Upcoming Fellowship Deadlines

January - April

Office of Graduate Fellowships and Awards
Florida State University
Office of Graduate Fellowships and Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit ogfa.fsu.edu to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Get Started

Remember, you can find more opportunities using Pivot, or meet with OGFA to discuss opportunities.

*Titles are Hyperlinked* Disclaimer: Deadlines and hyperlinks are as up to date as possible. Students should research each award carefully and check for any updates before applying.

Table of Contents:

**Master's** - Opportunities for graduate students pursuing a master's degree (includes opportunities for students in professional programs)

**Doctoral** - Opportunities for graduate students at any stage of the doctoral degree

**Travel** - Opportunities for graduate students who want to teach, study, or take their research across the country or world
January

**PADI Foundation Grant**
Grants to support underwater science, environmental projects, and education

**American Psychological Association Psychological Science Research Grant**
The intent of this grant is to fund innovative psychological science research projects. Graduate students in all fields of psychology and neuroscience, and who are APAGS members, are eligible to apply. Funds for this $1,000 grant must be used to support direct costs related to the proposed research (e.g., participant payment, software purchases). This grant may be used for thesis, dissertation or other research.

**Graduate Women in Science National Fellowships Program**
The GWIS National Fellowships Program is proud to offer fellowships in order to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women.

**Spencer Educational Foundation RIMS Part-time Master’s Scholarship**
The Spencer Educational Foundation awards Part-time Master’s Scholarships to risk practitioners who attend graduate school part-time or online while working full-time. Selected recipients will receive awards of up to $10,000 to cover tuition and fees.

**Government Finance Officers Association**

**Goldberg-Miller Public Finance Scholarship**
$15,000 award for full-time graduate students anticipating a career in state/local government finance.

**Government Finance Professional Development Scholarship**
Four $10,000 awards to be given to part-time graduate students working in public administration, (governmental) accounting, finance, economics, or business administration (government focus).

**Boren Fellowship**
Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

**Spencer Educational Foundation Graduate Scholarships**
Scholarships with particular eligibility criteria for master’s and pre-dissertation PhD students studying education.

**Catherine H. Beattie Fellowship in Conservation Horticulture**
Annual research grant for graduate students in biology or horticulture to study at a botanical garden.

**Golden Key Graduate Scholar Award**
Scholarship for Golden Key members who have proven academic excellence combined with a solid range of extracurricular activities.

**LAGRANT Graduate Scholarships**
$3,750 awards for minority students pursuing graduate degrees in advertising, marketing or public relations. Scholarship winners will receive a trip to Chicago in order to participate in career building activities. Students will have an opportunity to network and gain exposure to the advertising, marketing, and public relations world.

**Nuclear Engineering Science Laboratory Synthesis (NESLS) Program**
The Oak Ridge National Laboratory NESLS Program provides current undergraduates and graduates with the opportunity to conduct research and participate in associated activities related to nuclear engineering. Participants receive in-depth training and have flexible appointments in Spring, Summer, or Fall. Participants have a minimum 10-week stay either full-time or part-time and receive a weekly stipend, housing allowance, and other benefits.

**Daughters of the American (DAR) Revolution Scholarships**
Membership or sponsorship from a DAR chapter is not required for most scholarships.

**Caroline E. Holt Nursing Scholarship**
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

**Mildred Nutting Nursing Scholarship**
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing. On pause for 2025.

**Occupational/Physical Therapy Scholarship**
One-time scholarship for students in financial need and accepted/attending an accredited school of occupational therapy (including art, music, or physical therapy).

**Madeline Pickett (Halbert) Cogswell Nursing Scholarship**
One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendant of member, or eligible for membership in DAR.

**Alice W. Rooke Scholarship**
One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.
Irene and Daisy MacGregor Memorial Scholarship
Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship
Scholarship for a student either attending or planning to attend an approved, accredited medical school, college or university.

