

STEM Fellowships and Awards

Office of Graduate Fellowships and Awards at Florida State University

Getting Started

Things to consider...

- ◇ **Identify Funding Opportunities based on “Fit”**
- ◇ **DEADLINES - Application cycle timeline**
- ◇ **Organize Funding Search Results**
- ◇ **Dedicate time and attention to prepare and/or request application components**
- ◇ **Revision Process (Draft, Review, Revise, Repeat)**
- ◇ **Awards generally start 6-12 months from the deadline date for the submission of the application**

Application Components

Fellowship and award applications have a lot of moving parts. To develop a strong and compelling fellowship application, determine:

1. Is the funding opportunity a good fit for you, your research, ambitions, study and/or personal interests
2. Are you a good fit for the funding opportunity?
3. **KNOW YOUR AUDIENCE** - Who are the reviewers? What are they looking for (mission of the funding opportunity, criteria for review)?

- ◇ Personal Statement
- ◇ Research Proposal
- ◇ Curriculum Vitae (CV) or Resume
- ◇ Letters of Recommendation
- ◇ Timeline and Budget Justification

Not all components listed are applicable for every application

28twelve Foundation - Harvey Fellows Graduate Program

Deadline: Anticipated 11/2022

the program seeks to mark, equip, and encourage individuals to actively integrate their faith and vocation as leaders in strategic occupations..

Academy of Natural Sciences of Philadelphia - Jessup & McHenry Short-Term Research Awards

Deadlines: Anticipated 3/2022; Anticipated 10/2022

Grants support research under the supervision or sponsorship of a member of the curatorial staff of the Academy. The award duration is 2-16 weeks.

Acoustical Society of America (ASA) - Beranek Graduate Scholarship in Architectural Acoustics and Noise Control

Deadline: Anticipated 4/2022

The fellowship supports a student pursuing a graduate degree in architectural acoustics and noise control.

Acoustical Society of America (ASA) - Stetson Graduate Scholarship in Phonetics and Speech Science

Deadline: Anticipated 4/2022

The fellowship supports graduate study and research in scientific areas related to the field of phonetics and speech production.

Acoustical Society of America (ASA) - Winker Memorial Scholarship for Graduate Study in Acoustics

Deadline: Anticipated 4/2022

The scholarship supports a student pursuing a graduate degree in architectural acoustics, noise control, and engineering acoustics, including, but not limited to, applications of linear and nonlinear acoustics, transduction and transducers, acoustical measurements, instrumentation, and applications of signal processing to any of the aforementioned areas.

Adobe Research - Ph.D. Fellowship

Deadline: Anticipated 9/2022

Fellowships support graduate student research in the areas of artificial intelligence & machine learning; AR, VR & 360 photography; audio; computer vision, imaging & video; content intelligence; data intelligence; document intelligence; graphics (2D & 3D); human computer interaction; intelligent agents & assistants; natural language processing; and systems & languages. Fellows are mentored by Adobe researchers.

Advancing Research Impact in Society (ARIS) Center - Fellowship Program

Deadline: Anticipated 9/2022

ARIS Center fellowships support professionals, researchers, faculty, educators, graduate students, and others working to advance the practice and improve the outcomes of research impacts. The

Air & Waste Management Association (A&WMA) - Graduate Scholarships

Deadline: 1/12/2022

A&WMA offers scholarships to graduate students who are pursuing courses of study and research leading to careers in air quality, waste management, environmental management/policy/law, and sustainability.

Airport Cooperative Research Program (ACRP) - Graduate Research Award on Public Sector Aviation Issues

Deadline: Anticipated 5/2022

Fellowships support graduate applied research on airport and related aviation system issues by individuals who may become the future airport managers, operators, designers, and policymakers in aviation.

American Academy of Underwater Sciences (AAUS) - Graduate Research Scholarships

Deadline: Anticipated 6/2022

Scholarships facilitate the development of safe and productive scientific divers through education, research and the advancement of standards for scientific diving practices, certifications and operations.

American Association for Geodetic Surveying (AAGS) / National Society of Professional Surveyors (NSPS) - Graduate Fellowship

Deadline: 1/21/2022

The AAGS, through the National Society of Professional Surveyors Foundation (NSPS), awards fellowships to graduate students enrolled in geo-spatial sciences and related programs, including surveying, mapping, geographic information systems, and geodetic science.

American Association of Equine Practitioners (AAEP) - Foundation for the Horse - Graduate Student Research Grant

Deadline: Anticipated 6/2022

The grant supports research on topics related to equine musculoskeletal, gastrointestinal, and metabolic disease, as well as laminitis and new technology development.

American Association of Petroleum Geologists (AAPG) - Grants-In-Aid (GIA) - Program for Graduate Students

Deadline: 1/16/2022

Grants support master's and doctoral students conducting research in the geosciences whose thesis research has application to the search for and development of petroleum and energy-mineral resources, and/or to related environmental geology issues.

American Australian Association (AAA) - Fellowships for Research in Australia

Deadline: Anticipated 10/2022

Fellowships support research or study in Australia in the fields of science, technology, engineering, mathematics, health, medicine, journalism, and sustainability.

American Chemical Society - Division of Medicinal Chemistry Predoctoral Fellowships

Deadline: Anticipated 2/2022

Fellowships support predoctoral students in their second or third year of graduate study (at the time of application) engaged in medicinal chemistry research in a Medicinal Chemistry, Pharmaceutical Chemistry, Biochemistry, or Chemistry department listed in the current ACS Directory of Graduate Research.

American College of Sports Medicine (ACSM) - Graduate Research Awards

Deadline: 1/21/2022

Awards support graduate student research in sports medicine and exercise science.

American Concrete Institute (ACI) - Graduate Scholarships and Fellowships

Deadline: Anticipated 11/2022

Fellowships and scholarships (see website for full list) support graduate student members whose studies relate to concrete.

American Council of the Blind (ACB) and American Foundation for the Blind (AFB) - Scholarships for Blind and Visually Impaired Students

Deadline: Anticipated 2/2022

The American Foundation for the Blind (AFB) and American Council of the Blind (ACB) have partnered together to offer educational scholarships for those attending university as graduate students.

American Federation for Aging Research (AFAR) / Diana Jacobs Kalman Scholarships - Graduate Research Grant in the Biology of Aging

Deadline: Anticipated 4/2022

Grants support mentored research into the biology of aging.

American Geographical Society (AGS) - Council Graduate Fellowship

Deadline: Anticipated 11/2022 (Previous deadline 11/1/2021)

The fellowship supports graduate student scholarship in pursuit of geographical knowledge in any subfield of geography. AGS encourages, but does not require, a fieldwork component.

American Geophysical Union (AGU) - Horton Doctoral Research Grant in Hydrological Sciences

Deadline: Anticipated 4/2022 (Previous deadline 4/15/2021)

AGU grants support doctoral students in the hydrological sciences and related policy-oriented social sciences.

American Heart Association (AHA) - Predoctoral Fellowship

Deadline: Anticipated 9/2022

Fellowships support research and clinical training of promising students who are matriculated in predoctoral or clinical health professional degree training programs and who intend careers

as scientists, physician-scientists, clinician-scientists, or other related careers aimed at improving global cardiovascular, cerebrovascular, and brain health.

American Institute of Bangladesh Studies (AIBS) - Dissertation Research Fellowships

Deadline: Anticipated 3/2022

Fellowships support students in all academic disciplines conducting or preparing to conduct research involving Bangladesh. These grants are supported by the U.S. Department of State's Bureau of Educational and Cultural Affairs through the Council of American Overseas Research Centers.

American Institute of the History of Pharmacy - Thesis Support Grant

Deadline: 3/1/2022

Grants support doctoral research on some aspect of pharmacy, whether ancient or modern, to pay research expenses not normally met by the university granting the degree (see website for eligible project expenses).

