

Upcoming Fellowship Deadlines

May - August

Office of Graduate Fellowships and Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit ogfa.fsu.edu to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Click below to schedule a meeting with OGFA

GET STARTED

Remember, you can find more opportunities using **Pivot**, or meet with OGFA to discuss opportunities.

Note: Current month deadlines are reminders only. *Titles of awards are hyperlinked*

Table of Contents:

Master's - Opportunities for graduate students pursuing a master's degree (includes opportunities for students in professional programs)

Doctoral - Opportunities for graduate students at any stage of the doctoral degree

Travel - Opportunities for graduate students who want to teach, study, or take their research across the country or world

Master's

May

Foundation for Community Association Research Byron Hanke Fellowship

Fellowship available to graduate students working on topics related to community associations. Fellows are expected to prepare a research paper on community associations.

American Psychological Foundation (APF)

American Psychological Foundation Violet and Cyril Franks Scholarship

The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness. The scholarship helps address research which shows that stigma is a significant barrier to treatment and recovery for many of the 50 million Americans living with mental illness.

American Nurses Foundation Research Grants

The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies that contribute toward the advancement of nursing science and the enhancement of patient outcomes. Awards are given in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

NCAA Graduate Student Research Grant

Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering

Award for first year, full-time graduate students for work in electrical engineering.

Mozilla Fellowships for Science

Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows

remain at their home institutions but receive training and support to hone open source and data sharing skills.

Clara Mayo Grants

This program was set up to support masters thesis or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

American Speech-Language-Hearing Foundation Graduate Student Scholarship

Scholarships for full-time students who will be or who are currently enrolled in graduate programs in communication science and disorders.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues

Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

Thermo Fisher Scientific Antibody Scholarship Program

This scholarship is offered to graduate students in biology, chemistry, biochemistry, or a related life science field.

Association for Consumer Research Transformative Consumer Research Grant

Grants for consumer research projects that are focused on matters of well-being.

Florida House of Representatives Legislative Intern Program

Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

June (Master's)

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant

\$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Planning Association Judith McManus Price Scholarship

Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

Florida Nurses Association Scholarships & Grants

The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice. Multiple scholarships and grants available for nursing students.

Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award

The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Hospitality Industry Network

NEWH ICON of Industry Scholarship

A \$7,500 scholarship awarded to students pursuing careers in a field similar to that of a given year’s selected NEWH ICON (changes annually).

NEWH Fabric Innovations Legacy Scholarship

This \$10,000 scholarship is open to hospitality management or interior design students in NY or FL.

Florida-Mexico Institute Out-of-State Tuition Waiver

The Florida-Mexico Institute (FMI) is a linkage institute founded by the Florida legislature to promote and expand commercial, cultural, and educational linkages between Florida and Mexico. The FMI provides these out-of-state tuition waivers to eligible students.

American Translators Association Student Translation Award

Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATA’s Annual Conference.

Phi Kappa Phi Love of Learning Research Grant

Love of Learning Awards help fund post-baccalaureate professional development for active Phi Kappa Phi members to include (but not be limited to): Graduate or professional studies, doctoral dissertations, continuing education, career development, travel related to teaching/research/learning, etc.

Council of Academic Programs in Communication Sciences & Disorders PhD Scholarship

The Council of Academic Programs in Communication Sciences and Disorders (CAPCSD) is committed to addressing the Ph. D. shortage in communication sciences and disorders. To this end, CAPCSD’s scholarship program supports students pursuing a research doctoral degree (i.e., Ph. D.) focused on an academic career in communication sciences and disorders.

July (Master’s)

Hurst Review/American Association of Colleges of Nursing Scholarship

Scholarships for students pursuing professional nursing degrees.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship

Fellowship for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

Thomas Marshall Graduate Student Award

Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

August (Master’s)

The American Musicological Society (AMS) Noah Greenberg Award

The award is intended as a grant-in-aid to stimulate active cooperation between scholars and performers by recognizing and fostering outstanding contributions to historical performing practices.

Paul Farmer Global Surgery Research Fellowship

One- and two-year fellowships to promote surgical care, education, and research pertinent to global surgery.