Leslie Andree Hanna Medical Scholarship
One-time scholarship to a deserving female student who is a U.S. citizen attending medical school.

DAR Centennial Scholarship
Scholarship for students pursuing a course of graduate study in the field of historic preservation at a college or university in the United States.

Arthur Lockwood Beneventi Law Scholarship
One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Florida Gubernatorial Fellows Program
Non-partisan program immerses students from public and private universities in key areas of state government.

Space Medicine Association Jeffrey R. Davis Scholarship
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

February (Master’s)

Smithsonian Archives of American Art Internships
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Arizona State University Critical Languages Awards
The Critical Languages Institute (CLI) at Arizona State University’s Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad programs around the world. Tuition waiver, scholarships, and fellowships available.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship
Fellowship for graduate students currently studying theology, philosophy, economics, or related fields; research must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Intercolligate Studies Institute Graduate Fellowships
This fellowship program funds research that seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

Hurst Review/American Association of Colleges of Nursing Scholarship
Scholarships of $2,500 are awarded twice annually to students pursuing professional nursing degrees.

Society for Manufacturing Engineers Scholarship
Scholarships designed to encourage students to choose a manufacturing-focused education.

Mathematica Center Summer Fellowship
Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica's Washington, D.C., office to learn more about conducting an independent research project related to disability policy.

American Association for Marriage and Family Therapy: Minority Fellowship Program - Youth
Fellowship for students enrolled in a Marriage and Family Therapy master's program interested in providing service to the nation's youth.

National Strength and Conditioning Association Grants
Grants for students researching questions related to strength training and/or conditioning.

ORISE Evaluation Fellowship Opportunity at the CDC
Fellows work under the leadership of the CDC’s Chief Evaluation Officer; they are matched with CDC host programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure the activities build the knowledge base of the program and enhance the professional development of the Fellow.

March (Master’s)

American Society for Nutrition Predoctoral Fellowships for Nutrition Research
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

American Association of Family & Consumer Sciences National Graduate Fellowship
Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession.
American Library Association Scholarships

American Library Association Spectrum Scholarship
Through the Spectrum Scholarship Program, the American Library Association affirms its commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians to position ALA to provide leadership in the transformation of libraries and library services.

American Library Association Miriam L. Hornback Scholarship
Annual scholarship for an ALA or library support staff who is a U.S./Canadian citizen or permanent resident and is pursuing a Master's of Library Science degree at an ALA-accredited program.

Florida Library Association Scholarships
Scholarships for students in Masters of Library Science graduate program.

Dannon Gut Microbiome, Yogurt and Probiotics Fellowship Program
Fellowships for prospective and current science graduate students who have an interest in researching yogurt and probiotics.

Mineralogical Society of America Grant for Research in Crystallography
Awards of up to $5,000 for research in the field of mineralogical crystallography. This grant targets projects within the areas of mineralogy, crystal chemistry, petrology, mineral physics, bio mineralization, and geochemistry that can employ a variety of crystallographic, spectroscopic, analytical, and computational techniques.

National Association of Social Workers Foundation Scholarships

Consuelo W. Gosnell Memorial Scholarship
Grant awarded to master’s degree candidates in social work who have demonstrated a commitment to working with, or who have special affinity with, American Indian/Alaska Native and Hispanic/Latino populations, or who plan to work in public and voluntary nonprofit agency settings.

Verne LaMarr Lyons Scholarship
Grant awarded to master’s degree candidates in social work who have an interest in or experience with, health/mental health practice and who demonstrate commitment to working in African American communities.

James Madison Graduate Fellowships
Fellowships for individuals desiring to become teachers of American history, American government, or social studies at the secondary school level.

Education for Sustainable Energy Development Scholarship
Support for outstanding international students (citizens of the developing countries and territories identified on the website) pursuing advanced studies in sustainable energy development.

