The Office of Graduate Fellowships & Awards  
Florida State University

# The Office of Graduate Fellowships & Awards

OGFA assists current FSU graduate students with articulating their interests and ambitions in support of identifying and applying for external funding opportunities.

Visit [ogfa.fsu.edu](http://ogfa.fsu.edu) to download our newsletter, attend a workshop, or find more information about applying for external funding opportunities.

Click below to schedule an initial meeting

**GET STARTED**

## About the Deadlines

Each month, the Office of Graduate Fellowships & Awards publishes a list of upcoming fellowship deadlines. You can find more opportunities using [Pivot](#), or meet with OGFA to discuss opportunities that you are interested in.

Note: Current month deadlines are reminders.

\*Titles of fellowships are hyperlinks\*

### Table of Contents:

**Travel** - Opportunities for graduate students who want to teach, study, or take their research across the country or world

**Master's** - Opportunities for graduate students pursuing a master's degree (also includes opportunities for students in professional programs)

**Doctoral** - Opportunities for graduate students at any stage of the doctoral degree

# Travel

## **Harry S. Truman Library Research Grant**

October 1, 2017

Research Grants of up to \$2,500 are awarded twice annually to offset the cost of conducting research at the Harry S. Truman Library and Museum.

## **Society for Historians of American Foreign Relations**

October 1, 2017

### **W. Stull Holt Dissertation Fellowship**

Fellowship intended to defray the costs of travel necessary to conduct research on a significant dissertation project for students whose dissertation deals with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Gelfand-Rappaport-LaFeber, and Bemis grants.

### **Lawrence Gelfand – Armin Rappaport – Walter LeFeber Dissertation Fellowship**

Fellowship intended to defray the costs of dissertation research travel for students actively working on dissertations dealing with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Holt, and Bemis grants.

### **Samuel Flagg Bemis Dissertation Research Grant**

Fellowship to help defray the costs of domestic or international travel necessary to conduct research on significant scholarly projects for students actively working on dissertations dealing with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Holt, and Gelfand-Rappaport-LaFeber grants.

## **St John's College Research Fellowships**

October 3, 2017

Research fellowships intended for outstanding researchers early in their careers (including graduate students) to carry out independent research in a stimulating and supportive academic environment.

## **Scientific and Technological Research Council of Turkey**

October 6, 2017

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with countries of the prospective researchers.

## **Smithsonian Institution—STRI Short-Term Fellowship Program**

October 15, 2017

Provides support for graduate students and introduces them to tropical research. Fellowships enable selected candidates to work in the Smithsonian Tropical Research Institute and explore research possibilities at STRI.

## **KOSMOS Summer University Fellowship**

October 15, 2017

The KOSMOS Summer University provides Humboldt-University's scientists and international guests with a solid foundation for developing a research project over a period of up to one year. This time period concludes with a KOSMOS Summer University carried out in cooperation with at least two international universities.

## **Naval Research Enterprise Internship Program**

October 23, 2017

Summer internships for students to participate in research at a Department of Navy laboratory.

## **Wolf Trap Internships**

November 1, 2017

Spring, Summer, and Fall internships available to foster the next generation of arts leaders. 12-week program with flexible start and end dates in Washington, DC.

## **The Wenner-Gren Foundation Dissertation Fieldwork Grants**

November 1, 2017

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

## **Dumbarton Oaks Research Library and Collection**

November 1, 2017

### **Summer Fellowship**

Fellowships for Byzantine, Pre-Columbian, or Garden and Landscape scholars on any level of advancement beyond the first year of graduate (post-baccalaureate) study.

### **Mellon Fellowships in Urban Landscape Studies**

Fellowships intended for scholars and designers to pursue research on the history and current conditions of urban landscapes.

### **Junior Fellowship**

Fellowships for students who have fulfilled all preliminary requirements for the PhD or appropriate final degree and will be working on a dissertation or final project at Dumbarton Oaks under the direction of a faculty member at their own university.

# Travel (Continued)

## German Academic Exchange Service (DAAD)

### German Studies Research Grant

November 1, 2017

Specialized DAAD program offers German Studies Research Grants to highly-qualified undergraduate and graduate students who are nominated by their department/program chairs. The grant may be used for short-term research (one to two months) in Germany.

### DAAD Long Term Research Grants

November 4, 2017

Long-term research grants are awarded to highly qualified candidates who desire to conduct long-term research (7-10 months) or join a German doctoral program.

## Program in China Studies Predissertation-Summer Travel Grants

November 9, 2017

Predissertation—summer travel grants, postdoctoral fellowships as well as collaborative reading-workshop grants available.

## Leifur Eiríksson Foundation Scholarship Program

November 15, 2017

For graduate research or study at universities in Iceland. Up to \$25,000 in project costs, including travel to and from the research or study site will be paid on the scholar's behalf.

## Critical Language Scholarship Program

November 15, 2017

Part of a U.S. government effort to expand dramatically the number of Americans studying and mastering critical foreign languages. Languages Supported: Azerbaijani, Bangla/Bengali, Hindi, Indonesian, Korean, Punjabi, Swahili, Turkish, Urdu, Arabic, Persian, Chinese, Japanese, and Russian.

## National Museum of the American Indian Internship Program

November 20, 2017

Internships are provided for students interested in the museum profession and related fields. Locations are in Maryland, Washington D.C. or New York for a duration of 10 weeks.

## DOE Office of Science Graduate Student Research (SCGSR) Program

November 21, 2017

Prepares graduate students for science, technology, engineering, or mathematics careers critically important to the DOE Office of Science mission, by providing graduate thesis research opportunities at DOE laboratories.

## Kress History of Art: Institutional Fellowship

November 30, 2017

The Kress History of Art: Institutional Fellowships are intended to provide promising young art historians with the opportunity to experience immersion in European art history.

## RAND Graduate Student Summer Associate Program

Early December (anticipated)

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

## John Carter Brown Library Research Fellowships

December 1, 2017

Supports research at the John Carter Brown Library on the colonial history of the Americas (North and South), including all aspects of the European, African, and Native American involvement.

## Mid Atlantic Arts Foundation USArtists International Grants

December 1, 2017

Funding for American artists to perform at important cultural festivals and art marketplaces around the globe.

## Neotropical Grassland Conservancy (NGC) Student Grant Program

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program (SGP) was designed in response to feedback from Venezuelan professors. Graduate student research projects are often hindered by lack of funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

## Department of Homeland Security HS-STEM Summer Internship Program

December 7, 2017

10-week summer internship in a broad spectrum of research areas for students majoring in homeland security disciplines related to science, technology, engineering, and mathematics. Provides students with quality research experiences at federal research facilities across the country. Areas of research include engineering, computer science, mathematics, physics, chemistry, biological/life sciences, environmental science, emergency and incident management, social sciences, and more.

