About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using Pivot, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master’s - Opportunities for graduate students pursuing a master’s degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree
<table>
<thead>
<tr>
<th>Grant Title</th>
<th>Deadline</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Congressional Papers Section (CPS) Pre-Conference Scholarship</td>
<td>May 1, 2019</td>
<td>Financial assistance to attend the CPR pre-conference at the Society of American Archivists Annual Meeting.</td>
</tr>
<tr>
<td>German Academic Exchange Service (DAAD)</td>
<td>May 1, 2019</td>
<td>Short Term Research Grants: Awards for doctoral candidates with well-defined research projects that make a stay in Germany essential. Preference given to applicants invited by a faculty member at a German university. German Studies Research Grant: Grants for highly qualified graduate students who are nominated by their department or program chairs. The grant may be used for short-term research (one to two months) in Germany.</td>
</tr>
<tr>
<td>The Wenner-Gren Foundation Dissertation Fieldwork Grants</td>
<td>May 1, 2019</td>
<td>Awarded to aid doctoral or thesis research that contributes to the Foundation’s mission of supporting basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.</td>
</tr>
<tr>
<td>Society for Male Reproduction and Urology Traveling Scholars Award Program</td>
<td>May 2, 2019</td>
<td>Provides an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).</td>
</tr>
<tr>
<td>DOE Office of Science Graduate Student Research (SCGSR) Program</td>
<td>May 9, 2019</td>
<td>The U.S. Department of Energy's SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE’s Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.</td>
</tr>
<tr>
<td>The Gilder Lehrman Institute of American History Fellowship</td>
<td>May 13, 2019</td>
<td>The Institute provides annual short-term research fellowships in the amount of $3,000 each to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history. Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.</td>
</tr>
<tr>
<td>National Museum of the American Indian Internship Program</td>
<td>June 1</td>
<td>Fall internships for students interested in the museum profession and related fields.</td>
</tr>
<tr>
<td>Society for the History of Technology Travel Grant</td>
<td>June 15, 2019</td>
<td>Designed to defray some costs associated with attending the SHOT conference. This grant is open to individuals giving a paper at the annual meeting. The reviewing committee prioritizes scholars whose presentations address women, gender, race, ethnicity, and/or difference in the history of technology. Women, minorities, international scholars, and those who are new to SHOT are particularly encouraged to apply.</td>
</tr>
<tr>
<td>Golden Key International Honour Society</td>
<td>June 17, 2019</td>
<td><strong>Joan Nelson Study Abroad Scholarship</strong> Assists members who are going to participate in a study abroad program. <strong>Golden Key Research Grant</strong> Supports members’ research and/or presentation of research at conferences.</td>
</tr>
<tr>
<td>Wolf Trap Internships</td>
<td>July 1, 2019</td>
<td>Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.</td>
</tr>
<tr>
<td>AIIS Junior Research Fellowships</td>
<td>July 1, 2019</td>
<td>Specifically designed fellowships to enable doctoral candidates to pursue dissertation research in India.</td>
</tr>
<tr>
<td>American Society for Theater Research</td>
<td>July 16, 2019</td>
<td>Thomas Marshall Graduate Student Award Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.</td>
</tr>
<tr>
<td>Helen Krich Chinoy Dissertation Fellowship</td>
<td></td>
<td>The total award amount of $3000 is typically divided into three equal awards. It is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.</td>

Travel (Continued)

Americans for the Arts—Internship Opportunities
July 17, 2019 (anticipated)
The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation’s leading nonprofit for advancing the arts in America. Fall, Winter, Spring, and Summer Internships are available.

Neotropical Grassland Conservancy (NGC) Student Grant Program
August 1, 2019
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

University Research Association Visiting Scholars Program
August 26, 2019
Funding for visits to work at Fermilab for up to one year.

Advanced Short-Term Research Opportunity (ASTRO) Program
Deadline: Rolling
The Oak Ridge National Laboratory’s highly selective ASTRO program offers challenging short-term research opportunities to students enrolled in Master’s or Doctoral programs or to those holding a Master’s degree in any of the STEM disciplines. Participants conduct research in one of the laboratory’s current programs with a senior mentor for 3 to 12 months and receive a monthly stipend. Participants may also attend professional development events and request funding for relocation, conference travel, and publication fees.