Fédéric Bastiat Fellowship
This one-year, competitive fellowship is awarded to graduate students attending master’s, juris doctoral, and doctoral programs in a variety of fields including economics, law, political science, and public policy.

Sigma Xi Grants-in-Aid of Research
The program awards grants of up to $1,000 to students from all areas of the sciences and engineering and up to $5,000 for astronomy research and $2,500 for vision-related research. Students may use the funding to pay for travel expenses to and from a research site, or to purchase non-standard laboratory equipment necessary to complete a specific research project.

American Physical Society Bridge Fellowship
The APS Bridge Program is an effort to increase the number of physics PhDs awarded to underrepresented minority (URM) students, including African American, Hispanic American, and Native American students. APS aims to do this by creating sustainable transition programs and a national network of doctoral-granting institutions to mentor students in successfully completing their PhD programs.

Sertoma Communicative Disorders Scholarship
Scholarship awarded by Sertoma to graduate students in audiology or speech-language pathology.

The Pittsburgh Foundation - Walter Read Hovey Memorial Fund
The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

International Furnishings and Design Association Educational Foundation

Vercille Voss IFDA Graduate Student Scholarship
Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship
Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

NASA Earth and Space Science and Technology (FINESST) Fellowship
A program that supports graduate students in basic and applied research in Earth science and space science. Awards of $45,000 per year are made for up to three years.

Florida Space Grant Consortium Masters Fellowship Program
Intended to reward and attract the best and the brightest US citizens to space-related careers, this Fellowship offers $10,000 for full time master's students.

Wilson Center Internships with the Middle East Program
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences, and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

The Office of Graduate Fellowships and Awards | Florida State University

ogfa.fsu.edu | ogfa-info@fsu.edu | 850.645.0850 | Honors, Scholars, and Fellows House | Suite 4001E
April (Master’s)

WIIT Scholarship Program
Program is designed to provide financial assistance to further educational objectives of women who are interested in international development, international relations, international trade and economics, or international business.

American Cancer Society Graduate Scholarships in Cancer Nursing
Supports graduate students pursuing a master's degree in cancer nursing or doctorate of nursing practice (DNP). Awards may be for two years, with stipend of $10,000 per year.

Davis-Putter Scholarship
Need-based funding for graduate students who are actively working for peace and justice.

Council on International Exchange Grants and Scholarships
Multiple awards for students who excel in academic pursuits and are devoted to specialized areas of study as well as for students who have historically been unable to study abroad because of financial circumstances.

Richard A. Horovitz Fund for Professional Development
To be eligible for this scholarship, one must be a citizen of a sub-Saharan African country; be a graduate student, researcher, or artist enrolled at an accredited U.S. university or institution; specialize in the humanities or social sciences; demonstrate academic achievement and financial need; and not be funded by an established IIE grant.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Harwood Visiting Research Fellowships
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more ($1500 for those outside of the US & Canada).

High Energy Laser and High Power Microwave Technologies Scholarships
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMFT).

Mary Murphy Graduate Scholarship
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy's example.

Academy of Nutrition and Dietetics Foundation Scholarships
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

Kappa Omicron Nu Research Fellowship
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations.

The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

American Society of Interior Designers Foundation

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
The purpose of IFER’s Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.
January

PADI Foundation Grant
Grants to support underwater science, environmental projects, and education

American Antiquarian Society Short-Term Visiting Academic Research Fellowships
Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

Predoctoral Fellowship in Mental Health and Substance Abuse Services
Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students in behavioral health services. Minorities are especially encouraged to apply.

Phi Beta Kappa Mary Isabel Sibley Fellowship
Awarded alternately in the fields of Greek and French. It carries a stipend of $20,000 and is not restricted to members of Phi Beta Kappa or to U.S. citizens. Fellows must be finished with all doctoral requirements except the dissertation.

