Upcoming Fellowship Deadlines

November-February

The Office of Graduate Fellowships & Awards
Florida State University

The Office of Graduate Fellowships & Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit ogfa.fsu.edu to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Click below to schedule an initial meeting

GET STARTED

About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using [Pivot](#), or meet with OGFA to discuss opportunities that you are interested in.

Note: Current month deadlines are reminders.

Titles of fellowships are hyperlinks

Table of Contents:

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's - Opportunities for graduate students pursuing a master's degree (also includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel

Wolf Trap Internships

November 1, 2017; February 1, 2018

Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

The Wenner-Gren Foundation Dissertation Fieldwork Grants

November 1, 2017

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

Dumbarton Oaks Research Library and Collection

November 1, 2017

Summer Fellowship

Fellowships for Byzantine, Pre-Columbian, or Garden and Landscape scholars on any level of advancement beyond the first year of graduate (post-baccalaureate) study.

Mellon Fellowships in Urban Landscape Studies

Fellowships for scholars & designers to research the history & current conditions of urban landscapes.

Junior Fellowship

Fellowships for students who have fulfilled all preliminary requirements for the PhD or appropriate final degree and will be working on a dissertation or final project at Dumbarton Oaks under the direction of a faculty member at their own university.

German Academic Exchange Service (DAAD)

German Studies Research Grant

November 1, 2017

Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

DAAD Long Term Research Grants

November 4, 2017

Long-term research grants are awarded to highly qualified candidates who desire to conduct long-term research (7-10 months) or join a German doctoral program.

Program in China Studies Predissertation-Summer Travel Grants

November 9, 2017

Predissertation—summer travel grants, postdoctoral fellowships as well as collaborative reading-workshop grants available.

Leifur Eiríksson Foundation Scholarship Program

November 15, 2017

For graduate research or study at universities in Iceland. Up to \$25,000 in project costs, including travel to and from the research or study site will be paid on the scholar's behalf.

Critical Language Scholarship Program

November 15, 2017

Part of a U.S. government effort to expand dramatically the number of Americans studying and mastering critical foreign languages. Languages Supported: Azerbaijani, Bangla/Bengali, Hindi, Indonesian, Korean, Punjabi, Swahili, Turkish, Urdu, Arabic, Persian, Chinese, Japanese, and Russian.

National Museum of the American Indian Internship Program

November 20, 2017; February 6, 2018

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C. or New York for a duration of 10 weeks.

DOE Office of Science Graduate Student Research (SCGSR) Program

November 21, 2017

Prepares graduate students for science, technology, engineering, or mathematics careers critically important to the DOE Office of Science mission, by providing graduate thesis research opportunities at DOE laboratories.

Kress History of Art: Institutional Fellowship

November 30, 2017

The Kress History of Art: Institutional Fellowships are intended to provide promising young art historians with the opportunity to experience immersion in European art history.

John Carter Brown Library Research Fellowships

December 1, 2017

Supports research at the John Carter Brown Library on the colonial history of the Americas (North and South), including all aspects of the European, African, and Native American involvement.

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program (SGP) was designed in response to feedback from Venezuelan professors. Graduate student research projects are often hindered by lack of funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

Travel (Continued)

Mid Atlantic Arts Foundation US Artists International Grants

December 1, 2017

Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

RAND Graduate Student Summer Associate Program

December 4, 2017

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

Department of Homeland Security HS-STEM Summer Internship Program

December 7, 2017

10-week summer internship in a broad spectrum of research areas for students majoring in homeland security disciplines related to science, technology, engineering, and mathematics. Provides students with quality research experiences at federal research facilities across the country. Areas of research include engineering, computer science, mathematics, physics, chemistry, biological/life sciences, environmental science, emergency and incident management, social sciences, and more.

Women Techmakers Scholars Program

December 11, 2017

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

Carnegie Saharan Crossroads Fellowship Program

December 15, 2017

Saharan Crossroads seeks to counter the conceptual divide separating North and sub-Saharan Africa and the tendency to view the Sahara Desert as an impenetrable barrier dividing the continent into the northern "white" and sub-Saharan "black" Africa.

Qasid Annual Scholarship Program

December 15, 2017

Scholarship to study Arabic at the Qasid Arabic Institute.

KRESS Fellowships for Language Study

December 15, 2017

Fellowships for art history and art conservation graduate students to attend the Middlebury Summer Language Schools in French, German, Italian, Portuguese, Russian, or Spanish.

Association for Education Finance Policy Roe L. Johns Travel Grants

December 31, 2017

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity

January 8, 2018

Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

American School of Classical Studies at Athens Fellowships and Grants

January 15, 2018; February 15, 2018

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

January 15, 2018

Grants support graduate and postdoctoral research on every phase of economic history, broadly defined. Applicants must be members of the Association.

Chateaubriand Fellowship

January 16, 2018

The Chateaubriand Fellowship is a grant offered by the Embassy of France in the United States. Every year, it allows doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

Boren Fellowship

January 30, 2018 (Contact OGFA for Internal Deadline)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2018

Annual research grant for graduate students in biology, horticulture, or a related field to study at a botanical garden.

Council of American Overseas Research Centers

January 31, 2018

Andrew W. Mellon Mediterranean Regional Research Fellowship

The CAORC is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue. Thousands of fellowships are made available each year.

