About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using Pivot, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master’s - Opportunities for graduate students pursuing a master’s degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree
Americans for the Arts—Internship Opportunities
See website for deadlines
The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation’s leading nonprofit for advancing the arts in America. Fall, Winter/Spring, and Summer Internships are available.

North American Conference on British Studies Dissertation Fellowship
Various awards - See website for deadlines
Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish, and Imperial) history or British Studies. Applicants’ dissertation research must require travel to the British Isles.

Mellon Fellowships in Urban Landscape Studies
January 4, 2019
Allows scholars and designers to pursue research on the history and current conditions of urban landscapes.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity
January 6, 2019
Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

Chateaubriand Fellowship
January 8, 2019
Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Center for Jewish History Graduate Research Fellowship
January 13, 2019
Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center’s partners: American Jewish Historical Society, American Sephardic Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

American School of Classical Studies at Athens Fellowships and Grants
January 15, 2019; February 15, 2019 (see website for further deadlines)
One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

The Multi-Country Research Fellowship
January 24, 2019
The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center. Approx. eight awards of $10,500 each will be given.

Boren Fellowship
January 30, 2019 - Application Deadline (Contact ogfa-info@fsu.edu for internal guidelines)
Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Catherine H. Beattie Fellowship in Conservation Horticulture
January 31, 2019
Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Wolf Trap Internships
February 1, 2019
Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

Educational Testing Service (ETS) Summer Internship Program in Research
February 1, 2019
Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

National Museum of the American Indian Internship Program
February 6, 2019
Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C., or New York for a duration of 10 weeks.

Smithsonian Institution—STRI Short-Term Fellowship Program
February 15, 2019; April 15, 2019; July 15, 2019
Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.
Travel (Continued)

Fermilab LPC Guests and Visitors Program
February 20, 2019
Funding to engage in research at the LHC Physics Center for up to one year.

University Research Association Visiting Scholars Program
February 25, 2019
The URA Scholars Program was established to support the work of faculty and students from URA Institutions to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the lab.

Eisenhower Foundation Travel Grant
February 28, 2019
Assists scholars’ research in primary sources in the Eisenhower Presidential Library in fields such as history, government, economics, communications, and international affairs. Grants awarded on a competitive basis to cover a portion of expenses while in Kansas using the Eisenhower Presidential Library’s extensive resources.

Mathematica Center for Studying Disability Policy
February 9, 2019 (anticipated)

Summer Fellowship in Disability Policy Research
Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2019 at Mathematica’s Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program
Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC’s mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Fulbright—Hays Doctoral Dissertation Research Abroad Program
March (anticipated)
Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Sigma Delta Pi Graduate Research Grant
March 1, 2019
Research grants for active members of Sigma Delta Pi to travel to Spain and Spanish America for research related to Hispanic Studies.

Women Chemists Committee/Eli Lilly Travel Awards
March 1, 2019
Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Sir John Soane’s Museum Foundation Traveling Fellowship Program
March 1, 2019
$5,000 fellowships support travel to London to pursue research projects related to the Sir John Soane’s Museum or its collections. For students in art history, architecture, interior design, and the decorative arts. American

Philosophical Society Library Resident Fellowships
March 1, 2019
Residential fellowships supports PhD students to conduct research in the American Philosophical Society Library in Philadelphia, PA. Short-Term Resident Research Fellowships, for which applications are due March 1, provide one- to two-month support for PhD Candidates. Long-Term Predoctoral Fellowships, for which applications are due February 1, provide year-long support to PhD Students working on topics related to early American history (to 1840) and the history of science, technology, and medicine.

Program in Early American Economy & Society Fellowships
March 1, 2019
One dissertation research fellowship and four, one-month fellowships for research on the American economy and society, from its colonial beginnings to the 1850s. Possible topics include global trade, internal development, politics, the relationship between race/gender and economic forces, and capitalism. Awards provide support research in residence at The Library Company of Philadelphia. One-month fellowships also available.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships
March 1, 2019
Grants support members to undertake research on every phase of economic history, broadly defined.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program
March 4, 2019
The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

NASW Foundation Social Work HEALS Policy Fellowship
March 5, 2019
One-year fellowship for social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work-specific opportunity to put their social work knowledge and research experience to work in Washington, DC on critical issues of health policy facing our nation.

The Mariam K. Chamberlain Fellowship in Women and Public Policy
March 6, 2019
$27,000, nine-month fellowships assist to the professional development of students and graduates interested in economic and educational support for women.

