

Fellowships and Awards for International Students

Office of Graduate Fellowships and Awards at Florida State University

Getting Started

Things to consider...

- ◇ **Identify Funding Opportunities based on “Fit”**
- ◇ **All DEADLINES are anticipated**
- ◇ **Organize Funding Search Results**
- ◇ **Dedicate time and attention to prepare and/or request application components**
- ◇ **Revision Process (Draft, Review, Revise, Repeat)**
- ◇ **Awards generally start 6-12 months from the deadline date for the submission of the application**

Application Components

Fellowship and award applications have a lot of moving parts. To develop a strong and compelling fellowship application, determine:

1. Is the funding opportunity a good fit for you, your research, ambitions, study and/or personal interests
2. Are you a good fit for the funding opportunity?
3. KNOW YOUR AUDIENCE - Who are the reviewers? What are they looking for (mission of the funding opportunity, criteria for review)?

- ◇ Personal Statement
- ◇ Research Proposal
- ◇ Curriculum Vitae (CV) or Resume
- ◇ Letters of Recommendation
- ◇ Timeline and Budget Justification

Not all components listed are applicable for every application

Academic Council on the United Nations System (ACUNS) - Dissertation Writing Awards Program

The award recognizes students who are writing graduate-level dissertations on topics related to the United Nations system. ACUNS is a global professional association of educational and research institutions, individual scholars, and practitioners active in more than 50 countries in the work and study of multilateral relations, global governance and international cooperation.

Deadline: April

Academy Nicholl Fellowships in Screenwriting

Theater, film, television; funding to write feature-length screenplay, open to graduate students. \$35,000 stipend. **Deadline: May (register March or April)**

Academy of Natural Sciences of Philadelphia - Jessup & McHenry Short-Term Research Awards

Grants support research under the supervision or sponsorship of a member of the curatorial staff of the Academy. The award duration is 2-16 weeks. The Jessup Fund supports research in any field in which curators at the Academy have expertise. The McHenry Fund is restricted to botanists. **Deadlines: March and October**

AccessLex Grant Programs

Aimed at supporting students in graduate-level Law programs, AccessLex offers three grant programs: the Diversity Pathway Intervention Grant Program, the Bar Success Intervention Grant Program, and the Bar Success Research Grant Program. Deadlines vary based on award. **Deadline: May**

ACM SIGHPC/Intel - Graduate Fellowship for Women and Minorities in Computational & Data Science

Fellowships support women and underrepresented students to pursue graduate degrees in computational and data science. Computational science encompasses any program of study where computational modeling and simulation serve as the primary methods for conducting research, typically in a field other than computer science (e.g., computational chemistry, wildfire modeling, computational hydrodynamics). The fellowship offers support for up to five years. **Deadline: April**

Action Institute for the Study of Religion and Liberty Calihan Academic Scholarship

Fellowship for graduate students currently studying theology, philosophy, economics, or related fields with the potential to advance understanding in the relationship between theology and the principles of a free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life. **Deadline: October**

Acoustical Society of America- various grants, scholarships, and fellowships

Funding is available from the Acoustical Society of America through a program of fellowships, scholarships, prizes, grants, and student and young professional awards. There are also funding opportunities that are offered in connection with meetings of the Society including Student Travel Grants, Best Paper Awards for Students and Young Presenters, Student Design Competition Awards, Young Investigator Travel Grants and Dependent Care Subsidies. Acoustics, architectural acoustics, sound, (see website). Two large graduate student awards: West (minority students), Beranek (acoustics and noise control). Two \$30,000 awards, other small scholarships. **Deadlines: vary**

Acumen Fund Fellowship

The Global Fellows Program is a 12-month fellowship for individuals dedicated to serving the poor and who have the business and operational expertise, and moral imagination needed, to effect long-term social change. The fellowship begins with an eight-week training program in the Acumen New York office, where Fellows learn about business models for the poor, hone their leadership skills, and learn more about Acumen. **Deadline: see website**

Adobe Research - GEM Fellowship

The objective of this program is to promote the benefits of a masters degree within industry. GEM Fellows are provided practical engineering summer work experiences through an employer sponsor and a portable academic year fellowship of tuition, fees, and a stipend which may be used at any participating GEM Member University where the GEM Fellow is admitted. **Deadline: Varies**

African and African Diaspora Fellowships

African or African Diaspora Studies. Students must be “all but dissertation/ABD” by start of the fellowship. \$30,000 stipend, \$1,500 research budget, \$3,000 relocation, equipped shared office, will teach one seminar class. US Citizen, permanent resident, international. **Deadline: January**

Air & Waste Management Association (A&WMA) - Graduate Scholarships

Each year, the Air & Waste Management Association (A&WMA) recognizes outstanding students who are pursuing courses of study and research leading to careers in air quality, waste management, environmental management/policy/law, and sustainability with respect to air quality and waste management. To support the future of the fields of air and waste management and to help full-time graduate students improve their knowledge and skills, A&WMA will be awarding financial scholarships to exceptional individuals. **Deadline: January**

Airport Cooperative Research Program (ACRP) - Graduate Research Award on Public Sector Aviation Issues

The ACRP Graduate Research Award is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policymakers in aviation. The focus of this program is on applied research on airport and related aviation system issues to improve the quality, reliability, safety, and security of the U.S. civil aviation system well into the foreseeable future. **Deadline: May**

Alberta Learning Information Service (ALIS) - Sir James Lougheed Graduate Scholarships

Scholarships support masters and doctoral student from Alberta with the opportunity for advanced study at educational institutions outside of Alberta. The scholarship offers support for one year and may be renewed for a second year. **Deadline: January**

Alexander Graham Bell Association College Scholarship Program

Students who were diagnosed with hearing loss before the age of seven are eligible for a merit-based scholarship ranging from \$1,000-\$10,000. **Deadlines: Vary**

Allen Lee Hughes Fellowship and Internship Program

Individuals interested in artistic and technical production, arts administration and community engagement. Fellowships are designed for recent graduates (undergraduate or graduate) and career changers interested in pursuing a career in the professional theater. Fellowship provides a modest stipend and is intended to increase participation of people of color in the arts. **Deadline: March**

Alpha Kappa Alpha Educational Advancement Foundation, Inc. Scholarships-

The Alpha Kappa Alpha Educational Advancement Foundation, Inc.® (EAF) provides funds to advance education in fulfillment of its mission: "To promote lifelong learning." The Foundation provides financial support to graduate students, post-freshman students and non-profit organizations serving diverse groups. Foundation scholarships and grants are awarded without regard to gender, race, creed, age, sexual orientation, ethnicity or disability. **Deadline: Varies**

Amelia Earhart Fellowships (Zonta International Foundation)

Women of any nationality pursuing a Ph.D./doctoral degree who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering are eligible. Please note that post-doctoral research programs are not eligible for the Fellowship. **Deadline: November**

American Academy of Underwater Sciences (AAUS) - Graduate Research Scholarships

Scholarships facilitate the development of safe and productive scientific divers through education, research and the advancement of standards for scientific diving practices, certifications and operations. **Deadline: June**

American Antiquarian Society (AAS) - Research Fellowships

Fellowships support doctoral students and postdoctoral researchers conducting research on pre-20th century United States history and culture using the Society's collections. Research must be carried out at the Society in Worcester, MA. **Deadline: January**

American Association for Geodetic Surveying (AAGS)/National Society of Professional Surveyors (NSPS) - Graduate Fellowship

The AAGS, through the National Society of Professional Surveyors Foundation (NSPS), awards fellowships to graduate students enrolled in geo-spatial sciences and related programs, including surveying, mapping, geographic information systems, and geodetic science. The fellowship is for one year. **Deadline: January**

American Association of Petroleum Geologists (AAPG) - Graduate Student Grants

Grants support master's and doctoral students conducting research in the geosciences whose thesis research has application to the search for and development of petroleum and energy-mineral resources, and/or to related environmental geology issues. See website or full list of **current grants**. Grants are for one year. **Deadlines: Vary**

American Association for University Women - International Fellowships

International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. **Deadline: November**

American Brahms Society - The Karl Geiringer Scholarship in Brahms Studies

Scholarships support advanced graduate research in historical musicology, analysis, performance practice, cultural history, and related fields. Work relating to Brahms should form a significant component of the dissertation, but it need not be the exclusive or primary focus. **Deadline: March**

American Cancer Society - Research Grants

As the nation's largest private, not-for-profit source of funds for scientists studying cancer, the American Cancer Society (ACS) remains committed to funding basic, translational, clinical, and cancer control research now and in the future - as much as we are able given our available financial resources. **Deadlines: Vary**

American Center of Oriental Research Scholarships and Fellowships

The foundation offers a series of monetary grants and fellowships based on research within the Asian continent, and is open to various nationalities. **Deadline: Varies**

American College of Sports Medicine (ACSM) - Graduate Research Awards

Awards support graduate student research in sports medicine and exercise science. Membership in ACSM required to apply. **Deadline: November**

American Concrete Institute (ACI) - Graduate Scholarships and Fellowships

Fellowships and scholarships (see website for **full list**) support graduate student members whose studies relate to concrete. **Deadlines: Vary**

ACLS/Mellon - Dissertation Innovation Fellowship

The fellowships are designed to intervene at the formative stage of dissertation development, before writing is advanced, and provide time and support for emerging scholars' innovative approaches to dissertation research – practical, trans – or interdisciplinary, collaborative, critical, or methodological. **Deadline: October**

American Council of Learned Societies (ACLS)/Robert H. N. Ho Family Foundation - Dissertation Fellowship in Buddhist Studies

The Robert H. N. Ho Family Foundation Dissertation Fellowships in Buddhist Studies provide stipends to PhD candidates for full time preparation of dissertations. The ten-month fellowship period may be used for fieldwork, archival research, analysis of findings, or for writing after research is complete. **Deadline: November**

American Council of the Blind (ACB) - Scholarships for Blind and Visually Impaired Students

The ACB Scholarships provide support for blind and visually impaired students, who may apply the award toward tuition, computer equipment, or to lessen the need to work during a year of study. The scholarships are provided solely on the basis of merit/academic achievement, and provide support for one year. **Deadline: February**

American Educational Research Association (AERA)/NSF- Dissertation Grant

AERA supports doctoral students writing dissertations focusing on U.S. education issues using quantitative data from the large-scale, national and international data sets supported by the National Center for Education Statistics (NCES), National Science Foundation (NSF), and other federal agencies, and have U.S. education policy relevance. Applications are encouraged from a variety of disciplines such as, but not limited to, education, sociology, economics, psychology, demography, statistics, and psychometrics. **Deadline: May**

American Epilepsy Society Predoctoral Research Fellowship

Supports doctoral students conducting basic, translational, or clinical research with epilepsy relevant theme. Provides \$30,000 stipend, travel to AES annual meeting, membership. **Deadline: January**

American Foundation for the Blind (AFB) - Scholarships for Blind Students

This program awards students with scholarships to help with post-secondary education financial needs such as tuition, fees, room and board, and other additional costs associated with adaptive technology. **Deadline: Varies**

American Geophysical Union (AGU) - Horton Doctoral Research Grant in Hydrological Sciences

AGU grants support doctoral students in the hydrological sciences and related policy-oriented social sciences. **Deadline: March**

American Handel Society - J. Merrill Knapp Research Fellowship

Fellowships support scholarly projects related to Handel and his world. Requests for funding may include, but are not limited to, purchase of microfilms, travel for research, and production expenses for publication. **Deadline: March**

American Heart Association (AHA) - Predoctoral Fellowship

Fellowships support research related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts. Proposals are encouraged from all disciplines as well as epidemiological, behavioral, community, and clinical investigations that bear on cardiovascular and stroke problems. Multidisciplinary proposals are welcome. \$26,353 renewable; +4,000.00 for health and other benefits. **Deadline: February and September**

American Heraldry Society - William Barton Graduate Scholarship

Barton Scholarships support master's and doctoral students conducting research on heraldry (coats of arms, seals, badges and related symbols) within the United States and its territories and possessions. Eligible disciplines include, but are not limited to, history, literature, law, anthropology, sociology, political science/government, archaeology, art history, architecture and design, and communication studies. **Deadline: July**

American Historical Association (AHA) - Research Grants

AHA awards several research grants with the aim of advancing the study of history in a diverse number of subject areas. Grants may be used for travel to a library or archive, microfilming, photography, photocopying, borrowing or access fees, or other needs associated with the project. **Deadline: February**

American Historical Association (AHA) and the NASA Doctoral & Postdoctoral Fellowships in Aerospace History

AHA/NASA Fellowships support research in all aspects of the history of aerospace from the earliest human interest in flight to the present, including cultural and intellectual history, economic history, history of law and public policy, and the history of science, engineering, and management. **Deadline: April**

American Institute for Contemporary German Studies (AICGS)/DAAD (German Academic Exchange Service) - Research Fellowship

This residential fellowship program brings scholars working on Germany, Europe, and/or transatlantic relations to AICGS in Washington, D.C. for a two-month research stay. **Deadline: (currently unavailable)**

American Institute for Economic Research (AIER)'s Fellowships

The American Institute for Economic Research educates people on the value of personal freedom, free enterprise, property rights, limited government, and sound money. AIER's ongoing scientific research demonstrates the importance of these principles in advancing peace, prosperity, and human progress. **Deadline: April**

American Institute for Sri Lankan Studies (AISLS) - Dissertation Planning Grant

AISLS dissertation planning grants are designed to enable graduate students intending to do doctoral research in Sri Lanka to make a pre-dissertation visit to Sri Lanka to investigate the feasibility of their topic, to sharpen their research design, or to make other practical arrangements for future research. **Deadline: May**

American Institute of Indian Studies (AIIS) - Dissertation Fellowships

Fellowships support dissertation research in India conducted in pursuit of knowledge about India, its people, and culture. **Deadline: November**

American Institute of Indian Studies Junior Research Fellowship

Any discipline, especially arts, in pursuit of knowledge about India. Funds PhD students to perform dissertation research for 6-12 months in India, \$5,000 monthly stipend, research budget, supplemental income, travel. **Deadline: November**

American Institute of Pakistan Studies (AIPS) - Conference Travel Grant

Funding supports conference travel for the presentation of papers or organization of panels that include topics relevant to Pakistan Studies at scholarly conferences. Invited lectures are not eligible for this award. **Deadline: December**

American Institute of Pakistan Studies (AIPS) - Short-term Research Grants to Pakistan

Grants support research in Pakistan by students enrolled at and scholars affiliated with U.S. universities. **Deadline: February**

American Institute of the History of Pharmacy Grant

The AIHP PhD Research Support Grant Program is designed to provide financial support for doctoral students pursuing academic research related to the broadly defined history of pharmacy and pharmaceuticals. The AIHP PhD Research Support Grant Program is open to all PhD students enrolled in a university based in the United States, regardless of department or discipline. The student need not be an American citizen; nor does the research topic need to be in the field of American history. **Deadline: Varies**

American Mathematical Society (AMS)/American Association for the Advancement of Science (AAAS) - Mass Media Summer Fellowship Program

The program is designed to improve public understanding of science and technology by placing advanced science, mathematics and engineering students in newsrooms nationwide. Fellows work with media professionals to improve their communication skills and increase their understanding of the editorial process by which events and ideas become news. **Deadline: January**

American Museum of Natural History (AMNH) - Chapman Small Grant Program

The Chapman Small Grants Program awards grants to graduate students for short-term studies in avian evolutionary biology. Topics can include: 1) systematics, evolution and morphology, 2) comparative evolutionary physiology, endocrinology and behavior, or 3) evolutionary ecology or population biology. The research can be conducted in any location. **Deadline: November**

American Musicological Society (AMS) - Alvin Johnson Dissertation Fellowship

These fellowships support doctoral students in musicology who are in the dissertation writing phase of their program. It is expected that fellowship recipients will work full-time to complete their dissertations within the fellowship year. **Deadline: February**

American Musicological Society (AMS) - Howard Mayer Brown Ph.D. Fellowship

Fellowships support minority scholars and teachers in musicology who are a members of a group historically underrepresented in the discipline, including African Americans, Native Americans, Hispanic Americans and Asian Americans and, in Canada, aboriginal peoples and visible minorities (as defined by Canadian legislation). The fellowship offers support for one year. **Deadline: February**

American Nuclear Society (ANS) Graduate Scholarship

A series of scholarships (ranging from \$1,000- \$5000) for either undergraduates or graduates in nuclear science and technology. U.S. and non-U.S. applicants must be ANS student members enrolled in and attending an accredited institution in the United States.