## Women Techmakers Scholars Program

December 8, 2017 (anticipated)

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

## Carnegie Saharan Crossroads Fellowship Program

December 15, 2017

Saharan Crossroads seeks to counter the conceptual divide separating North and sub-Saharan Africa and the tendency to view the Sahara Desert as an impenetrable barrier dividing the continent into the northern "white" and sub-Saharan "black" Africa.

## Qasid Annual Scholarship Program

December 15, 2017

Scholarship to study Arabic at the Qasid Arabic Institute.

# Travel (Continued)

## **KRESS Fellowships for Language Study**

December 15, 2017

Fellowships for art history and art conservation graduate students to attend the Middlebury Summer Language Schools in French, German, Italian, Portuguese, Russian, or Spanish.

## **Association for Education Finance Policy Roe L. Johns Travel Grants**

December 31, 2017

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

## **Humanity in Action - Summer Graduate Fellowship Program in Diplomacy and Diversity**

January 8, 2018

Fellows travel to Amsterdam, Atlanta, Berlin, Copenhagen, Detroit, Sarajevo, or Warsaw to study how American and European governments and societies are responding to a wide range of international issues.

## **American School of Classical Studies at Athens Fellowships and Grants**

January 15, 2018

One-year and short-term fellowships to travel to and study at the American School of Classical Studies at Athens.

## **Economic History Association Doctoral and Postdoctoral Grants and Fellowships**

January 15, 2018

Grants support graduate and postdoctoral research on every phase of economic history, broadly defined. Applicants must be members of the Association.

## **Chateaubriand Fellowship**

January 27, 2018 (anticipated)

The Chateaubriand Fellowship is a grant offered by the Embassy of France in the United States. Every year, it allows doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

## **Boren Fellowship**

January 30, 2018

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

## **Catherine H. Beattie Fellowship in Conservation Horticulture**

January 31, 2018

Annual research grant for graduate students in biology, horticulture, or a related field to study at a botanical garden.

## **Council of American Overseas Research Centers**

January 31, 2018

### **Andrew W. Mellon Mediterranean Regional Research Fellowship**

The CAORC is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue. Thousands of fellowships are made available each year.

### **The Multi-Country Research Fellowship**

The CAORC Multi-Country Research Fellowship Program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

### **Institute for Humane Studies Conference and Research Grant**

Deadline: Rolling, at least four weeks before activity for which you are seeking funding

Grants awarded to graduate students advancing the principles of freedom through their career to present at academic or professional conferences, travel to academic job interviews on a campus or at a conference, travel to archives or libraries for research, and participate in career-development seminars.

### **U.S. Department of Energy Carlsbad Field Office Fellowship Program**

Deadline: See website for openings

The Department of Energy (DOE) CBFO Program provides the opportunity to conduct mission-oriented research in DOE's CBFO in Carlsbad, New Mexico, or at other sites throughout the DOE complex.

# Master's

## **Archives of American Art Fellowships and Internships**

October 1, 2017

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

## **America Water Works Association Academic Achievement Award**

October 1, 2017

Recognizes contributions to the field of public water supply. All master's theses and doctoral dissertations relevant to the water supply industry.

## **SHRM Foundation Graduate Student Scholarship**

October 10, 2017

Scholarships graduate students in programs with an emphasis area in HR or an HR-related program (such as business, psychology or labor relations).

## **Justin G. Schiller Prize for Bibliographical Work on Pre-20th Century Children's Books**

October 15, 2017 (anticipated)

Encourages scholarship in the bibliography of historical children's books. Works put into nomination, which must be in English, may concentrate on any children's book printed before the year 1901 in any country.

## **American Nephrology Nurses Association Education Scholarships and Grants**

October 15, 2017

Support for members in their pursuit of higher education as well as grants for clinical research projects and patient or staff education programs.

## **Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship**

October 15, 2017

Scholarships and grants for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

## **Michael J. Hogan Foreign Language Fellowship**

October 15, 2017

Fellowship to promote research in foreign language resources by graduate students researching some aspect of U.S. foreign relations history.

## **ACI Foundation Fellowship and Scholarship**

October 18, 2017 (anticipated)

Scholarships for eligible graduate students whose studies relate to concrete.

## **Ludo Frevel Crystallography Scholarships**

October 18, 2017

Scholarships for graduate students enrolled in graduate degree programs with major interest in crystallography.

## **National Science Foundation Graduate Research Fellowship Program**

October (Deadline varies based on discipline)

Provides three years of support for the graduate education of individuals who have demonstrated their potential for significant achievements in science and engineering research. Students must be in their first or second year of a research based Masters or PhD program and cannot have previously earned a Master's degree. Deadlines vary depending on area of study; see website for exact dates.

## **Hertz Foundation**

October 27, 2017

Cost-of-education allowance and a stipend for first year graduate students willing to make skills available to U.S. in time of national emergency.

## **Roy Scrivner Memorial Research Grant**

November 1, 2017

Grant for empirical and applied research focused on lesbian, gay, and bisexual family psychology and lesbian, gay and bisexual family therapy.

## **Paul and Daisy Soros Fellowship for New Americans**

November 1, 2017

Every year, The Paul & Daisy Soros Fellowships for New Americans supports thirty New Americans, immigrants or the children of immigrants, who are pursuing graduate school in the United States. Selection criteria emphasize creativity, originality, initiative, and sustained accomplishment. The program values a commitment to the Constitution and the Bill of Rights.

## **Arthur C. Pike Scholarship in Meteorology**

November 10, 2017 (anticipated)

A scholarship from the National Weather Association for students majoring in meteorology.

## **GEM MS Engineering Fellowship Program**

November 13, 2017

The objective of this program is to promote the benefits of a master's degree within industry. GEM Fellows are provided practical engineering summer work experiences through an employer sponsor and a portable academic year fellowship of tuition, fees, and a stipend which may be used at any participating GEM Member University where the GEM Fellow is admitted.

# Master's (Continued)

## **Tallahassee Mayoral Fellowship Program**

November 15, 2017 (anticipated)

Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall.

## **Internships with the Middle East Program**

November 15, 2017

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

## **Knowles Science Teaching Foundation Fellowship**

November 26, 2017

Teaching fellowships for those who commit to teaching mathematics or science in grades 9-12.