American Mathematical Society (AMS) / American Association for the Advancement of Science (AAAS) - Mass Media Summer Fellowship Program

Deadline: 1/1/2022

AMS and AAAS jointly sponsor a ten-week summer fellowship through the Mass Media Science & Engineering Fellowship program.

American Meteorological Society (AMS) - Fellowship in the History of Science

Deadline: Anticipated 5/2022

AMS awards fellowships to students completing dissertations on the history of the atmospheric or related oceanic or hydrologic sciences.

American Museum of Natural History (AMNH) - Chapman Small Grant Program

Deadline: Anticipated 11/2022

The Chapman Small Grants Program awards grants to graduate students for research primarily focused on the systematics and evolutionary biology of birds.

American Museum of Natural History (AMNH) - Small Grants

Deadlines: Anticipated 2/2022; Anticipated 3/2022; Anticipated 5/2022

The AMNH Grants Program offers modest short term awards to advanced students, postdoctoral trainees, and scientific researchers who are commencing their careers in the fields covered by AMNH.

American Nuclear Society (ANS) - Graduate Scholarships

Deadline: 2/1/2022

ANS offers scholarships to graduate students in a program leading to an advanced degree in nuclear science, nuclear engineering, or a nuclear-related field.

American Ornithological Society - Research Grants

Deadline: Anticipated 1/2022

AOU supports research in various areas of avian biology for students and postdoctoral researchers who are members of the American Ornithological Society.

American Philosophical Society (APS) - Lewis & Clark Fund for Doctoral Student Field Research

Deadline: Anticipated 11/2022

This grant supports exploratory field studies for the collection of specimens and data for direct observation.

American Philosophical Society (APS) / NASA Astrobiology Institute - Lewis & Clark Fund for Exploration & Field Research in Astrobiology

Deadline: Anticipated 2/2022

This grant supports field studies in any area of interest to astrobiology. Astrobiology is the study of the origin, evolution, distribution, and future of life on Earth and in the universe. It encompasses research in, among others, the fields of astronomy, chemistry, evolutionary biology, field and population biology, geology, microbiology, molecular biology, oceanography, paleontology, and planetary science.

American Psychological Association (APA) - Elizabeth Munsterberg Koppitz Child Psychology Graduate Fellowship

Deadlines: Anticipated 10/2022; Anticipated 11/2022

The APA's Koppitz fellowship supports graduate research in child psychology including child-clinical, pediatric, school, educational, and developmental psychopathology.

American Psychological Association (APA) - Graduate Scholarships, Fellowships, & Grants

Deadline: Varies

The APA Foundation supports graduate research in psychology through the American Psychological Foundation (APF)

American Society for Nutrition (ASN) - Predoctoral Fellowship

Deadline: 1/28/2022

The fellowship supports doctoral students in nutrition science.

American Society of Agronomy (ASA) - Nelson Yield-Limiting Factors Graduate Scholarship

Deadline: Anticipated 3/2022

Scholarships support graduate students whose goals are to research and develop improved diagnostic techniques and solutions to yield-limiting factors in agronomy.

American Society of Civil Engineers (ASCE) - Graduate Fellowships

Deadlines: 2/10/2022; 4/1/2022; Anticipated 11/2022

Fellowships support graduate members of ASCE enrolled at accredited institutions.

American Society of Mammalogists (ASM) - Grants & Fellowships

Deadline: Anticipated 3/2022

Grants and fellowships support graduate student members of the ASM engaged in research in any area of mammalogy to assist them in the early development of their careers.

American Society of Mechanical Engineers (ASME) - Graduate Teaching Fellowship

Deadline: 2/15/2022

The ASME Teaching Fellowship Program encourages outstanding graduate students, especially women and minorities, to pursue the doctorate in mechanical engineering and pursue engineering education as a profession.

American Society of Naval Engineers (ASNE) - Scholarship

Deadline: Anticipated 3/2022

Scholarships support graduate students in engineering or physical sciences who are pursuing an education and career in naval engineering.

American Speech-Language-Hearing Foundation (ASHF) - Grants & Scholarships

Deadline: Anticipated 4/2022

ASHF supports graduate students pursuing careers in communication sciences and disorders, speech-language pathology, audiology or hearing science, and related areas, that will improve the lives of people with speech, language, or hearing disorders.

American Water Works Association (AWWA) - Scholarships

Deadline: 12/20/2021

AWWA offers a variety of scholarships and fellowships and students enrolled at colleges or universities in the U.S., Canada, Guam, Mexico, or Puerto Rico, unless noted otherwise, who are pursuing studies that will improve drinking water quality. Most scholarships offer support for one year.

Association of Field Ornithologists (AFO) - Bergstrom Memorial Research Award

Deadline: 1/15/2022

Awards support field studies of birds by helping to support a specific research or analysis project.

Association of Field Ornithologists (AFO) - Skutch Research Awards

Deadline: Anticipated 7/2022

Grants support minimally invasive research into the life histories, especially social relations and reproduction, of little known birds of the continental Neotropics, including Trinidad and Tobago.

Atlantic Salmon Federation (ASF) / Federation du Saumon Atlantique - Olin Fellowship

Deadline: Anticipated 3/2022

Fellowships support individuals seeking to improve their knowledge or skills in advanced fields while looking for solutions to current problems in Atlantic salmon biology, management, and conservation.

Autism Science Foundation (ASF) - Predoctoral, Postdoctoral, and Medical Student Research Fellowship

Deadline: Anticipated 12/2022

Fellowships are for doctoral students, medical students, and postdoctoral fellows pursuing basic and clinical research relevant to autism spectrum disorders.

Baxter International - Young Investigator Award

Deadline: Anticipated 6/2022

Awards support graduate students and postdoctoral fellows conducting research that clearly and concisely demonstrates direct relevance to the practical application and understanding of the following therapeutic areas.

Belgian American Educational Foundation (BAEF) - Doctoral and Postdoctoral Fellowships for Study or Research in Belgium

Deadline: Anticipated 10/2022

BAEF offers fellowships for advanced study or research at a Belgian university or institution of higher learning.

Beta Phi Mu - Eugene Garfield Dissertation Writing Fellowship in Library & Information Science and Related Fields

Deadline: 3/15/2022

Fellowships support doctoral students working on their dissertations in Library and Information Science, Information Studies, Informatics, or a related field.

Better Scientific Software (BSS) - Fellowship Program

Deadline: Anticipated 9/2022

The Better Scientific Software Fellowship Program supports activities that improve developer productivity and software sustainability of scientific codes. Activities can include organizing a workshop, preparing a tutorial, or creating content to engage the scientific software community.

Boehringer Ingelheim Fonds - Dissertation Fellowship for Biomedical Research

Deadlines: 2/1/2022; 6/1/2022;10/1/2022

Fellowships support experimental projects in the field of basic biomedical research that are aimed at elucidating basic biological phenomena of human life and acquiring new scientific knowledge.

Boston University / West African Research Association (WARA) - Short-Term Travel Fellowship

Deadline: Anticipated 2/2022

Fellowships support graduate research to enhance transatlantic exchange and collaboration

Breakthrough Institute - Summer Research Fellowship

Deadline: Continuous

The Breakthrough Institute is a global research center based in Oakland, California that promotes technological solutions to environmental and human development challenges. Fellowships support research aligned with Breakthrough's interest areas of food, energy, and conservation.

Caring.com - Student-Caregiver Scholarship

Deadlines: 3/1/2022; Anticipated 6/2022; Anticipated 9/2022; Anticipated 12/2022

Grants support graduate student research in cave and karst studies leading to either a master's or doctoral degree.