Deadline: February

American Numismatic Society - Eric P. Newman Summer Graduate Seminar in Numismatics Grant

Grants offer graduate students the opportunity to work hands-on with one of the world's preeminent numismatic collections. The 8 week course taught by the museum staff, guest lecturers, & a visiting scholar introduces students to the methods, theories & history of the discipline. The seminar is meant primarily for those with limited or no numismatic background in order to familiarize students of (art) history, textual studies, & archaeology with a body of evidence that is often overlooked and poorly understood. **Deadline: see website**

American Scandinavian Foundation

The American-Scandinavian Foundation (ASF) offers over \$500,000 in funding to Scandinavians to undertake study or research programs (usually at the graduate level) in the United States for up to one year. Eligible candidates must be citizens of one of the following countries: Denmark, Finland, Iceland, Norway or Sweden. **Deadline: April**

American Ornithological Society - Research Grants

AOU supports research in various areas of avian biology for students and postdoctoral researchers who are members of the American Ornithological Society. **Deadlines: Vary**

American Philosophical Society (APS)/NASA Astrobiology Institute - Lewis & Clark Fund for Exploration & Field Research in Astrobiology

This grant supports field studies in any area of interest to astrobiology. Astrobiology is the study of the origin, evolution, distribution, and future of life on Earth and in the universe. It encompasses research in, among others, the fields of astronomy, chemistry, evolutionary biology, field and population biology, geology, microbiology, molecular biology, oceanography, paleontology, and planetary science. Astrobiology includes investigations of the geologic and fossil record to understand the conditions of the early Earth when life arose. **Deadline: February**

American Philosophical Society (APS) - Lewis & Clark Fund for Doctoral Student Field Research

This grant supports exploratory field studies for the collection of specimens and data for direct observation. Applications are invited from disciplines with a large dependence on field studies, such as archaeology, anthropology, biology, ecology, geography, geology, linguistics, paleontology, and population genetics, but grants will not be restricted to these fields. **Deadline: November**

American Philosophical Society (APS) - Short-Term Resident Research Fellowships

The APS Library offers short-term residential fellowships for conducting research in its **collections**. The Library is a leading international center for research in the history of American science and technology and its European roots, as well as early American history and culture. The fellowships offer support for 1-2 consecutive months. **Deadline: March**

American Philosophical Society (APS) - Phillips Fund for Research in Native American Studies

The fund supports research in Native American linguistics, ethnohistory, and the history of studies of Native Americans in the continental United States and Canada. Grants are not made for projects in archaeology, ethnography, psycholinguistics, or for the preparation of pedagogical materials. The grants are intended for such costs as travel, tapes, films, and consultants' fees but not for the purchase of books or permanent equipment. The grant offers support for one year. **Deadline: March**

American Psychological Association (APA) Elizabeth Munsterberg Koppitz Child Psychology Graduate Fellowship

The APA's Koppitz fellowship supports graduate research in child psychology including child-clinical, pediatric, school, educational, and developmental psychopathology. The fellowship provides one year of support. **Deadline: November**

American Psychological Association (APA) Esther Katz Rosen Fellowships

Fellowships support research on the advancement and application of knowledge related to identified gifted and talented children and adolescents. **Deadline: March**

American Psychological Association (APA) Graduate Scholarships, Fellowships, & Grants

The APA Foundation supports graduate research in psychology through the American Psychological Foundation (**APF**). **Deadlines: Vary**

American Psychological Association (APA) Wayne F. Placek Research Grant

Grants support empirical research to increase the general public's understanding of homosexuality and sexual orientation, and to alleviate the stress that lesbian women, gay men, bisexual women, bisexual men and transgender individuals experience in this and future civilizations. **Deadline: June**

American Research Center in Sofia (ARCS) - Fellowship for Research in Bulgaria

Fellowships support research on the Bulgarian and Balkan history and culture from prehistory to the present. In addition to independent research, fellows will participate in the academic program of ARCS. **Deadline: March**

American Research Center in Egypt (ARCE) - Doctoral and Postdoctoral Fellowships
Fellowships support doctoral and postdoctoral research on the history and culture of Egypt in a broad range of fields, including anthropology, archaeology, architecture, art and art history, Coptic Studies, economics, Egyptology, history, humanistic social sciences, Islamic Studies, literature, political science, and religious studies. All scholars conducting research with ARCE's administrative or financial support require security clearance from the Egyptian government (see website for restrictions). **Deadline: January**

American Research Institute in Turkey (ARIT) - Fellowship for Research in Turkey
The University of Pennsylvania's ARIT offers fellowships to advanced graduate students engaged in research on ancient, medieval, or modern times in Turkey, in any field of the humanities and social sciences. Grants for tenures up to one year will be considered; however, some preference is given to projects of shorter duration. RIT offers research and study facilities as well as connections with colleagues, institutions, and authorities through its branch centers in **Istanbul** and **Ankara**. **Deadline: November**

American-Scandinavian Foundation (AFS) - Award for Scandinavians
ASF offers funding to Scandinavians to undertake study or research programs in the United States for up to one year. Candidates for awards are recommended to the ASF by our cooperating organizations. To apply, submit applications to the appropriate cooperative organization (see below). Awards are made in all fields. **Deadline: April**

American-Scandinavian Foundation (ASF) - Fellowships & Grants to Study in Scandinavia
Fellowships and grants are for individuals to pursue research, study, or creative arts projects in one or more Scandinavian country for up to one year. Priority is given to candidates at the graduate level for dissertation-related study or research. Grants support post-graduate scholars, professionals, and candidates in the arts to carry out research or study visits of 1-3 months. However, ASF does not support art residency programs. **Deadline: April**

American School of Classical Study at Athens (ASCSA) - Graduate & Postdoctoral Fellowships
ASCSA offers fellowships for graduate students and postdoctoral scholars from affiliated North American colleges and universities (including the University of Illinois) for research and study in Greece. Research topics include all aspects of Greek culture, from antiquity to the present day. ASCSA also hosts scholars funded through the U.S. Department of State Fulbright programs, the Council of American Overseas Research Centers (CAORC), and the National Endowment for the Humanities (NEH). **Deadline: Varies**

American Society for Legal History - Cromwell Fellowship
Fellowships support dissertation research in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs. The fellowship offers support for one year. **Deadline: June**

American Society for Nondestructive Testing (ASNT) - Graduate Research Fellowship
Fellowships support graduate research and study in the field of nondestructive testing, which is defined as the process of inspecting, testing, or evaluating materials, components or assemblies for discontinuities, or differences in characteristics without destroying the serviceability of the part or system. In other words, when the inspection or test is completed the part can still be used. The fellowship offers support for one year. **Deadline: Varies**

American Society for Nutrition (ASN) - Predoctoral Fellowship
The ASN Foundation Predoctoral Fellowships fund outstanding research projects proposed and conducted by ASN members enrolled in a United States graduate program in nutrition. **Deadline: February**

American Society for Theatre Research (ASTR) - Helen Krich Chinok Dissertation Travel Fellowship
The Helen Krich Chinoy Dissertation Fellowship is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations. **Deadline: July**

American Society of Agronomy (ASA) - Nelson Yield-Limiting Factors Graduate Scholarship
Scholarships support graduate students whose goals are to research and develop improved diagnostic techniques and solutions to yield-limiting factors in agronomy. The scholarship offers support for one year. **Deadline: March**

American Society of Civil Engineers (ASCE) - Graduate Fellowships
Fellowships support graduate members of ASCE enrolled at accredited institutions. **Deadlines: February and November**

American Society of Heating, Refrigeration & Air-Conditioning Engineers (ASHRAE) - Grants-in-Aid
Grants support graduate student research of relevance to ASHRAE, i.e., research on building systems, energy efficiency, indoor air quality, refrigeration, and sustainability within the industry. The grant offers support for one year. **Deadline: March**

American Society of Mammalogists (ASM) - Grants & Fellowships

Grants and fellowships support graduate student members of the ASM engaged in research in any area of mammalogy to assist them in the early development of their careers.

Deadlines: Vary

American Society of Mechanical Engineers (ASME) Scholarships

Mechanical engineering. Academic Profile: graduate students in either Master's, PhD program, or both. A variety of scholarships from \$3,000 - \$10,000. US Citizen, Permanent Resident, international student, some minority /underrepresented programs (different requirements for each award). **Deadline: March**

American Speech-Language-Hearing Foundation (ASHF) - Grants & Scholarships

ASHF supports graduate students pursuing careers in communication sciences and disorders, speech-language pathology, audiology or hearing science, and related areas, that will improve the lives of people with speech, language, or hearing disorders.

Deadlines: Vary

American Speech-Language-Hearing Foundation (ASHF) - Graduate Student Scholarship

The American Speech-Language-Hearing Foundation (ASHFoundation) invites full-time students who will be or who are currently enrolled in a communication sciences and disorders graduate program to apply for graduate scholarships. **Deadline: May**

American Speech-Language-Hearing Foundation (ASHF) - New Century Scholars Doctoral Scholarship

This program is designed to support strong doctoral candidates who will pursue a teacher-investigator career in an academic environment at the university/college level in the United States.

Deadline: May

American Water Works Association (AWWA) Florida Section - Operator Grants

The Florida Section American Water Works Association Operators/Maintenance Council will annually award up to:

License Upgrade Grant: Four reimbursement grants of up to \$500.00 per eligible student for upgrade of Drinking Water Treatment or Distribution System Operator License.

Industry College Grant: Two grants of \$1,000.00 per eligible student pursuing a college degree relating to the drinking water industry

Deadline: September

American Water Works Association (AWWA) Florida Section - Roy W. Linkins Scholarship

Scholarships up to \$5,000 will be awarded in both undergraduate and graduate categories annually.

Deadline: Varies

Animal Behavior Society (ABS) - Small Graduate Research Grant

The Animal Behavior Society manages several different types of grants and awards including Meeting Related Awards, Student Related Awards, Developing Nations Research Grants, Early Career Research Grants, Travel Awards, and Career Awards.

Deadlines: Vary

A Nurse I am Scholarship- Scholarships help fund students pursuing nursing. Students must be actively enrolled in an accredited undergraduate or graduate nurse education program within the 50 U.S. states, and attending classes related to their nursing major. **Deadline: April**

APERG Air Pollution and Research Grant

Research on air pollution, air quality, the atmosphere, or closely related field. PhD student or recipient. \$25,000 Grant, tuition waiver request. US Citizen, international student. **Deadline: June**

Archaeological Institute of America (AIA) - Dissertation Fellowships & Scholarships

The AIA's mission includes supporting and promoting archaeological research and its dissemination. **Deadlines: Vary**

Archaeological Institute of America (AIA) - Elizabeth Bartman Museum Internship

The internship fund is intended to help advanced undergraduates, graduate students, or those who have recently completed a master's degree, in Archaeology or a related field (e.g., Anthropology, Art History, Classics, History, etc.) meet expenses associated with undertaking a museum internship (minimum duration a summer or semester).

Deadline: April

Archaeological Institute of America (AIA) - Waldbaum Archaeological Field School Scholarship

The scholarship is intended to help students who are planning to participate in archaeological field work for the first time. Only first year graduate students are eligible. **Deadline: March**

Argonne National Laboratory (ANL) - Graduate Student Programs

Argonne National Laboratory offers opportunities for qualified graduate students who are engaged in work related to Argonne programs. Argonne is a science and engineering national research laboratory operated by the University of Chicago for the US Department of Energy. Argonne maintains a broad portfolio in basic science research, energy storage and renewable energy, environmental sustainability, supercomputing, and national security. **Deadlines: Vary**

Armenian Students Association of Americas Scholarships

In order to be eligible for an ASA Scholarship, you must meet the following criteria:
Must be of Armenian descent. Must be a U.S. citizen OR must possess appropriate Visa status in order to study in the U.S. **Deadline: March**

Armenian Relief Society (ARS) of Eastern USA - Lazarian Graduate Scholarship

The ARS provides graduate scholarships to students of Armenian descent. ARS evaluates applicants' merit, financial need and Armenian community involvement. Scholarships are for one year. An individual who receives an award may apply for a scholarship during the following year.
Deadline: April

Arnold L. Mitchem Dissertation Fellowship

Provides funding for doctoral students from underrepresented backgrounds who have achieved PhD candidacy. Eligible fields include anthropology, communication studies, computer science, history, international affairs, journalism, languages, literature and cultures, mathematical and statistical sciences, media studies, philosophy, social welfare and justice, theology, and religion.
Deadline: March

Asian Cultural Council Grant

The Council supports transformative cultural exchange by awarding grants to artists, scholars, and arts and humanities professionals for research, study, and creative work in the United States and within the countries of Asia. Grants for artists are process-oriented, not product-oriented, and are intended for exploration, not exhibition. Grants for individuals offer support for 1-12 months.
Deadline: January

Asian Development Bank (ADB) - Japan Scholarship Program

The ADB-Japan Scholarship Program (JSP) offers about 135 graduate scholarships a year for studies in economics, business and management, science and technology, and other development-related fields. **Deadline: Varies**

Association for Jewish Studies (AJS) - Dissertation Completion Fellowship

Fellowships support the timely completion of doctorates by graduate students in the field of Jewish Studies. **Deadlines: Vary**

Association for Institutional Research (AIR) Scholarships and Grants

AIR is pleased to provide scholarships and grants that facilitate the professional growth and development of institutional research professionals. **Deadlines: Vary**

Association of Field Ornithologists (AFO) - Bergstrom Memorial Research Award

The purpose of the award is to promote field studies of birds by helping to support a specific research or analysis project. Must have Canadian or US Citizenship and must be pursuing a

Master's degree. **Deadline: January**

Association of Moving Image Archivists (AMIA) - Scholarships

The Association of Moving Image Archivists offers financial assistance to graduate and professional students wishing to pursue careers in moving image archiving. **Deadline: May**

Aspen Music Festival & School (AMFS) - Scholarship & Fellowship

The Aspen Music Festival and School offers two forms of financial assistance to its students: scholarships and fellowships. Scholarship and Fellowships are provided to help offset the cost of attending the Aspen Music Festival & Summer School. All students who apply for financial assistance will be considered for scholarship. Fellowships are merit-based and are awarded based either on a live audition or a recorded application and cover full tuition, and room and board in School housing. **Deadline: Varies**

Atlantic Salmon Federation (ASF)/Federation du Saumon Atlantique Olin Fellowship

The Atlantic Salmon Federation is dedicated to advancing knowledge of wild Atlantic salmon and their environment. Each year, Olin Fellowships are awarded to individuals from North America (legal residents of the US or Canada) for the purposes of basic research, academic study, or to become involved in Atlantic salmon management programs. **Deadline: March**

Audobon Research Ranch - Student Research Fellowship Program

At Audubon Southwest, we seek science-based solutions to the biggest threats facing the region's birds, other wildlife, habitats, and communities. Without sound science to tell us what birds need, we cannot do our work. **Deadline: Varies**

Autism Science Foundation (ASF) - Student Research Awards

The Autism Science Foundation regularly awards grants and fellowships to autism researchers studying a variety of issues aimed at finding solutions for people with autism. **Deadline: Vary**

Autism Speaks Pre-doctoral Fellowship Program

Areas of interest: pre-clinical intervention, gene and RNA editing, immunology/inflammation, co-morbidities (especially seizures and GI issues), behaviors, adult transitions/lifespan, cognitive disabilities/non-or minimal verbal, inclusion in low-resource communities. PhD student \$25,000 annual stipend, \$10,000 for other expenses, 2 years **Deadline: December**

Baxter International - Young Investigator Graduate Award

Baxter's Young Investigator Awards seek to stimulate and reward research applicable to the development of therapies and medical products that save and sustain patients' lives.

Deadline: Varies

Beckman Center Dissertation Fellowship

History and social studies of chemistry, chemical engineering, and life sciences. PhD students with dissertation topic accepted by home university. \$27,500 stipend, 9-month residency in Philadelphia, conferences, presentation opportunities, University of Pennsylvania privileges, health insurance allowance, travel allowance. **Deadline: January**

Belgian American Education Fund, Inc.

The foundation offers fellowships for study or/and research in the United States. In addition to the amounts indicated, BAEF also pays for health insurance at the US institution. Fellows are Belgian citizens, who are expected to stay in the US for a full academic year at a US institution or for a full year to do research institution. **Deadline: October**

The Benjamin H. Stevens Graduate Fellowship

Multidisciplinary approaches to urban regional challenges including social sciences, engineering, computer, and data driven solutions. PhD students beginning dissertation research. \$30,000 stipend, 1 year, tuition waiver requested. US Citizen, international student. **Deadline: February**

Beta Phi Mu - Eugene Garfield Dissertation Writing Fellowship in Library & Information Science and Related Fields

Fellowship for dissertation writing in library and information science, information studies, informatics, or a related field. **Deadline: Varies**

Better Scientific Software - Fellowship Program

The main goal of the BSSw Fellowship program is to foster and promote practices, processes, and tools to improve developer productivity and software sustainability of scientific codes. We also anticipate accumulating a growing community of BSSw Fellowship alums who can serve as leaders, mentors, and consultants to increase the visibility of those involved in scientific software production and sustainability in the pursuit of scientific discovery. **Deadline: September**

Bibliographical Society of America (BSA) - Fellowships

BSA funds a number of fellowships to promote inquiry and research in books and other textual artifacts in both traditional and emerging formats. Bibliographical projects may range chronologically from the study of clay tablets and papyrus rolls to contemporary literary texts and born-digital materials. **Deadline: Varies**

BMI Foundation Scholarships for Young Composers, Performers, and Radio Broadcasting Degree Candidates

Scholarships support the creation, performance, and study of music. **Deadlines: Vary**

Boehringer Ingelheim Fonds - Dissertation Fellowship for Biomedical Research

The Boehringer Ingelheim Fonds (BIF) awards PhD fellowships of 2 to 3.5 years to outstanding

junior scientists worldwide who wish to pursue an ambitious PhD project in basic biomedical research in an internationally leading laboratory. This fellowship is specifically for pursuing a PhD project in Europe. **Deadlines: February, June, October**

Boston Athenaeum Research Library - Short-Term Research Fellowships

The Boston Athenæum offers short-term fellowships to support the use of Athenæum collections for research, publication, curriculum and program development, or other creative projects.

Deadline: April

Boston College - Center for Retirement Research - Dissertation Fellowships

The Center for Retirement Research at Boston College sponsors the annual Dissertation Fellowship Program in the field of retirement or disability research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement or disability issues. **Deadline: January**

Boston University/West African Research Association (WARA) Fellowships

WARA offers a variety of awards ranging from travel grants to residencies to pre- and post-doctoral fellowships for research in West Africa and the U.S. All disciplines are welcomed to apply, but requirements vary by award. **Deadlines: Vary**

Breakthrough Institute - Breakthrough Research Fellowships

Breakthrough Fellowships support today's most promising and innovative environmental thinkers. From recent college graduates to established thought leaders, our fellows form an integral part of the Breakthrough network and contribute to our groundbreaking scholarship. **Deadline: Continuous**

Briscoe Center for American History - Research Travel Awards

The Briscoe Center for American History's Research Travel Awards assist masters, doctoral, and post-doctoral students with costs associated with travel to Austin, Texas. The Briscoe Center Travel Award Review Committee will assign successful applicants to one of the named awards described on the website. **Deadline: April**

Carter Manny Award

Architecture PhD student must be nominated by department. \$20,000 stipend to complete research or write dissertation, requires tuition waiver. **Deadline: November**

Charles G. Koch Internship program

The Charles G. Koch Internship program offers internships in public policy located in Washington, DC, and at state-based policy organizations across the country featuring a \$5,000 stipend. Applicants must be eligible to work in the U.S. **Deadline: Varies**

Charlotte W. Newcombe Doctoral Dissertation Fellowship

Designed to encourage original and significant study of ethical or religious values in all fields of the humanities and social sciences, and particularly to help Ph.D. candidates in these fields complete their dissertation work in a timely manner. In addition to topics in religious studies or in ethics (philosophical or religious), dissertations appropriate to the Newcombe Fellowship competition might explore the ethical implications of foreign policy, the values influencing political decisions, the moral codes of other cultures, and religious or ethical issues reflected in history or literature. **Deadline: November**

California State University - Chancellor's Doctoral Incentive Program (CDIP)

The goal of the California State University Chancellor's Doctoral Incentive Program (CDIP) is to increase the number of faculty with the qualifications, motivation, and skills needed to teach the diverse students of the CSU. CDIP prepares promising doctoral students for CSU faculty positions by providing financial support, mentorship by CSU faculty and professional development and grant resources. It is the largest program of its kind in the U.S. **Deadline: Varies**

Camargo Foundation - Residential Fellowships in France

The Camargo Foundation, located in Cassis, France, offers residential fellowships to researchers, scholars, choreographers, writers, playwrights, composers, and visual artists. The Foundation's campus includes twelve furnished apartments, a reference library, a music/conference room, an artist's studio with darkroom, a composer's studio and a studio for either an artist or a composer. Fellowships for fall are for two months; fellowships for winter/spring are for six, eight, or eleven weeks. **Deadline: Varies**

Cambridge Michigan Language Assessments (CaMLA) - Spaan Research Grants

Grants support the cost of data collection and analyses for research projects related to second or foreign language assessment and evaluation. **Deadline: June**