## **National Physical Science Consortium Graduate Fellowships in Science, Engineering and Math**

November 30, 2017 (anticipated)

Fellowships for graduate students in Astronomy, Chemistry, Computer Science, Geology, Materials Science, Mathematical Sciences, Physics, and related Engineering fields. Initial support may be for 2 to 3 years, or a full 6 years, depending on the employer-sponsor.

## **Kate Neal Kinley Memorial Fellowship**

December 1, 2017

Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

## **Neotropical Grassland Conservancy (NGC) Student Grant Program**

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program provides funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

## **Women Techmakers Scholars Program**

December 8, 2017 (anticipated)

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

## **Florida Library Association Scholarships**

December 12, 2017 (anticipated)

Scholarships for students in Masters of Library Science graduate program.

## **American Association of University Women**

### **American Association of University Women International Fellowship**

December 1, 2017

Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

### **American Association of University Women Career Development Grants**

December 15, 2017

Funding to women who hold a bachelor's degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

## **P.E.O. International Peace Scholarship**

December 15, 2017

The International Peace Scholarship Fund, established in 1949, is a program which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

## **Golden Key Graduate Scholar Award**

December 15, 2017

Scholarship for members who have proven academic excellence combined with a solid range of extracurricular activities.

## **IMA Applied Research Grant**

December 20, 2017

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

## **Association for Education Finance and Policy**

December 31, 2017

### **Association for Education Finance Policy Roe L. Johns Travel Grants**

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

### **Association for Education Finance Policy New Scholars Award**

Supports research by master's & doctoral students whose research addresses education finance and policy

### **Association for Education Finance Policy Jean Flanigan Outstanding Dissertation Award**

Award in recognition of exemplary dissertation research in the area of education finance and policy.

# Master's (Continued)

## U.S. Department of Defense

### SMART Fellowship through the Department of Defense (DoD)

December 1, 2017

Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

### National Defense Science and Engineering Graduate Fellowship

December 31, 2017

Designed to increase the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

### Harriet Evelyn Wallace Doctoral Student Scholarships for Women

January 3, 2018

Scholarships support female geoscientists pursuing a graduate degree. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

### Guy Harvey Scholarship Award

January 5, 2018 (anticipated)

Supports graduate students who are enrolled full time at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

### American Association of Family & Consumer Sciences National Graduate Fellowship

January 8, 2018

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

### American Water Works Association

January 9, 2018

### Bryant L. Bench Scholarship

Provides support to a master's student engaging in developing innovative solutions to the world's water challenges.

### Hazen and Sawyer Scholarship

Provides support to a student seeking a master's degree in the water science field.

### HDR/Henry "Bud" Benjes Scholarship

Provides support to a master's student seeking a degree in the water industry.

### MWH Scholarship

Provides support to a master's student seeking a degree in the water industry.

### Roy W. Likins Scholarship

Scholarships for students pursuing a degree relating to the drinking water industry.

### Larson Aquatic Research Support Scholarship

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry.

### Thomas R. Camp Scholarship

Provides support to outstanding graduate students doing applied research in the drinking water field.

### Holly A. Cornell Scholarship

Encourages and supports outstanding female and/or minority master's students in pursuit of advanced training the field of water supply and treatment.

### ARCADIS Scholarship

Provides support to a master's or doctoral candidate student seeking a degree in the water industry.

### Dave Caldwell Scholarship

Scholarship to benefit female and/or minority students pursuing an engineering degree in the drinking water field.

### Woodard and Curran Scholarship

Encourages and supports outstanding female and/or minority master's students in pursuit of training in the field of water treatment.

### American Association of University Women Selected Professions Fellowships

January 10, 2018

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. For master's programs, the eligible programs are Architecture, Computer/Information Science, Engineering, and Mathematics/Statistics. Women of color may also apply in the following fields: master's in business administration, law, doctorate in medicine.

### Graduate Women in Science National Fellowships Program

January 13, 2018 (anticipated)

Fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income that supports scientific research done by SDE/GWIS award winners.

# Master's (Continued)

## **McKnight Doctoral Fellowship**

January 15, 2018

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees to teach at the college and university levels.

## **Hurst Review/American Association of Colleges of Nursing Scholarship**

January 15, 2018

Scholarships for students pursuing professional nursing degrees.

## **IMA Incubator Grant Program**

January 15, 2018

Grants for smaller innovative projects related to accounting and finance.

## **International Literacy Association**

January 15, 2018

### **Elva Knight Research Grant**

Grant for research in reading and literacy

### **Jeanne S. Chall Research Fellowship**

Grant to support reading research by promising scholars.

### **Steven A. Stahl Research Grant**

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

## **Dr. Raymond A. Weiss Research Endowment**

January 19, 2018

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports. The psychological and emotional benefits of physical activity are of particular importance to the benefactors of this endowment.

## **Pittsburgh Foundation - Walter Read Hovey Memorial Fund**

January 21, 2018 (anticipated)

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

## **Point Foundation Scholarship**

January 30, 2018

Scholarships for LGBTQ students who are "out" to help cover expenses not covered by other scholarships, grants, loans, work/study programs, etc.

## **Florida Gubernatorial Fellows Program**

January 30, 2018

Non-partisan program immerses students from public and private universities in key areas of state government.

## **Spencer Educational Foundation Graduate Scholarships**

January 31, 2018

Scholarships for master's and pre-dissertation Ph.D. students studying education.

## **Now Is The Time: Minority Fellowship Program - Youth**

January 31, 2018 (anticipated)

Fellowship for master's students enrolled in a Marriage and Family Therapy master's program interested in service provision to the nation's youth.

## **Catherine H. Beattie Fellowship in Conservation Horticulture**

January 31, 2018

Annual research grant for students in biology, horticulture, or a related field to study at a botanical garden.

## **P.E.O. Program for Continuing Education**

Deadline: 3-4 months prior to the start of the term for which the grant is requested

One-time need based grants to women who are citizens or legal permanent residents of the U.S. or Canada for use in completing a degree or certification necessary for improving or gaining skills leading to employment.

## **Elizabeth Greenshields Foundation Grant**

Deadline: 6 months prior to the date on which funds are required

Prestigious grant for emerging figurative artists. Applicants must be in the early stage of their career, work in a representational style of painting, drawing, sculpting or printmaking and demonstrate a commitment to making their art a lifetime career.

# Doctoral

## **Society for Historians of American Foreign Relations**

October 1, 2017

### **W. Stull Holt Dissertation Fellowship**

Fellowship intended to defray the costs of travel necessary to conduct research on a significant dissertation project for students whose dissertation deals with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Gelfand-Rappaport-LaFeber, and Bemis grants.