Center for Reintegration - Baer Scholarship for Students with Mental Illness

Deadline: 1/31/2022

Scholarships support students with schizophrenia, schizoaffective disorder, or bipolar disorder to acquire the educational and vocational skills necessary to reintegrate into society, secure jobs, and regain their lives.

at elucidating basic biological phenomena of human life and acquiring new scientific knowledge.

Charles Babbage Institute (CBI) - Tomash Fellowship in the History of Information Technology

Deadline: 1/15/2022

The fellowship supports dissertation research in the history of computing.

Chi Epsilon (Civil Engineering Honor Society) - Graduate Fellowship

Deadline: Anticipated 2/2022

The fellowship supports a graduate student member of Chi Epsilon pursuing a career in civil engineering or a directly associated engineering option.

Children's Tumor Foundation (CTF) - Young Investigator Award - Doctoral/ Postdoctoral Fellowships for Neurofibromatosis Research

Deadline: 1/3/2022

The Children's Tumor Foundation (CTF) seeks to support early-career scientists pursuing neurofibromatosis (NF) research. Research topics may include: manifestations of all types of NF1, NF2, schwannomatosis, including neurofibromas, schwannomas, malignant peripheral nerve sheath tumors, and other brain and nervous system tumors; bone abnormalities; cardiovascular abnormalities; learning disorders; and pain.

City of Chicago - Mayor's Office Summer Fellowship Program

Deadline: Anticipated 11/2022

Fellowship for graduate-level students of all academic backgrounds to participate in policy-making through hands-on experiences working directly with the Mayor's Office staff in budgetary, legislative, and programmatic areas of city government..

Coalition for Networked Information (CNI) - Paul Evan Peters Fellowship

Anticipated 5/2022

The Paul Evan Peters Fellowship assists students pursuing graduate studies in the information sciences, librarianship, or closely related field, that advance the frontiers of digital information and technology.

Council for Advancement of Science Writing - Taylor/Blakeslee University Fellowship

Deadline: 1/1/2022

Fellowships support students in graduate-level programs in science writing, including science writing about medicine, health, technology, and the environment for the general public.

Council of American Overseas Research Centers (CAORC) - Multi-Country Dissertation Fellowships

Deadline: Anticipated 11/2022

CAORC offers a fellowship program that supports advanced regional or trans-regional research in the humanities, social sciences, or allied natural sciences.

Croucher Foundation - Doctoral Scholarship for Students from Hong Kong in Science, Technology, and Medicine

Deadlines: Anticipated 5/2022; Anticipated 12/2022

Fellowships and grants support graduate students and young scholars who are working in the history of science and technology in East Asia from the beginning of the 20th century, regardless of their nationality, origins, or gender.

D. Kim Foundation for the History of Science and Technology in East Asia - Graduate and Postdoctoral Fellowships & Travel Grant

Deadline: Anticipated 2/2022

Fellowships support graduate research to enhance transatlantic exchange and collaboration

DAAD (German Academic Exchange Service) - Graduate Research Internship in Science and Engineering (RISE)

Deadline: 12/15/2021

Research internships in Germany offer a working experience abroad to masters and PhD students from North America at German companies and non-university research institutions with strong industry relations.

DAAD (German Academic Exchange Service) - Long-Term Research Grants for Doctoral Students

Deadlines: Anticipated 9/2022; Anticipated 10/2022

DAAD grants support doctoral candidates who wish to conduct research or obtain training in Germany.

DAAD (German Academic Exchange Service) - Scholarship for Summer Language Study at German Universities

The fellowship supports graduate research on the gut microbiome's effect on human health and well-being, or in the nutritional and functional benefits of yogurt, fermented dairy products and

or yogurt on brain function, digestive health, weight management or heart health.

Department of Defense (DoD) - National Defense Science and Engineering Graduate (NDSEG) Fellowship

Deadline: Anticipated 11/2022

The Department of Defense (DoD) offers the NDSEG fellowship as a means of increasing the number of U.S. citizens and nationals trained in science and engineering disciplines of military importance.

Directed Energy Professional Society (DEPS) - Graduate Scholarships in High Energy Laser & High Power Microwave Technologies

Deadline: Anticipated 4/2022

Scholarships support graduate students in the DE technology areas of High Energy Laser (HEL) and High Power Microwave Technologies (HPMT).

Dobility, Inc. - SurveyCTO Data Collection Research Grant

Deadline: Anticipated 9/2022

The SurveyCTO Data Collection Research Grant assists graduate students in data collection-related research who are undergoing (or about to undertake) a data collection-heavy project. SurveyCTO promotes research and analysis throughout the world by providing affordable, reliable, and professionally supported technology that any researcher can use.

Dolores Zohrab Liebmann (DZL) Fellowships for Graduate Study in Humanities, Social Sciences, or Natural Sciences

Deadlines: 1/7/2022; 1/21/2022

Liebmann Fellowships support graduate study in any field of the humanities, social sciences, or natural sciences (including law, medicine, architecture, and other formal professional training programs).

Earthquake Engineering Research Institute (EERI) / Federal Emergency Management Agency (FEMA) - Graduate Fellowship in Earthquake Hazard Reduction

Deadline: Anticipated 5/2022

Fellowships offer support for research that contributes to the science and practice of earthquake hazard mitigation and fits with the goals and activities of the National Earthquake Hazards Reduction Program.

Eat Right Foundation - Academy of Nutrition and Dietetics - Graduate Scholarships

Deadline: Anticipated 4/2022

Scholarships are available to graduate students in fields relating to nutrition and dietetics.

Educational Testing Services (ETS) - Summer Research Internship Program

Deadline: Anticipated 2/2022

Interns participate in research under the guidance of an ETS mentor. The internship is carried out in the ETS offices in Princeton, N.J., in selected annual research areas (see website). Upon the completion of the program, fellows have the opportunity to present their findings to teams across R&D.

Embassy of France - Chateaubriand Fellowships for Science, Technology, Engineering, Mathematics, & Health Research in France

Deadline: Anticipated 2/2022

Fellowships support doctoral students enrolled at US universities wishing to conduct their research in a French laboratory as part of a co-supervised research project. The fellowship aims to initiate or reinforce research collaborations, partnerships, or joint projects.

EMDR Foundation - Sandra Wilson Memorial Doctoral Dissertation Grant for Mental Health Research

Deadlines: Anticipated 2/2022; Anticipated 7/2022

Grants support dissertation expenses related to research to study the effectiveness of Eye Movement Desensitization and Reprocessing (EMDR) in one of the following priority areas: advancing evidence based practice, addressing the global burden of trauma, and building clinical evidence.

Environmental Defense Fund (EDF) - Climate Corps - Summer Fellowship

Deadlines: 1/11/2022; Anticipated 11/2022

Summer Fellowships give graduate students from a variety of disciplines to work for a summer with companies and public institutions to identify opportunities to reduce emissions in their operations and supply chains and meet climate commitments.

Environmental Research & Education Foundation (EREF) - Scholarships in Waste Management Research & Education

Deadline: Anticipated 4/2022

Scholarships support master's and doctoral students in waste management research and education.

Epilepsy Foundation / American Epilepsy Society - Predoctoral Fellowship

Deadline: 1/14/2022

Fellowships support predoctoral students pursuing dissertation research with an epilepsy-relevant theme, and who are working under the supervision of a mentor with expertise to supervise in the area of epilepsy investigation.

European Society for Clinical Nutrition and Metabolism (ESPEN) - Doctoral and Postdoctoral Fellowship

Deadline: Anticipated 4/2022

Fellowships support doctoral and postdoctoral experimental and clinical research in the field of

clinical nutrition and metabolism.

Experiment.com - Crowdfunding for Scientific Research

Deadline: Continuous

Experiment is an online platform for discovering, funding, and sharing science.