National Science Foundation Mathematical Sciences Graduate Internship (MSGI)
The National Science Foundation (NSF) Division of Mathematical Sciences (DMS) aims to provide opportunities for mathematical sciences doctoral students to participate in internships at federal national laboratories, industry and other approved facilities.

Florida Education Fund

McKnight Dissertation Fellowship
Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

McKnight Doctoral Fellowship
Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates with Ph.D. Degrees. The McKnight Doctoral Fellowship provides up to five years of support, with a stipend plus tuition waivers and an annual health insurance subsidy. This award may supplement an award from an academic unit. Additional fields of study outside those listed on the website are eligible to apply.

Association of Accountants and Financial Professionals in Business

IMA Incubator Grant Program
Grants for small Proof of Concept projects that will lead to more in-depth research.

IMA Academic Research Grant Program
Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

NSF Biological Anthropology - Doctoral Dissertation Research Improvement Grant
NSF BA-DDRIG grants promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program’s web-page for specific information.

NMFS-Sea Grant Joint Fellowship Program
Joint NOAA Fisheries/Sea Grant graduate fellowship program in Population and Ecosystem Dynamics and Marine Resource Economics for Ph.D. students to provide real-world experience to graduate students and accelerate their career development.

Boren Fellowship
Boren Fellowships provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. Western Europe, Canada, Australia, and New Zealand are excluded.

Chateaubriand Fellowship
Fellowship offered by the Embassy of France in the United States to fund doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Available in STEM and Humanities & Social Sciences fields.

Florida Gubernatorial Fellows Program
Non-partisan program immerses students from public and private universities in key areas of state government.

Department of Energy Computational Science Graduate Fellowship
Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can apply high performance computing to their disciplinary areas.
Leakey Foundation Research Grants
Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between $3,000 and $20,000.

Catherine H. Beattie Fellowship in Conservation Horticulture
Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

American Sociological Association Minority Fellowship Program
Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

Space Medicine Association Jeffrey R. Davis Scholarship
The purpose of the SMA Scholarship is to encourage students who have demonstrated academic achievement and shown an interest in Space Biology and Space Medical Operations to further pursue a career in Space Medicine. Eligibility: Scholarships are open to students who will be enrolled full-time in college, medical school, residency, or a fellowship during the period of the award and are in good academic standing.

American Society for Nutrition Predoctoral Fellowship
Fellowships from $2,000 to $5,000 for students enrolled in nutrition research graduate programs in the U.S.

Graduate Women in Science National Fellowships Program
Grant supports members to undertake research on every phase of economic history, broadly defined.

Catherine H. Beattie Fellowship in Conservation Horticulture
Annual research grant for graduate students in biology, horticulture, or other fields to study at a botanical garden.

American Meteorological Society Graduate Fellowships
The AMS Fellowship Program is a source of unique opportunities for outstanding students looking to pursue graduate education in the atmospheric or related sciences.

Daughters of the American Revolution (DAR) Scholarships
Membership or sponsorship from a DAR chapter is not required for most scholarships.

Caroline E. Holt Nursing Scholarship
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing.

Mildred Nutting Nursing Scholarship
One-time scholarship for students in financial need and accepted/enrolled in an accredited school of nursing. On pause for 2025

Occupational/Physical Therapy Scholarship
One-time scholarship for students in financial need and accepted or attending an accredited school of occupational therapy (including art, music, or physical therapy).

Madeline Pickett (Halbert) Cogswell Nursing Scholarship
One-time scholarship for students in financial need and accepted and enrolled in an accredited school of nursing. Must be member, descendant of member, or eligible for membership in DAR.

Alice W. Rooke Scholarship
One-time scholarship for a student who has been accepted into or who is pursuing an approved course of study to become a medical doctor at approved, accredited medical schools, colleges, and universities.

Irene and Daisy MacGregor Memorial Scholarship
Scholarship for students of high scholastic standing and character who have been accepted into or are pursuing an approved course of study to become a medical doctor at an approved, accredited medical school. Also available to students in the field of psychiatric nursing at the graduate level.

