

Upcoming Fellowship Deadlines

January - April

Office of Graduate Fellowships and Awards
Florida State University

Office of Graduate Fellowships and Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit ogfa.fsu.edu to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Click below to schedule a meeting with OGFA

GET STARTED

Remember, you can find more opportunities using **Pivot**, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Master's - Opportunities for graduate students pursuing a master's degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's

January

PADI Foundation Grant

Grants to support underwater science, environmental projects, and education

American Psychological Association Psychological Science Research Grant

The intent of this grant is to fund innovative psychological science research projects. Graduate students in all fields of psychology and neuroscience, and who are APAGS members are eligible to apply. Funds for this \$1,000 grant must be used to support direct costs related to the proposed research (e.g., participant payment, software purchases). This grant may be used for thesis, dissertation or other research.

Guy Harvey Scholarship Award

Supports graduate students enrolled full-time at Florida institutions of higher education conducting research related to the biology, ecology, habitat or management of fish in Florida's waters. Scholarships are \$5,000 each.

Graduate Women in Science National Fellowships Program

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women.

American Association of Family & Consumer Sciences National Graduate Fellowship

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespans.

Spencer Educational Foundation RIMS Part-time Master's Scholarship

The Spencer Educational Foundation awards Part-time Master's Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to \$10,000 to cover tuition and fees.

McKnight Doctoral Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph.D. degrees, the McKnight Doctoral Fellowship provides up to five years of support, with a stipend plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website are eligible to apply.

Hurst Review/American Association of Colleges of Nursing Scholarship

Scholarships of \$2,500 are awarded twice annually to students pursuing professional nursing degrees.

Dr. Raymond and Rosalee Weiss Research Endowment

Award for students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

Government Finance Officers Association

Goldberg-Miller Public Finance Scholarship

\$15,000 award for full-time graduate students anticipating a career in state/local government finance.

Government Finance Professional Development Scholarship

Four \$10,000 awards to be given to part-time graduate students working in public administration, (governmental) accounting, finance, economics, or business administration (government focus).

Boren Fellowship

Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

Spencer Educational Foundation Graduate Scholarships

Scholarships with particular eligibility criteria for master's and pre-dissertation PhD students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture

Annual research grant for graduate students in biology or horticulture to study at a botanical garden.

SMART Fellowship through the Department of Defense (DOD)

Supports undergraduate and graduate students pursuing degrees in science, technology, engineering and mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DOD laboratories.

National Defense Science and Engineering Graduate Fellowship

As a means of increasing the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance, the Department of Defense awards graduate fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

Golden Key Graduate Scholar Award

Scholarship for Golden Key members who have proven academic excellence combined with a solid range of extracurricular activities.

LAGRANT Graduate Scholarships

\$3,750 awards for minority students pursuing graduate degrees in advertising, marketing or public relations. Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

Nuclear Engineering Science Laboratory Synthesis (NESLS) Program

The Oak Ridge National Laboratory NESLS Program provides current undergraduates and graduates with the opportunity to conduct research and participate in associated activities related to nuclear engineering. Participants receive in-depth training and have flexible appointments in Spring, Summer, or Fall. Participants have a minimum 10-week stay either full-time or part-time and receive a weekly stipend, housing allowance, and other benefits.

February (Master’s)

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Arizona State University Critical Languages Awards

The Critical Languages Institute (CLI) at Arizona State University’s Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship

Fellowship for graduate students currently studying theology, philosophy, economics, or related fields; research must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Intercollegiate Studies Institute Graduate Fellowships

This fellowship program funds research that seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Freedom Summer Collegiate Fellowship

Summer fellowship for teachers to design a 4-week course and work with traditionally underserved groups.

Society for Manufacturing Engineers Scholarship

Scholarships designed to encourage students to choose a manufacturing-focused education.

Mathematica Center Summer Fellowship in Disability Policy Research

Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica’s Washington, D.C., office to learn more about conducting an independent research project related to disability policy.

Daughters of the American Revolution Scholarships

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted/attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendant of member, or eligible for membership in DAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a U.S. citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program
Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

Florida Gubernatorial Fellows Program
Non-partisan program immerses students from public and private universities in key areas of state government.