Explorers Club - Exploration Fund - Grants for Exploration and Field Research

Deadline: Anticipated 11/2022

The Exploration Fund Grant supports exploration and field research for those who are just beginning their research careers.

Fermi National Accelerator Laboratory - Universities Research Association, Inc. (URA) - Visiting Scholars Program

Deadlines: 2/28/2022; Anticipated 8/2022

The program supports visits by researchers from the URA member institutions to work at Fermilab for periods of up to one year.

Finlandia Foundation National (FNN) - Scholarships for Graduate Study

Deadline: 2/1/2022

FNN awards scholarships to full-time undergraduate and graduate students of all academic disciplines who are currently enrolled in accredited post-secondary schools in the United States and Finland.

Foundation for Food and Agriculture Research (FFAR) - Fellows Program

Deadlines: 2/22/2022; 4/15/2022

The FFAR Fellows Program provides professional development and career guidance to the next generation of food and agriculture scientists across the Foundation.

Foundation for Women's Wellness (FWW) - Doctoral and/or Medical Student Fellowship

Deadline: Anticipated 4/2022

Fellowships support basic, clinical or epidemiological lines of inquiry into leading women's health concerns.

FRAXA Research Foundation - Research Fellowships

Deadline: 2/1/2022

Garden Club of America (GCA) - Scholarships

Deadline: Varies

Scholarships support graduate students and postdocs, often in partnership with other institutions, in the areas of horticulture and its related disciplines including: medicinal and tropical botany, native bird habitat, conservation and ecological restoration, desert studies, landscape architecture, urban forestry, garden history and design, coastal wetlands, and pollinator research.

Garden Club of America (GCA) / Center for Coastal Resources Management - Graduate Scholarship in Coastal Wetlands Studies

Deadline: 1/15/2022

The scholarship supports a graduate student carrying out field-based research to promote wetlands conservation.

Garden Club of America (GCA) / Center for Plant Conservation (CPC) - Beattie Fellowship for Conservation Horticulture

Deadline: 1/31/2022

Fellowships support graduate research that will promote conservation of rare and endangered flora in the United States for work at a botanical garden by the student, who jointly serves the program of the Center for Plant Conservation (CPC) and their curricular studies.

Garden Club of America (GCA) / Cornell Ornithology Lab - Frances M. Peacock Scholarship for Native Bird Habitats

Deadline: 1/15/2022

The scholarship provides financial aid to study areas in the United States that provide seasonal habitat for threatened or endangered native birds and to tend useful information for land-management decisions.

Garden Club of America (GCA) / Missouri Botanical Garden - Anne S. Chatham Fellowship in Medicinal Botany

Deadline: 1/31/2022

The fellowship supports research related to medicinal plants and may be used for travel, field studies, or laboratory research.

Garden Club of America (GCA) / University of Wisconsin-Madison Arboretum - Fellowship in Ecological Restoration

Deadline: 12/31/2021

Fellowships support graduate research on ecological restoration that assists the recovery and management of ecological integrity.

Geological Society of America (GSA) - Graduate Research Grant

Deadline: Anticipated 2/2022

GSA research grants provide partial support of master's and doctoral thesis research in the geological sciences for graduate students enrolled in universities in the United States, Canada, Mexico and Central America.

Gerber Foundation - Doctoral Student Research Grant

Deadlines: Anticipated 5/2022; Anticipated 11/2022

Grants support mentored research to improve the nutrition, care and development of infants and young children from the first year before birth to three years of age.

Global Sustainable Electricity Partnership - Education for Sustainable Energy Development (ESED) Scholarship for Masters Students

Deadline: Anticipated 3/2022

The ESED scholarship supports outstanding students pursuing advanced studies in sustainable energy development in order to encourage meaningful contributions to the collective body of knowledge about this subject

Google US/Canada PhD Fellowship Program

Deadline: Anticipated 9/2022

The Google US/Canada PhD Fellowship Program recognizes outstanding graduate students doing exceptional work in computer science and related disciplines at universities in the United States and Canada.

Government of Alberta - Alberta Student Aid - Sir James Lougheed Graduate Scholarships

Deadline: 1/15/2022

Scholarships support masters and doctoral students from Alberta with the opportunity for advanced study at educational institutions outside of Alberta.

Graduate Fellowships for STEM Diversity (GFSD)

Deadline: 12/20/2021

Fellowships support graduate students in astronomy, chemistry, computer science, geology, materials science, mathematical sciences, physics, and their sub-disciplines, and related engineering fields: chemical, computer, electrical, environmental, mechanical.

Grass Foundation - Summer Fellowship in Neuroscience

Deadline: Anticipated 12/2022

Fellowships support investigator-designed, independent research projects by scientists early in their careers.

Great Smoky Mountains Conservation Association - Fellowships for Graduate Students

Deadline: 12/20/2021

The Great Smoky Mountains Conservation Association supports research related to the preservation, protection, and management of the Great Smoky Mountains National Park.

Harvard University - John F. Kennedy School of Government - Belfer Center for Science and International Affairs - Predoctoral and Postdoctoral Fellowships

Deadline: Anticipated 12/2022

Predocorral and postdoctoral residential fellowships are for research and writing in the fields of science and international affairs on topics within the scope of the Center's major research programs.

Harvard University - Society of Fellows Program

Deadline: Anticipated 8/2022

Fellowships support dissertation completion and postdoctoral research in any department of the University.

Harvard University Museum of Comparative Zoology (MCZ) - Mayr Travel Grant

Deadlines: Anticipated 4/2022; Anticipated 10/2022

Travel grants are for research in animal systematics in order to stimulate taxonomic work on neglected taxa.

Henry Luce Foundation - Scholars Program for Study in Asia

Anticipated Fall 2022

The Henry Luce Foundation provides one-year professional internships in East or Southeast Asia for those with little academic knowledge or experience of Asia.

Herb Society of America (HSA) - Research Grant

Deadline: 1/31/2022

Grants support research of the horticultural, scientific, and/or social use of herbs throughout history.

Hertz Foundation - Graduate Fellowships

Deadline: Anticipated 10/2022

Fellowships support doctoral students in the applied physical, biological, and engineering sciences, including applied mathematics, statistics, and quantitative aspects of modern biology.

Hosei University - Foreign Scholars Fellowship

Deadline: Anticipated 6/2022

Fellowships support non-degree research at Hosei University under the direction of and/or in cooperation with Hosei faculty and researchers.

Hudson River Foundation - Mark B. Bain Graduate Fellowship

Deadline: Anticipated 4/2022

Fellowships support graduate students conducting research on the Hudson River system.

Hudson River Foundation - Polgar Fellowship Program

Deadline: Anticipated 3/2022

Fellowships support research on the Hudson River in order to gather important information on all aspects of the river and to train students in conducting scientific studies and public policy research.

IBM - PhD Fellowships

Deadline: Anticipated 10/2022

Fellowships support PhD students who have an interest in solving problems that are important to IBM.

Illinois Space Grant Consortium (ISGC) - Graduate Research Fellowships

Deadline: 2/6/2022

Fellowships support graduate students pursuing aerospace engineering, astrophysics, astronomy, cosmology, earth system science, and other interdisciplinary space-related science, engineering, and mathematics fields.

Illinois Water Resources Center (IWRC) - Small Grants

Deadline: Anticipated 9/2022

Grants support graduate research projects that address water resources issues that impact Illinois.

IMA Research Foundation - The Association of Accountants and Financial Professionals in Business - Doctoral Scholars Program - Research Grant

Deadline: Continuous

The IMA Doctoral Scholars Program assists accounting doctoral students who are pursuing research that has the potential to contribute to the management accounting profession.

