About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using Pivot, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master’s - Opportunities for graduate students pursuing a master’s degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree
The Office of Graduate Fellowships and Awards | Florida State University

Travel

Sigma Delta Pi Graduate Research Grant
March 1, 2019
Research grants for active members of Sigma Delta Pi to travel to Spain and Spanish America for research related to Hispanic Studies.

Women Chemists Committee/Eli Lilly Travel Awards
March 1, 2019
Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Sir John Soane's Museum Foundation Traveling Fellowship Program
March 1, 2019
$5,000 fellowships support travel to London to pursue research projects related to the Sir John Soane's Museum or its collections. For students in art history, architecture, interior design, and the decorative arts.

American Philosophical Society Library Residential Fellowships
March 1, 2019
Residential fellowships support PhD students to conduct research in the American Philosophical Society Library in Philadelphia, PA. Short-Term Resident Research Fellowships, for which applications are due March 1, provide one- to two-month support for PhD Candidates. Long-Term Predoctoral Fellowships, for which applications are due February 1, provide year-long support to PhD Students working on topics related to early American history (to 1840) and the history of science, technology, and medicine.

Program in Early American Economy & Society Fellowships
March 1, 2019
One dissertation research fellowship and four, one-month fellowships for research on the American economy and American society, from its colonial beginnings to the 1850s. Possible topics include global trade, internal development, policies, the relationship between race/gender and economic forces, and capitalism. Awards support research in residence at The Library Company of Philadelphia. One-month fellowships also available.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships
March 1, 2019
Grants support members to undertake research on every phase of economic history, broadly defined.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program
March 4, 2019
The KCC Japan Education Exchange Graduate Fellowship Program was established in 1996 to support qualified graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

NASW Foundation Social Work HEALS Policy Fellowship
March 5, 2019
One-year fellowship for social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work-specific opportunity to put their social work knowledge and research experience to work in Washington, DC on critical issues of health policy facing our nation.

The Mariam K. Chamberlain Fellowship in Women and Public Policy
March 6, 2019
$27,000, nine-month fellowships assist in the professional development of students and graduates interested in economic and educational support for women.

Gerald R. Ford Presidential Foundation Research Travel Grants
March 15, 2019
Grants up to $2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

Universität Kassel International Summer University Scholarships
March 18, 2019
Scholarships available for Summer University at Kassel in engineering, culture, nano science, and sport science.

Fulbright—Hays Doctoral Dissertation Research Abroad Program
March 25, 2019
Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of 6 to 12 months.

Harry S. Truman Library Research Grant
April 1, 2019
Research Grants of up to $2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum. Funds lodging and meals, airfare, and photocopying.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019; August 1, 2019
Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central/South America. Open to Latin American students in MS or PhD programs in U.S. or South American universities.

American Musicological Society
April 2, 2019
Virginia and George Bozarth Travel Fund
Intended to encourage and assist PhD candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.
Travel (Continued)

Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund
The fund is intended to encourage and assist PhD candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund
Intended to encourage and assist PhD candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on topics in European music.

Mid Atlantic Arts Foundation USArtists International Grants
April 3, 2019
Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

Confucius China Studies Program Research PhD Fellowship
April 8, 2019 (anticipated)
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

Smithsonian Institution—STRI Short-Term Fellowship Program
April 15, 2019; July 15, 2019
Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

American Jewish Historical Society
April 20, 2019

Sid and Ruth Lapidus Fellowship
Supports one or more researcher(s) wishing to use the collections of the American Jewish Historical Society. Preference is given to researchers interested in 17th and 18th century American Jewish history. At the discretion of the awards committee, the fellowship funds may also be applied to subsidizing publication of a first book in the field of American Jewish history, again with preference given to works in early American Jewish history. The available amount for the award(s) is $6,000 annually.

Ruth B. Fein Prize
A travel stipend established in honor of a past president of the Society. Up to $1,000 is awarded to a graduate student to help fund research undertaken at the American Jewish Historical Society.

Congressional Papers Section (CPS) Pre-Conference Scholarship
May 1, 2019
Financial assistance to attend the CPR pre-conference at the Society of American Archivists Annual Meeting.

German Academic Exchange Service (DAAD)
May 1, 2019

Short Term Research Grants
Awards for ABD doctoral candidates with well-defined research projects that make a stay in Germany essential. Preference will be given to applicants who have been invited by a faculty member at a German university to study or do research in a particular university or department.