Now Is the Time: Minority Fellowship Program - Youth
Fellowship for students enrolled in a Marriage and Family Therapy master’s program interested in providing service to the nation’s youth.

National Strength and Conditioning Association Grants and Scholarships
Grants and scholarships for students researching questions related to strength training and/or conditioning.

ORISE Evaluation Fellowship Opportunity at the CDC
Fellows work under the leadership of the CDC’s Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure the activities build the knowledge base of the program and enhance the professional development of the Fellow.

Smithsonian/Archives of American Art Fellowships and Internships
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

American Musicological Society - Howard Mayer Brown Fellowship
Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

March (Master’s)

Space Medicine Association Jeffrey R. Davis Scholarship
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowships for Nutrition Research
Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

American Library Association

American Library Association Kino Lorber EDU/Video Round Table Scholarship
Provides financial assistance, encouragement, and a fuller understanding of the distribution industry to future media librarians.

American Library Association Spectrum Scholarship
Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship
Annual scholarship for an ALA or library support staffer who is a U.S./Canadian citizen or permanent resident and is pursuing a Master’s of Library Science degree at an ALA-accredited program.

Mineralogical Society of America Grant for Research in Crystallography
Awards of up to \$5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, bio mineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

John A. Knauss Marine Policy Fellowship
A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

National Association of Social Workers Foundation Scholarships

Consuelo W. Gosnell Memorial Scholarship
Grant awarded to master’s degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship
Grant awarded to master’s degree candidates in social work who have an interest in or experience with, health/mental health practice and who demonstrate commitment to working in African American communities.

James Madison Graduate Fellowships
Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

Education for Sustainable Energy Development Scholarship
Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

Frédéric Bastiat Fellowship
This one-year, competitive fellowship is awarded to graduate students attending master’s, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Sigma Xi Grants-in-Aid of Research
The program awards grants of up to \$1,000 to students from all areas of the sciences and engineering and up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

American Physical Society Bridge Fellowship

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Sertoma Communicative Disorders Scholarship

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

International Furnishings and Design Association Educational Foundation

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues

Stipend for graduate students researching airport and related aviation system issues.

Summer Fellowship in Disability Policy Research

Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica’s Washington, D.C., office to learn more about conducting an independent research project related to disability policy.

National Strength and Conditioning Association Grants and Scholarships

Grants and Scholarships for students researching questions related to strength training and/or conditioning.

Neotropical Grassland Conservancy (NGC) Student Grant Program

The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

NASA Earth and Space Science and Technology (FINESST) Fellowship

A program that supports graduate students in basic and applied research in Earth science and space science. Awards of \$45,000 per year are made for up to three years.

Florida Space Grant Consortium Masters Fellowship Program

Intended to reward and attract the best and the brightest US citizens to space-related careers, this Fellowship offers \$10,000 for full time master’s students.

April (Master’s)

WIIT Scholarship Program

Program is designed to provide financial assistance to further educational objectives of women who are interested in international development, international relations, international trade and economics, or international business.

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies. (Additional deadlines in February and June.)

American Cancer Society Graduate Scholarships in Cancer Nursing

Supports graduate students pursuing a master’s degree in cancer nursing or doctorate of nursing practice (DNP). Awards may be for two years, with stipend of \$10,000 per year.

Davis-Putter Scholarship

Need-based funding for graduate students who are actively working for peace and justice.

Council on International Exchange Grants and Scholarships

Multiple awards for students who excel in academic pursuits and are devoted to specialized areas of study as well as for students who have historically been unable to study abroad because of financial circumstances.

Richard A. Horovitz Fund for Professional Development

To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

Wilson Center Internships with the Middle East Program

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Pediatric Endocrinology Nursing Society Academic Education Scholarship

Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Harwood Visiting Research Fellowships

Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a \$250/week living stipend and lunch during most work days. A travel stipend of \$750 is also provided for fellowships lasting 10 weeks or more (\$1500 for those outside of the US & Canada).

High Energy Laser and High Power Microwave Technologies Scholarships

One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Mary Murphy Graduate Scholarship

Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.

Academy of Nutrition and Dietetics Foundation Scholarships

Scholarships ranging from \$500 to \$10,000 for research in nutrition and dietetics.