Gerald R. Ford Presidential Foundation Research Travel Grants
March 15, 2019
Grants up to $2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

Universität Kassel International Summer University Scholarships
March 18, 2019
Scholarships available for Summer University at Kassel in engineering, culture, nano science, and sport science.
Travel (Continued)

Harry S. Truman Library Research Grant
April 1, 2019
Research Grants of up to $2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum. Funds lodging and meals, airfare, and photocopying.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019; August 1, 2019
Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central/South America. Open to Latin American students in a MS or PhD programs in a U.S. or South American university.

American Musicological Society
April 2, 2019
Virginia and George Bozarth Travel Fund
Intended to encourage and assist PhD candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund
The fund is intended to encourage and assist PhD candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund
Intended to encourage and assist PhD candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on topics in European music.

Mid Atlantic Arts Foundation USArtists International Grants
April 3, 2019
Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

Confucius China Studies Program Research PhD Fellowship
April 8, 2019 (anticipated)
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

Smithsonian Institution—STRI Short-Term Fellowship Program
April 15, 2019; July 15, 2019
Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

American Jewish Historical Society
April 20, 2019 (anticipated)
Sid and Ruth Lapidus Fellowship
Supports one or more researcher(s) wishing to use the collections of the American Jewish Historical Society. Preference is given to researchers interested in 17th and 18th century American Jewish history. At the discretion of the awards committee, the fellowship funds may also be applied to subsidizing publication of a first book in the field of American Jewish history, again with preference given to works in early American Jewish history. The available amount for the award(s) is $6,000 annually.

Ruth B. Fein Prize
A travel stipend established in honor of a past president of the Society, to a graduate student to help undertake research at the American Jewish Historical Society. The award is up to $1,000.

Scientific and Technological Research Council of Turkey
Deadline: See website for openings
Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

Institute for Humane Studies Conference and Research Grant
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

U.S. Department of Energy Carlsbad Field Office Fellowship Program
Deadline: See website for openings
The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE’s CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

International Ocean Discovery Program Expedition
See website for deadlines
The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediment and rock beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

KOSMOS Summer University Fellowship
See website for openings
The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.
**Master’s**

**PADI Foundation Grant**
January 6, 2019
Grants to support underwater science, environmental projects, and education

**American Water Works Association**
January 8, 2019

<table>
<thead>
<tr>
<th>Scholarship Name</th>
<th>Amount</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bryant L. Bench Scholarship</td>
<td>$10,000</td>
<td>Scholarship to support a master's student engaging in developing innovative solutions to the world's water challenges.</td>
</tr>
<tr>
<td>Hazen and Sawyer Scholarship</td>
<td>$5,000</td>
<td>Scholarship to support a student seeking a master's degree in the water science field.</td>
</tr>
<tr>
<td>HDR/Henry “Bud” Benjes Scholarship</td>
<td>$5,000</td>
<td>Scholarship to support a master's student seeking a degree in the water industry.</td>
</tr>
<tr>
<td>Larson Aquatic Research Support (LARS) Scholarship</td>
<td>$5,000 for master's students, $7,000 for doctoral students</td>
<td>Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry.</td>
</tr>
<tr>
<td>Thomas R. Camp Scholarship</td>
<td>$5,000</td>
<td>Scholarship to support graduate students doing applied research in the drinking water field.</td>

</table>
Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program  
January 15, 2019  
Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Applied Research Grant  
January 20, 2019  
Funds work that will help bridge the gap between academies and management accounting professionals while contributing to the development of knowledge in the profession.

Drs. Raymond and Rosalee Weiss Research Endowment  
January 18, 2019  
Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Government Finance Officers Association  

Goldberg-Miller Public Finance Scholarship  
$15,000 award for full-time graduate students anticipating a career in state/local government finance.

Government Finance Professional Development Scholarship  
Four $10,000 awards to be given to part-time graduate students working in public administration, (governmental) accounting, finance, economics, or business administration (government focus).

Arizona State University Critical Languages Institute Awards  
January 25, 2019  
The Critical Languages Institute (CLI) at Arizona State University's Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Lillian E. Smith Writer-In-Service Award  
January 25, 2019  
The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a $500 honorarium, and a $500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

Point Foundation Scholarship  
January 28, 2019  
Scholarships empower promising LGBTQ students to achieve their full academic and leadership potential to make a significant impact on society.

Boren Fellowship  
January 30, 2019 - Application Deadline (Internal FSU Deadline - December 7)  
Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Florida Gubernatorial Fellows Program  
January 30, 2019  
Non-partisan program immerses students from public and private universities in key areas of state government.

Now Is the Time: Minority Fellowship Program - Youth  
January 31, 2019  
Fellowship for students enrolled in a Marriage and Family Therapy master's program interested in providing service to the nation's youth. See fellowship website for free application webinars.