German Studies Research Grant
Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

Scientific and Technological Research Council of Turkey
May 1, 2019 (anticipated)
Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with the home countries of the prospective researchers.

The Wenner-Gren Foundation Dissertation Fieldwork Grants
May 2, 2019
Awarded to aid doctoral or thesis research. The program contributes to the Foundation’s overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity’s cultural and biological origins, development, and variation.

Society for Male Reproduction and Urology Traveling Scholars Award Program
May 2, 2019
The objective of this award is to provide an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).

DOE Office of Science Graduate Student Research (SCGSR) Program
May 9, 2019
The U.S. Department of Energy's SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

The Gilder Lehrman Institute of American History Fellowship
May 13, 2019
The Institute provides annual short-term research fellowships in the amount of $3,000 each to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history. Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.

Caucus for Women in Statistics Travel Award
June 1, 2019 (anticipated)
The Caucus for Women in Statistics (CWS) travel award partially supports the attendance of a professional meeting, such as the Joint Statistical Meeting (JSM). The CWS anticipates offering at least two awards in the amount of $500 each. The selection will be based on both merit and financial need.

The Office of Graduate Fellowships and Awards | Florida State University
Travel (Continued)

Society for the History of Technology Travel Grant
June 15, 2019 (anticipated)
Designed to defray some costs associated with attending the SHOT conference. This grant is open to individuals giving a paper at the annual meeting. The reviewing committee prioritizes scholars whose presentations address women, gender, race, ethnicity, and/or difference in the history of technology. Women, minorities, international scholars, and those who are new to SHOT are particularly encouraged to apply.

Golden Key International Honour Society
June 17, 2019

Joan Nelson Study Abroad Scholarship
Assists members who are going to participate in a study abroad program.

Golden Key Research Grant
Supports members’ research and/or presentation of research at conferences.

Luso-American USA@PT Grants
Deadline: Last day of each month
Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awardees with the required means to develop their work and provides for their travel and accommodation expenses.

Institute for Humane Studies Conference and Research Grant
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

U.S. Department of Energy Carlsbad Field Office Fellowship Program
Deadline: See website for openings
The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE’s CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

KOSMOS Summer University Fellowship
See website for openings
The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

International Ocean Discovery Program Expedition
See website for openings
The IODP is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediment and rock beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.
Space Medicine Association Jeffrey R. Davis Scholarship
March 1, 2019
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowships for Nutrition Research
March 1, 2019
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

Mineralogical Society of America Grant for Research in Crystallography
March 1, 2019
Awards of up to $5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

American Library Association

American Library Association Kino Lorber EDU/Video Round Table Scholarship
March 1, 2019 (anticipated)
Provides financial assistance, encouragement, and a fuller understanding of the distribution industry to future media librarians.

American Library Association Spectrum Scholarship
March 1, 2019
Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship
March 7, 2019
Annual scholarship for an ALA or library support staffer who is a U.S./Canadian citizen or permanent resident and is pursuing a Master’s of Library Science degree at an ALA-accredited program.

National Association of Social Workers Foundation Scholarships
March 5, 2019

Consuelo W. Gosnell Memorial Scholarship
Grant awarded to master’s degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship
Grant awarded to master’s degree candidates in social work who have an interest in or experience with health/mental health practice and who demonstrate commitment to working in African American communities.

James Madison Graduate Fellowships
March 6, 2019
Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

Academy of Motion Pictures Arts and Sciences Nicholl Fellowships in Screenwriting
Three Deadlines in 2019: March 7 ($45 entry fee); April 10 ($60 entry fee); May 1 ($85 entry fee)
Up to five fellowships for promising new writers. Fellows are expected to complete a feature-length screenplay during the fellowship year. The competition accepts early, regular, and late applications for varying fees.

Education for Sustainable Energy Development Scholarship
March 8, 2019
Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

Frédéric Bastiat Fellowship
March 15, 2019
This one-year, competitive fellowship is awarded to graduate students attending master’s, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Sigma Xi Grants-in-Aid of Research
March 15, 2019
The program awards grants up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.
Master’s (Continued)

National Wildlife Federation EcoLeaders Program
March 15, 2019 (anticipated)
National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

American Physical Society Bridge Fellowship
March 15, 2019
The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Islamic Scholars Fund (ISF) Scholarships
March 21, 2019
The ISF’s mission is to address the underrepresentation of American Muslims in fields and occupations that influence public opinion and shape public policy. ISF anticipates awarding 40-45 scholarships annually, ranging in amount from $2,000 to $5,000/$10,000. This scholarship aims to encourage Muslim students to become lawyers, politicians, journalists, film-makers, and academics that properly represent Islam in the U.S.