The Multi-Country Research Fellowship

Multi-Country Research Fellowship Program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Travel (Continued)

48th St. Gallen Symposium

February 1, 2018

Essay competition to participate in the 48th St. Gallen Symposium. The top 100 qualify as Leaders of Tomorrow and are invited to participate in the world's premier opportunity for intergenerational debates.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2018 (anticipated)

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Center for Jewish History Graduate Research Fellowship

February 2, 2018

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research

February 10, 2018 (anticipated)

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

February 17, 2018 (anticipated)

Fellowship which offers financial support to students conducting their doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows will remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

American Institute for Economic Research Summer Fellowship Practicum Program

February 15, 2018 (anticipated)

The goal of the program is to provide accomplished individuals with an introduction to the Institute's mission, work, and research principles. Working closely with AIER research staff, summer fellows are immersed in the economic research process from "conception to completion." The AIER Practicum enhances Fellows' understanding of economic concepts, theories, and real world applications, and provides an opportunity to develop research, writing, and presentation skills.

Smithsonian Institution—STRI Short-Term Fellowship Program

February 15, 2018

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities at STRI.

Interior Design Educators Council South Region Graduate Student Travel scholarship

February 20, 2018 (anticipated)

Travel reimbursement for students from the south region to attend the IDEC National Conference.

University Research Association Visiting Scholars Program

February 26, 2018

Funding for visits to work at Fermilab for up to one year.

The Mariam K. Chamberlain Fellowship in Women and Public Policy

February 28, 2018 (anticipated)

\$27,000, nine-month fellowships assist in the professional development of students and graduates interested in economic and educational support for women.

Institute for Humane Studies Conference and Research Grant

Deadline: Rolling, at least four weeks before activity for which you are seeking funding

Grants awarded to graduate students advancing the principles of freedom through their career to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, and participate in career-development seminars.

U.S. Department of Energy Carlsbad Field Office Fellowship Program

Deadline: See website for openings

The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

International Ocean Discovery Program Expedition

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediments and rocks beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

Lindau Nobel Laureate Meeting

Once every year, about 30 Nobel Laureates convene at Lindau to meet the next generation of leading scientists: 400-500 undergraduates, PhD students, and post-doc researchers from all over the world. The Lindau Nobel Laureate Meetings foster the exchange among scientists of different generations, cultures, and disciplines.

Albert M. Greenfield Foundation Dissertation Fellowship

Supports dissertation research in residence at the Library Company on any subject relevant to its collections.

Master's

Roy Scrivner Memorial Research Grant

November 1, 2017

Grant for empirical and applied research focused on lesbian, gay, and bisexual family psychology and lesbian, gay and bisexual family therapy.

Paul and Daisy Soros Fellowship for New Americans

November 1, 2017

Every year, The Paul & Daisy Soros Fellowships for New Americans supports thirty New Americans, immigrants or the children of immigrants, who are pursuing graduate school in the United States. Selection criteria emphasize creativity, originality, initiative, and sustained accomplishment. The program values a commitment to the Constitution and the Bill of Rights.

American Cancer Society Graduate Scholarships in Cancer Nursing

November 1, 2018

Supports graduate students pursuing a master's degree in cancer nursing or doctorate of nursing practice (DNP). Awards may be for two years, with stipend of \$10,000 per year.

Tallahassee Mayoral Fellowship Program

November 6, 2017

Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall.

Arthur C. Pike Scholarship in Meteorology

November 10, 2017 (anticipated)

A scholarship from the National Weather Association for students majoring in meteorology.

GEM MS Engineering Fellowship Program

November 13, 2017

The objective of this program is to promote the benefits of a master's degree within industry. GEM Fellows are provided practical engineering summer work experiences through an employer sponsor and a portable academic year fellowship of tuition, fees, and a stipend which may be used at any participating GEM Member University where the GEM Fellow is admitted.

Internships with the Middle East Program

November 15, 2017

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

Knowles Science Teaching Foundation Fellowship

November 26, 2017

Teaching fellowships for those who commit to teaching mathematics or science in grades 9-12.

Florida Department of Agriculture and Consumer Services Science Policy Fellowship

November 27, 2017

The Florida Department of Agriculture and Consumer Services offers an outstanding opportunity for a Science Policy Fellow. The Fellow will be a critical member of the Science Advisory team that works across the department to foster cutting edge, interdisciplinary studies under the guidance of the department's Deputy Commissioner and Chief Science Officer. With a home office in the state's capitol building in beautiful north central Florida (or other Florida sites as requested), the Fellow will have a selection of a wide variety of hands-on projects throughout the state, traveling as little or as much as his/her interests dictate.

National Physical Science Consortium Graduate Fellowships in Science, Engineering and Math

November 30, 2017

Fellowships for graduate students in Astronomy, Chemistry, Computer Science, Geology, Materials Science, Mathematical Sciences, Physics, and related Engineering fields. Initial support may be for 2 to 3 years, or a full 6 years, depending on the employer-sponsor.

Kate Neal Kinley Memorial Fellowship

December 1, 2017

Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

Women Techmakers Scholars Program

December 11, 2017

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

Florida Library Association Scholarships

December 11, 2017

Scholarships for students in Masters of Library Science graduate program.

