Fellowships and Awards for International Students

Office of Graduate Fellowships and Awards at Florida State University
Getting Started

Things to consider...

◊ Identify funding opportunities based on “Fit”
  (Discipline, Demographics, Travel, etc.)
◊ Organize funding search results
◊ Dedicate time and attention to prepare and/or request application components
◊ Commit to the Writing and Revision Process
  (Draft, Review, Revise, Repeat, Repeat, Repeat, Repeat)
◊ DEADLINES - Know the application cycle for each award
◊ NOTE: Awards are typically disbursed about 6-12 months after the application submission window closes. This means that you are applying a year in advance for most awards.

Application Components

Award applications have a lot of moving parts. To develop a strong and compelling fellowship application, determine:

1. Is the funding opportunity a good fit for you, your research, ambitions, study and/or personal interests?

2. Are you a good fit for the funding opportunity?

3. KNOW YOUR AUDIENCE - Who are the reviewers? What are they looking for (mission of the funding opportunity, criteria for review)?

4. Typical application components
  ◊ Personal Statement
  ◊ Research Proposal
  ◊ Curriculum Vitae (CV) or Resume
  ◊ Letters of Recommendation
  ◊ Timeline and Budget Justification

*Not all components listed are applicable for every application*
Academic Council on the United Nations System (ACUNS) - Dissertation Writing Awards Program
The award recognizes students who are writing graduate-level dissertations on topics related to the United Nations system. ACUNS is a global professional association of educational and research institutions, individual scholars, and practitioners active in more than 50 countries in the work and study of multilateral relations, global governance and international cooperation. Deadline: April

Academy of Natural Sciences of Philadelphia - Jessup & McHenry Short-Term Research Awards
Grants support research under the supervision or sponsorship of a member of the curatorial staff of the Academy. The award duration is 2-16 weeks. Jessup Fund support research in any specialty in curators at the Academy have expertise. Henry Fund is restricted to botanists.

AccessLex Grant Programs
Sound program and research design rooted in insightful research questions, relevant data and rigorous analytical methods are essential components of strong grant proposals. We operate three grant programs: the Diversity Pathway Intervention Grant Program, the Bar Success Intervention Grant Program, and the Bar Success Research Grant Program. Deadlines vary based on award.

ACM SIGHPC/Intel - Graduate Fellowship for Women and Minorities in Computational & Data Science
Fellowships support women and underrepresented students pursue graduate degrees in computational and data science. Computational science encompasses any program of study where computational modeling and simulation serve as the primary methods for conducting research, typically in a field other than computer science (e.g., computational chemistry, wildfire modeling, computational hydrodynamics). Funding is provided by Intel and administered by the Association of Computing Machinery's Special Interest Group on High Performance Computing. The fellowship offers support for up to five years.

Acoustical Society of America - Graduate Scholarship in Phonetics and Speech Science
Funding is available from the Acoustical Society of America through a program of fellowships, scholarships, prizes, grants, and student and young professional awards. There are also funding opportunities that are offered in connection with meetings of the Society including Student Travel Grants, Best Paper Awards for Students and Young Presenters, Student Design Competition Awards, Young Investigator Travel Grants and Dependent Care Subsidies.

Acumen Fund Fellowship
The Global Fellows Program is a 12-month fellowship for individuals dedicated to serving the poor and who have the business and operational expertise, and moral imagination needed to effect long-term social change. The fellowship begins with an eight-week training program in the Acumen New York office, where Fellows learn about business models for the poor, hone their leadership skills, and learn more about Acumen. Deadline: Please visit website

Adobe Research - GEM Fellowship
The objective of this program is to promote the benefits of a masters degree within industry. GEM Fellows are provided practical engineering summer work experiences through an employer sponsor and a portable academic year fellowship of tuition, fees, and a stipend which may be used at any participating GEM Member University where the GEM Fellow is admitted.

Advancing Research Impact in Society (ARIS) Center - Fellowship Program
The ARIS fellowship program is for professionals, researchers, faculty, educators, graduate students and others working to advance research impact practice. The goal of the program is to increase the quality and availability of scholarship and resources about research impacts through two types of projects.

Air & Waste Management Association (A&WMA) - Graduate Scholarships
Each year, the Air & Waste Management Association (A&WMA) recognizes outstanding students who are pursuing courses of study and research leading to careers in air quality, waste management, environmental management / policy / law, and sustainability with respect to air quality and waste management. To support the future of the fields of air and waste management and to help full-time graduate students improve their knowledge and skills, A&WMA will be awarding financial scholarships to exceptional individuals for the 2023/2024 academic year. Applicants must be in school as a full-time student during the academic year of 2023/2024 to be considered for a scholarship award.

Airport Cooperative Research Program (ACRP) - Graduate Research Award on Public Sector Aviation Issues
The ACRP (Airport Cooperative Research Program) Graduate Research Award (GRA) is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policymakers in aviation. The focus of this graduate student research program is on applied research on airport and related aviation system issues to help the public sector continue to improve the quality, reliability, safety, and security of the U.S. civil aviation system well into the foreseeable future.
Alberta Learning Information Service (ALIS) - Sir James Lougheed Graduate Scholarships
Scholarships support masters and doctoral student from Alberta with the opportunity for advanced study at educational institutions outside of Alberta. The scholarship offers support for one year and may be renewed for a second year.

Albright Institute Fellowships
The Albright Institute is designed to inspire a new generation of global leaders. Approximately 40 Wellesley students are chosen from across the majors and disciplines to participate in the Fellowship, which consists of a 3 week Wintersession and a global internship, each year.

Alexander Graham Bell Association College Scholarship Program
Students who were diagnosed with hearing loss before the age of seven are eligible for a merit-based scholarship ranging from $1,000-$10,000.

Alexander Graham Bell Association for the Deaf and Hard of Hearing - George H. Nofer Scholarship for Law and Public Policy
Scholarships support full-time graduate students with pre-lingual bilateral hearing loss who are attending an accredited mainstream law school or a master's or doctoral program in public policy or public administration. The scholarship offers one year of support.

Alexander Graham Bell Association for the Deaf and Hard of Hearing - Scholarship Program
AG Bell offers scholarships for full-time students who have a pre-lingual bilateral hearing loss in the moderately-severe to profound range, use listening and spoken language, and who are pursuing a bachelor's, master's or doctorate (not law or public policy) degree at an accredited mainstream college or university.

Allen Lee Hughes Fellowship and Internship Program
Individuals interested in artistic and technical production, arts administration and community engagement. Fellowships are designed for recent graduates (undergraduate or graduate) and career changers interested in pursuing a career in the professional theater. Fellowship provides a modest stipend and is intended to increase participation of people of color in the arts. Deadline: March.

Amelia Earhart Fellowships (Zonta International Foundation)
Women of any nationality pursuing a Ph.D./doctoral degree who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering are eligible. Please note that post-doctoral research programs are not eligible for the Fellowship. Deadline: November

American Academy of Underwater Sciences (AAUS) - Graduate Research Scholarships
Scholarships facilitate the development of safe and productive scientific divers through education, research and the advancement of standards for scientific diving practices, certifications and operations.

American Academy in Rome - Rome Prize
The prize is awarded to emerging artists and scholars in the arts and humanities for independent study at the American Academy in Rome where they may expand their own professional, artistic, or scholarly pursuits. One prize is sponsored by the National Endowment for the Humanities (NEH). The duration of the residency is generally for 11 months. Some residencies are offered for 6 months or 2 years.

American Antiquarian Society (AAS) - Short-Term Visiting Research Fellowships
Fellowships support doctoral students and postdoctoral researchers conducting research on pre-20th century United States history and culture using the Society's collections. Research must be carried out at the Society in Worcester, MA.

American Association for Geodetic Surveying (AAGS)/National Society of Professional Surveyors (NSPS) - Graduate Fellowship
The AAGS, through the National Society of Professional Surveyors Foundation (NSPS), awards fellowships to graduate students enrolled in geo-spatial sciences and related programs, including surveying, mapping, geographic information systems, and geodetic science. The fellowship is for one year. Deadline: January

American Association of Cereal Chemists International (AACCI) - Charles Becker Graduate Fellowship
The purpose of the fellowship program is to encourage graduate research in grain-based food science and technology. Research in such disciplines as genetics, horticulture, nutrition, microbiology, biochemistry, engineering, or chemistry is not eligible unless it is directly related to the student's primary research program dealing with a grain-based food science and technology related areas.

American Association of Equine Practitioners - Graduate Student Research Grant
The grant supports Post-DVM research on topics related to equine musculoskeletal, gastrointestinal, and metabolic disease, as well as laminitis and new technology
American Association of Family and Consumer Services (AAFCS) - Graduate Fellowships
The AAFCS Recognition program recognizes outstanding members for their professional contributions, emerging and current leaders in the association, and scholars in the field of family and consumer sciences. Deadline: Please visit website for updates

American Association of Medical Colleges
A series of grants and awards honoring individuals in the fields of medical education, research, and community service.

American Association of Petroleum Geologists (AAPG) - Graduate Student Grants
Grants support master’s and doctoral students conducting research in the geosciences whose thesis research has application to the search for and development of petroleum and energy-mineral resources, and/or to related environmental geology issues. See website or full list of current grants. Grants are for one year.

American Association for University Women - International Fellowships
International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. Deadline: November

American Association for University Women (AAUW) - International Fellowships
AAUW International Fellowships support for women pursuing full-time graduate or postdoctoral study in the United States who are not U.S. citizens or permanent residents. The overwhelming majority return to their home countries to become leaders in government, academia, community activism and the arts and science. Deadline: November

American Brahms Society - Karl Geiringer Dissertation Completion Scholarship in Brahms Studies
Scholarships support advanced graduate research in historical musicology, analysis, performance practice, cultural history, and related fields. Work relating to Brahms should form a significant component of the dissertation, but it need not be the exclusive or primary focus. Deadline: March

American Cancer Society - Doctoral Training Grants in Oncology Social Work
As the nation’s largest private, not-for-profit source of funds for scientists studying cancer, the American Cancer Society (ACS) remains committed to funding basic, translational, clinical, and cancer control research now and in the future - as much as we are able given our available financial resources. Deadline: See website for deadlines

American Center of Oriental Research (ACOR) in Amman, Jordan - Pre-doctoral and Postdoctoral Fellowships
Fellowships promote an increased knowledge of ancient and Middle Eastern studies with Jordan as a focus. Fellowships offer support for 2-6 months. Deadline: February

American Center of Oriental Research Scholarships and Fellowships
The foundation offers a series of monetary grants and fellowships based on research within the Asian continent, and is open to various nationalities. Deadline: February

American College of Sports Medicine (ACSM) - Graduate Research Awards
Awards support graduate student research in sports medicine and exercise science. Deadline: November

American Concrete Institute (ACI) - Graduate Scholarships and Fellowships
Fellowships and scholarships (see website for full list) support graduate student members whose studies relate to concrete.

American Council of Learned Societies/Andrew W. Mellon Foundation (ACLS/Mellon) - Fellowship for Dissertation Completion
Fellowships support advanced graduate students in the humanities and related social sciences in the last year of Ph.D. dissertation writing. Applicants must be prepared to complete their dissertations during the fellowship year. The fellowship may be carried out in residence at the fellow’s home institution, abroad, or at another appropriate site for the research. The fellowship offers one year of support.

American Council of Learned Societies/Henry Luce Foundation (ACLS/Luce) - Predissertation Summer Travel Grants in China Studies
Grants provide funding for doctoral candidates to conduct preliminary research in China prior to beginning basic research for the dissertation. They are intended to allow recipients to investigate the research currently underway in Chinese archives and field sites, to establish contact with Chinese scholars, and to secure necessary permissions for their own fieldwork or archival research. Applications in all disciplines of the humanities and related social sciences are welcome. Deadline: November
American Council of Learned Societies (ACLS)/Robert H. N. Ho Family Foundation - Dissertation Fellowship in Buddhist Studies
The Robert H. N. Ho Family Foundation Dissertation Fellowships in Buddhist Studies provide stipends to PhD candidates for full time preparation of dissertations. The ten-month fellowship period may be used for fieldwork, archival research, analysis of findings, or for writing after research is complete. Deadline: November

American Council of the Blind (ACB) - Scholarships for Blind and Visually Impaired Students
The ACB Scholarships provide support for blind and visually impaired students, who may apply the award toward tuition, computer equipment, or to lessen the need to work during a year of study. The scholarships are provided solely on the basis of merit/academic achievement, and provide support for one year.

American Educational Research Association (AERA)/NSF- Dissertation Grant
AERA supports doctoral students writing dissertations focusing on U.S. education issues using quantitative data from the large-scale, national and international data sets supported by the National Center for Education Statistics (NCES), National Science Foundation (NSF), and other federal agencies, and have U.S. education policy relevance. Applications are encouraged from a variety of disciplines such as, but not limited to, education, sociology, economics, psychology, demography, statistics, and psychometrics. Deadline: January

American Geophysical Union (AGU) - Horton Doctoral Research Grant in Hydrological Sciences
AGU grants support doctoral students in the hydrological sciences and related policy-oriented social sciences.

American Handel Society - J. Merrill Knapp Research Fellowship
Fellowships support scholarly projects related to Handel and his world. Requests for funding may include, but are not limited to, purchase of microfilms, travel for research, and production expenses for publication. Deadline: March

American Historical Association (AHA) - Predoctoral Fellowship
Fellowships support research on cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts. Proposals are encouraged from all disciplines as well as epidemiological, behavioral, community, and clinical investigations that bear on cardiovascular and stroke problems. Multidisciplinary proposals are welcome.

American Heraldry Society - William Barton Graduate Scholarship
Barton Scholarships support master's and doctoral students conducting research on heraldry (coats of arms, seals, badges and related symbols) within the United States and its territories and possessions. Eligible disciplines include, but are not limited to, history, literature, law, anthropology, sociology, political science/government, archaeology, art history, architecture and design, and communication studies.

American Historical Association (AHA) - Research Grants
AHA awards several research grants with the aim of advancing the study of history in a diverse number of subject areas. Grants may be used for travel to a library or archive, microfilming, photography, photocopying, borrowing or access fees, or other needs associated with the project. Deadline: February

American Historical Association (AHA) and the NASA Doctoral & Postdoctoral Fellowships in Aerospace History
AHA/NASA Fellowships support research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management.

American Institute for Contemporary German Studies (AICGS)/DAAD (German
Academic Exchange Service) - Research Fellowship
This residential fellowship program brings scholars working on Germany, Europe, and/or transatlantic relations to AICGS in Washington, D.C. for a two-month research stay.

American Institute for Economic Research (AIER)’s Fellowships
The American Institute for Economic Research educates people on the value of personal freedom, free enterprise, property rights, limited government, and sound money. AIER’s ongoing scientific research demonstrates the importance of these principles in advancing peace, prosperity, and human progress.

American Institute for Sri Lankan Studies (AISLS) - Dissertation Planning Grant
AISLS dissertation planning grants are designed to enable graduate students intending to do doctoral research in Sri Lanka to make a pre-dissertation visit to Sri Lanka to investigate the feasibility of their topic, to sharpen their research design, or to make other practical arrangements for future research.

American Institute of Indian Studies (AIIS) - Dissertation Fellowships
Fellowships support dissertation research in India conducted in pursuit of knowledge about India, its people and culture. Deadline: November

American Mathematical Society (AMS)/American Association for the Advancement of Science (AAAS) - Mass Media Summer Fellowship Program
AMS and AAAS jointly sponsor a ten-week summer fellowship through the Mass Media Science & Engineering Fellowship program. The program is designed to improve public understanding of science and technology by placing advanced science, mathematics and engineering students in newsrooms nationwide. Fellows work with media professionals to improve their communication skills and increase their understanding of the editorial process by which events and ideas become news.

American Museum of Natural History (AMNH) - Chapman Small Grant Program
The Chapman Small Grants Program awards grants to graduate students for short-term studies in avian evolutionary biology. Topics can include: 1) systematics, evolution and morphology, 2) comparative evolutionary physiology, endocrinology and behavior, or 3) evolutionary ecology or population biology. The research can be conducted in any location.

American Musicological Society (AMS) - Alvin Johnson Dissertation Fellowship
These fellowships support doctoral students in musicology who are in the dissertation writing phase of their program. It is expected that fellowship recipients will work full-time to complete their dissertations within the fellowship year. Deadline: February

American Musicological Society (AMS) - Howard Mayer Brown Ph.D. Fellowship
Fellowships support minority scholars and teachers in musicology who are members of a group historically underrepresented in the discipline, including African Americans, Native Americans, Hispanic Americans and Asian Americans and, in Canada, aboriginal peoples and visible minorities (as defined by Canadian legislation). The fellowship offers

American Museum of Natural History (AMNH) - Small Grants
The AMNH Grants Program offers modest short term awards to advanced students, postdoctoral trainees, and scientific researchers who are commencing their careers in the fields covered by AMNH.