Sertoma Communicative Disorders Scholarship
March 29, 2019
Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund
March 31, 2019
The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award
March 31, 2019 (anticipated)
The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of $1,000, and his or her manuscript published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation
March 31, 2019
Vercille Voss IFDA Graduate Student Scholarship
Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship
Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019; August 1, 2019
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

Davis-Putter Scholarship
April 1, 2019
Need-based funding for graduate students who are actively working for peace and justice.

Wilson Center Internships with the Middle East Program
April 1, 2019; July 15, 2019
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrinology nursing. PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

Florida-China Linkage Institute Tuition Exemption Program
April 1, 2019
This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at a Florida public universities or community colleges and intend to return to China after their studies. Florida Statute 288.8175 authorizing this exemption program provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrinology nursing. PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Hartwood Visiting Research Fellowships
April 1, 2019
Fellowships for visiting scholars including PhD students and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship periods. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).
Sociologists for Women in Society Cheryl Allyn Miller Award
April 1, 2019
Award recognizes a sociology graduate student or a recent doctorate whose research or activism constitutes an outstanding contribution to the field of women and work.

Student Leadership Awards
April 3, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic descent that demonstrate leadership excellence.

ORISE Evaluation Fellowship Opportunity at the CDC
April 8, 2019
Fellows work under the leadership of the CDC’s Chief Evaluation Officer and are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure that the activities build the knowledge base of the program and enhance the professional development of the Fellow.

High Energy Laser and High Power Microwave Technologies Scholarships
April 12, 2019
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

National Military Intelligence Foundation (NMIF) Scholarship
April 12, 2019
The National Military Intelligence Foundation (NMIF) awards scholarships to students pursuing degrees in intelligence studies and related fields. Awards include tuition grants and invitations to attend the NMIF Awards Banquet held in McLean, VA. Current and prior members of the military or intelligence community may apply if they are not receiving tuition assistance from the government for their tuition.

Delta Sigma Theta Mary Murphy Graduate Scholarship
April 13, 2019
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
April 14, 2019 (anticipated)
Provides funding for the pursuit of Masters or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

Academy of Nutrition and Dietetics Foundation Scholarships
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

American Society of Interior Designers Foundation
April 17, 2019
This $4,000 award supports graduate students enrolled in or accepted into graduate-level interior design programs at accredited universities.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019
IFER’s Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their careers to integrate innovation and discovery with ethics and respect for animals.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into graduate-level interior design programs at accredited universities.

Irene Winifred Eno Grant
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Nurses Foundation Research Grants
May 1, 2019
The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women’s health, child health, community and family intervention, and leadership.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019
IFER’s Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their careers to integrate innovation and discovery with ethics and respect for animals.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Psychological Foundation (APF)

May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.
Spencer Educational Foundation RIMS Part-time Master’s Scholarship
May 1, 2019
The Spencer Educational Foundation awards Part-time Master’s Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to $10,000 to cover tuition and fees.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

Scholarships in Waste Management Research and Education
May 4, 2019 (anticipated)
Waste Management Research and Education Scholarships recognize graduate students pursuing excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for first year, full-time graduate student for work in electrical engineering.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institutions but receive training and support from Mozilla to hone their skills around open source and data sharing.

NSF Improving Graduate Student Preparedness for the Chemistry Workforce Supplement
May 15, 2019 (anticipated)
This opportunity is open to M.S. and Ph.D. students currently supported on NSF CHE individual investigator or small group research grants. Graduate student applicants must have completed at least one academic year as full-time students and be in good academic standing within their Departments.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

American Speech-Language-Hearing Foundation Graduate Student Scholarship
May 15, 2019
Scholarships for full-time students who will be or who are currently enrolled in graduate programs in communication science and disorders.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues
May 15, 2019
Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Florida Outdoor Writers Association Scholarship
May 18, 2019 (anticipated)
FOWA Scholarships are competitive and open to students at Florida colleges and universities, or to any student whose application is endorsed by a FOWA member or a faculty advisor. Up to three scholarships of $1,000 each are awarded. These scholarships are intended for college-aged students whose career goals are to communicate to the public appreciation for hunting, fishing, and other aspects of the outdoor experience.