Master's (Continued)

American Association of University Women

American Association of University Women International Fellowship

December 1, 2017

Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

American Association of University Women Career Development Grants

December 15, 2017

Funding to women who hold a bachelor's degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

P.E.O. International Peace Scholarship

December 15, 2017 (Deadline for Eligibility Form)

The International Peace Scholarship Fund, established in 1949, is a program which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

Golden Key Graduate Scholar Award

December 15, 2017

Scholarship for members who have proven academic excellence combined with a solid range of extracurricular activities.

IMA Applied Research Grant

December 20, 2017

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

Association for Education Finance and Policy

December 31, 2017

Association for Education Finance Policy Roe L. Johns Travel Grants

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

Association for Education Finance Policy New Scholars Award

Supports research by master's & doctoral students whose research addresses education finance and policy

Association for Education Finance Policy Jean Flanigan Outstanding Dissertation Award

Award in recognition of exemplary dissertation research in the area of education finance and policy.

U.S. Department of Defense

SMART Fellowship through the Department of Defense (DoD)

December 1, 2017

Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

National Defense Science and Engineering Graduate Fellowship

December 31, 2017

Designed to increase the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

Harriet Evelyn Wallace Doctoral Student Scholarships for Women

January 3, 2018

Scholarships support female geoscientists pursuing a graduate degree. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

Guy Harvey Scholarship Award

January 5, 2018 (anticipated)

Supports graduate students who are enrolled full time at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

American Association of Family & Consumer Sciences National Graduate Fellowship

January 8, 2018

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

American Water Works Association

January 9, 2018

Bryant L. Bench Scholarship

Provides support to a master's student engaging in developing innovative solutions to the world's water challenges.

Hazen and Sawyer Scholarship

Provides support to a student seeking a master's degree in the water science field.

HDR/Henry "Bud" Benjes Scholarship

Provides support to a master's student seeking a degree in the water industry.

MWH Scholarship

Provides support to a master's student seeking a degree in the water industry.

Master's (Continued)

Roy W. Likins Scholarship

Scholarships for students pursuing a degree relating to the drinking water industry.

Larson Aquatic Research Support Scholarship

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry.

Thomas R. Camp Scholarship

Provides support to outstanding graduate students doing applied research in the drinking water field.

Holly A. Cornell Scholarship

Encourages and supports outstanding female and/or minority master's students in pursuit of advanced training the field of water supply and treatment.

ARCADIS Scholarship

Provides support to a master's or doctoral candidate student seeking a degree in the water industry.

Dave Caldwell Scholarship

Scholarship to benefit female and/or minority students pursuing an engineering degree in the drinking water field.

Woodard and Curran Scholarship

Encourages and supports outstanding female and/or minority master's students in pursuit of training in the field of water treatment.

American Association of University Women Selected Professions Fellowships

January 10, 2018

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. For master's programs, the eligible programs are Architecture, Computer/Information Science, Engineering, and Mathematics/Statistics. Women of color may also apply in the following fields: master's in business administration, law, doctorate in medicine.

Graduate Women in Science National Fellowships Program

January 12, 2018

Fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income that supports scientific research done by SDE/GWIS award winners.

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2018

Scholarships for students pursuing professional nursing degrees.

McKnight Doctoral Fellowship

January 15, 2018

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees to teach at the college and university levels.

IMA Incubator Grant Program

January 15, 2018

Grants for smaller innovative projects related to accounting and finance.

International Literacy Association

January 15, 2018

Elva Knight Research Grant

Grant for research in reading and literacy

Jeanne S. Chall Research Fellowship

Grant to support reading research by promising scholars.

Steven A. Stahl Research Grant

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Dr. Raymond A. Weiss Research Endowment

January 19, 2018

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Pittsburgh Foundation - Walter Read Hovey Memorial Fund

January 21, 2018 (anticipated)

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Government Finance Officers Association

January 26, 2018

Daniel B. Goldberg Scholarship

A non-renewable \$12,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship

Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field

Master's (Continued)

Minorities in Government Finance Scholarship

Minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Frank L. Greathouse Government Accounting Scholarship

Graduate students preparing for a career in state and local government finance in the United States or Canada.

Point Foundation Scholarship

January 30, 2018

Scholarships for LGBTQ students who are “out” to help cover expenses not covered by other scholarships, grants, loans, work/study programs, etc.

Florida Gubernatorial Fellows Program

January 30, 2018

Non-partisan program immerses students from public and private universities in key areas of state government.

Boren Fellowship

January 30, 2018 (Contact OGFA for Internal Deadline)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Spencer Educational Foundation Graduate Scholarships

January 31, 2018

Scholarships for master's and pre-dissertation Ph.D. students studying education.

Now Is The Time: Minority Fellowship Program - Youth

January 31, 2018 (anticipated)

Fellowship for master's students enrolled in a Marriage and Family Therapy master's program interested in service provision to the nation's youth.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2018

Annual research grant for students in biology, horticulture, or a related field to study at a botanical garden.

PADI Foundation Grant

February 1, 2018

Grants to support underwater science, environmental projects, and education

Summer Fellowship in Disability Policy Research

February 10, 2018 (anticipated)

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Daughters of the American Revolution

February 10, 2018

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial need enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial need enrolled in an accredited school of nursing.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a US citizen attending medical school.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Master's (Continued)

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2018 (anticipated)

Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

The Great Lakes Commission-Sea Grant Fellowship

February 17, 2018 (anticipated)

Provides an opportunity for graduate students to work with members of the Great Lakes science, policy and information/education communities to advance the environmental quality and sustainable economic goals of the Great Lakes states.

