives and field sites, to establish contact with Chinese scholars, and to secure necessary permissions for their own fieldwork or archival research. Applications in all disciplines of the humanities and related social sciences are welcome. The tenure of the grant is 3-4 months. Deadline: November 1

American Geophysical Union (AGU) - Horton Doctoral Research Grant in Hydrological Sciences

AGU grants support doctoral students in the hydrological sciences and related policy-oriented social sciences. This is a one-year award. Deadline: Anticipated April 15

American Handel Society - J. Merrill Knapp Research Fellowship

Fellowships support scholarly projects related to Handel and his world. Requests for funding may include, but are not limited to, purchase of microfilms, travel for research, and production expenses for publication. Deadline: Anticipated March 1

American Heart Association (AHA) - Predoctoral Fellowship

Fellowships support research on cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts. Proposals are encouraged from all disciplines as well as epidemiological, behavioral, community, and clinical investigations that bear on cardiovascular and stroke problems. Multidisciplinary proposals are welcome. The fellowship offers support for up to two years. Deadline: September 14

American Heraldry Society - William Barton Graduate Scholarship

Barton Scholarships support master's and doctoral students conducting research on heraldry (coats of arms, seals, badges and related symbols) within the United States and its territories and possessions. Eligible disciplines include, but are not limited to, history, literature, law, anthropology, sociology, political science/government, archaeology, art history, architecture and design, and communication studies. The scholarship is for one year. Deadline: Anticipated July 31

American Historical Association (AHA) - Research Grants

AHA awards several research grants with the aim of advancing the study of history in a diverse number of subject areas. Grants may be used for travel to a library or archive, microfilming, photography, photocopying, borrowing or access fees, or other needs associated with the project. Deadline: Anticipated February 15

American Historical Association (AHA) and the NASA Doctoral & Postdoctoral Fellowships in Aerospace History

AHA/NASA Fellowships support research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management. The fellowship term is 6-9 months. Deadline: Anticipated April 1

American Institute for Contemporary German Studies (AICGS)/DAAD (German Academic Exchange Service) - Research Fellowship

This residential fellowship program brings scholars working on Germany, Europe, and/or transatlantic relations to AICGS in Washington, D.C. for a two-month research stay. Deadlines: October 1

American Institute for Sri Lankan Studies (AISLS) - Dissertation Planning Grant

Grants support doctoral students intending to do dissertation research in Sri Lanka, in order to make a pre-dissertation visit to Sri Lanka, to investigate the feasibility of their topic, to sharpen their research design, or to make other practical arrangements for future research. Grants offer support for 6-8 weeks. Deadline: December 1

American Institute of Indian Studies (AIIS) - Dissertation Fellowships

Fellowships support dissertation research in India conducted in pursuit of knowledge about India, its people and culture. Fellowships offer up to 11 months of support. Deadline: Anticipated November 15

American Institute of Pakistan Studies (AIPS) - Conference Travel Grant

Funding supports conference travel for the presentation of papers or organization of panels that include topics relevant to Pakistan Studies at scholarly conferences. Invited lectures are not eligible for this award. Deadline: Continuous

American Institute of Pakistan Studies (AIPS) - Short-term Research Grants to Pakistan

Grants support research in Pakistan by students enrolled at and scholars affiliated with U.S. universities. Deadline: Anticipated February 15

American Institute of the History of Pharmacy - Thesis Support Grant

Grants support doctoral research on some aspect of pharmacy, whether ancient or modern, to pay research expenses not normally met by the university granting the degree (see website for project expenses that are eligible). The grant offers support for one year. Deadline: Anticipated March 1

American Mathematical Society (AMS)/American Association for the Advancement of Science (AAAS) - Mass Media Summer Fellowship Program

AMS and AAAS jointly sponsor a ten-week summer fellowship through the **Mass Media Science & Engineering Fellowship program**. The program is designed to improve public understanding of science and technology by placing advanced science, mathematics and engineering students in newsrooms nationwide. Fellows work with media professionals to improve their communication skills and increase their understanding of the editorial process by which events and ideas become news. Deadline: Anticipated January 1

American Museum of Natural History (AMNH) - Chapman Small Grant Program

The Chapman Small Grants Program awards grants to graduate students for short-term studies in avian evolutionary biology. Topics can include: 1) systematics, evolution and morphology, 2) comparative evolutionary physiology, endocrinology and behavior, or 3) evolutionary ecology or population biology. The research can be conducted in any location.

Deadline: November 30

American Museum of Natural History (AMNH) - Small Grants

The AMNH Grants Program offers modest short term awards to advanced students, postdoctoral trainees, and scientific researchers who are commencing their careers in the fields covered by AMNH.

Deadlines: Anticipated November 15

American Musicological Society (AMS) - Alvin Johnson Dissertation Fellowship

These fellowships support doctoral students in musicology who are in the dissertation writing phase of their program. It is expected that fellowship recipients will work full-time to complete their dissertations within the fellowship year. Deadline: January 8

American Musicological Society (AMS) - Howard Mayer Brown Ph.D. Fellowship

Fellowships support minority scholars and teachers in musicology who are a members of a group historically underrepresented in the discipline, including African Americans, Native Americans, Hispanic Americans and Asian Americans and, in Canada, aboriginal peoples and visible minorities (as defined by Canadian legislation). The fellowship offers support for one year. Deadline: January 8

American Nuclear Society (ANS) - Graduate Scholarship

ANS offers scholarships to graduate students in a program leading to an advanced degree in nuclear science, nuclear engineering, or a nuclear-related field. The scholarship is for one year. Deadline: Anticipated April 1

American Numismatic Society - Eric P. Newman Summer Graduate Seminar in Numismatics Grant

Grants offer graduate students the opportunity to work hands-on with one of the world's preeminent numismatic collections. The eight-week course taught by the museum staff, guest lecturers and a visiting scholar introduces students to the methods, theories and history of the discipline. The seminar is meant primarily for those with limited or no numismatic background in order to familiarize students of (art) history, textual studies, and archaeology with a body of evidence that is often overlooked and poorly understood. The seminar takes place over eight weeks in the summer.

Deadline: Anticipated February 21

American Ornithological Society - Research Grants

AOU supports research in various areas of avian biology for students and postdoctoral researchers who are members of the American Ornithological Society.

Deadline: Anticipated February 5

American Philosophical Society (APS) - Lewis & Clark Fund for Doctoral Student Field Research

This grant supports exploratory field studies for the collection of specimens and data for direct observation. Applications are invited from disciplines with a large dependence on field studies, such as archeology, anthropology, biology, ecology, geography, geology, linguistics, paleontology, and population genetics, but grants will not be restricted to these fields. Deadline: November 15

American Philosophical Society (APS) - Library Resident Research Fellowships

The APS Library offers short-term residential fellowships for conducting research in its **collections**. The Library is a leading international center for research in the history of American science and technology and its European roots, as well as early American history and culture. The fellowships offer support for 1-2 consecutive months.

Deadline: Anticipated March 6

American Philosophical Society (APS) - Phillips Fund for Research in Native American Studies

The fund supports research in Native American linguistics, ethnohistory, and the history of studies of Native Americans in the continental United States and Canada. Grants are not made for projects in archaeology, ethnography, psycholinguistics, or for the preparation of pedagogical materials. The grants are intended for such costs as travel, tapes, films, and consultants' fees but not for the purchase of books or permanent equipment. The grant offers support for one year.

Deadline: Anticipated March 1

American Philosophical Society (APS)/NASA Astrobiology Institute - Lewis & Clark Fund for Exploration & Field Research in Astrobiology

This grant supports field studies in any area of interest to astrobiology. Astrobiology is the study of the origin, evolution, distribution, and future of life on Earth and in the universe. It encompasses research in, among others, the fields of astronomy, chemistry, evolutionary biology, field and population biology, geology, microbiology, molecular biology, oceanography, paleontology, and planetary science. Astrobiology includes investigations of the geologic and fossil record to understand the conditions of the early Earth when life arose. Deadline: TBD, check website

American Psychological Association (APA) Doctoral Student Research Grants

Small grants support doctoral student research in psychology in any research specialty area. Two grants are available. Deadline: Vary

American Psychological Association (APA) Elizabeth Munsterberg Koppitz Child Psychology Graduate Fellowship

The APA's Koppitz fellowship supports graduate research in child psychology including child-clinical, pediatric, school, educational, and developmental psychopathology. The fellowship provides one year of support. Deadline: November 15

American Psychological Association (APA) Esther Katz Rosen Fellowships

Fellowships support research on the advancement and application of knowledge related to identified gifted and talented children and adolescents. Deadline: Anticipated March 1

American Psychological Association (APA) Graduate Scholarships, Fellowships, & Grants

The APA Foundation supports graduate research in psychology through the American Psychological Foundation (**APF**). Deadline: Varies

American Psychological Association (APA) Wayne F. Placek Research Grant

Grants support empirical research to increase the general public's understanding of homosexuality and sexual orientation, and to alleviate the stress that lesbian women, gay men, bisexual women, bisexual men and transgender individuals experience in this and future civilizations. The grant offers support for one year. Deadline: Anticipated March 1

American Research Center in Sofia (ARCS) - Fellowship for Research in Bulgaria

Fellowships support research on the Bulgarian and Balkan history and culture from prehistory to the present. In addition to independent research, fellows will participate in the academic program of ARCS. Fellowships are for three or nine months.

Deadline: Anticipated March 19

American Research Center in Egypt (ARCE) - Doctoral and Postdoctoral Fellowships

Fellowships support doctoral and postdoctoral research on the history and culture of Egypt in a broad range of field, including anthropology, archaeology, architecture, art and art history, Coptic Studies, economics, Egyptology, history, humanistic social sciences, Islamic Studies, literature, political science, and religious studies. All scholars conducting research with ARCE's administrative or financial support require security clearance from the Egyptian government (see website for restrictions). Deadline: Anticipated January

American Research Institute in Turkey (ARIT) - Fellowship for Research in Turkey

The University of Pennsylvania's ARIT offers fellowships to advanced graduate students engaged in research on ancient, medieval or modern times in Turkey, in any field of the humanities and social sciences. Grants for tenures up to one year will be considered; however, some preference is given to projects of shorter duration. RIT offers research and study facilities as well as connections with colleagues, institutions, and authorities through its branch centers in **Istanbul** and **Ankara**. Deadline: November 1

American School of Classical Study at Athens (ASCSA) - Graduate & Postdoctoral Fellowships

ASCSA offers fellowships for graduate students and postdoctoral scholars from affiliated North American colleges and universities (including the University of Illinois) for research and study in Greece. Research topics include all aspects of Greek culture, from antiquity to the present day. ASCSA also hosts scholars funded through the U.S. Department of State Fulbright programs, the Council of American Overseas Research Centers (CAORC), and the National Endowment for the Humanities (NEH). Deadlines Anticipated January

American Society for Legal History - Cromwell Fellowship

Fellowships support dissertation research in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs. The fellowship offers support for one year. Deadline: Anticipated July 15

American Society for Nondestructive Testing (ASNT) - Graduate Research Fellowship

Fellowships support graduate research and study in the field of nondestructive testing, which is defined as the process of inspecting, testing, or evaluating materials, components or assemblies for discontinuities, or differences in characteristics without destroying the serviceability of the part or system. In other words, when the inspection or test is completed the part can still be used. The fellowship offers support for one year. Deadline: Anticipated October 15

American Society for Nutrition (ASN) - Predoctoral Fellowship

The fellowship supports doctoral students in nutrition science. Deadline: Anticipated January 22

American Society for Theatre Research (ASTR) - Helen Krich Chinok Dissertation Travel Fellowship

Fellowships assist Ph.D. candidates with the expenses of travel to national or international collections to conduct research projects connected with their dissertations. Ph.D. candidates must have passed their qualifying exams within the last two years (or will have passed their qualifying exams by June of the current year) and have begun working on their dissertations. The project must be part of the dissertation research. Deadline: Anticipated July

American Society of Agronomy (ASA) - Nelson Yield-Limiting Factors Graduate Scholarship

Scholarships support graduate students whose goals are to research and develop improved diagnostic techniques and solutions to yield-limiting factors in agronomy. The scholarship offers support for one year. Deadlines: Anticipated March 17

American Society of Civil Engineers (ASCE) - Graduate Fellowships

Fellowships support graduate members of ASCE enrolled at accredited institutions. Fellowships offer support for one year. Deadlines: Anticipated November 1

American Society of Heating, Refrigeration & Air-Conditioning Engineers (ASHRAE) - Grants-in-Aid

Grants support graduate student research of relevance to ASHRAE, i.e., research on building systems, energy efficiency, indoor air quality, refrigeration, and sustainability within the industry. The grant offers support for one year. Deadline: Anticipated March 1

American Society of Mammalogists (ASM) - Grants & Fellowships

Grants and fellowships support graduate student members of the ASM engaged in research in any area of mammalogy to assist them in the early development of their careers. Deadlines: See website for dates

American Speech-Language-Hearing Foundation (ASHF) - Grants & Scholarships

ASHF supports graduate students pursuing careers in communication sciences and disorders, speech-language pathology, audiology or hearing science, and related areas, that will improve the lives of people with speech, language, or hearing disorders. Deadline: Please check website

American Speech-Language-Hearing Foundation (ASHF) - New Century Scholars Doctoral Scholarship

ASHF scholarships support doctoral students in communication sciences and disorders who intend to pursue a teacher-investigator career in the academic environment, university/college level. Funding is for tuition, books, school-related expenses, and living expenses, but not for personal or professional travel. The scholarship offers support for one year.

Deadline: Please check back website for dates

American Veterinary Medical Foundation (AVMF) - Veterinary Student Scholarships

Scholarships support veterinary students. The scholarships are for one year.

Deadline: Anticipated May

American Water Works Association (AWWA) - Scholarships

AWWA offers a variety of scholarships and fellowships and students enrolled at colleges or universities in the U.S., Canada, Guam, Mexico, or Puerto Rico, unless noted otherwise, who are pursuing studies that will improve drinking water quality. Most scholarships offer support for one year. The Abel Wolman Fellowship offers support for up to two years.

Deadlines: Vary depending on award

American-Scandinavian Foundation (ASF) - Award for Scandinavians

ASF offers funding to Scandinavians to undertake study or research programs in the United States for up to one year. Candidates for awards are recommended to the ASF by our cooperating organizations. To apply, submit applications to the appropriate cooperative organization (see below). Awards are made in all fields.

Deadline: Anticipated April 1

American-Scandinavian Foundation (ASF) - Fellowships & Grants to Study in Scandinavia

Fellowships and grants are for individuals to pursue research, study, or creative arts projects in one or more Scandinavian country for up to one year. Fellowships support a one-year stay.

Priority is given to candidates at the graduate level for dissertation-related study or research. Grants support post-graduate scholars, professionals, and candidates in the arts to carry out research or study visits of 1-3 months. However, ASF does not support art residency programs.

Deadline: November 1

Animal Behavior Society (ABS) - Small Graduate Research Grant

ABS supports research in the animal behavioral sciences through several small grants.

Deadline: Please visit website

Annie's Homegrown - Sustainable Agriculture Scholarship

These scholarships support undergraduate and graduate students pursuing studies in sustainable and organic agriculture who are committed to sustainable farming practices.

The scholarship is for one year.

Deadline: Please visit website for updates

Antipode Foundation - Scholar-Activist Project Grant

Grants support social scientific research, education and scholarship in the field of radical geography. The grant is for one year.

Deadline: Anticipated April 30

Archaeological Institute of America (AIA) - Dissertation Fellowships & Scholarships

Fellowships support graduate study and research by members of the AIA

Deadlines: Varies

Archaeological Institute of America (AIA) - Elizabeth Bartman Museum Graduate or Post-Master's Internship

The fund assists graduate students or those who have recently completed a master's degree in archaeology or a related field (e.g., anthropology, art history, classics, history, etc.) meet expenses associated with undertaking a museum internship (minimum duration a summer or semester). Specific projects will vary and might include the following: collection cataloguing, provenance or archival research, exhibition preparation, the writing of labels and/or didactic panels, assisting with websites and presentations in other media, such as audio guides and exhibition videos, and participating more broadly in museum activities, working with conservators, art handlers, designers, and other museum professionals. The duration of the internship must be one summer (minimum eight weeks) or one semester.

Deadline: Varies

Archaeological Institute of America (AIA) - Waldbaum Archaeological Field School Scholarship

The scholarship supports students who are planning to participate in archaeological field work for the first time. Students majoring in archaeology or related disciplines are especially encouraged to apply. The minimum stay is one month/four weeks.

Deadline: Varies

Argonne National Laboratory (ANL) - Graduate Student Programs

Argonne National Laboratory offers opportunities for qualified graduate students who are engaged in work related to Argonne programs. Argonne is a science and engineering national research laboratory operated by the University of Chicago for the US Department of Energy. Argonne maintains a broad portfolio in basic science research, energy storage and renewable energy, environmental sustainability, supercomputing, and national security. Deadline: Please visit website for more details

Armenian Relief Society (ARS) of Eastern USA - Lazarian Graduate Scholarship

The ARS provides graduate scholarships to students of Armenian descent. ARS evaluates applicants' merit, financial need and Armenian community involvement. Scholarships are for one year. An individual who receives an award may apply for a scholarship during the following year. Applicants may receive a total of two awards.

Deadline: Anticipated April 1

Armenian Students' Association (ASA) - Scholarship

ASA offers scholarships for students of Armenian descent at accredited colleges and universities. The scholarship is for one year and students may reapply each year.

Deadline: Anticipated March 1

Asian Cultural Council Grant

The Council supports transformative cultural exchange by awarding grants to artists, scholars, and arts and humanities professionals, as well as organizations and educational institutions from the United States and Asia for research, study, and creative work in the United States and Asia and within the countries of Asia. Grants for artists are process-oriented, not product-oriented, and are intended for exploration, not exhibition. Grants for individuals offer support for 1-12 months.

Deadline: Please visit website

Aspen Music Festival & School (AMFS) - Scholarship & Fellowship

The Aspen Music Festival and School offers two forms of financial assistance to its students: scholarships and fellowships. Scholarships range from partial to full tuition, and fellowships cover full tuition as well as room and board in School housing. More than 65% of the AMFS student body receive some amount of financial assistance aid and more than 37% receive fellowships. Scholarships are awarded based on a combination of talent and financial need, and range from partial to full tuition. All students who apply for financial assistance will be considered for scholarship. Fellowships are merit-based and are awarded based either on a live audition or a recorded application and cover full tuition, and room and board in School housing. Deadline: Please check website

Association for Institutional Research (AIR)/AccessLex Institute - Dissertation Fellowship

Fellowships support scholarship on issues related to access, affordability and value of legal education specifically, and graduate and professional education more broadly. Researchers may analyze pre-existing data or include the construction of a new dataset in their proposal. Preference is given to proposals that utilize regional, national, or multi-institutional datasets, although research that focuses on a single institution is acceptable. Preference is given to proposals that specifically address legal education; however, proposals that study access, affordability and value of graduate and professional education more generally are also encouraged. See AccessLex Institute website for more information about **research priorities**. The fellowship offers support for one year.

Deadline: Check website for deadline

Association for Jewish Studies (AJS) - Dissertation Completion Fellowship

Fellowships support the timely completion of doctorates by graduate students in the field of Jewish Studies. The fellowship is for one year. Deadline: November 15

Association of Field Ornithologists (AFO) - Bergstrom Memorial Research Award

Awards support field studies of birds by helping to support a specific research or analysis project. In judging among proposals of equal quality, special consideration will be given to those that: 1) focus on avian life history, 2) use data collected all or in part by non-professionals and/or 3) employ banding or other marking techniques. Awards are aimed at people beginning their research or those with limited or no access to major funding.

Deadline: Anticipated January 15

Association of Field Ornithologists (AFO) - Skutch Research Awards

Grants support minimally invasive research into the life histories, especially social relations and reproduction, of little known birds of the continental Neotropics, including Trinidad and Tobago. The grant offers support for one year. Deadline: Anticipated July 15

Association of Illinois Township Committees on Youth (AITCOY) - Master's Student Scholarship

Scholarships support master's students pursuing studies with a focus on youth. The scholarship offers support for one year. Deadline: Anticipated September 17

Association of Moving Image Archivists (AMIA) - Scholarships

The Association of Moving Image Archivists offers financial assistance to graduate and professional students wishing to pursue careers in moving image archiving.

Deadline: Anticipated May 18

AT&T Research Labs - Summer Graduate Internship

Ten-week internships allow graduate students to work with AT&T researchers on exciting, real-world research projects, primarily at the Bedminster, New Jersey, R&D center. Interns have access to relevant data, expertise and mentoring by AT&T researchers. Areas of interest include: Big Data Research; Cloud Technologies and Services Research; Intelligent Services and Platform Research; Networking and Service Quality Management Research; Optimization, Reliability and Customer Analytics (ORCA)

Deadline: Continuous

Atlantic Salmon Federation (ASF)/Federation du Saumon Atlantique olin Fellowship

Fellowships supports individuals seeking to improve their knowledge or skills in advanced fields while looking for solutions to current problems in Atlantic salmon biology, management and conservation. The fellowship offers support for one year.

Deadline: Anticipated March 15

Audobon Research Ranch - Apacheria Fellowship

ARR supports research that will help preserve and protect the remaining grassland ecosystems in the American southwest. Apacheria fellowships support research that will demonstrate methods to safeguard and restore southwestern grasslands, and to assist policy makers and other citizens in the care and protection of the native ecosystems, natural resources, and quality of life.

Deadline: Anticipated March 15

Autism Science Foundation (ASF) - Predoctoral, Postdoctoral, and Medical Student Research Fellowship

Fellowships are for doctoral students, medical students, and postdoctoral fellows pursuing basic and clinical research relevant to autism spectrum disorders. The proposed training should be scientifically linked to autism but may be broadened to include training in a closely related area of scientific research. Special consideration will be given to projects focusing on gender issues in autism. ASF also invites studies focused on unaffected siblings and recurrence risk in the offspring of unaffected siblings. The fellowship is for one year. Deadline: December 7

Beta Phi Mu - Eugene Garfield Dissertation Writing Fellowship in Library & Information Science and Related Fields

Fellowship for dissertation writing in library and information science, information studies, informatics, or a related field. Deadline: Anticipated March 15

Baxter International - Young Investigator Graduate Award

Awards support graduate students conducting research which clearly and concisely demonstrates direct relevance to the practical application and understanding of the following therapeutic areas. Projects should contribute to one of the following areas of Baxter's portfolio: **peritoneal, acute & in-center dialysis; IV solutions & premixed drugs; infusion pumps & administration sets; parenteral nutrition; surgical products & anesthetics**; as well as **pharmacy automation, software & services**.