Association for Consumer Research Transformative Consumer Research Grant
May 30, 2019 (anticipated)
Grants for consumer research projects that are focused on matters of well-being.

Tampa Bay Seminole Club Graduate Student Scholarship
May 31, 2019 (anticipated)
It is the goal of the Tampa Bay Seminole club to continue its commitment towards further building a pipeline between Hillsborough and Pasco county high schools and Florida State University. Candidates must be graduates of a Hillsborough or Pasco county high school and have proof of acceptance into a graduate program at FSU or have some graduate coursework already completed.

American Association of Colleges of Nursing Minority Nurse Faculty Scholarship
May 31, 2019 (anticipated)
Supports graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

Florida House of Representatatives Legislative Intern Program
May 31, 2019 (anticipated)
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

American Planning Association Judith McManus Price Scholarship
June 1, 2019 (anticipated)
Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

Florida Nurses Association Foundation Grants
June 1, 2019
The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Each year, funds are provided to registered nurses and students for scholarships and research grants. Multiple scholarships and research grants available for nursing students.
Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award
June 1, 2019 (anticipated)
The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships
June 1, 2019
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Council of Writing Program Administrators Research Grant
June 2, 2019 (anticipated)
The Council of Writing Program Administrators invites proposals for research projects that investigate issues and practices in writing program administration. Awards are offered in both a general research category and a targeted research category.

Florida-Mexico Institute Out-of-State Tuition Waiver
June 3, 2019
The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. FMI provides out-of-state tuition waivers to eligible students by waiving the out-of-state tuition.

Ecological Society of America Eco-Service Award
June 5, 2019 (anticipated)
The Union of Concerned Scientists (UCS), in partnership with the Student Section of the Ecological Society of America, will honor young scientists for their contributions to the discipline of ecology that have extended beyond the realm of academia and into the broader communities of which they are a part. The goal of this award is to recognize research that promotes application, outreach, and education.

American Translators Association Student Translation Award
June 7, 2019
Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATAs Annual Conference.

Golden Key International Honor Society
June 15, 2019
Joan Nelson Study Abroad Scholarship
Assists members who are going to participate in study abroad programs.

Golden Key Research Grant
Supports members’ research and/or presentation of research at conferences.

Golden Key Graduate Scholar Award
Awarded to a graduate student who shows great promise to create change.

Florida Association of School Psychologists Graduate Studies Award
June 30, 2019 (anticipated)
Awards to support students working in the area of school psychology.

Phi Kappa Phi Love of Learning Research Grant
June 30, 2019
Love of Learning Awards help fund post-baccalaureate professional development for active Phi Kappa Phi members to include (but not be limited to): Graduate or professional studies, doctoral dissertations, continuing education, career development, travel related to teaching/research/learning, etc.

Richard A. Horovitz Fund for Professional Development
Rolling deadline
To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

P.E.O. Program for Continuing Education
Deadline: Apply 8 weeks prior to the start of the term for which the grant is requested
One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Segal AmeriCorps Education Award
Deadlines vary
The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Library Association Spectrum Scholarship
March 1, 2019
Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

Mellon Scholars Program in African American History
March 1, 2019
Dissertation fellowship designed to increase the participation of scholars from underrepresented backgrounds and others in the field of African American history prior to 1900.

American Psychological Foundation Esther Katz Rosen Fund Grants
March 1, 2019
Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from $1,000 to $50,000.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships
March 1, 2019
Grants support members to undertake research on every phase of economic history, broadly defined.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity
March 1, 2019
With this fellowship, the American Society of Criminology encourages students of color, especially those from racial and ethnic groups underrepresented in the field, to enter the field of criminology and criminal justice, and facilitates the completion of their degrees.

Mineralogical Society of America Grant for Research in Crystallography
March 1, 2019
Awards of up to $5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, biomineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

American Society for Nutrition Predoctoral Fellowship
March 1, 2019
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

Botstiber Institute for Austrian-American Studies Fellowships & Grants
March 1, 2019
The fellowship will be awarded to a scholar or professional who seeks funds for a project that promotes an understanding of the historic relationship between Austria and the United States. A grant of up to $30,000 will be considered to support salary, travel, or other necessary expenses.

Mercatus Center

Mercatus Center Adam Smith Fellowship
March 1, 2019
The Adam Smith Fellowship is a co-sponsored program of the Mercatus Center and Liberty Fund, Inc. Adam Smith Fellowships are awarded to graduate students attending PhD programs in a variety of fields including economics, political science, and sociology.