### **Lawrence Gelfand – Armin Rappaport – Walter LeFeber Dissertation Fellowship**

Fellowship intended to defray the costs of dissertation research travel for students actively working on dissertations dealing with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Holt, and Bemis grants.

### **Samuel Flagg Bemis Dissertation Research Grant**

Fellowship to help defray the costs of domestic or international travel necessary to conduct research on significant scholarly projects for students actively working on dissertations dealing with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Stuart L. Bernath, Holt, and Gelfand-Rappaport-LaFeber grants.

### **Stuart L Bernath Dissertation Research Grant**

Grant intended to help defray the expenses encountered in the writing of the dissertation by students working on dissertations dealing with some aspect of U.S. foreign relations history. Applicants for this award will be considered automatically for the Holt, Gelfand-Rappaport-LaFeber, and Bemis grants.

## **American Water Works Association Academic Achievement Award**

October 1, 2017

Recognizes contributions to the field of public water supply. All master's theses and doctoral dissertations relevant to the water supply industry.

## **Archives of American Art Fellowships and Internships**

October 1, 2017

Multiple internships of at least 10 weeks for students interested in archival science, information management, museum studies, art, administration, art history, and cultural studies.

## **K. Patricia Cross Future Leaders Award**

October 3, 2017 (anticipated)

Recognizes doctoral students who show exemplary promise as future leaders of higher education, who demonstrate a commitment to developing academic & civic responsibility in themselves & others, and whose work reflects a strong emphasis on teaching & learning. Must be nominated by faculty member or administrator.

## **National Academy of Education/Spencer Dissertation Fellowship**

October 5, 2017

The Dissertation Fellowship Program seeks to encourage a new generation of scholars from a wide range of disciplines and professional fields to undertake research relevant to the improvement of education. These \$27,500 fellowships support individuals whose dissertations show potential for bringing fresh and constructive perspectives to the history, theory, analysis, or practice of formal or informal education anywhere in the world.

## **American Academy of Audiology**

October 5, 2017 (anticipated)

### **American Academy of Audiology Student Summer Research Fellowship**

The purpose of this summer research fellowship is to expose students who are interested in research or wishing to pursue a career in research to a stimulating research environment under the guidance of a mentor.

### **American Academy of Audiology Student Investigator Research Grant**

The purpose of this grant is to support doctoral students working toward a degree in audiology or hearing science who wish to complete a research project as part of their course of study.

## **Scientific and Technological Research Council of Turkey**

October 6, 2017

Fellowships for international PhD students to pursue their research in Turkey. The program aims to promote Turkey's scientific and technological collaboration with countries of the prospective researchers.

## **SHRM Foundation Graduate Student Scholarship**

October 10, 2017

Scholarships graduate students in programs with an emphasis area in HR or an HR-related program (such as business, psychology or labor relations).

## **National Science Foundation**

### **National Science Foundation Graduate Research Fellowship Program**

October (Deadline varies based on discipline)

Provides three years of support for the graduate education of individuals who have demonstrated their potential for significant achievements in science and engineering research. Students must be in their first or second year of a research based Masters or PhD program and cannot have previously earned a Master's degree. Deadlines vary depending on area of study; see website for exact dates.

# Doctoral (Continued)

## National Science Foundation Sociology Program Doctoral Dissertation Research Improvement Awards

October 15, 2017

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

## Justin G. Schiller Prize for Bibliographical Work on Pre-20th Century Children's Books

October 15, 2017 (anticipated)

Encourages scholarship in the bibliography of historical children's books. Works put into nomination, which must be in English, may concentrate on any children's book printed before the year 1901 in any country.

## Acton Institute for the Study of Religion and Liberty Calihan Academic Fellowship

October 15, 2017

Scholarships and grants for graduate students currently studying theology, philosophy, economics, or related fields must demonstrate the potential to advance understanding in the relationship between theology and the principles of the free and virtuous society. Such principles include recognition of human dignity, the importance of the rule of law, limited government, religious liberty, and freedom in economic life.

## American Nephrology Nurses Association Education Scholarships and Grants

October 15, 2017

Support for members in their pursuit of higher education as well as grants for clinical research projects and patient or staff education programs.

## Woodrow Wilson Dissertation Fellowship in Women's Studies

October 15, 2017

Encourages original and significant research about women that crosses disciplinary, regional, or cultural boundaries. Previous Fellows have explored such topics as transnational religious education for Muslim women, the complex gender dynamics of trans identity management, women's electoral success across racial and institutional contexts, women's sports, militarism and the education of American women, and the relationship between family commitments and women's work mobility.

## Michael J. Hogan Foreign Language Fellowship

October 15, 2017

Fellowship to promote research in foreign language resources by graduate students researching some aspect of U.S. foreign relations history.

## Global Religion Doctoral Dissertation Fellowships

October 16, 2017

Fellowships are intended to promote among promising, young North American scholars the social scientific study of contemporary religions around the globe, especially in the "global south," beyond the North Atlantic world (i.e., not the U.S., Canada, and Western Europe). They also intend to help better integrate the study of religion into mainstream social issues.

## ACI Foundation Fellowship and Scholarship

October 18, 2017 (anticipated)

Scholarships for eligible graduate students whose studies relate to concrete.

## Ludo Frevel Crystallography Scholarships

October 18, 2017

Scholarships for graduate students enrolled in graduate degree programs with major interest in crystallography.

## World Politics and Statecraft Fellowship

October 20, 2017

Grants to support PhD dissertation research on American foreign policy, international relations, international security, strategic studies, area studies and diplomatic and military history. The fellowship's objective is to support the research and writing of policy-relevant dissertations through funding of fieldwork, archival research and language training.

## American Council of Learned Societies

October 25, 2017

## Mellon/ACLS Dissertation Completion Fellowships

ACLS invites applications for the tenth annual competition for the Mellon/ACLS Dissertation Completion Fellowships, which support a year of research and writing to help advanced graduate students in the humanities and related social sciences in the last year of PhD dissertation writing. The program encourages timely completion of the PhD.

## Luce/ACLS Dissertation Fellowships in American Art History

ACLS invites applications for the Henry Luce Foundation/ACLS Dissertation Fellowships in American Art designated for graduate students in any stage of PhD dissertation research or writing. Ten fellowships are available for a non-renewable, one-year term.

## IBM Ph.D. Fellowship

October 26, 2017

Fellowships honor exceptional Ph.D. students who have an interest in solving problems that are important to IBM and fundamental to innovation in many academic disciplines and areas of study, including: computer science and engineering; electrical and mechanical engineering; physical sciences; mathematical sciences; public sector and business sciences; and service science, management, and engineering (SSME) and industry solutions (healthcare, life sciences, education, energy & environment).