Interior Design Educators Council South Region Graduate Student Travel scholarship

February 20, 2018 (anticipated)

Travel reimbursement for students from the south region to attend the IDEC National Conference.

John A. Knauss Marine Policy Fellowship

February 21, 2018 (anticipated)

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

NASA Education Aeronautics Scholarship and Advanced STEM Training Research (AS&ASTAR) Fellowship

February 24, 2018 (anticipated)

Graduate Research Fellowships provide financial support to graduate students pursuing a Master's or Doctoral degree in STEM while partaking in graduate unique research projects under the guidance of an institutional Principal Investigator in collaboration with NASA Technical Advisers.

Smithsonian Archives of American Art

February 25, 2018

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

LAGRANT Graduate Scholarships

February 28, 2018

\$5,000 awards for minority students pursuing a graduate degree in advertising, marketing or public relations.

Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

P.E.O. Program for Continuing Education

Deadline: 3-4 months prior to the start of the term for which the grant is requested

One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

Elizabeth Greenshields Foundation Grant

Deadline: 6 months prior to the date on which funds are required

Prestigious grant for emerging figurative artists. Applicants must be in the early stage of their career, work in a representational style of painting, drawing, sculpting or printmaking and demonstrate a commitment to making their art a lifetime career.

International Ocean Discovery Program Expedition

Deadlines vary

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediments and rocks beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

American Society for Public Administration Awards

Deadlines vary

Multiple chapter and section award opportunities for public administration studies.

FASEB Maximizing Access to Research Careers Travel Award

Deadlines vary

The awards help to defray meeting registration and travel-related expenses (lodging, transportation, per diem) to attend the Federation of American Societies for Experimental Biology (FASEB) meeting for eligible undergraduate and PhD/graduate students and postdoctoral fellows who are individuals of groups identified as being underrepresented in the biomedical and behavioral sciences. Applications must be received at least six weeks prior to the start date of the selected meeting.

Florida Chapter of the American Statistical Association Awards

Deadlines vary

Awards for student members of the Florida Chapter of the American Statistical Association.

AmeriCorps Education Award

Deadlines vary

The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.

Doctoral

American Heart Association Predoctoral Fellowship

November 1, 2017

For research broadly related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts.

Dumbarton Oaks Junior Fellowship

November 1, 2017

Fellowships for students who have fulfilled all preliminary requirements for the PhD or appropriate final degree and will be working on a dissertation or final project at Dumbarton Oaks under the direction of a faculty member at their own university.

The Wenner-Gren Foundation Dissertation Fieldwork Grants

November 1, 2017

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

Fahs-Beck Doctoral Dissertation Grant Program

November 1, 2017

Grants up to \$5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Paul and Daisy Soros Fellowship for New Americans

November 1, 2017

Every year, The Paul & Daisy Soros Fellowships for New Americans supports thirty New Americans, immigrants or the children of immigrants, who are pursuing graduate school in the United States. Selection criteria emphasize creativity, originality, initiative, and sustained accomplishment. The program values a commitment to the Constitution and the Bill of Rights. The program does not have any quotas for types of degrees, universities or programs, countries of origin, or gender, etc.

AERA Minority Dissertation Fellowship Program in Education Research

November 1, 2017

Fellowship to support doctoral dissertation research and to advance education research by outstanding minority graduate students.

American Cancer Society Graduate Scholarships in Cancer Nursing

November 1, 2017

Supports graduate students pursuing a master's degree in cancer nursing or doctorate of nursing practice (DNP). Awards may be for two years, with stipend of \$10,000 per year.

Tallahassee Mayoral Fellowship Program

November 6, 2017

Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall.

Arthur C. Pike Scholarship in Meteorology

November 10, 2017 (anticipated)

A scholarship from the National Weather Association for students majoring in meteorology.

Charlotte W. Newcombe Doctoral Dissertation Fellowship

November 15, 2017

Dissertation stage support for doctoral students whose work offers significant potential for advancing academic scholarship related to ethics and/or religion.

Internships with the Middle East Program

November 15, 2017

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

American Association of University Women American Dissertation Fellowship

November 15, 2017

The program provides fellowships for women pursuing full-time study to complete dissertations, conducting postdoctoral research full time, or preparing research for publication for eight consecutive weeks. Female candidates are evaluated on the basis of scholarly excellence, quality and originality of project design, and active commitment to helping women and girls through service in their communities, professions, or fields of research.

National Gem Consortium

November 15, 2017

GEM PhD Engineering Program

The objective of this program is to offer doctoral fellowships to underrepresented minority students who have either completed, are currently enrolled in a master's in engineering program, or received admittance into a PhD program directly from a bachelor's degree program. Fellowships may be used at any participating GEM Member University where the GEM Fellow is admitted.

Doctoral (Continued)

GEM PhD Science Fellowship

The goal of this program is to increase the number of minority students who pursue doctoral degrees in the natural science disciplines — chemistry, physics, earth sciences, mathematics, biological sciences, and computer science. Applicants to this program are accepted as early as their senior undergraduate year, as well as candidates currently enrolled in a Master's of Engineering program and working professionals.