Frédéric Bastiat Fellowship
March 15, 2019
The Frédéric Bastiat Fellowship is a one-year, competitive fellowship program awarded to graduate students attending master’s, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

National Association of Social Workers Foundation Scholarships
March 5, 2019

Consuelo W. Gonsnall Memorial Scholarship
Grant awarded to master’s degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship
Grant awarded to master’s degree candidates in social work who have an interest in or experience with health/mental health practice and who are committed to working in African American communities.

Academy of Motion Pictures Arts and Sciences Nicholl Fellowships in Screenwriting
Three Deadlines in 2019: March 7 ($45 entry fee); April 10 ($60 entry fee); May 1 ($85 entry fee)
Up to five fellowships for promising new writers. Fellows are expected to complete a feature-length screenplay during the fellowship year. The competition accepts early, regular, and late applications for varying fees.
Doctoral (Continued)

Israel Institute Doctoral Fellowship
March 13, 2019 (anticipated)
Two-year fellowships open to both doctoral students who are working on Israel as a primary topic of research and to candidates whose focus is broader but whose work incorporates an Israeli dimension.

Sigma Xi Grants-in-Aid of Research
March 15, 2019
The program grants up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

National Wildlife Federation EcoLeaders Program
March 15, 2019 (anticipated)
National Wildlife Federation EcoLeader Graduate Student Fellows help to educate and engage the EcoLeaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the EcoLeaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals.

American Physical Society Bridge Fellowship
March 15, 2019
The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Feinstein Center Summer Fellowship
March 18, 2019
Summer fellowships of up to $4,000 to support research on the American Jewish experience. This award is open to doctoral and postdoctoral scholars.

Islamic Scholars Fund (ISF) Scholarships
March 21, 2019
The ISF’s mission is to address the underrepresentation of American Muslims in fields and occupations that influence public opinion and shape public policy. ISF anticipates awarding 40-45 scholarships annually, ranging in amount from $2,000 to $5,000/$10,000. This scholarship aims to encourage Muslim students to become lawyers, politicians, journalists, film-makers, and academics that properly represent Islam in the U.S.

Fullbright—Hays Doctoral Dissertation Research Abroad Program
March 25, 2019
Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of 6 to 12 months.

Sertoma Communicative Disorders Scholarship
March 29, 2019
Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund
March 31, 2019
The fund is intended to provide scholarships to advance the professional careers of young persons with talent in the field of art history and related fields.

Elixir Press Antivenom Poetry Award
March 31, 2019 (anticipated)
The Antivenom Poetry Award is sponsored by Elixir Press for a first or second book of poetry. The winner will receive a prize of $1,000, and their manuscripts published by Elixir Press. All entries are considered for publication.

International Furnishings and Design Association Educational Foundation
March 31, 2019
Vercille Voss IFDA Graduate Student Scholarship
Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship
Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
April 1, 2019; August 1, 2019
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

Wilson Center Internships with the Middle East Program
April 1, 2019; July 15, 2019
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Davis-Putter Scholarship
April 1, 2019
Need-based funding for graduate students who are actively working for peace and justice.

SHAFAH Marilyn Blatt Young Dissertation Completion Fellowship
April 1, 2019
SHAFAH will make one, year-long awards of at least $20,000 to support the writing and completion of a dissertation on a topic in the field of U.S. foreign relations history or international history. Applicants must be members of SHAFAH.
Doctoral (Continued)

Fahs-Beck Doctoral Dissertation Grant Program
April 1, 2019
Grants up to $5000 to help support dissertation expenses of doctoral students whose studies have the potential to add significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Student Leadership Awards
April 1, 2019
Sponsored by HENAAC, $1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

Florida-China Linkage Institute Tuition Exemption Program
April 1, 2019
This exemption program is open to citizens of China (mainland China, Hong Kong, Macao, or Taiwan) who are studying at Florida public universities or community colleges and intend to return to China after their studies. Florida Statute 288.8175, authorizing this exemption program, provides that students awarded tuition exemptions must return to their home countries after their studies for a length of time equal to their exemption periods.

History of Science Society Fellowships in Aerospace History
April 1, 2019
The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholar research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
April 1, 2019
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

Florida Space Grant Dissertation and Thesis Improvement Fellowship
April 1, 2019 (Notice of intent to apply due March 15)
Up to $5,000 in supplemental funds for items not normally available from the student's university or other sources. Can be used to support a master's thesis or a doctoral dissertation.