## Hertz Foundation

October 27, 2017

Cost-of-education allowance and a stipend for first year graduate students willing to make skills available to U.S. in time of national emergency.

## American Heart Association Predoctoral Fellowship

November 1, 2017

For research broadly related to cardiovascular function and disease and stroke, or to related clinical, basic science, bioengineering or biotechnology, and public health problems, including multidisciplinary efforts.

# Doctoral (Continued)

## **Dumbarton Oaks Junior Fellowship**

November 1, 2017

Fellowships for students who have fulfilled all preliminary requirements for the PhD or appropriate final degree and will be working on a dissertation or final project at Dumbarton Oaks under the direction of a faculty member at their own university.

## **The Wenner-Gren Foundation Dissertation Fieldwork Grants**

November 1, 2017

Awarded to aid doctoral or thesis research. The program contributes to the Foundation's overall mission to support basic research in anthropology and to ensure that the discipline continues to provide significant work that furthers our understanding of humanity's cultural and biological origins, development, and variation.

## **Fahs-Beck Doctoral Dissertation Grant Program**

November 1, 2017

Grants up to \$5000 to help support dissertation expenses of doctoral students whose studies have the potential for adding significantly to knowledge about problems in the functioning or well-being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems.

## **Paul and Daisy Soros Fellowship for New Americans**

November 1, 2017

Every year, The Paul & Daisy Soros Fellowships for New Americans supports thirty New Americans, immigrants or the children of immigrants, who are pursuing graduate school in the United States. Selection criteria emphasize creativity, originality, initiative, and sustained accomplishment. The program values a commitment to the Constitution and the Bill of Rights. The program does not have any quotas for types of degrees, universities or programs, countries of origin, or gender, etc.

## **AERA Minority Dissertation Fellowship Program in Education Research**

November 1, 2017

Fellowship to support doctoral dissertation research and to advance education research by outstanding minority graduate students.

## **Arthur C. Pike Scholarship in Meteorology**

November 10, 2017 (anticipated)

A scholarship from the National Weather Association for students majoring in meteorology.

## **Tallahassee Mayoral Fellowship Program**

November 15, 2017 (anticipated)

Yearlong fellowship for graduate students to engage with key areas of City government and serve in invaluable front-line positions alongside top leaders of City Hall.

## **Charlotte W. Newcombe Doctoral Dissertation Fellowship**

November 15, 2017

Dissertation stage support for doctoral students whose work offers significant potential for advancing academic scholarship related to ethics and/or religion.

## **Internships with the Middle East Program**

November 15, 2017

The Program concentrates on long-term developments and how such issues impact stability and growth in the region and its relations with the United States. The Middle East Program's meetings, conferences and reports assess the policy implications of regional developments (political, economic, and social), the Middle East's role in the international arena, American interests in the region, strategic threats to and from the regional states, and the role and future prospects of the region's energy resources.

## **Amelia Earhart Fellowships from Zonta International Foundation**

November 15, 2017

Established in 1938 in honor of Amelia Earhart, famed pilot and Zonta club member. The \$10,000 Fellowships are granted annually to women pursuing PhD degrees in aerospace-related sciences or aero-space-related engineering. Women of any nationality pursuing a Ph.D./doctoral degree, who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering, are eligible and encouraged to apply.

## **American Association of University Women American Dissertation Fellowship**

November 15, 2017

The program provides fellowships for women pursuing full-time study to complete dissertations, conducting postdoctoral research full time, or preparing research for publication for eight consecutive weeks. Female candidates are evaluated on the basis of scholarly excellence, quality and originality of project design, and active commitment to helping women and girls through service in their communities, professions, or fields of research.

## **National Gem Consortium**

November 15, 2017

### **GEM PhD Engineering Program**

The objective of this program is to offer doctoral fellowships to underrepresented minority students who have either completed, are currently enrolled in a master's in engineering program, or received admittance into a PhD program directly from a bachelor's degree program. Fellowships may be used at any participating GEM Member University where the GEM Fellow is admitted.

### **GEM PhD Science Fellowship**

The goal of this program is to increase the number of minority students who pursue doctoral degrees in the natural science disciplines — chemistry, physics, earth sciences, mathematics, biological sciences, and computer science. Applicants to this program are accepted as early as their senior undergraduate year, as well as candidates currently enrolled in a Master's of Engineering program and working professionals.

## **American Psychological Association**

### **Roy Scrivner Memorial Research Grant**

November 1, 2017

Grant for empirical and applied research focused on lesbian, gay, and bisexual family psychology and lesbian, gay and bisexual family therapy.

# Doctoral (Continued)

## **Elisabeth Munsterberg Koppitz Child Psychology Graduate Fellowship**

November 15, 2017

The fellowship promotes the advancement of knowledge and learning in the field of child psychology. The program goals are to nurture excellent young scholars for careers in areas of psychology, such as child-clinical, pediatric, school, educational and developmental psychopathology and to support scholarly work contributing to the advancement of knowledge in these areas.

## **American Council of Learned Societies**

### **Program in China Studies Predissertation-Summer Travel Grants**

November 9, 2017

Predissertation—summer travel grants, postdoctoral fellowships as well as collaborative reading-workshop grants available.

### **Dissertation Fellowships in Buddhist Studies**

November 15, 2017

The Robert H. N. Ho Family Foundation Dissertation Fellowships in Buddhist Studies provide one-year stipends to PhD candidates for full time preparation of dissertations. The fellowship period may be used for fieldwork, archival research, analysis of findings, or for writing after research is complete.

## **Jennings Randolph Peace Scholarship Dissertation Program**

November 20, 2017

Fellowships to advance research that contributes to a wider understanding of how to manage conflict and build sustainable peace effectively.

## **National Institute of Justice Graduate Research Fellowship Program**

November 21, 2017 (anticipated)

Supports doctoral students engaged in research that advances NIJ's mission and works to increase the pool of scholars engaged in research that addresses the challenges of crime and justice in the United States, particularly at the state and local levels. The program has two tracks: Social & Behavioral Sciences and STEM.

## **Knowles Science Teaching Foundation Fellowship**

November 26, 2017

Teaching fellowships for those who commit to teaching mathematics or science in grades 9-12 as their primary career.

## **Kress History of Art: Institutional Fellowship**

November 30, 2017

Advanced training in European art history requires direct exposure to the object of study, prolonged access to key information resources such as libraries and photographic archives, the development of professional relationships with colleagues abroad, and sustained immersion in European cultures. These related needs are often best satisfied by extended engagement with a European art research center. Fellowships are intended to provide promising young art historians with the opportunity to experience just this kind of immersion.