Deadline: Anticipated June 30

Better Scientific Software - Fellowship Program

The Better Scientific Software Fellowship Program supports activities that improve developer productivity and software sustainability of scientific codes. Activities can include organizing a workshop, preparing a tutorial, or creating content to engage the scientific software community. Funding can be used to support effort in developing and delivering content, including travel. The fellowship offers one year of support.

Deadline: Anticipated September 30

Bibliographical Society of America (BSA) - Fellowships

BSA offers several fellowships supporting research on the history of the book trades and publishing: Deadline: Please check website

BMI Foundation Scholarships for Young Composers, Performers, and Radio Broadcasting Degree Candidates

Scholarships support the creation, performance, and study of music.

Deadlines: Please check website

Woody Guthrie Center - Research Fellowship

Fellowships support scholarly research at the extensive **Woody Guthrie Archives Research Collection**, a paper-based research repository located in Tulsa, Oklahoma.

The fellowship will be awarded to a scholar pursuing research related to Guthrie's life, historical context, creative works, and musical legacy, as well as his philosophical, political, or humanistic ideals. The fellowship is for a minimum of two weeks.

Deadline: Please check website

Boehringer Ingelheim Fonds - Dissertation Fellowship for Biomedical Research

Fellowships support experimental projects in the field of basic biomedical research that are aimed at elucidating basic biological phenomena of human life and acquiring new scientific knowledge. For a survey on the range of topics, applicants may refer to the results of finished projects in the international journal **FUTURA**. BIF encourages applicants to apply for a fellowship when they are about to begin their PhD work; preliminary project results are not expected from applicants. The fellowship offers support for up to three years. Deadline: Please see website

Boston Athenaeum Research Library - Short-Term Research Fellowships

The Boston Athenaeum offers short-term fellowships (4 weeks/20 days) to support the use of Athenæum collections for research, publication, curriculum and program development, or other creative projects. The Library's collections comprise over half a million volumes, with particular strengths in Boston history, New England state and local history, biography, English and American literature, and the fine and decorative arts. The fellowships offer support for four weeks. Deadline: Anticipated April 15

Boston College - African & African Diaspora Studies Program (AADS) - Dissertation Fellowship

The AADS program offers residential dissertation fellowships to scholars working in any discipline in the social sciences or humanities, with projects focusing on any topic within African and/or African Diaspora Studies. The Program seeks applicants pursuing innovative, preferably interdisciplinary, projects in dialogue with critical issues and trends within the field. The fellow must remain in residence and maintain an active presence on Boston College's campus during the term of the fellowship. The fellowship offers support for one academic year. Deadline: Please see website

Boston College - Center for Retirement Research - Dissertation and Postdoctoral Fellowships

The Center for Retirement Research offers fellowships under two programs that are funded by the US Social Security Administration. Priority areas include: Social Security and disability insurance, macroeconomic analyses of Social Security, wealth and retirement income, program interactions, international research, and demographic research. Deadline: Anticipated January 31

Boston University/West African Research Association (WARA) - Short-Term Travel Fellowship

Fellowships support graduate research on the culture, arts, geography, history, and sociology of West Africa and the diaspora. The fellowships offer support for 2-3 months. Deadline: Please see website

Breakthrough Institute - Breakthrough Summer Doctoral Research Fellowship

Fellowships support research aligned with the Breakthrough's interest areas and that will contribute to or deepen an ecomodern understanding of society and the environment. Research will be completed remotely (residence at the Institute is not required). Fellows are invited, but not required, to attend the Breakthrough Dialogue. The fellowship offers support for two months. Deadline: Continuous

Briscoe Center for American History - Welder Smith Research Travel Grant

Grants support graduate student travel to Austin, TX to conduct research in the holdings of the Briscoe Center. The Briscoe Center holds book, manuscript, map, newspaper, photographic, sound and ephemera collections. Research collection strengths include: American South; Civil Rights and Social Justice; Congressional and Political; Energy and Natural Resources; Archives of American Mathematics; Military History; Music; News Media History; Photography; Texas History; Professional Touring Entertainment; University of Texas; and Western Americana. The grant offers support for one year. Deadline: Anticipated March 15

California State University - Chancellor's Doctoral Incentive Program (CDIP)

CDIP provides loans and mentorship to doctoral students who are interested in applying and competing for CSU instructional faculty positions after completion of the doctoral degree. After participants receive their doctoral degrees and obtain a qualifying instructional position in the CSU, a portion of their loan from this program will be forgiven every year. Deadline: Varies

Camargo Foundation - Residential Fellowships in France

The Camargo Foundation, located in Cassis, France, offers residential fellowships to researchers, scholars, choreographers, writers, playwrights, composers, and visual artists. The Foundation's campus includes twelve furnished apartments, a reference library, a music/conference room, an artist's studio with darkroom, a composer's studio and a studio for either an artist or a composer. Fellowships for fall are for two months; fellowships for winter/spring are for six, eight, or eleven weeks. Deadline: Please see website

Cambridge Michigan Language Assessments (CaMLA) - Spaan Research Grants

Grants support the cost of data collection and analyses for research projects related to second or foreign language assessment and evaluation. Deadline: Please check website for updates

Canadian Federation of university Women (CFUW) - Fellowships for Canadian Women

CFUW is committed to improving the status of women, promoting quality education and advancing the status of women, human rights, justice and peace. The Federation awards numerous fellowships to Canadian women for study in Canada, the US and elsewhere. Deadline: Please see website

Canadian Institute of Ukrainian Studies (CIUS) - University of Alberta - Graduate Fellowships

Fellowships support research in Ukrainian studies in Canada and internationally. The fellowships are for one year. Deadline: Please see website

Cartography and Geographic Information Society (CaGIS) - Graduate Scholarships

CaGIS scholarships support research in cartography and geographic information science. Deadline: Please see website

Carle Foundation Hospital/University of Illinois - Cancer Scholars for Translational and Applied Research (C*STAR) Graduate Fellowship

Fellowships are for graduate students pursuing a career in cancer-based translational research, focused on breast, prostate, gastrointestinal, gynecological, or lung cancers. Fellows work with a Carle Cancer Center physician and an Illinois faculty member on a clinically relevant project that addresses cancer prevention, detection, diagnosis, or treatment. Fellows and faculty participate in grand rounds, site-alternating monthly work update meetings, and joint seminars held every other week. The fellowship offers support for three years. Deadline: Please see website for updates

Cave Research Foundation (CRF) - Philip M. Smith Graduate Research Grant

Grants support graduate student research in cave and karst studies leading to either a master's or doctoral degree. Proposals may be in any field of the earth, natural or social sciences as long as the research addresses topics relate to caves or karst. Additional funding may be available for projects that show a creative merging of two or more scientific disciplines. The grant offers support for one year. Deadline: Anticipated March 1

Center for Craft Creativity & Design - Master's Student Scholarship

Grants support master's thesis research on critical issues in craft theory and history that explores the inter-relationship among craft, art, design and contemporary culture, and fosters new cross-disciplinary approaches to scholarship in the craft field. The grant offers support for seven months between 12/1/19 and 5/31/20. Deadline: Anticipated October 4

Center for Creative Photography - Ansel Adams Research Fellowship

Fellowships support research at the Center, located at the University of Arizona, Tuscon, that will add new knowledge about photography and the history of photography. The fellowship offers support for one year. Deadline: Anticipated January 15

Center for Engaged Scholarship (CES) - Dissertation Completion Fellowship

Fellowships are for doctoral students in the social sciences whose work will contribute to making U.S. society less unequal, more democratic, and more environmentally sustainable. The fellowship is for one year. Deadline: Please see website

Center for Jewish History (CJH) - Graduate Research Fellowship

Fellowships support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution. The fellowship offers support for ten months. Deadline: Please see website

Center for Khmer Studies (CKS) - Dissertation Research Fellowships

Fellowships support U.S., Cambodian, and/or French scholars (or EU citizens holding a French degree) in the social sciences and humanities conducting research in Cambodia and Southeast Asia. Fellowships offer up to 11 months of support. Deadline: See website

Center for LGBTQ Studies (CLAGS) - Research Fellowships

Fellowships support research in the field of LGBTQ studies. The fellowships are for one year. Deadlines: December 18

Charles Babbage Institute - Tomash Fellowship in the History of Information Technology

The fellowship supports dissertation research in the history of computing. The fellowship may be held at the recipient's home academic institution, the Charles Babbage Institute, or any other location with appropriate research facilities. The fellowship provides one year of support. Deadline: Please see website

Chi Epsilon (Civil Engineering Honor Society) - Graduate Fellowship

The fellowship supports a graduate student member of Chi Epsilon pursuing a career in civil engineering or a directly associated engineering option. The fellowship offers support for one year. Deadline: Please see website

Chiang Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for non-ROC Citizens

Fellowships support the writing of dissertations on Chinese Studies. The Chiang Ching-kuo Foundation is a nonprofit organization headquartered in Taipei, the capital of the Republic of China. The Foundation promotes international scholarly exchange and the understanding of Chinese culture and society overseas. Successful candidates are expected to complete their dissertations by the end of the grant period. The fellowship offers support for up to one year.

Deadline: Anticipated October 15

Chiang Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for ROC Students Abroad

Fellowships support dissertation write-up in research on Chinese Studies. The Chiang Ching-kuo Foundation is a nonprofit organization headquartered in Taipei, the capital of the Republic of China. The Foundation promotes international scholarly exchange and the understanding of Chinese culture and society overseas. Successful candidates are expected to complete their dissertations by the end of the one-year grant period.

Deadline: Anticipated October 15

Chicago Field Museum - Dissertation Research Fellowship

This fellowship supports a female graduate student engaged in dissertation research associated with the Museum. Fellows must be in residence in the Chicago area and are expected to spend a significant portion of their research time at the Museum. The Fellowships are for one year. Deadline: Anticipated February 3

Children's Literature Association - Hannah Beiter Graduate Student Research Grants

Grants for research in children's literature criticism related to the dissertation or master's thesis. The award may be used to purchase supplies and materials (e.g., books, videos, equipment), as research support (photocopying, etc.) or to underwrite travel to special collections or libraries. Funds may not be applied to tuition.

Deadline: Anticipated February 1

Chung-Hwa Institute of Buddhist Studies - Graduate Fellowship for Research on Pre-Modern Chinese Buddhism

Fellowships support master's and doctoral student research on pre-modern Chinese Buddhism across a range of disciplines. There is no requirement for residency at the Institute, located in Taipei, Taiwan. Fellowships are for one year.

Deadlines: Anticipated March 1

City of Chicago - Mayor's Office Summer Fellowship Program

Fellowship for graduate-level students of all academic backgrounds to participate in policy making through hands-on experiences working directly with the Mayor's Office staff in budgetary, legislative and programmatic areas of city government. Fellows gain a broad understanding of city-level policy making by directly contributing to the executive office of the City of Chicago. The program lasts for 11 weeks from mid-June to late-August. Deadline: November 9

Cold Spring Harbor Laboratory (CSHL) - Sydney Brenner Research Scholarship in the History of Molecular Biology, Genetics, and Biotechnology

Scholarships support scholars, historians and writers who study the history of cancer, women in science, molecular biology, genetics, neuroscience, plant biology, the intersection of biology and physics, and other topics relating to the molecular biology revolution. The scholarship is intended to fund travel and other expenses associated with working on the project, including use of the Cold Spring Harbor Laboratory Archives **collections** and sources at other locations. The scholarship is for one year.

Deadline: June 1

College of Physicians of Philadelphia - Wood Institute for the History of Medicine - Travel Grants

Travel grants support researchers who wish to use the College's collection of texts, manuscripts, archives, images, artifacts, and specimens in the history of medicine, including College **library holdings** and the **artifact & specimen collection** of the Mutter Museum. Grants are intended to help defray the costs of travel and lodging. Grants are for 1-2 weeks.

Deadline: Please see website

Conference on Jewish Material Claims Against Germany - Kagan Dissertation Fellowship for Advanced Shoah Studies

Kagan fellowships support PhD candidates pursuing advanced study of Jews who were systematically targeted for destruction or persecution by the Nazis and their allies between 1933 and 1945 (and immediate post-war). Supported research can include: the immediate historical context in which the Holocaust took place; political, economic, legal, religious or socio-cultural aspects; ethical and moral implications; or other related, relevant topics. Fellows present their work at a **summer workshop**. The tenure of these fellowships is for one year renewable for a second year.

Deadlines: Please see website

Conference on Latin American History (CLAH) - Doctoral Travel Grant for Exploratory Research

The James Scobie award funds a short, exploratory summer research trip abroad (normally four to twelve weeks) to determine the feasibility of a dissertation topic dealing with some facet of Latin American history. The funds are to be used only for international travel expenses.

Deadlines: Anticipated April 8

Conference on Latin American History (CLAH) - Fellowship for Research on Pre-1868 Cuban History

Fellowships support the study of Cuba between 1492 and 1868 including original research on Cuban history in Spanish, Mexican, and U. S. archives. The fellowship offers support for one year. Deadline: Anticipated June 1

Consortium for History of Science, Technology and Medicine - Dissertation Fellowship

Fellowships support scholars in the history of science, technology or medicine who would like to use collections at two or more Consortium member institutions. Fellows use offices in the Consortium's facility in Center City Philadelphia. Fellows are expected to spend the academic year at the Consortium facilities in Philadelphia, participate in our events and conduct research at two or more Consortium member institutions. The fellowship may be held sequentially with fellowships offered separately by other Consortium member institutions but may not be held concurrently. The fellowship offers support for one academic year.

Deadline: December 15

Consortium for History of Science, Technology and Medicine - Short-Term Travel Fellowship

Fellowships support scholars in the history of science, technology or medicine who would like to use collections at two or more **Consortium member institutions**.

Deadline: December 15

Coordinating Council for Women in History (CCWH) - Catherine Prelinger Dissertation & Postdoctoral Fellowship for Women

Fellowships support female scholars whose academic path has not followed the traditional path of uninterrupted study. Applicants should be engaged in scholarship that is historical in nature, although the degree may be in related fields, and describe a project that will further enhance women's roles in history. The fellowship is for one year.

Deadlines: Anticipated May 15

Coordinating Council for Women in History (CCWH) - Dissertation Fellowships

Fellowships support doctoral candidates at a crucial stage of research or in the final year of writing. The fellowships are for one year.

Deadlines: Anticipated May 15

Cornell University - Clarence S. Stein Institute for Urban & Landscape Studies - Research Fellowship

Institute Fellowships support research related to the ideas and works of Clarence S. Stein, particularly as expressed in his book, *Toward New Towns in America*. Research may be in the fields of architecture, landscape architecture, urban history, historic preservation, and city and regional planning; and both urban and suburban development. Recipients can make use of the archival collection of designers in Stein's era in the Kroch Archives at Cornell University. The fellowship offers support for one year (thesis research) or multiple years (dissertation research). Contact funder for further information.

Deadline: Please see website

Costume Society of America (CSA) - Stella Blum Student Research Travel Grant

Grants support student members of the CSA in conducting original research in the field of North American costume. The grant offers support for one year.

Deadline: Anticipated June 1

Council for Advancement & Support of Education (CASE) - Grants for Research on Educational Advancement

Grants support research in alumni relations, communications, development, marketing and allied areas. The scholarly research must be helpful to educational advancement practitioners in devising strategies and tactics for accomplishing their work. The awards are for one year.

Deadline: Please see website

Crew Network Foundation - Scholarship for Women in Commercial Real Estate

The Crew Network Foundation Scholarships are designed to encourage women to pursue an education which will lead to a career in the commercial real estate industry.

Deadlines: Anticipated April 15

Croucher Foundation - Doctoral Scholarship for Students from Hong Kong in Science, Technology, and Medicine

Scholarships support permanent residents of Hong Kong to pursue doctoral studies in natural sciences, technology, and medicine abroad. Recipients devote themselves to a period of full-time study or research in natural sciences, medicine or technology in approved academic institutions outside Hong Kong. Scholarships offer support up to and including the third year of their PhD program.

Deadlines: November 15

Crystal Bridges Museum of American Art - Tyson Scholars Program

Fellowships support full-time residential scholarship in the history of American art, visual and material culture from the colonial period to the present. Tyson Scholars have access to the art and library collections of Crystal Bridges in Bentonville, Arkansas, as well as the library at the University of Arkansas in nearby Fayetteville. Scholars will have the opportunity to interact with Crystal Bridges' curatorial and research staff, as well as the community, through lectures, symposia, and collaborations with the University of Arkansas. The fellowship offers support for six weeks to nine months.

Deadline: Please see website

D. Kim Foundation for the History of Science and Technology in East Asia - Graduate and Postdoctoral Fellowships & Travel Grant

Fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in East Asia from the beginning of the 20th century, regardless of their nationality, origins or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome. Fellows carry out their work at a host institution by their own arrangement. Fellowships are for 6-12 months.

Deadline: December 1

DAAD (German Academic Exchange Service) - German Studies Research Grant

DAAD offers German Studies Research Grants to highly qualified graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany. The program is designed to encourage research and promote the study of cultural, political, historical, economic and social aspects of modern and contemporary German affairs from an inter- and multidisciplinary perspective.

Deadlines: Anticipated: May 1, July 11, and November 1

DAAD (German Academic Exchange Service) - Research Grants

DAAD grants support doctoral candidates who wish to conduct research or obtain training in Germany. Grants are available for short-term projects (1-6 months) and long-term projects (7-10 months), and projects may be in any academic discipline. Students from the sciences, social sciences, engineering, humanities, and arts are welcome to apply. Projects must take place during the German academic year (October 1-July 31).

Deadlines: Please see website

DAAD (German Academic Exchange Service) - Scholarship for Intensive Language Courses

Scholarships enable graduate students to improve their knowledge of the German language (general language, special language) and cultural knowledge of the country. Course providers and course programmes can be found on the DAAD website **course list**. Courses are available from June through December. The duration of each course duration is eight weeks. Deadline: Please see website

DAAD (German Academic Exchange Service) - Scholarship for Summer Language Study at German Universities

Scholarships to attend a broad range of 3- to 4-week summer language courses at German universities which focus mainly on German language and literary, cultural, political and economic aspects of modern and contemporary Germany. Extensive extracurricular programs complement and reinforce the core material. To find out the most up-to-date information on course offerings at different universities, go to the **DAAD Summer Course Search Engine**. Make sure to choose courses marked with the circle icon; only these courses are eligible for funding. Deadline: December 1

DAAD (German Academic Exchange Service) - Study Scholarships for Music, Performing Arts, Design/Visual Communication, & Architecture

Scholarships allow graduate students and recent graduates in music, performing arts, fine art, film, design/visual communication, film, and architecture. The scholarship duration ranges from 10 to 24 months.

Deadline: November 4

Dan Davis Prize - Doctoral Scholarship

Scholarships support interdisciplinary research that cuts across traditional boundaries and paradigms. The Prize aims to foster universal values of excellence, creativity, justice, democracy and progress and to promote the scientific, technological and humanistic achievements that advance and improve the world. The scholarship offers support for one year. Deadline: Anticipated November 1

Dartmouth University - Program in African American Studies - Thurgood Marshall Dissertation Fellowship

The Thurgood Marshall Dissertation Fellowship supports completion of the doctorate by underrepresented minority scholars and other graduate scholars with a demonstrated commitment and ability to advance educational diversity. Fellows participate together in mentoring and professional development programming, including guidance in preparing for faculty careers. This residential fellowship offers two years of support. Fellows are expected to complete the dissertation before the second year and then transition to a postdoctoral appointment.

Deadline: Anticipated February 1

Davis-Putter Scholarship in Social Justice

Scholarships support students actively working for peace and justice. These need-based scholarships are awarded to those able to do academic work at the university level and who are part of the progressive movement on the campus and in the community. Recent grantees have been active in: the struggle against racism, sexism, homophobia and other forms of oppression; building the movement for economic justice; and creating peace through international anti-imperialist solidarity. Grants are for one year, however, recipients may re-apply for subsequent years.

Deadline: Anticipated April 1

Dedalus Foundation - Dissertation Fellowship in Modern Art

The fellowship supports dissertation research related to painting, sculpture and allied arts from 1940-1991, with a preference shown to Abstract Expressionism. The fellowship is for one year.

Deadline: December 2

Drexel University - College of Medicine - Gloeckner Summer Fellowship for Research on the History of Women in Medicine

Fellowships support research using the Drexel University College of Medicine Archives and Special Collections on Women in Medicine. In addition to materials related to the history of the Woman's Medical College/Medical College of Pennsylvania, the collections have particular strengths in the history of women in medicine, nursing, medical missionaries, the American Medical Women's Association, American Women's Hospital Service, and other women in medicine organizations. The majority of the collections fall within the period 1850 to the present. The fellowship offers support for 4-6 weeks.

Deadline: Please see website

Dumbarton Oaks Research Library and Collection - Doctoral and Postdoctoral Fellowships in Byzantine Studies, Pre-Columbian Studies, and Garden & Landscape Studies

Residential fellowships support researchers at all career stages in three areas of study:

Byzantine Studies (including related aspects of late Roman, early Christian, Western medieval, Slavic, and Near Eastern studies), **Pre-Columbian Studies** (of Mexico, Central America, and Andean South America), and **Garden and Landscape Studies**. Additional notes are available for **applicants for Garden and Landscape Studies** fellowships.

Fellows must be in residence at the Library in Washington, D.C.

Deadlines: Please see website

Dumbarton Oaks Research Library and Collection - Short-Term Doctoral Fellowship in Byzantine Studies, Pre-Columbian Studies, and Garden & Landscape Studies

Short-term residencies support doctoral students in the fields of **Byzantine Studies** (including related aspects of late Roman, early Christian, Western medieval, Slavic, and Near Eastern studies), **Pre-Columbian Studies** (of Mexico, Central America, and Andean South America), and **Garden and Landscape Studies**. Students who need access to the fieldwork and photo collections or to the Rare Book Room, or who wish to examine museum objects are particularly encouraged to apply. Residencies are for two to four weeks. Deadline: Please see website

Dwight D. Eisenhower Presidential Library and Museum - Travel Grant

Travel grants for scholars for use of primary sources housed at the library in such fields as history, government, economics, communications, and international affairs.