American Institute for Economic Research Harwood Visiting Research Fellowships
April 1, 2019
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowships. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).

North American Conference on British Studies Dissertation Fellowship
April 1, 2019
Supports dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. An applicant's dissertation research must necessitate travel to the British Isles.

Society for the History of Technology

The SHOT-NASA Fellowship in the History of Space Technology
April 1, 2019
This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project in an area related to the history of space technology, including cultural and intellectual history, institutional history, economic history, history of law and public policy, and history of engineering and management.

Melvin Kranzberg Dissertation Fellowship
April 15, 2019 (anticipated)
Supports a doctoral student engaged in the preparation of a dissertation on the history of technology, broadly defined.

Sociologists for Women in Society

Barbara Rosenblum Dissertation Scholarship for the Study of Women and Cancer
Scholarship is designed to encourage doctoral research on women's experience of breast cancer and other reproductive cancers, as well as the prevention of these cancers. The scholarship also supports efforts to make sociological research on these topics available to the public.

Beth B. Hess Memorial Scholarship
Scholarship is awarded to a dissertation-writing PhD student who has studied for at least one full academic year at a two-year college in the U.S. before transferring to complete a BA.

Esther Ngan-Ling Chow and Mareyjoyce Green Scholarship
Scholarship offers support to women scholars who are from underrepresented groups and are studying concerns that women of color face domestically and/or internationally.

Cheryl Allyn Miller Award
Award recognizes a sociology graduate student, or a recent doctorate, whose research or activism constitutes an outstanding contribution to the field of women and work.

American Sociological Society

Virginia and George Bozarth Travel Fund
Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.
Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund
The fund is intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

H. Robert Cohen Fund
Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

Eugene K. Wolf Travel Fund
Intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on a topic in European music.

William Holmes / Frank D'Accone Endowment
The Holmes / D'Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Ora Frishberg Saloman Fund
Supports musicological research oriented to music criticism and reception history.

Dissertation Grant in Cold War History
April 5, 2019
$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

NIH Ruth L. Kirschstein National Research Service Award (F31)
April 8, 2019
The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to enhance the individual's potential to develop into a productive, independent research scientist.

ORISE Evaluation Fellowship Opportunity at the CDC
April 8, 2019
Fellows work under the leadership of the CDC's Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected to ensure that activities build the program’s knowledge base and enhance the fellow’s professional development.

Confucius China Studies Program Research PhD Fellowship
April 8, 2019 (anticipated)
For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

High Energy Laser and High Power Microwave Technologies Scholarships
April 12, 2019
Scholarships support the study of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

National Military Intelligence Foundation (NMIF) Scholarship
April 12, 2019
The National Military Intelligence Foundation (NMIF) awards scholarships to students pursuing degrees in intelligence studies and related fields. Awards include tuition grants and invitations to attend the NMIF Awards Banquet held in McLean, VA. Current and prior members of the military or intelligence community may apply if they are not receiving tuition assistance from the government for their tuition.

Delta Sigma Theta Mary Murphy Graduate Scholarship
April 13, 2019
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
April 14, 2019 (anticipated)
Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

American Geophysical Union Horton Research Grant in Hydrological Sciences
April 15, 2019
Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

Association for the Study of the Middle East and Africa Research Grants Program
April 15, 2019
Grants up to $2,500 support research on the Middle East and Africa. Applicants must be ASMEA members in PhD programs. Recipients must present their research at the annual ASMEA conference in Washington, D.C.

American Institute of Afghanistan Studies John F. Richards Fellowship Program
April 15, 2019 (anticipated)
Fellowships support short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

IMA Doctoral Summer Research Scholarship Program
April 15, 2019 (early applications preferred)
Program to help alleviate the need for doctoral students in business, accounting, finance, management, and related areas to assume teaching responsibilities during the summer.

Academy of Nutrition and Dietetics Foundation Scholarships
April 17, 2019
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

The Office of Graduate Fellowships and Awards | Florida State University
Irene Winifred Eno Grant
Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into graduate-level interior design programs at accredited universities.

Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

American Society of Interior Designers Foundation
April 17, 2019

Autism Speaks Pre-Doctoral Fellowship Program
April 24, 2019 (letter of intent due February 27)
Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
April 30, 2019
IFER’s Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their careers to integrate innovation and discovery with ethics and respect for animals.

Scientific and Technological Research Council of Turkey
May 1, 2019 (anticipated)
Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey’s scientific and technological collaboration with the home countries of the prospective researchers.