Indo-US Science and Technology Forum (IUSSTF) - Graduate Research Internship in Science and Engineering (RISE) in India

Deadlines: Anticipated 5/2022; Anticipated 11/2022

Internships provide opportunities for science, technology, engineering, and medical students from the United States to undertake internships in national laboratories, federal research centers, academic research institutes, and private R&D laboratories in India.

Inlaks Foundation - Scholarships for Indian Citizens

Deadline: Anticipated 3/2022

Scholarships are granted to Indians citizens pursuing graduate degrees at top American, European, and UK institutions, for funding requirements including tuition fees.

Institute of Electrical and Electronic Engineers (IEEE) - Computational Intelligence Society (CIS) - Graduate Research Grant

Deadline: Anticipated 3/2022

The IEEE Computational Intelligence Society (CIS) funds scholarships for deserving undergraduate, graduate and PhD students who need financial support to carry out their research during an academic break period.

Institute of Electrical and Electronic Engineers (IEEE) - Dielectrics and Electrical Insulation Society (DEIS) - Doctoral Fellowship

Deadline: Anticipated 9/2022

Fellowships support doctoral students pursuing studies in the areas of electrical insulation and dielectric phenomena.

Institute of Electrical and Electronic Engineers (IEEE) - Electron Devices Society (EDS) - Doctoral Student Fellowship

Deadlines: Anticipated 5/2022

Fellowships support PhD level study and research in all areas of interest to the EDS, including of engineering, physics, theory, experiment, and simulation of electron and ion devices involving insulators, metals, organic materials, plasmas, semiconductors, quantum-effect materials, vacuum, and emerging materials.

Institute of Electrical and Electronic Engineers (IEEE) - Graduate Scholarship for Master's Students

Deadlines: Anticipated 5/2022

This one-year scholarship supports IEEE student members pursuing master's degrees in electrical engineering.

Institute of Electrical and Electronic Engineers (IEEE) - Microwave Theory and Techniques Society (MTT-S) - Graduate Fellowships

Deadline: Anticipated 10/2022

Fellowships support graduate students in electrical engineering, applied physics, or related fields whose research will promote the advancement of microwave theory and its applications, including RF, microwave, millimeter-wave, and terahertz technologies.

Institute of Electrical and Electronic Engineers (IEEE) - Photonics Society - Graduate Student Scholarship

Deadline: Anticipated 5/2022

Fellowships support student members pursuing graduate education in electro-optics, lasers,

photonics, optics, or closely related fields. Fellowships will be awarded within each of the main geographical regions: Americas, Europe/Mid-East/Africa, and Asia/Pacific.

Institute of Food Technologists (IFT) - Feeding Tomorrow & Divisional Graduate Scholarships

Deadline: Anticipated 3/2022

Scholarships are for master's and doctoral students pursuing a graduate degree in food science.

Institute of Food Technologists (IFT) - General Mills Graduate Scholarship

Deadline: Anticipated 9/2022

The scholarship supports a graduate student in food science.

Institute of Industrial & Systems Engineers (IISE) - Graduate Scholarships and Fellowships

Deadline: Anticipated 11/2022

Scholarships and fellowships support graduate industrial engineering students members of the Institute of Industrial & Systems Engineers (IISE).

International Association of Great Lakes Research (IAGLR) - Graduate Scholarships

Deadline: Anticipated 12/2022

IAGLR awards scholarships to graduate students studying the Laurentian Great Lakes, other large lakes of the world, and their watersheds, as well as those with an interest in such research.

International Centre for Diffraction Data - Ludo Frevel Crystallography Graduate Scholarship

Deadline: Anticipated 10/2022

Scholarships support the education and research program of promising graduate students with a major interest in crystallography, e.g. crystal structure analysis, crystal morphology, modulated structures, correlation of atomic structure with physical properties, systematic classification of crystal structures, phase identification, and materials characterization.

International Foundation for Ethical Research (IFER) - Graduate Fellowships for Alternatives to the Use of Animals in Scientific Research

Deadline: 4/30/2022

Fellowships support graduate students seeking to incorporate animal welfare concerns and innovative technologies into their studies in order to encourage them at the earliest stages of their career to integrate innovation and discovery with ethics and respect for animals.

International Society of Automation (ISA) - Educational Foundation Scholarships

Deadline: Anticipated 2/2022

ISA Educational Foundation Scholarships are awarded to university students who demonstrate outstanding potential for long-range contribution to the fields of automation and control.

International Union for the Study of Social Insects, North American Section (IUSI-NAS)

- Research Grants

Deadline: Anticipated 4/2022

Awards support graduate student and postdoctoral research on social arthropods.

International Women's Fishing Association (IWFA) - Graduate Scholarship

Deadline: Anticipated 3/2022

The IWFA offers graduate scholarships to provide financial assistance to marine science graduate students who meet the criteria in order to prepare them to be the future researchers and managers of fisheries.

Japan Society for the Promotion of Science (JSPS) - Short-Term Fellowships in Humanities, Social Sciences & Natural Sciences for North American and European Researchers

Deadlines: 1/14/2022; 6/3/2022; Anticipated 10/2022

Fellowships provide opportunities for doctoral and postdoctoral researchers from select countries to conduct, under the guidance of their hosts, cooperative research with leading research groups in universities and other Japanese institutions.

Japan-International Monetary Fund (IMF) Scholarship Program for Advanced Studies (JISP) - Doctoral Studies in Macroeconomics

Deadline: Anticipated 11/2022

JISP supports Japanese nationals obtaining PhD degrees in macroeconomics, preparing them to work as economists at the International Monetary Fund (IMF).

Japanese American Citizens League (JACL) - National Scholarship Program

Deadline: Anticipated 4/2022

Scholarships support National JACL members pursuing graduate study across all disciplines, including law, business, and medicine.

Japanese Consulate Monbukagakusho (MEXT) - Scholarships for Graduate Research

Deadline: Anticipated 6/2022

Scholarships support independent research in Japan. Any field of study is eligible for the scholarship, but applicants must find a Japanese professor willing to supervise their research.

Josephine de Karman Fellowship Trust - Dissertation Fellowships

Deadline: 1/31/2022

The Fellowships recognize and assist doctoral students whose scholastic achievements in any discipline reflect the highest standards..

Korean American Scholarship Fund (KASF)

Deadline: Anticipated 6/2022

KASF offers scholarships to Korean-American students attending a graduate or professional

school through their regional chapter.

Kosciuszko Foundation - Scholarship for Study and Research in Poland

Deadline: 3/21/2022

This scholarship supports graduate-level research at universities in Poland by American graduate students and university faculty members for one academic year (October-June) at Polish universities and institutions which fall under the jurisdiction of the Polish Ministry of Education.

Kosciuszko Foundation - Tuition Scholarships for American Students of Polish Descent

Deadline: 1/31/2022

Kosciuszko Foundation Tuition Scholarships support American students of Polish descent for full-time graduate studies in the United States - all fields are supported.

Landscape Architecture Foundation (LAF) - Olmsted Scholars Program

Deadline: Anticipated 2/2022

The Program recognizes students with exceptional leadership potential who are using ideas, influence, communication, service, and leadership to advance sustainable design and foster human and societal benefits.

Leakey Foundation - Baldwin Fellowship in the Study of Human Origins or Evolution

Deadline: 2/15/2022

Fellowships support scholars and graduate students with citizenship in a developing country who wish to obtain education or training from an institution outside the student's home country.

Leakey Foundation - Dissertation Research Grants

Deadlines: 1/10/2022; 7/15/2022

The Foundation funds research related specifically to human origins, including paleoanthropology, genetics, primate behavior, and studies of modern hunter-gatherer groups.