Canadian Federation of University Women (CFUW) - Fellowships for Canadian Women

CFUW is committed to improving the status of women, promoting quality education and advancing the status of women, human rights, justice and peace. The Federation awards numerous fellowships to Canadian women for study in Canada, the US and elsewhere. **Deadlines: Vary**

Canadian Institute of Ukrainian Studies (CIUS) - University of Alberta - Graduate Fellowships

A primary aim of the Canadian Institute of Ukrainian Studies is to foster, develop, and support Ukrainian studies in Canada and internationally. This is done in part by offering or administering post-doctoral fellowships, graduate fellowships (to master's and doctoral students), and scholarships to undergraduate students. **Deadlines: Vary**

Capitol Fellowship

Humanities, Arts & Architecture, American history, museum studies, decorative arts. Graduate student working on a thesis or dissertation. \$30,000 stipend; one year. US Citizen, international student. **Deadline: March**

Carter G. Woodson Predoctoral Fellowships

two year residential fellowships for doctoral students in African or African Diaspora Studies. Dissertation research should be substantially completed. **Deadline: December**

Cartography and Geographic Information Society (CaGIS) - Graduate Scholarships

CaGIS scholarships support research in cartography and geographic information science. **Deadline: February**

Cave Research Foundation (CRF) - Philip M. Smith Graduate Research Grant

Grants support graduate student research in cave and karst studies leading to either a master's or doctoral degree. Proposals may be in any field of the earth, natural or social sciences as long as the research addresses topics relate to caves or karst. Additional funding may be available for projects that show a creative merging of two or more scientific disciplines. The grant offers support for one year. **Deadline: March**

Center for Craft Creativity & Design Fellowships

Grant programs build a future for craft by providing vital resources to catalyze craft communities and amplify craft's impact in the United States. We believe craft matters. **Deadlines: Vary**

Center for Creative Photography - Fellowships

Fellowships support research at the Center, located at the University of Arizona, Tuscon, that will add new knowledge about photography and the history of photography. The fellowship offers support for one year. **Deadline: March**

Center for Engaged Scholarship (CES) - Dissertation Completion Fellowship

Fellowships are for doctoral students in the social sciences whose work will contribute to making U.S. society less unequal, more democratic, and more environmentally sustainable. The fellowship is for one year. Majors: Eligibility: PhD students ready to write and defend dissertation during award year. \$25,000 Stipend. **Deadline: December**

Center for Jewish History (CJH) - Graduate Research Fellowship

Fellowships support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO Institute for Jewish Research. **Deadline: Varies**

Center for Khmer Studies (CKS) -Programs and Fellowships

Fellowships support U.S., Cambodian, and/or French scholars (or EU citizens holding a French degree) in the social sciences and humanities conducting research in Cambodia and Southeast Asia. **Deadline: Varies**

Center for LGBTQ Studies (CLAGS) - Scholar in Residence Fellowship

CLAGS offers three significant fellowship and award opportunities for exceptional student advocates and researchers in the area of LGBTQ studies. **Deadlines: June and December**

Charles Babbage Institute - Tomash Fellowship in the History of Information Technology

Each year the Adelle and Erwin Tomash Graduate Fellowship is awarded to and provides a \$14,000 stipend to a standout graduate student for doctoral dissertation research in the History of Computing, Information, and Culture. **Deadline: Varies**

Chi Epsilon (Civil Engineering Honor Society) - Graduate Fellowship

The fellowship supports a graduate student member of Chi Epsilon pursuing a career in civil engineering or a directly associated engineering option. The fellowship offers support for one year. **Deadline: Varies**

Chiang Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for non-ROC Citizens

Fellowships support the writing of dissertations on Chinese Studies. The Chiang Ching-kuo Foundation is a nonprofit organization headquartered in Taipei, the capital of the Republic of China. The Foundation promotes international scholarly exchange and the understanding of Chinese culture and society overseas. Successful candidates are expected to complete their dissertations by the end of the grant period. **Deadline: October**

Chiang Ching-kuo Foundation for International Scholarly Exchange - Doctoral Fellowship for ROC Students Abroad

Fellowships support dissertation write-up in research on Chinese Studies. Chinese studies in the humanities and social sciences. Must be a Republic of China citizen to apply. Academic Profile: PhD all but dissertation, provides \$20,000 stipend. **Deadline: October**

Children's Literature Association - Hannah Beiter Graduate Student Research Grants

Grants for research in children's literature criticism related to the dissertation or master's thesis. The award may be used to purchase supplies and materials (e.g., books, videos, equipment), as research support (photocopying, etc.) or to underwrite travel to special collections or libraries. Funds may not be applied to tuition. **Deadline: February**

Chung-Hwa Institute of Buddhist Studies - Graduate Fellowship for Research on Pre-Modern Chinese Buddhism

Fellowships support master's and doctoral student research on pre-modern Chinese Buddhism across a range of disciplines. There is no requirement for residency at the Institute, located in Taipei, Taiwan. Fellowships are for one year. **Deadlines: March**

City of Chicago - Mayor's Office Summer Fellowship Program

The Mayor's Office Fellowship Program is the premier opportunity for bright, motivated, and civic-minded graduate students from all disciplines to apply their coursework to the greatest municipal laboratory in the world: the City of Chicago. Fellows serve the people of Chicago by supporting policy, legislative, data, communications, and public engagement initiatives within city government. International students must hold an F1 Visa. **Deadline: December**

Cold Spring Harbor Laboratory (CSHL) - Sydney Brenner Research Scholarship in the History of Molecular Biology, Genetics, and Biotechnology

Scholarships support scholars, historians and writers who study the history of cancer, women in science, molecular biology, genetics, neuroscience, plant biology, the intersection of biology and physics, and other topics relating to the molecular biology revolution. The scholarship is intended to fund travel and other expenses associated with working on the project, including use of the Cold Spring Harbor Laboratory Archives **collections** and sources at other locations. The scholarship is for one year. **Deadline: Varies**

Wood Institute for the History of Medicine - Travel Grants

The F.C. Wood Institute for the History of Medicine at the College of Physicians of Philadelphia offers grants to cover travel and lodging expenses for researchers who wish to use the College's collection of texts, manuscripts, archives, images, artifacts, and specimens in the history of medicine for short-term research (1 to 2 weeks). **Deadlines: Vary**

Conference on Jewish Material Claims Against Germany - Kagan Dissertation Fellowship for Advanced Shoah Studies

Kagan fellowships support PhD candidates pursuing advanced study of Jews who were systematically targeted for destruction or persecution by the Nazis and their allies between 1933 and 1945 (and immediate post-war). Supported research can include: the immediate historical context in which the Holocaust took place; political, economic, legal, religious or socio-cultural aspects; ethical and moral implications; or other related, relevant topics. **Deadline: December**

Conference on Latin American History (CLAH) - Doctoral Travel Grant for Exploratory Research

The purpose of the award is to permit a short, exploratory research trip abroad (normally four to twelve weeks) to determine the feasibility of a PhD dissertation topic dealing with some facet of Latin American history. **Deadline: April**

Conference on Latin American History (CLAH) - Fellowship for Research on Pre-1868 Cuban History

Fellowships support the study of Cuba between 1492 and 1868 including original research on Cuban history in Spanish, Mexican, and U. S. archives. The fellowship offers support for one year. **Deadline: June**

Consortium for History of Science, Technology and Medicine Fellowships

Fellowships support scholars in the history of science, technology or medicine who would like to use collections at two or more Consortium member institutions. Fellows use offices in the Consortium's facility in Center City Philadelphia. Fellows are expected to spend the academic year at the Consortium facilities in Philadelphia, participate in our events and conduct research at two or more Consortium member institutions. **Deadline: December**

Coordinating Council for Women in History (CCWH) Awards

CCWH offers various awards for graduate students, including a \$1,000 dissertation award and a \$1,000 award for research related to race and gender. **Deadline: June**

Cornell University - Clarence S. Stein Institute for Urban & Landscape Studies - Research Fellowship

Supports research, scholarship, and study on topics related to the legacy and ideas of Clarence Stein around the built environment as expressed in his book, *Toward New Towns for America* (Reinhold, 1957), broadly interpreted. This includes, but is not limited to, the fields of urbanism, historic preservation, landscape architecture, land use, urban design, regional planning, and residential development, domestically and internationally. **Deadline: March**

Costume Society of America (CSA) - Stella Blum Student Research Travel Grant

The Stella Blum Student Research Grant is intended to assist the research of a current undergraduate or graduate student who is a member of the Costume Society of America and conducting original research in the field of North American costume. **Deadline: Varies**

Council for Advancement & Support of Education (CASE) - Awards

Each year, CASE recognizes best practices in advancement and outstanding people who contribute to the growth and understanding of the advancement profession. **Deadlines: Vary**

Council of American Overseas Research Centers Research Fellowship

Humanities, social sciences, allied natural sciences. Must be a candidacy or a PhD recipient. \$5,000 per month, 4-6 months in Algeria, Armenia, Azerbaijan, Cambodia, Cyprus, Georgia, Indonesia, Mexico, Mongolia, Morocco, Myanmar, Nepal, Senegal, Sri Lanka or Tunisia. Applicants must be US Citizens, permanent residents, and international citizens who have been in the U.S. for 3 years. **Deadline: December**

Crew Network Foundation - Scholarship for Women in Commercial Real Estate

The Crew Network Foundation Scholarships are designed to encourage women to pursue an education which will lead to a career in the commercial real estate industry. **Deadline: April**

Croucher Foundation - Doctoral Scholarship for Students from Hong Kong in Science, Technology, and Medicine

Scholarships support permanent residents of Hong Kong to pursue doctoral studies in natural sciences, technology, and medicine abroad. Recipients devote themselves to a period of full-time study or research in natural sciences, medicine, or technology in approved academic institutions outside Hong Kong. **Deadline: Varies**

Crystal Bridges Museum of American Art - Tyson Scholars Program

Fellowships support full-time residential scholarship in the history of American art, visual and material culture from the colonial period to the present. Tyson Scholars have access to the art and library collections of Crystal Bridges in Bentonville, Arkansas, as well as the library at the University of Arkansas in nearby Fayetteville. **Deadline: December**

DAAD (German Academic Exchange Service) - German Studies Research Grant

DAAD offers German Studies Research Grants to highly qualified graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany. The program is designed to encourage research and promote the study of cultural, political, historical, economic and social aspects of modern and contemporary German affairs from an inter- and multidisciplinary perspective. **Deadlines: May and November**

DAAD (German Academic Exchange Service) - Research Grants

Must demonstrate sufficient English fluency to participate in interviews and Echoing Green events. The fellowship includes the Global Fellowship, the Black Male Achievement Fellowship, and the Climate Fellowship. **Deadline: October**

Egg Nutrition Center and American Egg Board (ENC-AEB) - Young Investigator Research Award for Early Exploration

The fellowship supports students and post-doctoral fellows in producing preliminary research results that will support future studies or enhance the scope of current research projects beyond funding limits. Examples of the types of projects include proof-of-concept studies, pre-clinical data, secondary data analysis from clinical trials, and development of research methodology. The fellowship is for one year. **Deadline: Varies**

Eiffel Scholarships in France for International Students

Supports graduate students in engineering, economics and management, sciences (chemistry, biology, mathematics, physics, life sciences, earth, environmental, space, nano and biotechnologies, information sciences and technologies and communication) to spend 1-3 years at a French institution. **Deadline: November/December**

Embassy of France - Chateaubriand Fellowships for Humanities & Social Science Research in France

The Embassy of France offers Chateaubriand Fellowships, which support PhD students from American universities who seek to engage in research in France in any discipline of the humanities or social sciences. Projects may last 4-8 months. **Deadline: January**

Embassy of France - Chateaubriand Fellowships for Science, Technology, Engineering, Mathematics & Health Research in France

Fellowships support doctoral students enrolled at US universities wishing to conduct their research in a French laboratory as part of a co-supervised research project. The fellowship aims to initiate or reinforce research collaborations, partnerships, or joint projects. The fellowship offers support for 4-9 months. **Deadlines: January**

EMDR Foundation - Sandra Wilson Memorial Doctoral Dissertation Grant for Mental Health Research

Grants support dissertation expenses related to research to study the effectiveness of Eye Movement Desensitization and Reprocessing (EMDR) in one of the following priority areas: advancing evidence based practice, addressing the global burden of trauma, and building clinical evidence. These priorities apply to research across the lifespan. The grant offers support for one year. **Deadlines: February and July**

Elizabeth Greenshields Foundation Grant for Artists

Awards five grants in the amount of \$17,000 (CAD) and subsequent grants of \$20,000 each. Applicants must be between 18 and 41 years of age at the time of submitting the application. Not for those pursuing abstract or nonrepresentational art. **Deadline: continuous**

Environmental Research & Education Foundation (EREF) - Scholarships in Waste Management Research & Education

Scholarships support master’s and doctoral students in waste management research and education. The scholarships offer support for one year, renewable up to two years (master’s) or three years (doctoral). **Deadline: March**

Episcopal Church Foundation (ECF) - Fellowship Partners Program

Fellowship support to emerging scholars in an area where the Episcopal Church needs to develop expertise. The fellowship offers support for one year, renewable for up to three years total. **Deadline: June**

Eudora Welty Foundation - Summer Graduate Research Fellowship

The Foundation offers support for graduate students wishing to use the Welty Collection and other materials at the Mississippi Department of Archives and History in Jackson, Mississippi. Recipients are expected to spend at least two weeks in Jackson between May and September. **Deadlines: March**

European Society for Clinical Nutrition and Metabolism (ESPEN) - Doctoral and Postdoctoral Fellowship

Fellowships support doctoral and postdoctoral experimental and clinical research in the field of clinical nutrition and metabolism. The fellowship offers support for one year. **Deadline: April**

European Union Studies Association (EUSA) - Haas Fund Fellowship

The Haas Fund Fellowship recognizes a graduate student for his or her dissertation research in the field of European Union Studies. The fellowship will be awarded at the EUSA Biennial International Conference. **Deadline: November**

Experiment.com - Crowdfunding for Scientific Research

Experiment is an online platform for discovering, funding, and sharing science. Backers fund directly to the scientists, so there is no middleman or overhead involved. It is an all-or-nothing funding platform. This means the project must reach the funding target, or no one's pledges are charged. All projects are rigorously reviewed, provided feedback, and scientifically approved by the Experiment team. **Deadline: Varies**

Explorers Club - Exploration Fund - Grants for Exploration and Field Research

The Exploration Fund Grant is for graduate, post-graduate, doctorate and early career post-doctoral students. Generally, The Explorers Club considers research proposals in a wide array of disciplines, including: Climate Change, Geoscience, Paleoclimate (i.e. Early Earth, Tectonics, Volcanism, Paleontology, Glaciology, Geophysics, Astronomy); Marine Science, Marine Biology, Marine Life, Fish, Coral, Ocean, Fresh Water, Rivers, Lakes, Estuaries; Anthropology/Archeology; Plants and Molds; Animals; Conservation Science. **Deadlines: Vary**

Meta Predoctoral Fellowship for Underrepresented Students

Fellowships support first or second year PhD students who are members of a minority group that is underrepresented in the technology sector. The fellowship offers support for two years. **Deadline: September**

Fahs-Beck Fund for Research and Experimentation - Dissertation Grants for Research in the Human Services

Grants support dissertation research that has the potential for adding significantly to knowledge about problems in the functioning or well being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems. The research must focus on the United States and/or Canada or on a comparison between the United States and/or Canada and one or more other countries. **Deadlines: Vary**

Finlandia Foundation National Trust Scholarship

The Foundation invites high-quality projects on a competitive basis that relate to past, present or future of Finnish and Finnish-American culture and are characterized by MANY of the following: receives favorable attention and has a high profile and visibility; appeals to all Americans, not only ethnic Finns; involves worthy activity for children and young adults to assure an interest in Finnish and Finnish-American culture by future generations; can be replicated or become a permanent addition to the cultural life of a community; has a detailed budget, income and expenses; and adds to the body of research about Finnish and Finnish-American culture. **Deadline: January**

Finlandia Foundation National (FNN) - Scholarships for Graduate Study

FNN awards scholarships to full-time graduate and law students of all academic disciplines who are currently enrolled in accredited post-secondary schools in the United States and Finland. Applicants must have U.S. or Finnish citizenship. **Deadline: February**

Florida's Linkage Waiver - The State of Florida Legislature established 11 International Linkage Institutes to develop stronger economic, cultural, educational and social ties between Florida and countries considered strategically important to the state (Florida state statute 288.8175). The Linkage Institutes' Out-of-State Tuition Exemption program provides international students from eligible countries with the opportunity to apply for a waiver of the out-of-state portion of tuition. Selection is competitive and students must apply to the appropriate Linkage Institute directly. Applicants must be admitted to one of Florida's public universities or community colleges. Applicants must have a 3.0 GPA and must commit to returning home within 3 years of completing their degree for a length of time equal to the tuition exemption period.. **Deadline: Varies**

Fermi National Accelerator Laboratory - Universities Research Association, Inc. (URA) - Visiting Scholars Program

The program support visits by researchers from **URA member institutions** to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the Lab. Support provided by the program may include the following: travel and local lodging expenses during a series of short visits OR salary support and round trip travel expenses for an extended visit. Awards are for up to one year. **Deadline: August**

Forest History Society - Walter S. Rosenberry Graduate Fellowship

Fellowships offer one year of support to the doctoral research of a graduate student attending a university in North America whose research contributes to forest and conservation history. **Deadline: March**

Foundation for Community Association Research - Byron Hanke Graduate Fellowship

Fellowships support graduate students working on research projects related to the development, management and governance of common interest communities and their community associations. See website for supported areas and topics of study. The fellowship offers support for one year. **Deadline: May**

Foundation for Food and Agriculture Research (FFAR) - Fellows Program

The FFAR Fellows Program offers leadership and professional development training to PhD students studying food and agriculture-related sciences in the U.S. and Canada. North Carolina State University leads the initiative, which provides Fellows with training, networking opportunities, and peer support. **Deadline: February**

Women in Medicine Legacy Foundation - Countway Library Research Fellowships

To support focused research on the history of women in medicine, the Foundation provides annually one \$5,000 grant to cover travel, lodging, and incidental expenses for a flexible research period between July 1 and June 30. **Deadlines: Vary**

Foundation for Women's Wellness (FWW) - Doctoral and/or Medical Student Fellowship

Fellowships support basic, clinical or epidemiological lines of inquiry into leading women's health concerns. Priority areas are cardiovascular disease, leading female cancers, hormones' role in disease and stage-of-life health concerns, diseases or health concerns that disproportionately afflict women, and exploration of gender differences related to the aforementioned topics. The fellowship is for one year. **Deadline: April**

Frank Huntington Beebe Fund for Musicians - Study Abroad Fellowship

The Fund provide fellowships for gifted young musicians, generally performers and composers in classical disciplines, who wish to pursue advanced music study and performance abroad, usually in Europe. The tenure of the fellowship is one year.