American Museum of Natural History (AMNH) - Thesis Support Grant
The AIHP PhD Research Support Grant Program is designed to provide financial support for doctoral students pursuing academic research related to the broadly defined history of pharmacy and pharmaceuticals. The AIHP PhD Research Support Grant Program is open to all PhD students enrolled in a university based in the United States, regardless of department or discipline. The student need not be an American citizen; nor does the research topic need to be in the field of American history.
**American Nuclear Society (ANS) Graduate Scholarship**
A series of scholarships (ranging from $1,000 - $5000) for either undergraduates or graduates in nuclear science and technology. U.S. and non-U.S. applicants must be ANS student members enrolled in and attending an accredited institution in the United States. Deadline: April

**American Nuclear Society (ANS) - Graduate Scholarship**
ANS offers scholarships to graduate students in a program leading to an advanced degree in nuclear science, nuclear engineering, or a nuclear-related field.

**American Numismatic Society - Eric P. Newman Summer Graduate Seminar in Numismatics Grant**
Grants offer graduate students the opportunity to work hands-on with one of the world’s preeminent numismatic collections. The eight-week course taught by the museum staff, guest lecturers and a visiting scholar introduces students to the methods, theories and history of the discipline. The seminar is meant primarily for those with limited or no numismatic background in order to familiarize students of (art) history, textual studies, and archaeology with a body of evidence that is often overlooked and poorly understood.

**American Scandinavian Foundation**
The American-Scandinavian Foundation (ASF) offers over $500,000 in funding to Scandinavians to undertake study or research programs (usually at the graduate level) in the United States for up to one year. Eligible candidates must be citizens of one of the following countries: Denmark, Finland, Iceland, Norway or Sweden.

**American Ornithological Society - Research Grants**
AOU supports research in various areas of avian biology for students and postdoctoral researchers who are members of the American Ornithological Society.

**American Philosophical Society (APS) - Lewis & Clark Fund for Exploration & Field Research**
This grant supports exploratory field studies for the collection of specimens and data for direct observation. Applications are invited from disciplines with a large dependence on field studies, such as archeology, anthropology, biology, ecology, geography, geology, linguistics, paleontology, and population genetics, but grants will not be restricted to these fields. Deadline: November

**American Philosophical Society (APS) - Library Resident Research Fellowships**
The APS Library offers short-term residential fellowships for conducting research in its collections. The Library is a leading international center for research in the history of American science and technology and its European roots, as well as early American history and culture. The fellowships offer support for 1-2 consecutive months.

**American Psychological Association (APA) Elizabeth Munsterberg Koppitz Child Psychology Graduate Fellowship**
The APA’s Koppitz fellowship supports graduate research in child psychology including child-clinical, pediatric, school, educational, and developmental psychopathology. The fellowship provides one year of support. Deadline: November

**American Psychological Association (APA) Esther Katz Rosen Fellowships**
Fellowships support research on the advancement and application of knowledge related to identified gifted and talented children and adolescents. Deadline: March

**American Psychological Association (APA) Graduate Scholarships, Fellowships, & Grants**
The APA Foundation supports graduate research in psychology through the American
Psychological Foundation (APF).

**American Psychological Association (APA) Wayne F. Placek Research Grant**
Grants support empirical research to increase the general public’s understanding of homosexuality and sexual orientation, and to alleviate the stress that lesbian women, gay men, bisexual women, bisexual men and transgender individuals experience in this and future civilizations. Deadline: May

**American Research Center in Sofia (ARCS) - Fellowship for Research in Bulgaria**
Fellowships support research on the Bulgarian and Balkan history and culture from prehistory to the present. In addition to independent research, fellows will participate in the academic program of ARCS. Deadline: March

**American Research Center in Egypt (ARCE) - Doctoral and Postdoctoral Fellowships**
Fellowships support doctoral and postdoctoral research on the history and culture of Egypt in a broad range of field, including anthropology, archaeology, architecture, art and art history, Coptic Studies, economics, Egyptology, history, humanistic social sciences, Islamic Studies, literature, political science, and religious studies. All scholars conducting research with ARCE’s administrative or financial support require security clearance from the Egyptian government (see website for restrictions). Deadline: Anticipated January

**American School of Classical Study at Athens (ASCSA) - Graduate & Postdoctoral Fellowships**
ASCSA offers fellowships for graduate students and postdoctoral scholars from affiliated North American colleges and universities (including the University of Illinois) for research and study in Greece. Research topics include all aspects of Greek culture, from antiquity to the present day. ASCSA also hosts scholars funded through the U.S. Department of State Fulbright programs, the Council of American Overseas Research Centers (CAORC), and the National Endowment for the Humanities (NEH).

**American Society for Nondestructive Testing (ASNT) - Graduate Research Fellowship**
Fellowships support graduate research and study in the field of nondestructive testing, which is defined as the process of inspecting, testing, or evaluating materials, components or assemblies for discontinuities, or differences in characteristics without destroying the serviceability of the part or system. In other words, when the inspection or test is completed the part can still be used. The fellowship offers support for one year. Deadline: July

**American Society for Theatre Research (ASTR) - Helen Krich Chinok Dissertation Travel Fellowship**
The Helen Krich Chinoy Dissertation Fellowship is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations. Deadline: July

American Society of Agronomy (ASA) - Nelson Yield-Limiting Factors Graduate Scholarship
Scholarships support graduate students whose goals are to research and develop improved diagnostic techniques and solutions to yield-limiting factors in agronomy. The scholarship offers support for one year.

American Society of Civil Engineers (ASCE) - Graduate Fellowships
Fellowships support graduate members of ASCE enrolled at accredited institutions.

American Society of Heating, Refrigeration & Air-Conditioning Engineers (ASHRAE) - Grants-in-Aid
Grants support graduate student research of relevance to ASHRAE, i.e., research on building systems, energy efficiency, indoor air quality, refrigeration, and sustainability within the industry. The grant offers support for one year.

American Society of Mammalogists (ASM) - Grants & Fellowships
Grants and fellowships support graduate student members of the ASM engaged in research in any area of mammalogy to assist them in the early development of their careers. Deadlines: See website for dates

American Speech-Language-Hearing Foundation (ASHF) - Grants & Scholarships
ASHF supports graduate students pursuing careers in communication sciences and disorders, speech-language pathology, audiology or hearing science, and related areas, that will improve the lives of people with speech, language, or hearing disorders. Deadline: Please check website

American Speech-Language-Hearing Foundation (ASHF) - New Century Scholars Doctoral Scholarship
This program is designed to support strong doctoral candidates who will pursue a teacher-investigator career in an academic environment at the university/college level in the United States.

American Veterinary Medical Foundation (AVMF) - Veterinary Student Scholarships
Scholarships support veterinary students. The scholarships are for one year. Deadline: Please check website

American Water Works Association (AWWA) - Scholarships
AWWA offers a variety of scholarships and fellowships and students enrolled at colleges or universities in the U.S., Canada, Guam, Mexico, or Puerto Rico, unless noted otherwise, who are pursuing studies that will improve drinking water quality. Most scholarships offer support for one year.

Animal Behavior Society (ABS) - Small Graduate Research Grant
The Animal Behavior Society manages several different types of grants and awards including Meeting Related Awards, Student Related Awards, Developing Nations Research Grants, Early Career Research Grants, Travel Awards, and Career Awards. Please visit website for awards and deadlines.

Antipode Foundation - Scholar-Activist Project Grant
The Antipode Foundation exists for the promotion and advancement of social scientific research, education and scholarship in the field of radical geography. Antipode Foundation Scholar-Activist Project Awards are intended to support collaborations between academics, non-academics and activists (from NGOs, think tanks, social movements, or community grassroots organisations, among other places) that further radical analyses of geographical issues and engender the development of a new and better society.

Archaeological Institute of America (AIA) - Dissertation Fellowships & Scholarships
The AIA's mission includes supporting and promoting archaeological research and its dissemination. Please see website for deadlines

APS/IBM Research Internship for Undergraduate Women
Internships are salaried positions typically 10 weeks long at one of three IBM research locations (San Jose, CA, Austin, TX, or Yorktown Heights, NY), and give the opportunity to work closely with an IBM mentor. The Watson lab has a full range of research, as does the Almaden lab, and the Austin lab focuses on software and systems. Deadline: January

Archaeological Institute of America (AIA) - Elizabeth Bartman Museum Internship
The internship fund is intended to help advanced undergraduates, graduate students, or those who have recently completed a master's degree, in Archaeology or a related field (e.g., Anthropology, Art History, Classics, History, etc.) meet expenses associated with undertaking a museum internship (minimum duration a summer or semester).

**Archaeological Institute of America (AIA) - Waldbaum Archaeological Field School Scholarship**
The scholarship is intended to help students who are planning to participate in archaeological field work for the first time. Deadline: March

**Argonne National Laboratory (ANL) - Graduate Student Programs**
Argonne National Laboratory offers opportunities for qualified graduate students who are engaged in work related to Argonne programs. Argonne is a science and engineering national research laboratory operated by the University of Chicago for the US Department of Energy. Argonne maintains a broad portfolio in basic science research, energy storage and renewable energy, environmental sustainability, supercomputing, and national security.

**Armenian Students Association of Americas Scholarships**
In order to be eligible for an ASA Scholarship, you must meet the following criteria:
Must be of Armenian descent.Must be a U.S. citizen OR must possess appropriate Visa status in order to study in the U.S. Deadline: March

**Armenian Relief Society (ARS) of Eastern USA - Lazarian Graduate Scholarship**
The ARS provides graduate scholarships to students of Armenian descent. ARS evaluates applicants’ merit, financial need and Armenian community involvement. Scholarships are for one year. An individual who receives an award may apply for a scholarship during the following year. Deadline: April

**Armenian Students’ Association (ASA) - Scholarship**
ASA offers scholarships for students of Armenian descent at accredited colleges and universities. The scholarship is for one year and students may reapply each year. Deadline: March

**Asian Cultural Council Grants and Fellowships**
Any gifted individual artist or scholar who seeks to grow in his or her craft or field can apply for funding to conduct research and study, receive specialized training, undertake observation tours, or pursue non-commercial creative activity in the United States or among the countries of Asia.

**Asian Cultural Council Grant**
The Council supports transformative cultural exchange by awarding grants to artists, scholars, and arts and humanities professionals, as well as organizations and educational institutions from the United States and Asia for research, study, and creative work in the United States and Asia and within the countries of Asia. Grants for artists are process-oriented, not product-oriented, and are intended for exploration, not exhibition. Grants for individuals offer support for 1-12 months.

**Asian Development Bank (ADB) - Japan Scholarship Program**
The ADB-Japan Scholarship Program (JSP) offers about 135 graduate scholarships a year for studies in economics, business and management, science and technology, and other development-related fields. Member countries* to pursue postgraduate studies in economics, management, science and technology, and other development-related fields.

**Association for Jewish Studies (AJS) - Dissertation Completion Fellowship**
Fellowships support the timely completion of doctorates by graduate students in the field of Jewish Studies. Please visit website for more details and deadlines.

**Association for Institutional Research (AIR) Scholarships and Grants**
AIR is pleased to provide scholarships* and grants that facilitate the professional growth and development of institutional research professionals. Deadlines vary based on award

**Association of Field Ornithologists (AFO) - Bergstrom Memorial Research Award**
The purpose of the award is to promote field studies of birds by helping to support a specific research or analysis project. These awards honor the memory and dedication to bird research. Deadline: January

**Association of Field Ornithologists (AFO) - Skutch Research Awards**
Grants support minimally invasive research into the life histories, especially social relations and reproduction, of little known birds of the continental Neotropics, including Trinidad and Tobago. Deadline: July

**Association of Illinois Township Committees on Youth (AITCOY) - Master’s Student Scholarship**
Scholarships support master’s students pursuing studies with a focus on youth. The scholarship offers support for one year. Deadline: September
Association of Moving Image Archivists (AMIA) - Scholarships
The Association of Moving Image Archivists offers financial assistance to graduate and professional students wishing to pursue careers in moving image archiving.
Deadline: May

Aspen Music Festival & School (AMFS) - Scholarship & Fellowship
The Aspen Music Festival and School offers two forms of financial assistance to its students: scholarships and fellowships. Scholarships range from partial to full tuition, and fellowships cover full tuition as well as room and board in School housing. More than 65% of the AMFS student body receive some amount of financial assistance aid and more than 37% receive fellowships. Scholarships are awarded based on a combination of talent and financial need, and range from partial to full tuition. All students who apply for financial assistance will be considered for scholarship. Fellowships are merit-based and are awarded based either on a live audition or a recorded application and cover full tuition, and room and board in School housing. Deadline: Please check website

AT&T Graduate Fellowship
Scholarships for students in Masters of Library Science graduate program. This fellowship offers three-year fellowships to outstanding underrepresented minority and women students pursuing PhD studies in computing and communications fields. US Citizenship or residence is NOT a requirement, but students must have a US social security number. Deadline: Please check website for dates

AT&T Internships
AT&T has a variety of Internships and Full-time programs available to take you where you want to go. Let us customize the content and jobs you see. There are part-time and full-time internships available. Please visit website for more details

Atlantic Salmon Federation (ASF)/Federation du Saumon Atlantique olin Fellowship
The Atlantic Salmon Federation is dedicated to advancing knowledge of wild Atlantic salmon and their environment. Each year, Olin Fellowships are awarded to individuals from North America for the purposes of basic research, academic study, or to become involved in Atlantic salmon management programs. Deadline: March

Audobon Research Ranch - Student Research Fellowship Program
At Audubon Southwest, we seek science-based solutions to the biggest threats facing the region's birds, other wildlife, habitats, and communities. Without sound science to tell us what birds need, we cannot do our work. Visit website for more details and deadline.

Autism Science Foundation (ASF) - Student Research Awards
The Autism Science Foundation regularly awards grants and fellowships to autism researchers studying a variety of issues aimed at finding solutions for people with autism.
Deadlines vary based on award. Please visit website.

Baxter International - Young Investigator Graduate Award
Baxter's Young Investigator Awards seek to stimulate and reward research applicable to the development of therapies and medical products that save and sustain patients' lives. Please visit website for application and deadline.

Belgian American Education Fund, Inc.
The foundation offers fellowships for study or/and research in the United States. In addition to the amounts indicated, BAEF also pays for health insurance at the US institution. Fellows are Belgian citizens, who are expected to stay in the USA for a full academic year at a US institution or for a full year to do research institution.
Deadline: October

Beta Phi Mu - Eugene Garfield Dissertation Writing Fellowship in Library & Information Science and Related Fields
Fellowship for dissertation writing in library and information science, information studies, informatics, or a related field. Please visit website for deadline.

Better Scientific Software - Fellowship Program
The main goal of the BSSw Fellowship program is to foster and promote practices, processes, and tools to improve developer productivity and software sustainability of scientific codes. We also anticipate accumulating a growing community of BSSw Fellowship alums who can serve as leaders, mentors, and consultants to increase the visibility of those involved in scientific software production and sustainability in the pursuit of scientific discovery. Deadline: September

Bibliographical Society of America (BSA) - Fellowships
BSA offers several fellowships supporting research on the history of the book trades and publishing: Deadline: October

BMI Foundation Scholarships for Young Composers, Performers, and Radio Broadcasting Degree Candidates
Scholarships support the creation, performance, and study of music. Deadlines: Vary, based on the award

**Boehringer Ingelheim Fonds - Dissertation Fellowship for Biomedical Research**
The Boehringer Ingelheim Fonds (BIF) awards PhD fellowships of 2 to 3.5 years to outstanding junior scientists worldwide who wish to pursue an ambitious PhD project in basic biomedical research in an internationally leading laboratory. Deadlines: February, June, October

**Boston Athenaeum Research Library - Short-Term Research Fellowships**
The Boston Athenæum offers short-term fellowships to support the use of Athenæum collections for research, publication, curriculum and program development, or other creative projects. Deadline: April

**Boston College - African & African Diaspora Studies Program (AADS) - Dissertation Fellowship**
Boston College’s African & African Diaspora Studies Program (AADS) announces its dissertation fellowship competition. Scholars working in any discipline in the Social Sciences or Humanities, with projects focusing on any topic within African and/or African Diaspora Studies, are eligible to apply. We seek applicants pursuing innovative, preferably interdisciplinary, projects in dialogue with critical issues and trends within the field. Deadline: January

**Boston College - Center for Retirement Research - Dissertation Fellowships**
The Center for Retirement Research at Boston College sponsors the annual Dissertation Fellowship Program in the field of retirement or disability research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement or disability issues. Deadline: January

**Boston University/West African Research Association (WARA) Fellowships**
WARA offers a variety of awards ranging from travel grants to residencies to pre- and post-doctoral fellowships for research in West Africa and the U.S. All disciplines are welcomed to apply, but requirements vary by award. Deadline: Varies depending on fellowship

**Breakthrough Institute - Breakthrough Research Fellowships**
Breakthrough Fellowships support today’s most promising and innovative environmental thinkers. From recent college graduates to established thought leaders, our fellows form an integral part of the Breakthrough network and contribute to our groundbreaking scholarship. Deadline: Continuous

**Briscoe Center for American History - Research Travel Awards**
The Briscoe Center for American History’s Research Travel Awards assist masters, doctoral, and post-doctoral students with costs associated with travel to Austin, Texas. The Briscoe Center Travel Award Review Committee will assign successful applicants to one of the named awards described on the website. Deadline: April

**Cambridge Overseas Trust**
Established by the University of Cambridge, UK in order to support international students. Offers full and part scholarships at all levels applications are made to the University, not the trust. Some scholarships require additional application to a funding partner. Deadline: October

**Center for Strategic and International Studies (CSIS) internships**
CSIS offers full and part-time internships in the fall, spring and summer for undergraduates, advanced students, and recent graduates who are interested in gaining practical experience in public policy. Applicants must be eligible to work in the U.S, and at least a college junior in good standing, an advanced student or a recent graduate. Deadlines: Varies depending on award.