Dr. Francis Anthony Beneventi Medical Scholarship
Scholarship for students pursing a course of graduate study in the field of historic preservation at a college or university in the United States. (Only available until 2026)

Arthur Lockwood Beneventi Law Scholarship
One-time scholarship for students pursing a course of graduate study in the field of historic preservation at a college or university in the United States. (Only available until 2026)

Arthur Lockwood Beneventi Law Scholarship
One-time scholarship awarded to a student who is either enrolled in or attends an accredited law school.

Link Foundation Modeling, Simulation, & Training Fellowships
Program fosters advanced research in modeling, simulation, and training, enabling Ph.D. students to research full-time and disseminate the results of that research through conferences, journals, and other publications.
February (Doctoral)

Archives of American Art Fellowships and Internships
Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Intercollegiate Studies Institute Graduate Fellowships
Fund works that seeks to further an understanding of the principles held by the American Founding Fathers and the culture that formed their values and views.

American Medical Association Scholarships
The program provides funding to support medical students, physician residents, and fellows.

International Literacy Association Steven A. Stahl Research Grant
Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

Lillian E. Smith Writer-In-Service Award
The Lillian E. Smith Center sponsors the annual Writer-in-Service Award, which includes a two-week residency at the Center, a $500 honorarium, and a $500 travel allowance. The Award is open to U.S. residents working to advance writing through public service careers or volunteer work. Eligible activities include, but are not limited to, arts education, literacy instruction, prison arts and education, ESL instruction, art-related therapies, etc.

AMA Physicians of Tomorrow Scholarships
The Physicians of Tomorrow Scholarship program distributes $10,000 in tuition assistance scholarships to medical students approaching their final year of school.

Parkinson’s Disease Foundation Summer Student Fellowship
Fellows work under the close supervision of a sponsor who is an expert in the Parkinson's community and oversees the project.

American Association of Marriage and Family Therapy Minority Fellowship Program
Dedicated to expanding the delivery of culturally competent mental health and substance abuse services to underserved minority populations, and increasing the number of culturally competent Marriage and Family therapists.

Educational Testing Service (ETS) Summer Internship Program in Research
Students participate in ongoing research projects under the supervision of ETS senior staff. The program seeks to increase the number of women and minority professionals in educational measurement and related fields.

Harry Frank Guggenheim Dissertation Fellowships
Questions that interest the foundation concern violence and aggression in relation to social change, intergroup conflict, war, terrorism, crime, and family relationships, among other subjects.

Harry S. Truman Library Dissertation Year Fellowship
Dissertation Year Fellowships that are intended to encourage historical scholarship on the public career of Harry S. Truman or the Truman era. This fellowship is intended to free a doctoral student from teaching or other employment to facilitate completion of his or her dissertation.

Jefferson Scholars Foundation National Fellowship
Funds scholars completing dissertations that shed light on American politics, public policy, foreign relations, global impacts on the US media and politics, and the role of the presidency in shaping American political development.

Freedom Summer Collegiate Fellowship
Summer fellowship for teachers to design a 4-week course and work with traditionally under served groups.

Society for Manufacturing Engineers Scholarship
Scholarships designed to encourage students to choose a manufacturing focused education.

Mathematica Center Summer Fellowship
Opportunity for students in master's programs or early in doctoral programs (pre-dissertation phase) to spend the summer at Mathematica's Washington, D.C., office to learn more about conducting an independent research project related to disability policy.

Organization for Autism Research Graduate Research Grant
The Graduate Research Grant Competition offers grant awards of $1,000 for students conducting autism research as a requirement in pursuit of a master’s degree and $2,000 for students who are doctoral candidates or post-doctoral students.

Arizona State University Critical Languages Institute Awards
The Critical Languages Institute (CLI) at Arizona State University’s Melikian Center is a national training institute for less commonly taught languages, offering summer intensive courses and study-abroad. Tuition waiver, scholarships, and fellowships available.