Institute for Humane Studies Conference and Research Grant
Deadline: Rolling, at least four weeks before activity for which you are seeking funding
Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

KOSMOS Summer University Fellowship
See website for openings
The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

Computational Science & Technology Advanced Research Studies (C-STARS) Program
Deadline: Rolling
This paid research opportunity is open to all current graduate students with at least a 3.5 GPA who have received a Master’s degree within the past five years. Participants spend usually 12 months at the Oak Ridge National Laboratory (ORNL) in Oak Ridge, Tennessee conducting computational research in areas that support ORNL missions. As of Spring/Summer 2019, there are current openings in software engineering, geographic information systems, and life and medical sciences database research. Participants have access to state-of-the-art laboratory equipment, professional development activities, presentation opportunities, and a large professional network. Participants receive a bi-weekly stipend, housing or travel reimbursements, conference travel costs, and any publication-related fees. Graduate students may participate in part-time or full-time appointments.

Higher Education Research Experience (HERE) Program
Deadline: Rolling
The Oak Ridge National Laboratory HERE program provides opportunities for current graduate students to participate in research and related technical activities under the mentorship of world-class scientists. Graduate students in all STEM fields may apply for full-time or part-time experiences of flexible duration. Participants receive a bi-weekly stipend and a housing allowance. Program requirements may include attending enrichment and professional development activities as well as the development and presentation of a deliverable such as a written research report, research poster, or formal presentation.

Luso-American USA@PT Grants
Deadline: Last day of each month
Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awardees with the required means to develop their work and provides for their travel and accommodation expenses.
Spencer Educational Foundation RIMS Part-time Master's Scholarship
May 1, 2019
The Spencer Educational Foundation awards Part-time Master's Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to $10,000 to cover tuition and fees.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Nurses Foundation Research Grants
May 1, 2019
The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

Lieutenant Colonel Lily H. Gridley Memorial Master's Thesis Fellowship
May 1, 2019
This $3,500 thesis fellowship funds those writing on topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for first year, full-time graduate students for work in electrical engineering.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institutions but receive training and support to hone open source and data sharing skills.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters thesis or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master’s programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

American Speech-Language-Hearing Foundation Graduate Student Scholarship
May 15, 2019
Scholarships for full-time students who will be or who are currently enrolled in graduate programs in communication science and disorders.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues
May 15, 2019
Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Thermo Fisher Scientific Antibody Scholarship Program
May 20, 2019
This scholarship is offered to graduate students in biology, chemistry, biochemistry, or a related life science field.

Association for Consumer Research Transformative Consumer Research Grant
May 30, 2019
Grants for consumer research projects that are focused on matters of well-being.

Florida House of Representatives Legislative Intern Program
May 31, 2019
Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

ogfa.fsu.edu | ogfa-info@fsu.edu | 850.645.0850 | Honors, Scholars, and Fellows House | Suite 4001E
Florida Outdoor Writers Association Scholarship
May 31, 2019
FOWA Scholarships are competitive and open to students at Florida colleges and universities or any student endorsed by a FOWA member or faculty advisor. Up to three $1,000 scholarships are awarded to students aspiring to cultivate public appreciation for hunting, fishing, and other aspects of the outdoor experience.

Tampa Bay Seminole Club Graduate Student Scholarship
May 31, 2019 (anticipated)
The Tampa Bay Seminole club is committed to further building a pipeline between Hillsborough and Pasco county high schools and Florida State University. Candidates must be graduates of a Hillsborough or Pasco county high school and have proof of acceptance into or enrollment in a graduate program at FSU.

American Planning Association Judith McManus Price Scholarship
June 1, 2019 (anticipated)
Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

Florida Nurses Association Scholarships & Grants
June 1, 2019
The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Each year, funds are provided to registered nurses and students for scholarships and research grants. Multiple scholarships and research grants available for nursing students.

Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award
June 1, 2019
The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships
June 1, 2019
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Council of Writing Program Administrators Research Grant
June 3, 2019
The Council of Writing Program Administrators invites proposals for research projects that investigate issues and practices in writing program administration. Awards are offered in both a general research category and a targeted research category.

Florida-Mexico Institute Out-of-State Tuition Waiver
June 3, 2019
The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. The FMI provides these out-of-state tuition waivers to eligible students.

American Translators Association Student Translation Award
June 7, 2019
Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATAs Annual Conference.

Golden Key International Honour Society
June 15, 2019

Joan Nelson Study Abroad Scholarship
Assists members who are going to participate in study abroad programs.

Golden Key Research Grant
Supports members’ research and/or presentation of research at conferences.

Golden Key Graduate Scholar Award
Awards to a graduate student who shows great promise to create change.

Florida Association of School Psychologists Graduate Studies Award
June 30, 2019 (Nominations due; full applications due August 15, 2019)
Awards to support students working in the area of school psychology.

Phi Kappa Phi Love of Learning Research Grant
June 30, 2019
Awards to support students working in the area of school psychology.

Hurst Review/American Association of Colleges of Nursing Scholarship
July 15, 2019
Scholarships for students pursuing professional nursing degrees.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship
July 15, 2019
Fellowship for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Hospitality Industry Network
July 15, 2019 (anticipated)

NEWH ICON of Industry Scholarship
A $7,500 scholarship awarded to students pursuing careers in a field similar to that of a given year’s selected NEWH ICON (changes annually).

NEWH Fabric Innovations Legacy Scholarship
This $10,000 scholarship is open to hospitality management or interior design students in NY or FL.
Thomas Marshall Graduate Student Award
July 16, 2019
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

Neotropical Grassland Conservancy (NGC) Student Grant Program
August 1, 2019
The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

The American Musicological Society (AMS) Noah Greenberg Award
August 15, 2019
The award is intended as a grant-in-aid to stimulate active cooperation between scholars and performers by recognizing and fostering outstanding contributions to historical performing practices.

Paul Farmer Global Surgery Research Fellowship
August 15, 2019
One- and two-year fellowships to promote surgical care, education, and research pertinent to global surgery.

Advanced Short-Term Research Opportunity (ASTRO) Program
Deadline: Rolling
The Oak Ridge National Laboratory's highly selective ASTRO program offers challenging short-term research opportunities to students enrolled in Master's or Doctoral programs or to those holding a Master's degree in any of the STEM disciplines. Participants conduct research in one of the laboratory's current programs with a senior mentor for 3 to 12 months and receive a monthly stipend. Participants may also attend professional development events and request funding for relocation, conference travel, and publication fees.

Richard A. Horovitz Fund for Professional Development
Rolling deadline
To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

P.E.O. Program for Continuing Education
Deadline: Apply 8 weeks prior to the start of the term for which the grant is requested
One-time need based grants for women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Segal AmeriCorps Education Award
Deadlines vary
The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.
The Wenner-Gren Foundation Dissertation Fieldwork Grants
May 1, 2019
Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant
May 1, 2019
$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship
May 15, 2019
The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Nurses Foundation Research Grants
May 1, 2019
The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

Foundation for Community Association Research Byron Hanke Fellowship
May 1, 2019
Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

General Lemuel C. Shepherd, Jr. Memorial Dissertation Fellowship
May 1, 2019
A $10,000 dissertation fellowship. Topics in U.S. military and naval history, as well as history and history-based studies in the social and behavioral sciences with a direct relationship to the history of the United States Marine Corps, will be considered.

NCAA Graduate Student Research Grant
May 3, 2019
Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

Scholarships in Waste Management Research and Education
May 4, 2019
Recognize graduate student excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Nurses Association Minority Fellowship Program (MFP)
May 6, 2019
Through the MFP, the Substance Abuse and Mental Health Services Administration (SAMHSA) provides federal grants to increase the number of PhD-prepared nurses, psychiatrists, psychologists, social workers, and marriage and family therapists from underrepresented ethnic minority groups.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering
May 6, 2019
Award for first year, full-time graduate students for work in electrical engineering.