**Charles G. Koch Summer Fellow Program**
The Charles G. Koch Summer Fellow Program offers internships in public policy located in Washington, DC, and at state-based policy organizations across the country featuring a $4,800 stipend. Applicants must be eligible to work in the U.S. Deadline: November

**Charlotte W. Newcombe Doctoral Dissertation Fellowship**
Designed to encourage original and significant study of ethical or religious values in all fields of the humanities and social sciences, and particularly to help Ph.D. candidates in these fields complete their dissertation work in a timely manner. In addition to topics in religious studies or in ethics (philosophical or religious), dissertations appropriate to the Newcombe Fellowship competition might explore the ethical implications of foreign policy, the values influencing political decisions, the moral codes of other cultures, and religious or ethical issues reflected in history or literature. Applicants must be candidates for Ph.D. or Th.D. degrees in an American doctoral program at a graduate school located in the United States, and in the writing stage of his or her dissertation. Candidates working on D. Min., law, Psy.D Ed.D. and other professional degrees are not eligible. Deadline: November
California State University - Chancellor's Doctoral Incentive Program (CDIP)
The goal of the California State University Chancellor's Doctoral Incentive Program (CDIP) is to increase the number of faculty with the qualifications, motivation, and skills needed to teach the diverse students of the CSU. CDIP prepares promising doctoral students for CSU faculty positions by providing financial support, mentorship by CSU faculty and professional development and grant resources. It is the largest program of its kind in the U.S.

Camargo Foundation - Residential Fellowships in France
The Camargo Foundation, located in Cassis, France, offers residential fellowships to researchers, scholars, choreographers, writers, playwrights, composers, and visual artists. The Foundation's campus includes twelve furnished apartments, a reference library, a music/conference room, an artist's studio with darkroom, a composer's studio and a studio for either an artist or a composer. Fellowships for fall are for two months; fellowships for winter/spring are for six, eight, or eleven weeks. Deadline: Please see website

Cambridge Michigan Language Assessments (CaMLA) - Spaan Research Grants
Grants support the cost of data collection and analyses for research projects related to second or foreign language assessment and evaluation. Deadline: June

Canadian Federation of university Women (CFUW) - Fellowships for Canadian Women
CFUW is committed to improving the status of women, promoting quality education and advancing the status of women, human rights, justice and peace. The Federation awards numerous fellowships to Canadian women for study in Canada, the US and elsewhere. Deadline: Please see website

Canadian Institute of Ukrainian Studies (CIUS) - University of Alberta - Graduate Fellowships
A primary aim of the Canadian Institute of Ukrainian Studies is to foster, develop, and support Ukrainian studies in Canada and internationally. This is done in part by offering or administering post-doctoral fellowships, graduate fellowships (to master's and doctoral students), and scholarships to undergraduate students. Deadline: Please see website

Cartography and Geographic Information Society (CaGIS) - Graduate Scholarships
CaGIS scholarships support research in cartography and geographic information science. Deadline: February

Carle Foundation Hospital/University of Illinois - Cancer Scholars for Translational and Applied Research (C*STAR) Graduate Fellowship
Fellowships are for graduate students pursuing a career in cancer-based translational research, focused on breast, prostate, gastrointestinal, gynecological, or lung cancers. Fellows work with a Carle Cancer Center physician and an Illinois faculty member on a clinically relevant project that addresses cancer prevention, detection, diagnosis, or treatment. Fellows and faculty participate in grand rounds, site-alternating monthly work update meetings, and joint seminars held every other week. Deadline: Please see website for updates

Cave Research Foundation (CRF) - Philip M. Smith Graduate Research Grant
Grants support graduate student research in cave and karst studies leading to either a master's or doctoral degree. Proposals may be in any field of the earth, natural or social sciences as long as the research addresses topics relate to caves or karst. Additional funding may be available for projects that show a creative merging of two or more scientific disciplines. The grant offers support for one year. Deadline: March

Center for Craft Creativity & Design Fellowships
Grant programs build a future for craft by providing vital resources to catalyze craft communities and amplify craft’s impact in the United States. We believe craft matters. Deadline: Vary based on award. Please see website

Center for Creative Photography - Ansel Adams Research Fellowship
Fellowships support research at the Center, located at the University of Arizona, Tuscon, that will add new knowledge about photography and the history of photography. The fellowship offers support for one year. Deadline: March

Center for Engaged Scholarship (CES) - Dissertation Completion Fellowship
Fellowships are for doctoral students in the social sciences whose work will contribute to making U.S. society less unequal, more democratic, and more environmentally sustainable. The fellowship is for one year. Deadline: Please see website

Center for Jewish History (CJH) - Graduate Research Fellowship
Fellowships support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO Institute for Jewish Research. Deadline: Please see website

Center for Khmer Studies (CKS) - Dissertation Research Fellowships
Fellowships support U.S., Cambodian, and/or French scholars (or EU citizens holding a French degree) in the social sciences and humanities conducting research in Cambodia and Southeast Asia. Deadline: November

Center for LGBTQ Studies (CLAGS) - Research Fellowships
CLAGS offers three significant fellowship and award opportunities for exceptional student advocates and researchers in the area of LGBTQ studies. Deadline: Vary based on fellowship, please visit website.

Charles Babbage Institute - Tomash Fellowship in the History of Information Technology
Each year the Adelle and Erwin Tomash Graduate Fellowship is awarded to and provides a $14,000 stipend to a standout graduate student for doctoral dissertation research in the History of Computing, Information, and Culture. Deadline: Please see website

Chi Epsilon (Civil Engineering Honor Society) - Graduate Fellowship
The fellowship supports a graduate student member of Chi Epsilon pursuing a career in civil engineering or a directly associated engineering option. The fellowship offers support for one year. Deadline: Please see website

Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for non-ROC Citizens
Fellowships support the writing of dissertations on Chinese Studies. The Chiang Ching-kuo Foundation is a nonprofit organization headquartered in Taipei, the capital of the Republic of China. The Foundation promotes international scholarly exchange and the understanding of Chinese culture and society overseas. Successful candidates are expected to complete their dissertations by the end of the grant period. Deadline: October

Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for ROC Students Abroad
Fellowships support dissertation write-up in research on Chinese Studies. The Chiang Ching-kuo Foundation is a nonprofit organization headquartered in Taipei, the capital of the Republic of China. Deadline: October

Chicago Field Museum - Fellowships
The Field Museum offers a limited number of fellowships to graduate students engaged in dissertation research associated with the museum. These fellowships provide a stipend and limited funds for research and travel. Deadline: February

Children's Literature Association - Hannah Beiter Graduate Student Research Grants
Grants for research in children's literature criticism related to the dissertation or master's thesis. The award may be used to purchase supplies and materials (e.g., books, videos, equipment), as research support (photocopying, etc.) or to underwrite travel to special collections or libraries. Funds may not be applied to tuition. Deadline: February

Chung-Hwa Institute of Buddhist Studies - Graduate Fellowship for Research on Pre-Modern Chinese Buddhism
Fellowships support master's and doctoral student research on pre-modern Chinese Buddhism across a range of disciplines. There is no requirement for residency at the Institute, located in Taipei, Taiwan. Fellowships are for one year. Deadlines: Please see website

City of Chicago - Mayor's Office Summer Fellowship Program
The Mayor's Office Fellowship Program is the premier opportunity for bright, motivated, and civic-minded graduate students from all disciplines to apply their coursework to the greatest municipal laboratory in the world: the City of Chicago. Fellows serve the people of Chicago by supporting policy, legislative, data, communications, and public engagement initiatives within city government. Deadline: December

Cold Spring Harbor Laboratory (CSHL) - Sydney Brenner Research Scholarship in the History of Molecular Biology, Genetics, and Biotechnology
Scholarships support scholars, historians and writers who study the history of cancer, women in science, molecular biology, genetics, neuroscience, plant biology, the intersection of biology and physics, and other topics relating to the molecular biology revolution. The scholarship is intended to fund travel and other expenses associated with working on the project, including use of the Cold Spring Harbor Laboratory Archives collections and sources at other locations. The scholarship is for one year.
Deadline: Please see website

**College of Physicians of Philadelphia - Wood Institute for the History of Medicine - Travel Grants**
The F.C. Wood Institute for the History of Medicine at the College of Physicians of Philadelphia offers grants to cover travel and lodging expenses for researchers who wish to use the College's collection of texts, manuscripts, archives, images, artifacts, and specimens in the history of medicine for short-term research (1 to 2 weeks).

**Deadline:** Please see website

**Conference on Jewish Material Claims Against Germany - Kagan Dissertation Fellowship for Advanced Shoah Studies**
Kagan fellowships support PhD candidates pursuing advanced study of Jews who were systematically targeted for destruction or persecution by the Nazis and their allies between 1933 and 1945 (and immediate post-war). Supported research can include: the immediate historical context in which the Holocaust took place; political, economic, legal, religious or socio-cultural aspects; ethical and moral implications; or other related, relevant topics. Fellows present their work at a summer workshop. Deadlines: December

**Conference on Latin American History (CLAH) - Doctoral Travel Grant for Exploratory Research**
The purpose of the award is to permit a short, exploratory research trip abroad (normally four to twelve weeks) to determine the feasibility of a Ph. D. dissertation topic dealing with some facet of Latin American history. Deadlines: April

**Conference on Latin American History (CLAH) - Fellowship for Research on Pre-1868 Cuban History**
Fellowships support the study of Cuba between 1492 and 1868 including original research on Cuban history in Spanish, Mexican, and U. S. archives. The fellowship offers support for one year. Deadline: June

**Consortium for History of Science, Technology and Medicine Fellowships**
Fellowships support scholars in the history of science, technology or medicine who would like to use collections at two or more Consortium member institutions. Fellows use offices in the Consortium’s facility in Center City Philadelphia. Fellows are expected to spend the academic year at the Consortium facilities in Philadelphia, participate in our events and conduct research at two or more Consortium member institutions.

**Deadline:** December

**Coordinating Council for Women in History (CCWH) Awards**
The CCWH offers six awards to help reach its organizational goals. For a full award description, current application form and information about previous award recipients, please click to view the details for a specific award.

**Deadline:** June

**Cornell University - Clarence S. Stein Institute for Urban & Landscape Studies - Research Fellowship**
The Clarence S. Stein Institute for Urban and Landscape Studies supports research, scholarship, and study on topics related to the legacy and ideas of Clarence Stein around the built environment as expressed in his book, Toward New Towns for America (Reinhold, 1957), broadly interpreted. This includes, but is not limited to, the fields of urbanism, historic preservation, landscape architecture, land use, urban design, regional planning, and residential development, domestically and internationally.

**Deadline:** March

**Costume Society of America (CSA) - Stella Blum Student Research Travel Grant**
The Stella Blum Student Research Grant is intended to assist the research of a current undergraduate or graduate student who is a member of the Costume Society of America and conducting original research in the field of North American costume.

**Deadline:** Please see website

**Council for Advancement & Support of Education (CASE) - Awards**
Each year, CASE recognizes best practices in advancement and outstanding people who contribute to the growth and understanding of the advancement profession.

**Deadline:** Vary by award, please visit website

**Crew Network Foundation - Scholarship for Women in Commercial Real Estate**
The Crew Network Foundation Scholarships are designed to encourage women to pursue an education which will lead to a career in the commercial real estate industry.

**Deadline:** April

**Croucher Foundation - Doctoral Scholarship for Students from Hong Kong in Science, Technology, and Medicine**
Scholarships support permanent residents of Hong Kong to pursue doctoral studies in natural sciences, technology, and medicine abroad. Recipients devote themselves to a period of full-time study or research in natural sciences, medicine or technology in approved academic institutions outside Hong Kong.

**Deadline:** Please see website
Crystal Bridges Museum of American Art - Tyson Scholars Program
Fellowships support full-time residential scholarship in the history of American art, visual and material culture from the colonial period to the present. Tyson Scholars have access to the art and library collections of Crystal Bridges in Bentonville, Arkansas, as well as the library at the University of Arkansas in nearby Fayetteville. Deadline: December

D. Kim Foundation for the History of Science and Technology in East Asia - Graduate and Postdoctoral Fellowships & Travel Grant
Fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in East Asia from the beginning of the 20th century, regardless of their nationality, origins or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome. Deadline: December

DAAD (German Academic Exchange Service) - German Studies Research Grant
DAAD offers German Studies Research Grants to highly qualified graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany. The program is designed to encourage research and promote the study of cultural, political, historical, economic and social aspects of modern and contemporary German affairs from an inter- and multidisciplinary perspective. Deadlines: May & November

DAAD (German Academic Exchange Service) - Research Grants
DAAD grants support doctoral candidates who wish to conduct research or obtain training in Germany. Grants are available for short-term projects (1-6 months) and long-term projects (7-10 months), and projects may be in any academic discipline. Deadlines: Please see website

DAAD (German Academic Exchange Service) - Scholarship for Intensive Language Courses
Scholarships enable graduate students to improve their knowledge of the German language (general language, special language) and cultural knowledge of the country. Course providers and course programmes can be found on the DAAD website course list. Courses are available from June through December. The duration of each course duration is eight weeks. Deadline: Please see website

Dumbarton Oaks Fellowships
Dumbarton Oaks offers residential fellowships in three areas of study: Byzantine Studies (including related aspects of late Roman, early Christian, Western medieval, Slavic, and Near Eastern studies), Pre-Columbian Studies (of Mexico, Central America, and Andean South America), and Garden and Landscape Studies. Fellowships are open to graduate students and doctoral candidates. Deadlines vary. Non-US citizen applicants should check their visa status before applying.

Davis-Putter Scholarships
Need-based grants (up to $6,000) to undergraduate or graduate students who are able to do academic work at the college level, and are actively working for peace and justice. Grantees must receive college credits for the time period covered by their grant. Open to non-US citizens who are attending an accredited university. Deadline: April

DAAD (German Academic Exchange Service) - Scholarship for Summer Language Study at German Universities
Scholarships to attend a broad range of 3- to 4-week summer language courses at German universities which focus mainly on German language and literary, cultural, political and economic aspects of modern and contemporary Germany. Extensive extracurricular programs complement and reinforce the core material. To find out the most up-to-date information on course offerings at different universities, go to the DAAD Summer Course Search Engine. Make sure to choose courses marked with the circle icon; only these courses are eligible for funding. Deadline: December

DAAD (German Academic Exchange Service) - Study Scholarships for Music, Performing Arts, Design/Visual Communication, & Architecture
Scholarships allow graduate students and recent graduates in music, performing arts, fine art, film, design/visual communication, film, and architecture. The scholarship duration ranges from 10 to 24 months. Deadline: Please see website

Dan Davis Prize - Doctoral Scholarship
Scholarships support interdisciplinary research that cuts across traditional boundaries and paradigms. The Prize aims to foster universal values of excellence, creativity, justice, democracy and progress and to promote the scientific, technological and humanistic achievements that advance and improve the world. The scholarship offers support for one year. Deadline: October

Dartmouth University - Program in African American Studies - Thurgood
Marshall Dissertation Fellowship
The Thurgood Marshall Dissertation Fellowship supports completion of the doctorate by underrepresented minority scholars and other graduate scholars with a demonstrated commitment and ability to advance educational diversity. Fellows participate together in mentoring and professional development programming, including guidance in preparing their dissertations. Deadline: Please see website

Davis-Putter Scholarship in Social Justice
The Davis-Putter Scholarship Fund provides financial support for students who are active and emerging organizers in progressive movements for liberation, self-determination and social and economic justice in their communities. These need-based scholarships are awarded to students who are enrolled at a college or university or in a trade or technical program. Deadline: April

Dedalus Foundation - Dissertation Fellowship in Modern Art
The Dedalus Foundation Dissertation Fellowship is awarded annually to a PhD candidate at a university in the United States who is working on a dissertation related to painting, sculpture and allied arts from the twentieth century. Deadline: December

Drexel University - College of Medicine - Goeckner Summer Fellowship for Research on the History of Women in Medicine
Fellowships support research using the Drexel University College of Medicine Archives and Special Collections on Women in Medicine. In addition to materials related to the history of the Woman’s Medical College/Medical College of Pennsylvania, the collections have particular strengths in the history of women in medicine, nursing, medical missionaries, the American Medical Women’s Association, American Women’s Hospital Service, and other women in medicine organizations. The majority of the collections fall within the period 1850 to the present. The fellowship offers support for 4-6 weeks. Deadline: April

Dumbarton Oaks Research Library and Collection - Summer Fellowship
For Byzantine and Pre-Columbian scholars on any level of advancement beyond the first year of graduate (post-baccalaureate) study. Summer Fellowships are awarded for a period of eight weeks. Deadline: August

Dwight D. Eisenhower Presidential Library and Museum - Travel Grant
Travel grants for scholars for use of primary sources housed at the library in such fields as history, government, economics, communications, and international affairs. Deadline: August