Advanced Short-Term Research Opportunity (ASTRO) Program

The Oak Ridge National Laboratory’s highly selective ASTRO program offers challenging short-term research opportunities to students enrolled in Master’s or Doctoral programs or to those holding a Master’s degree in any of the STEM disciplines. Participants conduct research in one of the laboratory’s current programs with a senior mentor for 3 to 12 months and receive a monthly stipend. Participants may also attend professional development events and request funding for relocation, conference travel, and publication fees.

PEO Scholarships and Awards – opportunities for women pursuing graduate degrees (see website for deadlines)

PEO Program for Continuing Education

Intended for women graduate students who have been out of school for at least 24 months before beginning their graduate program, this merit and need-based award provides up to \$3,000 for educational expenses. Applicants should be within 18 months of completing their degree at time of application.

PEO International Peace Scholarship

This scholarship provides up to \$12,500 for international women students to pursue graduate study in the U.S. Applicants must have a year of coursework remaining at start of scholarship. Applications for eligibility documentation open in September.

Segal AmeriCorps Education Award

The AmeriCorps Education Award is a post-service benefit received by individuals who complete terms of national service in approved AmeriCorps programs, such as AmeriCorps VISTA, AmeriCorps NCCC, or AmeriCorps State and National.

Higher Education Research Experience (HERE) Program

The Oak Ridge National Laboratory HERE program provides opportunities for current graduate students to participate in research and related technical activities under the mentor-ship of world-class scientists. Graduate students in all STEM fields may apply for full-time or part-time experiences of flexible duration. Participants receive a bi-weekly stipend and a housing allowance. Program requirements may include attending enrichment and professional development activities as well as the development and presentation of a deliverable such as a written research report, research poster, or formal presentation.

Elizabeth Greenshields Foundation Grant

Prestigious grant for emerging figurative artists. Applicants must be in the early stage of their career, work in a representational style of painting, drawing, sculpting or printmaking and demonstrate a commitment to making their art a lifetime career.

NIH Intramural Research Training Award

The NIH Postbac IRTA program provides recent college graduates who are planning to apply to graduate or professional (medical/dental/pharmacy/nursing/veterinary, etc.) school an opportunity to spend one or two years performing full-time research at the NIH.

Florida Chapter of the American Statistical Association Awards

Fellowship Program provides financial incentives to graduate students in science that encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

Acoustical Society of America

Leo and Gabriella Beranek Scholarship in Architectural Acoustics and Noise Control

Supports graduate study in the fields of architectural acoustics and noise control.

Research Grant in Speech Science

To facilitate the research efforts of promising graduate students in phonetics and speech science.

Internships with the Middle East Program

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program’s meetings, conferences and reports assess the policy implications of regional developments(political, economic, and social), the Middle East’s role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region’s energy resources.

Doctoral

May

The Wenner-Gren Foundation Dissertation Fieldwork Grants

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

American Psychological Foundation (APF)

APF/The Trust Eric A. Harris, EdD, JD Grant

\$5,000 to support an early career psychologist or graduate student for research or a project in the area of ethics and risk management.

American Psychological Foundation Violet and Cyril Franks Scholarship

The APF Violet and Cyril Franks Scholarship supports graduate-level scholarly projects that use a psychological perspective to help understand and reduce stigma associated with mental illness.

American Nurses Foundation Research Grants

The American Nurses Foundation Nursing Research Grant encourages the research career development of all nurses. Each year, the Foundation provides funds to beginning and experienced nurse researchers to conduct studies in all areas of nursing, including healthy patient outcomes, health care policy development, critical care, gerontology, women's health, child health, community and family intervention, and leadership.

NCAA Graduate Student Research Grant

Research grants for students conducting research within the general topic areas of student-athlete psychosocial well-being and college athletics participation.

IEEE Life Members Graduate Study Fellowship in Electrical Engineering

Award for first year, full-time graduate students for work in electrical engineering.

American Nurses Association Minority Fellowship Program (MFP)

Through the MFP, the Substance Abuse and Mental Health Services Administration (SAMHSA) provides federal grants to increase the number of PhD-prepared nurses, psychiatrists, psychologists, social workers, and marriage and family therapists from underrepresented ethnic minority groups.

DOE Office of Science Graduate Student Research (SCGSR) Program

The U.S. Department of Energy's SCGSR Program prepares graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories. The program funds PhD students to pursue research in a DOE laboratory for 3 to 12 months in collaboration with a DOE laboratory scientist.