Amelia Earhart Fellowships from Zonta International Foundation

November 15, 2017

Established in 1938 in honor of Amelia Earhart, famed pilot and Zonta club member. The \$10,000 Fellowships are granted annually to women pursuing PhD degrees in aerospace-related sciences or aero-space-related engineering. Women of any nationality pursuing a Ph.D./doctoral degree, who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering, are eligible and encouraged to apply.

American Psychological Association

Roy Scrivner Memorial Research Grant

November 1, 2017

Grant for empirical and applied research focused on lesbian, gay, and bisexual family psychology and lesbian, gay and bisexual family therapy.

Elisabeth Munsterberg Koppitz Child Psychology Graduate Fellowship

November 15, 2017

The fellowship promotes the advancement of knowledge and learning in the field of child psychology. The program goals are to nurture excellent young scholars for careers in areas of psychology, such as child-clinical, pediatric, school, educational and developmental psychopathology and to support scholarly work contributing to the advancement of knowledge in these areas.

American Council of Learned Societies

Program in China Studies Predissertation-Summer Travel Grants

November 9, 2017

Predissertation—summer travel grants, postdoctoral fellowships as well as collaborative reading-workshop grants available.

Dissertation Fellowships in Buddhist Studies

November 15, 2017

The Robert H. N. Ho Family Foundation Dissertation Fellowships in Buddhist Studies provide one-year stipends to PhD candidates for full time preparation of dissertations. The fellowship period may be used for fieldwork, archival research, analysis of findings, or for writing after research is complete.

Jennings Randolph Peace Scholarship Dissertation Program

November 20, 2017

Fellowships to advance research that contributes to a wider understanding of how to manage conflict and build sustainable peace effectively.

National Institute of Justice Graduate Research Fellowship Program

November 21, 2017 (anticipated)

Supports doctoral students engaged in research that advances NIJ's mission and works to increase the pool of scholars engaged in research that addresses the challenges of crime and justice in the United States, particularly at the state and local levels. The program has two tracks: Social & Behavioral Sciences and STEM.

Knowles Science Teaching Foundation Fellowship

November 26, 2017

Teaching fellowships for those who commit to teaching mathematics or science in grades 9-12 as their primary career.

Florida Department of Agriculture and Consumer Services Science Policy Fellowship

November 27, 2017

The Florida Department of Agriculture and Consumer Services offers an outstanding opportunity for a Science Policy Fellow. The Fellow will be a critical member of the Science Advisory team that works across the department to foster cutting edge, interdisciplinary studies under the guidance of the department's Deputy Commissioner and Chief Science Officer. With a home office in the state's capitol building in beautiful north central Florida (or other Florida sites as requested), the Fellow will have a selection of a wide variety of hands-on projects throughout the state, traveling as little or as much as his/her interests dictate.

Kress History of Art: Institutional Fellowship

November 30, 2017

Advanced training in European art history requires direct exposure to the object of study, prolonged access to key information resources such as libraries and photographic archives, the development of professional relationships with colleagues abroad, and sustained immersion in European cultures. These related needs are often best satisfied by extended engagement with a European art research center. Fellowships are intended to provide promising young art historians with the opportunity to experience just this kind of immersion.

National Physical Science Consortium Graduate Fellowships in Science, Engineering and Math

November 30, 2017

Fellowships for graduate students in Astronomy, Chemistry, Computer Science, Geology, Materials Science, Mathematical Sciences, Physics, and related Engineering fields. Initial support may be for 2 to 3 years, or a full 6 years, depending on the employer-sponsor.

Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program (SGP) was designed in response to feedback from Venezuelan professors. Graduate student research projects are often hindered by lack of funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

Doctoral (Continued)

Kate Neal Kinley Memorial Fellowship

December 1, 2017

Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

UNCF-Merck Graduate Science Research Dissertation Fellowships

December 1, 2017 (anticipated)

Open to African American students who are engaged in and within 1-3 years of completing their dissertation research and enrolled full-time in a Ph.D. or equivalent doctoral degree program.

Doris Duke Fellowship for the Promotion of Child Well-Being

December 1, 2017

The Fellowships are designed to identify and develop a new generation of leaders interested in and capable of creating practice and policy initiatives that will enhance child development and improve the nation's ability to prevent all forms of child maltreatment.

Romance Writers of America Academic Research Grant

December 1, 2017

Up to \$5,000 to develop and support academic research devoted to genre romance novels, writers, and readers. The ultimate goal of the proposals should be significant publication in major journals or as a monograph from an academic press. RWA does not fund creative work (such as novels or films). Grant is open to dissertation candidates who have completed all course work and qualifying exams.

D. Kim Foundation Dissertation Fellowship

December 1, 2017

One or two fellowships (up to \$25,000 each) will be awarded annually to Ph.D. candidates who are writing their dissertations. The Foundation provides fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in modern East Asia, regardless of their nationality, origins, or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome.

RAND Graduate Student Summer Associate Program

December 4, 2018

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

Ford Foundation Fellowship Program—Pre-doctoral and Dissertation Fellowships

December 7, 2017

Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

Women Techmakers Scholars Program

December 11, 2017

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

Golden Key Graduate Scholar Award

December 15, 2017

Scholarship for members who have proven academic excellence combined with a solid range of extracurricular activities.