Kappa Omicron Nu Research Fellowship

The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

American Society of Interior Designers Foundation

Irene Winifred Eno Grant

Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students

This \$4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award

Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science

The purpose of IFER’s Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

Doctoral

January

PADI Foundation Grant

Grants to support underwater science, environmental projects, and education

International Literacy Association Steven A. Stahl Research Grant

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

American Antiquarian Society Short-Term Visiting Academic Research Fellowships

Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Predoctoral Fellowship in Mental Health and Substance Abuse Services

Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students in behavioral health services. Minorities are especially encouraged to apply.

U.S. Army Center of Military History Dissertation Fellowships

Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

American Medical Association Scholarships

The program provides funding to support medical students, physician residents, and fellows.

Phi Beta Kappa Mary Isabel Sibley Fellowship

Awarded alternately in the fields of Greek and French. It carries a stipend of \$20,000 and is not restricted to members of Phi Beta Kappa or to U.S. citizens. Fellows must be finished with all doctoral requirements except the dissertation.

National Science Foundation Mathematical Sciences Graduate Internship (MSGI)

The National Science Foundation (NSF) Division of Mathematical Sciences (DMS) aims to provide opportunities for mathematical sciences doctoral students to participate in internships at federal national laboratories, industry and other approved facilities.

Josephine de Karman Fellowship

\$24,000 grant awarded to doctoral candidates whose scholastic achievements reflect Professor Von Karman's high standards. De Karman fellowships are open to students in any discipline, and fund the writing of the dissertation.

Florida Education Fund

McKnight Dissertation Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

McKnight Doctoral Fellowship

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph. D. Degrees. The McKnight Doctoral Fellowship provides up to five years of support, with a stipend plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website are eligible to apply.

Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program

Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Applied Research Grant

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

NSF Biological Anthropology - Doctoral Dissertation Research Improvement Grant

NSF BA-DDRIG grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's web-page for specific information.

NMFS-Sea Grant Joint Fellowship Program

Joint NOAA Fisheries/Sea Grant graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for Ph.D. students to provide real-world experience to graduate students and accelerate their career development.

Boren Fellowship

Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Chateaubriand Fellowship

Fellowship offered by the Embassy of France in the United States to fund doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Department of Energy Computational Science Graduate Fellowship

Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can apply high performance computing to their disciplinary areas.

Leakey Foundation Research Grants

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

Spencer Educational Foundation Graduate Scholarships

Scholarships with particular eligibility criteria for master’s and pre-dissertation PhD students studying education.

Catherine H. Beattie Fellowship in Conservation Horticulture

Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

Center for Retirement Research at Boston College Dissertation Fellowship Program

Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

American Sociological Association Minority Fellowship Program

Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

Intercollegiate Studies Institute Graduate Fellowships

Fund works that seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Space Medicine Association Jeffrey R. Davis Scholarship

The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowship

Fellowships from \$2,000 to \$5,000 for students enrolled in nutrition research graduate programs in the U.S.

Parkinson’s Disease Foundation Summer Student Fellowship

Fellows work under the close supervision of a sponsor who is an expert in the Parkinson’s community and oversees the project.

Women Divers Hall of Fame Scholarship

WDHOF provides educational, mentorship, financial, and career opportunities to the diving community throughout

the world. Each year, WDHOF awards scholarships and training grants that provide financial and educational support to individuals of all ages, particularly those who are preparing for professional careers that involve diving.

Economic History Association: Dissertation Fellowships and Research Awards

Grants support members to undertake research on every phase of economic history, broadly defined.

National Oceanic and Atmospheric Administration Fisheries/Sea Grant Graduate Fellowship

Joint NOAA Fisheries/Sea Grant graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for PhD students to provide real-world experience to graduate students and accelerate their career development.

Graduate Women in Science National Fellowships Program

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income supporting research done by SDE/GWIS award winners.

Institute for Supply Management Doctoral Dissertation Grant Program

Program exists to encourage and develop doctoral students in supply management and closely related areas interested in procurement, supply management and supply chain management to pursue and complete research in these fields of study.

Mellon Scholars Program in African American History

Dissertation fellowship designed to increase the participation of scholars from underrepresented backgrounds and others in the field of African American history prior to 1900.