Spencer Educational Foundation Graduate Scholarships  
January 31, 2019  
Scholarships with particular eligibility criteria for master's and pre-dissertation PhD students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture  
January 31, 2019  
Annual research grant for graduate students in biology or horticulture to study at a botanical garden.

Intercollegiate Studies Institute Graduate Fellowships  
February 1, 2019  
Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

NASA Earth and Space Science and Technology (FINESST) Fellowship  
February 1, 2019  
A program that supports graduate students in basic and applied research in Earth science and space science. Awards of $45,000 per year are made for up to three years.

Freedom Summer Collegiate Fellowship  
February 1, 2019  
Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship  
February 1, 2019  
Scholarships designed to encourage students to choose a manufacturing-focused education.

Mathematica Center Summer Fellowship in Disability Policy Research  
February 9, 2019 (anticipated)  
Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2019 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.
Daughters of the American Revolution Scholarships
February 15, 2019

Caroline E. Holt Nursing Scholarship
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship
One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship
One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendant of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship
One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship
Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship
Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship
One-time scholarship to a deserving female student who is a U.S. citizen attending medical school.

DAR Centennial Scholarship
Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship
One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program
February 15, 2019 (anticipated)
Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

Kappa Omicron Nu Research Fellowship
February 15, 2019
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

John A. Knauss Marine Policy Fellowship
February 22, 2019
A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

LAGRANT Graduate Scholarships
February 28, 2019
$3,750 awards for minority students pursuing graduate degrees in advertising, marketing or public relations. Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

Space Medicine Association Jeffrey R. Davis Scholarship
March 1, 2019
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowships for Nutrition Research
March 1, 2019
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

American Library Association

American Library Association Kino Lorber EDU/Video Round Table Scholarship
March 1, 2019 (anticipated)
Provides financial assistance, encouragement, and a fuller understanding of the distribution industry to future media librarians.

American Library Association Spectrum Scholarship
March 1, 2019
Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship
March 7, 2019
Annual scholarship for an ALA or library support staffer who is a U.S./Canadian citizen or permanent resident and is pursuing a Master's of Library Science degree at an ALA-accredited program.
Master’s (Continued)

Mineralogical Society of America Grant for Research in Crystallography
March 1, 2019
Awards of up to $5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomimetic mineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

National Association of Social Workers Foundation Scholarships
March 5, 2019
Consuelo W. Gosnell Memorial Scholarship
Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.
Verne LaMarr Lyons Scholarship
Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/mental health practice and who demonstrate commitment to working in African American communities.

James Madison Graduate Fellowships
March 6, 2019
Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

Education for Sustainable Energy Development Scholarship
March 8, 2019
Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

American Physical Society Bridge Fellowship
March 16, 2019 (anticipated)
The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Sertoma Communicative Disorders Scholarship
March 29, 2019
Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund
March 31, 2019
The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award
March 31, 2019 (anticipated)
The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of $1,000, and his or her manuscript published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation
March 31, 2019
Vercille Voss IFDA Graduate Student Scholarship
Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.
Ruth Clark Furniture Design Scholarship
Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019; August 1, 2019
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Davis-Putter Scholarship
April 1, 2019
Need-based funding for graduate students who are actively working for peace and justice.
**Master’s (Continued)**

**Wilson Center Internships with the Middle East Program**
April 1, 2019; July 15, 2019
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, threats to and from the regional states, and the role and future prospects of the region’s energy resources.

**Pediatric Endocrinology Nursing Society Academic Education Scholarship**
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

**Sociologists for Women in Society Cheryl Allyn Miller Award**
April 1, 2019
Award recognizes a sociology graduate student or a recent doctorate whose research or activism constitutes an outstanding contribution to the field of women and work.

**Florida-China Linkage Institute Tuition Exemption Program**
April 1, 2019
This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public university or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

**Student Leadership Awards**
April 3, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

**American Institute for Economic Research Harwood Visiting Research Fellowships**
April 1, 2019
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIFER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).

**High Energy Laser and High Power Microwave Technologies Scholarships**
April 12, 2019
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

**Department of Transportation Dwight D. Eisenhower Transportation Fellowship**
April 14, 2019 (anticipated)
Provides funding for the pursuit of Master’s or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

**ORISE Evaluation Fellowship Opportunity at the CDC**
April 14, 2019 (anticipated)
Fellows work under the leadership of the CDC’s Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure the activities build the knowledge base of the program and enhance the professional development of the Fellow.