Deadline: Please see website

Early American Industries Association (EAIA) - Research Grants

The Association offers grants for research relating to its mission to preserve and present historic trades, crafts, and tools, and interprets their impact on our lives. The research grant may be used to supplement existing fellowships, scholarships, or other forms of aid. It may not be used to pay for salaries, historical artifacts, software or equipment in whole or in part. Deadline: March 15

Economic History Association (EHA) - Dissertation Fellowship

Fellowships support doctoral research on every phase of economic history, broadly defined. Three fellowships are available each year (students submit only one application to be eligible for all three). The fellowships offer support for one year.

Deadline: Anticipated March 1

Economic History Association (EHA) - Dissertation Grant

Grants support doctoral students at an early stage of writing a dissertation in economic history. They provide funding for specific research purposes, for example, visiting archives or purchase of microfilm or CD-ROMs. The grant offers support for one year.

Deadline: Anticipated March 1

Educational Testing Service (ETS)/TOEFL - Grants for Graduate Studies

The Educational Testing Service supports research in areas relevant to English language learning and foreign or second-language assessment.

Deadlines: Please see website

Edward F. Albee Foundation - Short-Term Residential Fellowships for Writers and Visual Artists

The Foundation maintains the William Flanagan Memorial Creative Persons Center (better known as “The Barn”) in Montauk, on Long Island in New York, as a residence for writers and visual artists of all media. Residencies are for 4-6 weeks between mid-May and mid-October.

Deadline: Please see website for updates

Egg Nutrition Center and American Egg Board (ENC-AEB) - Young Investigator Research Award for Early Exploration

The fellowship supports students and post-doctoral fellows in producing preliminary research results that will support future studies or enhance the scope of current research projects beyond funding limits. Examples of the types of projects include proof-of-concept studies, pre-clinical data, secondary data analysis from clinical trials, and development of research methodology. The fellowship is for one year.

Deadline: Anticipated February 1

Embassy of France - Chateaubriand Fellowships for Humanities & Social Science Research in France

The Embassy of France offers Chateaubriand Fellowships, which support PhD students from American universities who seek to engage in research in France in any discipline of the humanities or social sciences. Projects may last 4-8 months. There are three types of fellowships: Fall Fellowship: 4 months, starts October 1st. Spring Fellowship: 4 months, starts February 1st. Year-long Fellowship: 8 months, starts October 1st.

Deadline: Please see website for updates

Embassy of France - Chateaubriand Fellowships for Science, Technology, Engineering, Mathematics & Health Research in France

Fellowships support doctoral students enrolled at US universities wishing to conduct their research in a French laboratory as part of a co-supervised research project. The fellowship aims to initiate or reinforce research collaborations, partnerships, or joint projects. The fellowship offers support for 4-9 months.

Deadlines: Please see website for updates

EMDR Foundation - Sandra Wilson Memorial Doctoral Dissertation Grant for Mental Health Research

Grants support dissertation expenses related to research to study the effectiveness of Eye Movement Desensitization and Reprocessing (EMDR) in one of the following priority areas: advancing evidence based practice, addressing the global burden of trauma, and building clinical evidence. These priorities apply to research across the lifespan, so that a study might address, for example, adolescent addiction, or geriatric depression. The grant offers support for one year.

Deadlines: Anticipated February 1 and July 1

Environmental Research & Education Foundation (EREF) - Scholarships in Waste Management Research & Education

Scholarships support master's and doctoral students in waste management research and education. The scholarships offer support for one year, renewable up to two years (master's) or three years (doctoral).

Deadline: Please see website

Epilepsy Foundation/American Epilepsy Society - Predoctoral Fellowship

Fellowships support predoctoral students pursuing dissertation research with an epilepsy relevant theme, and who are working under the supervision of a mentor with expertise to supervise in the area of epilepsy investigation. The fellowship offers one year of support.

Deadline: January 14

Episcopal Church Foundation (ECF) - Graduate Fellowship

Fellowship support to emerging scholars in an area where the Episcopal Church needs to develop expertise. The fellowship offers support for one year, renewable for up to three years total.

Deadline: March 1

Eudora Welty Foundation - Summer Graduate Research Fellowship

The Foundation offers support for graduate students wishing to use the Welty Collection and other materials at the Mississippi Department of Archives and History in Jackson, Mississippi. Recipients are expected to spend at least two weeks in Jackson between May and September.

Deadlines: Please see website

European Society for Clinical Nutrition and Metabolism (ESPEN) - Doctoral and Postdoctoral Fellowship

Fellowships support doctoral and postdoctoral experimental and clinical research in the field of clinical nutrition and metabolism. The fellowship offers support for one year.

Deadlines: Please see website

European Union Studies Association (EUSA) - Haas Fund Fellowship

The Haas Fund Fellowship recognizes a graduate student for his or her dissertation research in the field of European Union Studies. The fellowship will be awarded at the EUSA Biennial International Conference.

Deadline: Anticipated November 20

Experiment.com - Crowdfunding for Scientific Research

Experiment is an online platform for discovering, funding, and sharing science. Backers fund directly to the scientists, so there is no middleman or overhead involved. It is an all-or-nothing funding platform. This means the project must reach the funding target, or no one's pledges are charged. All projects are rigorously reviewed, provided feedback, and scientifically approved by the Experiment team

Deadline: Please see website

Explorers Club - Exploration Fund - Grants for Exploration and Field Research

The Exploration Fund Grant is for graduate, post-graduate, doctorate and early career post-doctoral students. It provides grants in support of exploration and field research for those who are just beginning their research careers. Generally, The Explorers Club considers research proposals in a wide array of disciplines, including: Climate Change, Geoscience, Paleoclimate (i.e. Early Earth, Tectonics, Volcanism, Paleontology, Glaciology, Geophysics, Astronomy); Marine Science, Marine Biology, Marine Life, Fish, Coral, Ocean, Fresh Water, Rivers, Lakes, Estuaries; Anthropology/Archeology; Plants and Molds; Animals; Conservation Science.

Deadline: Anticipated December 4

Facebook - Emerging Scholar Program - Predoctoral Fellowship for Underrepresented Students

Fellowships support first or second year PhD students who are members of a minority group that is underrepresented in the technology sector. The fellowship offers support for two years.

Deadline: Please see website

Fahs-Beck Fund for Research and Experimentation - Dissertation Grants for Research in the Human Services

Grants support dissertation research that has the potential for adding significantly to knowledge about problems in the functioning or well being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems. The research must focus on the United States and/or Canada or on a comparison between the United States and/or Canada and one or more other countries.

Deadlines: Anticipated November 1

Fermi National Accelerator Laboratory - Universities Research Association, Inc. (URA) - Visiting Scholars Program

The program support visits by researchers from the **URA member institutions** to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the Lab. Support provided by the program may include the following: travel and local lodging expenses during a series of short visits OR salary support and round trip travel expenses for an extended visit. Awards are for up to one year.

Deadline: Anticipated February

Finlandia Foundation National (FNN) - Scholarships for Graduate Study

FNN awards scholarships to full-time undergraduate and graduate students of all academic disciplines who are currently enrolled in accredited post-secondary schools in the United States and Finland. A special scholarship is available to law students.

Deadline: Anticipated February 1

Forest History Society - Walter S. Rosenberry Graduate Fellowship

Fellowships offer one year of support to the doctoral research of a graduate student attending a university in North America whose research contributes to forest and conservation history.

Deadline: Anticipated March 15

Foundation for Community Association Research - Byron Hanke Graduate Fellowship

Fellowships support graduate students working on research projects related to the development, management and governance of common interest communities and their community associations. See website for supported areas and topics of study. The fellowship offers support for one year.

Deadline: Anticipated May 1

Foundation for Food and Agriculture Research (FFAR) - Fellows Program

The Foundation for Food and Agriculture Research Fellows Program combines cutting edge food and agriculture-related research with innovative professional development programs designed to help students be career-ready upon graduation. Proposals can cover any topic, as long as they address one or more of the seven **FFAR Challenge areas**.

Deadlines: Anticipated February 20

Foundation for the History of Women in Medicine - Countway Library Research Fellowships

Grants support all scholarly research related to the history of women to be conducted at the **Center for the History of Medicine** at the **Francis A. Countway Library of Medicine**. Fellowships support travel, lodging and incidental expenses for a flexible research period.

Deadline: Anticipated September 30

Foundation for Women's Wellness (FWW) - Doctoral and/or Medical Student Fellowship

Fellowships support basic, clinical or epidemiological lines of inquiry into leading women's health concerns. Priority areas are cardiovascular disease, leading female cancers, hormones' role in disease and stage-of-life health concerns, diseases or health concerns that disproportionately afflict women, and exploration of gender differences related to the aforementioned topics. The fellowship is for one year.

Deadline: Please see website for updates

Frank Huntington Beebe Fund for Musicians - Study Abroad Fellowship

The Fund provide fellowships for gifted young musicians, generally performers and composers in classical disciplines, who wish to pursue advanced music study and performance abroad, usually in Europe. The tenure of the fellowship is one year.

Deadline: Please see website for updates

Franklin D. Roosevelt Library and Museum - Small Research Grants

The Roosevelt Institute supports a program of small grants in support of research on the "Roosevelt Years" or clearly related subjects. Funds are awarded for the sole purpose of helping to defray living, travel, and related expenses incurred while conducting research at the Roosevelt Library. The grants program is particularly designed to encourage younger scholars to expand our knowledge and understanding of the Roosevelt period.

Deadline: Please see website for updates

Fred W. Smith National Library for the Study of George Washington - Mount Vernon Fellowship Program

Fellowships support research related to the broad themes and historical problems of Colonial America, the Revolutionary Era, and the Early Republic as well as the history of the arts, material culture, and society which help us better understand the greater legacy of George Washington and his home, Mount Vernon.

Deadline: Anticipated December 31

Freie Universitat Berlin - Berlin Program for Advanced German and European Studies - Dissertation & Postdoctoral Fellowships

The Berlin Program provides dissertation and postdoctoral residential fellowships for North American scholars specializing in modern and contemporary Germany and Europe. The program supports scholars in all social science and humanities disciplines, including historians working on the period since the mid-18th century. Fellowships must be held for a single continuous period. The fellowship offers support for 10-12 months.

Deadline: Please see website

Friends of the Princeton University Library - Research Grants

Short-term grants to promote scholarly use of **Library research collections**. Fellows must reside in Princeton during the tenure of the grant. The length of the grant will depend on the applicant's research proposal, but is ordinarily up to one month.

Deadline: Please see website for updates

Fund for Theological Education (FTE) - Fellowships for Doctoral Students of African Descent

The FTE offers financial support for doctoral students who have completed the course work stage of their PhD or ThD program in religion, theological studies or biblical studies.

Deadline: Please see website for updates

Fund for Theological Education (FTE) - Fellowships for Latino/as, Asians and First Nations Doctoral Students

The FTE offers financial support for doctoral students who have completed the course work stage of their Ph.D. or Th.D. program in religion, theological studies or biblical studies. Deadline: Please see website for updates

Garden Club of America (GCA) - Scholarships

Scholarships support graduate students and postdocs, often in partnership with other institutions, in the areas of horticulture and its related disciplines including: medicinal and tropical botany, native bird habitat, conservation and ecological restoration, desert studies, landscape architecture, urban forestry, garden history and design, coastal wetlands, and pollinator research. Deadline: Please see website

Garden Club of America (GCA) / Center for Coastal Resources Management - Graduate Scholarship in Coastal Wetlands Studies

Fellowships support study in ecological restoration, defined as the process of assisting the recovery and management of ecological integrity. Ecological integrity includes a critical range of variability in biodiversity, ecological processes and structures, regional and historical context, and sustainable cultural practices. The fellowship offers support for one year. Deadline: Anticipated January 15

Garden Club of America (GCA) / Cornell Ornithology Lab - Frances M. Peacock Scholarship for Study of Native Bird Habitats

The Francis M. Peacock Scholarship for Native Bird Habitat provides financial aid to study areas in the United States that provide winter and summer habitat for threatened or endangered native birds.

Deadline: Anticipated March 31

Garden Club of America (GCA) / Landscape Architecture Foundation (LAF) - Douglas Dockery Thomas Fellowship in Garden History & Design

The fellowship supports graduate research garden history and design, and examining the future of gardens and their unique place in our environment. Project study should have wide scope, such as investigating new techniques of garden restoration; studying how small gardens created by community groups have impacted public gardens; exploring and documenting physical, emotional and spiritual healing properties of the garden; and instigating the development of gardens that use ecological and regenerative concepts, to name but a few possibilities. The fellowship is for one year.

Deadline: Anticipated February 1

Garden Club of America (GCA) / Missouri Botanical Garden - Chatham Fellowship in Medicinal Botany

The Fellowship supports research related to medicinal plants and may be used for travel, field studies, or laboratory research. The fellowship is for one year.

Deadline: Anticipated January 31

Garden Club of America (GCA) / University of Wisconsin-Madison Arboretum - Fellowship in Ecological Restoration

Fellowships support study in ecological restoration, defined as the process of assisting the recovery and management of ecological integrity. Ecological integrity includes a critical range of variability in biodiversity, ecological processes and structures, regional and historical context, and sustainable cultural practices. The fellowship offers support for one year.

Deadline: December 31

Garden Club of America/Center for Plant Conservation - Beattie Fellowship for Conservation Horticulture

Fellowships support graduate research that will promote conservation of rare and endangered flora in the United States for work at a botanical garden by the student, who jointly serves the program of the Center for Plant Conservation (CPC) and his/her curricular studies. The CPC is a network of more than 40 **Participating Institutions** consisting of botanical gardens and arboreta around the country. The fellowship offers support for one year.

Deadline: Anticipated January 31

Geological Society of America (GSA) - Graduate Research Grant

GSA research grants provide partial support of master's and doctoral thesis research in the geological sciences for graduate students enrolled in universities in the United States, Canada, Mexico and Central America.

Deadline: Anticipated February 2

George Bush Presidential Library and Museum - Short-Term Research Grants

The Bush Library Foundation has instituted two research grant programs to assist scholars conducting research at the George Bush Presidential Library, located on the campus of Texas A&M University in College Station, Texas. Research must include, but not be limited to, holdings of the George Bush Presidential Library.

Deadline: Please see website for updates

George Mason University - Institute for Humane Studies (IHS) - PhD Scholarship

Scholarships support students dedicated to developing, teaching, and applying the principles of a free society, and whose work advances the principles of individual liberty and economic freedom. Deadline: Varies

Georgia O’Keeffe Museum Research Center - Dissertation Fellowship in American Modernism

Fellowships support dissertation research in American Modernism. Fellows have access to the archive and library collections of the Georgia O’Keeffe Museum as well as collections from archival and library institutions across the Albuquerque and Santa Fe communities. Fellows are expected to be in residence during the period of the award and to take part in the life of the Research Center. The fellowship offers support for 1-2 months.

Deadline: Please see website for updates

Gerald R. Ford Presidential Library and Museum - Research Travel Award

This award supports travel and living expenses to conduct research at the Gerald R. Ford Library. Its holdings focus on Federal policies, US foreign relations and national politics in the 1960s and 1970s. The award only covers travel within North America.

Deadlines: Anticipated March 15 and September 15

Gerald R. Ford Presidential Library and Museum - Robert M. Teeter Dissertation Award

Fellowships support dissertation research and writing in any field related to any aspect of the United States political process and public policy during the last half of the 20th century. Of special interest is the role and analysis of public opinion in that process.

Applications are encouraged in a wide range of fields, including Political Science, History, Journalism, Communications, Public Policy, Foreign Relations and American Studies. The Award recipient will be required to conduct at least a portion of his or her research at the Gerald R. Ford Library, and, if appropriate, will be encouraged to make full use of the Robert M. Teeter Papers. The fellowship offers support for one year.

Deadline: Anticipated March 31

Gerber Foundation - Doctoral Student Research Grant

Grants support mentored research to improve the nutrition, care and development of infants and young children from the first year before birth to three years of age. Projects should address **focus areas** on issues faced by care providers that, when implemented, will improve the health, nutrition and/or developmental outcomes for infants and young children.

Deadlines: Anticipated February 15 and August 15

Gerda Henkel Foundation - PhD Scholarships

The Gerda Henkel Foundation offers two-year scholarships for PhD students in the historical humanities, in particular to support research projects in the following fields: Archaeology; Art History; Historical Islamic Studies; History; History of Law; History of Science; Prehistory and Early History

Deadline: Please see website

German Historical Institute (GHI) - Doctoral Fellowships

Fellowships support European and North American doctoral students pursuing research projects that draw upon primary sources located in the United States. The Institute is particularly interested in research projects that fit into the following fields: German and European history, the history of German-American relations, and the role of Germany and the USA in international relations. These fellowships are also available to European doctoral students and postdoctoral scholars in the field of American history.

Deadlines: Anticipated October 1

Getty Research Institute - Dissertation & Postdoctoral Fellowships

Fellowships support emerging scholars to complete work on projects related to the Getty Research Institute’s annual theme that make use of the Getty collections. The 2020-2021 Themes are “The Fragment (Getty Research Institute)” and “Phoenicians, Philistines, and Canaanites: The Levant and the Classical World (Getty Villa)”. Fellows pursue research projects, complete their dissertations, or expand dissertation for publication. The fellowships offer support for nine months.

Deadline: Anticipated October 1

Getty Research Institute - Library Research Grant

Grants provide partial, short-term support travel required to use specific collections housed in the Getty Research Institute. During this grant cycle, at least one grant will be targeted toward an innovative use of the library’s special collections for a digital art history project relevant to collecting or the art market. The Research Library focuses on the history of art, architecture, and archaeology with relevant materials in the humanities and social sciences. The Photo Archive’s two million photographs of works of art and architecture provide opportunities for original pictorial research in the fine arts, including the history of photography. The research period may range from several days to a maximum of three months.

Deadline: Please see website for updates

Gilder Lehrman Institute of American History - Short-Term Fellowship

Fellowships support research in the field of American history at archives in New York City. The fellowship offers support for one year.

Deadline: Anticipated September 24

Global Sustainable Electricity Partnership - Education for Sustainable Energy Development (ESED) Scholarship for Masters Students

The ESED scholarship supports outstanding students pursuing advanced studies in sustainable energy development in order to encourage meaningful contributions to the collective body of knowledge about this subject. The scholarship is granted for up to two years.

Deadline: Please see website

Google - Generation Google Scholarship for Minority Students in Computer Science

Scholarships support aspiring computer scientists to become future leaders in computing and technology. The scholarship offer support for one year.

Deadline: Please see website for updates

Google - Women Techmakers Scholars Program

Scholarships support women pursuing degrees in computing and technology who will become active role models and leaders in the field. The scholarship offers support for one year.

Deadline: Please see website for updates

Google US/Canada PhD Fellowship Program

The Google US/Canada PhD Fellowship Program recognizes outstanding graduate students doing exceptional work in computer science and related disciplines at universities in the United States and Canada. Students do not apply directly to Google but must instead be nominated by their university. Students of any nationality/citizenship are eligible.

Deadline: Please see website

Government Finance Officers Association (GFOA) - Scholarships

The GFOA awards scholarships to undergraduate and graduate students preparing for careers in state and local government. The following awards are offered:

Deadline: Please see website for updates

Graham Foundation - Carter Manny Dissertation Research and Writing Fellowships

Fellowships support dissertation research and writing by promising scholars in architecture, art history, the fine arts, humanities, and the social sciences whose projects have architecture as their primary focus. Projects may be drawn from the various fields of inquiry supported by the Graham Foundation: architectural history, theory, and criticism; design; engineering; landscape architecture; urban planning; urban studies; the visual arts; and other related fields. The fellowships offer support for one year.

Deadline: Anticipated November 15

Grass Foundation - Summer Fellowships in Neuroscience

Fellowships support investigator-designed, independent research projects by scientists early in their career. Supported approaches include neurophysiology, biophysics, integrative neurobiology, neuroethology, neuroanatomy, neuropharmacology, systems neuroscience, cellular and developmental neurobiology, and computational approaches to neural systems.

Deadline: Anticipated December 5

Guttmacher Institute - Cory L. Richards Master's Scholarship in Public Policy on Reproductive Health and Rights

The scholarship supports master's students in the disciplines of public health or public policy who are pursuing careers advancing public policy related to sexual and reproductive health and rights.

Deadline: Please see website for updates

Hagley Museum & Library - Henry Belin du Pont Dissertation Fellowships

Residential fellowships are for Ph.D. candidates for the use of Hagley's research collections. Hagley preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present.

Deadline: Please see website

Hagley Museum & Library - Short-Term Research Grants

Research grants enable scholars to pursue advanced research in the library, archival, pictorial, and artifact collections of the Hagley Museum and Library. The Museum & Library preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present.

Deadlines: Please see website

Harry Frank Guggenheim - Dissertation Writing Fellowship

The Guggenheim Foundation sponsors scholarly research on problems of violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects. Fellowships are designed to contribute to the support of the doctoral candidate to enable him or her to complete dissertation writing in a timely manner.

Deadline: Please see website

Harry S. Truman Presidential Library and Museum - Research Travel Grant

Grants support travel to the Harry S. Truman Library for use its collections. For the spring competition, one grant will be awarded to a researcher who wishes to visit multiple research facilities—including the Truman Library—for their topic. Preference will be given to projects that have application to enduring public policy and foreign policy issues.

Deadlines: Please see website

Harvard College Houghton Library - Katherine F. Pantzer Jr. Fellowship in Descriptive Bibliography

Fellowships support research in descriptive bibliography using the resources of Houghton Library, the principal rare book and manuscript library of Harvard College.

Deadline: Please see website

Harvard College Houghton Library - Short-term Research Fellowships

Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa.

Deadline: Please see website

Harvard University - Arnold Arboretum - Research Grants

The Arnold Arboretum of Harvard University promotes and supports research consistent with its mission to discover and disseminate knowledge of the plant kingdom. To foster both independent and collaborative work, the Arboretum offers fellowships and awards to students and postdoctoral researchers. Applicants are encouraged to define and develop paths of inquiry using the Arboretum's resources, including its world-renowned living collection, herbarium, plant records, library and archives, greenhouse and laboratories, and the expertise of its staff.

Deadline: Anticipated March 1

Harvard University Museum of Comparative Zoology (MCZ) - Mayer Travel Grant

Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa. Deadlines: Please see website

Harvard University - Harvard Academy for International and Area Studies - Academy Scholars Program - Dissertation & Postdoctoral Fellowships

Fellowships support doctoral and postdoctoral scholars whose work combines research in the social sciences (including history and law) with the study of the language, history, or culture of non-Western countries or regions (see website for eligible fields). Projects should explore domestic, comparative, or transnational issues, past or present. The fellowship offers support for two years.