Center for Jewish History Graduate Research Fellowship
Residential ten-month fellowships for doctoral candidates to support original research using the collections of the Center’s partners: American Jewish Historical Society, American Sephardic Federation, Leo Baeck Institute, Yeshiva University Museum, and YIVO, Institute for Jewish Research. Preference is given to those candidates who draw on the library and archival resources of more than one partner institution.

American Jewish Archives Fellowship
The Marcus Center’s Fellowship Program was founded with the intent of creating a forum where students and scholars of the American Jewish experience could gather together to research, discuss, and study their chosen topics. Under the auspices of this unique program scholars travel to Cincinnati to conduct in-depth research at the American Jewish Archives and to take part in the academic community of the Hebrew Union College-Jewish Institute of Religion.

Egg Nutrition Studies Young Investigator Award
The ENC research program was created for the purpose of extending the understanding of the nutritional value of eggs and egg-related nutrients and the role of eggs in a healthy diet.

Rocky Mountain Mineral Law Foundation Scholarship
Scholarship opportunities for law students who demonstrate a commitment to the study of natural resources law.
American Musicological Society

William Holmes / Frank D’Accone Endowment
The Holmes/D’Accone Endowment encourages and assists Ph.D. candidates, postdoctoral fellows, independent scholars, and junior faculty working with subject matter associated with the history of opera.

Alvin H. Johnson AMS 50 Dissertation-year Fellowships
Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

The Howard Mayer Brown Fellowship
Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

John A. Knauss Marine Policy Fellowship
A one-year fellowship that provides a unique educational experience to graduate students who have an interest in ocean and coastal resources and in the national policy decisions affecting those resources.

ORISE Evaluation Fellowship Opportunity at the CDC
Fellows work under the leadership of the CDC’s Chief Evaluation Officer; they are matched with CDC programs to work on program evaluation activities for/with those programs. Host programs are selected through a competitive process to ensure the activities build the knowledge base of the program and enhance the professional development of the Fellow.

March (Doctoral)

Doris Duke International Clinical Research Fellowship
Provides an opportunity for up to three US medical students with at least two years of medical school training to complete a yearlong international clinical research project in one of four locations: India, Kenya, Peru, or Tanzania.

American Psychological Foundation Esther Katz Rosen Fund Grants
Support is provided for research furthering the advancement and application of knowledge related to identifying gifted and talented children and adolescents. Grants range from $1,000 to $50,000.

ASC Ruth D. Peterson Fellowship for Racial & Ethnic Diversity
The American Society of Criminology encourages students of color, especially those underrepresented in the field, to pursue criminology and criminal justice.

American Library Association Spectrum Scholarship
The Spectrum Scholarship Program is a commitment to diversity and inclusion by seeking the broadest participation of new generations of racially and ethnically diverse librarians for the ALA.
International Furnishings and Design Association Educational Foundation

Vercille Voss IFDA Graduate Student Scholarship
Funding for graduate-level interior design students. Must have already completed four design courses at the graduate level to be eligible.

Ruth Clark Furniture Design Scholarship
Funding for graduate-level interior design students whose emphasis is on residential furniture design.

Neotropical Grassland Conservancy (NGC) Student Grant Program
The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a U.S. or South American university.

Dissertation Grant in Cold War History
$3,000 grant awarded to a graduate student in history or a related field working on a dissertation in the area of Cold War military history. Proposals are welcome in all subject areas, including international security affairs, military strategy, leadership, and operations.

Eileen Blackey Doctoral Fellowship
Fellowship for social work doctoral candidates who are engaged in dissertation research in welfare policy and practice.

Health Policy Research Scholars Program
This is a new leadership development opportunity for full-time doctoral students from underrepresented populations or historically disadvantaged backgrounds training to be researchers in health policy research.

American Association of Family & Consumer Sciences National Graduate Fellowship
Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession.