**Mary Murphy Graduate Scholarship**
April 15, 2019 (anticipated)
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.

**Academy of Nutrition and Dietetics Foundation Scholarships**
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

**Irene Winifred Eno Grant**
American Society of Interior Designers Foundation
April 17, 2019
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and wellness.

**Legacy Scholarship for Graduate Students**
April 17, 2019
This $4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

**Joel Polsky Academic Achievement Award**
American Society of Interior Designers Foundation
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

**IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science**
April 30, 2019 (anticipated)
The purpose of IFER’s Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

**Richard A. Horovitz Fund for Professional Development**
Rolling deadline
To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.
P.E.O. Program for Continuing Education
Deadline: Apply 8 weeks prior to the start of the term for which the grant is requested
One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Segal AmeriCorps Education Award
Deadlines vary
The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.
Harriet Evelyn Wallace Doctoral Student Scholarships for Women
January 4, 2019
Scholarships support female geoscientists pursuing graduate degrees. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

PADI Foundation Grant
January 6, 2019
Grants to support underwater science, environmental projects, and education

American Water Works Association
January 8, 2019
Bryant L. Bench Scholarship
$10,000 scholarship to support a master's student engaging in developing innovative solutions to the world's water challenges.

Hazen and Sawyer Scholarship
$5,000 scholarship to support a student seeking a master's degree in the water science field.

HDR/Henry “Bud” Benjes Scholarship
$5,000 scholarship to support a master's student seeking a degree in the water industry.

Larson Aquatic Research Support (LARS) Scholarship
Provides $5,000 for master's students and $7,000 for doctoral students interested in fields of corrosion control, treatment and distribution of water supplies, aquatic chemistry, and/or environmental chemistry.

Thomas R. Camp Scholarship
$5,000 scholarship to support graduate students doing applied research in the drinking water field.

Holly A. Cornell Scholarship
$7,500 scholarship to support outstanding female and/or minority master's students in pursuit of advanced training in the field of water supply and treatment.

ARCADIS Scholarship
$5,000 scholarship to support a master's or doctoral candidate seeking a degree in the water industry.

Dave Caldwell Scholarship
$5,000 scholarship to benefit female and minority students pursuing an engineering degree in the drinking water field.

Woodard and Curran Scholarship
$5,000 scholarship to support outstanding female and/or minority master's students in pursuit of training in the field of water treatment.

American Water Scholarship
$5,000 scholarship to support the development of professionals interested in service to the water industry.

Chateaubriand Fellowship
January 8, 2019
Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Department of Energy Computational Science Graduate Fellowship
January 9, 2019
Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can apply high performance computing to their disciplinary areas.

Guy Harvey Scholarship Award
January 10, 2019
Supports graduate students enrolled full-time at Florida institutions of higher education conducting research related to the biology, ecology, habitat or management of fish in Florida's waters. Scholarships are $5,000 each.

Leakey Foundation Research Grants
January 10, 2019
Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between $3,000 and $15,000.

Graduate Women in Science National Fellowships Program
January 11, 2019
The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income supporting research done by SDE/GWIS award winners.

Language Learning Journal Dissertation Grant
Applications received between January 4 and 11, 2019
The Language Learning Journal Dissertation Grant Program is aimed at facilitating the research work of doctoral candidates in the language sciences. The journal's Board of Directors awards up to 20 dissertation grants per year, beginning in January and continuing until this number is allocated for the calendar year. These grants are designed to cover actual expenses—up to $2,000 per grant, connected with the research component of the dissertation.
Doctoral (Continued)

American Association of Family & Consumer Sciences National Graduate Fellowship
January 14, 2019
Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

International Literacy Association
January 15, 2019
Elva Knight Research Grant
Grant for research in reading and literacy.

Jeanne S. Chall Research Fellowship
Grant to support reading research by promising scholars.

Steven A. Stahl Research Grant
Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Helen M. Robinson Grant
Grants for doctoral students at the early stages of dissertation research in the areas of reading and literacy.

Hurst Review/American Association of Colleges of Nursing Scholarship
January 15, 2019
Scholarships for students pursuing professional nursing degrees.

Link Foundation Modeling, Simulation, & Training Fellowships
January 15, 2019
Program fosters advanced research in modeling, simulation, and training, enabling Ph.D. students to research full-time and disseminate the results of that research through conferences, journals, and other publications.

American Antiquarian Society Short-Term Visiting Academic Research Fellowships
January 15, 2019
Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Predoctoral Fellowship in Mental Health and Substance Abuse Services
January 15, 2019
Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students whose training prepares them for careers in behavioral health services. Minorities are especially encouraged to apply.