The Wenner-Gren Foundation Dissertation Fieldwork Grants
May 1, 2019
Awarded to aid doctoral or thesis research. The program contributes to the Foundation’s overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity’s cultural and biological origins, development, and variation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologists or graduate student for research or projects in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship is available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Nurses Foundation Research Grants
May 1, 2019
The purpose of American Nurses Foundation Nursing Research Grants is to encourage the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women’s health, child health, community and family intervention, and leadership.

General Lemuel C. Shepherd, Jr., Memorial Dissertation Fellowship
May 1, 2019
A $10,000 dissertation fellowship. Topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps, will be considered.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

Scholarships in Waste Management Research and Education
May 4, 2019 (anticipated)
Waste Management Research and Education Scholarships recognize graduate students pursuing excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Nurses Association Minority Fellowship Program (MFP)
May 6, 2019
Through the MFP, the Substance Abuse and Mental Health Services Administration (SAMHSA) provides federal grants to increase the number of PhD-prepared nurses, psychiatrists, psychologists, social workers, and marriage and family therapists from underrepresented ethnic minority groups.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for a first year, full-time graduate student for work in electrical engineering.
DOE Office of Science Graduate Student Research (SCGSR) Program
May 9, 2019
The U.S. Department of Energy’s SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE’s Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Researchers work to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters theses or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master’s programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues
May 15, 2019
Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Laurels Fund
May 15, 2019
This fund provides one year scholarships, ranging from $1,000 to $5,000 each, for women who are pursuing Ph.D. degrees in Accounting.

AICPA Fellowship for Minority Doctoral Students
May 15, 2019
Fellowships for full-time minority accounting scholars who demonstrate significant potential to become accounting educators.

NSF Improving Grad Student Preparedness for the Chemistry Workforce Supplement
May 15, 2019 (anticipated)
This opportunity is open to M.S. and Ph.D. students currently supported on NSF CHE individual investigator or small group research grants. Graduate student applicants must have completed at least one academic year as full-time students and be in good academic standing within their Departments.

American Speech-Language-Hearing Foundation Graduate Student Scholarship
May 15, 2019 (see website for other scholarships)
Scholarships for full-time students who will be or who are currently enrolled in a graduate program in communication science and disorders.

Florida Outdoor Writers Association Scholarship
May 18, 2019 (anticipated)
FOWA Scholarships are competitive and open to students at Florida colleges and universities, or to any student whose application is endorsed by a FOWA member or a faculty advisor. Up to three scholarships of $1,000 each are awarded. These scholarships are intended for college-aged students whose career goals are to communicate to the public appreciation for hunting, fishing and other aspects of the outdoor experience.

Thermo Fisher Scientific Antibody Scholarship Program
May 20, 2019
The scholarship is offered to graduate students in biology, chemistry, biochemistry or a related life science field.

Mariam K. Chamberlain Dissertation Award
May 27, 2019 (anticipated)
Award is granted to a first-generation college graduate to continue working on a dissertation under the close supervision of a senior dissertation advisor over a one-year period. Dissertation must be related to ICRW’s mission to end gender inequality.

Association for Consumer Research Transformative Consumer Research Grant
May 30, 2019 (anticipated)
Grants for consumer research projects that are focused on matters of well-being.

Florida House of Representatives Legislative Intern Program
May 31, 2019 (anticipated)
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

Caucus for Women in Statistics Travel Award
June 1, 2019 (anticipated)
The Caucus for Women in Statistics (CWS) travel awards partially support the attendance of a professional meeting, such as the Joint Statistical Meeting (JSM). The CWS anticipates offering at least two awards in the amount of $500 each. The selection will be based on both merit and financial need.

American Planning Association Judith McManus Price Scholarship
June 1, 2019 (anticipated)
Support to graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

American Association of Colleges of Nursing Minority Nurse Faculty Scholarship
May 31, 2019 (anticipated)
This fund provides dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

Tampa Bay Seminole Club Graduate Student Scholarship
May 31, 2019 (anticipated)
It is the goal of the Tampa Bay Seminole club to continue its commitment towards further building a pipeline of a Hillsborough or Pasco county high school and have proof of acceptance into a graduate program at FSU or have some graduate coursework already completed.

American Association of Colleges of Nursing Minority Nurse Faculty Scholarship
May 31, 2019 (anticipated)
Support to graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

Thermo Fisher Scientific Antibody Scholarship Program
May 20, 2019
The scholarship is offered to graduate students in biology, chemistry, biochemistry or a related life science field.