Leifur Eiríksson Foundation - Study Abroad Fellowships for US and Icelandic Citizens

Deadline: Anticipated 11/2022

The Leifur Eiríksson Foundation funds scholars who are US citizens or permanent residents from U.S. universities for graduate research or study at universities in Iceland, and scholars who are Icelandic citizens or permanent residents from universities in Iceland to conduct research or study at universities in the United States.

Leopold Schepp Foundation - Educational Scholarships

Deadline: Continuous

The Leopold Schepp Foundation offers scholarships for undergraduate and graduate students engaged in independent study and research that will improve the general welfare of mankind

Library of Congress - John W. Kluge Center - Kluge Fellowship in Digital Studies

Deadline: Anticipated 7/2022

Fellowships support research that will generate a deep, empirically grounded understanding of the consequences of the digital revolution on how people think, how society functions, and on international relations using the Library's collections and resources.

Lime Connect, Inc. - Google & BMO Capital Markets - Scholarships for Students with Disabilities

Deadlines: 3/21/2022; Anticipated 12/2022

Two scholarships support students in the U.S. or Canada with visible and invisible disabilities pursuing graduate degrees in a broad range of STEM and business fields. Scholarships are for one year.

Link Foundation - Doctoral Fellowship in Ocean Engineering & Instrumentation

Deadline: Anticipated 4/2022

The fellowship supports ocean engineering and ocean instrumentation research, to enhance both the theoretical and practical knowledge and applications of ocean engineering and instrumentation research, and to disseminate the results of that research through lectures, seminars, and publications.

Link Foundation - Doctoral Fellowships for Research on Energy

Deadline: Anticipated 12/2022

The Link fellowship supports research and innovation in the area of societal production and utilization of energy.

Link Foundation - Modeling, Simulation & Training PhD Fellowship

Deadline: Anticipated 1/2022

Fellowship support doctoral research in the field of modeling, simulation, and training, with preference given to research applicable to simulating real-time complex, interactive environments, or training and preparing individuals to perform in such environments..

Linnean Society - Natural History & Biological Sciences Research Grants

Deadlines: Anticipated 2/2022; 9/14/2022

Grants support research on all aspects of the biological sciences, with particular emphasis on evolution, taxonomy, biodiversity, and sustainability.

Los Alamos National Laboratory (LANL) - Graduate Research Internships

Deadline: Anticipated 3/2022

The Graduate Research Assistant Program (GRA) provides students with relevant research experience while they are pursuing a graduate degree.

Lupus Foundation of America - Gina M. Finzi Memorial Student Summer Fellowship

Deadline: Anticipated 4/2022

The Finzi Summer Fellowship Program supports mentored basic, clinical, translational, epidemiological, or behavioral research at North American institutions.

Massachusetts Institute of Technology - Lincoln Laboratory - Summer Research Internship

Deadline: Continuous

Internships offer graduate students hands-on experience in a leading-edge research environment that applies advanced technology to problems critical to national security.

Meat Industry Suppliers Alliance (MISA) Foundation - Scholarship Program

Deadlines: Anticipated 5/2022; Anticipated 6/2022

Scholarships support graduate students pursuing a degree in the engineering or meat sciences fields.

METER Group - Grant A. Harris Fellowship

Deadline: 1/26/2022

The METER Group provides measurement instrumentation to researchers pursuing innovative solutions to environmental problems.

Microsoft Research - PhD Fellowship for Students in Computer Science & Related Fields

Deadline: Anticipated 6/2022

Fellowships support PhD students conducting research in computer science and related fields.

Midwestern Association of Graduate Schools (MAGS) - Distinguished Master's Thesis Award

Deadline: Anticipated 10/2022

The MAGS/ProQuest Distinguished Master's Thesis Award recognizes distinguished scholarship and research at the master's level.

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Equine Studies

Deadline: Anticipated 9/2022

The Foundation supports research on topics relevant to equine health and welfare in order to produce biomedical scientists committed to a career in companion animal research.

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Small Animal Studies

Deadline: Anticipated 3/2022

The Foundation supports research on topics relevant to animal health and welfare in order to produce biomedical scientists committed to a career in companion animal research.

Morris Animal Foundation - Doctoral and Postdoctoral Fellowship in Wildlife Studies

Deadline: Anticipated 10/2022

The mission of Morris Animal Foundation is to bridge science and resources to advance the health of animals.

Mortar Board National Foundation - Fellowships

Deadline: 3/15/2022

Mortar Board National Foundation awards fellowships to members who are pursuing graduate degrees in any field.

National Academies - Christine Mirzayan Science & Technology Policy Graduate and Postgraduate Fellowship Program

Deadline: Anticipated 4/2022

Graduate students and postdoctoral scholars spend 12 weeks at the National Academies in Washington, DC, learning about science and technology policy and the role that scientists and engineers play in advising the nation.

National Aeronautics & Space Administration (NASA) - Future Investigators in NASA Earth, Space Science, and Technology (FINESST)

Deadline: Anticipated 2/2022

The purpose of the FINESST is to provide relevant research and/or technology development project training in disciplines needed to achieve the goals of NASA Science Mission Directorate (SMD).

National Aeronautics & Space Administration (NASA) - Gerald A. Soffen Memorial Fund - Grants for Travel to Conferences

Deadline: Anticipated 4/2022

Grants enable graduate students in aerospace-related sciences or engineering fields (astrobiology, astronomy, earth and space science, engineering, etc.) to attend a meeting at which they will present their research.

National Aeronautics & Space Administration (NASA) - Space Technology Graduate Research Fellowship

Deadline: Anticipated 11/2022

NASA Space Technology Graduate Research Opportunities (NSTGRO) supports graduate student-developed space technology research projects with significant potential to contribute to NASA's goal of creating innovative new space technologies for science, exploration, and the economic future of the U.S. Project proposals must focus specifically on low Technology Readiness Level (TRL) space technology research and development, and the proposed space technology must be responsive to one of NASA's 2015 Technology Roadmaps.

National Aeronautics and Space Administration (NASA) - Jet Propulsion Laboratory (JPL) - Summer School for Earth and Planetary Sciences

Deadline: Anticipated 4/2022

The summer program is for graduate students and early-career scientists interested in a career in planetary exploration.

National Cattlemen's Foundation - W.D. Farr Graduate Scholarship

Deadline: Anticipated 9/2022

The National Cattlemen's Foundation honors the memory of W.D. Farr of Greeley and his vision of improving agriculture, livestock, and water development.

National Center for Atmospheric Research (NCAR) - High Altitude Observatory (HAO) - Newkirk Fellowship

Deadline: 3/1/2022s

The Fellowship supports dissertation research at the HAO research facility in Boulder, Colorado. Fellows have access to state-of-the-art observational and computational facilities.

National Collegiate Athletic Association (NCAA) - Walter Byers Graduate Scholarship

Deadline: 1/13/2022

This Program recognizing excellence in academic performance by student-athletes.

National Federation of the Blind (NFB) - Scholarships for Blind Students

Deadline: 3/31/2022

The NFB annually offers scholarships to blind college students in the United States and Puerto Rico, to recognize achievement by blind scholars.

National Institute of Environmental Health Sciences (NIEHS) - Fellowship in Environmental Medicine for Third-Year MD and MD/PhD Students

Deadline: Varies

Residential fellowships support third-year medical students with an interest in environmental medicine to train at NIEHS.

National Institutes of Health (NIH) - Ruth Kirschstein National Research Service Award (NRSA) F31 - Predoctoral Fellowships

Deadlines: Anticipated 4/2022; Anticipated 8/2022; Anticipated 12/2022

NIH-NRSA/Kirschstein fellowships support promising graduate students who are pursuing training and research in scientific health-related fields relevant to the missions of participating NIH institutes.