Deadline: Anticipated October 1

Harvard University - John F. Kennedy School of Government - Belfer Center for Science and International Affairs - Predoctoral and Postdoctoral Fellowships

Predoctoral and postdoctoral residential fellowships are for research and writing in the fields of science and international affairs on topics within the scope of the Center's major research programs. The fellowships offer support for 10 months with the possibility for renewal.

Deadline: December 1

Harvard University - Society of Fellows Program

Fellowships support dissertation completion and postdoctoral research in any department of the University. Fellows undertake sustained projects of research or other original work, or may devote their time to the acquisition of accessory disciplines, so as to prepare themselves for the investigation of problems lying between conventional fields.

Deadline: Please check website for updates

Hebrew Union College - Jacob Rader Marcus Center of the American Jewish Archives - Dissertation Fellowships

Fellowships support dissertation research in some area relating to the history of North American Jewry, to support research and writing at The Jacob Rader Marcus Center of the American Jewish Archives, located on the Cincinnati campus of the Hebrew Union College-Jewish Institute of Religion.

Deadline: Please see website

HENAAC Scholars Program - Graduate Scholarship

The Program offers scholarships to undergraduate and graduate students of Hispanic origin who are in STEM-related fields. The scholarships are for one year.

Deadline: Please see website for updates

Herb Society of America (HSA) - Research Grant

Grants support research of the horticultural, scientific, and/or social use of herbs throughout history. Research must define herb as historically useful for flavoring, medicine, ornament, economic, industrial, or cosmetic purposes.

Deadline: Anticipated October 1

Herbert Hoover Presidential Library and Museum - Travel Grant

Grants support travel to the Herbert Hoover Presidential Library in West Branch, Iowa.

Deadline: March 1

Herzog August Bibliothek (HAB) - PhD Fellowships

The fellowship supports doctoral research in the areas of medieval and early modern cultural history centered on the historic book and manuscript holdings of the HAB in Wolfenbüttel, Germany. The fellowship is open to researchers from all historically oriented disciplines. Fellows are required to be in residence in Wolfenbüttel for the duration of their fellowship. The fellowship period is 2-10 months.

Deadlines: Anticipated 4/2020; Anticipated 10/2020

Hobart and William Smith Colleges - Fisher Center for the Study of Women and Men - MFA and Predoctoral

The fellowship supports MFAs and doctoral scholars whose work investigates movement's infrastructures, conditions, and capacities.

Deadline: Please see website

Horovitz Fund - Fellowship for African Artists & Scholars in the Humanities & Social Sciences

The Fund supports graduate study for African artists and scholars in the humanities and social sciences with an award to defray educational costs. The Fellowship is for one year.

Deadline: Please visit website for updates

Horowitz Foundation for Social Policy - Grant for Doctoral Students

Grants are intended to promote projects which have social policy application at the global or local level. The grants are for one year.

Deadline: Please visit website for details

Hosei University - Foreign Scholars Fellowship

Fellowships support non-degree research at Hosei University under the direction of and/or in cooperation with Hosei faculty and researchers. Research areas include those studies in the humanities, social sciences, natural sciences, or engineering as deemed acceptable by Hosei. Fellowships offer support for six months.

Deadline: Please visit website

Houston Museum of Fine Arts - Department of Photography - Joan and Stanford Alexander Dissertation Research Grant

Grants support doctoral candidates conducting research that concentrates on photography. The recipient of the grant may use the funds for travel, for research materials, or to set aside time to write.

Deadline: Anticipated January 15

Houtan Foundation - Graduate Scholarship in Iranian Studies

Scholarships support graduate research and study that will enhance understanding of the culture, heritage, language and civilization of Iran. The scholarship offers support for one year.

Deadline: Anticipated June 1

Hudson River Foundation - Mark B. Bain Graduate Fellowship

Fellowships support graduate students conducting research on the Hudson River system.

Deadline: Please visit website

Hudson River Foundation - Polgar Fellowship Program

Fellowships support research on the Hudson River in order to gather important information on all aspects of the river and to train students in conducting scientific studies and public policy research.

Deadline: Please visit website

Huntington Library/Western History Association - Martin Ridge Fellowship

This one-month fellowship supports research using materials housed at the **Huntington Library** in San Marino, CA, in the study of the North American West as both a frontier and a region. Recipients of the fellowship are expected to be in continuous residence at the Huntington for one month.

Deadline: Anticipated June 15

Huntington Library, Art Collections, & Botanical Gardens - Short-Term Dissertation & Postdoctoral Fellowships

Fellowships support use of the collections for research in British and American history, literature, art history, and the history of science and medicine. Scholars are expected to be in continuous residence at the Huntington in San Marino, California.

Deadline: November 15

Huntington Library, Art Collections, & Botanical Gardens - Travel Grants and Exchange Fellowships for Research in Great Britain

Fellowships support research in libraries or archives in Great Britain in any of the fields in which the Huntington collections are strong. Deadline: November 15

Huyck Preserve and Biological Research Station - Research Grants

Grants help fund research projects in a variety of disciplines that focus on natural systems of the Huyck Preserve in Rensselaerville, NY. They support work in basic and applied ecology, conservation biology, taxonomy, animal behavior, evolution, earth sciences, land use history, and other areas of natural science. The funds may be used for equipment, travel, room and board, station fees, publication costs, and stipend for assistant/student researchers. Deadline: Please visit website for updates

IBM - PhD Fellowships

NOTE: A student must be nominated by a faculty member, and a department may submit up to two nominations in addition to any renewal nominations.

Fellowships supports PhD students who have an interest in solving problems that are important to IBM. Deadline: Please visit website for updates

Illinois Water Resources Center (IWRC) - Small Grants

Grants support graduate research projects that address any aspect of Illinois water resources. Deadline: October 1

IMA Research Foundation - The Association of Accountants and Financial Professionals in Business - Doctoral Student Grant

The Doctoral Student Grant Program assists accounting doctoral students who are pursuing research that has the potential to contribute to the management accounting profession. Deadline: January 31

Inlaks Foundation - Scholarships for Indian Citizens

Scholarships are granted to Indians citizens pursuing graduate degrees at top American, European and UK institutions, for funding requirements including tuition fees.

Deadline: Please visit website for updates

IMA Research Foundation - The Association of Accountants and Financial Professionals in Business - Doctoral Summer Research Scholarship Program

The Program supports a doctoral student writing a summer research paper as a requirement in an accounting doctoral program. The scholarship is intended to enable the student to work on their summer research paper without the time commitment to teaching or other competing research priorities.

Deadline: Anticipated January 31

Indo-US Science and Technology Forum (IUSSTF) - Graduate Research Internship in Science and Engineering (RISE) in India

Internships provide opportunities for science, technology, engineering and medical students from the United States to undertake internships in national laboratories, federal research centers, academic research institutes and private R&D laboratories in India. The objectives are for students to gain exposure to India's science and technology milieu, gain practical skills and develop collaborative networks. The internships are for three months. Deadline: Please visit website

Institute of Electrical and Electronic Engineers (IEEE) - Computational Intelligence Society - Graduate Research Grant

Grants support research connected with identifiable component of the CIS (neural networks, fuzzy systems, or evolutionary computation). They intended to cover the expenses related to a visit to another university, institute or research agency for collaboration with an identified researcher in the field of interest of the applicant. In certain cases, the scholarship may also be used to cover expenses related to support the student at their home institution for intensive work on a particular project, if – due to extenuating circumstances – such work cannot be continued as scheduled during the regular academic semester.

Deadline: Anticipated March 15

Institute of Electrical and Electronic Engineers (IEEE) - Dielectrics and Electrical Insulation Society (DEIS) - Doctoral Fellowship

Fellowships support doctoral students pursuing studies in the areas of electrical insulation and dielectric phenomena of interest to the Society, and are open to suitable candidates from all over the world. Research topics may cover a broad scope and include insulating media, their electric and dielectric properties, breakdown, charge transport and electrostatics, high voltage effects, and related subjects. The fellowship is for one year.

Deadline: Please visit website for updates

Institute of Electrical and Electronic Engineers (IEEE) - Doctoral or Postdoctoral Fellowship in Electrical History

The Fellowship supports full-time graduate or postdoctoral work in the history of electrical science and technology at a college or university of recognized standing.

The Fellowship offers support for one year.

Deadline: Please visit website for updates

Institute of Electrical and Electronic Engineers (IEEE) - Electron Devices Society (EDS) - Doctoral Student Fellowship

Fellowships support PhD level study and research in all areas of interest to the EDS, including of engineering, physics, theory, experiment and simulation of electron and ion devices involving insulators, metals, organic materials, plasmas, semiconductors, quantum-effect materials, vacuum, and emerging materials.

Deadline: Please visit website for updates

Institute of Electrical and Electronic Engineers (IEEE) - Graduate Scholarship for Master's Students

This one-year scholarship supports IEEE student members pursuing master's degrees in electrical engineering.

Deadline: Please visit website for updates

Institute of Electrical and Electronic Engineers (IEEE) - Microwave Theory and Techniques Society (MTT-S) - Graduate Fellowships

Fellowships support graduate students in electrical engineering, applied physics, or related fields whose research will promote the advancement of microwave theory and its applications, including RF, microwave, millimeter-wave, and terahertz technologies. The fellowships are for one year, renewable for a second year.

Deadlines: Anticipated April 15 and October 15

Institute of Electrical and Electronic Engineers (IEEE) - Photonics Society - Thesis Completion Fellowship

Fellowships support student members pursuing graduate education in electro-optics, lasers, photonics, optics, or closely related fields. Fellowships will be awarded within each of the main geographical regions: Americas, Europe/Mid-East/Africa, and Asia/Pacific.

Deadline: Please visit website for updates

Institute of Food Technologists (IFT) - Divisional Graduate Scholarships

Scholarships are for master's and doctoral students pursuing a graduate degree in food science. Deadline: Please visit website for award information

Institute of Food Technologists (IFT) - Feeding Tomorrow Graduate Scholarships

Scholarships are for master's and doctoral students pursuing a graduate degree in food science. The scholarships offer support for one year.

Deadline: Please visit website for award information

Institute of Food Technologists (IFT) - General Mills Graduate Scholarship

The scholarship supports a graduate student in food science. Recipients also complete a 12-week summer internship at General Mills in Minneapolis, MN.

Deadline: Please visit website for award information

Institute of Historical Research (IHR), School of Advanced Study, University of London - Scouloudi Dissertation Completion Fellowships

Fellowships support doctoral students who are engaged in the completion of a doctorate in history (broadly defined). Fellows must be in residence and participate actively in the academic life of the Institute. The fellowships offer support for half a year or a full year.

Deadline: Please visit website for award information

Institute of Industrial Engineers (IIE) - Graduate Scholarships and Fellowships

Scholarships and fellowships support graduate industrial engineering students members of IIE. Deadline: November 15

International Association of Great Lakes Research (IAGLR) - Graduate Scholarships

IAGLR awards scholarships to graduate students studying the Laurentian Great Lakes, other large lakes of the world, and their watersheds, as well as those with an interest in such research. Deadline: December 1

International Centre for Diffraction Data - Ludo Frevel Crystallography Graduate Scholarship

Scholarships support the education and research program of promising graduate students with a major interest in crystallography, e.g. crystal structure analysis, crystal morphology, modulated structures, correlation of atomic structure with physical properties, systematic classification of crystal structures, phase identification and materials characterization.

Applicants' home departments including, but are not limited to, physics, chemistry, geology, molecular biology, metallurgy, and material science. The scholarship offers support for one year. Deadline: Anticipated October 14

International Center for Research on Women (ICRW) - Mariam K. Chamberlain Dissertation Fellowship

Fellowships support first-generation doctoral students working on a dissertation related to ICRW's mission to empower women, advance gender equality and fight poverty.

Deadline: Anticipated October 20

International Council for Canadian Studies (ICCS) - Short-Term Graduate Research Travel Grant

The ICSS offers 4-6 week travel grants to enable master's and doctoral students to do research related to their thesis or dissertation at a Canadian university in the field of Canadian Studies. Deadline: Please visit website for details

International Foundation for Electoral Systems (IFES) - Manatt Democracy Studies Fellowship

The Manatt Fellowships support graduate students attending universities in the American Midwest to conduct research in democracy development, election administration, and civic participation in the political process. Research takes place at the International Foundation for Electoral Systems in Washington, D.C. The fellowship is for six to ten weeks.

Deadline: Please visit website for updates

International Foundation for Ethical Research (IFER) - Graduate Fellowships for Alternatives to the Use of Animals in Scientific Research

Fellowships support graduate students seeking to incorporate animal welfare concerns and innovative technologies into their studies in order to encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals. Fellowships are awarded to those candidates whose program of study shows the greatest potential to replace the use of animals in science. Deadline: Anticipated April 30

International Plant Nutrition Institute (IPNI) - Graduate Research Grant

Grants support graduate research relevant to plant nutrition and management of crop nutrients. The grant is for one year. Deadline: Please visit website for details

International Society of Automation (ISA) - Educational Foundation Scholarships

ISA Educational Foundation Scholarships are awarded to university students who demonstrate outstanding potential for long-range contribution to the fields of automation and control. The scholarship awards support tuition and related expenses and research activities and initiatives.

Deadlines: Anticipated February 28

International Union for the Study of Social Insects, North American Section (IUSSI-NAS) - Research Grants

Awards support graduate student and postdoctoral research on social arthropods.

Deadline: Anticipated October 22

International Women's Fishing Association (IWFA) - Graduate Scholarship

Graduate scholarships to marine science students to prepare them for a career in researching and managing fisheries.

Deadline: Anticipated March 1

Israel Institute - Doctoral Fellowships

Fellowships support PhD research on modern Israel or incorporates Israel as a case study in order to build a multi-faceted field of Israel Studies and promote knowledge and enhance understanding of modern Israel. The fellowship offers support for up to two years.

Deadline: Please see website for details

Jacobs Research Funds - Whatcom Museum - Research Grants

Grant for projects requiring an intense period of fieldwork with living peoples of North, Central and South America.

Deadline: Anticipated February 15

Jamestown Society - Fellowship for Study of Colonial Virginia History

The Jamestown Society offers an Annual Fellowship to support completion of a graduate thesis or essay on the history and culture of Virginia before 1700.

Deadline: Anticipated April 15

Japan Society for the Promotion of Science (JSPS) - Short-Term Fellowships in Humanities, Social Sciences & Natural Sciences for North American and European Researchers

1-12 month fellowships for research in the humanities, social sciences and natural sciences by researchers from the US, Canada, and Europe.

Deadlines: Please see website for details

Japan-International Monetary Fund (IMF) Scholarship Program for Advanced Studies (JISP) - Doctoral Studies in Macroeconomics

Two-year fellowship for Japanese nationals obtaining a PhD in macroeconomics who wish to work at the IMF.

Deadline: Anticipated November 30

Japanese American Citizens League (JACL) - National Scholarship Program

Scholarships support National JACL members pursuing graduate study across all disciplines, including law, business, and medicine. The scholarship is for one year.
Deadline: Please see website for details

Japanese Association of University Women - Fellowships for Non-Japanese Women to Conduct Research in Japan

The Japanese Association of University Women offers fellowships for women to conduct independent research or advanced study in Japan. The fellowship offers support for 5-6 months.
Deadline: Please see website for details

Japanese Consulate Monbukagakusho (MEXT) - Scholarships for Graduate Research

Scholarships support independent research in Japan. Any field of study is eligible for the scholarship, but applicants must find a Japanese professor willing to supervise their research. The scholarship offers 18-24 months of support.
Deadline: Please see website for details

Japanese-American Citizens League (JACL) - Graduate Scholarships

The JACL offers one-year scholarships to graduate students in most fields including the social sciences, humanities, arts, sciences, and professional fields including law, medicine and the ministry.
Deadline: Please see website for details

Jewish Community Center (JCC) Association - Graduate Education Scholarship Program

Up to two-year fellowships for master's students preparing for a career in the Jewish Community Center movement.
Deadline: Please see website for updates

John Carter Brown Library - Short-Term Fellowships

The Library awards short-term residential fellowships for scholars whose work is centered on the colonial history of the Americas, North and South, including all aspects of the European, African, and Native American involvement at the Library at Brown University in Providence, Rhode Island. These fellowships offer support for 2-4 months.
Deadline: Please see website for deadlines

John F. Kennedy Library and Museum - Research Fellowships and Grants

The John F. Kennedy Library Foundation offers competitive research fellowships and grants every year to scholars and students who wish to make use of the archival holdings (including audiovisual materials) of the John F. Kennedy Presidential Library and Museum.
Deadlines: Please see website for updates

John William Miller Fellowship Fund - Research Fellowships

The John William Miller Fellowship Fund supports book-length projects that engage with the theories of philosopher John William Miller. The fellowship offers one year of support.
Deadline: October 15

Josephine de Karman Fellowship Trust - Dissertation Fellowships

The Fellowships recognize and assist doctoral students whose scholastic achievements in any discipline reflect the highest standards. The duration of the Fellowship is one academic year.
Deadline: Anticipated January 31

Korean Foundation - Fellowships for Dissertation Field Research in Korea

The fellowship supports doctoral students conducting dissertation research in Korean Studies. Fellowships allow researchers carrying out comparative/case studies in Korean studies or Korea-related areas in the field of humanities or social sciences to conduct on-site field research in Korea and access resource materials. Fellowships are for 1-12 months.
Deadline: Please see website for deadlines

Korean Foundation - Korean Studies Graduate Fellowship Program

The Program is aimed at fostering a new generation of Korean Studies scholars by providing scholarship support to foreign students who are currently enrolled on an M.A. or Ph.D. program in Korean Studies working on a Korea-related topic in the humanities, social sciences, arts or cultural studies. The fellowship is for up to two years for M.A. candidates and up to three years for Ph.D. candidates.
Deadline: Anticipated January 8

Korean American Scholarship Fund (KASF)

KASF offers scholarships to Korean-American students attending a graduate or professional school in the through **Regional Chapters**. The scholarships offer support for one year.

Deadline: Please visit website for updates

Kurt Weill Foundation for Music - Grants for Scholarly Research

The Foundation supports scholarly research pertaining to Kurt Weill, Lotte Lenya, and Marc Blitzstein through the following opportunities:

Kurt Weill Dissertation Fellowship to assist doctoral students conducting research on Weill, Lenya and/or Blitzstein-related topics.

Publication Assistance to subvent expenses related to preparing manuscripts for publication in a recognized scholarly medium, including editing, indexing, design, and reproduction fees. Research and Travel Grant for research and travel expenses to the **Weill-Lenya Research Center** and other locations of primary source material.

Deadline: November 1

Landscape Architecture Foundation (LAF) - Graduate Scholarships

Scholarships support graduate students enrolled at colleges and universities in the US and Canada who are destined to become leaders in landscape architecture. The scholarships are for one year.

Deadline: Please visit website for deadlines

Lawrence Livermore National Laboratory (LLNL) - Livermore Graduate Scholar Program (LGSP)

The Program offers fellowships to students who conduct research of interest to LLNL while completing their theses. Their university thesis advisor and Laboratory technical supervisor jointly advise the student, who is expected to perform the majority of his or her research at the Laboratory. LGSP appointments have traditionally been made to students of physics, astrophysics, laser science, chemistry, engineering, environmental science, computer science, biology, genetics and biotechnology, materials science, and related disciplines. Non-technical or non-traditional proposals may be considered if a suitable LLNL mentor/supervisor can be identified. The fellowship is for up to 4 years.

Deadline: Please visit website for updates

Landscape Architecture Foundation (LAF) - Joe Lalli Master's Scholarship

Scholarships support master's students pursuing degrees in landscape architecture.

Applicants should show commitment to some of the areas that Joe Lalli dedicated himself to, including drawing, artistic pursuits, the importance of travel, and giving back in service to one's community and profession.

Deadlines: Anticipated February 1

Landscape Architecture Foundation (LAF) - Olmsted Scholars Program

Students do not apply directly to the Olmsted Scholars Program. Olmsted Scholars are nominated by the faculty from each university. At the University of Illinois, the head of the **Department of Landscape Architecture** coordinates the nomination. Students who are nominated will receive further instructions for submitting their application.

The Program recognizes students with exceptional leadership potential who are using ideas, influence, communication, service, and leadership to advance sustainable design and foster human and societal benefits.

Deadlines: Please visit website for updates

Leakey Foundation - Baldwin Fellowship in the Study of Human Origins or Evolution

Fellowships support scholars and graduate students with citizenship in a developing country who wish to obtain education or training from an institution outside the student's home country. Fellows should be pursuing a program of approved, advanced special training or studies leading towards an MA or PhD that will equip them to assume a leadership role in the future of paleoanthropology and primatology. The fellowship offers support for up to two years.

Deadlines: Please visit website for deadlines

Leibniz Institute of European History (IEG) - Doctoral and Postdoctoral Fellowships for Research in Mainz, Germany

Fellowships support research in history, theology and other historical disciplines. The IEG promotes research on the historical foundations of Europe from the early modern to the contemporary period. The central theme is negotiating religious, political and social differences. Projects dealing with European communication and transfer processes as well as projects focusing on questions related to theology, church history, and intellectual history are particularly welcome. Researchers live and work in the Institute's building in Mainz, and take part in events at the Institute. Fellowships offer support for 6-12 months.

Deadlines: Anticipated October 15

Leakey Foundation - Dissertation Research Grants

The Foundation funds research related specifically to human origins, including paleoanthropology, genetics, primate behavior, and studies of modern hunter-gatherer groups. Other areas of study are generally not funded. Fellows can reapply for additional years. Deadlines: Anticipated January 10 and July 15

Leifur Eiríksson Foundation Scholarship

The Leifur Eiríksson Foundation funds scholars who are US citizens or permanent residents from U.S. universities for graduate research or study at universities in Iceland, and scholars who are Icelandic citizens or permanent residents from universities in Iceland to conduct research or study at universities in the United States.

Deadline: Anticipated November 19

Lemmermann Foundation - Scholarship in Humanities & Classical Studies for Research in Rome

Scholarships support master's and doctoral student research in the classical studies and humanities. Topic of research must be related to Rome and the Roman culture of any period, from the Pre-Roman period to the present day time. Applicants must provide evidence for their need to study and carry out research in Rome. The scholarship offers support for one year. Deadline: Please visit website for updates

Leo Baeck Institute (LBI) New York - David Baumgardt Memorial Fellowship

Fellowships supports the study of the history and preservation of the culture of German-speaking Jewry through research projects connected with the writings of Professor David Baumgardt or his scholarly interests, including Ethics, Wissenschaft des Judentums, and the Modern Intellectual History of German-speaking Jewry.