February (Doctoral)

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Lillian E. Smith Writer-In-Service Award

The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a \$500 honorarium, and a \$500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

American Association of Marriage and Family Therapy

Doctoral Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation’s youth.

Dissertation Completion Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

Smithsonian/Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Educational Testing Service (ETS) Summer Internship Program in Research

Students participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Harry Frank Guggenheim Dissertation Fellowships

Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Harry S. Truman Library Dissertation Year Fellowship

Dissertation Year Fellowships that are intended to encourage historical scholarship on the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship

Funds scholars completing dissertations that shed light on American politics, public policy, foreign relations, global impacts on the US media and politics, and the role of the presidency in shaping American political development.

PhRMA Pre Doctoral Fellowships

Fellowships for students who expect to complete their Ph.D. in two years or less from the time the fellowship begins. Offered in five areas: Health Outcomes, Informatics, Pharmaceuticals, Pharmacology/Toxicology.

Freedom Summer Collegiate Fellowship

Summer fellowship for teachers to design a 4-week course and work with traditionally under served groups.

Society for Manufacturing Engineers Scholarship

Scholarships designed to encourage students to choose a manufacturing focused education.

American Meteorological Society Scholarships Minority Scholarships

Funding for minority students who have been traditionally underrepresented in the sciences, especially Hispanic, Native American, and Black/African American students.

Mathematica Center for Studying Disability Policy

Summer Fellowship in Disability Policy Research

Opportunity for students in master's or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica's Washington, D.C., office to learn about conducting an independent research project related to disability policy.

Dissertation Fellowship Program

Offers financial support to students conducting doctoral dissertation research on topics consistent with the DRC's mission. In contrast with the summer fellows program, dissertation fellows remain at their home institution, with financial support provided to continue cutting-edge dissertation research.

Organization for Autism Research Graduate Research Grant

The Graduate Research Grant Competition offers grant awards of \$1,000 for students conducting autism research as a requirement in pursuit of a master's degree and \$2,000 for students who are doctoral candidates or post-doctoral students.

Arizona State University Critical Languages Institute Awards

The Critical Languages Institute (CLI) at Arizona State University's Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad. Tuition waiver, scholarships, and fellowships available.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program

Fellowships for prospective and current science graduate students interested in researching yogurt and probiotics.

Daughters of the American Revolution Scholarships

Caroline E. Holt Nursing Scholarship

One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship

One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Occupational/Physical Therapy Scholarship

One-time scholarship for students in financial need and accepted or are attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship

One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendant of member, or eligible for membership in DAR.

Alice W. Rooke Scholarship

One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship

Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship

Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship

One-time scholarship to a deserving female student who is a US citizen attending medical school.

DAR Centennial Scholarship

Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States. **(only available until 2026)**

Arthur Lockwood Beneventi Law Scholarship

One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Center for Jewish History Graduate Research Fellowship

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

American Jewish Archives Fellowship

The Marcus Center's Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program scholars travel to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion.

Egg Nutrition Studies and Research Grants

The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

NSF Sociology Program Doctoral Dissertation Research Improvement Awards

NSF Soc-DDRI grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's web-page for specific information.

Rocky Mountain Mineral Law Foundation Scholarship

Scholarship opportunities for law students who demonstrate a commitment to the study of natural resources law.

Florida Gubernatorial Fellows Program

Non-partisan program immerses students from public and private universities in key areas of state government.

National Science Foundation Geography and Spatial Sciences Doctoral Dissertation Research Improvement Awards

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's web-page for specific information.

American Musicological Society

William Holmes / Frank D'Accone Endowment

The Holmes/D'Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Alvin H. Johnson AMS 50 Dissertation-year Fellowships

Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

The Howard Mayer Brown Fellowship

Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

March (Doctoral)

John A. Knauss Marine Policy Fellowship

A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

Doris Duke International Clinical Research Fellowship

Provides an opportunity for up to three US medical students with at least two years of medical school training to complete a yearlong international clinical research project in one of four locations: India, Kenya, Peru, or Tanzania.