Early American Industries Association (EAIA) - Research Grants
The Association offers grants for research relating to its mission to preserve and present historic trades, crafts, and tools, and interprets their impact on our lives. The research grant may be used to supplement existing fellowships, scholarships, or other forms of aid. It may not be used to pay for salaries, historical artifacts, software or equipment in whole or in part. Please see website

Economic History Association (EHA) - Dissertation Fellowship
Fellowships support doctoral research on every phase of economic history, broadly defined. Three fellowships are available each year (students submit only one application to be eligible for all three). The fellowships offer support for one year. Deadline: March

Economic History Association (EHA) - Dissertation Grant
Grants support doctoral students at an early stage of writing a dissertation in economic history. They provide funding for specific research purposes, for example, visiting archives or purchase of microfilm or CD-ROMs. The grant offers support for one year. Deadline: March

Educational Testing Service (ETS)/TOEFL - Grants for Graduate Studies
The Educational Testing Service supports research in areas relevant to English language learning and foreign or second-language assessment. Deadlines: Please see website

Edward F. Albee Foundation - Short-Term Residential Fellowships for Writers and Visual Artists
The Foundation maintains the William Flanagan Memorial Creative Persons Center (better known as “The Barn”) in Montauk, on Long Island in New York, as a residence...
for writers and visual artists of all media. Residencies are for 4-6 weeks between mid-May and mid-October.
Deadline: Please see website for updates

Provides seed funding and support to more than 450 social entrepreneurs with bold ideas for social change in order to launch groundbreaking organizations around the world. A stipend of $60,000 for individuals ($90,000 for 2-person partnerships) paid in four equal installments over two years. Must demonstrate sufficient English fluency to participate in interviews and Echoing Green events. The fellowship includes the Global Fellowship, the Black Male Achievement Fellowship, and the Climate Fellowship.
Deadline: October

Egg Nutrition Center and American Egg Board (ENC-AEB) - Young Investigator Research Award for Early Exploration
The fellowship supports students and post-doctoral fellows in producing preliminary research results that will support future studies or enhance the scope of current research projects beyond funding limits. Examples of the types of projects include proof-of-concept studies, pre-clinical data, secondary data analysis from clinical trials, and development of research methodology. The fellowship is for one year.
Deadline: Please see website for updates

Embassy of France - Chateaubriand Fellowships for Humanities & Social Science Research in France
The Embassy of France offers Chateaubriand Fellowships, which support PhD students from American universities who seek to engage in research in France in any discipline of the humanities or social sciences. Projects may last 4-8 months. The fellowship is divided into two subprograms.
Deadline: January

Embassy of France - Chateaubriand Fellowships for Science, Technology, Engineering, Mathematics & Health Research in France
Fellowships support doctoral students enrolled at US universities wishing to conduct their research in a French laboratory as part of a co-supervised research project. The fellowship aims to initiate or reinforce research collaborations, partnerships, or joint projects. The fellowship offers support for 4-9 months.
Deadlines: January

EMDR Foundation - Sandra Wilson Memorial Doctoral Dissertation Grant for Mental Health Research
Grants support dissertation expenses related to research to study the effectiveness of Eye Movement Desensitization and Reprocessing (EMDR) in one of the following priority areas: advancing evidence based practice, addressing the global burden of trauma, and building clinical evidence. These priorities apply to research across the lifespan, so that a study might address, for example, adolescent addiction, or geriatric depression. The grant offers support for one year.
Deadlines: February and July

Elizabeth Greenshields Foundation Grant for Artists
Awards five grants in the amount of $15,000 (Canadian) and subsequent grants $18,000 each. No age limit but applicants must be at least 18 years of age at the time of submitting the application. Not for those pursuing abstract or nonrepresentational art.
Deadline: ongoing

Environmental Research and Education Foundation Scholarships are awarded by EREF to recognize excellence in master's, doctoral or post-doctoral waste management research and education. Applicants will be this year or are now a full-time master's student, doctoral student or a post-doctoral researcher.
Deadline: December

Environmental Research & Education Foundation (EREF) - Scholarships in Waste Management Research & Education
Scholarships support master's and doctoral students in waste management research and education. The scholarships offer support for one year, renewable up to two years (master's) or three years (doctoral).
Deadline: March

Epilepsy Foundation/American Epilepsy Society - Predoctoral Fellowship
Fellowships support predoctoral students pursuing dissertation research with an epilepsy relevant theme, and who are working under the supervision of a mentor with expertise to supervise in the area of epilepsy investigation. The fellowship offers one year of support.
Deadline: January

Episcopal Church Foundation (ECF) - Fellowship Partners Program
Fellowship support to emerging scholars in an area where the Episcopal Church needs to develop expertise. The fellowship offers support for one year, renewable for up to three years total.
Deadline: March

Eudora Welty Foundation - Summer Graduate Research Fellowship
The Foundation offers support for graduate students wishing to use the Welty Collection and other materials at the Mississippi Department of Archives and History in Jackson, Mississippi. Recipients are expected to spend at least two weeks in Jackson between May and September.

**Deadlines:** March

**European Society for Clinical Nutrition and Metabolism (ESPEN) - Doctoral and Postdoctoral Fellowship**

Fellowships support doctoral and postdoctoral experimental and clinical research in the field of clinical nutrition and metabolism. The fellowship offers support for one year.

**Deadlines:** April

**European Union Studies Association (EUSA) - Haas Fund Fellowship**

The Haas Fund Fellowship recognizes a graduate student for his or her dissertation research in the field of European Union Studies. The fellowship will be awarded at the EUSA Biennial International Conference.

**Deadline:** October

**Experiment.com - Crowdfunding for Scientific Research**

Experiment is an online platform for discovering, funding, and sharing science. Backers fund directly to the scientists, so there is no middleman or overhead involved. It is an all-or-nothing funding platform. This means the project must reach the funding target, or no one’s pledges are charged. All projects are rigorously reviewed, provided feedback, and scientifically approved by the Experiment team.

**Deadline:** Varies, depending on project

**Explorers Club - Exploration Fund - Grants for Exploration and Field Research**

The Exploration Fund Grant is for graduate, post-graduate, doctorate and early career post-doctoral students. It provides grants in support of exploration and field research for those who are just beginning their research careers. Generally, The Explorers Club considers research proposals in a wide array of disciplines, including: Climate Change, Geoscience, Paleoclimate (i.e. Early Earth, Tectonics, Volcanism, Paleontology, Glaciology, Geophysics, Astronomy); Marine Science, Marine Biology, Marine Life, Fish, Coral, Ocean, Fresh Water, Rivers, Lakes, Estuaries; Anthropology/Archaeology; Plants and Molds; Animals; Conservation Science.

**Deadline:** Vary based on grant

**Facebook - Emerging Scholar Program - Predoctoral Fellowship for Underrepresented Students**

Fellowships support first or second year PhD students who are members of a minority group that is underrepresented in the technology sector. The fellowship offers support for two years.**Deadline:** September

**Fahs-Beck Fund for Research and Experimentation - Dissertation Grants for Research in the Human Services**

Grants support dissertation research that has the potential for adding significantly to knowledge about problems in the functioning or well being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems. The research must focus on the United States and/or Canada or on a comparison between the United States and/or Canada and one or more other countries.

**Deadlines:** Please see website

**Future Leaders Forum Student Scholarship Program**

The Association for International Agriculture and Rural Development (AIARD) administers a competitive scholarship program to nurture and to provide partial financial support to students attending the AIARD Annual Conference and the annual Future Leaders Forum in Washington, D.C. Scholarships are awarded on a competitive basis to students who have a sincere interest in international agriculture and rural development issues and their solutions. Undergraduate or graduate students, foreign and American are encouraged to apply. **Deadline:** March

**Finlandia Foundation National Trust Scholarship**

The Foundation invites high-quality projects on a competitive basis that relate to past, present or future of Finnish and Finnish-American culture and are characterized by MANY of the following: receives favorable attention and has a high profile and visibility; appeals to all Americans, not only ethnic Finns; involves worthy activity for children and young adults to assure an interest in Finnish and Finnish-American culture by future generations; can be replicated or become a permanent addition to the cultural life of a community; has a detailed budget, income and expenses; and adds to the body of research about Finnish and Finnish-American culture. **Deadline:** January

**Fermi National Accelerator Laboratory - Universities Research Association, Inc. (URA) - Visiting Scholars Program**

The program support visits by researchers from the URA member institutions to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the Lab. Support provided by the program may include the following: travel and local lodging expenses during a series of short visits OR salary support and round trip travel expenses for an extended visit. Awards are for up to one year. **Deadline:** August
Finlandia Foundation National (FNN) - Scholarships for Graduate Study
FNN awards scholarships to full-time undergraduate and graduate students of all academic disciplines who are currently enrolled in accredited post-secondary schools in the United States and Finland. A special scholarship is available to law students.
Deadline: February

Forest History Society - Walter S. Rosenberry Graduate Fellowship
Fellowships offer one year of support to the doctoral research of a graduate student attending a university in North America whose research contributes to forest and conservation history.
Deadline: March

Foundation for Community Association Research - Byron Hanke Graduate Fellowship
Fellowships support graduate students working on research projects related to the development, management and governance of common interest communities and their community associations. See website for supported areas and topics of study. The fellowship offers support for one year.
Deadline: June

Foundation for Food and Agriculture Research (FFAR) - Fellows Program
The FFAR Fellows Program offers leadership and professional development training to PhD students studying food and agriculture-related sciences in the U.S. and Canada. North Carolina State University leads the initiative, which provides Fellows with training, networking opportunities, and peer support. Deadlines: February

Foundation for the History of Women in Medicine - Countway Library Research Fellowships
To support focused research on the history of women in medicine, the Foundation provides annually one $5,000 grant to cover travel, lodging, and incidental expenses for a flexible research period between July 1 and June 30.
Deadline: Please see website for updates

Foundation for Women’s Wellness (FWW) - Doctoral and/or Medical Student Fellowship
Fellowships support basic, clinical or epidemiological lines of inquiry into leading women’s health concerns. Priority areas are cardiovascular disease, leading female cancers, hormones’ role in disease and stage-of-life health concerns, diseases or health concerns that disproportionately afflict women, and exploration of gender differences related to the aforementioned topics. The fellowship is for one year.
Deadline: December

Frank Huntington Beebe Fund for Musicians - Study Abroad Fellowship
The Fund provides fellowships for gifted young musicians, generally performers and composers in classical disciplines, who wish to pursue advanced music study and performance abroad, usually in Europe. The tenure of the fellowship is one year.
Deadline: Please see website for updates

Franklin D. Roosevelt Library and Museum - Small Research Grants
The Roosevelt Institute supports a program of small grants in support of research on the “Roosevelt Years” or clearly related subjects. Funds are awarded for the sole purpose of helping to defray living, travel, and related expenses incurred while conducting research at the Roosevelt Library. The grants program is particularly designed to encourage younger scholars to expand our knowledge and understanding of the Roosevelt period.
Deadline: Please see website for updates

Fred W. Smith National Library for the Study of George Washington - Mount Vernon Fellowship Program
Fellowships support research related to the broad themes and historical problems of Colonial America, the Revolutionary Era, and the Early Republic as well as the history of the arts, material culture, and society which help us better understand the greater legacy of George Washington and his home, Mount Vernon.
Deadline: December

The Berlin Program provides dissertation and postdoctoral residential fellowships for North American scholars specializing in modern and contemporary Germany and Europe. The program supports scholars in all social science and humanities disciplines, including historians working on the period since the mid-18th century. Fellowships must be held for a single continuous period. The fellowship offers support for 10-12 months.
Deadline: Please see website

Friends of the Princeton University Library - Research Grants
Short-term grants to promote scholarly use of Library research collections. Fellows must reside in Princeton during the tenure of the grant. The length of the grant will depend on the applicant’s research proposal, but is ordinarily up to one month.
Deadline: Please see website for updates

**Fund for Theological Education (FTE) - Fellowships for Doctoral Students of African Descent**
The FTE offers financial support for doctoral students who have completed the course work stage of their PhD or ThD program in religion, theological studies or biblical studies.
Deadline: Please see website for updates

**Fund for Theological Education (FTE) - Fellowships for Latino/as, Asians and First Nations Doctoral Students**
The FTE offers financial support for doctoral students who have completed the course work stage of their Ph.D. or Th.D. program in religion, theological studies or biblical studies.
Deadline: Please see website for updates

**Garden Club of America (GCA) - Scholarships**
Scholarships support graduate students and postdocs, often in partnership with other institutions, in the areas of horticulture and its related disciplines including: medicinal and tropical botany, native bird habitat, conservation and ecological restoration, desert studies, landscape architecture, urban forestry, garden history and design, coastal wetlands, and pollinator research. Deadline: Please see website

**Gates Cambridge Scholarships**
Gates Cambridge Scholarships are prestigious, highly competitive full-cost scholarships. They are awarded to outstanding applicants from countries outside the UK to pursue a full-time postgraduate degree in any subject available at the University of Cambridge. One to three years of study in any discipline at Cambridge University. Candidates apply directly through Cambridge.
Deadline: October

**Garden Club of America (GCA) / Center for Coastal Resources Management - Graduate Scholarship in Coastal Wetlands Studies**
Fellowships support study in ecological restoration, defined as the process of assisting the recovery and management of ecological integrity. Ecological integrity includes a critical range of variability in biodiversity, ecological processes and structures, regional and historical context, and sustainable cultural practices. The fellowship offers support for one year. Deadline: January

**Garden Club of America (GCA) / Cornell Ornithology Lab - Frances M. Peacock Scholarship for Study of Native Bird Habitats**
The Francis M. Peacock Scholarship for Native Bird Habitats provides financial aid to study areas in the United States that provide winter and summer habitat for threatened or endangered native birds.
Deadline: March

**Garden Club of America (GCA) / Landscape Architecture Foundation (LAF) - Douglas Dockery Thomas Fellowship in Garden History & Design**
The fellowship supports graduate research garden history and design, and examining the future of gardens and their unique place in our environment. Project study should have wide scope, such as investigating new techniques of garden restoration; studying how small gardens created by community groups have impacted public gardens; exploring and documenting physical, emotional and spiritual healing properties of the garden; and instigating the development of gardens that use ecological and regenerative concepts, to name but a few possibilities. Deadline: February

**Garden Club of America (GCA) / Missouri Botanical Garden - Chatham Fellowship in Medicinal Botany**
The Fellowship supports research related to medicinal plants and may be used for travel, field studies, or laboratory research. The fellowship is for one year.
Deadline: January

**Garden Club of America (GCA) / University of Wisconsin-Madison Arboretum - Fellowship in Ecological Restoration**
Fellowships support study in ecological restoration, defined as the process of assisting the recovery and management of ecological integrity. Ecological integrity includes a critical range of variability in biodiversity, ecological processes and structures, regional and historical context, and sustainable cultural practices. The fellowship offers support for one year.
Deadline: Please see website for updates

**Garden Club of America/Center for Plant Conservation - Beattie Fellowship for Conservation Horticulture**
Fellowships support graduate research that will promote conservation of rare and endangered flora in the United States for work at a botanical garden by the student, who jointly serves the program of the Center for Plant Conservation (CPC) and his/her curricular studies. The CPC is a network of more than 40 Participating Institutions consisting of botanical gardens and arboreta around the country. The fellowship offers support for one year.
Deadline: January

**Geological Society of America (GSA) - Graduate Research Grant**
GSA research grants provide partial support of master’s and doctoral thesis research in the geological sciences for graduate students enrolled in universities in the United States, Canada, Mexico and Central America.
Deadline: February

**George Bush Presidential Library and Museum - Research Grants**
The Bush Library Foundation has instituted two research grant programs to assist scholars conducting research at the George Bush Presidential Library, located on the campus of Texas A&M University in College Station, Texas. Research must include, but not be limited to, holdings of the George Bush Presidential Library.
Deadline: December

**George Mason University - Institute for Humane Studies (IHS) - PhD Scholarship**
Scholarships support students dedicated to developing, teaching, and applying the principles of a free society, and whose work advances the principles of individual liberty and economic freedom.
Deadline: Please see website for updates

**Georgia O’Keeffe Museum Research Center - Dissertation Fellowship in American Modernism**
Fellowships support dissertation research in American Modernism. Fellows have access to the archive and library collections of the Georgia O’Keeffe Museum as well as collections from archival and library institutions across the Albuquerque and Santa Fe communities. Fellows are expected to be in residence during the period of the award and to take part in the life of the Research Center. The fellowship offers support for 1-2 months.
Deadline: Please see website for updates

**Gerald R. Ford Presidential Library and Museum - Research Travel Award**
This award supports travel and living expenses to conduct research at the Gerald R. Ford Library. Its holdings focus on Federal policies, US foreign relations and national politics in the 1960s and 1970s. The award only covers travel within North America.
Deadlines: March and September

**Gerald R. Ford Presidential Library and Museum - Robert M. Teeter**
**Dissertation Award**
Fellowships support dissertation research and writing in any field related to any aspect of the United States political process and public policy during the last half of the 20th century. Of special interest is the role and analysis of public opinion in that process. Applications are encouraged in a wide range of fields, including Political Science, History, Journalism, Communications, Public Policy, Foreign Relations and American Studies. The Award recipient will be required to conduct at least a portion of his or her research at the Gerald R. Ford Library, and, if appropriate, will be encouraged to make full use of the Robert M. Teeter Papers. The fellowship offers support for one year.
Deadline: March