## **Neotropical Grassland Conservancy (NGC) Student Grant Program**

December 1, 2017

The foundation's mission is promoting the conservation of savannas, gallery forests, wetlands, and associated ecosystems in Central and South America. The Student Grant Program (SGP) was designed in response to feedback from Venezuelan professors. Graduate student research projects are often hindered by lack of funds for basic needs such as transportation, lodging, meals and consumable field supplies. Open to Latin American students enrolled in a M.S. or Ph.D. program in a US or South American university.

## **Kate Neal Kinley Memorial Fellowship**

December 1, 2017

Open to students whose principal or major studies have been in the fields of art, architecture, dance, landscape architecture, music, theatre, or urban and regional planning.

## **UNCF-Merck Graduate Science Research Dissertation Fellowships**

December 1, 2017 (anticipated)

Open to African American students who are engaged in and within 1-3 years of completing their dissertation research and enrolled full-time in a Ph.D. or equivalent doctoral degree program.

## **Doris Duke Fellowship for the Promotion of Child Well-Being**

December 1, 2017

The Fellowships are designed to identify and develop a new generation of leaders interested in and capable of creating practice and policy initiatives that will enhance child development and improve the nation's ability to prevent all forms of child maltreatment.

## **Romance Writers of America Academic Research Grant**

December 1, 2017

Up to \$5,000 to develop and support academic research devoted to genre romance novels, writers, and readers. The ultimate goal of the proposals should be significant publication in major journals or as a monograph from an academic press. RWA does not fund creative work (such as novels or films). Grant is open to dissertation candidates who have completed all course work and qualifying exams.

## **D. Kim Foundation Dissertation Fellowship**

December 1, 2017

One or two fellowships (up to \$25,000 each) will be awarded annually to Ph.D. candidates who are writing their dissertations. Applicants should include two draft chapters with their application. The Foundation provides fellowships and grants to support graduate students and young scholars who are working in the history of science and technology in modern East Asia, regardless of their nationality, origins, or gender. Comparative studies of East Asia and the West as well as studies in related fields (mathematics, medicine and public health) are also welcome.

## **National Physical Science Consortium Graduate Fellowships in Science, Engineering and Math**

December 5, 2017 (anticipated)

Fellowships for graduate students in Astronomy, Chemistry, Computer Science, Geology, Materials Science, Mathematical Sciences, Physics, and related Engineering fields. Initial support may be for 2 to 3 years, or a full 6 years, depending on the employer-sponsor.

# Doctoral (Continued)

## **Ford Foundation Fellowship Program—Pre-doctoral and Dissertation Fellowships**

December 7, 2017

Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

## **Women Techmakers Scholars Program**

December 8, 2017 (anticipated)

Awards for female graduate students in computer science, computer engineering, or closely related technical field. Includes support for the academic year and participation in the Annual Google Scholars' Retreat.

## **American Musicological Society**

December 15, 2017

### **Alvin H. Johnson AMS 50 Dissertation-year Fellowships**

Dissertation-year support for doctoral students whose degree emphasizes musical scholarship. It is expected that a Fellow's dissertation will be completed within the fellowship year.

### **The Howard Mayer Brown Fellowship**

Intended to increase the presence of minority scholars and teachers of musicology. The fellowship will support one year of graduate work for an underrepresented student in musicology at a North American University.

## **Golden Key Graduate Scholar Award**

December 15, 2017

Scholarship for members who have proven academic excellence combined with a solid range of extracurricular activities.

## **P.E.O. International Peace Scholarship**

December 15, 2017

The International Peace Scholarship Fund, established in 1949, is a program which provides scholarships for selected women from other countries for graduate study in the United States and Canada. Members of P.E.O. believe that education is fundamental to world peace and understanding.

## **American Association of University Women**

### **American Association of University Women International Fellowship**

December 1, 2017

Awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported.

## **American Association of University Women Career Development Grants**

December 15, 2017

Funding to women who hold a bachelor's degree and are preparing to advance or change careers or reenter the workforce. Primary consideration is given to women of color and women pursuing their first advanced degree or credentials in nontraditional fields.

## **American Chemical Society Division of Analytical Chemistry Graduate Fellowship Program**

December 16, 2017 (anticipated)

Both nine-month (\$21,000) and summer (\$7,000) fellowships for PhD students researching analytical chemistry.

## **IMA Applied Research Grant**

December 20, 2017

Funds work that will help bridge the gap between academics and management accounting professionals while contributing to the development of knowledge in the profession.

## **American Medical Association Seed Grant Research Program**

December 20, 2017

The program provides grants to support medical students, physician residents, and fellows in conducting small research projects.

## **Association for Education Finance and Policy**

December 31, 2017

### **Association for Education Finance Policy Roe L. Johns Travel Grants**

Need-based travel grants awarded to graduate students in the area of education finance and policy who present papers at the AEFPP Annual Conference.

### **Association for Education Finance Policy New Scholars Award**

Supports significant research by master's and doctoral students whose research addresses education finance and policy.

### **Association for Education Finance Policy Jean Flanigan Outstanding Dissertation Award**

Award in recognition of exemplary dissertation research in the area of education finance and policy.

## **National Institutes of Health**

### **NIH Ruth L. Kirschstein National Research Service Award (F31)**

December 8, 2017

The purpose of the Kirschstein-NRSA predoctoral fellowship (F31) award is to enable promising predoctoral students to obtain individualized, mentored research training from outstanding faculty sponsors while conducting dissertation research in scientific health-related fields relevant to the missions of the participating NIH Institutes and Centers. The proposed mentored research training must reflect the applicant's dissertation research project and is expected to clearly enhance the individual's potential to develop into a productive, independent research scientist.

# Doctoral (Continued)

## **NIH Mental Health Research Dissertation Grant to Enhance Workforce Diversity (R36) Award**

December 22, 2017

The purpose of this grant is to enhance the diversity of the mental health research workforce by providing dissertation awards in all research areas within the strategic priorities of the NIMH to individuals from diverse backgrounds underrepresented in biomedical, behavioral, clinical and social sciences research. This two-year award supports the completion of the doctoral research project.

## **U.S. Department of Defense**

### **SMART Fellowship through the Department of Defense (DoD)**

December 1, 2017

Supports undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics disciplines. The program aims to increase the number of civilian scientists and engineers working at DoD laboratories.