American Psychological Foundation Esther Katz Rosen Fund Grants

Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from \$1,000 to \$50,000.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity

The American Society of Criminology encourages students of color, especially those underrepresented in the field, to pursue criminology and criminal justice.

American Library Association Spectrum Scholarship

The Spectrum Scholarship Program is a commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians for the ALA.

Botstiber Institute for Austrian-American Studies Fellowships & Grants

The fellowship will be awarded to a scholar or professional to promote an understanding of the historic relationship between Austria and the United States. A grant of up to \$30,000 will be considered to support salary, travel, or other necessary expenses.

Mercatus Center

Adam Smith Fellowship

The Adam Smith Fellowship is a co-sponsored program of the Mercatus Center and Liberty Fund, Inc. and meant for students in PhD programs in a variety of fields including economics, philosophy, political science, and sociology.

Frédéric Bastiat Fellowship

The Frédéric Bastiat Fellowship is a one-year, competitive fellowship program awarded to graduate students attending master's, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Association for the Study of the Middle East and Africa Research Grants Program

Grants up to \$2,500 to support the study of the Middle East and Africa. Applicants must be ASMEA members and enrolled in a Ph.D. program. Recipients will be required to present their research at the annual ASMEA conference in Washington, D.C.

Sigma Xi Grants-in-Aid of Research

The program grants of up to \$1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences allow for grants of up to \$5,000 for astronomy research and \$2,500 for vision-related research. Students may use the funding to pay for travel expenses or to purchase non-standard laboratory equipment.

American Physical Society Bridge Fellowship

The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students.

Sertoma Communicative Disorders Scholarship

Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund

The fund is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

International Furnishings and Design Association Educational Foundation

Vercille Voss IFDA Graduate Student Scholarship

Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship

Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Dissertation Grant in Cold War History

\$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

Davis-Putter Scholarship

Need-based funding for graduate students who are actively working for peace and justice.

Eileen Blackey Doctoral Fellowship

Fellowship for social work doctoral candidates who are engaged in dissertation research in welfare policy and practice.

NASW Foundation Social Work HEALS Policy Fellowship

One-year fellowship for social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work specific opportunity to use their social work knowledge and research experience to work in Washington, D.C., on critical health policy issues facing our nation.

Beta Phi Mu Eugene Garfield Doctoral Dissertation Fellowship

Awards for doctoral students who are working on their dissertations in Library and Information Science, Information Studies, Informatics, or a related field.

Society for Historians of American Foreign Relations Dissertation Completion Fellowship

SHAFR will make two, year-long awards in the amount of \$25,000 each to support the writing and completion of the doctoral dissertation in the field of U.S. foreign relations history or international history.

Robert Wood Johnson Health Policy Research Scholars

This is a new leadership development opportunity for full-time doctoral students from underrepresented populations or historically disadvantaged backgrounds training to be researchers in health policy research.

American Association of Family & Consumer Sciences National Graduate Fellowship

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession.

Link Foundation Modeling, Simulation, & Training Fellowships

Program fosters advanced research in modeling, simulation, and training, enabling Ph.D. students to research full-time and disseminate the results of that research through conferences, journals, and other publications.

Scholarships in Waste Management Research and Education

Recognize graduate student excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Academy of Audiology Student Summer Research Fellowship

The purpose of this summer research fellowship is to expose students who are interested in research or wishing to pursue a career in research to a stimulating research environment under the guidance of a mentor.

American Academy of Audiology Student Investigator Research Grant

The purpose of this grant is to support doctoral students working toward a degree in audiology or hearing science who wish to complete a research project as part of their course of study.

Fulbright-Hays Doctoral Dissertation Research Abroad Program

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

April (Doctoral)

Wilson Center Internships with the Middle East Program

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Harriet Evelyn Wallace Doctoral Student Scholarships for Women

Scholarships support female geoscientists pursuing graduate degrees. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

Harry S. Truman Library Research Grant

Research Grants of up to \$2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum.

American Institute of Afghanistan Studies John F. Richards Fellowship Program

Invites applications for support of short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

High Energy Laser and High Power Microwave Technologies Scholarships

One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Fahs-Beck Doctoral Dissertation Grant Program

Grants up to \$5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Student Leadership Awards

Sponsored by HENAAC, \$1,000 scholarship for STEM graduate students of Hispanic decent that demonstrate leadership excellence.