Deadline: November 16

Library Company of Philadelphia & The Historical Society of Pennsylvania - Short-Term Research Grants

The Library Company of Philadelphia and the Historical Society of Pennsylvania offer short-term travel grants to support research in a variety of fields and disciplines relating to the history of America and the Atlantic world from the 17th through the 19th centuries, as well as Mid-Atlantic regional history to the present. Topics include: the history of women and African-Americans, popular literature, business and banking, popular medicine, philanthropy and reform, education, natural sciences, technology, art, architecture, German Americana, American Judaica, and a host of other subjects. Grants are for one month. Deadline: Please visit website for deadlines

Leo Baeck Institute (LBI) New York - Fritz Halbers Doctoral Fellowship

Fellowships support doctoral students whose research projects are connected with the culture and history of German-speaking Jewry.

Deadline: November 16

Library of Congress - John W. Kluge Center - Kluge Fellowship in Digital Studies

Fellowships support research that will generate deep, empirically-grounded understanding of the consequences of the digital revolution on how people think, how society functions, and on international relations using the Library's collections and resources. Proposals may also explore and analyze emerging trends and new phenomena that may generate consequential changes in the future. All proposals must state the importance of the research to fundamental thinking about the human condition. The fellowship offers support for up to 11 months.

Deadline: Please visit website for deadlines

Lime Connect, Inc. - Google & BMO Capital Markets - Scholarships for Students with Disabilities

Two scholarships support students in the U.S. or Canada with visible and invisible disabilities pursuing graduate degrees in a broad range of STEM and business fields.

Scholarships are for one year.

Deadlines: Please visit website for updates

Lincoln Institute of Land Policy - C. Lowell Harriss Dissertation Fellowship

The Institute offers fellowships to doctoral students who are writing theses in fields that address the Institute's primary interest areas in valuation and taxation, planning, and related topics to help improve decisions about land policy. Fellowships support the development of a thesis proposal and/or completion of thesis research. The fellowship offers support for one year.

Deadlines: Anticipated March 1

Linda Hall Library - Science, Engineering & Technology Doctoral and Postdoctoral Fellowships

Library Fellowships support research projects in science, engineering, and technology; in the history of science, engineering, and technology; or in interdisciplinary topics that link science or technology to the broader culture. Recipients of fellowships are expected to work full time on their research projects while at the Library, to engage with other resident scholars, and to offer a presentation on their work to the general public. Fellowships are for 1 week to 10 months.

Deadline: Please visit website for updates

Link Foundation - Doctoral Fellowship in Ocean Engineering & Instrumentation

The fellowship supports ocean engineering and ocean instrumentation research, to enhance both the theoretical and practical knowledge and applications of ocean engineering and instrumentation research, and to disseminate the results of that research through lectures, seminars, and publications. The fellowship is for one year.

Deadline: Anticipated April 7

Link Foundation - Doctoral Fellowships for Research on Energy

The fellowship supports research and innovation in the area of societal production and utilization of energy. The fellowships offer support for two years.

Deadlines: December 1

Link Foundation - Modeling, Simulation & Training Fellowship

Fellowship support doctoral research in the field of modeling, simulation, and training, with preference given to research applicable to simulating real-time complex, interactive environments, or training and preparing individuals to perform in such environments.

Fellowships are for one year. Deadlines: Anticipated January 15

Linnean Society - Natural History & Biological Sciences Research Grants

Grants support research on all aspects of the biological sciences, with particular emphasis on evolution, taxonomy, biodiversity and sustainability.

Deadlines: Please visit website for updates

Longhi Foundation - Doctoral Fellowship in Art History

Fellowships support doctoral students conducting research in the history of art. Longhi fellows have access to study materials available in the Institute, which mainly concern Italian painting from the thirteenth to the eighteenth century. Fellows must live in Florence for the entire duration of the fellowship. The fellowship offers support for nine months.

Deadline: Anticipated May 15

Louisville Institute - Dissertation Writing Fellowship for Research in North American Christianity

Fellowship support the final year of PhD or ThD dissertation writing for students engaged in research pertaining to North American Christianity. Proposed projects may employ a variety of methodological perspectives, including, but not limited to, history, ethics, the social sciences, biblical studies, and historical, systematic, and practical theology. They may also be interdisciplinary in nature. Projects should have the potential to strengthen the religious life of North American Christians and their institutions. The fellowship offers support for one year. Deadline: Anticipated February 1

Louisville Institute - Doctoral Fellowship for Christians Pursuing Careers in Theological Schools

Fellowships support doctoral students whose work would be an appropriate preparation of a career in Christian theological school teaching. Applicants may represent a variety of academic disciplines, including, but not limited to, history, ethics, the social sciences, biblical studies, and historical, systematic, and practical theology. The fellowship offers support for two years. Deadlines: Anticipated March 1

Lupus Foundation of America - Gina M. Finzi Memorial Student Summer Fellowship

The Finzi Summer Fellowship Program supports mentored basic, clinical, translational, epidemiological, or behavioral research at North American institutions. This fellowship is for one summer. Deadlines: Please visit website for updates

Lyndon Baines Johnson Presidential Library and Museum - Short-Term Grants

Grants support short-term travel to the LBJ Presidential Library for graduate student and postdocs working in the fields of public policy and governmental affairs.

Deadline: Please visit website for updates

Manuscript Society - Maass Research Grant

The Society supports graduate students whose research relies heavily on original manuscripts. The grant may be used for research expenses directly related to use of original manuscripts, for example travel to manuscript repositories, photocopies, and user fees. The grant is not renewable. Deadline: Please visit website for updates

Margaret McNamara Education Grants (MMEG) - Grant for Women from Developing Countries

The MMEG awards educational grants to women from developing countries whose graduate studies and future plans aim to benefit women and children in their respective regions. Candidates must currently be studying in the U.S. or Canada. The grants are for one year and are nonrenewable. Deadline: Anticipated September 14

Marine Corps Heritage Foundation - Lieutenant Colonel Lily H. Gridley Memorial Master's Thesis Fellowship

Fellowships support master's students working on topics pertinent to Marine Corps history. Topics may encompass wars, institutions, organization and administration, policy, biography, civil affairs and civic action, civil-military relations, weaponry and technology, manpower, training and education, strategy, tactics, and logistics, as well as diplomatic, political, economic, social, and intellectual trends affecting the Marine Corps in war and peace. The fellowship offers support for one year. Deadlines: Please visit website

Marine Corps Heritage Foundation - Research Grants

Grants are for graduate-level and advanced study in Marine Corps history and related fields. Topics may include wars, institutions, organization and administration, policy, biography, civil affairs and civic action, civil-military relations, weaponry and technology, manpower, training and education, strategy, tactics, and logistics, as well as the interaction of diplomatic, political, economic, social and intellectual trends affecting American military affairs during peace and war. The program gives preference to projects covering the pre-1991 period where records are declassified or can be most readily declassified and made available to scholars. Deadline: Anticipated November 15

Marine Corps Heritage Foundation - Shepherd Dissertation Fellowship

The Fellowship is for a doctoral student working on a dissertation pertinent to Marine Corps history. Topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences, with a direct relationship to the history of the United States Marine Corps will be considered. Topics may encompass wars, institutions, organization and administration, policy, biography, civil affairs and civic action, civil military relations, weaponry and technology, manpower, training and education, strategy, tactics, and logistics, as well as diplomatic, political, economic, social, and intellectual trends affecting the Marine Corps during peace and war. The Fellowship is for one year. Deadline: Anticipated November 15

Marketing Science Institute (MSI) - Clayton Dissertation Grant in Marketing & Related Fields

The fellowship supports dissertation research in marketing and related fields (e.g., psychology, economics, management, strategy, etc.). The grant is for one year. Deadline: Anticipated October 15

Massachusetts Historical Society - Short-term Research Fellowships

Fellowships support scholars investigating a wide range of topics who wish to use the **collections** housed at the Massachusetts Historical Society in Boston. Applicants should consult the website for a listing of fellowships being awarded for a particular funding cycle. Fellowships offer support for four weeks. Deadlines: Please visit website

Massachusetts Historical Society/Boston Athenaeum - Suzanne and Caleb Loring Fellowship on the Civil War

The Fellowship is for research on the Civil War, its origins, and consequences. The research is to be carried out jointly at the Boston Athenaeum and the collections of the Massachusetts Historical Society. The fellowship is for at least four weeks of research at each institution. Deadline: Please visit website

Massachusetts Institute of Technology (MIT) - School of Humanities, Arts, and Social Sciences (SHASS) - Diversity Dissertation Fellowship

Fellowships support doctoral students who plan a career in higher education and have completed all other PhD requirements to finish their dissertations. Fellows may be pursuing the PhD degree in any discipline or area taught in the School of Humanities, Arts, and Social Sciences. Current fields of study can be viewed on the **MIT-SHASS website**. Each Fellow will be affiliated with a department or program in the School and have access to with access to the libraries and faculty of the School. Fellows will not be required to teach while at MIT, but are required to be in residence during the term of the fellowship. The fellowship is for nine months. Deadline: Anticipated February 5

Mayo Clinic and Illinois Alliance - Fellowships for Technology-Based Healthcare Research

The fellowship program is designed to 1) support research relevant to the Alliance's goal of advancing individualized medicine and 2) creating a pathway for current Illinois graduate students to investigate post-graduation employment opportunities at the Mayo Clinic.

The fellowship provides two years of support, one year funded by Mayo Clinic and the other year funded by Illinois. During the fellowship period, fellows must spend at least 12 months in residence at the Mayo Clinic campus in Rochester, Minnesota, where the fellow will work closely with a Mayo Clinic advisor.

Deadlines: Anticipated February 1

Meat Industry Suppliers Alliance (MISA) Foundation - Scholarship Program

Scholarships support graduate students pursuing a degree in the engineering or meat sciences fields. Deadline: Anticipated January 10

Medieval Academy of America (MAA) - Birgit Baldwin Dissertation Fellowship in French Medieval History

The Baldwin Fellowship provides a grant to support a graduate student in a North American university who is researching and writing a significant dissertation for the PhD on any subject in French medieval history that can be realized only by sustained research in the archives and libraries of France. The fellowship offers support for one year, and is renewable for a second year.

Deadline: November 15

Medieval Academy of America (MAA) - Dissertation Grant and Schallek Award

Grants for dissertation research on medieval topics. The grants are intended to defray research expenses such as the cost of travel to research collections and the cost of photographs, photocopies, microfilms, and other research materials. The cost of books or equipment (e.g., computers) is not included. The grants offer support for one year.

Deadline: Please visit website

Melanie Foundation - Graduate Scholarship in Mental Health

Scholarships support graduate students who are pursuing a doctoral or master's degree in the mental health field. The scholarship offers support for one year.

Deadline: Anticipated March 5

Memorial Foundation for Jewish Culture (MFJC) - Dissertation Fellowship

Scholarships support dissertation research to train qualified individuals for careers in Jewish scholarship and research, and to help Jewish educational, religious, and communal workers obtain advanced training for leadership positions. Scholarships offer support for one academic year with the possibility of renewal for up to four years.

Deadline: November 15

Mercatus Center - George Mason University - Fellowships in Political Science

Fellowships support graduate students conducting research in economics, philosophy, political science, sociology, and related disciplines who are interested in learning about the Austrian, Virginia, and Bloomington schools of political economy. The fellowships offer support for one year. Deadlines: Please visit website

METER Group - Grant A. Harris Fellowship

The METER Group provides measurement instrumentation to researchers pursuing innovative solutions to environmental problems. The Grant A. Harris Fellowship provides \$10,000 worth of research instrumentation to graduate students studying any aspect of agricultural, environmental, or geotechnical science at accredited U.S. or Canadian universities or colleges. Proposals will be judged on novelty, student qualifications, and chance of success. Deadline: Anticipated January 20

Metropolitan Museum of Art - Graduate and Postdoctoral Fellowships in Art History

Residential fellowships support research projects related to the Museum's collections. Most fellowships require the fellow to be in residence at the Metropolitan Museum during the fellowship period. Most fellowships are for 1 year.

Deadline: Please visit website

Metropolitan Museum of Art - Graduate and Postdoctoral Fellowships in Conservation & Scientific Research

Junior fellowships provide training, hands-on treatment of works of art, and research opportunities in conservation and scientific research. All Fellowship recipients are required to spend the Fellowship in residence in the department with which they are affiliated, and are expected to participate in the department's activities. The following named Fellowships are available to support research across conservation and scientific research fields. The fellowships are for one year. Please visit website

Metropolitan Museum of Art - Leonard A. Lauder Fellowships in Modern Art

Residential fellowships are for scholars studying Cubism. Two are awarded annually, one to a doctoral candidate and the other to a postdoctoral scholar. Fellows must be in residence at the Metropolitan Museum during the fellowship period. Fellowships offer support for two years. Deadline: Please visit website

Microsoft Research - Ada Lovelace Fellowship for Underrepresented Students in Computing-Related Fields

Microsoft's Ada Lovelace Fellowships support doctoral students who are underrepresented in the field of computing. Eligible individuals are those who self-identify as a woman, African American, Black, Hispanic, Latinx, American Indian, Alaska Native, Native Hawaiian, Pacific Islander, person with a disability, and/or LGBTQI+. The fellowship provides three years of support.

Deadline: Please visit website for more details

Microsoft Research - Diversity Research Dissertation Grant

Award to help PhD students who self-identify as a woman, African American, Black, Hispanic, Latinx, American Indian, Alaska Native, Native Hawaiian, Pacific Islander, and/or person with disability in computing-related fields to complete research as part of their doctoral thesis work. Deadline: Anticipated March 22

Microsoft Research - PhD Fellowship for Students in Computer Science & Related Fields

Nominations must be submitted by department chairs to Microsoft by August 15, 2019. Departments will therefore have their own internal deadlines prior to Microsoft's. Applicants should check with their Director of Graduate Studies regarding the department's internal deadline. Interested students should contact their department's Director of Graduate Studies about applying. Fellowships support PhD students conducting research in computer science and related fields. Students must apply during their third year of PhD studies. The fellowship provides two years of support.

Deadline: Please visit website for more details

Mathematica Policy Research - Summer Doctoral Research Fellowship

Summer fellowships support independent, self-directed research projects, which will intersect with one or more of Mathematica's focus areas: data analytics, disability, early childhood, education, family support, health, international, labor, or nutrition. Fellows will be mentored by senior staff, learn about Mathematica and its work, and have the opportunity to shadow Mathematica research projects and proposals. Fellows are required to work at one of Mathematica's **six office locations** at least three days per week during the fellowship period. The fellowship is for 12 weeks.

Deadline: Anticipated February. Please visit website for updates

Midwest Victorian Studies Association - Walter L. Arnstein Prize for Dissertation Research in Victorian Studies

The award is for dissertation research in British Victorian Studies. Proposals may be submitted in literature, history, art history, or musicology but should have a significant interdisciplinary component that will render them of interest to scholars studying Victorian Britain across a range of disciplines, approaches and sub-fields.

Deadline: Anticipated February 1

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Large Animal Studies

The Foundation supports research on topics relevant to large companion animal (horses and llamas/alpacas) health and welfare in order to produce biomedical scientists committed to a career in companion animal research. The fellowship offers two years of support.

Deadline: Anticipated Please visit website

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Small Animal Studies

The Foundation supports research on topics relevant to animal health and welfare in order to produce biomedical scientists committed to a career in companion animal research.

The Fellowship offers support for up to two years.

Deadline: Anticipated Please visit website

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Wildlife Studies

The Foundation supports research on topics relevant to **wildlife/exotics** health and welfare in order to produce biomedical scientists committed to a career in wildlife research.

The fellowship offers support for up to two years.

Deadline: Please visit website for updates

Mortar Board National Foundation - Fellowships

Mortar Board National Foundation awards fellowships to members who are pursuing graduate degrees in any field. Mortar Board is a national honor society that recognizes achievements in scholarship, leadership and service. Fellowships offer support for one year.

Deadline: Anticipated March 15

Mozilla - Fellowships in Open Source and Data Sharing in the Life/Natural Sciences

Fellowships are for early-career researchers working to shift research practice to be more collaborative, iterative and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing. They will also create code, curriculum and other learning resources that help others learn open data practices. Fellows spend up to 20% of their time on continuing their personal research. The fellowship offers support for 10 months.

Deadline: Please visit website

Museum of Contemporary Art Chicago (MCA) - Marjorie Susman Curatorial Fellowship

The Fellowship offers a graduate-level candidate the opportunity to gain professional curatorial experience in a major museum setting. The fellow will engage in exhibition and/or collection-related research, write reports on possible acquisitions, and help curators plan and organize exhibitions and programming. The fellowship is for one year.

Deadline: Anticipated January 31

Mustard Seed Foundation - Harvey Fellows Program

Fellowships are for Christian students who are pursuing graduate studies at premier universities in fields considered to be underrepresented by Christians and who possess a unique vision to impact society through their vocations. Fellowships are for 1 year and may be renewed for up to 2 additional years.

Deadline: November 1

Mystic Seaport - Munson Institute - Paul Cuffe Memorial Fellowship for the Study of Minorities in American Maritime History

The fellowship encourages research that considers the participation of Native and African Americans in the maritime activities of New England, primarily its southeastern shores. Fellowships support research and writing, a portion of which should normally be carried out in the Mystic area.

Deadline: April 15

National Academies - Christine Mirzayan Science & Technology Policy Graduate and Postgraduate Fellowship Program

Graduate students and postdoctoral scholars spend 12 weeks in winter/spring at the National Academies in Washington, DC, learning about science and technology policy and the role that scientists and engineers play in advising the nation. Applicants become part of a National Academies committee, board, or unit where they are assigned to a mentor and learn about the world of science and technology policy.

Deadline: Anticipated October 15

National Aeronautics and Space Administration (NASA) - Future Investigators in NASA Earth, Space, Science, and Technology (FINESST)

The purpose of the FINESST is to provide relevant research and/or technology development project training in disciplines needed to achieve the goals of NASA Science Mission Directorate (SMD). FINESST grants are for student-designed research projects that contribute to SMD's science, technology and exploration goals. Fellowships offer support for one year, renewable for up to two additional years. Deadline: February 1

National Aeronautics and Space Administration (NASA) - Jet Propulsion Laboratory (JPL) - Summer School for Earth and Planetary Sciences

The summer program is for graduate students and early career scientists interested in a career in planetary exploration. It includes an intensive one-week team exercise at JPL, preceded by weekly webinars and assignments, to learn the process of developing a robotic mission concept into reality through concurrent engineering. Deadline: April 1

National Association for Armenian Studies & Research (NAASR) - Research/Travel Grants

NAASR offers grants for research within the field of Armenian Studies. Grants are for travel, cost of digitization or microfilm or other research materials and for similar expenses. Stipends will not be covered. Grants offer support for one year.

Deadlines: Please see website

National Association of Black Journalists (NABJ) - Graduate Scholarships

Scholarships are for students interested in pursuing careers in journalism. The following scholarships are available: Deadline: Anticipated December 1

National Association of Farm Broadcasters (NAFB) - Graduate Scholarship

Scholarships support graduate students enrolled in or transferring to programs with an agricultural communications curriculum with a concentration and/or application in broadcast media, including Internet/online media distribution.

Deadline: Please visit website for updates

National Association of Hispanic Journalists - Scholarships

Scholarships support graduate students pursuing careers in English or Spanish-language print, broadcast, digital or photojournalism. The scholarships offer support for one year. Deadline: Please visit website

National Association of Social Workers (NASW) - Fellowships for Master's and Doctoral Students

The NASW awards several fellowships to Master's and Doctoral students in social work. Deadline: Please visit website

National Cattlemen's Foundation - W.D. Farr Graduate Scholarship

Scholarships support graduate students in animal science, environmental science (water) or agriculture. The scholarship offers one year of support.

Deadline: Please visit website

National Collegiate Athletic Association (NCAA) - Walters Byers Postgraduate Scholarship

This award requires nomination. This Program recognizing excellence in academic performance by student-athletes. One male and one female student-athlete are annually awarded a graduate scholarship in recognition of outstanding academic achievement and potential for success in graduate study. The scholarship offers support for one year, renewable for a second year.

Deadline: Please visit website

National Federation of the Blind (NFB) - Scholarships for Blind Students

The NFB annually offers scholarships to blind college students in the United States and Puerto Rico, to recognize achievement by blind scholars.

Deadline: Please visit website

National Gallery of Art - Center for Advanced Study in the Visual Arts (CASVA) - Predoctoral Fellowship for Historians of American Art to Travel Abroad

Fellowships enable doctoral students in art history who are studying aspects of art and architecture of the United States, including native and pre-Revolutionary America, to travel abroad in areas such as Africa, Asia, or South America, as well as Europe, to sites of historical and cultural interest, including museums, exhibitions, collections, and monuments.

Deadline: November 15

National Geographic - Young Explorer Grant (YEG)

The YEG accepts pre-applications throughout the year. Applicants should submit their pre-application at least eight months prior to the anticipated field dates, and at least six months for the Expeditions Council. If the application is approved—a decision which takes about eight weeks—the relevant grant program will send the applicant an email with a link to the full application online. Grants offer opportunities to individuals ages 18 to 25 to carry out field-based scientific research, exploration, and conservation under three programs. Deadline: October 21

National Italian American Foundation (NIAF) Scholarships

Scholarships support 1) Italian American students in any discipline and 2) students from any ethnic background majoring or minoring in Italian language, Italian studies, Italian American studies or a related field. Scholarships are for one year and applicants may reapply in subsequent years. Deadline: Anticipated March 1

National Milk Producers Federation (NMPF) - National Dairy Leadership Scholarship Program

Scholarships support graduate students who are actively pursuing research of direct benefit to milk marketing cooperatives and dairy producers. Recommended fields of study include but are not limited to: agriculture communications, economics, animal health, environmental science, animal/human nutrition, food science, bovine genetics, food safety, dairy products processing, herd management, dairy science, and marketing and price analysis. The scholarship offers support for one year. Deadline: Anticipated January

National Oceanic Atmospheric Administration (NOAA) - Cooperative Institute for Limnology and Ecosystems Research

CILER, located at the University of Michigan, offers full-time twelve week residential summer fellowships that expose students to a broad range of fields and provides an opportunity for students to conduct research in the Great Lakes region under the mentorship of a researcher or working professional. The internship is for twelve weeks. Deadline: Please visit website for updates

National Organization of Gay and Lesbian Scientists and Technical Professionals (NOGLSTP) - Graduate Scholarship

The scholarship is for graduate and professional students pursuing degrees in science, technology, engineering, or mathematics (STEM) programs who identify as lesbian, gay, bisexual, transgender, or queer or who are an active ally of the LGBTQ community. The scholarship offers support for one year.