DOE Office of Science Graduate Student Research (SCGSR) Program
May 9, 2019
The U.S. Department of Energy's SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

Mozilla Fellowships for Science
May 14, 2019 (anticipated)
Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institutions but receive training and support to hone open source and data sharing skills.

Clara Mayo Grants
May 15, 2019
This program was set up to support masters thesis or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

Laurels Fund
May 15, 2019
This fund provides one year scholarships, ranging from $1,000 to $5,000 each, for women who are pursuing Ph.D. degrees in Accounting.
American Planning Association Judith McManus Price Scholarship
June 1, 2019 (anticipated)
Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

Florida Nurses Association Scholarships & Grants
June 1, 2019
The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Each year, funds are provided to registered nurses and students for scholarships and research grants. Multiple scholarships and research grants available for nursing students.

Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award
June 1, 2019
The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships
June 1, 2019
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Network of Schools of Public Policy, Affairs, and Administration (NASPAA)
June 3, 2019

NASPAA Staats Emerging Scholars Award
Recognizes up to three PhD candidates who will be job-seeking for an academic position in the coming academic year. Candidates will be selected to present a paper at the annual conference in front of national and international public service education leaders who make hiring decisions.

NASPAA Dissertation Award
Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.

Council of Writing Program Administrators Research Grant
June 3, 2019
The Council of Writing Program Administrators invites proposals for research projects investigating issues/practices in writing program administration. Awards are offered in a general research category and a targeted research category.

Florida-Mexico Institute Out-of-State Tuition Waiver
June 3, 2019
The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. The FMI provides out-of-state tuition waivers to eligible students.

APS Award for Outstanding Doctoral Thesis Research in Biological Physics
June 3, 2019
The American Physical Society (APS) with this award recognizes doctoral thesis research of outstanding quality and achievement in any area of experimental, computational, engineering, or theoretical Biological Physics, broadly construed, and encourages written and oral presentation of research results at the March APS meeting.
American Translators Association Student Translation Award
June 7, 2019
Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATA’s Annual Conference.

American Society of Legal History Cromwell Dissertation Prize
June 7, 2019
Promotes and encourages scholarship in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs.

Golden Key International Honour Society
June 17, 2019
Joan Nelson Study Abroad Scholarship
Assists members who are going to participate in a study abroad program.

Golden Key Research Grant
Supports members’ research and/or presentation of research at conferences.

Golden Key Graduate Scholar Award
Awarded to a graduate student who shows great promise to create change.

Florida Association of School Psychologists Graduate Studies Award
June 30, 2019 (Nominations due; full applications due August 15, 2019)
Awards to support students working in the area of school psychology.

USF Sunshine Education & Research Center / NIOSH Grant
June 30, 2019
The Sunshine ERC Pilot Research Project Grant program is designed to promote partnerships with other institutions and groups in Florida and the region and to encourage research in occupational safety and health areas that are important to the region. The Pilot Research Project Grant program is intended to act as seed money for preliminary studies in support of larger research grant applications. Grants are intended for doctoral level graduate students, junior faculty, and senior faculty who are performing research in a new area. Each grant is a one-time award.

Phi Kappa Phi Love of Learning Research Grant
June 30, 2019
Love of Learning Awards help fund post-baccalaureate professional development for active Phi Kappa Phi members to include (but not be limited to): Graduate or professional studies, doctoral dissertations, continuing education, career development, travel related to teaching/research/learning, etc.

AIIS Junior Research Fellowships
July 1, 2019
Specifically designed to enable doctoral candidates to pursue dissertation research in India.

Meredith P. Crawford Fellowship
July 1, 2019
Fellowship provides a one-time stipend to a doctoral candidate in Industrial-Organizational Psychology.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship
July 15, 2019
Fellowship for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Leakey Foundation Research Grants
July 15, 2019
Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between $3,000 and $15,000.