History of Science Society Fellowships in Aerospace History

The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholarly research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present.

Pediatric Endocrinology Nursing Society Academic Education Scholarship

Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Harwood Visiting Research Fellowships

Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a \$250/week living stipend and lunch during most work days. A travel stipend of \$750 is also provided for fellowships lasting 10 weeks or more.

Society for the History of Technology (SHOT)

The SHOT-NASA Fellowship in the History of Space Technology

This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project related to the history of space technology including cultural and intellectual history, institutional history, economic history of law and public policy, and history of engineering and management.

Melvin Kranzberg Dissertation Fellowship

Supports a doctoral student engaged in the preparation of a dissertation on the history of technology, broadly defined.

Sociologists for Women in Society

Barbara Rosenblum Dissertation Scholarship for the Study of Women and Cancer

Scholarship is designed to encourage doctoral research on women’s experience of breast cancer and other reproductive cancers, as well as the prevention of these cancers. The scholarship also supports efforts to make sociological research on these topics available to the public.

Beth B. Hess Memorial Scholarship

Scholarship is awarded to a dissertation writing PhD student who has studied for at least one full academic year at a two-year college in the U.S., before transferring to complete a BA.

Esther Ngan-Ling Chow and Mareyjoyce Green Scholarship

Scholarship offers support to women scholars who are from underrepresented groups and are studying concerns that women of color face domestically and/or internationally.

American Musicological Society

Virginia and George Bozarth Travel Fund

Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund

The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Eugene K. Wolf Travel Fund

Intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on a topic in European music.

H. Robert Cohen Fund

Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

Ora Frishberg Saloman Fund

Supports musicological research oriented to music criticism and reception history.

NIH Ruth L. Kirschstein National Research Service Award (F31)

The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to enhance the individual's potential to develop into a productive, independent research scientist.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship

Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

ORISE Evaluation Fellowship Opportunity at the CDC

Fellows work under the leadership of the CDC's Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected to ensure that activities build the program's knowledge base and enhance the fellow's professional development.

Mary Murphy Graduate Scholarship

Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

American Geophysical Union Horton Research Grant in Hydrological Sciences

Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

IMA Doctoral Summer Research Scholarship Program

Program to help alleviate the need for doctoral students in business, accounting, finance, management, and related areas to assume teaching responsibilities during the summer.

Academy of Nutrition and Dietetics Foundation Scholarships

Scholarships ranging from \$500 to \$10,000 for research in nutrition and dietetics.

Irene Winifred Eno Grant

Provides financial assistance to individuals or groups developing an educational program(s) or project that is dedicated to health, safety, and welfare.

Legacy Scholarship for Graduate Students

This \$4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award

Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

Autism Speaks Pre-Doctoral Fellowship Program

Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to educating young scientists pursuing autism research.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science

The purpose of IFER's Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

Kappa Omicron Nu Research Fellowship

The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

National Wildlife Federation Eco-leaders Program

National Wildlife Federation Eco Leader Graduate Student Fellows help to educate and engage the Eco-leaders community through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with National Wildlife Federation staff on research that helps expand the content and development of the Eco-leaders program. This program helps college students and recent graduates use project-based learning to develop their environmental leadership and sustainable career goals. **(currenty on hold)**

Association for Consumer Research Transformative Consumer Research Grant

Grants for consumer research projects that are focused on matters of well-being.

Government Finance Officers Association

Daniel B. Goldberg Scholarship

A non-renewable \$12,000 scholarship offered to a full-time graduate student who is preparing for a career in state and local government finance.

Government Finance Professional Development Scholarship

Scholarship supports the studies of part-time students admitted to a graduate program in public administration, finance, business administration or a related field.

Minorities in Government Finance Scholarship

Minority students majoring in public administration, accounting, finance, political science, economics or business administration (with a specific focus on government or nonprofit management) at the upper-division undergraduate or graduate level.

Frank L. Greathouse Government Accounting Scholarship

For graduate students preparing for careers in state/local government finance in the U.S. or Canada.