American Musicological Society

December 15, 2017

Alvin H. Johnson AMS 50 Dissertation-year Fellowships

Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

The Howard Mayer Brown Fellowship

Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

P.E.O. International Peace Scholarship

December 15, 2017 (Deadline for Eligibility Form)

The International Peace Scholarship Fund, established in 1949, is a program which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

American Association of University Women

American Association of University Women International Fellowship

December 1, 2017

Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

American Association of University Women Career Development Grants

December 15, 2017

Funding to women who hold a bachelor's degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

American Chemical Society Division of Analytical Chemistry Graduate Fellowship Program

December 16, 2017 (anticipated)

Both nine-month (\$21,000) and summer (\$7,000) fellowships for PhD students researching analytical chemistry.

Doctoral (Continued)

IMA Applied Research Grant

December 20, 2017

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

American Medical Association Seed Grant Research Program

December 20, 2017

The program provides grants to support medical students, physician residents, and fellows in conducting small research projects.

National Institutes of Health

NIH Ruth L. Kirschstein National Research Service Award (F31)

December 8, 2017

The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to clearly enhance the individual's potential to develop into a productive, independent research scientist.

NIH Mental Health Research Dissertation Grant to Enhance Workforce Diversity (R36) Award

December 22, 2017

The purpose of this grant is to enhance the diversity of the mental health research workforce by providing dissertation awards in all research areas within the strategic priorities of the NIMH to individuals from diverse backgrounds underrepresented in biomedical, behavioral, clinical and social sciences research. This two-year award supports the completion of the doctoral research project.

U.S. Department of Defense

SMART Fellowship through the Department of Defense (DoD)

December 1, 2017

Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

National Defense Science and Engineering Graduate Fellowship

December 31, 2017

Fellowship designed to increase the number of U.S. citizens & nationals trained in science & engineering disciplines of military importance. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

Association for Education Finance and Policy

December 31, 2017

Association for Education Finance Policy Roe L. Johns Travel Grants

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

Association for Education Finance Policy New Scholars Award

Supports significant research by master's and doctoral students whose research addresses education finance and policy.

Association for Education Finance Policy Jean Flanigan Outstanding Dissertation Award

Award in recognition of exemplary dissertation research in the area of education finance and policy.

Harriet Evelyn Wallace Doctoral Student Scholarships for Women

January 3, 2018

Scholarships support female geoscientists pursuing a graduate degree. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

Guy Harvey Scholarship Award

January 5, 2018 (anticipated)

Supports graduate students who are enrolled full time at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

American Association of Family & Consumer Sciences National Graduate Fellowship

January 8, 2018

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

American Water Works Association

January 9, 2018

Roy W. Likins Scholarship

Scholarships for students pursuing a degree relating to the drinking water industry.

Abel Wolman Fellowship

Supports promising doctoral students in the US, Canada, and Mexico pursuing advanced training and research in the field of water supply and treatment.

Larson Aquatic Research Support Scholarship

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry.

Doctoral (Continued)

American Water Scholarship

Provides graduate level support to assist the development of professionals interested in service to the water industry.

Thomas R. Camp Scholarship

Provides support to outstanding graduate students doing applied research in the drinking water field.

ARCADIS Scholarship

Provides support to a master's or doctoral candidate student seeking a degree in the water industry.

Dave Caldwell Scholarship

Scholarship to benefit female and/or minority students pursuing an engineering degree in the drinking water field.

American Association of University Women Selected Professions Fellowships

January 10, 2018

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. For master's programs, the eligible programs are Architecture, Computer/Information Science, Engineering, and Mathematics/Statistics. Women of color may also apply in the following fields: master's in business administration, law, doctorate in medicine.

Doris Duke International Clinical Research Fellowship

January 10, 2018

Provides an opportunity for up to three US medical students with at least two years of medical school training to complete a yearlong international clinical research project in one of four locations: India, Kenya, Peru, or Tanzania.

Leaky Foundation Research Grants

January 10, 2018

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

Howard Hughes Medical Institute Hanna H. Gray Fellows Program

January 10, 2018

Fellowship program that seeks to increase diversity in the biomedical research community by providing up to four years of postdoctoral funding and potentially another four years during their early career as independent faculty. The program will recruit and retain early career scientists who are from groups underrepresented in the life sciences and who have the potential to become leaders in academic research. Fellows must have a PhD and/or MD (or equivalent) by the start of the grant term.

Inter-American Foundation IAF Grassroots Development Fellowship Program

January 11, 2018 (anticipated)

Fellowships for currently registered students who have advanced to candidacy for the Ph.D. in social sciences, physical sciences, technical fields, and the professions related to grassroots development issues. Fellowships provide support for field research in independent countries in Latin America or the Caribbean, except for Cuba.

Graduate Women in Science National Fellowships Program

January 12, 2018

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income that supports scientific research done by SDE/GWIS award winners.

Hurst Review/American Association of Colleges of Nursing Scholarship

January 15, 2018

Scholarships for students pursuing professional nursing degrees.

Link Foundation Modeling, Simulation & Training Fellowships

January 15, 2018

Program to foster advanced level research in modeling, simulation, and training; to enable Ph.D. students the freedom to work on their research full time; and to disseminate the results of that research through conferences, journals, and other publications.