Mariam K. Chamberlain Dissertation Award
May 27, 2019 (anticipated)
Award is granted to a first-generation college graduate to continue working on a dissertation under the close supervision of a senior dissertation advisor over a one-year period. Dissertation must be related to ICRW’s mission to end gender inequality.

Association for Consumer Research Transformative Consumer Research Grant
May 30, 2019 (anticipated)
Grants for consumer research projects that are focused on matters of well-being.

Florida House of Representatives Legislative Intern Program
May 31, 2019 (anticipated)
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

Caucus for Women in Statistics Travel Award
June 1, 2019 (anticipated)
The Caucus for Women in Statistics (CWS) travel awards partially support the attendance of a professional meeting, such as the Joint Statistical Meeting (JSM). The CWS anticipates offering at least two awards in the amount of $500 each. The selection will be based on both merit and financial need.

American Planning Association Judith McManus Price Scholarship
June 1, 2019 (anticipated)
Support to graduate nursing students from minority backgrounds who agree to teach in a school of nursing after graduation.

Florida Outdoor Writers Association Scholarship
May 18, 2019 (anticipated)
FOWA Scholarships are competitive and open to students at Florida colleges and universities, or to any student whose application is endorsed by a FOWA member or a faculty advisor. Up to three scholarships of $1,000 each are awarded. These scholarships are intended for college-aged students whose career goals are to communicate to the public appreciation for hunting, fishing and other aspects of the outdoor experience.
Florida Nurses Association Foundation Grants
June 1, 2019
The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Each year, funds are provided to registered nurses and students for scholarships and research grants. Multiple scholarships and research grants available for nursing students.

Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award
June 1, 2019 (anticipated)
The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships
June 1, 2019
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Network of Schools of Public Policy, Affairs, and Administration (NASPAA)

NASPAA Staats Emerging Scholars Award
June 1, 2019 (anticipated)
Recognizes up to three PhD candidates who will be job-seeking for an academic position in the coming academic year. Candidates will be selected to present a paper at the annual conference in front of national and international public service education leaders who make hiring decisions.

NASPAA Dissertation Award
June 2, 2019 (anticipated)
Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.

Council of Writing Program Administrators Research Grant
June 2, 2019 (anticipated)
The Council of Writing Program Administrators invites proposals for research projects that investigate issues and practices in writing program administration. Awards are offered in both a general research category and a targeted research category.

Florida-Mexico Institute Out-of-State Tuition Waiver
June 3, 2019
The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. FMI provides out-of-state tuition waivers to eligible students by waiving the out-of-state tuition.

APS Award for Outstanding Doctoral Thesis Research in Biological Physics
June 3, 2019
The American Physical Society (APS) with this award recognizes doctoral thesis research of outstanding quality and achievement in any area of experimental, computational, engineering, or theoretical Biological Physics, broadly construed, and encourages written and oral presentation of research results at the March APS meeting.

Ecological Society of America Eco-Service Award
June 5, 2019 (anticipated)
The Union of Concerned Scientists (UCS), in partnership with the Student Section of the Ecological Society of America, will honor young scientists for their contributions to the discipline of ecology that have extended beyond the realm of academia and into the broader communities of which they are a part. The goal of this award is to recognize research that promotes application, outreach, and education.

American Translators Association Student Translation Award
June 7, 2019
Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATA’s Annual Conference.

Golden Key International Honor Society
June 17, 2019

Joan Nelson Study Abroad Scholarship
Assists members who are going to participate in a study abroad program.

Golden Key Research Grant
Supports members’ research and/or presentation of research at conferences.

Golden Key Graduate Scholar Award
Awards to a graduate student who shows great promise to create change.

USF Sunshine Education & Research Center / NIOSH Grant
June 30, 2019
The Sunshine ERC Pilot Research Project Grant program is designed to promote partnerships with other institutions and groups in Florida and the region and to encourage research in occupational safety and health areas that are important to the region. The Pilot Research Project Grant program is intended to act as seed money for preliminary studies in support of larger research grant applications. Grants are intended for doctoral level graduate students, junior faculty, and senior faculty who are performing research in a new area. Each grant is a one-time award.

Florida Association of School Psychologists Graduate Studies Award
June 30, 2019 (anticipated)
Awards to support students working in the area of school psychology.

Phi Kappa Phi Love of Learning Research Grant
June 30, 2019