**Gerber Foundation - Doctoral Student Research Grant**
Grants support mentored research to improve the nutrition, care and development of infants and young children from the first year before birth to three years of age. Projects should address focus areas on issues faced by care providers that, when implemented, will improve the health, nutrition and/or developmental outcomes for infants and young children.
Deadlines: May and November

**Gerda Henkel Foundation - PhD Scholarships**
The Gerda Henkel Foundation offers two-year scholarships for PhD students in the historical humanities, in particular to support research projects in the following fields: Archaeology; Art History; Historical Islamic Studies; History; History of Law; History of Science; Prehistory and Early History
Deadline: Please see website for updates

**German Historical Institute (GHI) - Doctoral Fellowships**
Fellowships support European and North American doctoral students pursuing research projects that draw upon primary sources located in the United States. The Institute is particularly interested in research projects that fit into the following fields: German and European history, the history of German-American relations, and the role of Germany and the USA in international relations. These fellowships are also available to European doctoral students and postdoctoral scholars in the field of American history.
Deadlines: April and October

**Getty Research Institute - Dissertation & Postdoctoral Fellowships**
Fellowships support emerging scholars to complete work on projects related to the
Getty Research Institute’s annual theme that make use of the Getty collections. The 2020-2021 Themes are “The Fragment (Getty Research Institute)” and “Phoenicians, Philistines, and Canaanites: The Levant and the Classical World (Getty Villa)”. Fellows pursue research projects, complete their dissertations, or expand dissertation for publication. The fellowships offer support for nine months. Deadline: Please see website for updates

**Getty Research Institute - Library Research Grant**
Grants provide partial, short-term support travel required to use specific collections housed in the Getty Research Institute. During this grant cycle, at least one grant will be targeted toward an innovative use of the library’s special collections for a digital art history project relevant to collecting or the art market. The Research Library focuses on the history of art, architecture, and archaeology with relevant materials in the humanities and social sciences. The Photo Archive’s two million photographs of works of art and architecture provide opportunities for original pictorial research in the fine arts, including the history of photography. The research period may range from several days to a maximum of three months. Deadline: Please see website for updates

**Google US/Canada PhD Fellowship Program**
The Google US/Canada PhD Fellowship Program recognizes outstanding graduate students doing exceptional work in computer science and related disciplines at universities in the United States and Canada. Students do not apply directly to Google but must instead be nominated by their university. Students of any nationality/citizenship are eligible. Deadline: Please see website

**Government Finance Officers Association (GFOA) - Scholarships**
The GFOA awards scholarships to undergraduate and graduate students preparing for careers in state and local government. The following awards are offered: Deadline: Please see website for updates

**Gilder Lehrman Institute of American History - Short-Term Fellowship**
Fellowships support research in the field of American history at archives in New York City. Deadline: October

**Global Sustainable Electricity Partnership - Education for Sustainable Energy Development (ESED) Scholarship for Masters Students**
The ESED scholarship supports outstanding students pursuing advanced studies in sustainable energy development in order to encourage meaningful contributions to the collective body of knowledge about this subject. The scholarship is granted for up to two years. Deadline: Please see website

**Graham Foundation - Carter Manny Dissertation Research and Writing Fellowships**
Fellowships support dissertation research and writing by promising scholars in architecture, art history, the fine arts, humanities, and the social sciences whose projects have architecture as their primary focus. Projects may be drawn from the various fields of inquiry supported by the Graham Foundation: architectural history, theory, and criticism; design; engineering; landscape architecture; urban planning; urban studies; the visual arts; and other related fields. The fellowships offer support for one year. Deadline: November

**Grass Foundation - Summer Fellowships in Neuroscience**
Fellowships support investigator-designed, independent research projects by scientists early in their career. Supported approaches include neurophysiology, biophysics, integrative neurobiology, neuroethology, neuroanatomy, neuropharmacology, systems neuroscience, cellular and developmental neurobiology, and computational approaches to neural systems. Deadline: December

**Guttmacher Institute - Cory L. Richards Master’s Scholarship in Public Policy on Reproductive Health and Rights**
The scholarship supports master’s students in the disciplines of public health or public policy who are pursuing careers advancing public policy related to sexual and reproductive health and rights. Deadline: May
Herbert Scoville Jr. Peace Fellowships
For college graduates to serve 6 – 9 months with a participating organization of their choice in Washington DC while receiving a stipend. Prospective Fellows are expected to demonstrate excellent academic accomplishments and a strong interest in issues of peace and security. Deadline: Please visit website

Humane Studies Fellowships
For current or prospective full-time graduate students (including law students) interested in the classical liberal/libertarian tradition of individual rights and market economies. Deadline: Please visit website

Hagley Museum & Library - Henry Belin du Pont Dissertation Fellowships
Residential fellowships are for Ph.D. candidates for the use of Hagley's research collections. Hagley preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present. Deadlines: March, June, October

Hagley Museum & Library - Short-Term Research Grants
Research grants enable scholars to pursue advanced research in the library, archival, pictorial, and artifact collections of the Hagley Museum and Library. The Museum & Library preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present. Deadlines: March, June, October

Harry Frank Guggenheim - Dissertation Writing Fellowship
The Guggenheim Foundation sponsors scholarly research on problems of violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects. Fellowships are designed to contribute to the support of the doctoral candidate to enable him or her to complete dissertation writing in a timely manner. Deadline: Please see website

Harry S. Truman Presidential Library and Museum - Research Travel Grant
Grants support travel to the Harry S. Truman Library for use its collections. For the spring competition, one grant will be awarded to a researcher who wishes to visit multiple research facilities—including the Truman Library—for their topic. Preference will be given to projects that have application to enduring public policy and foreign policy issues. Deadlines: April and October

Harvard College Houghton Library - Katherine F. Panter Jr. Fellowship in Descriptive Bibliography
Fellowships support research in descriptive bibliography using the resources of Houghton Library, the principal rare book and manuscript library of Harvard College. Deadline: January

Harvard College Houghton Library - Short-term Research Fellowships
Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa. Deadline: Please see website

Harvard University - Arnold Arboretum - Research Grants
The Arnold Arboretum of Harvard University promotes and supports research consistent with its mission to discover and disseminate knowledge of the plant kingdom. To foster both independent and collaborative work, the Arboretum offers fellowships and awards to students and postdoctoral researchers. Applicants are encouraged to define and develop paths of inquiry using the Arboretum's resources, including its world-renowned living collection, herbarium, plant records, library and archives, greenhouse and laboratories, and the expertise of its staff. Deadline: January

Harvard University Museum of Comparative Zoology (MCZ) - Mayer Travel Grant
Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa. Deadlines: April and October

Harvard University - Harvard Academy for International and Area Studies - Academy Scholars Program - Dissertation & Postdoctoral Fellowships
Fellowships support doctoral and postdoctoral scholars whose work combines research in the social sciences (including history and law) with the study of the language, history, or culture of non-Western countries or regions (see website for eligible fields). Projects should explore domestic, comparative, or transnational issues, past or present. The fellowship offers support for two years. Deadline: September

Harvard University - John F. Kennedy School of Government - Belfer Center for Science and International Affairs - Predoctoral and Postdoctoral Fellowships
Predoctoral and postdoctoral residential fellowships are for research and writing in
the fields of science and international affairs on topics within the scope of the Center's major research programs. The fellowships offer support for 10 months with the possibility for renewal.
Deadline: Please see website

Harvard University - Society of Fellows Program
Fellowships support dissertation completion and postdoctoral research in any department of the University. Fellows undertake sustained projects of research or other original work, or may devote their time to the acquisition of accessory disciplines, so as to prepare themselves for the investigation of problems lying between conventional fields.
Deadline: August

Hebrew Union College - Jacob Rader Marcus Center of the American Jewish Archives - Dissertation Fellowships
Fellowships support dissertation research in some area relating to the history of North American Jewry, to support research and writing at The Jacob Rader Marcus Center of the American Jewish Archives, located on the Cincinnati campus of the Hebrew Union College-Jewish Institute of Religion.
Deadline: February

HENAAC Scholars Program - Graduate Scholarship
The Program offers scholarships to undergraduate and graduate students of Hispanic origin who are in STEM-related fields. The scholarships are for one year.
Deadline: April

Herb Society of America (HSA) - Research Grant
Grants support research of the horticultural, scientific, and/or social use of herbs throughout history. Research must define herb as historically useful for flavoring, medicine, ornament, economic, industrial, or cosmetic purposes.
Deadline: January

Herbert Hoover Presidential Library and Museum - Travel Grant
Grants support travel to the Herbert Hoover Presidential Library in West Branch, Iowa.
Deadline: March

Herzog August Bibliothek (HAB) - PhD Fellowships
The fellowship supports doctoral research in the areas of medieval and early modern cultural history centered on the historic book and manuscript holdings of the HAB in Wolfenbüttel, Germany. The fellowship is open to researchers from all historically oriented disciplines. Fellows are required to be in residence in Wolfenbüttel for the duration of their fellowship. The fellowship period is 2-10 months.
Deadlines: April and October

Hobart and William Smith Colleges - Fisher Center for the Study of Women and Men - MFA and Predoctoral
The fellowship supports MFAs and doctoral scholars whose work investigates movement's infrastructures, conditions, and capacities.
Deadline: Please see website

Honors Carolina Fellowships
Honors Carolina offers fellowship opportunities for students who want to conduct research in Chapel Hill or create their own unique learning experience and travel the world.
Deadline: Varies based on fellowship

Horovitz Fund - Fellowship for African Artists & Scholars in the Humanities & Social Sciences
The Fund supports graduate study for African artists and scholars in the humanities and social sciences with an award to defray educational costs. The Fellowship is for one year.
Deadline: Varies based on fellowship

Horowitz Foundation for Social Policy - Grant for Doctoral Students
Grants are intended to promote projects which have social policy application at the global or local level. The grants are for one year.
Deadline: Please visit website

Hosei University - Foreign Scholars Fellowship
Fellowships support non-degree research at Hosei University under the direction of and/or in cooperation with Hosei faculty and researchers. Research areas include those studies in the humanities, social sciences, natural sciences, or engineering as deemed acceptable by Hosei. Fellowships offer support for six months.
Deadline: Please visit website

Houtan Foundation - Graduate Scholarship in Iranian Studies
The Houtan Foundation offers scholarship to students from all origins – Iranian and non-Iranian – who have high academic performance and proven interest in promoting Iran's great culture, heritage, language and civilization.
Hudson River Foundation - Mark B. Bain Graduate Fellowship
Fellowships support graduate students conducting research on the Hudson River system. Deadline: March

Hudson River Foundation - Polgar Fellowship Program
Fellowships support research on the Hudson River in order to gather important information on all aspects of the river and to train students in conducting scientific studies and public policy research. Deadline: February

Huntington Library/Western History Association - Martin Ridge Fellowship
This one-month fellowship supports research using materials housed at the Huntington Library in San Marino, CA, in the study of the North American West as both a frontier and a region. Recipients of the fellowship are expected to be in continuous residence at the Huntington for one month. Deadline: June

Huntington Library, Art Collections, & Botanical Gardens - Short-Term Dissertation & Postdoctoral Fellowships
Fellowships support use of the collections for research in British and American history, literature, art history, and the history of science and medicine. Scholars are expected to be in continuous residence at the Huntington in San Marino, California. Deadline: November

Huntington Library, Art Collections, & Botanical Gardens - Travel Grants and Exchange Fellowships for Research in Great Britain
Fellowships support research in libraries or archives in Great Britain in any of the fields in which the Huntington collections are strong. Deadline: November

Huyck Preserve and Biological Research Station - Research Grants
Grants help fund research projects in a variety of disciplines that focus on natural systems of the Huyck Preserve in Rensselaerville, NY. They support work in basic and applied ecology, conservation biology, taxonomy, animal behavior, evolution, earth sciences, land use history, and other areas of natural science. The funds may be used for equipment, travel, room and board, station fees, publication costs, and stipend for assistant/student researchers. Deadline: Please visit website

IBM - PhD Fellowships
NOTE: A student must be nominated by a faculty member, and a department may submit up to two nominations in addition to any renewal nominations. Fellowships supports PhD students who have an interest in solving problems that are important to IBM. Deadline: Please visit website for updates

Illinois Water Resources Center (IWRC) - Small Grants
Grants support graduate research projects that address any aspect of Illinois water resources. Deadline: Ongoing

IMA Research Foundation - The Association of Accountants and Financial Professionals in Business - Doctoral Student Grant
The Doctoral Student Grant Program assists accounting doctoral students who are pursuing research that has the potential to contribute to the management accounting profession. Deadline: January

Inter American Press Association (IAPA) Scholarship
The Inter American Press Association was established in 1942 to defend and promote the right of the peoples of the Americas to be freely informed through an independent press, essential for which is a journalism that is responsible, objective and open to all currents, so as thus to contribute to a better understanding among the peoples of the Western Hemisphere. Deadline: Please check back for dates

International Dissertation Research Fellowship (IDRF)
The Mellon International Dissertation Research Fellowship (IDRF) offers nine to twelve months of support to graduate students (of any citizenship) in the humanities and humanistic social sciences who are enrolled in PhD programs in the United States and conducting dissertation research on non-US topics. Fellowship amounts vary depending on the research plan, with a per-fellowship average of $20,000. The fellowship includes participation in an SSRC-funded interdisciplinary workshop upon the completion of IDRF-funded research. Deadline: Please visit website

IMA Research Foundation - The Association of Accountants and Financial Professionals in Business - Doctoral Summer Research Scholarship Program
The Program supports a doctoral student writing a summer research paper as a requirement in an accounting doctoral program. Deadline: January

Inlaks Foundation - Scholarships for Indian Citizens
Scholarships are granted to Indians citizens pursuing graduate degrees at top American,
European and UK institutions, for funding requirements including tuition fees. 
Deadline: Please visit website for updates

**Indo-US Science and Technology Forum (IUSSTF) - Graduate Research Internship in Science and Engineering (RISE) in India**
Internships provide opportunities for science, technology, engineering and medical students from the United States to undertake internships in national laboratories, federal research centers, academic research institutes and private R&D laboratories in India. The objectives are for students to gain exposure to India's science and technology milieu, gain practical skills and develop collaborative networks. The internships are for three months. 
Deadline: Please visit website

**Institute of Electrical and Electronic Engineers (IEEE) - Computational Intelligence Society - Graduate Research Grant**
Grants support research connected with identifiable component of the CIS (neural networks, fuzzy systems, or evolutionary computation). They intended to cover the expenses related to a visit to another university, institute or research agency for collaboration with an identified researcher in the field of interest of the applicant. In certain cases, the scholarship may also be used to cover expenses related to supporting the student at their home institution for intensive work on a particular project, if – due to extenuating circumstances – such work cannot be continued as scheduled during the regular academic semester. 
Deadline: March

**Institute of Electrical and Electronic Engineers (IEEE) - Dielectrics and Electrical Insulation Society (DEIS) - Doctoral Student Fellowship**
Fellowships support doctoral students pursuing studies in the areas of electrical insulation and dielectric phenomena of interest to the Society, and are open to suitable candidates from all over the world. Research topics may cover a broad scope and include insulating media, their electric and dielectric properties, breakdown, charge transport and electrostatics, high voltage effects, and related subjects. 
Deadline: June

**Institute of Electrical and Electronic Engineers (IEEE) - Graduate Study Fellowship in Electrical Engineering**
Applicant must have majored in the field of electrical engineering and have received a Bachelor's Degree from an engineering college of recognized standing worldwide. pursuing master's degrees in electrical engineering.

**Institute of Electrical and Electronic Engineers (IEEE) - Microwave Theory and Techniques Society (MTT-S) - Graduate Fellowships**
Fellowships support graduate students in electrical engineering, applied physics, or related fields whose research will promote the advancement of microwave theory and its applications, including RF, microwave, millimeter-wave, and terahertz technologies. The fellowships are for one year, renewable for a second year. 
Deadlines: October

**Institute of Electrical and Electronic Engineers (IEEE) - Photonics Society - Graduate Student Scholarship**
IEEE Photonics Society Graduate Student Scholarship provides scholarships to outstanding Society student members pursuing graduate education within the Society field of interest. 
Deadline: May

**Institute of Food Technologists (IFT) - Divisional Graduate Scholarships**
The Feeding Tomorrow Fund awards annual scholarships to students pursuing a graduate degree in a variety of disciplines within the science of food. 
Deadline: April

**Institute of Food Technologists (IFT) - Dr. Elwood F. Caldwell Graduate Fellowship**
The fellowship is for students currently enrolled in a master's or doctoral program in the science of food and will provide a generous stipend to students pursuing research focused on addressing the current and future needs and demands of the global food system. 
Deadline: Please visit website for updates

**Institute of Food Technologists (IFT) - General Mills Intern**
Are you a graduate student looking for a summer internship at a company that makes a difference all over the globe, all day long? Here's your chance! Feeding Tomorrow has partnered with General Mills to identify extraordinary graduate students pursuing advanced degrees in food science. 
Deadline: September

**Institute of Historical Research (IHR), School of Advanced Study, University of London - Early Career Research Visiting Fellowships**
The IHR's Early Career Research Visiting Fellowships provide funding to enable early career historians to complete a doctorate or to undertake post-doctoral research. Deadline: Varies depending on fellowship
Institute of Industrial Engineers (IIE) - Graduate Scholarships and Fellowships
IIE’s Scholarships and Fellowships Program recognizes graduate and undergraduate industrial engineering students for academic excellence and campus leadership.
Deadline: November

International Association of Great Lakes Research (IAGLR) - Graduate Scholarships
IAGLR awards scholarships to graduate students studying the Laurentian Great Lakes, other large lakes of the world, and their watersheds, as well as those with an interest in such research. Deadline: Varies depending on award.