American Antiquarian Society Short-Term Visiting Academic Research Fellowships

January 15, 2018

Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Predocutorial Fellowship in Mental Health and Substance Abuse Services

January 15, 2018

Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students whose training prepares them for careers in behavioral health services. Minorities are especially encouraged to apply.

U.S. Army Center of Military History Dissertation Fellowships

January 15, 2018

Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

Mary Isabel Sibley Fellowship

January 15, 2018

Awarded alternately in the fields of Greek and French. Must be unmarried woman 25-25 years of age who has completed all doctoral requirements except the dissertation. The 2018 Fellowship will be for French studies.

Joan and Stanford Alexander Award

January 15, 2018

Two grants of \$5,000 each for doctoral candidates working on dissertations that concentrate on photography.

Doctoral (Continued)

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

January 15, 2018

Grants support graduate and postdoctoral research on every phase of economic history, broadly defined. Applicants must be members of the Association.

IMA Incubator Grant Program

January 15, 2018

Grants for smaller innovative projects related to accounting and finance.

International Literacy Association

January 15, 2018

Elva Knight Research Grant

Grant for research in reading and literacy

Jeanne S. Chall Research Fellowship

Grant to support reading research by promising scholars.

Steven A. Stahl Research Grant

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Helen M. Robinson Grant

Grants for doctoral students to assist at the early stages of dissertation research in the areas of reading and literacy

Florida Education Fund

January 15, 2018

McKnight Doctoral Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees to teach at the college and university levels.

McKnight Dissertation Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

National Science Foundation

Cultural Anthropology Program—Doctoral Dissertation Research Improvement Grants

January 15, 2018

Supports basic scientific research on the causes, consequences, and complexities of human social and cultural variability. Provides support to enhance and improve the conduct of doctoral dissertation projects carried out by doctoral students enrolled in U.S. universities.

NSF Biological Anthropology Program - Doctoral Dissertation Research Improvement Grant

January 20, 2018

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

National Institute of Justice Research Assistantship Program

January 16, 2018

The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.

Chateaubriand Fellowship

January 16, 2018

The Chateaubriand Fellowship is a grant offered by the Embassy of France in the United States. Every year, it allows doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

American Educational Research Association/NSF Dissertation Grants

January 17, 2018

Program seeks to stimulate research on U.S. education issues using data from the large- scale, national and international data sets supported by the National Center for Education Statistics, NSF, and other federal agencies.

Department of Energy Computational Science Graduate Fellowship

January 17, 2018

Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can lead the application of high performance computing to problems in their disciplinary areas.

Dennis Weatherstone Pre-doctoral Fellowship Program

January 18, 2018

Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to the education of young scientists pursuing autism research. Lady Weatherstone and daughter Cheryl Weatherstone continue to actively support the Autism Speaks Weatherstone fellows on a personal level.

Doctoral (Continued)

American College of Sports Medicine

January 19, 2018

Dr. Raymond A. Weiss Research Endowment

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports.

ACSM Foundation Doctoral Student Research Grant

Research grants for doctoral students up to \$5,000 for a one-year period. The awards are to be used for experimental subjects, supplies, and small equipment needs.

Carl V. Gisolfi Memorial Fund

Grant designated to encourage research in thermoregulation, exercise, and hydration. In support of the mission to increase diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

NASA Space Physiology Research Grant

Grant for doctoral students researching in the area of exercise, weightlessness, and musculoskeletal physiology.

American Association of Marriage and Family Therapy

January 20, 2018 (anticipated)

Doctoral Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation's youth.

Dissertation Completion Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

Pittsburgh Foundation - Walter Read Hovey Memorial Fund

January 21, 2018 (anticipated)

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

Department of Commerce NMFS-Sea Grant Fellowships in Marine Resource Economics

January 26, 2018

The Fellowship Program expects to award two new Ph.D. Fellowships each year to students who are interested in careers related to the development and implementation of quantitative methods for assessing the economics of the conservation and management of living marine resources. Fellows will work on thesis problems of public interest and relevance to National Marine Fisheries Service (NMFS) under the guidance of NMFS mentors at participating NMFS Science Centers or Offices.

Government Finance Officers Association

January 26, 2018

Daniel B. Goldberg Scholarship

A non-renewable \$12,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship

Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field

Frank L. Greathouse Government Accounting Scholarship

Graduate students preparing for a career in state and local government finance in the United States or Canada.

Minorities in Government Finance Scholarship

Minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Florida Gubernatorial Fellows Program

January 30, 2018

Non-partisan program immerses students from public and private universities in key areas of state government.

Point Foundation Scholarship

January 30, 2018

Scholarships for LGBTQ students who are "out" to help cover expenses not covered by other scholarships, grants, loans, work/study programs, etc.

Boren Fellowship

January 30, 2018 (Contact OGFA for Internal Deadline)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Spencer Educational Foundation Graduate Scholarships

January 31, 2018

Scholarships for master's and pre-dissertation Ph.D. students studying education.

Josephine de Karman Fellowship

January 31, 2018

Recognize and assist students whose scholastic achievements reflect Professor von Karman's high standards. DeKarman fellowships are open to students in any discipline.

Doctoral (Continued)

Institute for Humane Studies Fellowships

January 31, 2018 (anticipated)

Supports study in a variety of fields, including economics, philosophy, law, political science and sociology, but all fellowships are awarded to graduate students who research interests place an emphasis on advancing the ideas of a free society. To be eligible for this opportunity, you must have previously received an HIS PhD Scholarship.