U.S. Army Center of Military History Dissertation Fellowships
January 15, 2019
Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

NSF Cultural Anthropology—Doctoral Dissertation Research Improvement Grants
January 15, 2019; August 15, 2019
The NSF CA-DDRIG supports basic scientific research on the causes, consequences, and complexities of human social and cultural variability. Provides support to enhance and improve the conduct of doctoral dissertation projects carried out by doctoral students enrolled in U.S. universities.

Smithsonian/Archives of American Art Fellowships and Internships
January 15, 2019 (see website for other deadlines)
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Phil Beta Kappa Mary Isabel Sibley Fellowship
January 15, 2019
Awarded alternately in the fields of Greek and French. The 2019 cycle is accepting application for Greek Studies. Open to unmarried women 25-35 years of age and finished with all doctoral requirements except the dissertation.

Joan and Stanford Alexander Award
January 15, 2019
Two grants of $5,000 each for doctoral candidates working on dissertations that concentrate on photography.

National Science Foundation Mathematical Sciences Graduate Internship (MSGI)
January 15, 2019
The National Science Foundation (NSF) Division of Mathematical Sciences (DMS) aims to provide opportunities to enrich the training of graduate students in the Mathematical Sciences through the provision of an NSF Mathematical Sciences Graduate Internship Program. Provides opportunity for mathematical sciences doctoral students to participate in internships at federal national laboratories, industry and other approved facilities.

Center for Jewish History Graduate Research Fellowship
January 15, 2019
Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center’s partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

Florida Education Fund
January 15, 2019

McKnight Doctoral Fellowship
Addressed to design the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph. D. degrees. The McKnight Doctoral Fellowship provides up to five years of support, with a stipend of $12,000 plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website may be eligible to apply. Contact Charles Jackson, McKnight Doctoral Program Manager, at 813-272-2772 for more information.

ogfa.fsu.edu | ogfa-info@fsu.edu | 850.645.0850 | Honors, Scholars, and Fellows House | Suite 400E
Doctoral (Continued)

McKnight Dissertation Fellowship
Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program
January 15, 2019
Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Applied Research Grant
January 20, 2019
Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

Government Finance Officers Association

Daniel B. Goldberg Scholarship
A non-renewable $12,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship
Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field.

Minorities in Government Finance Scholarship
Minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Frank L. Greathouse Government Accounting Scholarship
For graduate students preparing for careers in state/local government finance in the U.S. or Canada.

American College of Sports Medicine

Dr. Raymond A. Weiss Research Endowment
Established for ACSM students in exercise science. One project will be funded for applied research, with the intent of applying results to programs involving physical activity and sports. The psychological/emotional benefits of physical activity are particularly important to the endowment’s beneficiaries.

ACSM Foundation Doctoral Student Research Grant
Research grants for doctoral students up to $5,000 for a one-year period. The awards are to be used for experimental subjects, supplies, and small equipment needs.

Carl V. Gisolfi Memorial Fund
Funds research in thermoregulation, exercise, and hydration. In support of increasing diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

NASA Space Physiology Research Grant
Funds doctoral students researching exercise, weightlessness, and musculoskeletal physiology.

NSF Biological Anthropology - Doctoral Dissertation Research Improvement Grant
January 22, 2019
NSF BA-DDRIG grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

The Multi-Country Research Fellowship
January 24, 2019
The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center. Approx. eight awards of $10,500 each will be given.

National Institute of Justice Research Assistantship Program
January 25, 2019
The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.

Arizona State University Critical Languages Institute Awards
January 25, 2019
The Critical Languages Institute (CLI) at Arizona State University’s Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Lillian E. Smith Writer-In-Service Award
January 25, 2019
The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a $500 honorarium, and a $500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

Point Foundation Scholarship
January 28, 2019
Scholarships empower promising LGBTQ students to achieve their full academic and leadership potential to make a significant impact on society.
Doctoral (Continued)

NMFS-Sea Grant Joint Fellowship Program
January 30, 2019
Joint NOAA Fisheries/Sea Grant graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for Ph.D. students to provide real-world experience to graduate students and accelerate their career development.

Boren Fellowship
January 30, 2019 - Application Deadline (Internal FSU Deadline - December 7)
Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Florida Gubernatorial Fellows Program
January 30, 2019
Non-partisan program immerses students from public and private universities in key areas of state government.

Spencer Educational Foundation Graduate Scholarships
January 31, 2019
Scholarships with particular eligibility criteria for master's and pre-dissertation Ph.D students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture
January 31, 2019
Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Josephine de Karman Fellowship
January 31, 2019
$24,000 grant awarded to doctoral candidates whose scholastic achievements reflect Professor von Karman's high standards. De Karman fellows are open to students in any discipline, and fund the writing of the dissertation.