### **National Defense Science and Engineering Graduate Fellowship**

December 31, 2017

As a means of increasing the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance, the Department of Defense (DoD) plans to award approximately 200 new three-year graduate fellowships in April 2016, subject to the availability of funds. The DoD will offer these fellowships to individuals who have demonstrated the ability and special aptitude for advanced training in science and engineering.

### **Harriet Evelyn Wallace Doctoral Student Scholarships for Women**

January 3, 2018

Scholarships support female geoscientists pursuing a graduate degree. Scholarships provide two years of support. Applicants must be U.S. citizens or permanent residents.

### **RAND Graduate Student Summer Associate Program**

January 5, 2018 (anticipated)

Program designed to introduce students to RAND, an institution that conducts research on a wide range of national security problems and domestic and international social policy issues. Designed for full-time students who have completed at least two years of graduate work leading to a doctorate or professional degree (e.g., law, medicine, engineering).

### **Guy Harvey Scholarship Award**

January 5, 2018 (anticipated)

Supports graduate students who are enrolled full time at Florida institutions of higher education who are conducting research related to the biology, ecology, habitat or management of fish in Florida's marine environment.

### **American Association of Family & Consumer Sciences National Graduate Fellowship**

January 8, 2018

Awards graduate fellowships to individuals who have exhibited the potential to make contributions to the family and consumer sciences profession. The field of family and consumer sciences (FCS) encompasses the study of relationships among people and their personal environments in order to strengthen communities and advance the well-being of individuals and families over their lifespan.

### **American Water Works Association**

January 9, 2018

#### **Roy W. Likins Scholarship**

Scholarships for students pursuing a degree relating to the drinking water industry.

#### **Abel Wolman Fellowship**

Supports promising doctoral students in the US, Canada, and Mexico pursuing advanced training and research in the field of water supply and treatment.

#### **Larson Aquatic Research Support Scholarship**

Provides support for doctoral and master's students interested in fields of corrosion control, treatment and distribution of domestic and industrial water supplies, aquatic chemistry, and/or environmental chemistry.

#### **American Water Scholarship**

Provides graduate level support to assist the development of professionals interested in service to the water industry.

#### **Thomas R. Camp Scholarship**

Provides support to outstanding graduate students doing applied research in the drinking water field.

#### **ARCADIS Scholarship**

Provides support to a master's or doctoral candidate student seeking a degree in the water industry.

#### **Dave Caldwell Scholarship**

Scholarship to benefit female and/or minority students pursuing an engineering degree in the drinking water field.

### **American Association of University Women Selected Professions Fellowships**

January 10, 2018

Fellowships are awarded to women who intend to pursue a full-time course of study at accredited U.S. institutions during the fellowship year in one of the designated degree programs where women's participation traditionally has been low. For master's programs, the eligible programs are Architecture, Computer/Information Science, Engineering, and Mathematics/Statistics. Women of color may also apply in the following fields: master's in business administration, law, doctorate in medicine.

### **Doris Duke International Clinical Research Fellowship**

January 10, 2018 (anticipated)

Provides an opportunity for up to three US medical students with at least two years of medical school training to complete a yearlong international clinical research project in one of four locations: India, Kenya, Peru, or Tanzania.

# Doctoral (Continued)

## **Leaky Foundation Research Grants**

January 10, 2018

Advanced doctoral students whose research is relevant to human origins and evolution may apply for awards between \$3,000 and \$15,000.

## **Inter-American Foundation IAF Grassroots Development Fellowship Program**

January 11, 2018 (anticipated)

Fellowships for currently registered students who have advanced to candidacy for the Ph.D. in social sciences, physical sciences, technical fields, and the professions related to grassroots development issues. Fellowships provide support for field research in independent countries in Latin America or the Caribbean, except for Cuba.

## **Graduate Women in Science National Fellowships Program**

January 13, 2018 (anticipated)

The GWIS National Fellowships Program is proud to offer fellowships in to help increase knowledge in the fundamental sciences and to encourage research careers in the sciences by women. Endowment funds, mostly generated from bequests, provide the annual income that supports scientific research done by SDE/GWIS award winners.

## **Hurst Review/American Association of Colleges of Nursing Scholarship**

January 15, 2018

Scholarships for students pursuing professional nursing degrees.

## **Link Foundation Modeling, Simulation & Training Fellowships**

January 15, 2018

Program to foster advanced level research in modeling, simulation, and training; to enable Ph.D. students the freedom to work on their research full time; and to disseminate the results of that research through conferences, journals, and other publications.

## **American Antiquarian Society Short-Term Visiting Academic Research Fellowships**

January 15, 2018

Short-term fellowships for one to three months to allow scholars to visit the National Research Library. Various fellowships available to research American history, literature, and/or culture through 1876.

## **Predocutorial Fellowship in Mental Health and Substance Abuse Services**

January 15, 2018

Fellowship to support the training of practitioners in behavioral health services and prevention. Designed for students in clinical, counseling and school psychology, and other psychology doctoral students whose training prepares them for careers in behavioral health services. Minorities are especially encouraged to apply.

## **U.S. Army Center of Military History Dissertation Fellowships**

January 15, 2018

Dissertation Fellowships support scholarly research and writing among qualified civilian graduate students preparing dissertations in the history of warfare.

## **Mary Isabel Sibley Fellowship**

January 15, 2018 (anticipated)

Awarded alternately in the fields of Greek and French. Must be unmarried woman 25-25 years of age who has completed all doctoral requirements except the dissertation. The 2018 Fellowship will be for French studies.

## **Joan and Stanford Alexander Award**

January 15, 2018

Two grants of \$5,000 each for doctoral candidates working on dissertations that concentrate on photography.

## **Economic History Association Doctoral and Postdoctoral Grants and Fellowships**

January 15, 2018

Grants support graduate and postdoctoral research on every phase of economic history, broadly defined. Applicants must be members of the Association.

## **IMA Incubator Grant Program**

January 15, 2018

Grants for smaller innovative projects related to accounting and finance.

## **International Literacy Association**

January 15, 2018

### **Elva Knight Research Grant**

Grant for research in reading and literacy

### **Jeanne S. Chall Research Fellowship**

Grant to support reading research by promising scholars.

### **Steven A. Stahl Research Grant**

Support for graduate students who have at least three years of teaching experience and who are conducting classroom research

### **Helen M. Robinson Grant**

Grants for doctoral students to assist at the early stages of dissertation research in the areas of reading and literacy

## **Florida Education Fund**

January 15, 2018

### **McKnight Doctoral Fellowship**

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph. D. degrees to teach at the college and university levels.