Deadline: Varies

Franklin D. Roosevelt Library and Museum - Small Research Grants

The Roosevelt Institute supports a program of small grants in support of research on the "Roosevelt Years" or clearly related subjects. Funds are awarded for the sole purpose of helping to defray living, travel, and related expenses incurred while conducting research at the Roosevelt Library. The grants program is particularly designed to encourage younger scholars to expand our knowledge and understanding of the Roosevelt period. **Deadline: Vary**

It is open to scholars in all social science and humanities disciplines, including historians working on German and European history since the mid-18th century. Under the umbrella of our program, we offer five different fellowships to scholars from North America, Africa and China. **Deadlines: Vary**

Friends of the American Philosophical Society Predoctoral Fellowship in Early American History (to 1840) John C. Slater Predoctoral Fellowship in the History of Science, Technology & Medicine

This yearlong fellowship is offered to advanced Ph.D. students working on topics related to the history of science, technology, and medicine. This fellowship is open to those who are not U.S. citizens or residents, but it does not provide visa sponsorship. **Deadline: January**

Friends of the Princeton University Library - Research Grants

Short-term grants to promote scholarly use of **Library research collections**. Fellows must reside in Princeton during the tenure of the grant. The length of the grant will depend on the applicant's research proposal, but is ordinarily up to one month.

Deadlines: Vary

Fulbright Foreign Student Program - The Fulbright Foreign Student Program operates in more than 160 countries worldwide. The program enables graduate students, young professionals and artists from abroad to study and conduct research in the United States. Eligibility and selection procedures vary widely by country. **Deadlines: Application deadlines vary by country**

Fund for Theological Education (FTE) - Fellowships for Doctoral Students of African Descent

The FTE offers financial support for doctoral students who have completed the course work stage of their PhD or ThD program in religion, theological studies or biblical studies. Applicants must be a U.S. citizen, Canadian citizen or permanent resident of either country. **Deadlines: February**

Fund for Theological Education (FTE) - Fellowships for Latino/as, Asians and First Nations Doctoral Students

The FTE offers financial support for doctoral students who have completed the course work stage of their Ph.D. or Th.D. program in religion, theological studies or biblical studies. Applicants must be a U.S. citizen, Canadian citizen or permanent resident of either country. **Deadlines: Vary**

Future Investigators in NASA Earth and Space Technology (FINESST)

Supports PhD Students in astrophysics, earth science, heliophysics, and planetary science research. Provides a \$45,000 annual stipend for up to 3 years. **Deadline: February**

Gaius Charles Bolin Dissertation Fellowship

Support fields include biology, chemistry, computer science, dance, economics, German/Russian, history, Jewish studies, Latina studies, mathematics, statistics, philosophy, religion, theater, women's gender and sexuality studies. Eligibility: PhD student with completed coursework by end of application year, must be from minority, underrepresented (including women), disabled, or first-generation college graduate. \$57,000 stipend and \$4,000 research budget. Eligible applicants include all U.S. citizens, U.S. nationals, and U.S. permanent residents (holders of a Permanent Resident Card) **Deadline: November**

GE Internship and Co-op Opportunities

Supports graduate students in fields related to renewable energy, finance, engineering, computer science, computer engineering, technology. **Deadlines: vary**

GeneTex Scholarship Program - The GeneTex Scholarship Program awards a \$2000 (USD) scholarship to students pursuing a STEM undergraduate or graduate degree. Scholarships are awarded to one student twice a year. **Deadlines: December**

Geological Society of America (GSA) - Graduate Research Grant

GSA research grants provide partial support of master's and doctoral thesis research in the geological sciences for graduate students enrolled in universities in the United States, Canada, Mexico and Central America. **Deadline: February**

George Bush Presidential Library and Museum - Research Grants

The Bush Library Foundation has instituted two research grant programs to assist scholars conducting research at the George Bush Presidential Library, located on the campus of Texas A&M University in College Station, Texas. Research must include, but not be limited to, holdings of the George Bush Presidential Library. **Deadline: December**

George Mason University - Institute for Humane Studies (IHS) - PhD Scholarship

Scholarships support students dedicated to developing, teaching, and applying the principles of a free society, and whose work advances the principles of individual liberty and economic freedom. **Deadline: Varies**

Georges Lurcy Fellowships - Each year, the Georges Lurcy Charitable and Educational Trust awards scholarships and research scholarships to French students who specialize in the United States. These scholarships allow students to spend a year at an American university to continue their studies and research, and to experience life on an American campus. Preference is given to students working on a subject concerning the United States, particularly in history, political science, arts and letters, law, or any other field related to American culture or the place of the United States in the community of nations.. **Deadline: Varies(See website)**

Gerald R. Ford Presidential Library and Museum - Research Travel Award

This award supports travel and living expenses to conduct research at the Gerald R. Ford Library. Its holdings focus on Federal policies, US foreign relations and national politics in the 1960s and 1970s. The award only covers travel within North America. **Deadlines: March and September**

Gerald R. Ford Presidential Library and Museum - Robert M. Teeter Dissertation Award

Fellowships support dissertation research and writing in any field related to any aspect of the United States political process and public policy during the last half of the 20th century. Of special interest is the role and analysis of public opinion in that process. Applications are encouraged in a wide range of fields. The Award recipient will be required to conduct at least a portion of his or her research at the Gerald R. Ford Library, and, if appropriate, will be encouraged to make full use of the Robert M. Teeter Papers. The fellowship offers support for one year. **Deadline: March**

Gerber Foundation - Novice Research Award

Grants support mentored research to improve the nutrition, care and development of infants and young children from the first year before birth to three years of age. Projects should address **focus areas** on issues faced by care providers that, when implemented, will improve the health, nutrition and/or developmental outcomes for infants and young children. **Deadlines: May and November**

Gerda Henkel Foundation - PhD Scholarships

The Gerda Henkel Foundation offers two-year scholarships for PhD students in the historical humanities, in particular to support research projects in the following fields: Archaeology; Art History; Historical Islamic Studies; History; History of Law; History of Science; Prehistory and Early History. **Deadlines: Vary**

German Chancellor Fellowship

Politics, business, media, administration, society, or culture. Propose an independently developed project with the host of your choice in Germany; project of societal significance in any industry, to build bridges between Germany and your home country in the future. Requires undergraduate degree completed less than 12 years prior to start of fellowship. Applicants must hold Brazilian, Chinese, Indian, South African or American citizenship. **Deadline: October**

German Historical Institute (GHI) - Doctoral Fellowships

Fellowships support European and North American doctoral students pursuing research projects that draw upon primary sources located in the United States. The Institute is particularly interested in research projects that fit into the following fields: German and European history, the history of German-American relations, and the role of Germany and the USA in international relations. These fellowships are also available to European doctoral students and postdoctoral scholars in the field of American history. **Deadlines: April and October**

Getty Pre-doctoral Fellowship

Getty Pre-doctoral Fellowships are intended for emerging researchers to complete work on projects related to the Scholars Program's annual theme or African American Art History Initiative (AAAHI). While in residence, fellows may pursue research projects, complete dissertations, or expand dissertations for publication. **Deadline: October**

Getty Research Institute - Library Research Grant

Grants provide partial, short-term support travel required to use specific collections housed in the Getty Research Institute. The Research Library focuses on the history of art, architecture, and archaeology with relevant materials in the humanities and social sciences. The Photo Archive's two million photographs of works of art and architecture provide opportunities for original pictorial research in the fine arts, including the history of photography. The research period may range from several days to a maximum of three months. **Deadline: Varies**

Gilder Lehrman Institute of American History - Short-Term Fellowship

Fellowships support research in the field of American history at archives in New York City.

Deadline: October

Global Sustainable Electricity Partnership - Education for Sustainable Energy Development (ESED) Scholarship for Masters Students

The ESED scholarship supports outstanding students pursuing advanced studies in sustainable energy development in order to encourage meaningful contributions to the collective body of knowledge about this subject. The scholarship is granted for up to two years. **Deadline: Varies**

Google - Generation Google Scholarships

Scholarships support aspiring computer scientists to become future leaders in computing and technology. The scholarship offer support for one year. **Deadlines: Vary**

Google PhD Fellowship

Computer science and related fields. PhD dissertation research must be nominated by department chair. Stipend, tuition, fees, health insurance, books, mentor for 3 years. US Citizen, international students. **Deadline: May**

Government Finance Officers Association (GFOA) - Scholarships

The GFOA awards scholarships to undergraduate and graduate students preparing for careers in state and local government. Applicants must be citizens or permanent residents of the U.S. or Canada. **Deadlines: Vary**

Argonne National Lab Graduate Research Program

For MS or PhD students in fields related to accelerator science and engineering, mathematics and statistics, aquatic science, astronomy and astrophysics, biology, biotechnology, chemical engineering, chemistry, structural engineering, computational sciences, computer science and engineering, earthquake engineering, electrical engineering, energy technology and storage, environmental and earth science, environmental engineering, global security, instrumentation, manufacturing engineering, materials science and engineering, mechanical engineering, biomedical engineering, diseases, pharmacology, nanoscience and nanotechnology, nuclear engineering, physics, systems engineering, transportation, x-ray science and technology. **Deadline: varies**

Graham Foundation - Carter Manny Dissertation Research and Writing Fellowships

Fellowships support dissertation research and writing by promising scholars in architecture, art history, the fine arts, humanities, and the social sciences whose projects have architecture as their primary focus. The fellowships offer support for one year. **Deadline: November**

Grass Foundation - Summer Fellowships in Neuroscience

For doctoral students conducting research in neurophysiology, biophysics, integrative neurobiology, neuroethology, neuroanatomy, neuropharmacology, systems neuroscience, cellular and developmental neurobiology, and computational approaches to neural systems. **Deadline: December**

Great Minds in STEM Scholarship Programs

The Program offers one-year scholarships to undergraduate and graduate students of Hispanic origin who are in STEM-related fields. **Deadline: Varies**

Guttmacher Institute - Cory L. Richards Master's Scholarship in Public Policy on Reproductive Health and Rights

The scholarship supports master's students in the disciplines of public health or public policy who are pursuing careers advancing public policy related to sexual and reproductive health and rights. **Deadline: May**

Herbert Scoville Jr. Peace Fellowships

For college graduates to serve 6 – 9 months with a participating organization of their choice in Washington, D.C., while receiving a stipend. Prospective Fellows are expected to demonstrate excellent academic accomplishments and a strong interest in issues of peace and security.

Deadlines: October and January

Hagley Museum & Library - Henry Belin du Pont Dissertation Fellowships

Residential fellowships are for Ph.D. candidates for the use of Hagley's research collections. Hagley preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present. **Deadlines: November**

Hagley Museum & Library - Short-Term Research Grants

Research grants enable scholars to pursue advanced research in the library, archival, pictorial, and artifact collections of the Hagley Museum and Library. The Museum & Library preserves and interprets the unfolding history of American enterprise to support research into the interaction between business and the cultural, social, and political dimensions of our society from the late 18th century to the present. **Deadlines: March, June, October**

Harold Gulliksen Psychometric Research Fellowship

Supports PhD research in cognitive psychology, educational psychology, industrial-organizational psychology, assessment design, validity and fairness, psychometric modeling, machine learning, causal inference, computational statistics, hierarchical modeling, natural language processing and computational linguistics, speech recognition and processing. **Deadline: January**

Harry Frank Guggenheim - Emerging Scholar Awards

The Guggenheim Foundation sponsors scholarly research on problems of violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects. Natural and social sciences or allied disciplines that promise to increase understanding of the causes, manifestations, and control of violence and aggression. To fund final year of PhD program. **Deadline: February**

Harry S. Truman Presidential Library and Museum - Research Travel Grant

Grants support travel to the Harry S. Truman Library for use its collections. For the spring competition, one grant will be awarded to a researcher who wishes to visit multiple research facilities—including the Truman Library—for their topic. Preference for projects that have application to enduring public policy and foreign policy issues. **Deadlines: April and October**

Harvard College Houghton Library - Visiting Fellowship

The Visiting Fellowship program offers scholars at all stages of their careers funding to pursue projects that require in-depth research on the library's holdings, as well as opportunities to draw on staff expertise and participate in intellectual life at Harvard. **Deadline: January**

Harvard College Houghton Library - Short-term Research Fellowships

Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa. **Deadlines: Vary**

Harvard Kennedy School Fellowships

The Belfer Center for Science and International Affairs offers academic and professional track fellowships during the academic year to individuals who wish to devote time to research, writing, and classroom participation. **Deadline: October**

Harvard University - Arnold Arboretum - Research Grants

The Arnold Arboretum of Harvard University promotes research consistent with its mission to discover and disseminate knowledge of the plant kingdom. Applicants are encouraged to define and develop paths of inquiry using the Arboretum's resources, including its world-renowned living collection, herbarium, plant records, library and archives, greenhouse and laboratories, and the expertise of its staff. **Deadline: January**

Harvard University Museum of Comparative Zoology (MCZ) - Mayer Travel Grant

Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa. **Deadlines: April and October**

Harvard University - Harvard Academy for International and Area Studies - Academy Scholars Program - Dissertation & Postdoctoral Fellowships

Fellowships support doctoral and postdoctoral scholars whose work combines research in the

social sciences (including history and law) with the study of the language, history, or culture of non-Western countries or regions (see website for eligible fields). Projects should explore domestic, comparative, or transnational issues, past or present. The fellowship offers support for two years. **Deadline: September**

Harvard University - Society of Fellows Program

Fellowships support dissertation completion and postdoctoral research in any department of the University. Fellows undertake sustained projects of research or other original work, or may devote their time to the acquisition of accessory disciplines, so as to prepare themselves for the investigation of problems lying between conventional fields. **Deadline: August**

Hebrew Union College - Jacob Rader Marcus Center of the American Jewish Archives - Fellowships

The Marcus Center's Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program, scholars come to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion. The program provides fellows with an opportunity not only to pursue their own research, but also to interact and exchange ideas with research peers as well as with the faculty and students of HUC-JIR. **Deadline: February**

Helen Way Whitney Foundation Fellowship - The Foundation grants financial support to help further the careers of students engaged in biological or medical research. Students who are in the final stages of obtaining a Ph.D., M.D., or equivalent degree and are seeking beginning postdoctoral training in basic biomedical research are eligible to apply for a fellowship. Students who have completed their degrees and have no more than one year of postdoctoral research experience at the time of submission are also eligible. Fellowships are awarded to foreign citizens for research in laboratories throughout the United States of America. **Deadline: June**

Herb Society of America (HSA) - Research Grant

Grants support research of the horticultural, scientific, and/or social use of herbs throughout history. Research must define herb as historically useful for flavoring, medicine, ornament, economic, industrial, or cosmetic purposes. **Deadline: January**

Herbert Hoover Presidential Library and Museum - Travel Grant

Grants support travel to the Herbert Hoover Presidential Library in West Branch, Iowa. **Deadline: March**

Herzog August Bibliothek (HAB) - PhD Fellowships

The fellowship supports doctoral research in the areas of medieval and early modern cultural history centered on the historic book and manuscript holdings of the HAB in Wolfenbüttel, Germany. The fellowship is open to researchers from all historically oriented disciplines. Fellows are required to be in residence in Wolfenbüttel for the duration of their fellowship. The fellowship period is 2-10 months. **Deadlines: April and October**

Hobart and William Smith Colleges - Pre-Doctoral Fellowships

An opportunity to gain experience teaching in a private liberal arts college while completing thesis work. The fellowship carries a stipend in exchange for teaching one course per semester related to your research and the year's theme, attending Fisher Center lectures and meetings, making a public presentation and assisting with administration of Fisher Center programming. **Deadline: Varies**

Foundation for Philosophical Orientation Dissertation Fellowship

The Doctoral Dissertation Fellowships are designed to encourage and support original and significant studies exploring the complexities of human orientation. The Foundation for Philosophical Orientation (FPO) primarily supports innovative dissertations in the wider field of philosophical scholarship, but also outstanding projects in any academic field (in the humanities, the social sciences, as well as the natural sciences, including biology, psychology, sociology, or astrophysics) if they make significant contributions to the philosophy of orientation. **Deadline: March**

Horovitz Fund - Fellowship for African Artists & Scholars in the Humanities & Social Sciences

The Fund supports graduate study for African artists and scholars in the humanities and social sciences with an award to defray educational costs. The Fellowship is for one year. Applicants must be a citizen of a sub-Saharan African country. **Deadline: April**

Horowitz Foundation for Social Policy - Grant for Doctoral Students

Grants are intended to promote projects which have social policy application at the global or local level. The grants are for one year. **Deadline: Varies**

Hosei University - Foreign Scholars Fellowship

Fellowships support non-degree research at Hosei University under the direction of and/or in cooperation with Hosei faculty and researchers. Research areas include those studies in the humanities, social sciences, natural sciences, or engineering as deemed acceptable by Hosei. Fellowships offer support for six months. **Deadline: Varies**

Houtan Foundation - Graduate Scholarship in Iranian Studies

The Houtan Foundation offers scholarship to students from all origins – Iranian and non-Iranian – who have high academic performance and proven interest in promoting Iran's great culture,

heritage, language, and civilization. **Deadline: June**

Hudson River Foundation - Mark B. Bain Graduate Fellowship

Fellowships support graduate students conducting research on the Hudson River system. **Deadline: March**

Huntington Library/Western History Association - Martin Ridge Fellowship

This one-month fellowship supports research using materials housed at the **Huntington Library** in San Marino, CA, in the study of the North American West as both a frontier and a region. Recipients of the fellowship are expected to be in continuous residence at the Huntington for one month. **Deadline: June**

Huntington Library, Art Collections, & Botanical Gardens - Short-Term Dissertation & Postdoctoral Fellowships

Fellowships support use of the collections for research in British and American history, literature, art history, and the history of science and medicine. Scholars are expected to be in continuous residence at the Huntington in San Marino, California. **Deadline: November**

Huntington Library, Art Collections, & Botanical Gardens - Travel Grants and Exchange Fellowships for Research in Great Britain

Fellowships support research in libraries or archives in Great Britain in any of the fields in which the Huntington collections are strong. **Deadline: November**

Huyck Preserve and Biological Research Station - Research Grants

Grants help fund research projects in a variety of disciplines that focus on natural systems of the Huyck Preserve in Rensselaerville, NY. They support work in basic and applied ecology, conservation biology, taxonomy, animal behavior, evolution, earth sciences, land use history, and other areas of natural science. The funds may be used for equipment, travel, room and board, station fees, publication costs, and stipend for assistant/student researchers. **Deadlines: Vary**

IBM - PhD Fellowships

NOTE: A student must be nominated by a faculty member, and a department may submit up to two nominations in addition to any renewal nominations. Fellowships support PhD students who have an interest in solving problems that are important to IBM. AI/cognitive computing, cloud/open source, data science, Internet of Things, quantum computing, security/cyber security. Graduate student working on dissertation; faculty must submit proposal on behalf of student. **Deadlines: Vary**