Center for Retirement Research at Boston College Dissertation Fellowship Program
January 31, 2019
Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

American Sociological Association Minority Fellowship Program
January 31, 2019
Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

American Association of Marriage and Family Therapy
January 31, 2019
Doctoral Fellowship
Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation's youth.

Dissertation Completion Fellowship
Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

Educational Testing Service (ETS) Summer Internship Program in Research
February 1, 2019
Students participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Intercollegiate Studies Institute Graduate Fellowships
February 1, 2019
Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Harry Frank Guggenheim Dissertation Fellowships
February 1, 2019
Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Harry S. Truman Library Dissertation Year Fellowship
February 1, 2019
Dissertation Year Fellowships that are intended to encourage historical scholarship of the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship
February 1, 2019
Funds scholars completing dissertations that shed light on American politics, public policy, foreign relations, global impacts on the US media and politics, and the role of the presidency in shaping American political development.

PhRMA Pre Doctoral Fellowships
February 1, 2019 (Health Outcomes); September 1, 2019 (Informatics, Pharmaceutics, Pharmacology)
Fellowships for students who expect to complete their Ph.D. in two years or less from the time the fellowship begins. Offered in five areas: Health Outcomes, Informatics, Pharmaceutics, Pharmacology/Toxicology.

Freedom Summer Collegiate Fellowship
February 1, 2019
Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship
February 1, 2019
Scholarships designed to encourage students to choose a manufacturing focused education.
American Meteorological Society Scholarships
February 8, 2019

American Meteorological Society Fellowship in the History of Science
For PhD students writing dissertations. Carries a $15,000 stipend to support one year of research.

American Meteorological Society Minority Scholarships
Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research
February 9, 2019 (anticipated)
Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica’s Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program
February 23, 2019 (anticipated)
Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC’s mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Institute for Humane Studies Fellowship
February 10, 2019
Fellowships for promising doctoral students dedicated to developing, teaching, and applying the principles of a free society.

Organization for Autism Research Graduate Research Grant
February 11, 2019
Our Graduate Research Grant Competition offers grant awards of $1,000 for students conducting autism research as a requirement in pursuit of a master’s degree and $2,000 for students who are doctoral candidates or post-doctoral students.

Kappa Omicron Nu Research Fellowship
February 15, 2019
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program
February 15, 2019 (anticipated)
Fellowships for prospective and current science graduate students interested in researching yogurt and probiotics.

Daughters of the American Revolution Scholarships
February 15, 2019

Caroline E. Holt Nursing Scholarship
One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship
One-time scholarship for students in financial, and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship
One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship
One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship
One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship
One-time scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship
Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship
One-time scholarship to a deserving female student who is a US citizen attending medical school.

DAR Centennial Scholarship
Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship
One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

American Jewish Archives Fellowship
February 19, 2019
The Marcus Center’s Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program scholars travel to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion. The program provides fellows with an opportunity not only to pursue their own research, but also to interact and exchange ideas with research peers as well as with the faculty and students of HUC-JIR.

American Meteorological Society Scholarship
February 8, 2019

American Meteorological Society Fellowship in the History of Science
For PhD students writing dissertations. Carries a $15,000 stipend to support one year of research.

American Meteorological Society Minority Scholarships
Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research
February 9, 2019 (anticipated)
Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica’s Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program
February 23, 2019 (anticipated)
Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC’s mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Institute for Humane Studies Fellowship
February 10, 2019
Fellowships for promising doctoral students dedicated to developing, teaching, and applying the principles of a free society.

Organization for Autism Research Graduate Research Grant
February 11, 2019
Our Graduate Research Grant Competition offers grant awards of $1,000 for students conducting autism research as a requirement in pursuit of a master’s degree and $2,000 for students who are doctoral candidates or post-doctoral students.

Kappa Omicron Nu Research Fellowship
February 15, 2019
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program
February 15, 2019 (anticipated)
Fellowships for prospective and current science graduate students interested in researching yogurt and probiotics.
John A. Knauss Marine Policy Fellowship  
February 22, 2019  
A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

Egg Nutrition Studies and Research Grants  
February 28, 2019 (anticipated)  
The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

NSF Sociology Program Doctoral Dissertation Research Improvement Awards  
February 28, 2019  
NSF Soc-DDRI grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program’s webpage for specific information.

Rocky Mountain Mineral Law Foundation Scholarship  
February 28, 2019  
Scholarship opportunities for law students who demonstrate a commitment to the study of natural resources law.