### **McKnight Dissertation Fellowship**

Designed to address the under-representation of African American and Hispanic faculty at colleges and universities in Florida by increasing the pool of candidates qualified with Ph.D. degrees to teach at the college and university levels. Provides dissertation support for one year.

# Doctoral (Continued)

## National Science Foundation

### Cultural Anthropology Program—Doctoral Dissertation Research Improvement Grants

January 15, 2018

Supports basic scientific research on the causes, consequences, and complexities of human social and cultural variability. Provides support to enhance and improve the conduct of doctoral dissertation projects carried out by doctoral students enrolled in U.S. universities.

### NSF Biological Anthropology Program - Doctoral Dissertation Research Improvement Grant

January 20, 2018

Doctoral dissertation improvement grants to promote scientific research, advance theory, facilitate education and training, and enhance the capabilities of current and future researchers. Requirements vary across programs, so consult the relevant program's webpage for specific information.

## American Educational Research Association/NSF Dissertation Grants

January 17, 2018

Program seeks to stimulate research on U.S. education issues using data from the large-scale, national and international data sets supported by the National Center for Education Statistics, NSF, and other federal agencies.

## Dennis Weatherstone Pre-doctoral Fellowship Program

January 18, 2018

Two-year fellowship for students interested in pursuing careers in autism research. The program honors the late financier Sir Dennis Weatherstone and his commitment to the education of young scientists pursuing autism research. Lady Weatherstone and daughter Cheryl Weatherstone continue to actively support the Autism Speaks Weatherstone fellows on a personal level.

## Department of Energy Computational Science Graduate Fellowship

January 18, 2018 (anticipated)

Students in their first year of graduate study in engineering, mathematics, or the physical, computer, or life sciences are eligible to apply. The DOE has a special interest in encouraging the development of the next generation of scientists and engineers who can lead the application of high performance computing to problems in their disciplinary areas.

## American College of Sports Medicine

January 19, 2018

### Dr. Raymond A. Weiss Research Endowment

Established for ACSM students studying exercise science. One project will be funded for applied research, with the intent of applying the results to programs involving physical activity and sports.

## ACSM Foundation Doctoral Student Research Grant

Research grants for doctoral students up to \$5,000 for a one-year period. The awards are to be used for experimental subjects, supplies, and small equipment needs.

## Carl V. Gisolfi Memorial Fund

Grant designated to encourage research in thermoregulation, exercise, and hydration. In support of the mission to increase diversity at ACSM, special consideration is given to minority applicants and proposals addressing minority health issues.

## NASA Space Physiology Research Grant

Grant for doctoral students researching in the area of exercise, weightlessness, and musculoskeletal physiology.

## American Association of Marriage and Family Therapy

January 20, 2018 (anticipated)

### Doctoral Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program interested in service provision to the nation's youth.

### Dissertation Completion Fellowship

Fellowship for doctoral students enrolled in a Marriage and Family Therapy doctoral program who have completed all required pre-dissertation core courses.

## Pittsburgh Foundation - Walter Read Hovey Memorial Fund

January 21, 2018 (anticipated)

The Fellowship is intended to provide scholarships to advance the professional career of young persons with talent in the field of art history and related fields.

## Parkinson's Disease Foundation Summer Student Fellowship

January 23, 2018 (anticipated)

Fellows work under the close supervision of a sponsor who is an expert in the Parkinson's community and oversees the project.

## Chateaubriand Fellowship

January 27, 2018 (anticipated)

The Chateaubriand Fellowship is a grant offered by the Embassy of France in the United States. Every year, it allows doctoral students enrolled in American universities to conduct research in France for 4 to 9 months. Fellowships are available in STEM and Humanities & Social Sciences fields.

## National Institute of Justice Research Assistantship Program

January 27, 2018 (anticipated)

The NIJ Research Assistantship Program is designed to support criminal justice research and to provide highly qualified doctoral students with practical and applied research experience. NIJ provides funds to participating universities to pay salaries and other costs associated with research assistants who work on NIJ research activities.

# Doctoral (Continued)

## Florida Gubernatorial Fellows Program

January 30, 2018

Non-partisan program immerses students from public and private universities in key areas of state government.

## Point Foundation Scholarship

January 30, 2018

Scholarships for LGBTQ students who are “out” to help cover expenses not covered by other scholarships, grants, loans, work/study programs, etc.

## Spencer Educational Foundation Graduate Scholarships

January 31, 2018

Scholarships for master’s and pre-dissertation Ph.D. students studying education.

## Josephine de Karman Fellowship

January 31, 2018

Recognize and assist students whose scholastic achievements reflect Professor von Karman’s high standards. DeKarman fellowships are open to students in any discipline.

## Institute for Humane Studies Fellowships

January 31, 2018 (anticipated)

Supports study in a variety of fields, including economics, philosophy, law, political science and sociology, but all fellowships are awarded to graduate students who research interests place an emphasis on advancing the ideas of a free society. To be eligible for this opportunity, you must have previously received an HIS PhD Scholarship.

## Council of American Overseas Research Centers

January 31, 2018

### Andrew W. Mellon Mediterranean Regional Research Fellowship

The CAORC is pleased to offer a focused regional fellowship program enabling pre- and early postdoctoral scholars to carry out research in the humanities and related social sciences in countries bordering the Mediterranean and served by American overseas research centers. These fellowships foster international scholarship, education and cultural dialogue. Thousands of fellowships are made available each year.

### The Multi-Country Research Fellowship

The CAORC Multi-Country Research Fellowship Program supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences for U.S. doctoral candidates and scholars who have already earned their Ph.D. Preference will be given to candidates examining comparative and/or cross-regional research. Scholars must carry out research for a minimum of 90 days in two or more countries outside the United States, at least one of which hosts a participating American overseas research center.

## Catherine H. Beattie Fellowship in Conservation Horticulture

January 31, 2018

Annual research grant for graduate students in biology, horticulture, or a related field to study at a botanical garden.

## Center for Retirement Research at Boston College Dissertation Fellowship Program

January 31, 2018

Fellowships in the field of retirement income research. The program is funded by the U.S. Social Security Administration and provides funding opportunities for doctoral candidates to pursue cutting-edge research on retirement issues.

## American Sociological Association Minority Fellowship Program

January 31, 2018

Through its Minority Fellowship Program, the American Sociological Association supports the development and training of sociologists of color in any sub-area or specialty in the discipline.

## Elizabeth Greenshields Foundation Grant

Deadline: 6 months prior to the date on which funds are required

Prestigious grant for emerging figurative artists. Applicants must be in the early stage of their career, work in a representational style of painting, drawing, sculpting or printmaking and demonstrate a commitment to making their art a lifetime career.