International Centre for Diffraction Data - Ludo Frevel Crystallography Graduate Scholarship
Scholarships support the education and research program of promising graduate students with a major interest in crystallography, e.g. crystal structure analysis, crystal morphology, modulated structures, correlation of atomic structure with physical properties, systematic classification of crystal structures, phase identification and materials characterization. Applicants’ home departments including, but are not limited to, physics, chemistry, geology, molecular biology, metallurgy, and material science.
Deadline: Please visit website

International Center for Research on Women (ICRW) - Mariam K. Chamberlain Dissertation Fellowship
Fellowships support first-generation doctoral students working on a dissertation related to ICRW's mission to empower women, advance gender equality and fight poverty.
Deadline: October

International Council for Canadian Studies (ICCS) - Graduate Student Scholarships
Enable emerging international (and Canadian) scholars at the graduate and PhD level to visit a Canadian (or international) university or academic institution for 4-12 weeks in order to conduct research for their thesis or dissertation in the field of Canadian Studies. Deadline: November

International Foundation for Ethical Research (IFER) - Grants
Apply for a research grant supporting the development and use of non-animal models.
Deadline: April

International Society of Automation (ISA) - Educational Foundation Scholarships
ISA Educational Foundation Scholarships are awarded to university students who demonstrate outstanding potential for long-range contribution to the fields of automation and control. The scholarship awards support tuition and related expenses and research activities and initiatives. Deadlines: February

International Union for the Study of Social Insects, North American Section (IUSSI-NAS) - Research Grants
Awards support graduate student and postdoctoral research on social arthropods.
Deadline: February

International Women’s Fishing Association (IWFA) - Graduate Scholarship
The mission of the International Women’s Fishing Association Scholarship Trust is to grant research scholarships to graduate students who are committed to studies of the chemical, physical and biological processes of marine science with emphasis on conservation, preservation, and protection of the marine environment.
Deadline: March

Israel Institute - Postdoctoral Teaching Fellowship
The Postdoctoral Teaching Fellowship supports multi-year academic exchange of Israeli scholars at American colleges and universities.
Deadline: September

Jacobs Research Funds - Whatcom Museum - Research Grants
Grant for projects requiring an intense period of fieldwork with living peoples of North, Central and South America. Deadline: February

Jamestown Society - Fellowship for Study of Colonial Virginia History
The Jamestowne Society offers an Annual Fellowship to support completion of a graduate thesis or essay on the history and culture of Virginia before 1700.
Deadline: April

Japan Society for the Promotion of Science (JSPS) - Short-Term Fellowships
The program provides PhD students or PhD researchers in the Europe and North America with opportunities to conduct collaborative research under the guidance of their hosts in universities and other Japanese institutions for a relatively short period of time. Deadlines: Please see website
Jack Kent Cooke Undergraduate Transfer Scholarships
Community college students who are sophomores or recent alumni. Open to all fields of study at any accredited university in the US. Meant to enable community college students to transfer to a 4-year institution in order to complete a bachelor's degree. Award is up to $30,000 per year for an average of 2.5 years.
Deadline: January

Japan-IMF Scholarship Program for Advanced Studies
A two-year program intended to help Japanese nationals obtaining Ph.D. degrees in macroeconomics and preparing them to work as economists at the International Monetary Fund (IMF). JISP covers all reasonable expenses for two years of graduate study. Deadline: December

Josephine de Karman Scholarships
DeKarman fellowships are open to PhD students in any discipline, including international students, who are currently enrolled in one of the California universities
Deadline: April

Japanese-American Citizens League (JACL) - Graduate Scholarships
The JACL offers one-year scholarships to graduate students in most fields including the social sciences, humanities, arts, sciences, and professional fields including law, medicine and the ministry.
Deadline: April

Jennings Randolph Peace Scholar Dissertation Fellowship Program
The Jennings Randolph Program for International Peace awards Peace Scholar Dissertation Fellowships to students enrolled in U.S. universities who are researching and writing doctoral dissertations on topics related to international conflict management and peacebuilding. Proposals from all disciplines are welcome.
Deadline: Please check back for dates

Jewish Community Center (JCC) Association - Graduate Education Scholarship Program
JCC Association's Professional Development Scholarship Program is designed to help current, full-time JCC professionals deepen and enhance their professional knowledge to advance their career at a Jewish Community Center or Jewish Community Camp (JCC). Deadline: March

John Bayliss Radio Scholarship
The Bayliss Foundation has been distributing scholarships to outstanding broadcast students for over 23 years. Each award is $5,000.
The number of scholarships awarded depend on the size of the endowment. Open to juniors and seniors majoring in Broadcast Communications. Although financial need is a consideration, students of merit with an extensive history of radio-related activities are given preference.
Deadline: Please see website

Japanese Consulate Monbukagakusho (MEXT) - Scholarships for Graduate Research
Scholarships support independent research in Japan. Any field of study is eligible for the scholarship, but applicants must find a Japanese professor willing to supervise their research. The scholarship offers 18-24 months of support.
Deadline: Varies, depending on scholarship

Japanese-American Citizens League (JACL) - Graduate Scholarships
The JACL offers one-year scholarships to graduate students in most fields including the social sciences, humanities, arts, sciences, and professional fields including law, medicine and the ministry.
Deadline: April

Japanese-IMF Scholarship Program for Advanced Studies
A two-year program intended to help Japanese nationals obtaining Ph.D. degrees in macroeconomics and preparing them to work as economists at the International Monetary Fund (IMF). JISP covers all reasonable expenses for two years of graduate study. Deadline: December

John Carter Brown Library - Short-Term Fellowships
Fellowships are awarded to scholars to support dedicated research, either remotely or in residence, in the JCB's collections. Fellowship awards include a stipend, which varies for short and long-term fellowships. Deadline: January

John F. Kennedy Library and Museum - Research Fellowships and Grants
The John F. Kennedy Library Foundation offers competitive research fellowships
and grants every year to scholars and students who wish to make use of the archival holdings (including audiovisual materials) of the John F. Kennedy Presidential Library and Museum. Deadlines: Varies depending on fellowship. Please see website.

John William Miller Fellowship Fund - Research Fellowships
The John William Miller Fellowship Fund supports book-length projects that engage with the theories of philosopher John William Miller. Deadline: October

Josephine de Karman Fellowship Trust - Dissertation Fellowships
The Fellowships recognize and assist doctoral students whose scholastic achievements in any discipline reflect the highest standards. Deadline: January

Korean Foundation - Fellowships for Dissertation Field Research in Korea
The fellowship supports doctoral students conducting dissertation research in Korean Studies. Fellowships allow researchers carrying out comparative/case studies in Korean studies or Korea-related areas in the field of humanities or social sciences to conduct on-site field research in Korea and access resource materials. Fellowships are for 1-12 months. Deadline: Please see website

Korean American Scholarship Fund (KASF)
KASF offers scholarships to Korean-American students attending a graduate or professional school in the through Regional Chapters. The scholarships offer support for one year. Deadline: June

Kosciuszko Foundation - Study Abroad Scholarships
The Year Abroad Scholarship supports Polish language course at the Jagiellonian University in Cracow, Poland. Deadline: Please see website

Kurt Weill Foundation for Music - Grants for Scholarly Research
The Foundation's Grant and Collaborative Initiatives Programs award financial support to individuals and not-for-profit organizations for projects related to Weill, Lenya, or Marc Blitzstein. Deadline: November

Landscape Architecture Foundation (LAF) - Graduate Scholarships
Scholarships support graduate students enrolled at colleges and universities in the US and Canada who are destined to become leaders in landscape architecture. The scholarships are for one year. Deadline: February

Landscape Architecture Foundation (LAF) - Olmsted Scholars Program
Students do not apply directly to the Olmsted Scholars Program. Olmsted Scholars are nominated by the faculty from each university. The Program recognizes students with exceptional leadership potential who are using ideas, influence, communication, service, and leadership to advance sustainable design and foster human and societal benefits. Deadlines: March

Landscape Architecture Foundation (LAF) - Joe Lalli Master's Scholarship
Scholarships support master's students pursuing degrees in landscape architecture. Applicants should show commitment to some of the areas that Joe Lalli dedicated himself to, including drawing, artistic pursuits, the importance of travel, and giving back in service to one’s community and profession. Deadlines: February

Lawrence Livermore National Laboratory (LLNL) - Community Gift Program
Established in 2008, the LLNS Community Gift Program provides annual awards to support nonprofit organizations addressing STEAM (science, technology, engineering, arts and mathematics) education, community service and philanthropic needs in local and surrounding communities. Deadline: Please visit website

Leakey Foundation - Baldwin Fellowship in the Study of Human Origins or Evolution
Fellowships support scholars and graduate students with citizenship in a developing country who wish to obtain education or training from an institution outside the student's home country. Deadlines: February

Leader of the Pack Scholarships
Provides funding for students who completed two semesters at NCSU and intend to remain there. Applicants must also be recognized by their community as leaders. Deadline: Please check back for dates

Leakey Foundation - The Francis H. Brown African Scholarship
The purpose of the Francis H. Brown African Scholarship Fund is to expand human knowledge and scientific interest in earth sciences and botany related to human origins by providing financial assistance to East African researchers and students pursuing research in these areas. The fund is further intended to support research that builds on the work of Dr. Francis H. Brown and builds capacity in the earth and botanical sciences in East African institutions and countries. Deadlines: January or July
Lemmermann Foundation - Scholarship in Humanities & Classical Studies for Research in Rome
Scholarships support master's and doctoral student research in the classical studies and humanities. Topic of research must be related to Rome and the Roman culture of any period, from the Pre-Roman period to the present day time. Applicants must provide evidence for their need to study and carry out research in Rome. The scholarship offers support for one year.
Deadline: March

Leo Baeck Institute (LBI) New York - David Baumgardt Memorial Fellowship
Fellowships support the study of the history and preservation of the culture of German-speaking Jewry through research projects connected with the writings of Professor David Baumgardt or his scholarly interests, including Ethics, Wissenschaft des Judentums, and the Modern Intellectual History of German-speaking Jewry.
Deadline: November

Leo Baeck Institute (LBI) New York - Fritz Halbers Doctoral Fellowship
Fellowships support doctoral students whose research projects are connected with the culture and history of German-speaking Jewry.
Deadline: November

Library Company of Philadelphia & The Historical Society of Pennsylvania - Short-Term Research Grants
The Library Company of Philadelphia and the Historical Society of Pennsylvania offer short-term travel grants to support research in a variety of fields and disciplines relating to the history of America and the Atlantic world from the 17th through the 19th centuries, as well as Mid-Atlantic regional history to the present. Topics include: the history of women and African-Americans, popular literature, business and banking, popular medicine, philanthropy and reform, education, natural sciences, technology, art, architecture, German Americana, American Judaica, and a host of other subjects. Grants are for one month.
Deadline: Please visit website

Library of Congress - John W. Kluge Center - Kluge Fellowship in Digital Studies
Fellowships support research that will generate deep, empirically-grounded understanding of the consequences of the digital revolution on how people think, how society functions, and on international relations using the Library’s collections and resources. Proposals may also explore and analyze emerging trends and new phenomena that may generate consequential changes in the future. All proposals must state the importance of the research to fundamental thinking about the human condition. The fellowship offers support for up to 11 months.
Deadline: September

Lime Connect, Inc. - Google & BMO Capital Markets - Scholarships for Students with Disabilities
Two scholarships support students in the U.S. or Canada with visible and invisible disabilities pursuing graduate degrees in a broad range of STEM and business fields. Scholarships are for one year.
Deadlines: Varies, depending on award

Lincoln Institute of Land Policy - C. Lowell Harriss Dissertation Fellowship
The Institute offers fellowships to doctoral students who are writing theses in fields that address the Institute’s primary interest areas in valuation and taxation, planning, and related topics to help improve decisions about land policy. Fellowships support the development of a thesis proposal and/or completion of thesis research. The fellowship offers support for one year. Deadlines: March

Linda Hall Library - Science, Engineering & Technology Doctoral and Postdoctoral Fellowships
Library Fellowships support research projects in science, engineering, and technology; in the history of science, engineering, and technology; or in interdisciplinary topics that link science or technology to the broader culture. Recipients of fellowships are expected to work full time on their research projects while at the Library, to engage with other resident scholars, and to offer a presentation on their work to the general public. Fellowships are for 1 week to 10 months. Deadline: January

Link Foundation - Doctoral Fellowship in Ocean Engineering & Instrumentation
Foster ocean engineering and ocean instrumentation research. Enhance both the theoretical and practical knowledge and applications of ocean engineering and ocean instrumentation research. Disseminate the results of that research through lectures, seminars and publications. Deadline: May

Link Foundation - Doctoral Fellowships for Research on Energy
The fellowship supports research and innovation in the area of societal production and utilization of energy. The fellowships offer support for two years.
Deadlines: Thursday

**Link Foundation - Modeling, Simulation & Training Fellowship**
Fellowship support doctoral research in the field of modeling, simulation, and training, with preference given to research applicable to simulating real-time complex, interactive environments, or training and preparing individuals to perform in such environments. Fellowships are for one year. Deadlines: March

**Linnean Society - Natural History & Biological Sciences Research Grants**
The Society aims to promote the study of all aspects of the biological sciences. Through awarding medals and grants, the Society acknowledges and encourages excellence in all of these fields. Deadlines: September

**Longhi Foundation - Doctoral Fellowship in Art History**
Fellowships support doctoral students conducting research in the history of art. Longhi fellows have access to study materials available in the Institute, which mainly concern Italian painting from the thirteenth to the eighteenth century. Fellows must live in Florence for the entire duration of the fellowship. The fellowship offers support for nine months. Deadline: May

**Louisville Institute - Dissertation Writing Fellowship for Research in North American Christianity**
Fellowship support the final year of PhD or ThD dissertation writing for students engaged in research pertaining to North American Christianity. Proposed projects may employ a variety of methodological perspectives, including, but not limited to, history, ethics, the social sciences, biblical studies, and historical, systematic, and practical theology. They may also be interdisciplinary in nature. Projects should have the potential to strengthen the religious life of North American Christians and their institutions. The fellowship offers support for one year. Deadline: February

**Louisville Institute - Doctoral Fellowship for Christians Pursuing Careers in Theological Schools**
Fellowships support doctoral students whose work would be an appropriate preparation of a career in Christian theological school teaching. Deadlines: March

**Lupus Foundation of America - Gina M. Finzi Memorial Student Summer Fellowship**
The Gina M. Finzi Memorial Student Summer Fellowship Program was developed to cultivate an interest in lupus research among young scientists. Deadline: May

**Lyndon Baines Johnson Presidential Library and Museum - Short-Term Grants**
Grants support short-term travel to the LBJ Presidential Library for graduate student and postdocs working in the fields of public policy and governmental affairs. Deadline: Varies depending on award

**Manuscript Society - Maass Research Grant**
The Society supports graduate students whose research relies heavily on original manuscripts. The grant may be used for research expenses directly related to use of original manuscripts, for example travel to manuscript repositories, photocopies, and user fees. Deadline: February

**Margaret McNamara Education Grants (MMEG) - Grant for Women from Developing Countries**
The MMMF awards educational grants to women from developing countries whose graduate studies and future plans aim to benefit women and children in their respective regions. Candidates must currently be studying in the U.S. or Canada. Deadline: September

**Margaret McNamara Memorial Fund Grants**
Awards five to six grants to women from developing countries about $12,000 each year to help further their education and strengthen their leadership skills to improve the lives of women and children in the developing world. Women must be enrolled in accredited. Deadline: September

**Mariam K. Chamberlain Fellowship in Women & Public Policy**
In honor of pioneering feminist economist Mariam K. Chamberlain (MKC), IWPR offers a fellowship in public policy to a promising scholar each year. Eligible candidates should have at least a bachelor's degree in a social science discipline (such as sociology, psychology, education, or public policy), statistics, economics, mathematics or women's studies. There are no citizenship requirements specified, but you must be able to work in the United States. Deadline: October

**Marine Corps Heritage Foundation - Lieutenant Colonel Lily H. Gridley Memorial Master's Thesis Fellowship**
The Marine Corps Heritage Foundation's Annual Awards program recognizes exemplary work that furthers the understanding of Marine Corps history, traditions, culture and service. Judged by Marines and civilian experts, the Annual Awards are a mark of
distinction and achievement for journalists, writers, photographers, artists and scholars.  