Mozilla Fellowships for Science

Supports researchers working to shift research practice to be more collaborative, iterative, and open. Fellows remain at their home institutions but receive training and support to hone open source and data sharing skills.

Clara Mayo Grants

This program was set up to support masters thesis or pre-dissertation research on aspects of sexism, racism, or prejudice, with preference given to students enrolled in terminal master's programs. Studies of the application of theory or the design of interventions or treatments to address these problems are welcome.

Laurels Fund

This fund provides one year scholarships, ranging from \$1,000 to \$5,000 each, for women who are pursuing Ph.D. degrees in Accounting.

ACRP: Graduate Research Award Program on Public-Sector Aviation Issues

Stipend for graduate students researching airport and related aviation system issues. The program is intended to stimulate thought, discussion, and research by those who may become the future airport managers, operators, designers, and policy makers in aviation.

AICPA Fellowship for Minority Doctoral Students

Fellowships for full-time minority accounting students with significant potential to become accounting educators.

American Speech-Language-Hearing Foundation Graduate Student Scholarship

Scholarships for full-time students who will be or who are currently enrolled in a graduate program in communication science and disorders.

Thermo Fisher Scientific Antibody Scholarship Program

The scholarship is offered to graduate students in biology, chemistry, biochemistry or a related life science field.

Florida House of Representatives Legislative Intern Program

Intern program that gives students legislative and policy experience working on projects, bills, amendments, and analysis. The internship pays a stipend and tuition.

American Marketing Association Foundation Valuing Diversity Ph.D. Scholarships

The American Marketing Association Foundation, in conjunction with the AMA Academic Council, established a scholarship program in 2003 focused on creating scholarship funds for populations underrepresented in the marketing profession.

June (Doctoral)

Foundation for Community Association Research Byron Hanke Fellowship

Fellowship available to graduate students working on topics related to community associations.

American Planning Association Judith McManus Price Scholarship

Support for women and minority students enrolled in approved planning programs who are U.S. citizens, intend to pursue careers as practicing planners in the public sector, and are able to demonstrate genuine financial need.

Florida Nurses Association Scholarships & Grants

The Florida Nurses Foundation exists to promote nursing and the delivery of healthcare through the advancement of research, education, and practice.

Kenneth and Barbara Starks Plant Resistance to Insects Graduate Student Award

The award recognizes innovative research by a graduate student in entomology or plant breeding/genetics whose work contributes significantly to knowledge of plant resistance to insects.

Archives of American Art Fellowships and Internships

Multiple internships for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

Network of Schools of Public Policy, Affairs, and Administration (NASPAA)

NASPAA Staats Emerging Scholars Award

Recognizes up to three PhD candidates who will be job-seeking for an academic position in the coming academic year. Candidates will be selected to present a paper at the annual conference in front of national and international public service education leaders who make hiring decisions.

NASPAA Dissertation Award

Recognizes significant research completed by a PhD candidate in public policy, affairs, or administration.

Council of Writing Program Administrators Research Grant

The Council of Writing Program Administrators invites proposals for research projects investigating issues/practices in writing program administration. Awards are offered in a general and a targeted research category.

Florida-Mexico Institute Out-of-State Tuition Waiver

The Florida-Mexico Institute (FMI) promotes commercial, cultural, and educational linkages between Florida and Mexico. The FMI provides out-of-state tuition waivers to eligible students.

APS Award for Outstanding Doctoral Thesis Research in Biological Physics

The American Physical Society (APS) with this award recognizes doctoral thesis research of outstanding quality and achievement in any area of experimental, computational, engineering, or theoretical Biological Physics, broadly construed, and encourages written and oral presentation of research results at the March APS meeting.

American Translators Association Student Translation Award

Grant-in-aid to a student for a literary or sci-tech translation or translation-related project. Also includes support for attending ATA's Annual Conference.

American Society of Legal History Cromwell Dissertation Prize

Promotes and encourages scholarship in legal history, particularly in the colonial and early national periods of the United States. The Foundation has supported the publication of legal records as well as historical monographs.

Florida Association of School Psychologists Graduate Studies Award

Awards to support students working in the area of school psychology.