IMA Research Foundation - Research Grant Programs

IMA's Research Foundation is dedicated to funding relevant, thought-provoking research that furthers the knowledge and scope of accounting and financial management. **Deadline: Varies**

Incognito Blueprints Scholarship - Scholarships are awarded to international students applying for a degree (bachelor's, master's or PhD) at an accredited U.S. post-secondary institution, college or university as a full-time, in-person students. **Deadline: February**

Intel Computational Data and Science (ACM SIGHPC)

Supports early stage graduate students in any fields of computational or data science. Must be a woman or underrepresented student. \$15,000 stipend. Applicants must be nominated by their advisor. **Deadline: March**

Inter American Press Association (IAPA) Scholarship

Applicants must be native to countries in North and South America, or the Caribbean; reporters, editors or managers at newspapers, broadcasters or digital news media platforms; between the ages of 21 and 35 years old at the date of application; with mastery of the language of the program of study. **Deadline: Varies**

Inlaks Foundation - Scholarships for Indian Citizens

Scholarships are granted to Indian citizens pursuing graduate degrees at top American, European and UK institutions, for funding requirements including tuition fees. **Deadline: March**

Indo-US Science and Technology Forum (IUSSTF) - Graduate Research Internship in Science and Engineering (RISE) in India

Internships provide opportunities for science, technology, engineering and medical students from the United States to undertake internships in national laboratories, federal research centers, academic research institutes and private R&D laboratories in India. The objectives are for students to gain exposure to India's science and technology milieu, gain practical skills and develop collaborative networks. The internships are for three months. Applicants must be U.S. Citizens or permanent residents that are Indian Citizens. **Deadline: Varies**

Institute of Electrical and Electronic Engineers (IEEE) - Computational Intelligence Society - Graduate Research Grant

Grants support research connected with identifiable component of the CIS (neural networks, fuzzy systems, or evolutionary computation). They intended to cover the expenses related to a visit to another university, institute or research agency for collaboration with an identified researcher in the field of interest of the applicant. In certain cases, the scholarship may also be used to cover expenses related to support the student at their home institution for intensive work on a particular project, if – due to extenuating circumstances – such work cannot be continued as scheduled during the regular academic semester. **Deadline: March**

Institute of Electrical and Electronic Engineers (IEEE) - Electron Device Society (EDS) - PhD Student Fellowship

One year fellowships are awarded to promote, recognize, and support PhD level study and

research within the Electron Devices Society's field of interest. **Deadline: July**

Institute of Electrical and Electronic Engineers (IEEE) - Graduate Study Fellowship in Electrical Engineering

Applicant must have majored in the field of electrical engineering and have received a Bachelor's Degree from an engineering college of recognized standing worldwide. Must be pursuing master's degrees in electrical engineering. **Deadline: May**

Institute of Electrical and Electronic Engineers (IEEE) - Microwave Theory and Techniques Society (MTT-S) - Graduate Fellowships

Fellowships support graduate students in electrical engineering, applied physics, or related fields whose research will promote the advancement of microwave theory and its applications, including RF, microwave, millimeter-wave, and terahertz technologies. The fellowships are for one year, renewable for a second year. **Deadline: October**

Institute of Electrical and Electronic Engineers (IEEE) - Photonics Society - Graduate Student Scholarship

IEEE Photonics Society Graduate Student Scholarship provides scholarships to outstanding Society student members pursuing graduate education within the Society field of interest. **Deadline: May**

Institute of Food Technologists (IFT) - Divisional Graduate Scholarships

The Feeding Tomorrow Fund awards annual scholarships to students pursuing a graduate degree in a variety of disciplines within the science of food. **Deadline: February**

Institute of Food Technologists (IFT) - Dr. Elwood F. Caldwell Graduate Fellowship

The fellowship is for students currently enrolled in a master's or doctoral program in the science of food and will provide a generous stipend to students pursuing research focused on addressing the current and future needs and demands of the global food system. **Deadline: February**

Institute of Food Technologists (IFT) - General Mills Intern +

Are you a graduate student looking for a summer internship at a company that makes a difference all over the globe, all day long? Here's your chance! Feeding Tomorrow has partnered with General Mills to identify extraordinary graduate students pursuing advanced degrees in food science.

Deadline: September

Institute of Historical Research (IHR), School of Advanced Study, University of London - Early Career Research Visiting Fellowships

The IHR's Early Career Research Visiting Fellowships provide funding to enable early career historians to complete a doctorate or to undertake post-doctoral research. **Deadlines: Vary**

Institute of Industrial Engineers (IIE) - Graduate Scholarships and Fellowships

IIE's Scholarships and Fellowships Program recognizes graduate and undergraduate industrial engineering students for academic excellence and campus leadership. **Deadline: November**

International Association of Great Lakes Research (IAGLR) - Graduate Scholarships

IAGLR awards scholarships to graduate students studying the Laurentian Great Lakes, other large lakes of the world, and their watersheds, as well as those with an interest in such research.

Deadlines: Vary

International Centre for Diffraction Data - Ludo Frevel Crystallography Graduate Scholarship

Supports the education and research promising graduate students with an interest in crystallography, e.g. crystal structure analysis, crystal morphology, modulated structures, correlation of atomic structure with physical properties, systematic classification of crystal structures, phase identification and materials characterization. **Deadline: Varies**

International Center for Research on Women (ICRW) - Mariam K. Chamberlain Dissertation Fellowship

Fellowships support first-generation doctoral students working on a dissertation related to ICRW's mission to empower women, advance gender equality and fight poverty. **Deadline: October**

International Council for Canadian Studies (ICCS) - Graduate Student Scholarships

Enable emerging international (and Canadian) scholars at the graduate and Phd level to visit a Canadian (or international) university or academic institution for 4-12 weeks in order to conduct research for their thesis or dissertation in the field of Canadian Studies. **Deadline: November**

International Foundation for Ethical Research (IFER) - Grants

Apply for a research grant supporting the development and use of non-animal models.

Deadline: April

International Society of Automation (ISA) - Educational Foundation Scholarships

ISA Educational Foundation Scholarships are awarded to university students who demonstrate outstanding potential for long-range contribution to the fields of automation and control. The scholarship awards support tuition and related expenses and research activities and initiatives.

Deadline: February

International Union for the Study of Social Insects, North American Section (IUSSI-NAS) - Research Grants

Awards support graduate student and postdoctoral research on social arthropods.

Deadline: February

International Women's Fishing Association (IWFA) - Graduate Scholarship

The mission of the International Women's Fishing Association Scholarship Trust is to grant research scholarships to graduate students who are committed to studies of the chemical, physical and biological processes of marine science with emphasis on conservation, preservation, and protection of the marine environment. **Deadline: March**

Israel Institute - Israel Studies Teaching Supplement

The Israel Studies Teaching Supplement supports teaching about Israel by Israeli doctoral students, postdocs, spousal appointments, independent scholars or other Israeli academics who already live in the United States and who have unfunded/underfunded research appointments.

Deadline: Varies

Israel Institute - Study in Israel Scholarships

Study in Israel Scholarships provide funding to undergraduates, recent graduates, and graduate students at universities outside of Israel who are interested in taking one course or more offered by a college or university in Israel. **Deadline: Varies**

Jacobs Research Funds - Research Grants

The Jacobs Research Funds (JRF) offers grants in support of research on aboriginal peoples of the Americas. Applicant's must have completed a Master's degree or designate a Sponsor (usually advisor) in their application. **Deadline: February**

Jamestown Society - Fellowship for Study of Colonial Virginia History

The Jamestown Society offers an Annual Fellowship to support completion of a graduate thesis or essay on the history and culture of Virginia before 1700. **Deadline: April**

Japan Society for the Promotion of Science (JSPS) - Short-Term Fellowships

The program provides PhD students or PhD researchers in the Europe and North America with opportunities to conduct collaborative research under the guidance of their hosts in universities and other Japanese institutions for a relatively short period of time. **Deadlines: Vary**

Japan-IMF Scholarship Program for Advanced Studies

A two-year program intended to help Japanese nationals obtaining Ph.D. degrees in macroeconomics and preparing them to work as economists at the International Monetary Fund (IMF). JISP covers all reasonable expenses for two years of graduate study. **Deadline: November**

Japanese American Citizens League (JACL) - National Scholarship Program

Scholarships support National JACL members pursuing graduate study across all disciplines, including law, business, and medicine. The scholarship is for one year. Every applicant must be an active National JACL member. JACL membership is open to everyone of any ethnic background. All who meet the eligibility criteria are welcomed and encouraged to apply. **Deadline: Varies**

Japanese Association of University Women - Fellowships for Non-Japanese Women to Conduct Research in Japan

The Japanese Association of University Women offers fellowships for women to conduct independent research or advanced study in Japan. The fellowship offers support for 5-6 months.

Deadline: March

Japanese Consulate Monbukagakusho (MEXT) - Scholarships for Graduate Research

Scholarships support independent research in Japan. Any field of study is eligible for the scholarship, but applicants must find a Japanese professor willing to supervise their research. The scholarship offers 18-24 months of support. **Deadlines: Vary**

Jefferson Scholars Foundation National Fellowship - The National Fellowship Program supports outstanding scholars at leading institutions of higher education who are completing dissertations in United States, with an emphasis on historical and institutional analyses of politics, public policy, and foreign relations. **Deadlines: February**

Jennings Randolph Peace Scholar Dissertation Fellowship Program

The Jennings Randolph Program for International Peace awards Peace Scholar Dissertation Fellowships to students enrolled in U.S. universities who are researching and writing doctoral dissertations on topics related to international conflict management and peacebuilding. Proposals from all disciplines are welcome. **Deadline: December**

Jewish Community Center (JCC) Association - Graduate Education Scholarship Program

JCC Association's Professional Development Scholarship Program is designed to help current, full-time JCC professionals deepen and enhance their professional knowledge to advance their career at a Jewish Community Center or Jewish Community Camp (JCC). **Deadline: March**

John Carter Brown Library - Short-Term Fellowships

Fellowships are awarded to scholars to support dedicated research, either remotely or in residence, in the JCB's collections. Fellowship awards include a stipend, which varies for short and long-term fellowships. **Deadline: January**

John F. Kennedy Library and Museum - Research Fellowships and Grants

The John F. Kennedy Library Foundation offers competitive research fellowships and grants every year to scholars and students who wish to make use of the archival holdings (including audiovisual materials) of the John F. Kennedy Presidential Library and Museum. **Deadlines: Vary**

John William Miller Fellowship Fund - Research Fellowships

The John William Miller Fellowship Fund supports book-length projects that engage with the theories of philosopher John William Miller. **Deadline: August**

Kate Neil Kinley Memorial Fellowship

Music, architectural design and history, art and design, dance, instrumental or vocal music, theatre. Student in the above graduate programs preferably under 25 years old. \$20,000 stipend, requires waiver. US Citizen or international student. **Deadline: November**

Korean Foundation - Fellowships for Field Research in Korea

The fellowship supports doctoral students conducting dissertation research in Korean Studies. Fellowships allow researchers carrying out comparative/case studies in Korean studies or Korea-related areas in the field of humanities or social sciences to conduct on-site field research in Korea and access resource materials. **Deadlines: September**

Korean American Scholarship Fund (KASF)

KASF offers scholarships to Korean-American students attending a graduate or professional school in the through **Regional Chapters**. Students with a Korean heritage studying in the United States regardless of citizenship status (including Korean Nationals) are eligible to apply. The scholarships offer support for one year. **Deadline: June**

Kosciuszko Foundation - Study Abroad Scholarships

The Year Abroad Scholarship supports Polish language course at the Jagiellonian University in Cracow, Poland. **Deadlines: Vary**

Kurt Weill Foundation for Music - Grants for Scholarly Research

The Foundation's Grant and Collaborative Initiatives Programs award financial support to individuals and not-for-profit organizations for projects related to Weill, Lenya, or Marc Blitzstein. **Deadline: November**

Lake Institute Doctoral Dissertation Fellowship

This one-year grant is given annually to support a graduate student whose research engages issues at the intersection of religion and philanthropy or faith and giving. It is intended to support the final year of dissertation writing for a doctoral candidate at a U.S. graduate school. Students receive a \$25,000 stipend. **Deadline: January**

Landscape Architecture Foundation (LAF) - Olmsted Scholars Program

Students do not apply directly to the Olmsted Scholars Program. Olmsted Scholars are nominated by the faculty from each university. The Program recognizes students with exceptional leadership potential who are using ideas, influence, communication, service, and leadership to advance sustainable design and foster human and societal benefits.

Deadlines: March

Landscape Architecture Foundation (LAF) - Joe Lalli Master's Scholarship

Scholarships support master's students pursuing degrees in landscape architecture. Applicants should show commitment to some of the areas that Joe Lalli dedicated himself to, including drawing, artistic pursuits, the importance of travel, and giving back in service to one's community and profession. **Deadline: February**

Landscape Architecture Foundation (LAF) - Scholarships

LAF scholarships help diversify the pool of talent and increase academic opportunity for new generations of designers. **Deadline: Varies**

Leakey Foundation - Research Grants for Graduate Students

The Leakey Foundation exclusively funds research related to human origins. Priority of funding is commonly given to exploratory phases of promising new research projects that meet the stated purpose of the Foundation. The majority of the Leakey Foundation's Research Grants awarded to doctoral students are in the \$3,000-\$15,000 range with a funding limit of \$20,000. **Deadlines: January and July**

Leibniz Institute of European History (IEG) - Doctoral and Postdoctoral Fellowships for Research in Mainz, Germany

The Leibniz Institute of European History (IEG) awards fellowships to young academics (doctoral and postdoctoral researchers) from Germany and abroad. Funding is provided for both doctoral and postdoctoral research dealing with the religious, political, social and cultural history of Europe from the early modern period to 1989/90. **Deadlines: February and August**

Leifur Eiríksson Foundation Scholarship

The Leifur Eiríksson Foundation funds scholars who are US citizens or permanent residents from U.S. universities for graduate research or study at universities in Iceland, and scholars who are Icelandic citizens or permanent residents from universities in Iceland to conduct research or study at universities in the United States. **Deadline: December**

Lemmermann Foundation - Scholarship in Humanities & Classical Studies for Research in Rome

Scholarships support master's and doctoral student research in the classical studies and humanities. Topic of research must be related to Rome and the Roman culture of any period, from the Pre-Roman period to the present day time. Applicants must provide evidence for their need to study and carry out research in Rome. The scholarship offers support for one year. **Deadline: March**

Leo Baeck Institute (LBI) New York - David Baumgardt Memorial Fellowship

Fellowships supports the study of the history and preservation of the culture of German-speaking Jewry through research projects connected with the writings of Professor David Baumgardt or his scholarly interests, including Ethics, Wissenschaft des Judentums, and the

Modern Intellectual History of German-speaking Jewry. **Deadline: November**

Leo Baeck Institute (LBI) New York - Fellowships

Leo Baeck Institute supports new research on German-Jewish culture and history through various fellowships. Ph.D. candidates and academics working on topics related to the German-Jewish community in a variety of disciplines are encouraged to apply. **Deadline: November**

Library Company of Philadelphia & The Historical Society of Pennsylvania - Short-Term Research Grants

Short-term travel grants to support research in a variety of fields and disciplines relating to the history of America and the Atlantic world from the 17th through the 19th centuries, as well as Mid-Atlantic regional history to the present. Topics include: the history of women and African-Americans, popular literature, business and banking, popular medicine, philanthropy and reform, education, natural sciences, technology, art, architecture, German Americana, American Judaica, and a host of other subjects. Grants are for one month. **Deadlines: Vary**

Library of Congress - John W. Kluge Center - Kluge Fellowship in Digital Studies

Fellowships support research that will generate deep, empirically grounded understanding of the consequences of the digital revolution on how people think, how society functions, and on international relations using the Library's collections and resources. Proposals may also explore and analyze emerging trends and new phenomena that may generate consequential changes in the future. All proposals must state the importance of the research to fundamental thinking about the human condition. The fellowship offers support for up to 11 months. **Deadline: September**

Lime Connect, Inc. - BMO Capital Markets Equity Through Education Scholarship

Designed for undergraduate and graduate students with disabilities interested in a career in Financial Services with a focus on Capital Markets. **Deadlines: Vary**

Lime Connect, Inc. - The Johnson & Johnson Access-Ability Lime Scholarship

Open to current undergraduate, graduate, MBA or PhD students attending a 4-year university in the US pursuing Health Care or STEM-based degree with a desire to pursue a career in Health Care. **Deadlines: Vary**

Lincoln Institute of Land Policy - C. Lowell Harriss Dissertation Fellowship

The Institute offers fellowships to doctoral students who are writing theses in fields that address the Institute's primary interest areas in valuation and taxation, planning, and related topics to help improve decisions about land policy. Fellowships support the development of a thesis proposal and/or completion of thesis research. The fellowship offers support for one year. **Deadline: March**

Linda Hall Library - STEM Doctoral and Postdoctoral Fellowships

Library Fellowships support research projects in science, engineering, and technology; in the history of science, engineering, and technology; or in interdisciplinary topics that link science or technology to the broader culture. Recipients of fellowships are expected to work full time on their research projects while at the Library, to engage with other resident scholars, and to offer a presentation on their work to the general public. Fellowships are for 1 week to 10 months.

Deadline: January

Link Foundation - Doctoral Fellowship in Ocean Engineering & Instrumentation

Intended to foster ocean engineering and ocean instrumentation research and enhance both the theoretical and practical knowledge and applications of ocean engineering and ocean instrumentation research. Supports PhD students writing a dissertation. **Deadline: April**

Link Foundation - Doctoral Fellowships for Research on Energy

The fellowship supports research and innovation in the area of societal production and utilization of energy. Innovation in the area of societal production and utilization of energy. Supports PhD students writing a dissertation. **Deadline: December**

Link Foundation - Modeling, Simulation & Training Fellowship

Fellowship support doctoral research in the field of modeling, simulation, and training, with preference given to research applicable to simulating real-time complex, interactive environments, or training and preparing individuals to perform in such environments. **Deadline: January**

Linnean Society - Natural History & Biological Sciences Research Grants

The Society aims to promote the study of all aspects of the biological sciences. Through awarding medals and grants, the Society acknowledges and encourages excellence in all of these fields.