**Marine Corps Heritage Foundation - Awards**  
The Marine Corps Heritage Foundation’s Annual Awards program recognizes exemplary work that furthers the understanding of Marine Corps history, traditions, culture and service. Judged by Marines and civilian experts, the Annual Awards are a mark of distinction and achievement for journalists, writers, photographers, artists and scholars.  

Deadline: Varies depending on award

**Marketing Science Institute (MSI) - Clayton Dissertation Grant in Marketing & Related Fields**  
The fellowship supports dissertation research in marketing and related fields (e.g., psychology, economics, management, strategy, etc.). The grant is for one year.  

Deadline: Varies depending on award

**Massachusetts Historical Society - Short-term Research Fellowships**  
Fellowships support scholars investigating a wide range of topics who wish to use the collections housed at the Massachusetts Historical Society in Boston. Applicants should consult the website for a listing of fellowships being awarded for a particular funding cycle. Fellowships offer support for four weeks.  

Deadlines: March

**Massachusetts Historical Society/Boston Anthenaeum - Suzanne and Caleb Loring Fellowship on the Civil War**  
The Fellowship is for research on the Civil War, its origins, and consequences. The research is to be carried out jointly at the Boston Athenaeum and the collections of the Massachusetts Historical Society. The fellowship is for at least four weeks of research at each institution. Deadline: February

**Massachusetts Institute of Technology (MIT) - School of Humanities, Arts, and Social Sciences (SHASS) - Diversity Dissertation Fellowship**  
Fellowships support doctoral students who plan a career in higher education and have completed all other PhD requirements to finish their dissertations. Fellows may be pursuing the PhD degree in any discipline or area taught in the School of Humanities, Arts, and Social Sciences. Deadline: February

**MacDowell Colony Residencies**  
250 fellowships to artists in seven disciplines (architecture, music composition, film and video, interdisciplinary art, theatre, visual art, and literature). Applicants who are in a degree program as of the date of application are ineligible for a residency and therefore cannot apply. Residents receive room, board, and exclusive use of one of the 32 studios on the property.  

Deadline: Please check back for dates

**Mayo Summer Undergraduate Research Fellowship (SURF) Program**  
$5000 research fellowships for undergraduate students dedicated to scientific research alongside professional biomedical scientists. International students at US universities are able to apply. Deadline: February

**Microsoft Scholarships**  
Various scholarships for undergraduate students interested in computer science and related technical disciplines. One-year award for students attending institutions in the United States, Canada, and Mexico, required that the student complete a salaried summer internship. Deadline: Varies based on award. Please visit website

**Mayo Clinic and Illinois Alliance - Fellowships for Technology-Based Healthcare Research**  
The fellowship program is designed to 1) support research relevant to the Alliance’s goal of advancing individualized medicine and 2) creating a pathway for current Illinois graduate students to investigate post-graduation employment opportunities at the Mayo Clinic.  

Deadlines: Continuous

**Meat Industry Suppliers Alliance (MISA) Foundation - Scholarship Program**  
To encourage and support those interested in pursuing careers within the meat industry or engineering field. Deadline: June

**Medieval Academy of America (MAA) - Birgit Baldwin Dissertation Fellowship in French Medieval History**  
The Baldwin Fellowship provides a grant to support a graduate student in a North American university who is researching and writing a significant dissertation for the PhD on any subject in French medieval history that can be realized only by sustained research in the archives and libraries of France.  

Deadline: November

**Medieval Academy of America (MAA) - Dissertation Grant and Schallek Award**  
The Schallek awards support graduate students conducting doctoral research in any
relevant discipline dealing with late-medieval Britain (ca. 1350-1500).
Deadline: February

Melanie Foundation - Graduate Scholarship in Mental Health
Scholarships support graduate students who are pursuing a doctoral or master’s degree in the mental health field. The scholarship offers support for one year. Deadline: March

Memorial Foundation for Jewish Culture (MFJC) - Fellowships
Scholarships support dissertation research to train qualified individuals for careers in Jewish scholarship and research, and to help Jewish educational, religious, and communal workers obtain advanced training for leadership positions. Scholarships offer support for one academic year with the possibility of renewal for up to four years. Deadline: March

Mercatus Center - George Mason University - Fellowships
Fellowships support graduate students conducting research in economics, philosophy, political science, sociology, and related disciplines who are interested in learning about the Austrian, Virginia, and Bloomington schools of political economy. The fellowships offer support for one year. Deadlines: Varies depending on fellowship

METER Group - Grant A. Harris Fellowship
The METER Group provides measurement instrumentation to researchers pursuing innovative solutions to environmental problems. The Grant A. Harris Fellowship provides $10,000 worth of research instrumentation to graduate students studying any aspect of agricultural, environmental, or geotechnical science at accredited U.S. or Canadian universities or colleges. Proposals will be judged on novelty, student qualifications, and chance of success. Deadline: January

Metropolitan Museum of Art - Graduate and Postdoctoral Fellowships
Assortment of fellowships available through the museum. Most fellowships require the fellow to be in residence at the Metropolitan Museum during the fellowship period. Deadline: Varies depending on fellowship

Microsoft Research PhD Fellowship
The Microsoft Research PhD Fellowship is a global program that identifies and empowers the next generation of exceptional computing research talent. Microsoft recognizes the value of diversity in computing and aims to increase the pipeline of talent receiving advanced degrees in computing-related fields to build a stronger and inclusive computing-related research community. Deadline: Please visit website for updates

Microsoft Research - Diversity Research Dissertation Grant
Award to help PhD students who self-identify as a woman, African American, Black, Hispanic, Latinx, American Indian, Alaska Native, Native Hawaiian, Pacific Islander, and/or person with disability in computing-related fields to complete research as part of their doctoral thesis work. Deadline: March

Mathematica Policy Research - Summer Doctoral Research Fellowship
The Summer Fellowship Program at Mathematica welcomes doctoral students to spend 12 weeks at one of Mathematica’s office locations. Fellows will work on their own independent research project (typically their dissertation), which will intersect with one or more of Mathematica’s focus areas. Deadline: February

Midwest Victorian Studies Association - Walter L. Arnstein Prize for Dissertation Research in Victorian Studies
The award is for dissertation research in British Victorian Studies. Proposals may be submitted in literature, history, art history, or musicology but should have a significant interdisciplinary component that will render them of interest to scholars studying Victorian Britain across a range of disciplines, approaches and sub-fields. Deadline: December

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Large Animal Studies
The Foundation supports research on topics relevant to large companion animal (horses and llamas/alpacas) health and welfare in order to produce biomedical scientists committed to a career in companion animal research. The fellowship offers two years of support. Deadline: Varies depending on fellowship

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Small Animal Studies
The Foundation supports research on topics relevant to animal health and welfare in order to produce biomedical scientists committed to a career in companion animal research. The Fellowship offers support for up to two years. Deadline: Varies depending on fellowship
Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Wildlife Studies
The Foundation supports research on topics relevant to wildlife/exotics health and welfare in order to produce biomedical scientists committed to a career in wildlife research. The fellowship offers support for up to two years.
Deadline: Varies depending on fellowship

Mortar Board National Foundation - Fellowships
Mortar Board National Foundation awards fellowships to members who are pursuing graduate degrees in any field. Mortar Board is a national honor society that recognizes achievements in scholarship, leadership and service. Fellowships offer support for one year. Deadline: March

Mozilla - Fellowships in Open Source and Data Sharing in the Life/Natural Sciences
Fellowships are for early-career researchers working to shift research practice to be more collaborative, iterative and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing. They will also create code, curriculum and other learning resources that help others learn open data practices. Deadline: Please visit website

Museum of Contemporary Art Chicago (MCA) - Marjorie Susman Curatorial Fellowship
The Fellowship offers a graduate-level candidate the opportunity to gain professional curatorial experience in a major museum setting. The fellow will engage in exhibition and/or collection-related research, write reports on possible acquisitions, and help curators plan and organize exhibitions and programming. The fellowship is for one year.
Deadline: Please visit website

Mustard Seed Foundation - Harvey Fellows Program
Fellowships are for Christian students who are pursuing graduate studies at premier universities in fields considered to be underrepresented by Christians and who possess a unique vision to impact society through their vocations. Fellowships are for 1 year and may be renewed for up to 2 additional years.
Deadline: January

Mystic Seaport - Munson Institute - Paul Cuffe Memorial Fellowship for the Study of Minorities in American Maritime History
The fellowship encourages research that considers the participation of Native and African Americans in the maritime activities of New England, primarily its southeastern shores. Fellowships support research and writing, a portion of which should normally be carried out in the Mystic area.
Deadline: April

National Academies - Christine Mirzayan Science & Technology Policy Graduate and Postgraduate Fellowship Program
Graduate students and postdoctoral scholars spend 12 weeks in winter/spring at the National Academies in Washington, DC, learning about science and technology policy and the role that scientists and engineers play in advising the nation.
Deadline: May

National Association of Black Journalists (NABJ) Scholarships
NABJ awards scholarships annually to deserving students interested in pursuing careers in journalism. Scholarships are worth up to $2,500. All applications must be submitted online by the specified deadline. Student members of NABJ, foreign or American born, currently attending or entering an accredited four-year college/university in the U.S. or those who are candidates for graduate school are eligible for up to $2,500 per year.
Deadline: Please see website. Varies depending on award.

National Aeronautics and Space Administration (NASA) - Funding Opportunities
Visit the website to view the funding opportunities available through the National Aeronautics and Space Administration (NASA).
Deadline: Varies depending on fellowship

National Aeronautics and Space Administration (NASA) - Science Mission Schools
The summer program is for graduate students and early career scientists interested in a career in planetary exploration. It includes an intensive one-week team exercise at JPL, preceded by weekly webinars and assignments, to learn the process of developing a robotic mission concept into reality through concurrent engineering.
Deadline: Please visit website

National Association for Armenian Studies & Research (NAASR) - Research/Travel Grants
NAASR offers grants for research within the field of Armenian Studies. Grants are for travel, cost of digitization or microfilm or other research materials and for similar expenses. Stipends will not be covered. Grants offer support for one year.
Deadlines: June
National Association of Black Journalists (NABJ) - Graduate Scholarships
Scholarships are for students interested in pursuing careers in journalism. The following scholarships are available: Deadline: Varies depending on fellowship

National Association of Farm Broadcasters (NAFB) - Graduate Scholarship
Scholarships support graduate students enrolled in or transferring to programs with an agricultural communications curriculum with a concentration and/or application in broadcast media, including Internet/online media distribution. Deadline: June

National Association of Hispanic Journalists - Scholarships
Scholarships support graduate students pursuing careers in English or Spanish-language print, broadcast, digital or photojournalism. The scholarships offer support for one year. Deadline: February

National Association of Social Workers (NASW) - Fellowships for Master's and Doctoral Students
The NASW awards several fellowships to Master's and Doctoral students in social work. Deadline: Varies depending on award

National Cattlemen's Foundation - W.D. Farr Graduate Scholarship
Scholarships support graduate students in animal science, environmental science (water) or agriculture. The scholarship offers one year of support. Deadline: Please visit website

National Collegiate Athletic Association (NCAA) - Walters Byers Postgraduate Scholarship
This award requires nomination. This Program recognizing excellence in academic performance by student-athletes. One male and one female student-athlete are annually awarded a graduate scholarship in recognition of outstanding academic achievement and potential for success in graduate study. The scholarship offers support for one year, renewable for a second year. Deadline: January

National Federation of the Blind (NFB) - Scholarships for Blind Students
The NFB annually offers scholarships to blind college students in the United States and Puerto Rico, to recognize achievement by blind scholars. Deadline: Please visit website for updates

National Gallery of Art - Center for Advanced Study in the Visual Arts (CASVA) - Predoctoral Fellowship for Historians of American Art to Travel Abroad
Fellowships enable doctoral students in art history who are studying aspects of art and architecture of the United States, including native and pre-Revolutionary America, to travel abroad in areas such as Africa, Asia, or South America, as well as Europe, to sites of historical and cultural interest, including museums, exhibitions, collections, and monuments. Deadline: November

National Geographic Society - Grants Program
The National Geographic Society's Grants Program provides “Level 1” funding to early-career researchers and practitioners conducting projects in science, conservation, technology, storytelling, and/or education that are aligned with one or more of the Society’s five focus areas: Ocean, Land, Wildlife, Human History & Cultures, and Human Ingenuity. Deadline: June

National Italian American Foundation (NIAF) Scholarships
Scholarships support 1) Italian American students in any discipline and 2) students from any ethnic background majoring or minoring in Italian language, Italian studies, Italian American studies or a related field. Scholarships are for one year and applicants may reapply in subsequent years. Deadline: March

National Milk Producers Federation (NMPF) - National Dairy Leadership Scholarship Program
Scholarships support graduate students who are actively pursuing research of direct benefit to milk marketing cooperatives and dairy producers. Recommended fields of study include but are not limited to: agriculture communications, economics, animal health, environmental science, animal/human nutrition, food science, bovine genetics, food safety, dairy products processing, herd management, dairy science, and marketing and price analysis. The scholarship offers support for one year. Deadline: April

National Oceanic Atmospheric Administration (NOAA) - Cooperative Institute for Limnology and Ecosystems Research
CILER, located at the University of Michigan, offers full-time twelve week residential summer fellowships that expose students to a broad range of fields and provides an opportunity for students to conduct research in the Great Lakes region under the mentorship of a researcher or working professional. The internship is for twelve weeks.
Deadline: February

**National Organization of Gay and Lesbian Scientists and Technical Professionals (NOGLSTP) - Graduate Scholarship**
The scholarship is for graduate and professional students pursuing degrees in science, technology, engineering, or mathematics (STEM) programs who identify as lesbian, gay, bisexual, transgender, or queer or who are an active ally of the LGBTQ community.
The scholarship offers support for one year.
Deadline: June

**National Organization of Italian American Women (NOIAW) Scholarship**
Scholarships support Italian American women pursuing a graduate degree. Preferential consideration is given to applicants who have demonstrated excellence in fields of study of Italian language and/or culture. The scholarship is for one year.
Deadline: April

**National Potato Council - Graduate Scholarship**
Scholarships support graduate research that will improve the future of the U.S. potato industry. The scholarship is for one year.
Deadline: June

**National Resource Center - Fidler Research Grant for the Study of College Students in Transition**
The grant is for research that has the potential to improve the experiences of college students in transition. Qualitative, quantitative, and mixed-method studies will be considered.
Deadline: July

**National Sporting Library & Museum (NSLM) - Daniels Short-Term Research Fellowship**
The John H. Daniels Fellowships at the National Sporting Library & Museum in Middleburg, Virginia promote awareness of, and innovative, scholarly use of the institution’s unique collections focused on equestrian and field sports. Funds are awarded in honor of the legacy of sportsman and book collector John H. Daniels.
Deadline: September

**National Water Research Institute (NWRI) - Graduate Fellowships**
Fellowships support master's and PhD students at US universities conducting research in areas that include, but are not limited to, engineering, physical and chemical sciences, biological sciences, health sciences, political sciences, economics, and planning/public policy issues that are related to water resources. The fellowships are for two year.
Deadline: May

**National Women’s Studies Association (NWSA) - Scholarship for Research in Women’s Studies**
NWSA will award a Master’s or PhD student who, in the fall of the year of the award, will be engaged in the research or writing stages of a thesis or dissertation in the interdisciplinary field of women’s studies. The research project must be on women and must enhance the NWSA mission.
Deadlines: June

**Natural Sciences & Engineering Research Council of Canada (NSERC) - PGS Doctoral Scholarship**
NSERC supports Canadian citizens in doctoral programs in the natural sciences or engineering including civil and mechanical engineering; chemical, biomedical and materials science engineering; mechanical engineering; electrical engineering; computing sciences; mathematical sciences; physics and astronomy; chemistry; earth sciences; evolution and ecology; cellular and molecular biology; plant and animal biology; and psychology. The scholarships offers support for 2-3 years.
Deadline: October

**Newman Civic Fellows Award**
The Newman Civic Fellows Award honors inspiring college student leaders who have demonstrated an investment in finding solutions for challenges facing communities throughout the country. Through service, research, and advocacy, Newman Civic Fellows are making the most of their college experiences to better understand themselves, the root causes of social issues, and effective mechanisms for creating lasting change. These students represent the next generation of public problem solvers and civic leaders.
Deadline: May

**New America Fellows Program**
The New America Fellows Program supports journalists, academics, and other public policy analysts in working on a book, series of articles, documentary, or another project that would be accessible to a broad audience. The work should provide inventive perspectives on the major challenges facing contemporary society and could include a reframing of a familiar subject through new research or a new combination of existing research, a case study, a new media or academic project, or a policy prescription. The fellowship provides one year of support that includes a stipend, engagement with New
America’s various policy programs, and exposure from New America and its media partners.
Deadline: February

**New England Regional Fellowship Consortium (NERFC) - Research Fellowship**
Fellowships support research at participating institutions for historical research spanning the period from pre-contact to the present day. Collections include personal papers, organizational records, and printed works (both primary and secondary) as well as paintings, engravings, furniture, maps, photographs, architectural drawings, and materials in many other areas of collecting. The fellowship is for a minimum of eight weeks.
Deadline: February