Phi Kappa Phi Love of Learning Research Grant

Love of Learning Awards help fund post-baccalaureate professional development for active Phi Kappa Phi members to include (but not be limited to): Graduate or professional studies, doctoral dissertations, continuing education, career development, travel related to teaching/research/learning, etc.

July (Doctoral)

AIIS Junior Research Fellowships

Specifically designed to enable doctoral candidates to pursue dissertation research in India.

Meredith P. Crawford Fellowship

Fellowship provides a one-time stipend to a doctoral candidate in Industrial-Organizational Psychology.

Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship

Fellowship for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society.

Leakey Foundation Research Grants

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

NSF Linguistics Doctoral Dissertation Research Improvement Awards (Ling-DDRI)

The National Science Foundation uses these grants to fund promising dissertation research supporting basic science in the domain of human language, encompassing investigations of the grammatical properties of individual human languages, and of natural language in general.

Hurst Review/American Association of Colleges of Nursing Scholarship

Scholarships for students pursuing professional nursing degrees.

Hospitality Industry Network

NEWH ICON of Industry Scholarship

A \$7,500 scholarship awarded to students pursuing careers in a field similar to that of a given year's selected NEWH ICON (changes annually).

NEWH Fabric Innovations Legacy Scholarship

This \$10,000 scholarship is open to hospitality management or interior design students in NY or FL.

American Society for Theater Research

Thomas Marshall Graduate Student Award

Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

Helen Krich Chinoy Dissertation Fellowship

The total award amount of \$3000 is typically divided into three equal awards. It is intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.

NSF Biological Anthropology Doctoral Dissertation Research Improvement Grant

The Biological Anthropology Doctoral Dissertation Research Improvement Grant program (BA-DDRIG) supports PhD projects to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers.

Women Chemists Committee/Eli Lilly Travel Awards

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Smithsonian Institution—STRI Short-Term Fellowship Program

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in and explore research possibilities at STRI.

Internships with the Middle East Program

The Program concentrates on long-term developments and issues that impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments, the Middle East's role in the international arena, American interests in the region, strategic threats to and from the states, and the future prospects of the region's energy resources.

August (Doctoral)

American Heart Association Predoctoral Fellowship

For research broadly related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts.

NSF MMS Doctoral Dissertation Research Improvement Grant (DDRI)

The National Science Foundation's Methodology, Measurement, & Statistics DDRI grant program funds doctoral research that develops innovative analytical and statistical methods and models for the Social, Behavioral, and Economic Sciences.

New Jersey Department of Environmental Protection Conserve Wildlife Matching Grant

With funding from the Conserve Wildlife License Plate renewal fund, the NJDEP Division of Fish and Wildlife's Endangered and Nongame Species Program (ENSP) offers small matching grants for one-year projects that advance nongame wildlife conservation and education.

Higher Education Research Experience (HERE) Program

The Oak Ridge National Laboratory HERE program provides opportunities for current graduate students to participate in research and related technical activities under the mentor-ship of world-class scientists. Graduate students in all STEM fields may apply for full-time or part-time experiences of flexible duration. Participants receive a bi-weekly stipend and a housing allowance. Program requirements may include attending enrichment and professional development activities as well as the development and presentation of a deliverable such as a written research report, research poster, or formal presentation.

Advanced Short-Term Research Opportunity (ASTRO) Program

The Oak Ridge National Laboratory's highly selective ASTRO program offers challenging short-term research opportunities to students enrolled in Master's or Doctoral programs or to those holding a Master's degree in any of the STEM disciplines. Participants conduct research in one of the laboratory's current programs with a senior mentor for 3 to 12 months and receive a monthly stipend. Participants may also attend professional development events and request funding for relocation, conference travel, and publication fees.

Computational Science & Technology Advanced Research Studies (C-STARS) Program

This paid research opportunity is open to all current graduate students with at least a 3.5 GPA who have received a Master's degree within the past five years. Participants spend usually 12 months at the Oak Ridge National Laboratory (ORNL) in Oak Ridge, Tennessee conducting computational research. Participants receive a bi-weekly stipend, housing or travel reimbursements, conference travel costs, and any publication-related fees.

Travel

May

Academy of Motion Pictures Arts and Sciences Nicholl Fellowships in Screenwriting

Fellows are expected to complete a feature-length screenplay during the fellowship year.