Council of American Overseas Research Centers

January 31, 2018

Andrew W. Mellon Mediterranean Regional Research Fellowship

The CAORC is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue. Thousands of fellowships are made available each year.

The Multi-Country Research Fellowship

The CAORC Multi-Country Research Fellowship Program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2018

Annual research grant for graduate students in biology, horticulture, or a related field to study at a botanical garden.

Center for Retirement Research at Boston College Dissertation Fellowship Program

January 31, 2018

Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

American Sociological Association Minority Fellowship Program

January 31, 2018

Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

PADI Foundation Grant

February 1, 2018

Grants to support underwater science, environmental projects, and education.

Educational Testing Service (ETS) Summer Internship Program in Research

February 1, 2018 (anticipated)

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Harry S. Truman Library Dissertation Year Fellowship

February 1, 2018

Dissertation Year Fellowships that are intended to encourage historical scholarship of the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship

February 1, 2018 (anticipated)

Funds scholars completing dissertations that employ history to shed light on American politics and public policy, foreign relations and the impact of global affairs on the US, media and politics, and the role of the presidency in shaping American political development.

PhRMA Pre Doctoral Fellowships

February 1, 2018

Fellowships for students who expect to complete their Ph.D. in two years or less from the time the fellowship begins. Fellowships are offered in five areas: Health Outcomes, Informatics, Pharmaceuticals, Pharmacology/ Toxicology.

Harry Frank Guggenheim Foundation

February 1, 2018

Lewis and Clark Fund for Exploration and Field Research

Exploratory field studies for the collection of specimens and data for doctoral students up to \$5,000.

Harry Frank Guggenheim Dissertation Fellowships

Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Intercollegiate Studies Institute Graduate Fellowships

February 1, 2018

Seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Center for Jewish History Graduate Research Fellowship

February 2, 2018

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

Doctoral (Continued)

American Meteorological Society

February 2, 2018

American Meteorological Society Minority Scholarships

Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

American Meteorological Society Fellowship in the History of Science

For PhD students in the dissertation writing stage. Carries a \$15,000 stipend to support one year of research.

National Science Foundation

National Science Foundation Geography and Spatial Sciences Doctoral Dissertation Research Improvement Awards

February 8, 2018

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

National Science Foundation Sociology Program Doctoral Dissertation Research Improvement Awards

February 28, 2018

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

Daughters of the American Revolution

February 10, 2018

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial need enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial need enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendent of member, or eligible for membership in NSDAR.

Alice W. Rooke Scholarship

Mathematica Center for Studying Disability Policy

February 10, 2018 (anticipated)

Summer Fellowship in Disability Policy Research

Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer of 2018 at Mathematica's Washington, DC office to learn more about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

Fellowship which offers financial support to students conducting their doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows will remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

February 15, 2018 (anticipated)

Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

The Great Lakes Commission-Sea Grant Fellowship

February 17, 2018 (anticipated)

Provides an opportunity for graduate students to work with members of the Great Lakes science, policy and information/education communities to advance the environmental quality and sustainable economic goals of the Great Lakes states.

Doctoral (Continued)

Interior Design Educators Council South Region Graduate Student Travel scholarship

February 20, 2018 (anticipated)

Travel reimbursement for students from the south region to attend the IDEC National Conference.

John A. Knauss Marine Policy Fellowship

February 21, 2018 (anticipated)

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

NASA Education Aeronautics Scholarship and Advanced STEM Training Research (AS&ASTAR) Fellowship

February 24, 2018 (anticipated)

Graduate Research Fellowships provide financial support to graduate students pursuing a Master's or Doctoral degree in STEM while partaking in graduate unique research projects under the guidance of an institutional Principal Investigator in collaboration with NASA Technical Advisers.

Archives of American Art Fellowships and Internships

February 25, 2018

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Egg Nutrition Studies and Research Grants

February 28, 2018 (anticipated)

The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

Joseph L. Fisher Dissertation Fellowships

February 28, 2018 (anticipated)

Fellowships for doctoral dissertation research on issues related to the environment, natural resources, or energy. Supports graduate students in the final year of their dissertation research.

Elizabeth Greenshields Foundation Grant

Deadline: 6 months prior to the date on which funds are required

Prestigious grant for emerging figurative artists. Applicants must be in the early stage of their career, work in a representational style of painting, drawing, sculpting or printmaking and demonstrate a commitment to making their art a lifetime career.

International Ocean Discovery Program Expedition

Deadlines vary

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediments and rocks beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

American Society for Public Administration Awards

Deadlines vary

Multiple chapter and section award opportunities for public administration studies.

FASEB Maximizing Access to Research Careers Travel Award

Deadlines vary

The awards help to defray meeting registration and travel-related expenses (lodging, transportation, per diem) to attend the Federation of American Societies for Experimental Biology (FASEB) meeting for eligible undergraduate and PhD/graduate students and postdoctoral fellows who are individuals of groups identified as being underrepresented in the biomedical and behavioral sciences. Applications must be received at least six weeks prior to the start date of the selected meeting.

Florida Chapter of the American Statistical Association Awards

Deadlines vary

Awards for student members of the Florida Chapter of the American Statistical Association.

AmeriCorps Education Award

Deadlines vary

The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.