Space Medicine Association Jeffrey R. Davis Scholarship  
March 1, 2019  
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowship  
March 1, 2019  
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

Mellon Scholars Program in African American History  
March 1, 2019  
Dissertation fellowship designed to increase the participation of scholars from underrepresented backgrounds and others in the field of African American history prior to 1900.

American Psychological Foundation Esther Katz Rosen Fund Grants  
March 1, 2019  
Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from $1,000 to $50,000.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships  
March 1, 2019  
Grants support members to undertake research on every phase of economic history, broadly defined.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity  
March 1, 2019  
With this fellowship, the American Society of Criminology encourages students of color, especially those from racial and ethnic groups underrepresented in the field, to enter the field of criminology and criminal justice, and facilitates the completion of their degrees.

Mineralogical Society of America Grant for Research in Crystallography  
March 1, 2019  
Awards of up to $5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

American Library Association Spectrum Scholarship  
March 1, 2019  
The fellowship will be awarded to a scholar or professional who seeks funds for a project that promotes an understanding of the historic relationship between Austria and the United States. A grant of up to $30,000 will be considered to support salary, travel, or other necessary expenses.

Mercatus Center  

Mercatus Center Adam Smith Fellowship  
March 1, 2019  
The Adam Smith Fellowship is a co-sponsored program of the Mercatus Center and Liberty Fund, Inc. Adam Smith Fellowships are awarded to graduate students attending PhD programs in a variety of fields including economics, philosophy, political science, and sociology.

Frédéric Bastiat Fellowship  
March 15, 2019  
The Frédéric Bastiat Fellowship is a one-year, competitive fellowship program awarded to graduate students attending master’s, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

National Association of Social Workers Foundation Scholarships  
March 5, 2019  

Consuelo W. Gosnell Memorial Scholarship  
Grant awarded to master's degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.
### Doctoral (Continued)

**Verne LaMarr Lyons Scholarship**
- Grant awarded to master's degree candidates in social work who have an interest in or experience with, health/mental health practice and who are committed to working in African American communities.

**Israel Institute Doctoral Fellowship**
- March 13, 2019 (anticipated)
- Two-year fellowships open to both doctoral students who are working on Israel as a primary topic of research and to candidates whose focus is broader but whose work incorporates an Israeli dimension.

**Fulbright—Hays Doctoral Dissertation Research Abroad Program**
- March 14, 2019 (anticipated)
- Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

**Association for the Study of the Middle East and Africa Research Grants Program**
- March 15, 2019 (anticipated)
- Grants up to $2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

**Sigma Xi Grants-in-Aid of Research**
- March 15, 2019
- The program grants of up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

**National Wildlife Federation EcoLeaders Program**
- March 15, 2019 (anticipated)
- National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

**American Physical Society Bridge Fellowship**
- March 15, 2019
- The APS Bridge Program is an effort to increase the number of physics Ph.Ds awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

**Fulbright—Hays Doctoral Dissertation Research Abroad Program**
- March 14, 2019 (anticipated)
- Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

**Association for the Study of the Middle East and Africa Research Grants Program**
- March 15, 2019 (anticipated)
- Grants up to $2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

**Sigma Xi Grants-in-Aid of Research**
- March 15, 2019
- The program grants of up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

**National Wildlife Federation EcoLeaders Program**
- March 15, 2019 (anticipated)
- National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

**American Physical Society Bridge Fellowship**
- March 15, 2019
- The APS Bridge Program is an effort to increase the number of physics Ph.Ds awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

**Fulbright—Hays Doctoral Dissertation Research Abroad Program**
- March 14, 2019 (anticipated)
- Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

**Association for the Study of the Middle East and Africa Research Grants Program**
- March 15, 2019 (anticipated)
- Grants up to $2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

**Sigma Xi Grants-in-Aid of Research**
- March 15, 2019
- The program grants of up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

**National Wildlife Federation EcoLeaders Program**
- March 15, 2019 (anticipated)
- National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

**American Physical Society Bridge Fellowship**
- March 15, 2019
- The APS Bridge Program is an effort to increase the number of physics Ph.Ds awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Feinstein Center Summer Fellowship
- March 18, 2019
- Summer fellowships up to $4,000 to support research on the American Jewish experience. This award is open to doctoral and postdoctoral scholars.