**New Netherland Research Center (NNRC) - New Netherland Institute - Student Scholar Research Grant**
The grant supports graduate research on New Netherland history and on the Dutch Colonial Atlantic World using the holdings of the New Netherland Research Center, New York State Library, and the New York State Archives, in Albany, NY. The grant is for up to three months.
Deadlines: July

**New York Academy of Medicine - Research Fellowships in the History of Medicine and Public Health**
Fellowships support early career scholars pursuing research using the Academy library resources. Fellows are expected to spend at least four weeks in New York City, working at the Academy, during the 2019 calendar year. Fellows are required to present a seminar at the Academy.
Deadline: Varies depending on award. Please see website

**New York Botanical Garden (NYBG) - The Humanities Institute/LuEster T. Mertz Library - Mellon Summer Fellowship in Environmental Humanities**
Fellowships support interdisciplinary graduate research related to the history of botany, garden art and architecture, landscape and urban design, botanical illustration, and the book arts at the NYBG using the Garden and the Mertz Library’s holdings. Fellows will be given full access to the collections of the LuEsther T. Mertz Library, the Archives, the William and Lynda Steere Herbarium, and the Living Collections, including the 250 acre historic landscape of the Garden. The fellowship offers support for one summer.
Deadline: Varies depending on award. Please see website

**New York Public Library - Lapidus Center for the Historical Analysis of Transatlantic Slavery - Short-term Fellowship**
Residential fellowships support research on the slave trade, slavery, abolition, and anti-slavery in the Atlantic World. Fellows have access to the resources of the Schomburg Center as well as those of other research units of the New York Public Library to further their research, including the Lapidus Center collection of 400 rare items of printed material. Fellows are expected to be in continuous residence for the duration of the fellowship award period. The fellowship offers support for up to three months.
Deadline: January

**New York Public Library - Short-Term Research Fellowship**
Fellowships support graduate-level, post-doctoral, and independent researcher from outside of the New York metropolitan area needing to conduct on-site research in the Library’s special collections to support projects in the humanities, business and the arts. Preference is given to scholars whose work is based on materials in the NYPL research collections, especially when those materials are unique. Each fellow is expected to be in residence at the Library for the duration of their fellowship. The fellowship offers support for 2-4 weeks.
Deadlines: Please visit website

**Newberry Library - Short-Term Fellowships**
Fellowships enable scholars to work on projects related to the Newberry's Core Collections, which can be explored through the library's Catalogs and Guides. Fellows must be in continuous residence at the Newberry throughout the fellowship term unless indicated otherwise. Fellowships typically offer support for one months. However, scholars who have an extensive need for the collections may request up to two continuous months of support.
Deadline: Varies depending on fellowship. Please visit website

**Nicholl Fellowships in Screenwriting**
The Norway-America Association (NORAM) is a non-profit organization that since 1919 has helped Norwegian students to study in North-America, and American students to study in Norway. NORAM awards approximately five scholarships for Americans students who will attend graduate school or do PhD research here. Applicants must be members of the Norway-America Association (NAA) and must have completed a minimum of a Bachelor’s degree.
Deadline: May

**North American Conference on British Studies (NACBS) - Predoctoral & Dissertation Fellowships and Travel Grants**
Travel awards support dissertation research in the British Isles on any topic of British
(including Scottish, Irish and Imperial) history or British Studies.
Deadline: Varies depending on fellowship. Please visit website

North American Conference on British Studies (NACBS)/Huntington Library - Dissertation Travel Grants
Travel grants support doctoral students conducting research in British studies for use of the collections of the Library. The materials to be consulted at the Huntington should be essential sources for the dissertation.
Deadline: May

North American Society for Sport Management (NASSM) - Doctoral Research Grant
NASSM funds doctoral student research to advance scholarship in the field of sport management. This award is not intended to fund major dissertation projects.
Deadline: Varies depending on fellowship. Please visit website

North American Society for the Psychology of Sport & Physical Activity (NASPSPA) - Graduate Student Research Grant
Grants support graduate research in the scientific study of human behavior when individuals are engaged in sport and physical activity. The grant offer support for one year.
Deadlines: April

NVIDIA - Doctoral Fellowship
Fellowships support Ph.D. students who are researching topics that will lead to major advances in the graphics and high-performance computing industries and who are investigating innovative ways of leveraging the power of the Graphics Processing Unit (GPU). Deadline: September

Oil Spill Recovery Institute (OSRI) - Graduate Research Fellowship
Fellowships support graduate research that will enhance scientific understanding of Arctic and sub-Arctic marine and estuarine ecosystems, and provide information needed by managers and decision-makers for oil spill response and recovery. In particular, OSRI is interested in applications that examine the following areas of emphasis: toxicology, spill detection and tracking, improving spill response in sea ice, modeling of oil trajectories in ice, and degradation of oil. The fellowship offers support for up to two years for master's students or four years for doctoral students.
Deadline: Please visit website

Onassis Foundation - Doctoral & Postdoctoral Fellowships for Research and Study in Greece
Fellowships support research and study within Greece by non-Greeks in the fields of the humanities, social sciences, economics/finance, and theoretic studies of the arts (artists are not eligible). For the academic year 2019-2020 and concerning the field of Humanities, the Foundation particularly encourages applicants who want to work on topics and/or with material related to the Cavafy Archive and Library, and the Onassis Library. The fellowships offer support for up to 10 months.
Deadline: Please visit website

Onassis Foundation Scholarships
Offers scholarships for Greek graduate for postgraduate and doctoral studies outside of Greece. Offers research grants and educational scholarships in the Humanistic Sciences, Political Science, Law and Economics, Architecture, Fine Arts, Music, Dance, Theatre, Photography, Cinema.

Open Society Archives (OSA) - Central European University, Budapest - Visegrad Scholarship
Fellowships to support research at OSA archives in Budapest by individuals from the fields of history, the arts, philosophy and sociology to reflect on the conditions of knowledge production during and after the Cold War. This reflection exposes the intellectual and professional practices (journalistic, sociological, artistic, political, archival) that both reflected and shaped the meaning and scope of certain phenomena. Fellows are expected to work together with at least one of the researchers at the Archives. See website for suggested topics. The scholarships offer support for up to two months.
Deadlines: July and November

Organization of American States (OAS) Fellowships
This organization offers general scholarships for undergraduate and graduate study. All applications must be submitted through the corresponding National Liaison Office in your country. OAS academic scholarships are awarded for no more than two years of full-time studies at any university in an OAS member state, with the exception of the applicant's sponsoring country.
Deadline: Varies depending on fellowship

Open Society Foundation (OSF) - Civil Society Scholar Award (CSSA)
CSSA are for doctoral students from select countries who are conducting research in the social sciences and humanities. Awards support activities such as fieldwork
(data collection), research visits to libraries, archives or universities, course/curriculum development, and international collaborations leading to a peer-reviewed publication. Awards are for 2-10 months, and require an international component.

**Deadline:** Please visit website

**Oregon State University Special Collections and Archives Research Center - Short Term Grants**

Grants support research using the materials held in the OSU Libraries Special Collections and Archives Research Center. The Center consists of over 1,200 archival collections on five themes: the history of science and technology in the twentieth century, the history of Oregon State University, natural resources in the Pacific Northwest (including hops and brewing), multiculturalism in Oregon, and rare books. Grant monies can be used for any purpose. Researchers will be expected to conduct their scholarly activities while in residence at Oregon State University Valley Library.

**Deadline:** Please visit website

**Organization of Autism Research - Graduate Research Grant**

Grants support graduate students engaged in research in the following areas: the analysis, evaluation, or comparison of assessment models, treatment models, or service systems; applied aspects of early intervention and/or school-based education, behavioral, or communication intervention; adult issues such as continuing education, employment, housing models and “later intervention”; and issues related to family support, social and community integration, and assessment and intervention with challenging behavior.

**Deadline:** February

**Organization of American States (OAS) - Graduate Scholarship**

Scholarships are for full-time onsite or online studies leading to a Master's or Doctorate degree at a university or higher learning education institution in an OAS Member State, with the exception of the applicant’s sponsoring country, in eight (8) priority areas of study. All scholarship recipients must agree to return to and remain in the sponsoring country for a period of no less than twenty-four (24) months after completing the program of study covered by the scholarship. The OAS does not award scholarships for studies in Medical Sciences and the learning of new languages.

**Deadline:** April

**Organization of American States (OAS) - Leo S. Rowe Pan American Fund**

The Fund offers interest-free loans to citizens from Latin America and the Caribbean OAS Member States to finance their studies or research in accredited universities across the United States. Loans can be used for tuition, fees, room and board and other school related expenses. **Deadline:** Please visit website

**Overseas Press Club (OPC) Foundation - Journalism Scholarships**

Scholarships and fellowships support graduate students who aspire to become foreign correspondents. Recipients are eligible for paid internships at foreign bureaus of leading news organizations. **Deadline:** December

**Palynological Society (AASP) - Graduate Student Grants**

Grants are for research in palynology, to be used for costs directly connected to carrying out research, such as fieldwork and laboratory expenses.

**Student Research Grant is for research in any area of palynology.**

**Deadline:** Varies depending on fellowship. Please visit website

**PanHellenic Scholarship Foundation**

Dedicated to promoting education and leadership, that recognizes and honors exceptional undergraduate students of Hellenic descent, supporting their efforts with significant monetary awards based on academic merit and financial need.

**Deadlines:** January

**Parkinson’s Disease Foundation/American Parkinson Disease Association (PDF-APDA) - Summer Student Fellowship**

PDF’s Summer Fellowship supports students, from advanced undergraduates to medical students, in their pursuit of Parkinson’s-related summer research projects. The goal is to cultivate an early interest in the cause and possible treatments for Parkinson’s disease. Fellows work under the close supervision of a sponsor who is an expert in the Parkinson’s community and oversees the project.

**Deadline:** February

**Paul and Daisy Soros Foundation Fellowship for New Americans**

For seniors or recent graduates to pursue up to two years of graduate study in any field and in any advanced degree-granting program in the United States. Each award is up to $25,000 in maintenance grants and up to $20,000 in tuition support for each year of graduate study supported, a total of as much as $90,000.

**Deadlines:** October

**P.E.O. International Peace Scholarship**

The International Peace Scholarship Fund is a program, which provides scholarships for selected women from other countries for graduate study in the United States and
Science History Institute - Short-term Travel Grant
CHF offers short-term travel grants to researchers studying the history and sociology of the chemical and molecular sciences, technologies and industries.
Deadline: Continuous

Sheep Heritage Foundation - Graduate and Veterinary Student Scholarship
The scholarship supports graduate and veterinary students conducting sheep and/or
Sigma Delta Epsilon (SDE)- Graduate Women in Science (GWIS) Fellowship
Fellowships support the increase knowledge in the fundamental sciences and encourage research careers in the sciences by women. The fellowship offers one year of support.
Deadline: Anticipated January

Sir John Soane’s Museum Foundation Traveling Fellowship
Graduate Fellowships provide a $6000 award for students in graduate degree programs in art history, architecture, interior design, and decorative arts. The fellowship funds a research residency at the Soane Museum oriented towards academic research related to any aspect of the work of Sir John Soane or Sir John Soane’s Museum.

Smithsonian Fellowships
Unless noted otherwise, all Smithsonian fellowships (graduate, pre-doctoral, post-doctoral, senior) opportunities are open to non-US citizens. Applicants are evaluated on their academic standing, scholarly qualifications, experiences, the quality of the research project or study proposed and its suitability to Smithsonian collections, facilities, and programs.

Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding. The maximum amount awarded to a student is $10,000. Lesser amounts may be awarded according to individual needs. Deadline: December

Pension Real Estate Association (PREA) - Scholarship Program
Scholarships are for students studying real estate at the undergraduate and graduate levels. The scholarship offers support for one year.
Deadline: Please visit website

Peterson’s Graduate Scholarship
Graduate programs are expensive; and there’s often less scholarship money available for post-baccalaureate studies. In order to further our mission of promoting education after high school and lifelong learning, Peterson’s is proud to sponsor a $2,500 scholarship good toward tuition at a graduate or professional degree program.
Deadline: Please visit website

Philanthropic Educational Organization (P.E.O.) - Predoctoral International Peace Scholarship Fund for Women
Scholarships support female international students (students from any country other than the US or Canada) during graduate study in the United States or Canada.
Deadline: December

Phi Kappa Phi Fellowships
The Honor Society of Phi Kappa Phi currently awards 54 Fellowships of $8,500 each, six at $20,000 each, and two at $35,000 each to members entering the first year of graduate or professional study. Each active Phi Kappa Phi chapter may select one candidate from among its local applicants to compete for the Society-wide awards.
Deadline: April

Phillips Exeter Academy Fellowships & Internships
Phillips Exeter Academy is a co-educational residential school serving 1000 students in grades 9 through 12, and even post-graduate level. The school offers one-year internships that vary depending on need of the institution. The three fellowships offered are the Dissertation Year Fellowships, Writer in Residence (George Bennett Fellowship), and the John and Elizabeth Phillips Fellowships.

Point Foundation - The National LGTBQ Scholarship Fund - Graduate Scholarship
The Foundation offers scholarships to LGBTQ students in any field pursuing graduate
degrees at institutions within the U.S. The scholarship is for up to four years. Deadline: December

**Population Council - Predoctoral & Postdoctoral Fellowships in Biomedical Research**
Fellowships support pre- and postdoctoral advanced study in basic and translational reproductive sciences and HIV and AIDS. Fellows train in the laboratories of the Council's Center for Biomedical Research located on the campus of Rockefeller University in New York City. Fellowships are generally one year, with the possibility of renewal; however, appointments may be made for shorter time periods ranging from 1 to 6 months, depending on funding, project scope, and student exchange visitor status. Deadline: Varies depending on fellowship. Please visit website

**Property and Environmental Research Center (PERC) - Short-Term Fellowship for Graduate and Law Students**
Fellowships support graduate students and law students interested in researching issues related to natural resources and the environment. Fellows conduct research at PERC in Bozeman, Montana, researching and writing a paper under the supervision of a PERC senior fellow. While at PERC, fellows are required to present two workshops to outline, report on, and summarize their research findings. A paper of publishable quality is the expected result. Deadline: Please visit website

**Rainforest Alliance - Kleinhans for Community Forestry Research**
The Fellowship supports research that is oriented toward solving real-world problems as defined by community forest enterprises. The planning, implementation and dissemination of research results will be carried out in participatory manner to ensure that it has practical value for communities and helps to inform their action plans. Examples of potential research topics include: Markets for lesser-known species and non-timber forest products; Biodiversity management practices; Social organization and governance; and Multi-community enterprises. Deadline: February

**Raptor Research Foundation - Grants**
The Raptor Research Foundation provides small research grants for the study of birds of prey. The Leslie Brown Memorial Grant: provides financial assistance to promote the research and/or the dissemination of information on African birds of prey; Applications that do not focus on African raptors will not be reviewed for funding.

**Rhodes Scholarships for U.S. Citizens**
The Rhodes Scholarships were established after the death of Cecil Rhodes, who dreamed of improving the world through the diffusion of leaders motivated to serve their contemporaries, trained in the contemplative life of the mind, and broadened by their acquaintance with one another and by their exposure to cultures different from their own. Deadline: Please check back for dates

**Roberto Rocca Education Program - Doctoral Fellowships in Selected Engineering Disciplines**
Fellowships support students who are citizens of Argentina, Brazil, Colombia, Indonesia, Mexico, Venezuela and Romania, who are pursuing doctoral studies outside of their own country in one of the fields below. The program is especially interested in candidates whose research offer potential benefits to the steel industry. The fellowship is for two years, renewable for an additional two years. Deadline: Please visit website for updates

**Rob and Bessie Welder Wildlife Foundation - Graduate Research Fellowship**
Applicants must contact Foundation staff prior to the deadline with a letter that includes an abbreviated proposal. Select applicants will be invited to submit a formal application. The fellowship supports master's and doctoral research on the management of wildlife populations. The foundation accepts proposals in the areas of animal behavior, biology, botany, conservation education, ecology, genetics, mammalogy, ornithology, parasitology, range science, veterinary pathology, and wildlife and fisheries sciences. Deadline: October

**Robert Wood Johnson Foundation - Health Policy Research Scholarship for Underrepresented Doctoral Students**
The RWJF Health Policy Scholarship program supports diverse doctoral students from nonclinical, research-focused disciplines in the social sciences whose research contributes to policies promoting a “culture of health.” Participants complete their doctoral program concurrently with additional research and leadership activities offered through the RWJF over the course of four years. Deadline: Please visit website for updates

**Rockefeller Archive Center (RAC) - Grants-In-Aid**
RAC grants support research in the collections of the Rockefeller Archive Center, which houses the records of the Rockefeller family, Rockefeller University, the Rockefeller Foundation and other philanthropies and associated individuals. Deadlines: November
Rocky Mountain Nature Association - Short-Term Research Fellowship
Fellowships support graduate students conducting research in Rocky Mountain National Park. The Fellowship offers support for 3-4 months.
Deadline: February

Rotary Peace Scholarships
Rotary Peace Fellows are leaders promoting national and international cooperation, peace, and the successful resolution of conflict throughout their lives, in their careers, and through service activities. Fellows can earn either a master's degree in international relations, public administration, sustainable development, peace studies, conflict resolution.