National Institutes of Health (NIH) - Ruth L. Kirschstein National Research Service Awards (NRSA) F30 - Individual Predoctoral MD/PhD and Other Dual Doctoral Degree Fellowships

Deadlines: Anticipated 4/2022; Anticipated 8/2022; Anticipated 12/2022

NIH-NRSA/Kirschstein fellowships support individuals for combined MD/PhD and other dual doctoral degree training (e.g. DO/PhD, DDS/PhD, AuD/PhD).

National Italian American Foundation (NIAF) - Scholarships

Deadline: 3/1/2022

Scholarships support Italian American students in their graduate studies.

National Milk Producers Federation (NMPF) - National Dairy Leadership Scholarship Program

Deadline: Anticipated 4/2022

Scholarships support graduate students who are actively pursuing research of direct benefit to milk marketing cooperatives and dairy producers.

National Oceanic & Atmospheric Administration (NOAA) - Margaret A. Davidson Graduate Fellowships for the National Estuarine Research Reserve System

Deadline: Anticipated 12/2022

The fellowship provides support for master's and doctoral students conducting research in estuarine science and coastal management.

National Oceanic & Atmospheric Administration (NOAA) - National Marine Fisheries Service (NMFS) / Sea Grant – Fellowships in Marine Resource Economics and Population and Ecosystem Dynamics

Deadline: 1/27/2022

Fellowships support doctoral students who are interested in careers related to the development and implementation of quantitative methods for assessing the economics of the conservation and management of living marine resources.

National Oceanic and Atmospheric Administration (NOAA) - Dr. Nancy Foster Scholarship Program

Deadline: Anticipated 12/2022

The Program provides support for independent graduate-level studies in oceanography, marine biology, or maritime archaeology (including all science, engineering, social science, and resource management of ocean and coastal areas), particularly by women and members of minority groups.

National Oceanic and Atmospheric Administration (NOAA) - John A. Knauss Marine Policy Fellowship

Deadline: 2/18/2022

The Fellowship is offered to students who have an interest in ocean, coastal, and Great Lakes resources and in the national policy decisions affecting those resources.

National Oceanic Atmospheric Administration (NOAA) - Cooperative Institute for Limnology and Ecosystems Research (CILER) - Graduate Fellowship

Anticipated 1/2022

Fellowships support graduate students at Consortium universities pursuing research in the Great Lakes related to NOAA's mission, in collaboration with NOAA research scientists.

National Organization of Gay and Lesbian Scientists and Technical Professionals (NOGLSTP) - Graduate Scholarship

Deadline: Anticipated 6/2022

The scholarship is for graduate and professional students pursuing degrees in science, technology,

engineering, or mathematics (STEM) programs who identify as lesbian, gay, bisexual, transgender, or queer or who are active allies of the LGBTQ community.

National Potato Council - Graduate Scholarship

Deadline: Anticipated 6/2022

Scholarships support graduate research that will improve the future of the U.S. potato industry.

National Radio Astronomy Observatory (NRAO) - Summer Graduate Student Research Assistantship

Deadline: 2/1/2022

Each NRAO summer student conducts research under the supervision of an NRAO staff member at one of three NRAO sites (Socorro, New Mexico, Green Bank, West Virginia, Charlottesville, Virginia) on a project in the supervisor's area of expertise..

National Research Council (NRC) / Research Associateship Program (RAP) / National Energy Technology Laboratory (NETL) / Methane Hydrates Fellowship Program (MHFP) - Graduate & Postdoctoral Fellowships

Deadlines: 2/1/2022; 8/1/2022

Fellowships support the development of methane hydrate science. With respect to the energy production potential of gas hydrates, interest is in projects that will provide improved tools, methods, and information relative to the remote detection, characterization, and appraisal of production potential of methane hydrates..

National Science Foundation (NSF) - Computer and Information Science and Engineering Graduate Fellowships (CSGrad4US)

Deadlines: Anticipated 4/2022; Anticipated 5/2022

Fellowships support graduate study leading to research-based doctoral degrees in CISE disciplines, such as computer science, computer engineering, and information science.

National Science Foundation (NSF) - Science & Technology Studies (STS) Program - Dissertation Fellowships

Deadline: 8/3/2022

The NSF STS program supports research that uses historical, philosophical, and social scientific methods to investigate the intellectual, material, and social facets of the scientific, technological, engineering, and mathematical (STEM) disciplines.

National Science Foundation (NSF) - Social, Economic, Behavioral, & Cognitive Sciences - Doctoral Dissertation Research Improvement Grants (DDRIG)

Deadline: Varies

The DDRIG is awarded to doctoral students to improve the quality of their dissertation research.

National Science Foundation - Graduate Research Fellowships (NSF-GRF)

Deadlines: Anticipated 10/2022;

The NSF-GRF is one of the nation's premiere fellowships for graduate students. Fellowships support students pursuing research-based master's and doctoral degrees in the sciences, engineering, and social sciences.

National Water Research Institute (NWRI) - Graduate Fellowships

Deadlines: Anticipated 4/2022; Anticipated 5/2022

Fellowships support master's and PhD students at US universities conducting research in areas that include, but are not limited to, engineering, physical and chemical sciences, biological sciences, health sciences, political sciences, economics, and planning/public policy issues that are related to water resources.

Natural Sciences and Engineering Research Council of Canada (NSERC) - PGS Doctoral Scholarship

Deadline: Anticipated 10/2022

NSERC supports Canadian citizens in doctoral programs in the natural sciences or engineering including cellular and molecular biology; chemical, biomedical, and materials science engineering; chemistry; civil and industrial engineering; computing sciences; electrical engineering; evolution and ecology; geosciences; mathematical sciences; mechanical engineering; physics and astronomy; plant and animal biology; and psychology.

New America Fellows Program

Deadline: Anticipated 2/2022

The New America Fellows Program supports journalists, academics, and other public policy analysts in working on a book, series of articles, documentary, or another project that would be accessible to a broad audience.

NIH National Cancer Institute - Predoctoral to Postdoctoral Fellow Transition Award (F99/K00)

Deadline: Anticipated 10/2022

The National Cancer Institute (NCI) at the National Institutes of Health offers the Predoctoral to Postdoctoral Fellow Transition Award (F99/K00) to help outstanding graduate students pursue careers as independent cancer researchers.

NORAM - Scholarship for Graduate Research in Norway

Deadline: 4/1/2022

Scholarships support graduate research in areas of mutual importance to Norway and the United States in order to strengthen the ties of friendship between the two countries.

North American Society for Sport Management (NASSM) - Doctoral Research Grant

Deadlines: Anticipated 2/2022; Anticipated 3/2022

NASSM funds doctoral student research to advance scholarship in the field of sport management.

NortonLifeLock - Graduate Fellowship Program

Anticipated Fall 2021

Fellowships support PhD students who are conducting research with real-world applicability.

NVIDIA Corporation - Graduate Fellowship Program

Deadline: Anticipated 9/2022

Fellowships support Ph.D. students who are researching topics that will lead to major advances in the graphics and high-performance computing industries and who are investigating innovative ways of leveraging the power of the Graphics Processing Unit (GPU).

Oak Ridge National Laboratory (ORNL) - Advanced Short-Term Research Opportunity (ASTRO) - Graduate and Post-Graduate Research Appointments

Deadline: Continuous

The program offers short-term opportunities to conduct research in areas that support ORNL missions in the basic and applied sciences, energy and environment.

Oil Spill Recovery Institute (OSRI) - Graduate Research Fellowship

Deadlines: 1/21/2022; Anticipated 7/2022

Fellowships support graduate research that will enhance scientific understanding of Arctic and sub-Arctic marine and estuarine ecosystems, and provide information needed by managers and decision-makers for oil spill response and recovery.