NSF Linguistics Doctoral Dissertation Research Improvement Awards (Ling-DDRI)
July 15, 2019
The National Science Foundation uses these grants to fund promising dissertation research supporting basic science in the domain of human language, encompassing investigations of the grammatical properties of individual human languages, and of natural language in general. Research areas may include syntax, linguistic semantics and pragmatics, morphology, phonetics, and phonology. Awards are not given for clinical research projects nor to support work in developing or assessing pedagogical methods or tools for language instruction.

Hurst Review/American Association of Colleges of Nursing Scholarship
July 15, 2019
Scholarships for students pursuing professional nursing degrees.

Military Suicide Research Consortium Dissertation Completion Award
July 15, 2019
Dissertation completion award for doctoral students whose dissertation director is a current member of the MSRC. The awards are intended to provide necessary support for completion of a doctoral dissertation on a topic of relevance to the Consortium.

Hospitality Industry Network
July 15, 2019 (anticipated)
NEWH ICON of Industry Scholarship
A $7,500 scholarship awarded to students pursuing careers in a field similar to that of a given year's selected NEWH ICON (changes annually).

NEWH Fabric Innovations Legacy Scholarship
This $10,000 scholarship is open to hospitality management or interior design students in NY or FL.

American Society for Theater Research
July 16, 2019 (early submissions encouraged)
Thomas Marshall Graduate Student Award
Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

Helen Krich Chinoy Dissertation Fellowship
The total award amount of $3000 is typically divided into three equal awards. It is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.

NSF Biological Anthropology Doctoral Dissertation Research Improvement Grant
July 22, 2019
The Biological Anthropology Doctoral Dissertation Research Improvement Grant program (BA-DDRIG) supports PhD projects to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers.

NSF Science, Technology, & Society Doctoral Dissertation Improvement Grant (DDIG)
August 5, 2019
The National Science Foundation STS-DDIG funds research using historical, philosophical, and social scientific methods to investigate the intellectual, material, and social facets of the scientific, technological, engineering, and mathematical (STEM) disciplines. The program encompasses a broad spectrum of interdisciplinary interests including work in ethics, equity, governance, and policy issues, and in medical science.

American Heart Association Predoctoral Fellowship
August 14, 2019
For research broadly related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts.

NSF MMS Doctoral Dissertation Research Improvement Grant (DDRI)
August 29, 2019
The National Science Foundation's Methodology, Measurement, & Statistics DDRI grant program funds doctoral research that develops innovative analytical and statistical methods and models for the Social, Behavioral, and Economic Sciences.

Higher Education Research Experience (HERE) Program
Deadline: Rolling
The Oak Ridge National Laboratory's highly selective ASTRO program offers challenging short-term research opportunities to students enrolled in Master's or Doctoral programs or to those holding a Master's degree in any of the STEM disciplines. Participants conduct research in one of the laboratory's current programs with a senior mentor for 3 to 12 months and receive a monthly stipend. Participants may also attend professional development events and request funding for relocation, conference travel, and publication fees.

Computational Science & Technology Advanced Research Studies (C-STARS) Program
Deadline: Rolling
This paid research opportunity is open to all current graduate students with at least a 3.5 GPA who have received a Master's degree within the past five years. Participants spend usually 12 months at the Oak Ridge National Laboratory (ORNL) in Oak Ridge, Tennessee conducting computational research in areas that support ORNL missions. As of Spring/Summer 2019, there are current openings in software engineering, geographic information systems, and life and medical sciences database research. Participants have access to state-of-the-art laboratory equipment, professional development activities, presentation opportunities, and a large professional network. Participants receive a bi-weekly stipend, housing or travel reimbursements, conference travel costs, and any publication-related fees. Graduate students may participate in part-time or full-time appointments.

Advanced Short-Term Research Opportunity (ASTRO) Program
Deadline: Rolling
The Oak Ridge National Laboratory's highly selective ASTRO program offers short-term research opportunities to students enrolled in Master's or Doctoral programs or to those holding a Master's degree in any of the STEM disciplines. Participants conduct research in one of the laboratory's current programs with a senior mentor for 3 to 12 months and receive a monthly stipend.