Spencer Educational Foundation Graduate Scholarships
Scholarships with particular eligibility criteria for master's and pre-dissertation PhD students studying education.

Scholarships in Waste Management Research and Education
Recognize graduate student excellence in solid waste management research and education. Recipients are chosen based on credentials and potential contributions to the solid waste industry and its scientific community.

American Academy of Audiology Scholarships & Awards
The Foundation is committed to doctoral students as they continue their academic career learning exceptional clinical skills and exploring contemporary avenues of research that will advance the treatment of people with hearing and balance problems. Our scholarships are funded by corporate, industry, and individual donors who support hearing and balance wellness.

Fulbright-Hays Doctoral Dissertation Research Abroad Program
Funds individual doctoral students to conduct research in other countries, in modern foreign languages and area studies, for periods of six to 12 months.

Nontropical Grassland Conservancy (NGC) Memoria Grants
These grants directly promote conservation research. Grants are one-year, unrestricted funds that can be used for direct or indirect costs, including salary. Open to Latin American students enrolled in M.S. or Ph. D. programs in the US or South American universities.

American Geophysical Union Horton Research Grant in Hydrological Sciences
Supports doctoral students in the hydrological sciences and related policy-oriented social sciences. One-year grant awarded to one or more students in hydrology, water resources, or closely related fields.

April (Doctoral)

Davis-Putter Scholarship
Need-based funding for graduate students who are actively working for peace and justice.

Beta Phi Mu Eugene Garfield Doctoral Dissertation Fellowship
Awards for doctoral students who are working on their dissertations in Library and Information Science, Information Studies, Informatics, or a related field.

Society for Historians of American Foreign Relations Marilyn Blatt Young Dissertation Completion Fellowship
SHAFR will make one year-long awards in the amount of $25,000 each to support the writing and completion of the doctoral dissertation in the field of U.S. foreign relations history or international history.

Wilson Center Internships with the Middle East Program
The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Center for Retirement Research at Boston College Dissertation Fellowship Program
Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

Harriet Evelyn Wallace Doctoral Student Scholarships for Women
Scholarships support female geoscientists pursuing graduate degrees. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

Harry S. Truman Library Research Grant
Research Grants of up to $2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum.
American Institute of Afghanistan Studies John F. Richards Fellowship Program
Invites applications for support of short-term research or other scholarly projects that will advance the knowledge of Afghanistan. Applicants may apply for either the Research Fellowship or the Afghanistan Travel Fellowship.

High Energy Laser and High Power Microwave Technologies Scholarships
One-year scholarships in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Fahs-Beck Doctoral Dissertation Grant Program
Grants up to $5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

Great Minds in STEM (GMiS) Scholarships
A merit-based scholarship ranging in amounts from $500 to $5,000 or a non-merit based scholarship ranging from $500 – $1,000 for STEM undergraduate and graduate students of Hispanic decent that demonstrate leadership excellence.

History of Science Society Fellowships in Aerospace History
The Fellowships in Aerospace History are offered annually by the National Aeronautics Space Administration to support significant scholarly research projects in aerospace history. These fellowships grant the opportunity to engage in significant and sustained advanced research in all aspects of the history of aerospace from the earliest human interest in flight to the present.

Pediatric Endocrinology Nursing Society Academic Education Scholarship
Implemented as a means of helping PENS to meet its goal of advancing the art and science of pediatric endocrine nursing. The PENS is committed to increasing the knowledge base and enhancing the professional development of nurses in the field of pediatric endocrinology.

American Institute for Economic Research Harwood Visiting Research Fellowships
Fellowships for visiting scholars including professors, post-doctoral fellows, PhD students, and masters students. Selected fellows are encouraged to join us at our campus in Great Barrington for the majority of their fellowship. AIER provides visiting scholars with a $250/week living stipend and lunch during most work days. A travel stipend of $750 is also provided for fellowships lasting 10 weeks or more.