American College of Sports Medicine

Dr. Raymond A. Weiss Research Endowment

Established for ACSM students in exercise science. One project will be funded for applied research, with the intent of applying results to programs involving physical activity and sports. The psychological/emotional benefits of physical activity are particularly important to the endowment’s benefactors.

ACSM Foundation Doctoral Student Research Grant

Research grants for doctoral students up to \$5,000 for a one-year period. The awards are to be used for experimental subjects, supplies, and small equipment needs.

Carl V. Gisolfi Memorial Fund

Funds research in thermo-regulation, exercise, and hydration. In support of increasing diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

National Institute of Justice Research Assistantship Program

The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.

Travel

January

Mid Atlantic Arts Foundation US Artists International Grants

Funding for American artists to perform at cultural festivals/art marketplaces around the globe.

Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity

Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

Chateaubriand Fellowship

Every year, the Embassy of France in the United States funds doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Center for Jewish History Graduate Research Fellowship

Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center's partners: American Jewish Historical Society, American Sephardi Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research.

American School of Classical Studies at Athens Fellowships and Grants

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

The Multi-Country Research Fellowship

The CAORC Multi-Country Research Fellowship Program supports advanced regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and postdoctoral scholars examining comparative and/or cross-al research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

Boren Fellowship

Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Eurasia, Latin America, and the Middle East.

Catherine H. Beattie Fellowship in Conservation Horticulture

Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

RAND Graduate Student Summer Associate Program

Program designed to introduce students to RAND, a research institution for national security problems and domestic and international social policies. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

Andrew W. Mellon Mediterranean Regional Research Fellowship

Focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers.

Nuclear Engineering Science Laboratory Synthesis (NESLS) Program

The Oak Ridge National Laboratory NESLS Program provides current undergraduates and graduates with the opportunity to conduct research and participate in associated activities related to nuclear engineering. Participants receive in-depth training and have flexible appointments in Spring, Summer, or Fall. Minimum 10-week stay, full- or part-time, weekly stipend, housing allowance, and other benefits.

February (Travel)

Department of Homeland Security HS-STEM Summer Internship Program

Department of Homeland Security HS-STEM Summer Internship Program 10-week summer internship in a broad spectrum of research areas for students majoring in Homeland security disciplines related to science, technology, engineering, and mathematics.

Educational Testing Service (ETS) Summer Internship Program in Research

Students will be selected to participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

University Research Association Visiting Scholars Program

Funding for visits to work at Fermilab for up to one year.

Fermilab LPC Guests and Visitors Program

Funding to engage in research at the LHC Physics Center for up to one year.

University Research Association Visiting Scholars Program

The URA Scholars Program was established to support the work of faculty and students from URA Institutions to work at Fermilab for periods of up to one year. Visits can range from attendance at Fermilab conferences and summer schools to year-long stays at the lab.

Mathematica Center for Studying Disability Policy Summer Fellowship in Disability Policy Research

Opportunity for students in master’s programs or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica’s Washington, D.C. office to learn more about conducting an independent research project related to disability policy.

Nuclear Engineering Science Laboratory Synthesis (NESLS) Program

(See January)

Women Chemists Committee/Eli Lilly Travel Awards

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Smithsonian Institution—STRI Short-Term Fellowship Program

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in and explore research possibilities at STRI.

March (Travel)

Fulbright-Hays Doctoral Dissertation Research Abroad Program

Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Sigma Delta Pi Graduate Research Grant

Research grants for active members of Sigma Delta Pi to travel to Spain and Spanish America for research related to Hispanic Studies.

Sir John Soane’s Museum Foundation Traveling Fellowship Program

\$5,000 fellowships support travel to London to pursue research projects related to the Sir John Soane’s Museum or its collections. For students in art history, architecture, interior design, and the decorative arts.

American Philosophical Society, Library Resident Research Fellowships

The American Philosophical Society offers Residential, Short-Term, and Long-Term Fellowships for Philosophy-related Library and archival research.

Program in Early American Economy & Society Fellowships

One dissertation research fellowship and four, one-month fellowships for research on the American economy and society, from its colonial beginnings to the 1850s. Topics include global trade, internal development, politics, the relationship between race/gender and economic forces, and capitalism. Awards provide support research in residence at The Library Company of Philadelphia.