Deadline: Anticipated December 20

National Organization of Italian American Women (NOIAW) Scholarship

Scholarships support Italian American women pursuing a graduate degree. Preferential consideration is given to applicants who have demonstrated excellence in fields of study of Italian language and/or culture. The scholarship is for one year.

Deadline: Anticipated January

National Potato Council - Graduate Scholarship

Scholarships support graduate research that will improve the future of the U.S. potato industry. The scholarship is for one year. Deadline: Please visit website for updates

National Resource Center - Fidler Research Grant for the Study of College Students in Transition

The grant is for research that has the potential to improve the experiences of college students in transition. Qualitative, quantitative, and mixed-method studies will be considered. Deadline: Please visit website for updates

National Sporting Library & Museum (NSLM) - Daniels Short-Term Research Fellowship

The fellowship supports research at the NSLM in history, art, literature, anthropology, and sport, with research projects ranging from the architecture of horse stables, history of horsemanship, equestrian fashion, and poetry, to falconry, veterinary science, environmental conservation and fly fishing. Fellows have access to the NSLM **library** and **art** collections in Middleburg, Virginia. The fellowship is for up to two months.

Deadline: Anticipated September 15

National Water Research Institute (NWRI) - Graduate Fellowships

Fellowships support master's and PhD students at US universities conducting research in areas that include, but are not limited to, engineering, physical and chemical sciences, biological sciences, health sciences, political sciences, economics, and planning/public policy issues that are related to water resources. The fellowships are for two year.

Deadline: Please visit website for updates

National Women's Studies Association (NWSA) - Scholarship for Research in Women's Studies

NWSA will award a Master's or PhD student who, in the fall of the year of the award, will be engaged in the research or writing stages of a thesis or dissertation in the interdisciplinary field of women's studies. The research project must be on women and must enhance the NWSA mission.

Deadlines: Please visit website for updates

Natural Sciences & Engineering Research Council of Canada (NSERC) - PGS Doctoral Scholarship

NSERC supports Canadian citizens in doctoral programs in the natural sciences or engineering including civil and mechanical engineering; chemical, biomedical and materials science engineering; mechanical engineering; electrical engineering; computing sciences; mathematical sciences; physics and astronomy; chemistry; earth sciences; evolution and ecology; cellular and molecular biology; plant and animal biology; and psychology. The scholarships offers support for 2-3 years.

Deadline: Anticipated October 17

New America Fellows Program

The New America Fellows Program supports journalists, academics, and other public policy analysts in working on a book, series of articles, documentary, or another project that would be accessible to a broad audience. The work should provide inventive perspectives on the major challenges facing contemporary society and could include a reframing of a familiar subject through new research or a new combination of existing research, a case study, a new media or academic project, or a policy prescription. The fellowship provides one year of support that includes a stipend, engagement with New America's various policy programs, and exposure from New America and its media partners.

Deadline: Please visit website for updates

New England Regional Fellowship Consortium (NERFC) - Research Fellowship

Fellowships support research at **participating institutions** for historical research spanning the period from pre-contact to the present day. Collections include personal papers, organizational records, and printed works (both primary and secondary) as well as paintings, engravings, furniture, maps, photographs, architectural drawings, and materials in many other areas of collecting. The fellowship is for a minimum of eight weeks.

Deadline: Please visit website for updates

New Netherland Research Center (NNRC) - New Netherland Institute - Student Scholar Research Grant

The grant supports graduate research on New Netherland history and on the Dutch Colonial Atlantic World using the holdings of the New Netherland Research Center, New York State Library, and the New York State Archives, in Albany, NY. The grant is for up to three months.

Deadlines: Anticipated July 15

New York Academy of Medicine - Research Fellowships in the History of Medicine and Public Health

Fellowships support early career scholars pursuing research using the Academy library resources. Fellows are expected to spend at least four weeks in New York City, working at the Academy, during the 2019 calendar year. Fellows are required to present a seminar at the Academy.

Deadline: Please visit website

New York Botanical Garden (NYBG) - The Humanities Institute/LuEster T. Mertz Library - Mellon Summer Fellowship in Environmental Humanities

Fellowships support interdisciplinary graduate research related to the history of botany, garden art and architecture, landscape and urban design, botanical illustration, and the book arts at the NYBG using the Garden and the Mertz Library's holdings. Fellows will be given full access to the collections of the LuEster T. Mertz Library, the Archives, the William and Lynda Steere Herbarium, and the Living Collections, including the 250 acre historic landscape of the Garden. The fellowship offers support for one summer.

Deadline: Please visit website for updates

New York Public Library - Lapidus Center for the Historical Analysis of Transatlantic Slavery - Short-term Fellowship

Residential fellowships support research on the slave trade, slavery, abolition, and anti-slavery in the Atlantic World. Fellows have access to the resources of the Schomburg Center as well as those of other research units of the New York Public Library to further their research, including the **Lapidus Center** collection of **400 rare items of printed material**. Fellows are expected to be in continuous residence for the duration of the fellowship award period. The fellowship offers support for up to three months.

Deadline: December 31

New York Public Library - Short-Term Research Fellowship

Fellowships support graduate-level, post-doctoral, and independent researcher from outside of the New York metropolitan area needing to conduct on-site research in the Library's special collections to support projects in the humanities, business and the arts. Preference is given to scholars whose work is based on materials in the NYPL research collections, especially when those materials are unique. Each fellow is expected to be in residence at the Library for the duration of their fellowship. The fellowship offers support for 2-4 weeks.

Deadlines: Please visit website for updates

Newberry Library - Short-Term Fellowships

Fellowships enable scholars to work on projects related to the Newberry's Core Collections, which can be explored through the library's Catalogs and Guides. Fellows must be in continuous residence at the Newberry throughout the fellowship term unless indicated otherwise. Fellowships typically offer support for one month. However, scholars who have an extensive need for the collections may request up to two continuous months of support.

Deadline: Please visit website for updates

North American Conference on British Studies (NACBS) - Predoctoral & Dissertation Fellowships and Travel Grants

Travel awards support dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies.

Deadline: Anticipated June 1

North American Conference on British Studies (NACBS)/Huntington Library - Dissertation Travel Grants

Travel grants support doctoral students conducting research in British studies for use of the collections of the Library. The materials to be consulted at the Huntington should be essential sources for the dissertation. The time of residence varies, but may be as brief as one month.

Deadline: Please visit website for updates

North American Society for Sport Management (NASSM) - Doctoral Research Grant

NASSM funds doctoral student research to advance scholarship in the field of sport management. This award is not intended to fund major dissertation projects. The grant is for one year.

Deadline: Please visit website for updates

North American Society for the Psychology of Sport & Physical Activity (NASPSA) - Graduate Student Research Grant

Grants support graduate research in the scientific study of human behavior when individuals are engaged in sport and physical activity. The grant offers support for one year.

Deadlines: Anticipated April 1

NVIDIA - Doctoral Fellowship

Fellowships support Ph.D. students who are researching topics that will lead to major advances in the graphics and high-performance computing industries and who are investigating innovative ways of leveraging the power of the Graphics Processing Unit (GPU). NVIDIA particularly invites submissions from students pushing the envelope in artificial intelligence, deep neural networks, autonomous vehicles, and related fields. The fellowship offers support for one year.

Deadline: Please visit website for updates

Oil Spill Recovery Institute (OSRI) - Graduate Research Fellowship

Fellowships support graduate research that will enhance scientific understanding of Arctic and sub-Arctic marine and estuarine ecosystems, and provide information needed by managers and decision-makers for oil spill response and recovery. In particular, OSRI is interested in applications that examine the following areas of emphasis: toxicology, spill detection and tracking, improving spill response in sea ice, modeling of oil trajectories in ice, and degradation of oil. The fellowship offers support for up to two years for master's students or four years for doctoral students.

Deadline: Please visit website for updates

Onassis Foundation - Doctoral & Postdoctoral Fellowships for Research and Study in Greece

Fellowships support research and study within Greece by non-Greeks in the fields of the humanities, social sciences, economics/finance, and theoretic studies of the arts (artists are not eligible). For the academic year 2019-2020 and concerning the field of Humanities, the Foundation particularly encourages applicants who want to work on topics and/or with material related to the Cavafy Archive and Library, and the Onassis Library. The fellowships offer support for up to 10 months.

Deadline: Please visit website for updates

Open Society Archives (OSA) - Central European University, Budapest - Visegrad Scholarship

Fellowships to support research at **OSA archives** in Budapest by individuals from the fields of history, the arts, philosophy and sociology to reflect on the conditions of knowledge production during and after the Cold War. This reflection exposes the intellectual and professional practices (journalistic, sociological, artistic, political, archival) that both reflected and shaped the meaning and scope of certain phenomena. Fellows are expected to work together with at least one of the researchers at the Archives. See website for suggested topics. The scholarships offer support for up to two months.

Deadlines: Anticipated July 25 and November 15

Open Society Foundation (OSF) - Civil Society Scholar Award (CSSA)

CSSA are for doctoral students from select countries who are conducting research in the social sciences and humanities. Awards support activities such as fieldwork (data collection), research visits to libraries, archives or universities, course/curriculum development, and international collaborations leading to a peer-reviewed publication. Awards are for 2-10 months, and require an international component. Proposals related to the following subject areas are particularly welcome: Law, justice and governance, Sustainable development and natural resource management, Economic rights and empowerment of the poor, Public health, social work and community development, New media law and policy, Inclusive education, Post-conflict studies, Human rights

Deadline: Please visit website for updates

Oregon State University Special Collections and Archives Research Center - Short Term Grants

Grants support research using the materials held in the **OSU Libraries Special Collections and Archives Research Center**. The Center consists of over 1,200 archival collections on five themes: the history of science and technology in the twentieth century, the history of Oregon State University, natural resources in the Pacific Northwest (including hops and brewing), multiculturalism in Oregon, and rare books. Grant monies can be used for any purpose. Researchers will be expected to conduct their scholarly activities while in residence at Oregon State University Valley Library. The grant is for 1-3 months.

Deadline: Please visit website

Organization of Autism Research - Graduate Research Grant

Grants support graduate students engaged in research in the following areas: the analysis, evaluation, or comparison of assessment models, treatment models, or service systems; applied aspects of early intervention and/or school-based education, behavioral, or communication intervention; adult issues such as continuing education, employment, housing models and “later intervention”; and issues related to family support, social and community integration, and assessment and intervention with challenging behavior. The grant is for one year.

Deadline: Anticipated February 7

Overseas Press Club (OPC) Foundation - Journalism Scholarships

Scholarships and fellowships support graduate students who aspire to become foreign correspondents. Recipients are eligible for paid internships at foreign bureaus of leading news organizations. Deadline: December 1

Organization of American States (OAS) - Graduate Scholarship

Note: Deadline for U.S. citizens / permanent residents is 4/30/2018. Applicants of other nationalities should consult the website for specific country deadlines and additional requirements. All applications must be submitted through the corresponding **National Liaison Office (ONE)** in the applicant’s country.

Scholarships are for full-time onsite or online studies leading to a Master’s or Doctorate degree at a university or higher learning education institution in an **OAS Member State**, with the exception of the applicant’s sponsoring country, in eight (8) priority **areas of study**. All scholarship recipients must agree to return to and remain in the sponsoring country for a period of no less than twenty-four (24) months after completing the program of study covered by the scholarship. The OAS does not award scholarships for studies in **Medical Sciences** and the learning of new languages. Scholarships offer support for up to two academic years. Deadline: Please visit website for updates

Organization of American States (OAS) - Leo S. Rowe Pan American Fund

The Fund offers interest-free loans to citizens from Latin America and the Caribbean **OAS Member States** to finance their studies or research in accredited universities across the United States. Loans can be used for tuition, fees, room and board and other school related expenses. Rowe Fund loans include:

- Deferred repayment while in school.
- No application or processing fees.
- Funding is sent directly to the student after approval.
- Easy access to **loan application forms** and instructions.

Deadline: Please visit website for updates

Palynological Society (AASP) - Graduate Student Grants

Grants are for research in palynology, to be used for costs directly connected to carrying out research, such as fieldwork and laboratory expenses.

Student Research Grant is for research in any area of palynology.

McNeilly Grant is for research in Cenozoic tropical palynology, defined as approaching any scientific question using terrestrial palynomorphs or terrestrial with marine palynomorphs.

Deadline: Please visit website for updates

Pension Real Estate Association (PREA) - Scholarship Program

Scholarships are for students studying real estate at the undergraduate and graduate levels. The scholarship offers support for one year.

Deadline: Please visit website for updates

Parkinson's Disease Foundation/American Parkinson Disease Association (PDF-APDA) - Summer Student Fellowship

PDF's Summer Fellowship supports students, from advanced undergraduates to medical students, in their pursuit of Parkinson's-related summer research projects. The goal is to cultivate an early interest in the cause and possible treatments for Parkinson's disease. Fellows work under the close supervision of a sponsor who is an expert in the Parkinson's community and oversees the project. Typically, summer Fellowships are offered for 10 weeks of clinical or laboratory work.

Deadline: February 19

Philanthropic Educational Organization (P.E.O.) - Predoctoral International Peace Scholarship Fund for Women

Scholarships support female international students (students from any country other than the US or Canada) during graduate study in the United States or Canada. The scholarship offers one year of support.

Deadline: Please visit website for updates

Point Foundation - The National LGBTQ Scholarship Fund - Graduate Scholarship

The Foundation offers scholarships to LGBTQ students in any field pursuing graduate degrees at institutions within the U.S. The scholarship is for up to four years.

Deadline: Anticipated January 26

Population Council - Predoctoral & Postdoctoral Fellowships in Biomedical Research

Fellowships support pre- and postdoctoral advanced study in basic and translational reproductive sciences and HIV and AIDS. Fellows train in the laboratories of the Council's Center for Biomedical Research located on the campus of Rockefeller University in New York City. Fellowships are generally one year, with the possibility of renewal; however, appointments may be made for shorter time periods ranging from 1 to 6 months, depending on funding, project scope, and student exchange visitor status.

Deadline: Please visit website for updates

Property and Environmental Research Center (PERC) - Short-Term Fellowship for Graduate and Law Students

Fellowships support graduate students and law students interested in researching issues related to natural resources and the environment. Fellows conduct research at PERC in Bozeman, Montana, researching and writing a paper under the supervision of a PERC senior fellow. While at PERC, fellows are required to present two workshops to outline, report on, and summarize their research findings. A paper of publishable quality is the expected result. The fellowship is for three months.

Deadline: Anticipated December 31

Rainforest Alliance - Kleinhans for Community Forestry Research

The Fellowship supports research that is oriented toward solving real-world problems as defined by community forest enterprises. The planning, implementation and dissemination of research results will be carried out in participatory manner to ensure that it has practical value for communities and helps to inform their action plans. Examples of potential research topics include: Markets for lesser-known species and non-timber forest products; Biodiversity management practices; Social organization and governance; and Multi-community enterprises. Deadline: February 28

Raptor Research Foundation - Grants

The Raptor Research Foundation provides small research grants for the study of birds of prey. **The Leslie Brown Memorial Grant:** provides financial assistance to promote the research and/or the dissemination of information on African birds of prey. Applications that do not focus on African raptors will not be reviewed for funding.

The Dean Amadon Grant: for persons working in the area of distribution and systematics (taxonomy) of raptors. Systematics covers a wide array of interests from molecular work to differential migration of populations from various geographic regions, for example. Deadline: Please visit website

Rob and Bessie Welder Wildlife Foundation - Graduate Research Fellowship

Applicants must contact Foundation staff prior to the deadline with a letter that includes an abbreviated proposal. Select applicants will be invited to submit a formal application.

The fellowship supports master's and doctoral research on the management of wildlife populations. The foundation accepts proposals in the areas of animal behavior, biology, botany, conservation education, ecology, genetics, mammalogy, ornithology, parasitology, range science, veterinary pathology, and wildlife and fisheries sciences. The fellowship offers support for one year and may be extended beyond the first year.

Deadline: Please visit website for updates

Robert Wood Johnson Foundation - Health Policy Research Scholarship for Underrepresented Doctoral Students

The RWJF Health Policy Scholarship program supports diverse doctoral students from nonclinical, research-focused disciplines in the social sciences whose research contributes to policies promoting a “culture of health.” Participants complete their doctoral program concurrently with additional research and leadership activities offered through the RWJF over the course of four years.

Deadline: Please visit website for updates

Roberto Rocca Education Program - Doctoral Fellowships in Selected Engineering Disciplines

Fellowships support students who are citizens of Argentina, Brazil, Colombia, Indonesia, Mexico, Venezuela and Romania, who are pursuing doctoral studies outside of their own country in one of the fields below. The program is especially interested in candidates whose research offer potential benefits to the steel industry. The fellowship is for two years, renewable for an additional two years.

Deadline: Please visit website for updates

Rockefeller Archive Center (RAC) - Grants-In-Aid

RAC grants support research in the collections of the Rockefeller Archive Center, which houses the records of the Rockefeller family, Rockefeller University, the Rockefeller Foundation and other philanthropies and associated individuals.

Deadlines: Please visit website for updates

Rocky Mountain Nature Association - Short-Term Research Fellowship

Fellowships support graduate students conducting research in Rocky Mountain National Park. The Fellowship offers support for 3-4 months.

Deadline: Anticipated February 1

Royal Anthropological Institute - Ruggles-Gates Fund for Biological Anthropology

The Royal Anthropological Institute administers the Ruggles-Gates Fund, which provides grants for research in biological anthropology. Preference will be given to those applications which lie within human population biology, human genetics, human ethology and palaeoanthropology.

Deadline: Please visit website for updates

Samuel H. Kress Foundation - Predoctoral Fellowships in the History of European Art

Fellowships support advanced training in European art history through direct exposure to the object of study, prolonged access to key information resources such as libraries and photographic archives, the development of professional relationships with colleagues, and immersion in European cultures.

Deadline: Anticipated November 30

Science History Institute - Short-term Travel Grant

CHF offers short-term travel grants to researchers studying the history and sociology of the chemical and molecular sciences, technologies and industries. Recipients have access to the collections of the **Othmer Library** and CHF’s **oral history collection**. Grants are for 1-2 weeks.

Deadline: Please visit website for updates

Sheep Heritage Foundation - Graduate and Veterinary Student Scholarship

The scholarship supports graduate and veterinary students conducting sheep and/or wool research.

Deadline: Anticipated May 31

Sigma Delta Epsilon (SDE)- Graduate Women in Science (GWIS) Fellowship

Fellowships support the increase knowledge in the fundamental sciences and encourage research careers in the sciences by women. The fellowship offers one year of support.

Deadline: Anticipated January

Sir John Soane’s Museum Foundation - Travel Grant

A travel grant is available to graduate students to travel to London to pursue research projects related to any aspect of the work of Sir John Soane or Sir John Soane’s Museum and its collections. The grant offers support for one year.

Deadline: Please visit website for updates

Slavin Family Foundation Fellowships

The Slavin Family Foundation offers fellowships to assist students pursuing independent entrepreneurial projects while still in school. There is no set program for fellows; the Foundation tailors its support to the needs of each recipient. The fellowship offers one year of support.

Deadlines: Anticipated February 15, June 15, October 15

Smithsonian Institution - Graduate, and Postdoctoral Fellowships

Fellowships support research and study in a variety of fields. The Smithsonian, located in Washington, DC, is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.

Deadline: Please visit website

Smithsonian Institution - Latino Museum Studies Program (LMSP) Summer Practicum

The LMSP aims to increase the representation, documentation, research, knowledge and interpretation of Latino art, culture and history. The program is offered through the Smithsonian Latino Center and has two components.

First component: one-week instructional seminar for all participants that includes panel discussions, lectures, workshops, and behind the scenes access to Smithsonian collections. Second component: four-week practicum with participants working on specific projects with Smithsonian professionals.

Deadline: Anticipated August 14

Smithsonian Institution - Lemelson Center - Short-Term Doctoral Research Fellowships

The Program supports projects that present creative approaches to the study of invention and innovation in American society. Research topics include, but are not limited to, historical research and documentation projects resulting in publications, exhibitions, educational initiatives and multimedia products. The program provides access to the expertise of the Institution's research staff and the vast invention and technology collections of the National Museum of American History (NMAH). The NMAH Archives Center documents both individuals and firms across a range of time periods and subject areas. For a comprehensive catalog of objects, manuscripts, images and research materials available at the NMAH (and other Smithsonian units), see the **Smithsonian Collections Search Center**. For a comprehensive list of Archives Center collections, see the **Archives Center website**. The fellowships offer support for up to ten weeks.

Deadline: November 15

Smithsonian Institution - Lemelson Center - Travel to Collections Awards

The Lemelson Center offers short-term travel grants to support research on the history of invention and innovation based on the holdings of the Museum's Archives Center and curatorial divisions. The collections are particularly strong in personal papers and business records documenting the history of American enterprise and technology.

Deadline: November 1

Smithsonian Institution - Museums and Research Centers - Fellowships

The Smithsonian, located in Washington, DC, is the world's largest museum and research complex, consisting of museums, galleries, research facilities and the Smithsonian Gardens and National Zoological Park. Click **here** for all fellowship descriptions.

Deadline: Please visit website for updates

Society for the Psychological Study of Social Issues (SPSSI) - Small Research Grants

Grants support graduate research on the psychological aspects of important social and policy issues. The grants offers support for one year.

Deadlines: Please visit website for updates

Social Science and Humanities Research Council of Canada (SSHRC) - Doctoral Fellowships

Fellowships support Canadian citizens and permanent residents of Canada pursuing a doctoral degree in the social sciences or the humanities. They aim to develop research skills and assist in the training of highly qualified professionals. The fellowship offers support for 1-4 years.

Deadline: October 17

Society for Army Historical Research - Travel Grants

Grants are for research that relates to the British Army or of the Land Forces of the British Empire and the Commonwealth. This includes any aspect of the Army and its activities, including reserve or auxiliary units, (Militia, Yeomanry, Fencibles, Volunteers or Home Guard) or the land forces of the Crown, or the offices and institutions which supported them. This also includes armies of the countries of the British Empire or Commonwealth including forces maintained by non-Crown bodies within the Empire, such as the Honourable East India Company, or forces allied to and forming an integral part of the land forces operating on behalf of the Crown (North America Indians, for example).