Sertoma Communicative Disorders Scholarship
- March 29, 2019
- Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund
- March 31, 2019
- The fund is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award
- March 31, 2019 (anticipated)
- The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of $1,000, and their manuscript published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation
- March 31, 2019

Vercille Voss IFDA Graduate Student Scholarship
- Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship
- Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
- April 1, 2019; August 1, 2019
- The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Wilson Center Internships with the Middle East Program
- April 1, 2019; July 15, 2019
- The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Davis-Putter Scholarship
- April 1, 2019
- Need-based funding for graduate students who are actively working for peace and justice.
Doctoral (Continued)

**SHAFR Marilyn Blatt Young Dissertation Completion Fellowship**
April 1, 2019
SHAFR will make one, year-long awards of $25,000 to support the writing and completion of a dissertation on a topic in the field of U.S. foreign relations history or international history. Applicants must be members of SHAFR.

**American Institute of Afghanistan Studies John F. Richards Fellowship Program**
April 15, 2019 (anticipated)
Invites applications for support of short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

**High Energy Laser and High Power Microwave Technologies Scholarships**
April 12, 2019
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

**Fahs-Beck Doctoral Dissertation Grant Program**
April 1, 2019
Grants up to $5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

**Student Leadership Awards**
April 1, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic descent that demonstrate leadership excellence.

**Florida-China Linkage Institute Tuition Exemption Program**
April 1, 2019
This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public university or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption period.

**History of Science Society Fellowships in Aerospace History**
April 1, 2019
The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholarly research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management.

**North American Conference on British Studies Dissertation Fellowship**
April 1, 2019 (anticipated)
Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. An applicant's dissertation research must necessitate travel to the British Isles.

**Pediatric Endocrinology Nursing Society Academic Education Scholarship**
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

**American Institute for Economic Research Harwood Visiting Research Fellowships**
April 1, 2019
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a $2350/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).

**Society for the History of Technology**

**The SHOT-NASA Fellowship in the History of Space Technology**
April 1, 2019
This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project related to the history of space technology including cultural and intellectual history, institutional history, economic history, history of law and public policy, and history of engineering and management.

**Sociologists for Women in Society**

**Barbara Rosenblum Dissertation Scholarship for the Study of Women and Cancer**
April 1, 2019 (anticipated)
Scholarship is designed to encourage doctoral research on women's experience of breast cancer and other reproductive cancers, as well as the prevention of these cancers. The scholarship also supports efforts to make sociological research on these topics available to the public.

**Beth B. Hess Memorial Scholarship**
April 1, 2019 (anticipated)
Scholarship is awarded to a dissertation writing PhD student who has studied for at least one full academic year at a two-year college in the U.S., before transferring to complete a BA.

**Esther Ngan-Ling Chow and Mareyjoyce Green Scholarship**
April 2, 2019 (anticipated)
Scholarship offers support to women scholars who are from underrepresented groups and are studying concerns that women of color face domestically and/or internationally.

**Cheryl Allyn Miller Award**
April 13, 2019 (anticipated)
Award recognizes a sociology graduate student, or a recent doctorate, whose research or activism constitutes an outstanding contribution to the field of women and work.
American Musicological Society
April 2, 2019

Virginia and George Bozarth Travel Fund
Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund
The fund is intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund
Intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations or a topic in European music.

H. Robert Cohen Fund
Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

William Holmes / Frank D'Accone Endowment
The Holmes / D'Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Ora Frishberg Saloman Fund
Supports musicological research oriented to music criticism and reception history.

Dissertation Grant in Cold War History
April 8, 2019
$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

Confucius China Studies Program Research PhD Fellowship
April 8, 2019 (anticipated)
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

NIH Ruth L. Kirschstein National Research Service Award (F31)
April 8, 2019
The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to enhance the individual's potential to develop into a productive, independent research scientist.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
April 14, 2019 (anticipated)
Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

ORISE Evaluation Fellowship Opportunity at the CDC
April 14, 2019 (anticipated)
Fellows work under the leadership of the CDC's Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected to ensure that activities build the program's knowledge base and enhance the fellow's professional development.

Mary Murphy Graduate Scholarship
April 15, 2019 (anticipated)
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

American Geophysical Union Horton Research Grant in Hydrological Sciences
April 15, 2019 (anticipated)
Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

IMA Doctoral Summer Research Scholarship Program
April 15, 2019 (early applications preferred)
Program to help alleviate the need for doctoral students in business, accounting, finance, management, and related areas to assume teaching responsibilities during the summer.

Academy of Nutrition and Dietetics Foundation Scholarships
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation
April 17, 2019
Irene Winifred Eno Grant
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.
Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

Autism Speaks Pre-Doctoral Fellowship Program
April 24, 2019 (letter of intent due February 27)
Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019 (anticipated)
The purpose of IFER’s Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.