Economic History Association Doctoral and Postdoctoral Grants and Fellowships

Grants support members to undertake research on every phase of economic history, broadly defined.

Kobe College Corporation/Japan Education Exchange - Graduate Fellowship Program

The KCC Japan Education Exchange Graduate Fellowships Program was established in 1996 to support qualified

graduate students for research or study in Japan. The purpose of the fellowship is to support future American educators who will teach more effectively about Japan.

Mid Atlantic Arts Foundation Us Artists International Grants

Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

NASW Foundation Social Work HEALS Policy Fellowship

One-year fellowship for social workers who have completed at least two years of a doctoral program. Fellows will participate in a social work-specific opportunity to put their social work knowledge and research experience to work in Washington, D.C., on critical issues of health policy facing our nation.

Neotropical Grassland Conservancy (NGC) Student Grant Program

Promotes conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central/South America. Open to Latin American students in a MS or PhD programs in a U.S. or South American university.

National Museum of the American Indian Internship Program

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C., or New York for a duration of 10 weeks.

Gerald R. Ford Presidential Foundation Research Travel Grants

Grants up to \$2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

Arena Stage Fellowship and Internship Program

Program is designed to cultivate the next generation of theater professionals by providing the highest standard of training through immersion in the art and business of producing theater.

Arena Stage Allen Lee Hughes Fellowship and Internship Program

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey’s scientific and technological collaboration with the home countries of the prospective researchers.

April (Travel)

Center for Jewish History Seminar on Archival and Historical Research

The seminar’s focus is on learning a variety of tools for accessing information and incorporating archival and library research into specific projects. In addition, participants will be introduced to the vast holdings of the Center’s partner organizations, and the ways those collections are created, stored, and preserved. Open to master’s students and PhD candidates in their first two years of matriculation.

Harry S. Truman Library Research Grant

Research Grants of up to \$2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum. Funds lodging and meals, airfare, and photocopying.

Gerald R. Ford Presidential Foundation Research Travel Grants

Grants up to \$2,200 in support of research in the holdings of the Gerald R. Ford Library. The grant may be used to defray travel costs and living expenses.

American Musicological Society

Virginia and George Bozarth Travel Fund

Intended to encourage and assist PhD candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund

The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Harold Powers World Travel Fund

The fund is intended to encourage and assist PhD candidates in all fields of musical scholarship to travel anywhere in the world to carry out the necessary work for their dissertations or other research.

Eugene K. Wolf Travel Fund

Intended to encourage and assist PhD candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on topics in European music.

U.S. Department of Energy Carlsbad Field Office Fellowship Program

The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE’s CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

International Ocean Discovery Program Expedition

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediment and rock beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

Americans for the Arts—Internship Opportunities

The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation’s leading nonprofit for advancing the arts in America. Fall, Winter/ Spring, and Summer Internships are available.

Society for Male Reproduction and Urology Traveling Scholars Award Program

Provides an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).

The Gilder Lehrman Institute of American History Fellowship

The Institute provides annual short-term research fellowships in the amount of \$3,000 each to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history. Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.

Confucius China Studies Program Research PhD Fellowship

For qualified students who wish to pursue doctoral research in China. Funding period ranges from six months to two years. Students from a wide range of academic areas focusing on China are encouraged to apply.

Smithsonian Institution—STRI Short-Term Fellowship Program

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities.

American Jewish Historical Society

Sid and Ruth Lapidus Fellowship

Supports one or more researcher(s) wishing to use the collections of the American Jewish Historical Society. Preference is given to researchers interested in 17th and 18th century American Jewish history. At the discretion of the awards committee, the fellowship funds may also be applied to subsidizing publication of a first book in the field of American Jewish history, again with preference given to works in early American Jewish history. The available amount for the award(s) is \$6,000 annually.

Ruth B. Fein Prize

A travel stipend established in honor of a past president of the Society, to a graduate student to help undertake research at the American Jewish Historical Society. The award is up to \$1,000.

Americans for the Arts - Internship Opportunities

The Internship Program offers undergraduate and graduate students the opportunity to investigate and participate in the operations of the nation’s leading nonprofit for advancing the arts in America. Fall, Winter/ Spring, and Summer Internships are available.