Deadline: Varies

Longhi Foundation - Doctoral Fellowship in Art History

Fellowships support doctoral students conducting research in the history of art. Longhi fellows have access to study materials available in the Institute, which mainly concern Italian painting from the thirteenth to the eighteenth century. Fellows must live in Florence for the entire duration of the fellowship. The fellowship offers support for nine months. **Deadline: April**

Los Alamos National Laboratory Graduate Research Assistance Program

For graduate students in many disciplines, including computational science, engineering, biological and physical sciences. Minorities and underrepresented students encouraged to apply. **Deadline: March**

Louisville Institute - Dissertation Writing Fellowship for Research in North American Christianity

Fellowship supports the final year of PhD or ThD dissertation writing for students engaged in research pertaining to North American Christianity. Proposed projects may employ a variety of methodological perspectives, including, but not limited to, history, ethics, the social sciences, biblical studies, and historical, systematic, and practical theology. They may also be interdisciplinary in nature. Projects should have the potential to strengthen the religious life of North American Christians and their institutions. **Deadline: February**

Louisville Institute - Doctoral Fellowship for Christians Pursuing Careers in Theological Schools

Fellowships support doctoral students whose work would be an appropriate preparation of a career in Christian theological school teaching. **Deadline: March**

Lupus Foundation of America - Gina M. Finzi Memorial Student Summer Fellowship

The Gina M. Finzi Memorial Student Summer Fellowship Program was developed to cultivate an interest in lupus research among young scientists. **Deadline: February**

Lyndon Baines Johnson Presidential Library and Museum - Short-Term Grants

Grants support short-term travel to the LBJ Presidential Library for graduate student and postdocs working in the fields of public policy and governmental affairs. **Deadlines: Vary**

Manuscript Society - Maass Research Grant

The Society supports graduate students whose research relies heavily on original manuscripts. The grant may be used for research expenses directly related to use of original manuscripts, for example travel to manuscript repositories, photocopies, and user fees. **Deadline: February**

Margaret McNamara Education Grants (MMEG) - Grant for Women from Developing Countries

The MMEG awards educational grants to women from developing countries whose graduate studies and future plans aim to benefit women and children in their respective regions. Candidates must currently be studying in the U.S. or Canada. **Deadline: Varies**

Marketing Science Institute (MSI) - Clayton Dissertation Grant in Marketing & Related Fields

The fellowship supports dissertation research in marketing and related fields (e.g., psychology, economics, management, strategy, etc.). The grant is for one year. **Deadlines: Vary**

Massachusetts Historical Society - Short-term Research Fellowships

Fellowships support scholars investigating a wide range of topics who wish to use the **collections** housed at the Massachusetts Historical Society in Boston. Applicants should consult the website for a listing of fellowships being awarded for a particular funding cycle. Fellowships offer support for four weeks. **Deadline: March**

Massachusetts Historical Society/Boston Athenaeum - Suzanne and Caleb Loring Fellowship on the Civil War

The Fellowship is for research on the Civil War, its origins, and consequences. The research is to be carried out jointly at the Boston Athenaeum and the collections of the Massachusetts Historical Society. The fellowship is for at least four weeks of research at each institution.

Deadline: February

Massachusetts Institute of Technology (MIT) - School of Humanities, Arts, and Social Sciences (SHASS) - Diversity Predoctoral Fellowships

Fellowships support doctoral students who plan a career in higher education and have completed all other PhD requirements to finish their dissertations. Fellows may be pursuing the PhD degree in any discipline or area taught in the School of Humanities, Arts, and Social Sciences. **Deadline: March**

Meat Industry Suppliers Alliance (MISA) Foundation - Scholarship Program

To encourage and support those interested in pursuing careers within the meat industry or engineering field. **Deadline: May**

Medieval Academy of America (MAA) - Birgit Baldwin Dissertation Fellowship in French Medieval History

The Baldwin Fellowship provides a grant to support a graduate student in a North American university who is researching and writing a significant dissertation for the PhD on any subject in French medieval history that can be realized only by sustained research in the archives and libraries of France. **Deadline: November**

Medieval Academy of America (MAA) - Dissertation Grant and Schallek Award

The Schallek awards support graduate students conducting doctoral research in any relevant discipline dealing with late-medieval Britain (ca. 1350-1500). The Schallek Fellowship provides a one-year grant of \$30,000 to support Ph.D. dissertation research in any relevant discipline dealing with late-medieval Britain (ca. 1350-1500). Applicants must be citizens or permanent residents of the United States or Canada. **Deadline: October**

Melanie Foundation - Graduate Scholarship in Mental Health

Scholarships support graduate students who are pursuing a doctoral or master's degree in the mental health field. The scholarship offers support for one year. **Deadline: March**

Memorial Foundation for Jewish Culture (MFJC) - Fellowships

One-year scholarships that support dissertation research to train qualified individuals for careers in Jewish scholarship and research, and to help Jewish educational, religious, and communal workers obtain advanced training for leadership positions. Possibility of renewal for up to 4 years. **Deadline: March**

Mercatus Center - George Mason University - Fellowships

Fellowships support graduate students conducting research in economics, philosophy, political science, sociology, and related disciplines who are interested in learning about the Austrian, Virginia, and Bloomington schools of political economy. **Deadlines: Vary**

Meta Research

For PhD students in fields related to applied statistics, AR/VR photonics and optics, computational social science, computer graphics, computer vision, compute storage and efficiency, distributed systems, economics and computation, machine learning, natural language processing, networking and connectivity, programming languages, security/privacy, spoken language processing and audio classification, UX/Instagram well-being, hardware, and software Infrastructure for machine learning. **Deadline: September**

METER Group - Grant A. Harris Fellowship

The METER Group provides measurement instrumentation to researchers pursuing innovative solutions to environmental problems. The Grant A. Harris Fellowship provides \$10,000 worth of research instrumentation to graduate students studying any aspect of agricultural, environmental, or geotechnical science at accredited U.S. or Canadian universities or colleges. **Deadline: January**

Metropolitan Museum of Art - Graduate and Postdoctoral Fellowships

Assortment of fellowships available through the museum. Most fellowships require the fellow to be in residence at the Metropolitan Museum during the fellowship period. **Deadlines: Vary**

Microsoft Research PhD Fellowship

The Microsoft Research PhD Fellowship is a global program that identifies and empowers the next generation of exceptional computing research talent. Microsoft recognizes the value of diversity in computing and aims to increase the pipeline of talent receiving advanced degrees in computing-related fields to build a stronger and inclusive computing-related research community.

Deadlines: Vary

Microsoft Research - Diversity Research Dissertation Grant

Award to help PhD students who self-identify as a woman, African American, Black, Hispanic, Latinx, American Indian, Alaska Native, Native Hawaiian, Pacific Islander, and/or person with disability in computing-related fields to complete research as part of their doctoral thesis work.

Deadline: March

Mathematica Policy Research - Summer Doctoral Research Fellowship

The Summer Fellowship Program at Mathematica welcomes doctoral students to spend 12 weeks at one of Mathematica's **office locations**. Fellows will work on their own independent research project (typically their dissertation), which will intersect with one or more of Mathematica's **focus areas**. **Deadline: February**

Midwest Victorian Studies Association - Walter L. Arnstein Prize for Dissertation Research in Victorian Studies

The award is for dissertation research in British Victorian Studies. Proposals may be submitted in literature, history, art history, or musicology but should have a significant interdisciplinary component that will render them of interest to scholars studying Victorian Britain across a range of disciplines, approaches, and sub-fields. **Deadline: December**

Morris Animal Foundation - Research Grants

Morris Animal Foundation works tirelessly to accelerate promising research focused on improving the lives of animals around the world. They fund the best researchers, conducting the best science, whether in a clinical trial, in the lab, or out in the field. **Deadline: Varies**

Mortar Board National Foundation - Fellowships

Mortar Board National Foundation awards fellowships to **members** who are pursuing graduate degrees in any field. Mortar Board is a national honor society that recognizes achievements in scholarship, leadership and service. Fellowships offer support for one year. **Deadline: March**

Mozilla - Fellowships in Open Source and Data Sharing in the Life/Natural Sciences

Fellowships are for early-career researchers working to shift research practice to be more collaborative, iterative and open. Fellows remain at their home institution but receive training and support from Mozilla to hone their skills around open source and data sharing. They will also create code, curriculum and other learning resources that help others learn open data practices. **Deadline: Varies**

MPOWER MBA Scholarship - Scholarships awarded annually to female international/DACA students who are currently enrolled or accepted to study full-time in a STEM degree program at a institution MPOWER supports in the United States or Canada. **Deadline: December**

MPOWER Women in STEM Scholarship - Scholarships are awarded to support international students pursuing a full-time MBA degree at one of the MPOWER supported schools. **Deadline: December**

Museum of Contemporary Art Chicago (MCA) - Marjorie Susman Curatorial Fellowship

The Fellowship offers a graduate-level candidate the opportunity to gain professional curatorial experience in a major museum setting. The fellow will engage in exhibition and/or collection-

related research, write reports on possible acquisitions, and help curators plan and organize exhibitions and programming. The fellowship is for one year. **Deadline: January**

Mystic Seaport - Munson Institute - Paul Cuffe Memorial Fellowship for the Study of Minorities in American Maritime History

The fellowship encourages research that considers the participation of Native and African Americans in the maritime activities of New England, primarily its southeastern shores. Fellowships support research and writing, a portion of which should normally be carried out in the Mystic area. **Deadline: Varies**

National Academies - Christine Mirzayan Science & Technology Policy Graduate and Postgraduate Fellowship Program

Graduate students and postdoctoral scholars spend 12 weeks in winter/spring at the National Academies in Washington, D.C., learning about science and technology policy and the role that scientists and engineers play in advising the nation. **Deadline: September**

NASA Space Technology Graduate Research Opportunities (NSTGRO)

NASA's Space Technology Mission directorate seeks to sponsor U.S. citizen and permanent resident graduate students who show significant potential to contribute to NASA's goal of creating innovative new space technologies for our Nation's science, exploration and economic future. NASA Space Technology Graduate Researchers will perform innovative, space technology research at their respective campuses and at NASA Centers. . **Deadline: Varies**

National Aeronautics and Space Administration (NASA) - Funding Opportunitites

Visit the website to view the funding opportunities available through the National Aeronautics and Space Administration (NASA). **Deadlines: Vary**

National Aeronautics and Space Administration (NASA) - Science Mission Schools

The summer program is for graduate students and early career scientists interested in a career in planetary exploration. It includes an intensive one-week team exercise at JPL, preceded by weekly webinars and assignments, to learn the process of developing a robotic mission concept into reality through concurrent engineering. **Deadline: Varies**

National Arab American Medical Association Matching Grant- The National Arab American Medical Association aims to develop avenues to promote consciousness of health-related needs of Arab and Arab American populations. Matching Grants support educational, humanitarian, philanthropic and other projects consistent with the mission of NAAMA, the National Arab American Medical Association. **Deadline: See website**

National Association for Armenian Studies & Research (NAASR) - Research/Travel Grants

NAASR offers grants for research within the field of Armenian Studies. Grants are for travel, cost of digitization or microfilm, or other research materials and for similar expenses. Stipends will not be covered. Grants offer support for one year. **Deadline: June**

National Association of Black Journalists Scholarships- Student members of NABJ, foreign or American born, currently attending or entering an accredited four-year college/university in the US or those who are candidates for graduate school are eligible to apply for available scholarships. **Deadline: Varies**

National Association of Social Workers (NASW) - Fellowships for Master's and Doctoral Students

The NASW awards several fellowships to Master's and Doctoral students in social work. **Deadlines: Vary**

National Cattlemen's Foundation - W.D. Farr Graduate Scholarship

Scholarships support graduate students in animal science, environmental science (water) or agriculture. The scholarship offers one year of support. **Deadline: Varies**

National Collegiate Athletic Association (NCAA) - Walters Byers Postgraduate Scholarship

This Program recognizing excellence in academic performance by student-athletes. One male and one female student-athlete are annually awarded a graduate scholarship in recognition of outstanding academic achievement and potential for success in graduate study. The scholarship offers support for one year, renewable for a second year. **Deadline: Varies**

National Endowment for the Arts: Research Grants in the Arts

NEH provides significant funding for research related to the arts, arts ecology, primary and/or secondary data analyses, economic impact studies, organizational research, psychological, physical health-related, or therapeutic studies, education studies and more. Grants are to institution on behalf of graduate student/faculty. **Deadline: March**

National Endowment for the Humanities Fellowship for Research in Turkey

Fund PhD dissertation research in humanities and social sciences with focus on ancient, medieval, or modern times. 4-12 months in either Istanbul or Ankara. **Deadline: November**

National Federation of the Blind (NFB) - Scholarships for Blind Students

The NFB annually offers scholarships to blind college students in the United States and Puerto Rico, to recognize achievement by blind scholars. **Deadlines: Vary**

National Gallery of Art Fellowships

History, theory, and criticism of art, architecture, urbanism, photographic media, visual arts. Eligibility: PhD student, passed qualifying exams, certification in two languages other than English; requires nomination by department chair. **Deadline: November**

National Gallery of Art - Center for Advanced Study in the Visual Arts (CASVA) - Predoctoral Fellowship for Historians of American Art to Travel Abroad

Fellowships enable doctoral students in art history who are studying aspects of art and architecture of the United States, including native & pre-Revolutionary America, to travel abroad in areas such as Africa, Asia, or South America, as well as Europe, to sites of historical and cultural interest. **Deadline: November**

National Geographic Society - Grants Program

The National Geographic Society's Grants Program provides "Level 1" funding to early-career researchers and practitioners conducting projects in science, conservation, technology, storytelling, and/or education that are aligned with one or more of the Society's five focus areas: Ocean, Land, Wildlife, Human History & Cultures, and Human Ingenuity. **Deadline: June**

National Institute for Labor Relations Research-William B. Ruggles Journalism

Scholarship- One \$2,000 scholarship is awarded annually to the student who exemplifies the dedication to the Right to Work principles and high journalistic standards of the late Mr. Ruggles. Individuals seeking to attend or individuals attending a United States institution of higher learning (undergraduate or graduate) who have demonstrated journalistic skills or major in journalism may apply. **Deadline: January**

National Institutes of Health Graduate Partnership Program

For current PhD student or prospective PhD students in fields related to bioinformatics, biophysics, epidemiology, immunology, cell and molecular biology, neuroscience, health sciences, structural biology, sensory and communication neuroscience, molecular pathology, biobehavioral research, and developmental biology. **Deadline: Ongoing for current graduate students/ December for prospective graduate students**

National Institute of Justice Graduate Fellowship

For PhD students in anthropology, biology, chemistry, cognitive science, computer science, criminology, economics, electrical engineering, geosciences, GIS, information sciences, materials science, mathematics, neuroscience, physics, public administration, public health, public policy, sociology and other fields related to NIJ criminal justice mission. **Deadline: April**

National Italian American Foundation (NIAF) Scholarships

Scholarships support 1) Italian American students in any discipline and 2) students from any ethnic background majoring or minoring in Italian language, Italian studies, Italian American studies or a related field. Scholarships are for one year and applicants may reapply in subsequent years. **Deadline: March**

National Milk Producers Federation (NMPF) - National Dairy Leadership Scholarship Program

Scholarships support graduate students who are actively pursuing research of direct benefit to milk marketing cooperatives and dairy producers. Recommended fields of study include but are not limited to: agriculture communications, economics, animal health, environmental science, animal/human nutrition, food science, bovine genetics, food safety, dairy products processing, herd management, dairy science, and marketing and price analysis. The scholarship offers support for one year. **Deadline: April**

National Oceanic Atmospheric Administration (NOAA) - Cooperative Institute for Limnology and Ecosystems Research

CILER, located at the University of Michigan, offers full-time twelve week residential summer fellowships that expose students to a broad range of fields and provides an opportunity for students to conduct research in the Great Lakes region under the mentorship of a researcher or working professional. **Deadline: February**

National Organization of Gay and Lesbian Scientists and Technical Professionals (NOGLSTP) - Graduate Scholarship

This one-year scholarship is for graduate and professional students pursuing degrees in science, technology, engineering, or mathematics (STEM) programs who identify as lesbian, gay, bisexual, transgender, or queer or who are an active ally of the LGBTQ community. **Deadline: June**

National Organization of Italian American Women (NOIAW) Scholarship

Scholarships support Italian American women pursuing a graduate degree. Preferential consideration is given to applicants who have demonstrated excellence in fields of study of Italian language and/or culture. The scholarship is for one year. **Deadline: April**

National Potato Council - Graduate Scholarship

Scholarships support graduate research that will improve the future of the U.S. potato industry. The scholarship is for one year. **Deadline: June**

National Resource Center - Fidler Research Grant for the Study of College Students in Transition

The grant is for research that has the potential to improve the experiences of college students in transition. Qualitative, quantitative, and mixed-method studies will be considered. **Deadline: July**

National Science Foundation Doctoral Dissertation Grants

Science and engineering fields supported by NSF (see website). For PhD students who have achieved candidacy. Grant for dissertation research expenses. **Deadline: varies**

National Sporting Library & Museum (NSLM) - Daniels Short-Term Research Fellowship

The John H. Daniels Fellowships at the National Sporting Library & Museum in Middleburg, Virginia, promote awareness of, and innovative, scholarly use of the institution's unique collections focused on equestrian and field sports. Funds are awarded in honor of the legacy of sportsman and book collector John H. Daniels. **Deadline: September**

National Water Research Institute (NWRI) - Graduate Fellowships

Fellowships support master's and PhD students at U.S. universities conducting research in areas that include, but are not limited to, engineering, physical and chemical sciences, biological sciences, health sciences, political sciences, economics, and planning/public policy issues that are related to water resources. The fellowships are for two year. **Deadline: May**

National Women's Studies Association (NWSA) - Scholarship for Research in Women's Studies

NWSA will award a Master's or PhD student who, in the fall of the year of the award, will be engaged in the research or writing stages of a thesis or dissertation in the interdisciplinary field of women's studies. The research project must be on women and must enhance the NWSA mission. **Deadline: June**

Natural Sciences & Engineering Research Council of Canada (NSERC) - PGS Doctoral Scholarship

NSERC supports Canadian citizens in doctoral programs in the natural sciences or engineering including civil and mechanical engineering; chemical, biomedical and materials science engineering; mechanical engineering; electrical engineering; computing sciences; mathematical sciences; physics and astronomy; chemistry; earth sciences; evolution and ecology; cellular and molecular biology; plant and animal biology; and psychology. The scholarships offers support for 2-3 years. **Deadline: October**

NCI Predoctoral to Postdoctoral Fellow Transition Award

For Phd Students in any field related to cancer research who are ready to begin final two years of dissertation research/writing. **Deadline: November**

Newman Civic Fellows Award

The Newman Civic Fellows Award honors inspiring college student leaders who have demonstrated an investment in finding solutions for challenges facing communities throughout the country. Through service, research, and advocacy, Newman Civic Fellows are making the most of their college experiences to better understand themselves, the root causes of social issues, and effective mechanisms for creating lasting change. These students represent the next generation of public problem solvers and civic leaders. **Deadline: May**

New America Fellows Program

The New America Fellows Program supports journalists, academics, and other public policy analysts in working on a book, series of articles, documentary, or another project that would be accessible to a broad audience. The work should provide inventive perspectives on the major challenges facing contemporary society and could include a reframing of a familiar subject through new research or a new combination of existing research, a case study, a new media or academic project, or a policy prescription. The fellowship provides one year of support that includes a stipend, engagement with New America's various policy programs, and exposure from New America and its media partners. **Deadline: February**