Deadline: Please visit website

Society for Historians of American Foreign Relations (SHAFR) - Michael J. Hogan Language Fellowship for Graduate Students

The Hogan Fellowship, of up to \$4,000, is intended to promote research in foreign language sources by graduate students. The fellowship is intended to defray the costs of studying foreign languages needed for research.

Deadline: Anticipated October 15

Society for Historians of American Foreign Relations (SHAFR) - Myrna F. Bernath Fellowship for Women

The fellowship defrays the costs of scholarly research by women that deals with some aspect of U.S. foreign relations history. Deadline: October 15

Society for the Psychological Study of Social Issues (SPSSI) - Small Research Grants

Grants support graduate research on the psychological aspects of important social and policy issues. The grants offers support for one year.

Deadlines: Please visit website

Society for the Scientific Study of Sexuality (SSSS) - Graduate Research Grant

Grants are awarded to graduate student members who are doing human sexuality research. The research can be for a master's thesis or doctoral dissertation, but this is not a requirement. Deadline: Please visit website for updates

Society of American Archivists (SAA) - F. Gerald and Elise Ham Scholarship

The scholarship provides financial support to graduate students in a professional archival studies program. Deadline: Anticipated February 28

Society of Environmental Toxicology and Chemistry (SETAC) Foundation for Environmental Education - Graduate Research Awards

SETAC supports the study, analysis and solution of environmental problems, the management and regulation of natural resources, research and development and environmental education. Deadlines: September 15 and January 31

Society of Exploration Geophysicists (SEG) Foundation Scholarships

Scholarships support research and study in applied geophysics or a closely related field, such as geosciences, physics, geology, or earth and environmental sciences. Scholarships offer support for one year. Deadline: Anticipated March 1

Society of Health and Physical Educators - SHAPE America Cooley Master's Scholarship

This award is for graduate students enrolled in a master's level health education program. Deadline: Anticipated October 15

Ruth Abernathy Presidential Scholarship

This award is for graduate students in one of the following fields: health, physical education, recreation, or dance. Deadline: Please see website

Society of Hispanic Professional Engineers (SHPE) Foundation - Graduate Scholarships

Scholarships support graduate students in science, technology, engineering or mathematics. Scholarships are for one year. Deadline: Please visit website for updates

Society of Women Engineers (SWE) - Scholarships

Scholarships support women admitted to accredited baccalaureate or graduate programs, in preparation for careers in engineering, engineering technology and computer science.

For a complete listing of available awards, visit the **SWE Scholarships website**. The scholarship offers support for one year.

Deadline: Anticipated May 1

Streit Council - Mayme and Herb Frank Graduate Scholarship

Scholarships support graduate research focusing on Federalism in its application to international integration. Deadline: Please visit website for updates

Strong National Museum of Play - Short-term Research Fellowships

Fellowships provide access to resources on the history of play and playthings. Eligible research projects must benefit from access to collections held by The Strong, including: publications and other materials in The Strong's Brian Sutton-Smith Library and Archives of Play; artifacts from the **collections of The Strong**; and artifacts and other materials related to the work of the International Center for the History of Electronic Games (ICHEG). Fellowships offer support for 1-4 weeks.

Deadlines: Please visit website

Study Foundation of the Berlin House of Representatives - Predoctoral and Postdoctoral Scholarships for Research

The fellowship supports young researchers from the United States of America, Great Britain, France, and the successor states of the Soviet Union. The fellowship is open to scholars in all fields, in particular the humanities and social sciences, and whose research or study projects deal with Berlin in a broad sense. The grants should be used to advance academic education at all state and state-recognized universities and academic research institutions in Berlin. The award is for 10 months.

Deadline: December 15

Swann Foundation - Graduate Fellowship for Research on Caricature and Cartoon

The Fellowship supports graduate student research and writing projects in the field of caricature and cartoon. Fellows are required to make use of the Library of Congress collections and be in residence for at least two weeks during the award period. Deadline: Anticipated February 15

Technion/Israel Institute of Technology - Lady Davis Fellowship Trust - Graduate and Postdoctoral Fellowships

Fellowships support graduate students and postdoctoral fellows from outside of Israel who wish to study or conduct research at Technion (Israel Institute of Technology) in Haifa. Fellows are hosted by **departments and institutes** in engineering, architecture and town planning, the sciences and medicine. Applicants must establish contact with the relevant faculty or department at the Hebrew University to ensure that there is a faculty member willing to sponsor the application.

Graduate Student Fellowships offer support for one semester or one year, with the possibility of extension. Contact: **Gabriela Laufmann** for more details

Deadline: Please visit website for updates

TechnipFMC Educational Fund Fellowship

The University of Illinois' TechnipFMC Fellowships support masters- and doctoral-level students who are conducting research in areas related to the work of TechnipFMC Technologies, Inc. Targeted areas are Mechanical Engineering, Materials Science, Systems/Analytics, Electrical Engineering, Robotics/Mechatronics, Computer Science, Chemical Engineering, and related areas of study. For more information and for department nomination, please click award title above. Deadline: Please visit website for updates

Temple University - Feinstein Center Summer Research Fellowship

Fellowships support doctoral students conducting research in the American Jewish experience. the fellowship offers support for one summer.

Deadline: Anticipated March 21.

Thermo Fisher Scientific - Graduate Scholarship

The scholarship is offered to graduate student in biology, chemistry, biochemistry, or a related life science field. The scholarship is for the semester following the deadline.

Deadline: Anticipated May 5.

Torrey Botanical Society - Graduate Student Research Grant

Grants support graduate research in plant science with a field work component.

Deadline: Anticipated January 15

Toyota Foundation - Research Grants

Grants support projects that adopt a panoramic view of the world and look generations into the future in order to seek new values for society by fundamentally exploring novel philosophies and arts to address difficult issues to be faced by future society; issues that are on a global scale; issues that transcend generations; and nascent problems that will only fully manifest themselves in the future. The grant offers support for 1-2 years.

Deadline: Anticipated Please visit website for updates

Transformer Association - Graduate Scholarship

Scholarships support graduate students who have exhibited an interest in transformers or power conversion design and might be considering a career in the transformer industry. The scholarship offers support for one year. Deadline: Please visit website for updates

Trudeau Foundation - Predoctoral Scholarships for Canadians in Social Sciences or Humanities

Scholarships support Canadian students in the social sciences and humanities who are in their 1st or 2nd year of doctoral study. The fellowship offers three years of support.

Candidates must be pursuing research related to one of four founding themes of the Foundation: **Human Rights and Dignity; Responsible Citizenship; Canada in the world; People in their natural environment**

Deadline: Anticipated January 5

Tylenol - Future Care Scholarship for Medical/Graduate Students in Health Professions

The scholarship supports students pursuing careers in healthcare who have displayed academic excellence, exemplary leadership, community involvement, and dedication to a career of caring for others. Deadline: Anticipated July 1

U.S. Department of Defense (DOD) - Science, Mathematics & Research for Transformation (SMART) - Scholarship for Service Program

Scholarships support graduate students pursuing degrees in science, technology, engineering and mathematics (STEM) disciplines. Awardees are assigned to the DoD laboratory where they will be expected to serve as a summer intern and complete a period of post-graduation employment service as a DoD civilian. The employment obligation to the DoD civilian Science and Technology (S&T) workforce upon graduation is a one-to-one commitment. For each academic year of the award, participants are required to commit to one year (12 months) of civilian employment with the DoD. The scholarship offers support for up to five years. Deadline: December 1

U.S. Department of the Interior - Joint Fire Science Program (JFSP) - Graduate Research Innovation (GRIN) Award

Fellowships support graduate student research in the fields of wildland fire and related human dimensions, ecological, and atmospheric sciences that will develop information and products useful to managers and decision-makers. They must be directly related to the mission and goals of JFSP and must directly address management- or policy-related questions related to one or more of the following topic areas: fire behavior, fire effects, fuels treatments effectiveness, post-fire recovery, and social issues and fire. Fellowships are for one year. Deadline: Anticipated October 14

U.S. Department of Transportation/Federal Highway Administration - Dwight David Eisenhower Transportation Fellowship

The Eisenhower fellowship provides funding for master's degrees or doctorates in transportation related fields encompassing all modes of transportation. Eligible disciplines include, but are not limited to, the sciences, business, human development, aviation, engineering, law, public policy and planning, and transportation. The fellowship provides up to three years of support. Deadline: Please visit website for updates

U.S. Science Support Program (USSSP) - Schlanger Ocean Drilling Graduate Fellowship Program

Fellowships support graduate research related to the International Ocean Discovery Program, an international program of basic research in marine geosciences that explores the Earth's history and environment. Fellows may travel to Lamont-Doherty Earth Observatory to present the initial results of their research and take part in U.S. Science Support Program-related activities during the summer after the conclusion of the fellowship. The fellowship offers support for 12 months. Deadline: Please visit website for updates

United Methodist Church - Stoodt-West Fellowship in Religious Journalism

Fellowships support United Methodist graduate students pursuing careers in religious journalism. The term "religion journalism" includes news writing for secular and church media and for church institutions. The committee will consider appropriate news and journalism forms, including electronic and broadcast media, as well as print. Deadline: Anticipated March 15

United States Capitol Historical Society - Capitol Fellowship Program

Fellowships support to scholars researching important topics in the art and architectural history of the United States Capitol Complex. The proposed topic must directly relate to some elements of art or architecture within the United States Capitol complex: the Capitol, the congressional office buildings, the Library of Congress buildings, the Supreme Court buildings, and the Botanic Garden. Fellows are expected to be in residence and devote full time to their research during the fellowship period. The fellowship offers support for one month to one year. Deadline: Please visit website for updates

University of California, Los Angeles (UCLA) - Center for 17th & 18th Century Studies - Short -Term Fellowships for Dissertation Research

Fellowships support predoctoral and postdoctoral research in the field of 17th and 18th-century studies. See website for more specific information on these fellowships and eligibility. Deadline: Anticipated February 1

University of California, Los Angeles (UCLA) - Center for Medieval and Renaissance Studies - Research Fellowship

Fellowships support the use of UCLA Library Special Collections' extensive holdings in medieval and Renaissance manuscripts and printed books. The fellowship offers up to three months of support. Deadline: Anticipated April 15

University of Illinois - Beckman Institute - Graduate Fellows Program

The Beckman Institute offers fellowships to University of Illinois graduate students at the master's or doctoral level. Research projects must be interdisciplinary, involving the active participation of at least two University of Illinois faculty members, with at least one being a Beckman Institute faculty member who carries out their research at Beckman. The fellowship provides 11 months of support. Deadline: Please visit website for updates

University of Illinois - Beckman Institute - Graduate Research Awards

Grants support summer graduate research by current UIUC graduate students at the Beckman Institute in a variety of interdisciplinary areas of inquiry. The fellowship offers support for one summer.

Deadline: Please visit website for updates

University of Illinois - Beckman Institute - Nadine Barrie Smith Award for Women Conducting Graduate Research in Medical Imaging

The award supports female engineering graduate students who are conducting research in the general field of medical imaging (e.g., ultrasound, optical, magnetic resonance) at the Beckman Institute.

Deadline: Please visit website for updates

University of Illinois - Career Center - Robert P. Larsen Grant for Research in Career Development

The Career Center awards Larsen grants to support research that addresses topics relevant to the field of career development and that will increase knowledge related to career and vocational topics.

Deadline: Anticipated March 9

University of Illinois - Center for Latin American and Caribbean Studies (CLACS) - Lemann Institute for Brazilian Studies - Graduate Fellowships

Fellowships support UIUC graduate students conducting research in or about Brazil.

Awards can be used for airfare, in-country transportation expenses, living expenses and/or research-related expenses. Independent research, pre-dissertation and dissertation research, and professional degree-related activities in or about Brazil are permissible. Comparative research dealing with Brazil and other countries are also eligible, but the Institute will only fund the Brazilian portion of the research. The fellowship offers support for one semester, one academic year, or for a combination of spring semester and summer.

Deadline: Anticipated February 8

University of Illinois - Center for Latin American and Caribbean Studies (CLACS) - Tinker and Whitten Fellowships for Summer Field Research in Latin America

The fellowship allows UIUC students to conduct initial exploratory summer research in any discipline in Latin America or the Caribbean. The fellowship is for four or more weeks.

Deadline: Anticipated February 7

University of Illinois - Doolen Scholarships for the Study of Aging

Scholarships support two graduate students, one from the biological-biomedical sciences and one from the behavioral-social sciences each year. Applicants must be concentrating scholarly efforts on the topic of aging, i. e., biological aspects of the aging process, sociological concomitants of aging, the treatment of diseases of the elderly, the care of the aged, or other topics related to aging. The scholarships offer support for one year.

Deadline: Please visit website for updates

University of Illinois - Illinois Program for Research in the Humanities (IPRH) - Graduate Student Fellowships

Fellowship support advanced graduate students working on final research projects related to the theme of Race Work. Fellows should examine how race structures material life, gendered identities, political economy, criminality, imaginative landscapes, algorithmic patterns, embodied violence, electoral outcomes, and a range of markers of difference. The theme also provides an opportunity for artists to consider the relevance of “Race Work” in their creative practice. IPRH welcomes applications from all disciplines and departments with an interest in humanities and humanities-inflected research and is especially interested in fostering interdisciplinary work. The fellowships are for one year.

Deadline: Please visit website for updates

University of Illinois - Kate Neal Kinley Memorial Fellowship

The fellowships support advanced study in a variety of fields in America or abroad. The fellowships offer support for one year.

Fellowships are awarded in the following fields:

Any field of music. Award amount: \$20,000.

Architectural design and history, art and design, dance, instrumental or vocal music, or theater. Award amount: \$20,000. Architecture, art dance, landscape architecture, theater, or urban and regional planning. Award amount: Up to \$9,000.

Deadline: Please visit website for updates

University of Illinois - Lemann Institute for Brazilian Studies - Werner Baer Fellowship

The Lemann Institute’s Werner Baer Fellowship supports UIUC students who are either 1) incoming graduate students from Brazil (i.e., citizens of Brazil) who are pursuing a doctorate in the social sciences, or 2) dissertation-level students (of any nationality) conducting social science research on Brazil in certain departments. The number of awards varies year to year and may depend upon the strength of the nominations received.

Deadline: Anticipated January 28

University of Illinois - President's Research in Diversity Travel Award

This award supports students presenting papers, posters, or creative work at conferences related to issues of diversity or identity, such as those involving race, gender, ethnicity, sexual orientation, disability and national origin. Award monies are limited to use for reimbursement of meeting registration, travel and lodging expenses that are directly related to the conference.

Deadline: Please visit website for updates

University of Illinois - Study Abroad Office - Maria Pia Gratton International Award

The Gratton fellowships enable female graduate students from outside the United States to have an academic and cultural experience at the University of Illinois at Urbana-Champaign. Preference will be given to students who have had limited opportunity to travel outside of their home countries.

Deadline: Please visit website

University of Illinois - Women and Gender in Global Perspectives Program (WGPP) - Graduate Fellowships and Small Research Grants

One fellowship and several small grants support graduate students at the University of Illinois conducting research on a broad range of topics at the intersection of women, gender, and international development.

Deadline: Anticipated February 23

University of Illinois / Avery Brundage Foundation - Scholarships for Student-Athletes

These grants support University of Illinois students who are both gifted students and exceptional athletes. Scholarships offer one year of support.

Deadline: Please visit website for updates

University of Illinois College of Medicine - Britta L. and Charles J. Wolfe Awards for Diabetes Research

The College of Medicine at the University of Illinois at Urbana-Champaign offers the Britta L. and Charles J. Wolfe Award to students conducting research on diabetes. Applicants may be conducting diabetes research in medicine, biology, biochemistry, chemistry, bioengineering or other relevant fields. Preference shall be given to graduate students who have experienced the disease of diabetes either personally or in their families.

Deadline: Anticipated April 30

University of Illinois Graduate College - Conference Travel Awards

The Graduate College at the University of Illinois offers the Distinguished Graduate The Graduate College provides awards of up to \$350 for graduate students to travel to professional conferences to present papers, posters, or creative work. Award amounts vary depending on the distance from Champaign to the conference.

Deadlines: Anticipated November 6 (fall), and February 26 (spring)

University of Illinois Graduate College - Dissertation Travel Grants (Fall Competition)

Dissertation Travel Grants provide reimbursement to subsidize travel and associated costs necessary for doctoral dissertation research, whether for exploring a potential dissertation topic (i.e., before extensive research has been done) or for conducting dissertation research. Approximately 12 grants at amounts up to \$5,000 will be awarded given sufficient funding. An awardee's nominating department must commit to contributing 12% of the cost of the grant.

Deadline: Anticipated October.

Contact: GradFellowships@illinois.edu for more information.

University of Illinois Graduate College - Dissertation Travel Grants (Spring Competition)

Dissertation Travel Grants provide reimbursement to subsidize travel and associated costs necessary for doctoral dissertation research, whether for exploring a potential dissertation topic (i.e., before extensive research has been done) or for conducting dissertation research. Approximately 12 grants at amounts up to \$5,000 will be awarded given sufficient funding. An awardee's nominating department must commit to contributing 12% of the cost of the grant.

Deadline: Please visit website for updates

Contact: GradFellowships@illinois.edu for more information.

University of Illinois Graduate College - Distinguished Graduate Fellowships in the Humanities and Arts (DGF-HA) - Round 1

The Graduate College at the University of Illinois offers the Distinguished Graduate Fellowship in the Humanities and Arts (DGF-HA). Open exclusively to select PhD programs in the Humanities and Arts-based Humanities (see list of eligible programs below), the fellowship aims to help departments recruit exceptional students. Up to 16 fellowships will be awarded, and each fellowship will provide three years of support, complete with a \$25,000 annual stipend and a full waiver of tuition and mandatory fees.

Deadline: Anticipated January

Contact: **Ken Vickery**, PhD

University of Illinois Graduate College - Distinguished Graduate Fellowships in the Humanities and Arts (DGF-HA) - Round 2

The Graduate College at the University of Illinois offers the Distinguished Graduate Fellowship in the Humanities and Arts (DGF-HA). Open exclusively to select PhD programs in the Humanities and Arts-based Humanities (see list of eligible programs below), the fellowship aims to help departments recruit exceptional students. Up to 16 fellowships will be awarded, and each fellowship will provide three years of support, complete with a \$25,000 annual stipend and a full waiver of tuition and mandatory fees. Deadlines: Please visit website for updates. Contact: **Ken Vickery**, PhD

University of Illinois Graduate College - Marion Morse Wood Fellowship in Interpersonal Communication

The Graduate College's Marion Morse Wood Fellowship Fund supports University of Illinois graduate students whose research focuses on interpersonal communication. Two fellowships will be available for 2020-2021. Previous recipients of the fellowship are not eligible.

Deadline: January. Contact: **Ken Vickery**, PhD

University of Illinois Graduate College - Master's Project Travel Grants (Fall Competition)

The Graduate College's Master's Project Travel Grants provide reimbursement to Illinois students for travel-related costs incurred for the completion of an off-campus, short-term project required of one of the University's master's degree programs. Approximately 10 grants of up to \$500 will be awarded given sufficient funding. Grant recipients are expected to conclude their travel by August 31, 2020. Grants will not be awarded for travel that has taken place prior to the completion of the competition process.

Deadline: Anticipated October. Contact: **GradFellowships@illinois.edu** for more information.

University of Illinois Graduate College - Master's Project Travel Grants (Spring Competition)

The Graduate College's Master's Project Travel Grants provide reimbursement to Illinois students for travel-related costs incurred for the completion of an off-campus, short-term project required of one of the University's master's degree programs. Approximately 10 grants of up to \$500 will be awarded given sufficient funding. Grant recipients are expected to conclude their travel by December 31, 2020. Grants will not be awarded for travel that has taken place prior to the completion of the competition process.

Deadline: Please visit website for updates. Contact: **GradFellowships@illinois.edu** for more information.

University of Iowa - Iowa Women's Archives - Kerber Fund Travel Grant

Grant supports travel to Iowa City, Iowa, to conduct research in the Iowa Women's Archives. Applicants from a variety of backgrounds are encouraged to apply. The strengths of the Iowa Women's Archives include rich collections on the history of the women's movement, political activism, African Americans, rural women, and Latinas, especially in the nineteenth and twentieth centuries. The collections are global in scope.

Deadlines: Anticipated April 16

University of Miami - Cuban Heritage Collection (CHC) - Goizueta Foundation Dissertation Research Fellowships

The CHC Fellowships provide assistance to graduate students who wish to use the research resources available at the Cuban Heritage Collection at the University of Miami. Fellowships are available to doctoral candidates engaged in studies at U.S. institutions.

Deadline: Please visit website for updates

University of Michigan - Bentley Historical Library - Travel and Research Grants

Two fellowships encourage research and writing based on the holdings of the Bentley Historical Library. They offer support to facilitate travel to the library and to underwrite research related expenses. The Michigan Historical Collections is a broadly conceived archival collection that documents the history of the state of Michigan. The library's holdings number over 8,000 collections and document every period of Michigan's history, from the territorial era to the present day. The extensive University of Michigan archives document the history of the institution from 1817 to the present.

Deadlines: Please visit website for updates

University of Minnesota - LacCore and Continental Scientific Drilling Coordination Office (CSDCO) - Graduate Travel Grant

Grants support graduate students working with lake sediment cores. Grants can be used to support student travel to Minneapolis, core shipment, lodging while at the facility, and supplies consumed in initial core description (ICD). Funds supplement the low-cost instrument access, staff support, and training offered to all visitors. Funds are intended to support initial analyses and travel, and may not be used to pay for analytical services such as coulometry, stable isotope analysis, pollen processing, scanning XRF, CT scanning, etc., although any of these may be conducted during the visit. Students may bring new or previously-collected cores to the facility, and will work closely with LacCore staff and be trained in ICD and other techniques. Visits should occur before March 2020.

The grant is for one week. Deadline: Anticipated April 9

University of Wisconsin-Madison - Center for Southeast Asian Studies Summer Institute (SEASSI) - Language Study Scholarship and Tuition Grant

The Center offers intensive summer language courses in Burmese, Hmong, Indonesian, Khmer, Lao, Tagalog, Thai and Vietnamese. In previous years, the Center has also offered Javanese language classes. The program is for 10 weeks.

Deadlines: Please visit website for updates

University YMCA - Fred S. Bailey Fellowship for Community Leadership, Service, and Activism

The fellowship supports graduate or professional students at the Urbana campus of the University of Illinois who demonstrate passion, commitment, leadership and impact towards Social Justice, Environment, Faith in Action, and/or International issues; and who are able to demonstrate how their efforts represent new and innovative ways to address these issues. The fellowship offers support for nine months.