Congressional Papers Section (CPS) Pre-Conference Scholarship

Financial assistance to attend the CPR pre-conference at the Society of American Archivists Annual Meeting.

German Academic Exchange Service (DAAD)

Short Term Research Grants

Awards for doctoral candidates with research projects that make a stay in Germany essential.

German Studies Research Grant

Grants to highly-qualified graduate students who are nominated by their department/program chairs.

The Wenner-Gren Foundation Dissertation Fieldwork Grants

Awarded to aid doctoral or thesis research that contributes to the Foundation's mission of supporting basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

Society for Male Reproduction and Urology Traveling Scholars Award Program

Provides an opportunity for trainees to learn more about the field of male infertility by attending educational activities at the annual meeting of the American Society for Reproductive Medicine (ASRM).

The Gilder Lehrman Institute of American History Fellowship

The Institute provides annual short-term research fellowships to doctoral candidates, college and university faculty at every rank, and independent scholars working in the field of American history. Fellows may conduct research within the archival holdings of any institution located in the five boroughs of New York City.

American Hotel and Lodging Educational Fund Graduate Scholarship

Open to hospitality management graduate students as well as graduate students who have an undergraduate hospitality management degree or at least four years' employment in the industry.

Albert M. Greenfield Foundation Dissertation Fellowship

Supports dissertation research in residence at the Library Company on any subject relevant to its collections.

Christine Mirzayan Science and Technology Policy Graduate Fellowship Program

Spend 12 weeks at the National Academies in Washington, DC, learning about science and technology policy and the role that scientists and engineers play in advising the nation.

June (Travel)

DOE Office of Science Graduate Student Research (SCGSR) Program

The U.S. Department of Energy's SCGSR Program prepares PhD students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE's Office of Science mission by providing dissertation opportunities at DOE laboratories.

International Ocean Discovery Program Expedition

The International Ocean Discovery Program (IODP) is an international research collaboration that coordinates seagoing expeditions to study the history of the Earth recorded in sediments and rocks beneath the ocean floor. The JOIDES Resolution Science Operator (JRSO) operates the scientific drillship JOIDES Resolution on behalf of the National Science Foundation.

Women Chemists Committee/Eli Lilly Travel Awards

Need-based grants offered to graduate and postdoctoral women chemists to travel and present the results of their research at scientific meetings.

Smithsonian Institution—STRI Short-Term Fellowship Program

Provides support for graduate students and introduces them to tropical research. These fellowships enable selected candidates to work in and explore research possibilities at STRI.

July (Travel)

German Academic Exchange Service (DAAD) German Studies Research Grant

Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

National Museum of the American Indian Internship Program

Fall internships for students interested in the museum profession and related fields.

Wolf Trap Internships

12-week program to foster the next generation of arts leaders (flexible start and end dates) in Washington, DC.

Society for the History of Technology Travel Grant

Designed to attend the SHOT conference. Open to individuals giving a paper at the annual meeting. Priority is given to scholars who address women, gender, race, ethnicity, and/or difference in the history of technology.

American Society for Theater Research

Thomas Marshall Graduate Student Award

Designed to encourage students to become active members of ASTR by helping them meet the expenses of attending the ASTR annual meeting.

Helen Krich Chinoy Dissertation Fellowship

Intended to assist Ph.D. candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations.

August (Travel)

Neotropical Grassland Conservancy (NGC) Student Grant Program

The foundation’s mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs. Open to Latin American students enrolled in M.S. or Ph.D. programs in U.S. or South American universities.

University Research Association Visiting Scholars Program

Funding for visits to work at Fermilab for up to one year.

Institute for Humane Studies Conference and Research Grant

Grants awarded to graduate students who are advancing the principles of freedom through their careers to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, or participate in career-development seminars.

KOSMOS Summer University Fellowship

The KOSMOS Summer University provides Humboldt-University scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

Luso-American USA@PT Grants

Short-term research grants to provide researchers with a fruitful stay in Portugal. Supplies awardees with the required means to develop their work and provides for their travel and accommodation expenses.

Caucus for Women in Statistics Travel Award

The Caucus for Women in Statistics (CWS) travel awards partially support attending a professional meeting, such as the Joint Statistical Meeting (JSM). At least two awards in the amount of \$500 each are anticipated. The selection will be based on both merits and financial need.