New England Regional Fellowship Consortium (NERFC) - Research Fellowship

Fellowships support research at **participating institutions** for historical research spanning the period from pre-contact to the present day. Collections include personal papers, organizational records, and printed works (both primary and secondary) as well as paintings, engravings, furniture, maps, photographs, architectural drawings, and materials in many other areas of collecting. The fellowship is for a minimum of eight weeks. **Deadline: February**

New Netherland Research Center (NNRC) - New Netherland Institute - Student Scholar Research Grant

The grant supports graduate research on New Netherland history and on the Dutch Colonial Atlantic World using the holdings of the New Netherland Research Center, New York State Library, and the New York State Archives, in Albany, NY. The grant is for up to three months. **Deadlines: July**

New York Academy of Medicine - Research Fellowships in the History of Medicine and Public Health

Fellowships support early career scholars pursuing research using the Academy library resources. **Deadlines: Vary**

New York Botanical Garden (NYBG) - The Humanities Institute/LuEster T. Mertz Library - Mellon Summer Fellowship in Environmental Humanities

Fellowships support interdisciplinary graduate research related to the history of botany, garden art and architecture, landscape and urban design, botanical illustration, and the book arts at the

NYBG using the Garden and the Mertz Library's holdings. Fellows will be given full access to the collections of the LuEster T. Mertz Library, the Archives, the William and Lynda Steere Herbarium, and the Living Collections, including the 250 acre historic landscape of the Garden. The fellowship offers support for one summer. **Deadlines: Vary**

New York Public Library - Lapidus Center for the Historical Analysis of Transatlantic Slavery - Short-term Fellowship

Residential fellowships support research on the slave trade, slavery, abolition, and anti-slavery in the Atlantic World. Fellows have access to the resources of the Schomburg Center as well as those of other research units of the New York Public Library to further their research, including the **Lapidus Center** collection of **400 rare items of printed material**. **Deadline: January**

New York Public Library - Short-Term Research Fellowship

Fellowships support graduate-level, post-doctoral, and independent researcher from outside of the New York metropolitan area needing to conduct on-site research in the Library's special collections to support projects in the humanities, business and the arts. Preference is given to scholars whose work is based on materials in the NYPL research collections, especially when those materials are unique. The fellowship offers support for 2-4 weeks. **Deadlines: Vary**

Newberry Library - Short-Term Fellowships

Fellowships enable scholars to work on projects related to the Newberry's Core Collections, which can be explored through the library's Catalogs and Guides. Fellows must be in continuous residence at the Newberry throughout the fellowship term unless indicated otherwise. Fellowships typically offer support for one month. However, scholars who have an extensive need for the collections may request up to two continuous months of support. **Deadlines: Vary**

Nicholl Fellowships in Screenwriting

The Norway-America Association (NORAM) is a non-profit organization that since 1919 has helped Norwegian students study in North-America, and American students in Norway. NORAM awards approximately five scholarships for American students who will attend graduate school here. Applicants must be members of the Norway-America Association (NAA) and must have completed a Bachelor's degree. **Deadline: May**

North American Conference on British Studies (NACBS) - Predoctoral & Dissertation Fellowships and Travel Grants

Travel awards support dissertation research in the British Isles on any topic of British (including Scottish, Irish and Imperial) history or British Studies. **Deadlines: Vary**

North American Conference on British Studies (NACBS)/Huntington Library - Dissertation Travel Grants

Travel grants support doctoral students conducting research in British studies for use of the collections of the Library. The materials to be consulted at the Huntington should be essential sources for the dissertation. **Deadline: May**

North American Society for Sport Management (NASSM) - Doctoral Research Grant

NASSM funds doctoral student research to advance scholarship in the field of sport management. This award is not intended to fund major dissertation projects. **Deadline: Varies**

North American Society for the Psychology of Sport & Physical Activity (NASPSA) - Graduate Student Research Grant

Grants support graduate research in the scientific study of human behavior when individuals are engaged in sport and physical activity. The grant offer support for one year. **Deadline: April**

NVIDIA - Doctoral Fellowship

Fellowships support Ph.D. students who are researching topics that will lead to major advances in the graphics and high-performance computing industries and who are investigating innovative ways of leveraging the power of the Graphics Processing Unit (GPU). Computer science, computer engineering, system architecture, electrical engineering, particularly in artificial intelligence, deep neural networks, autonomous vehicles, and related fields. PhD student must have completed one full year at the time of application. **Deadline: September**

Oakridge National Laboratory Graduate Internships and Fellowships

Opportunities for graduate students available for most STEM disciplines: Opportunities posted on rolling basis. Funds 3-12-month research opportunity at Oak Ridge National Laboratory. **Deadline: varies**

Oil Spill Recovery Institute (OSRI) - Graduate Research Fellowship

Fellowships support graduate research that will enhance scientific understanding of Arctic and sub-Arctic marine and estuarine ecosystems, and provide information needed by managers and decision-makers for oil spill response and recovery. In particular, OSRI is interested in applications that examine the following areas of emphasis: toxicology, spill detection and tracking, improving spill response in sea ice, modeling of oil trajectories in ice, and degradation of oil. The fellowship offers support for up to two years for master's students or four years for doctoral students.

Deadline: Varies

Onassis Foundation - Doctoral & Postdoctoral Fellowships for Research and Study in Greece

Fellowships support research and study within Greece by non-Greeks in the fields of the humanities, social sciences, economics/finance, and theoretic studies of the arts (artists are

not eligible). For the academic year 2019-2020 and concerning the field of Humanities, the Foundation particularly encourages applicants who want to work on topics and/or with material related to the Cavafy Archive and Library, and the Onassis Library. The fellowships offer support for up to 10 months. **Deadlines: Vary**

Onassis Foundation Scholarships

Offers scholarships for Greek students to pursue doctoral studies outside of Greece. Offers research grants and educational scholarships in the Humanistic Sciences, Political Science, Law and Economics, Architecture, Fine Arts, Music, Dance, Theatre, Photography, Cinema. **Deadline: Varies**

Oncology Nursing Foundation- Scholarships support registered nurses pursuing oncology nursing. Applicants must be currently enrolled in, accepted to, or have applied to a Bachelor of Nursing, Master's or a Ph.D. or DNP nursing degree program at an accredited institution in the United States of America.. **Deadline: February**

Open Society Archives (OSA) - Central European University, Budapest - Viseguard Scholarship

Fellowships to support research at **OSA archives** in Budapest by individuals from the fields of history, the arts, philosophy and sociology to reflect on the conditions of knowledge production during and after the Cold War. This reflection exposes the intellectual and professional practices (journalistic, sociological, artistic, political, archival) that both reflected and shaped the meaning and scope of certain phenomena. Fellows are expected to work together with at least one of the researchers at the Archives. See website for suggested topics. The scholarships offer support for up to two months. **Deadlines: July and November**

Organization of American States (OAS) Fellowships

This organization offers general scholarships for undergraduate and graduate study. All applications must be submitted through the corresponding National Liaison Office in your country. OAS academic scholarships are awarded for no more than two years of full-time studies at any university in an OAS member state, with the exception of the applicant's sponsoring country. **Deadlines: Vary**

Open Society Foundation (OSF) - Civil Society Scholar Award (CSSA)

CSSA are for doctoral students from select countries who are conducting research in the social sciences and humanities. Awards support activities such as fieldwork (data collection), research visits to libraries, archives or universities, course/curriculum development, and international collaborations leading to a peer-reviewed publication. Awards are for 2-10 months, and require an international component. **Deadline: Varies**

Oregon State University Special Collections and Archives Research Center - Short Term Grants

Grants support research using the materials held in the **OSU Libraries Special Collections and Archives Research Center**. The **Center** consists of over 1,200 archival collections on five themes: the history of science and technology in the twentieth century, the history of Oregon State University, natural resources in the Pacific Northwest (including hops and brewing), multiculturalism in Oregon, and rare books. Grant monies can be used for any purpose. Researchers will be expected to conduct their scholarly activities while in residence at Oregon State University Valley Library. **Deadlines: Vary**

Organization of Autism Research - Graduate Research Grant

Grants support graduate students engaged in research in the following areas: the analysis, evaluation, or comparison of assessment models, treatment models, or service systems; applied aspects of early intervention and/or school-based education, behavioral, or communication intervention; adult issues such as continuing education, employment, housing models and “later intervention”; and issues related to family support, social and community integration, and assessment and intervention with challenging behavior. **Deadline: February**

Organization of American States (OAS) - Graduate Scholarship

Scholarships are for full-time onsite or online studies leading to a Master’s or Doctorate degree at a university or higher learning education institution in an **OAS Member State**, with the exception of the applicant’s sponsoring country, in eight (8) priority **areas of study**. All scholarship recipients must agree to return to and remain in the sponsoring country for a period of no less than twenty-four (24) months after completing the program of study covered by the scholarship. The OAS does not award scholarships for studies in **Medical Sciences** and the learning of new languages. **Deadline: April**

Organization of American States (OAS) - Leo S. Rowe Pan American Fund

The Fund offers interest-free loans to citizens from Latin America and the Caribbean **OAS Member States** to finance their studies or research in accredited universities across the United States. Loans can be used for tuition, fees, room and board and other school related expenses. **Deadlines: Vary**

Overseas Press Club (OPC) Foundation - Journalism Scholarships

Scholarships and fellowships support graduate students who aspire to become foreign correspondents. Recipients are eligible for paid internships at foreign bureaus of leading news organizations. **Deadline: December**

Palynological Society (AASP) - Graduate Student Grants

Grants are for research in palynology, to be used for costs directly connected to carrying out research, such as fieldwork and laboratory expenses. Student Research Grant is for research in any

area of palynology. **Deadlines: Vary**

PanHellenic Scholarship Foundation

Dedicated to promoting education and leadership, that recognizes and honors exceptional undergraduate students of Hellenic descent, supporting their efforts with significant monetary awards based on academic merit and financial need. **Deadline: January**

Parkinson’s Disease Foundation/American Parkinson Disease Association (PDF-APDA) - Summer Student Fellowship

PDF’s Summer Fellowship supports students, from advanced undergraduates to medical students, in their pursuit of Parkinson’s-related summer research projects. The goal is to cultivate an early interest in the cause and possible treatments for Parkinson’s disease. Fellows work under the close supervision of a sponsor who is an expert in the Parkinson’s community and oversees the project. **Deadline: February**

Peace Scholar Fellowship Program

USIP’s Peace Scholar Fellowship program awards non-residential fellowships to PhD candidates enrolled at U.S. universities who are writing doctoral dissertations on topics related to conflict management, peacebuilding and security studies. **Deadline: October**

Paul and Daisy Soros Foundation Fellowship for New Americans

The Paul & Daisy Soros Fellowships for New Americans program honors the contributions of immigrants and children of immigrants to the United States. Each Fellow receives up to \$90,000 in financial support over two years, and they join a lifelong community of New American Fellows. **Deadline: October**

P.E.O. International Peace Scholarship

The International Peace Scholarship provides scholarships for selected women from other countries for graduate study in the United States and Canada. The maximum amount awarded to a student is \$10,000. **Deadline: Eligibility forms open in September and are due in December**

Pension Real Estate Association (PREA) - Scholarship Program

Scholarships are for students studying real estate at the undergraduate and graduate levels. The scholarship offers support for one year. **Deadlines: Vary**

Peterson’s Graduate Scholarship

Graduate programs are expensive; and there’s often less scholarship money available for post-baccalaureate studies. In order to further our mission of promoting education after high school and lifelong learning, Peterson’s is proud to sponsor a \$2,500 scholarship good toward tuition at a graduate or professional degree program. **Deadline: Varies**

Phi Kappa Phi Fellowships

The Honor Society of Phi Kappa Phi currently awards 54 Fellowships of \$8,500 each, six at \$20,000 each, and two at \$35,000 each to members entering the first year of graduate or professional study. Each active Phi Kappa Phi chapter may select one candidate from among its local applicants to compete for the Society-wide awards. **Deadline: April**

Phillips Exeter Academy Fellowships & Internships

Phillips Exeter Academy is a co-educational residential school serving 1000 students in grades 9 through 12, and even post-graduate level. The school offers one-year internships that vary depending on need of the institution. The three fellowships offered are the Dissertation Year Fellowships, Writer in Residence (George Bennett Fellowship), and the John and Elizabeth Phillips Fellowships. **Deadlines: Vary**

Point Foundation - The National LGBTQ Scholarship Fund - Graduate Scholarship

The Foundation offers scholarships to LGBTQ students in any field pursuing graduate degrees at institutions within the U.S. The scholarship is for up to four years. **Deadline: December**

Population Council - Predoctoral & Postdoctoral Fellowships in Biomedical Research

Fellowships support pre- and postdoctoral advanced study in basic and translational reproductive sciences and HIV and AIDS. Fellows train in the laboratories of the Council's Center for Biomedical Research located on the campus of Rockefeller University in New York City. Fellowships are generally one year, with the possibility of renewal; however, appointments may be made for shorter time periods ranging from 1 to 6 months, depending on funding, project scope, and student exchange visitor status. **Deadlines: Vary**

Portland Cement Association Research Fellowship

Supports graduate student research relating to cement manufacturing, concrete technology, residential, paving, and engineered buildings. **Deadline: April**

Property and Environmental Research Center (PERC) - Short-Term Fellowship for Graduate and Law Students

Fellowships support graduate students and law students interested in researching issues related to natural resources and the environment. Fellows conduct research at PERC in Bozeman, Montana, researching and writing a paper under the supervision of a PERC senior fellow. While at PERC, fellows are required to present two workshops to outline, report on, and summarize their research findings. A paper of publishable quality is the expected result. **Deadline: Varies**

QUAD Fellowship

Science, technology, engineering, mathematics (no clinical health degrees), including behavioral, biological, computer and information, geosciences, and physical sciences. Expected bachelor's degree by August of program year, enrolled in master's or PhD program during award year.

\$50,000 towards tuition, research, fees, board. \$25,000 additional needs-based funding possible. International conference and networking, other programming. Open to US citizens, Indian citizens, Japanese citizens, Australian citizens. **Deadline: uncertain for 2024**

Rainforest Alliance - Kleinhans for Community Forestry Research

The Fellowship supports research that is oriented toward solving real-world problems as defined by community forest enterprises. Examples of potential research topics include: Markets for lesser-known species and non-timber forest products; Biodiversity management practices; Social organization and governance; and multi-community enterprises. **Deadline: February**

Raptor Research Foundation - Grants & Awards

The Raptor Research Foundation provides small research grants for the study of birds of prey. **Deadlines: Vary**

The Leslie Brown Memorial Grant provides financial assistance to promote the research and/or the dissemination of information on African birds of prey. Applications that do not focus on African raptors will not be reviewed for funding. **Deadlines: Vary**

Roberto Rocca Education Program - Doctoral Fellowships in Selected Engineering Disciplines

Fellowships support students who are citizens of Argentina, Brazil, Colombia, Indonesia, Mexico, Venezuela and Romania, who are pursuing doctoral studies outside of their own country in an engineering field. The program is especially interested in candidates whose research offer potential benefits to the steel industry. The fellowship is for two years, renewable for an additional two years. **Deadlines: Vary**

Rob and Bessie Welder Wildlife Foundation - Graduate Research Fellowship

Applicants must contact Foundation staff prior to the deadline with a letter that includes an abbreviated proposal. Select applicants will be invited to submit a formal application. The foundation accepts proposals in the areas of animal behavior, biology, botany, conservation education, ecology, genetics, mammalogy, ornithology, parasitology, range science, veterinary pathology, and wildlife and fisheries sciences. **Deadline: October**

Robert Wood Johnson Foundation - Health Policy Research Scholarship for Underrepresented Doctoral Students

The RWJF Health Policy Scholarship program supports diverse doctoral students from nonclinical, research-focused disciplines in the social sciences whose research contributes to policies promoting a "culture of health." Participants complete their doctoral program concurrently with additional research and leadership activities offered through the RWJF over the course of four years. **Deadlines: Vary**

Rockefeller Archive Center (RAC) - Grants-In-Aid

RAC grants support research in the collections of the Rockefeller Archive Center, which houses the records of the Rockefeller family, Rockefeller University, the Rockefeller Foundation and other philanthropies and associated individuals. **Deadline: November**

Rocky Mountain Nature Association - Short-Term Research Fellowship

Fellowships support graduate students conducting research in Rocky Mountain National Park. The Fellowship offers support for 3-4 months. **Deadline: February**

Rome Prize

For PhD students in ABD status in fields relating to architecture, historic preservation and conservation, literature, music composition, visual art, ancient studies, medieval studies, renaissance and early modern studies, modern Italian studies. Provides funding for 11 months in Rome, housing, meals, private workspace. **Deadline: November**

Rotary Peace Scholarships

Rotary Peace Fellows are leaders promoting national and international cooperation, peace, and the successful resolution of conflict throughout their lives, in their careers, and through service activities. Fellows can earn either a master's degree in international relations, public administration, sustainable development, peace studies, conflict resolution. **Deadlines: Vary**

Royal Anthropological Institute - Ruggles-Gates Fund for Biological Anthropology

The Royal Anthropological Institute administers the Ruggles-Gates Fund, which provides grants for research in biological anthropology. Preference for biology, human genetics, human ethology and palaeoanthropology. **Deadlines: Vary**

Ruckelshaus Fellowship

Social and environmental policy including agriculture and food systems, forests, resilience, climate change, health, science and technology, environment and natural resources, oceans and coasts, water. Bachelor's complete by summer of application year. Placement as project associate and fellow at Meridian in either Dillon Colorado or Washington D.C., 2 years, \$50,000 stipend. US Citizen, permanent residents, international **Deadline: January**

Ruth Abernathy Presidential Scholarship

This award is for graduate students in one of the following fields: health, physical education, recreation, or dance. **Deadlines: Vary**

Samuel H. Kress Foundation - Predoctoral Fellowships in the History of European Art

Fellowships support advanced training in European art history through direct exposure to the object of study, prolonged access to key information resources such as libraries and photographic archives, the development of professional relationships with colleagues, and immersion in

European cultures. **Deadline: November**

School for Advanced Research Resident Scholars Fellowships

For PhD students in anthropology, history, social sciences, humanities who are at the dissertation stage. Program includes special awards for Native American or Latin American scholars. Provides \$30,000 for 9 months in Santa Fe, New Mexico. Recipients are selected based on financial need, academic and personal merit, as well as demonstrated involvement within their respective community. **Deadline: November**

Sigma Gamma Rho Sorority- Scholarships are awarded annually to graduating high school seniors, undergraduate and graduate students studying in a variety of fields who demonstrate financial need. Recipients are selected based on financial need, academic and personal merit, as well as demonstrated involvement within their respective community. **Deadline: See website**

Schlumberger Foundation Faculty for the Future

For International women graduate students (from developing nations) in STEM PhD programs who intend to return to their home country after graduation. **Deadline: November**

Science History Institute - Short-term Travel Grant

Short-term travel grants to researchers studying the history and sociology of the chemical and molecular sciences, technologies, and industries. **Deadline: continuous**

Smithsonian Institution - Graduate, and Postdoctoral Fellowships

Fellowships support research and study in a variety of fields. The Smithsonian, located in Washington, D.C., is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. **Deadlines: Vary**

Smithsonian Institution - Latino Museum Studies Program (LMSP) Summer Practicum

The LMSP aims to increase the representation, documentation, research, knowledge and interpretation of Latino art, culture and history. The program includes a one-week instructional seminar for all participants and a four-week practicum with participants working on specific projects with Smithsonian professionals. **Deadlines: Vary**

Smithsonian Institution - Lemelson Center - Short-Term Doctoral Research Fellowships

The Program supports projects that present creative approaches to the study of invention and innovation in American society. Research topics include, but are not limited to, historical research and documentation projects resulting in publications, exhibitions, educational initiatives and multimedia products. The program provides access to the expertise of the Institution's research staff and the vast invention and technology collections of the National Museum of American History (NMAH). **Deadline: November**

Smithsonian Institution - Lemelson Center - Travel to Collections Awards

The Lemelson Center offers short-term travel grants to support research on the history of invention and innovation based on the holdings of the Museum's Archives Center and curatorial divisions. The collections are particularly strong in personal papers and business records documenting the history of American enterprise and technology. **Deadline: November**

Social Science and Humanities Research Council of Canada (SSHRC) - Doctoral Fellowships

Fellowships support Canadian citizens and permanent residents of Canada pursuing a doctoral degree in the social sciences or the humanities. They aim to develop research skills and assist in the training of highly qualified professionals. The fellowship offers support for 1-4 years.