Deadline: Anticipated February 15

Vertical Flight Foundation (VFF) / American Helicopter Association (AHS) International - Scholarship

Scholarships support graduate students pursuing careers in vertical flight technology. Applicants from technical disciplines relevant to complex aeronautics/aeronautics engineering or aviation systems, even if not directly considered vertical lift engineering, will receive equal consideration. The scholarship offers support for one year.

Deadline: Anticipated February

Vienna Wiesenthal Institute for Holocaust Studies - Graduate and Postdoctoral Research Fellowships

Residential fellowships support research on antisemitism, racism, and the Holocaust in its European context, including its antecedents and its aftermath. Fellows will have access to the archives of the VWI in Vienna, Austria, and it is expected that fellows will make use of relevant resources from the collection in their research projects. Two fellowships are available. The fellowships are for 6-11 months.

Deadline: Please visit website for updates

W.F. Albright Institute of Archaeological Research - Doctoral and Postdoctoral Fellowships and Awards

The Albright annually offers fellowships to students and scholars in Near Eastern studies from prehistory through the early Islamic period, including the fields of archaeology, anthropology, art history, Bible, epigraphy, historical geography, history, language, literature, philology and religion and related disciplines. The research period should be continuous, without frequent trips outside the country for most fellowships. Residence at the Albright Institute in Jerusalem, Israel, is required. The following fellowships are offered:

Deadline: Anticipated October 15

Washington University - Max Kade Center for Contemporary German Literature - Summer Research Grants

Grants support dissertation research by U.S. and Canadian graduate students using the Contemporary German Literature Collection at Washington University's Olin Library in St. Louis. The grants must be used between mid-May and mid-August.

Deadline: Please visit website

Water Environment Federation - Canham Graduate Studies Scholarship

Scholarships support graduate study in the water environment field. The scholarship offers support for one year.

Deadline: Anticipated March 1

Waterbird Society - Research Grants

Small grants are for research in the science and conservation of waterbirds.

Deadline: Anticipated February 1

Wellesley College - Mary McEwen Schimke Scholarship for Women

Scholarships support women graduates of any American institution. This is a supplemental award to provide relief from household and child care expenses while pursuing graduate study. The scholarship offers support for one year.

Deadline: Anticipated September 21

Wilson Society - Gloria Barron Graduate Scholarship

The Scholarship is awarded to qualified graduate students for one year to support research and preparation of a paper on an aspect of wilderness. Proposals relating to climate change, as well as other topics regarding wilderness conservation, are strongly encouraged, with several suggested themes. The scholarship is for one year.

Deadline: Please visit website for updates

Werner-Gren Foundation for Anthropological Research - Wadsworth International Research

Fellowships support students undertaking study leading to a PhD or equivalent doctoral degree at universities where they can receive international-level training in anthropology. These fellowships are available only to students from countries where anthropology is underrepresented and where there are limited resources to send students overseas for training. The Wadsworth program's main goal is to expand and strengthen international ties and enhance anthropological infrastructure in these countries. The fellowship offers support for one year, renewable for up to two additional years.

Deadline: Anticipated March 1

Western History Association - Graduate Research Awards

This Association supports the study of the North American West as both a frontier and a region. Two graduate research awards are available.

Deadline: Please visit website

Wilson Ornithological Society - Small Grants for Avian Research

Small grants support avian research anywhere in the world. Grants are for equipment, supplies, travel, and basic living expenses. The grants offer support for one year.

Deadline: Please visit website for updates

Winterthur Museum - Short-term, Dissertation & Postdoctoral Fellowships

Fellowships support academic, independent, and museum scholars, as well as advanced graduate students. Fellows conduct research in many areas of social and cultural history, including material culture, architecture, decorative arts, design, consumer culture, garden and landscape studies, Shaker studies, travel and tourism, the Atlantic World, and objects in literature.

Deadline: Please visit website

Woods Hole Oceanographic Institution (WHOI) - Geophysical Fluid Dynamics (GFD) Summer Graduate Research Fellowship

Summer research fellowships support graduate students in any field sharing a common interest in the nonlinear dynamics of rotating, stratified fluids. These fields include classical fluid dynamics, physical oceanography, meteorology, astrophysics, planetary atmospheres, geological fluid dynamics, hydromagnetics, physics and applied mathematics. Fellows pursue a research project under the supervision of the staff and present a lecture and a written report for a proceedings volume while in residence at WHOI. The fellowship offers support for 10 weeks.

Deadline: Please visit website

World Conservation Society Canada - W. Garfield Weston Graduate Fellowship for Research in Boreal Regions

Fellowships support graduate field research relevant to WCS Canada's conservation objectives conducted at two long-term WCS conservation sites in the boreal region of Northern Ontario, and the Northern Boreal Mountains of Yukon and British Columbia. Research that takes place outside of these sites, but that generates relevant conservation information may also be eligible. The fellowship offers support for one year.

Deadline: Please visit website

WTS International - Greater Chicago Chapter - Graduate Scholarships for Women in the Transportation Sector

The Helene M. Overly Memorial Scholarship was established in 1981 by WTS International to encourage women to pursue career paths in transportation. The scholarship is awarded to women pursuing graduate studies in transportation or a related field. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. Minority candidates are encouraged to apply.

Deadline: Please visit website for updates

Yellow Barn - Chamber Music Summer Program

A summer chamber music program supports outstanding students and young professionals. Participants explore chamber music repertoire with an internationally renowned faculty, rehearsing and performing together in 20 concerts at the Big Barn, Yellow Barn's intimate concert hall in Putney, Vermont. Repertoire ranges from the Baroque period to the present day, and often affords participants the opportunity of working with visiting composers. The program is for five weeks.

Deadlines: Anticipated August 7

YIVO Institute for Jewish Research - Short Term Fellowships for Jewish Studies

Fellowships support scholarly research in YIVO's library and archival collections of Yiddish books, documents, and other artifacts related to the history of East European Jewry. Each fellowship requires a public lecture by the holder, to be held during or immediately after the fellow's research period. Fellows are usually expected to spend a period of four to six weeks in residence. This can be divided into several research trips, in consultation with YIVO staff. Duration and award amount varies according to the fellowship. Deadline: Please visit website for updates

Zeta Phi Beta Sorority National Educational Foundation (ZNEF) - Graduate Scholarships

The Foundation awards scholarships to both member and non-member women working full-time on a professional degree, master's, doctoral or enrolled in postdoctoral study. Scholarships offer support for one academic year.
Deadline” Please visit website

Zonta International Foundation - Amelia Earhart Fellowships for Women in Aerospace Studies

Fellowships support women pursuing doctoral degrees in aerospace-related sciences and aerospace-related engineering. The Fellowship is awarded to Fellows around the globe each year and may be used at any university or college offering accredited post-graduate courses and degrees in these fields. The fellowship offers support for one year.
Deadline: November 15

FOR ALL AWARDS LISTED BELOW, SEE WEBSITE FOR ADDITIONAL AWARD DETAILS AND DEADLINES

American Association of Medical Colleges

A series of grants and awards honoring individuals in the fields of medical education, research, and community service.

Alexander Graham Bell Association College Scholarship Program

Students who were diagnosed with hearing loss before the age of seven are eligible for a merit-based scholarship ranging from \$1,000-\$10,000.

Armenian Students Association of Americas Scholarships

Full-time students of Armenian ancestry are eligible to apply for scholarships of \$500 to \$1,500 per year. Applicants should either have US citizenship or have the appropriate visa status. Applicants should be able to demonstrate financial need and good academic performance.

Asian Cultural Council Grants and Fellowships

Any gifted individual artist or scholar who seeks to grow in his or her craft or field can apply for funding to conduct research and study, receive specialized training, undertake observation tours, or pursue non-commercial creative activity in the United States or among the countries of Asia.

American Scandinavian Foundation

The American-Scandinavian Foundation (ASF) offers over \$500,000 in funding to Scandinavians to undertake study or research programs (usually at the graduate level) in the United States for up to one year. Candidates for awards are recommended to the ASF by our cooperating organizations.

In order to apply submit applications to the appropriate cooperative organization (see below). Awards are made in all fields. Eligible candidates must be citizens of one of the following countries: Denmark, Finland, Iceland, Norway or Sweden.

American Institute for Economic Research (AIER)'s Summer Fellowship Practicum

AIER's Summer Fellowship Practicum program introduces accomplished college students, postgraduates and graduate students to the Institute's mission, work, and research principles. Working closely with AIER research staff, summer fellows are immersed in the economic research process from “conception to completion”. The AIER Practicum

enhances Fellows' understanding of economic concepts, theories, and real world applications, and provide an opportunity to develop research, writing, and presentation skills. To be eligible, you must fit the following criteria: either a graduate or a senior college student majoring in economics, finance, business or related fields. Non-US students can apply if they are enrolled in a U.S. degree granting institution, have CPT or OPT, or have employment authorization in the United States.

Albright Institute Fellowships

The Albright annually provides up to \$330,000 in fellowships and awards to 32 recipients. In addition, 32 Associate Fellows including Senior, Post-Doctoral, and Research Fellows receive funding from other sources. Fellowships are open to students and scholars in Near Eastern studies from prehistory through the early Islamic period, including the fields of archaeology, anthropology, art history, Bible, epigraphy, historical geography, history, language, literature, philology and religion and related disciplines. The research period should be continuous, without frequent trips outside the country. Residence at the Albright is required. The option to accommodate dependents is subject to space available at the Albright.

American Institute of the History of Pharmacy Grant

The American Institute of the History of Pharmacy wishes to encourage academic research within its scope. Therefore, it offers a grant-in-aid totaling \$2,000 or more annually to a graduate student to reinforce historical investigations of some aspect of pharmacy, whether ancient or modern, to pay research expenses not normally met by the university granting the degree. Any thesis project devoted to the history of pharmacy, history of drugs, or other humanistic study utilizing a pharmaco-historical approach, is eligible if based in an institution of higher learning of the USA. The graduate student need not be an American citizen; nor does the research topic need to be in the field of American history.

Asian Development Bank (ADB) - Japan Scholarship Program

The award aims to provide an opportunity for well-qualified citizens of ADB's developing member countries* to pursue postgraduate studies in economics, management, science and technology, and other development-related fields at participating academic institutions in the Asian and Pacific Region. Upon completion of their study programs, scholars are expected to contribute to the economic and social development of their home countries. The ADB-JSP enrolls about 300 students annually in participating academic institutions located in 10 countries within the region, and provides full scholarships for one to two years.

Bibliographical Society of America Fellowship Program

The Society invites applications for its seventh annual Katharine Pantzer Senior Fellowship in Bibliography and the British Book Trades as well as its annual short-term fellowships, all of which support bibliographical inquiry and research in the history of the book trades and in publishing history. Eligible topics may concentrate on books and documents in any field, but should focus on the book or manuscript (the physical object) as historical evidence. Such topics may include establishing a text or studying the history of book production, publication, distribution, collecting, or reading. Stipend amounts vary.

BMI Foundation Student Awards

BMI Foundations offers a series of scholarships for various music and art related fellowships and awards. Some geographical restrictions may apply. Most scholarships are open to citizens of a country in the Western Hemisphere, but require either current or previous attendance at a US university.

Canadian Federation of University Women (CFUW)

The Fellowships and Awards Program supports graduate study, literacy, and the creative arts through awards and grants ranging from \$2,000 to \$11,500. Numerous fellowships available to graduate students. Eligibility is restricted to women, and those who are either Canadian citizens or permanent residents in Canada.

Canon Collins Scholarship for Masters Study in the UK

Canon Collins offers a variety of scholarships and funding for nationals or those with refugee status from Angola, Botswana, Lesotho, Malawi, Mozambique, Namibia, South Africa, Swaziland, Zambia, or Zimbabwe. This scholarship partners with specific UK institutions to fund full tuition fees, a monthly stipend, a return economy flight, a settling-in allowance and other support whilst in the UK.

Chevening Scholarship Program

Chevening Scholarships are the UK Government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organizations. The scholarships support study at UK universities – mostly one-year Master's degrees – for individuals with demonstrable potential to become future leaders, decision makers and opinion formers. To be eligible you must be a citizen of a Chevening-eligible country (see map for details), and intend to return there for a minimum of two years after your Chevening Award has finished. People with dual British citizenship cannot apply, unless you are a citizen of a British Overseas Territory or hold BN (O) and are applying from Hong Kong. Deadlines vary by country.

Christine Mirzayan Science & Technology Policy Graduate Fellowship Program

The Christine Mirzayan Science & Technology Policy Graduate Fellowship Program provides early career individuals with the opportunity to spend 12 weeks at the National Academies in Washington, DC learning about science and technology policy and the role that scientists and engineers play in advising the nation. Each year, applicants from around the world become part of a National Academies' committee, board, or unit where they are assigned to a mentor and learn about the world of science and technology policy.

The program is open to US citizens, US permanent residents, and non-US citizens who hold the following visas: F-1 students using CPT (curricular practical training); F-1 students using OPT (optional practical training); J-2 dependents; J-1 students using academic training; J-1 research scholars with written approval of their Responsible Officer; DACA recipients; and adjustment applicants, refugees, asylees, and selected other visa classes.

Commonwealth Scholarship and Fellowship Plan

Scholarships and fellowships vary by nationality/country. Click the link to view the countries' current scholarship offerings. Commonwealth citizens are open to apply. This is intended to fund postgraduate study or doctoral research at Commonwealth.

Confucius China Studies Program Joint Research Ph.D. Fellowship

Will accept applications from both non-US citizens, other than citizens of Mainland China, Hong Kong, Macao, and Taiwan and US provided they be enrolled in a US institution.

DAAD Study and Research Scholarships

Apply for scholarships funding study, research and/or internships in Germany and at German universities. Preference will be given to students whose projects or programs are based at and organized by a German university. Scholarships are available either as part of an organized study abroad program or as part of an individual, student-designed study abroad semester or year.

Elie Wiesel Foundation for Humanity - Prize in Ethics

Essay contest for full-time juniors or seniors that is open to full-time undergraduate juniors and seniors at accredited U.S. four-year colleges and universities. International and non-citizen students, as well as students studying abroad are eligible, as long as they are registered as full-time juniors or seniors at their home institutions in the U.S. Contestants must have a faculty advisor. Prizes range from \$500 - \$5,000.

Fulbright Foreign Student Program

Educational exchanges that strengthen understanding and communication between the United States and over students from 140 countries. Students interested in applying for the Fulbright Student Program must apply through the Fulbright Program Office in their home country.

The Finnish Cultural Foundation

The Swedish-Finnish Cultural Foundation seeks to promote and develop cultural and economic life in Finland by providing support for increased knowledge of, and contact between, the culture, economy, and people of the two countries. The foundation disperses project subsidies and travel grants. For more information, contact them at fonderna@hanaholmen.fi.

Ford Foundation Postdoctoral Fellowship Program

The Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. Eligibility to apply for a Ford fellowship is limited to: all citizens, nationals and permanent residents (holders of a Permanent Resident Card) of the United States, and individuals granted deferred action status under the Deferred Action for Childhood Arrivals Program.

ISA Educational Foundation Scholarships

ISA Educational Foundation Scholarships are awarded to college or university students who demonstrate outstanding potential for long-range contribution to the fields of automation and control. The scholarship awards support tuition and related expenses and research activities and initiatives. For information about applying, call (919) 549-8411.

Onassis Foundation Scholarships

Offers scholarships for Greek graduate for postgraduate and doctoral studies outside of Greece. Offers research grants and educational scholarships in the Humanistic Sciences, Political Science, Law and Economics, Architecture, Fine Arts, Music, Dance, Theatre, Photography, Cinema.

Organization of American States (OAS) Fellowships

This organization offers general scholarships for undergraduate and graduate study. All applications must be submitted through the corresponding National Liaison Office in your country. OAS academic scholarships are awarded for no more than two years of full-time studies at any university in an OAS member state, with the exception of the applicant's

sponsoring country.

The Google Anita Borg Memorial Scholarship: USA

In her honor, Google is proud to honor Anita's memory and support women in technology with the Google Anita Borg Memorial Scholarship. Google hopes to encourage women to excel in computing and technology and become active role models and leaders in the field. Google Anita Borg Scholarship recipients will each receive a \$10,000 award for the 2015-2016 academic year. A group of female undergraduate and graduate students will be chosen from the applicant pool, and scholarships will be awarded based on the strength of each candidate's academic background and demonstrated leadership.

To be eligible, an applicant must:

- be a female student currently enrolled as an undergraduate or graduate student at a university for the 2014-2015 academic year
- intend to be enrolled in or accepted as a full-time undergraduate or graduate student at a university in the United States for the 2015-2016 academic year
- majoring in computer science, computer engineering, or a closely related technical field
- maintain a strong academic record
- exemplify leadership and demonstrate passion for increasing the involvement of women in computer science
- Citizens, permanent residents, and international students are eligible to apply.

John Bayliss Radio Scholarship

The Bayliss Foundation has been distributing scholarships to outstanding broadcast students for over 23 years. Each award is \$5,000.

The number of scholarships awarded depend on the size of the endowment. Open to juniors and seniors majoring in Broadcast Communications. Although financial need is a consideration, students of merit with an extensive history of radio-related activities are given preference.

Kosciuszko Foundation

The Kosciuszko Foundation is pleased to announce the opening of the application process for a special tuition scholarship program for undergraduate students of Polish descent. A \$2,000 scholarship will be offered to 30 promising undergraduate students studying in the USA and pursuing degrees at the intersection of media, communication, political science, social studies, law and administration. Students seeking careers in media, government, and public affairs are particularly encouraged to apply. Must be a U.S. citizen of Polish descent or a Polish citizen with permanent residency status in the U.S.

Margaret McNamara Memorial Fund Grants

Awards five to six grants to women from developing countries about \$12,000 each year to help further their education and strengthen their leadership skills to improve the lives of women and children in the developing world. Women must be enrolled in accredited.

Mariam K. Chamberlain Fellowship in Women & Public Policy

In honor of pioneering feminist economist Mariam K. Chamberlain (MKC), IWPR offers a fellowship in public policy to a promising scholar each year. Eligible candidates should have at least a bachelor's degree in a social science discipline (such as sociology, psychology, education, or public policy), statistics, economics, mathematics or women's studies. There are no citizenship requirements specified, but you must be able to work in the United States. The Mariam K. Chamberlain Fellow contributes to a variety of research projects to inform policies affecting women. Responsibilities include reviewing and compiling literature and information; collecting, checking and analyzing data; preparing reports and report graphics; fact checking and editing; and attending relevant Congressional briefings, policy seminars and meetings.

Phi Kappa Phi Fellowships

The Honor Society of Phi Kappa Phi currently awards fifty-one Fellowships of \$5,000 each and six at \$15,000 each to members entering the first year of graduate or professional study. Each active Phi Kappa Phi chapter may select one candidate from among its local applicants to compete for the Society-wide awards. To be eligible, you must be an active member of Phi Kappa Phi or have accepted membership by June 30 of the year in which you are applying. You must also have applied to enroll as a full-time student in a post-baccalaureate program of study for the current academic year. Accredited international institutions are acceptable, and international students can apply.

Phillips Exeter Academy Fellowships & Internships

Phillips Exeter Academy is a co-educational residential school serving 1000 students in grades 9 through 12, and even post-graduate level. The school offers one-year internships that vary depending on need of the institution. The three fellowships offered are the Dissertation Year Fellowships, Writer in Residence (George Bennett Fellowship), and the John and Elizabeth Phillips Fellowships.

Smithsonian Fellowships

Unless noted otherwise, all Smithsonian fellowships (graduate, pre-doctoral, post-doctoral, senior) opportunities are open to non-US citizens. Applicants are evaluated on their academic standing, scholarly qualifications, experiences, the quality of the research project or study proposed and its suitability to Smithsonian collections, facilities, and programs.

South East Asian Studies Summer Institute (SEASSI) Tuition Fellowships

United States and international students can apply for SEASSI's tuition scholarships to reduce the fees of the summer institute. FLAS funding can also be used to pay for the summer institute. SEASSI offers course instruction in Burmese, Hmong, Javanese, Indonesian, Khmer, Lao, Tagalog, Thai and Vietnamese. The majority of these scholarships are awarded to graduate students, but outstanding undergraduates and professionals are encouraged to apply.

Statens Lanekasse for Utdanning

Provides educational grants and loans for Norwegian students abroad. Citizens of an EEA or EFTA country who have accrued rights in Norway are also eligible. Normally, grants are only given to people who have a consecutive period of at least two years of residency in Norway during the five years before the education begins. Applicants must be in at least their sophomore year of undergraduate study. Apply for funding as soon as you are accepted to your desired program of study.

The Sweden-American Foundation

Awards approximately 40 fellowships for graduate, postgraduate and post-doc studies in the U.S. and Canada. Only Swedish citizens with a completed undergraduate degree are eligible to apply. Every year, the Sweden-America Foundation awards approximately 40 fellowships for Graduate, Postgraduate and Post Doc Studies in the United States and Canada.

Swiss Benevolent Society of New York Scholarships

Merit based awards for study at the undergraduate, graduate, and professional levels both in the U.S. and abroad. To be eligible, the applicant must be or have parents who are Swiss nationals. Applicants for Pellegrini and Zimmerman scholarships and the OSA award must be residents of New York, New Jersey, Connecticut, Pennsylvania or Delaware. Applicants for Medicus grants for study in Switzerland must reside in the United States.

Swiss Friends of the USA

The Company Swiss-American Society awards per year CHF 15'000-20'000 on scholarship contributions. These contributions are intended as a funding supplement and be in 5-7 candidates who are either Swiss or have long ties with Switzerland. This scholarship is oriented to those who want to continue their education in the United States with the goal of a university degree.

National Health Policy Journalist Training

Candidates applying for the training must demonstrate a commitment to serving

communities of color to better cover health care and consumer issues.

Wellcome Trust Sanger Institute Vacation [Summer] Placements

The Vacation Scholarship is intended to provide promising undergraduates with 'hands-on' experience of research during the summer vacation and to encourage them to consider a career in research. This fellowship is only open to EU students or any student at a UK university who is eligible to work full-time in the UK.

Worldstudio AIGA Scholarships

Undergraduate or graduate students pursuing degrees in the fine or commercial arts, design or architecture, and plan to enter a career in the creative professions. Applicants must be citizens of the United States or be in possession of a Green Card.