Open Technology Fund (OTF) - Information Controls Fellowship Program (ICFP)

Deadline: Anticipated 6/2022

The Information Controls Fellowship Program (ICFP) cultivates research, outputs, and creative collaboration on topics related to repressive internet censorship and surveillance.

Order Sons and Daughters of Italy in America (OSDIA) - Sons of Italy Foundation (SIF) - Scholarships for Graduate Students and Law Students of Italian Descent

Deadline: 2/28/2022

Scholarships support graduate study by Italian-American students.

Organization of American States (OAS) - Graduate Scholarship

Deadline: Anticipated 7/2022

Scholarships are for full-time onsite or online studies leading to a Doctorate or Master's degree at a university or higher learning education institution in an OAS Member State, with the exception of the applicant's sponsoring country, in eight (8) priority areas of study.

Organization of American States (OAS) - Leo S. Rowe Pan American Fund

Deadline: Continuous

The Fund offers interest-free loans to citizens from Latin America and the Caribbean OAS Member States to finance their studies or research in accredited universities across the United States.

Palynological Society (AASP) - Graduate Student Grants

Deadline: 3/31/2022

Grants are for research in palynology, to be used for costs directly connected to carrying out research, such as fieldwork and laboratory expenses.

Pat Tillman Foundation - Tillman Military Scholarship for Veterans, Active Duty, and Family Members

Deadline: Anticipated 2/2022

Tillman Military Scholarships provide support to military service-members and spouses who are full-time undergraduate or graduate students in the fields of medicine, law, business, policy, technology, education and the arts.

Paul & Daisy Soros Fellowships for New Americans

Deadline: Anticipated 10/2022

Paul & Daisy Soros Fellowships support “New Americans,” i.e., green card holders, naturalized citizens, DACA recipients, asylees, refugees, or the children of immigrants, in any field and in any advanced degree-granting full-time program in the United States.

Phi Mu Alpha Sinfonia Fraternity - Sinfonia Educational Foundation (SEF) Scholarships - Graduate Scholarship

Deadline: Anticipated 7/2022

The Sinfonia Educational Foundation Graduate Scholarship supports promising and gifted Sinfonians who seek to pursue advanced degrees.

PhRMA Foundation - Drug Delivery Dissertation and Postdoctoral Fellowships

Deadline: Anticipated 5/2022

Fellowships support training and research in drug delivery, including basic pharmaceuticals, biopharmaceuticals, pharmaceutical technology, pharmaceutical biotechnology or biomedical engineering.

Point Foundation - The National LGTBQ Scholarship Fund - Graduate Scholarship

Deadline: 1/18/2022

The Foundation offers scholarships to LGBTQ students in any field pursuing graduate degrees at institutions within the U.S.

Population Council - Predoctoral and Postdoctoral Fellowships in Biomedical Research

Deadline: Continuous

Fellowships support pre- and postdoctoral advanced study in basic and translational reproductive sciences and HIV and AIDS.

Portland Cement Association (PCA) - Graduate Research Fellowship Program

Deadline: Anticipated 2/2022

Fellowships support students in an engineering, science, material science, or architectural program.

Property and Environment Research Center (PERC) - Short-Term Research Fellowship for Graduate and Law Students

Deadline: Anticipated 3/2022

Fellowships support graduate students and law students interested in researching issues related to natural resources and the environment.

Rainforest Alliance - Kleinhans Fellowship for Community Forestry Research

Deadline: 2/28/2023

The Fellowship supports research that is oriented toward solving real-world problems as defined by community forest enterprises.

RAND Corporation - Stanton Nuclear Security Fellowships

Deadline: 1/18/2022

Fellowships support doctoral and postdoctoral interdisciplinary research in the field of nuclear security that will advance policy-relevant understanding of the issues.

Raptor Research Foundation - Grants

Deadline: Anticipated 6/2022

The Fund offers interest-free loans to citizens from Latin America and the Caribbean OAS Member States to finance their studies or research in accredited universities across the United States.

Regeneron Prize for Creative Innovation in Biomedicine

Deadlines: Anticipated 2/2022; Anticipated 3/2022

The Regeneron Prize for Creative Innovation recognizes and honors excellence in biomedical science conducted by graduate students and postdoctoral fellows.

Resources for the Future (RFF) - Summer Internship Program for Research on Environmental Issues

Deadline: Anticipated 3/2022

The summer internship allows graduate students with a special interest in improving environmental, energy and natural resource decisions through impartial economic research and policy engagement.

Rocky Mountain Nature Association - Short-Term Research Fellowship

Deadline: Anticipated 2/2022

Fellowships support graduate students conducting research in Rocky Mountain National Park.

Royal Anthropological Institute - Ruggles-Gates Fund for Biological Anthropology

Deadline: Anticipated 3/2022

The Royal Anthropological Institute administers the Ruggles-Gates Fund, which provides grants for research in biological anthropology. Preference will be given to those applications which lie within human population biology, human genetics, human ethology and palaeo-anthropology.

Saint Andrew's Society - Scholarships for Students of Scottish Descent

Deadline: Anticipated 4/2022

The Saint Andrew's Society of Washington, DC, supports graduate students who maintain permanent residency in the Mid-Atlantic Region (District of Columbia, Delaware, Maryland, New Jersey, North Carolina, West Virginia, Pennsylvania, and Virginia) who are of Scottish birth or descent.

Semiconductor Research Corporation (SRC) - Ph.D. Fellowships

Deadline: Anticipated 4/2022

Fellowships support doctoral students pursuing degrees in areas of interest to the semiconductor industry.

Sheep Heritage Foundation - Graduate and Veterinary Student Scholarship

Deadline: Anticipated 5/2022

The scholarship supports graduate and veterinary students conducting sheep and/or wool research.

Smithsonian Institution - Graduate, Post-graduate, and Postdoctoral Fellowships

Deadlines: 2/15/2022; Anticipated 3/2022; Anticipated 11/2022

Fellowships support research and study in a variety of fields.

Smithsonian Institution / Big Ten Academic Alliance - Dissertation Research Fellowship

Deadline: Anticipated 11/2022

The Smithsonian Institution offers Big Ten Academic Alliance residential fellowships for graduate students at member universities (including UIUC).

Society for Neuroscience (SfN) - Peter and Patricia Gruber Foundation - Graduate and Postdoctoral International Research Fellowship

Deadline: Anticipated 5/2022

The fellowship is for graduate and postdoctoral neuroscientists pursuing their research and education in an international setting.

Society for the Scientific Study of Sexuality (SSSS) - Graduate Research Grant

Deadline: 3/15/2022

Grants support research on human sexuality in any discipline.

Society of Automotive Engineers (SAE) - Yanmar Scholarship

Deadline: Anticipated 3/2022

Scholarships support graduate research related to the conservation of energy in transportation, agriculture & construction, and power generation.

Society of Environmental Toxicology and Chemistry (SETAC) Foundation for Environmental Education - Graduate Research Awards

Deadlines: Anticipated 4/2022

SETAC supports the study, analysis, and solution of environmental problems, the management and regulation of natural resources, research and development, and environmental education.

Society of Exploration Geophysicists (SEG) Foundation - Scholarships

Deadline: Anticipated 3/2022

Scholarships support research and study in applied geophysics or a closely related field, such as geosciences, physics, geology, or earth and environmental sciences.

Society of Health and Physical Educators - SHAPE America - Cooley Master's Scholarship

Deadline: Anticipated 10/2022

This award is for graduate students enrolled in a master's level health education program.

Society of Health and Physical Educators - SHAPE America - Ruth Abernathy Presidential Scholarship

Deadline: Anticipated 10/2022

This award is for graduate students in the fields of health, physical education, recreation, or dance.