Deadline: October

Society for Army Historical Research - Travel Grants

Grants are for research that relates to the British Army or of the Land Forces of the British Empire and the Commonwealth. This includes any aspect of the Army and its activities, including reserve or auxiliary units, (Militia, Yeomanry, Fencibles, Volunteers or Home Guard) or the land forces of the Crown, or the offices and institutions which supported them. **Deadline: Continuous**

Society for Historians of American Foreign Relations (SHAFR) - Michael J. Hogan Language Fellowship for Graduate Students

The Hogan Fellowship, of up to \$4,000, is intended to promote research in foreign language sources by graduate students. The fellowship is intended to defray the costs of studying foreign languages needed for research. **Deadline: October**

Society for Historians of American Foreign Relations (SHAFR) - Myrna F. Bernath Fellowship for Women

The fellowships defrays the costs of scholarly research by women that deals with some aspect of U.S. foreign relations history. **Deadline: October**

Society for the Psychological Study of Social Issues (SPSSI) - Small Research Grants

Grants support graduate research on the psychological aspects of important social and policy issues. The grants offers support for one year. **Deadlines: Vary**

Society for the Scientific Study of Sexuality (SSSS) - Graduate Research Grant

Grants are awarded to graduate student members who are doing human sexuality research.

Deadline: March

Society of American Archivists (SAA) - F. Gerald and Elise Ham Scholarship

The scholarship provides financial support to graduate students in a professional archival studies

program. **Deadline: February**

Society of Environmental Toxicology and Chemistry (SETAC) Foundation for Environmental Education - Graduate Research Awards

SETAC supports the study, analysis and solution of environmental problems, the management and regulation of natural resources, research and development and environmental education.

Deadlines: Vary

Society of Exploration Geophysicists (SEG) Foundation Scholarships

Scholarships support research and study in applied geophysics or a closely related field, such as geosciences, physics, geology, or earth and environmental sciences. Scholarships offer support for one year.

Deadlines: Vary

Society of Health and Physical Educators - SHAPE America Cooley Master's Scholarship

This award is for graduate students enrolled in a master's level health education program.

Deadline: October

Society of Hispanic Professional Engineers (SHPE) Foundation - Graduate Scholarships

Scholarships support graduate students in science, technology, engineering or mathematics.

Scholarships are for one year. **Deadline: June**

Society of Naval Architects and Marine Engineers

Naval architecture, marine architecture, ocean engineering, fields related to maritime industry.

Accepted or current graduate student; must be member of SNAME for 4 months. \$21,000 scholarship, 1 year. **Deadline: February**

Society of Women Engineers (SWE) - Scholarships

Scholarships support women admitted to accredited baccalaureate or graduate programs, in preparation for careers in engineering, engineering technology and computer science. The scholarship offers support for one year.

Deadlines: Vary

South East Asian Studies Summer Institute (SEASSI) Tuition Fellowships

United States and international students can apply for SEASSI's tuition scholarships to reduce the fees of the summer institute. FLAS funding can also be used to pay for the summer institute.

SEASSI offers course instruction in Burmese, Hmong, Javanese, Indonesian, Khmer, Lao, Tagalog, Thai and Vietnamese. **Deadlines: Vary**

Spencer Dissertation Fellowship Program

Research on education and learning in any field. PhD student in writing stage of dissertation.

Provides a \$27,500 stipend. **Deadline: October**

Sigma Gamma Rho Sorority Scholarships

Scholarships are awarded annually to graduating high school seniors, undergraduate and graduate students studying in a variety of fields who demonstrate financial need. Recipients are selected based on financial need, academic and personal merit, as well as demonstrated involvement within their respective community. **Deadline: See website**

Sigma Delta Epsilon (SDE)- Graduate Women in Science (GWIS) Fellowship

Fellowships support the increase knowledge in the fundamental sciences and encourage research careers in the sciences by women. The fellowship offers one year of support. **Deadline: Anticipated January**

Sir John Soane's Museum Foundation Traveling Fellowship

Graduate Fellowships provide a \$6000 award for students in graduate degree programs in art history, architecture, interior design, and decorative arts. The fellowship funds a research residency at the Soane Museum oriented towards academic research related to any aspect of the work of Sir John Soane or Sir John Soane's Museum. **Deadline: see website**

Slavin Family Foundation Fellowships

The Slavin Family Foundation offers fellowships to assist students pursuing independent entrepreneurial projects while still in school. There is no set program for fellows; the Foundation tailors its support to the needs of each recipient. The fellowship offers one year of support. **Deadlines: Anticipated February, June, October**

Smithsonian Institution Fellowship Program (SIFP)

Supports students in fields related to animal behavior, ecology, environmental science, anthropology, archaeology, linguistics, astrophysics, astronomy, earth sciences and paleobiology, evolutionary and systematic biology, folk life, history of science and technology, history of art (especially American, African, Asian), materials research, molecular biology, social and cultural history of the U.S. PhD students applying to 10-week program must have at least one semester complete but NOT have advanced to candidacy at time of fellowship; students applying to pre-doctoral fellowships must be at dissertation research stage. **Deadline: November**

Stanton Nuclear Security Fellowship

For students conducting research on nuclear security, history, international relations, or other topics that make them well positioned to address nuclear security issues. PhD student with three dissertation chapters complete, well developed research proposal. One year residential fellowship in Santa Monica, CA, Washington, D.C., or Pittsburgh, PA; provides a \$65,000 stipend. **Deadline: January**

Streit Council - Mayme and Herb Frank Graduate Scholarship

Scholarships support graduate research focusing on Federalism in its application to international

integration. **Deadline: see website**

Strong National Museum of Play - Short-term Research Fellowships

Fellowships provide access to resources on the history of play and playthings. Eligible research projects must benefit from access to collections held by The Strong, including: publications and other materials in The Strong's Brian Sutton-Smith Library and Archives of Play; artifacts from the **collections of The Strong**; and artifacts and other materials related to the work of the International Center for the History of Electronic Games (ICHEG). **Deadlines: April, August, November**

Study Foundation of the Berlin House of Representatives - Predoctoral and Postdoctoral Scholarships for Research

The fellowship supports young researchers from the United States of America, Great Britain, France, and the successor states of the Soviet Union. The fellowship is open to scholars in all fields, in particular the humanities and social sciences, and whose research or study projects deal with Berlin in a broad sense. The grants should be used to advance academic education at all state and state-recognized universities and academic research institutions in Berlin.

The Student Academy Awards is a national student film competition conducted by the Academy and the Academy Foundation. Each year 500-college and university film students from all over the United States compete for awards and cash grants, with films being judged in four categories: Animation, Documentary, Narrative, and Alternative. Film students outside the United States are honored as well. **Deadline: June**

Swann Foundation - Graduate Fellowship for Research on Caricature and Cartoon

The Fellowship supports graduate student research and writing projects in the field of caricature and cartoon. Fellows are required to make use of the Library of Congress collections and be in residence for at least two weeks during the award period. **Deadline: February**

Swiss Benevolent Society of New York Scholarships

Merit based awards for graduate study and professional programs both in the U.S. and abroad. Applicants must be or have parents who are Swiss nationals. **Deadline: see website**

Swiss Friends of the USA

The Company Swiss-American Society awards per year CHF 15'000-20'000 on scholarship contributions. These contributions are intended as a funding supplement and be in 5-7 candidates who are either Swiss or have long ties with Switzerland. **Deadline: see website**

Technion/Israel Institute of Technology - Lady Davis Fellowship Trust - Graduate and Postdoctoral Fellowships

Fellowships support graduate students and postdoctoral fellows from outside of Israel who wish to study or conduct research at Technion (Israel Institute of Technology) in Haifa.

Deadline: see website

Temple University - Feinstein Center Summer Research Fellowship

Fellowships support doctoral students conducting research in the American Jewish experience. The fellowship offers support for one summer. **Deadline: March**

The Sweden-American Foundation

Every year, the Sweden-America Foundation awards fellowships for Graduate, Postgraduate and Post Doc Studies in the United States and Canada. Swedish citizens with a completed undergraduate degree are eligible to apply. **Deadline: see website**

Thermo Fisher Scientific Antibody Scholarship Program

The Thermo Fisher Scientific Antibody Scholarship Program will award scholarships to eligible life science students. This Program will award one (1) \$10,000 scholarships and five (5) \$5,000 scholarships. All scholarship award payments will be made directly to the college or university at which the recipient is enrolled, upon receipt of all documentation from the recipient necessary to process payment. **Deadline: January**

Torrey Botanical Society - Graduate Student Research Grant

Grants support graduate research in plant science with a field work component.

Deadline: January

Toyota Foundation - Research Grants

Grants support projects that adopt a panoramic view of the world and look generations into the future in order to seek new values for society by fundamentally exploring novel philosophies and arts to address difficult issues to be faced by future society; issues that are on a global scale; issues that transcend generations; and nascent problems that will only fully manifest themselves in the future. **Deadline: June**

Transformer Association - Graduate Scholarship

Scholarships support graduate students who have exhibited an interest in transformers or power conversion design and might be considering a career in the transformer industry. The scholarship offers support for one year. **Deadline: May**

Trudeau Foundation - Predoctoral Scholarships for Canadians in Social Sciences or Humanities

Scholarships support Canadian students in the social sciences and humanities who are in their

1st or 2nd year of doctoral study. The fellowship offers three years of support. Candidates must be pursuing research related to one of four founding themes of the Foundation: **Human Rights and Dignity; Responsible Citizenship; Canada in the world; People in their natural environment.** **Deadline: December**

Tylenol - Future Care Scholarship for Medical/Graduate Students in Health Professions

The scholarship supports students pursuing careers in healthcare who have displayed academic excellence, exemplary leadership, community involvement, and dedication to a career of caring for others. **Deadline: August**

U.S. Department of the Interior - Joint Fire Science Program (JFSP) - Graduate Research Innovation (GRIN) Award

Fellowships support graduate student research in the fields of wildland fire and related human dimensions, ecological, and atmospheric sciences that will develop information and products useful to managers and decision-makers. **Deadline: December**

U.S. Science Support Program (USSSP) - Schlanger Ocean Drilling Graduate Fellowship Program

Fellowships support graduate research related to the International Ocean Discovery Program, an international program of basic research in marine geosciences that explores the Earth's history and environment. Fellows may travel to Lamont-Doherty Earth Observatory to present the initial results of their research and take part in U.S. Science Support Program-related activities during the summer after the conclusion of the fellowship. The fellowship offers \$30,000 for 12 months.

Deadline: December

United States Capitol Historical Society - Capitol Fellowship Program

Fellowships support to scholars researching important topics in the art and architectural history of the United States Capitol Complex. The proposed topic must directly relate to some elements of art or architecture within the United States Capitol complex: the Capitol, the congressional office buildings, the Library of Congress buildings, the Supreme Court buildings, and the Botanic Garden. Fellows are expected to be in residence and devote full time to their research during the fellowship period. The fellowship offers support for one month to one year. **Deadline: March**

University of California, Los Angeles (UCLA) - Center for 17th & 18th Century Studies - Short-Term Fellowships for Dissertation Research

Fellowships support predoctoral and postdoctoral research in the field of 17th and 18th-century studies. See website for more specific information on these fellowships and eligibility.

Deadline: February

University of California, Los Angeles (UCLA) - Center for Medieval and Renaissance Studies - Research Fellowship

Fellowships support the use of UCLA Library Special Collections' extensive holdings in medieval and Renaissance manuscripts and printed books. The fellowship offers up to three months of support. **Deadline: April**

University of Iowa - Iowa Women's Archives - Kerber Fund Travel Grant

Grant supports travel to Iowa City, Iowa, to conduct research in the Iowa Women's Archives. Applicants from a variety of backgrounds are encouraged to apply. The strengths of the Iowa Women's Archives include rich collections on the history of the women's movement, political activism, African Americans, rural women, and Latinas, especially in the nineteenth and twentieth centuries. The collections are global in scope. **Deadline: April**

University of Miami - Cuban Heritage Collection (CHC) - Goizueta Foundation Dissertation Research Fellowships

The CHC Fellowships provide assistance to graduate students who wish to use the research resources available at the Cuban Heritage Collection at the University of Miami. Fellowships are available to doctoral candidates engaged in studies at U.S. institutions. **Deadline: see website**

University of Michigan - Bentley Historical Library - Travel and Research Grants

Two fellowships encourage research and writing based on the holdings of the Bentley Historical Library. They offer support to facilitate travel to the library and to underwrite research related expenses. The Michigan Historical Collections is a broadly conceived archival collection that documents the history of the state of Michigan. **Deadlines: March and October**

University of Minnesota - LacCore and Continental Scientific Drilling Coordination Office (CSDCO) - Visiting Graduate Student Program

The CSD Facility invites applications to a competitive award program for graduate students working with core samples from continental localities, including lakes. These \$1000 grants can be used to support student travel to Minneapolis, core shipment, lodging while at the facility, lab fees, and supplies consumed in initial core description (ICD). Funds supplement the low-cost instrument access, staff support, and training offered to all visitors. **Deadline: April**

University of Wisconsin-Madison - Center for Southeast Asian Studies Summer Institute (SEASSI) - Language Study Scholarship and Tuition Grant

The Center offers intensive summer language courses in Burmese, Hmong, Indonesian, Khmer, Lao, Tagalog, Thai and Vietnamese. In previous years, the Center has also offered Javanese language classes. **Deadline: March**

UNESCO/Japan Young Researchers' Fellowship Programme Fellowships

Young researchers with advanced degrees (M.A., M.Sc. or equivalent) from developing countries majoring in one of our areas: environment, intercultural dialogue, information and communication technologies, and peaceful conflict solution. **Deadline: see website**

Vertical Flight Foundation (VFF) / American Helicopter Association (AHS) International - Scholarship

Scholarships support graduate students pursuing careers in vertical flight technology. Applicants from technical disciplines relevant to complex aeronautics/aeronautics engineering or aviation systems, even if not directly considered vertical lift engineering, will receive equal consideration. The scholarship offers support for one year. **Deadline: February**

Vienna Wiesenthal Institute for Holocaust Studies - Graduate and Postdoctoral Research Fellowships

Residential fellowships support research on antisemitism, racism, and the Holocaust in its European context, including its antecedents and its aftermath. Fellows will have access to the archives of the VWI in Vienna, Austria, and it is expected that fellows will make use of relevant resources from the collection in their research projects. **Deadline: see website**

W.F. Albright Institute of Archaeological Research - Doctoral and Postdoctoral Fellowships and Awards

The Albright annually offers fellowships to students and scholars in Near Eastern studies from prehistory through the early Islamic period, including the fields of archaeology, anthropology, art history, Bible, epigraphy, historical geography, history, language, literature, philology and religion and related disciplines. The research period should be continuous, without frequent trips outside the country for most fellowships. **Deadlines: vary**

Washington University - Max Kade Center for Contemporary German Literature - Summer Research Grants

Grants support dissertation research by U.S. and Canadian graduate students using the Contemporary German Literature Collection at Washington University's Olin Library in St. Louis. The grants must be used between mid-May and mid-August. **Deadline: March**

Water Environment Federation - Canham Graduate Studies Scholarship

Scholarships support graduate study in the water environment field. The scholarship offers support for one year. **Deadline: March**

Waterbird Society - Research Grants

Small grants are for research in the science and conservation of waterbirds. **Deadline: February**

Welder Wildlife Foundation Graduate Fellowships

For M.S. or PhD students in animal behavior, biology, botany, conservation education, conservation social sciences, ecology, ecosystem services, genetics, mammalogy, ornithology, parasitology, range science, veterinary pathology, and wildlife sciences. **Deadline: October**

Wenner-Gren Dissertation Fieldwork Grant

For anthropology PhD students who have completed all classwork and exams. \$25,000 stipend to fund fieldwork. **Deadline: November**

Woman's National Farm and Garden Association (WNF&GA), Sarah Bradley Tyson Memorial Fellowship

Scholarships are awarded annually to a post-baccalaureate, full-time graduate student who is studying, or will study, at an accredited institution in the United States and who wishes to pursue a career in agriculture, horticulture or related fields of study. **Deadline: May**

Woman's National Farm and Garden Association (WNF&GA), Scholarship for the Study of Conservation and Natural Resources Management-

One scholarship will be awarded annually to a post-baccalaureate, full-time graduate student who is studying, or will study, at an accredited institution in the United States, and who wishes to pursue a career in conservation and natural resource management or related fields of study. Preference will be given to a candidate with a strong commitment to the environment and to the management and preservation of natural resources as evidenced through the candidate's achievements and work-related, volunteer or other community activities. **Deadline: May**

Woods Hole Oceanographic Institution (WHOI)- Geophysical Fluid Dynamics

Fellowship- Graduate students and researchers from a variety of fields who share a common interest in the nonlinear dynamics of rotating, stratified fluids are eligible for the fellowship. These fields include classical fluid dynamics, physical oceanography, meteorology, astrophysics, planetary atmospheres, geological fluid dynamics, hydromagnetics, physics and applied mathematics. Students participate in an intense ten-week research experience, and vigorous discussions of concepts that span different disciplines. Fellows will have the opportunity to pursue a research project under the supervision of staff and present a lecture and a written report for a proceedings volume. Fellows accepted to participate in the GFD Program will receive a stipend and an allowance for travel expenses within the United States. **Deadline: February**