Society for the History of Technology (SHOT)
The SHOT-NASA Fellowship in the History of Space Technology
This fellowship will fund one pre-doctoral fellow for up to one academic year to undertake a research project related to the history of space technology including cultural and intellectual history, institutional history, economic history of law and public policy, and history of engineering and management.

Melvin Kranzberg Dissertations Fellowship
Supports a doctoral student engaged in the preparation of a dissertation on the history of technology, broadly defined.

Sociologists for Women in Society
Scholarships offer support to women scholars who are pursuing graduate degrees in Sociology.

American Musicological Society
Virginia and George Bozarth Travel Fund
Intended to encourage and assist Ph.D. candidates, post-doctoral scholars, independent scholars, and junior faculty to travel to Austria to carry out research.

Jan LaRue Travel Fund
The fund honors the memory of Jan LaRue (1918–2004), a distinguished scholar and AMS member admired for his pioneering work on style analysis, the eighteenth-century symphony, and early computer applications in musicology.

Eugene K. Wolf Travel Fund
Intended to encourage and assist Ph.D. candidates in all fields of musical scholarship to travel to Europe to carry out necessary work for their dissertations on a topic in European music.

H. Robert Cohen Fund
Grants to support research and travel related to 18th, 19th, and 20th century periodical literature dealing with music, including those focusing on one or more journals, music critics and criticism, reception history and issues related to access and preservation.

Ora Frishberg Saloman Fund
Supports musicological research oriented to music criticism and reception history.

NIH Ruth L. Kirschstein National Research Service Award (F31)
The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to enhance the individual’s potential to develop into a productive, independent research scientist.

Department of Transportation Dwight D. Eisenhower Transportation Fellowship
Provides funding for the pursuit of Master's or Doctorate Degrees in transportation-related disciplines. The Eisenhower Graduate Fellowship Program encompasses all modes of transportation.

Mary Murphy Graduate Scholarship
Honors a Delta Sigma Theta Sorority chapter member who places great value on education and community service. This scholarship was established for professional women who follow Mary Murphy’s example.

IMA Doctoral Scholars Program
The goal of this program is to increase the number of professors who teach and research in management accounting. The program will provide support for students at various stages in their doctoral education in accredited programs, enabling them to work on studies that will advance management accounting research and practice.
Academy of Nutrition and Dietetics Foundation Scholarships
Scholarships ranging from $500 to $10,000 for research in nutrition and dietetics.

Legacy Scholarship for Graduate Students
This $4,000 award supports graduate students enrolled in or accepted into a graduate-level interior design program at an accredited university.

Joel Polsky Academic Achievement Award
Recognizes an outstanding interior design research or thesis project conducted by an undergraduate or graduate student which is related to the relationship of wellness and design.

IFER Graduate Fellowship Program for Alternatives to the Use of Animals in Science
The purpose of IFER's Fellowship Program is to provide financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

Kappa Omicron Nu Research Fellowship
The purpose of the Kappa Omicron Nu Research/Project Grant Program is to support the research agenda of Kappa Omicron Nu related to research and development in the human sciences or any of the related specializations. The research approach shall be integrative in nature and shall make connections across specializations to pursue problems or questions.

National Wildlife Federation Fellowships
National Wildlife Federation Graduate Student Fellows help to inform and strengthen NWF Education and Engagement programs through dedicated research projects. Monetary fellowship grants are awarded to graduate students working with NWF staff on research that helps to expand the content and development of a variety of efforts across NWF’s Education and Engagement programs.

Government Finance Officers Association Scholarships
GFOA provides several scholarship opportunities for students interested in pursuing a career in state/provincial or local government finance. Encouraging and supporting educational opportunities for future government finance officers are integral to our mission of promoting best practices in local government.

National Institute of Justice Research Assistantship Program
The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.
American Jewish Historical Society Fein & Lapidus Fellowship
